Work To Be Done On Red River Co. Highways

Area project include a Seal Coat project on U.S. Highway 82, from the Lamar County Line to Clarksville, a distance of 16.3 miles.

The 1982 Rehabilitation

and State Highway Safety and Betterment and Farm to Market Road Improvement Program will cost an estimated \$213.6 million, with \$1.6 million held in reserve for later assignment.

The program includes improvement and

rehabilitation of 5,478.3 miles. The work includes projects which will upgrade existing highways to handle heavier volumes of traffic, enhance safety, reduce the amount and kind of maintenance necessary and to protect the large public investment in the highways of Texas.

Bybee-Stansell Exchange Vows

Kelly Sue Bybee and Kippy Joe Stansell were united in marriage at 7 p.m. the evening of June 19, 1981, in a double ring ceremony performed by the Rev. Don White at the First Assembly of God Church, 301 West Seventh Street in Mt Pleasant.

The bride is the daughter of Mr. and Mrs. Russell Bybee of Cookeville and Mr. and Mrs. Jerry Stansell of Talco are the parents of the groom. She attended Mt. Pleasant High and he, Rivercrest High School. The groom is employed by Buck's Welding and Machine Shop as manager-bookkeeper.

Vows were repeated before a green archway flanked by candelabras filled with lighted candles. Fresh flowers and ivy were used at vantage points. The Unity candle was lit by the couple during the ceremony.

Accompanied by Anna Belk, Tim Belk sang "The Twelfth of Never" and "If". Anna Belk sang "There is Love."

Wearing a floor length gown of white satin, the bride was escorted to the altar and given in marriage by her father. The dress featured a fitted bodice with lace trim overlay. The lace ruffled skirt was held with satin bows at knee length sweeping into a chapel length train. Her matching fingertip veil was trimmed with chantilly lace. She carried a cascade bouquet of white silk roses accented with brown and beige daisies.

Attending the bride as maid of honor was Debbie

Coffman of Commerce. Bridesmaid was Donna Archer also from Commerce. They wore floor length yellow satin bodice gowns overlaid with muted yellow and beige chiffon and matching chiffon cape. Each carried a bouquet of silk flowers of yellow and brown tones.

Krisite Stansell, sister of the groom was the flower girl with J.B. White of Mt. Pleasant serving as ring bearer.

The groom's best man was Brad Nicholson and Bruce Nicholson was the groomsmen. Both are of Mt. Pleasant.

Seating the guests were Todd Baxley of Texarkana and Robby Laney of Mt. Pleasant.

Immediately following the ceremony a reception hosted by the parents of the bride was held in the reception hall of the church. In the house party were cousins of the bride Sue Allison, Paula Baxley, Jackie Gildon and Kathy Crone. Also cousins of the groom, Tonia Duffee and Barbara Wilbanks. Leslie Allison distributed rice bags to the guests.

Following their honeymoon to Florida the new Mr. and Mrs. Stansell are making their home in Talco.

On Thursday night, June 18, after rehearsing the wedding ceremony the parents of the groom were hosts for a dinner held in the Community Room of Guaranty Bond State Bank honoring their son, Kippy Joe and his bride-to-be Kelly Sue Bybee.

Hay Show Planned

Back in March the Agricultural Improvement Association wished to determine if there is enough interest to conduct a hay show at the 1981 Red River County Fair. To this date there has not been much interest in conducting a hay show.

If sufficient interest picks up, hay entries will be analyzed for protein and total digestible nutrients. A hay production educational meeting is also planned and specific rules and regulations will be made available at a later date.

Contact any A.I.A. member or the County Extension office if you would like to participate at this year's fair.

Couple Honored With Party

Charlie Kimmey and his bride-elect Kathy Brooks were honored with a pool party at the home of Mr. and Mrs. Vernon Berry of Lufkin on Saturday June 20.

Brisket, chicken crepes, fruit salad, tossed salad, ice cream and cake were served to 30 guests.

Hosting the party were Leigh and Kay Berry, Debbie Due, Jeff Waters, and Mary Ann Thames, all of Lufkin.

Snow Monkeys

Not all monkeys live in hot steamy places. Snow monkeys make their homes about as far north as any monkeys in the world—in the mountains of Japan. Over thousands of years, they have developed longer fur and different habits to adapt to the colder climate.

Trimming the Food Dollar

If buying chicken parts, breasts usually provide the most meat per bone. They're a better buy even if the price per pound is higher than drumsticks or wings. In general the more done to foods, the more it costs. Why not buy a good knife or poultry shears and cut up your own chicken at home. You can prepare several different dishes by cooking and storing them in the freezer. Reserve some of the cooked meat for brown-bag sandwiches. You'll have meal insurance in the freezer and you won't be tempted to stop at fast food outlets or buy frozen entrees at the supermarket. The money saved is amazing and the food tastes better.

Price Check

When you buy meat, check the price per serving rather than the price per pound. If the cut is boned, you have less waste, more servings.

Daniels Attends Baptist Association Meeting

Religious controversy and discussion seem to be the order of the day. While many religious denominations seem to be in a turmoil over doctrinal

positions, this was not true with the messengers of the churches of the American Baptist Association as they met in Phoenix, Arizona last week.

These messengers voted unanimously in favor of condemning alien immersion and "believers baptism", and affirmed their belief in local church authority in administering baptism. (Believers baptism being defined as immersion of a believer by someone without local church authority.)

There was also unity in passing a resolution ex-

pressing the body's confidence in the infallible and all-sufficient work of God as originally given.

A major item of business was the reporting and recommending of men to be supported by the churches as missionaries. Some 123 men were recommended to the associational churches for support as they work to build churches in America and many foreign countries.

The business manager and the editor-in-chief of the Baptist Sunday School Committee reported growth in the printing business.

Books, tracts and literature printing have kept the business growing.

Good reports were heard from our youth work. With camp facilities located in Texas and Arkansas and operated through a joint effort by the churches, thousands of young people have opportunity for Bible teaching and fellowship each summer.

Rev. Billy Daniels, his wife and son, Timmy, attended this meeting as messengers from the Johntown Baptist Church.

SHADES OF THE old West-the Clarksville Wagonmasters were present at the Bogata Frontier Days parade with a buckboard and old fashioned dress for all. (Staff Photo)
