## Tractor Pull Doesn't Just Happen

By Nanalee Nichols

Most people are familiar with tractor pulling, especially the pull sponsored by the Paris Young Farmer Chapter. Most people are aware of the time, money and energy put into creating the big machines that roar down the track. But few give thought to the amount of work that goes into creating the pull event itself.

The Paris Young Farmers have members from all over, not just within the city of Paris.

This year they moved from the Rodeo Arena to a leased piece of land. That gave them a longer track, more room, and more parking. It also required solving new problems.

The amount of work that went into converting a piece of bare ground into a track was formidable.

The track was probably the most difficult part, with maintainers, scrapers and rollers being used over and over, with a watering in between.

The bleachers had to be erected, some at the last minute when they were shipped in.

Concession stands had to be moved in, not to mention the incredible amount of volunteer work by the women who ran the stands. Crowds were six and ten deep all evening long both nights as they fixed nachos, cokes, hot dogs and other "goodies".

One of the Young farmers involved, Royce Fouse, who works at LaRue Ford Tractor Co. in Paris, replied to a query as to "Why?" with "because we enjoy working together, and providing quality entertainment for the area". Audie Niesler said "Oh, it's not too much work, just a little every day." That "little every day" was each evening till about midnight for a month!

David Basinger, Jack Nelson, many, many other members of the Young Farmers all expressed the same goals.

Providing entertainment

of family quality, and raising funds for their projects is their primary reason for going to such a vast amount of work.

The Young Farmers provide scholarships, provide FFA project animals, present savings bonds and put almost all of their money right back into the area. When the Emberson Tornado hit, they were quick to donate.

Two thirds of the young farmers involved are full time farmers, some work in part time jobs and farm on the side, others are involved in agri-business. All are united in the effort of making the tractor pull, the Chapter sponsored Agriculture Day and their other projects the best available.

One member said that he felt the entire group had worked together more closely this year than ever before. Just the schop of erecting the generator powered lighting system, arranging the invitations to

the pullers and doing the measuring, announcing and officiating would daught many organizations!

And everything they created, the track, lighting, bleachers, all had to be removed almost as quickly as it was put up.

In the actual pulling competition itself Locals James Keys, Melvin Webb, David Basinger, James Winters, and Mike Winters all participated. Keys won first place, Webb second in stock classes.

T.J. Basinger of Deport, who had never driven a tractor pull machine before, delighted the crowd with his antics. In high gear, and not knowing what to do, he waved his arms, bounced up and down, threatened to run over people and generally created a show.

A new addition was army tanks from the National Guard. Their display of strength as they casually dragged the weighted sled at full capacity the length of the track brought roars from the crowds.

## Tractor Spree Ends In Arrest

Sheriff's deputies arrested a Talco man Wednesday afternoon in connection with the burglary of Joe Tully's residence in Hagansport.

According to the Sheriff's report, Larry Lee English, 21, was arrested at his home after witnesses identified him as the man who had taken a tractor from Tully's home.

Deputies found a shotgun

belonging to Tully in the suspect's possession at the time of the arrest. English was arraigned before Justice of the Peace J.B. Holley Thursday morning on one count of theft over \$200, one count of burglary and two counts of reckless damage to private property.

English allegedly drove the tractor from Tully's

home to downtown Bogata and destroyed a fence and a garden at the Theford Apts. before returning the machine.

Bond was set at \$10,000 on the theft, county \$5,000 on the burglary charge and \$500 for each count of damage. He still remains in custody Friday at Red River County Jail.

instantly as was Darrell Evans of Pattonville, driver of the car. Passengers of both

vehicles survived the crash. (Staff Photo by Linda Tabb)

## Head-On Crash Kills Two

Two young men were killed and two received injuries, one seriously, in a head-on collision one mile south of Bogata on Hwy. 271 around 2 a.m. Sunday morning.

JP James Watson. Both men were drivers in the accident.

Monty Lee Johnston, 22 of Blossom, who was a passenger in the vehicle driven by Evans, was kept overnight but has since been released. He suffered scalp lacerations.

Charles Ray Savage was treated and released from Red River General a

spokesman said. Savage was the passenger in the pickup driven by Edge.

Evans was driving a 1979 Mercury northbound on Hwy. 271 with Edge traveling in a 1973 Ford Pickup truck heading south.

The Evans' vehicle is reported to have crossed the

center line into the southbound lane and collided head-on with the pickup truck.

Both funerals were held on Monday. The Edge funeral at 4 p.m. at the Talco Church of Christ and the Evans funeral at Grant Funeral Home in Deport at 5 p.m. Monday, July 27.

the four FFA administrative regions. The four regional winners in Agricultural Mechanics will receive a plaque and a \$250 check and partially paid travel expenses to the National FFA Convention from International Harvester.

## Chairman Named For Victory March

Geri Knowles will be the chairman in Bogata for the Arthritis Victory March, it was announced today by Mrs. Blair Gray Mercer, Sr., president of the North Texas Chapter of the Arthritis

Foundation. She will be assisted in the campaign by Mrs. Audrey Gillis. The Victory March, a public awareness and fund raising campaign, will be held September 14-20.

Mrs. Mercer said that funds raised from this campaign will help to continue support services for arthritis patients and their families and to advance the Foundation's nationwide

research programs that are directed toward finding the cause and cure of arthritis, the nation's number one crippling disease.

The annual economic impact of arthritis in the United States totals over 13 billion dollars including lost income and medical payments. The cost in human suffering, in pain and disability, is beyond measure.

More than 31,000,000 Americans of all ages are afflicted with arthritis serious enough to require medical care. The Foundation estimates that over 2,000 in Red River County are victimized by the disease.

Finland is the champion per capita coffee-consuming country in the world, gulping down about five cups a day for every man, woman, and child. But the United States, which averages less than half that amount per person, buys more coffee than anyone else, purchasing some 1.2 million tons in 1979, National Geographic says.

### Hare & Taylor Wed In Candlelight Ceremony

Marcia Dewiece Hare and John Paul Taylor were wed in a candlelight ceremony at 8 p.m. Saturday, July 11, 1981 at the First Baptist Church of Mt. Vernon with Rev. Dr. Pete Freeman officiating at the double ring ceremony.

Parents of the couple are Mr. and Mrs. I. H. Hare, Jr. of Route one, Sulphur Bluff, and Mr. and Mrs. Arthur G. Taylor of Conroe, Texas.

Mrs. Dorothy Long presented the piano prelude music, just prior to the traditional wedding music that was presented on the organ by Mrs. Dee Eakin. Mrs. Long accompanied Mrs. Cindy Redding as she sang "The Twelfth of Never" and "The Wedding Song". Mr. and Mrs. Rodney Craig accompanied themselves on the guitar and sang "Come With Me, Walk With Me". Mrs. Eakin played the organ as Mike Betts sang "Love Me Tender". The flower girl was DeAnna Stanley of Mt. Vernon, niece of the bride. She wore a long white eyelet dress. The ring bearer was Jody Stanley of Mt. Vernon, nephew of the bride. He wore a grey tuxedo.

Given in marriage by her father, the bride wore, a formal gown of white Chiffonette, styled in an empire silhouette. The molded bodice, overlaid in Alencon lace with accents of pearls, featured the Queen Anne neckline. Long, sheer Bishop sleeves fell to wrist length to a wide cuff with accents of lace motifs with a ruffle framer. The A-line skirt, with a bow to the back at the waist, fell to slipper level to an attached Chapel train and had a framer of lattice leaf edging.

The bride wore a blue silk and lace garter, a sixpence in her shoe and wore a silver and diamond broach belonging to her great grandmother, on the cuff of her wedding gown, to carry out the tradition of something old, something new, something borrowed, something blue. The bride's bouquet was a cascade of fresh daisies, roses, miniature carnations and was accented with baby's breath. It was centered with the corsage that she wore on her going away suit.

Mrs. Patricia Anderson Holmes of Tyler served as matron-of-honor. Cathy Lawrence served as maid-of-honor. Bridesmaids were Mrs. Deaneth Stanley, Mt. Vernon, sister of the bride; Mrs. Jacqueline Taylor Cheslie, Houston, sister of the groom; Mrs. Debbie Hare, Bogata, sister-in-law of the bride; Mrs. Jill Laughlin, Tyler; Mrs. Cindy Redding, Winnsboro; Mrs. Carolyn Russell, Mt. Pleasant, cousin of the bride. They wore identical gowns of cinnamon chiffon.

Jim Taylor of Houston was best man for his brother. Groomsmen were Mike York, Clear Lake; Jim Fryrear, Nevada, Missouri; Steve Snyder, Cypress, Texas; Randy McEachern, Austin; Mike Reing, St. Louis, Missouri; Robin Smith, Houston; and Mark Hare, Bogata; brother of the bride. They wore grey Ascot tuxedos. The groom was dressed in white tuxedo.

Wedding guests were seated by Dave Taylor, Houston, and Kim Taylor of Nacogdoches, brothers of the groom, and Dave Jagers and Stan Dickson, both of Mt. Vernon and cousins of the bride. They wore grey tuxedos to match the groomsmen.

Members of the houseparty were: Mrs. Roseanne Solomon, Mrs. Jean Pickett, Mrs. Betty Parrott, Mrs. Elaine Richardson, and Mrs. Charcie Peterson.

Rice bags were distributed by Miss Jamie Jagers, cousin of the bride.

Following a trip to the Grand Cayman Islands in the Caribbean, the couple will reside in Tyler.

The bride is a 1977 graduate of Mt. Vernon High School, and Richard and Joseph's School of Hair Design and attended Tyler Jr. College. She is employed at Mr. Fenton's Beauty Salon in Tyler.

The groom is a graduate of J. F. Dobie High School in Houston, and the University of Arkansas where he played on the razorback football team, and was a member of Sigma Chi Fraternity. He is a teacher and coach for the Tyler Independent School District.

Out of town guests included: Great grandmother, Mrs. H. M. White of Atlanta; Mr. and Mrs. John Wilson, Amy, Cherise, Sharon and Jonette; Mrs. B. F. Johnson.

Mrs. Charles Ford Kimmey Jr.

**KimmeY-Brooks Exchange Vows**

Miss Kathy Ann Brooks and Charles Ford Kimmey Jr. were married in a formal ceremony Saturday evening at 7:00 p.m. in the United Methodist Church in Bogata.

The Rev. David W. Griffin of Sonora officiated.

The bride is the daughter of Dr. and Mrs. E.E. Brooks of Bogata. The bridegroom is the son of Mr. and Mrs. Charles Kimmey of Lufkin. Mrs. Duane Glover of Deport presented pre-nuptial organ selections, the traditional wedding marches and accompanied Miss Debbie Due of Lufkin as she sang "The Lord's Prayer." Delise Still of Lufkin was pianist as Miss Due sang "God, A Woman and A Man."

An aisle, decorated with nosegays of mixed summer flowers in pastel shades, led the way to the altar where the couple pledged their vows beneath a trio of classic Roman columns holding arrangements of fresh pink gladioli, yellow daisies, lavender spider chrysanthemums, old rose carnations and baby's breath. The background for the setting was spiral and oval candelabra holding soft yellow tapers interspersed with summer flowers and pastel ribbons. The chancel rail was complimented with candle groupings and polished foliage.

The bride was escorted to the altar by her father and given in marriage by her parents. For her wedding she wore a gown of chiffon

and lace featuring a Queen Anne neckline with seed pearls and appliques of Venice lace on the fitted bodice. The elongated back waistline flowed into a chapel-length train. The full chiffon sleeves had appliques of lace on English net and were fitted at the wrists. The skirt was of chiffon and lace with crystal pleating along the bottom of the gown and train. The bride wore a brimmed hat with lace appliques and seed pearls. She carried a cascade of white roses, stephanotis, baby's breath and polished English ivy leaves.

Matron of honor was Mrs. Joe Travis Kelsey, sister of the bride. Maid of honor was Staci Brooks, also a sister of the bride, and bridesmaids were Becky Brooks, sister of the bride, Mary Kimmey, sister of the bridegroom, Shan Watkins and Denise Ward.

The attendants wore daphne rose color gowns with a draped neckline, fitted waist and flowing skirt banded at the waist with a matching silk ribbon. They carried silk selections in a moderate cascade design in shades of yellow, blue, pink and old rose accented with baby's breath and tied in pastel satin love knots with streamers. Clusters of mixed silk flowers were worn in their hair.

Register stances were used outside the church entries and were decorated with fresh daisies and pastel ribbons. Mrs. Steve Steed of Lufkin, sister of the bridegroom, and Mrs. Morris Foster presided.

Best man was Charles Kimmey, father of the bridegroom. Groomsmen were Mike Smith, Scott McIveene, Jeff Waters of Lufkin, Mark Gray of Abilene and Stewart Henderson of Dallas.

Ushers were Robby Hefner, Jace Jeffery, Terry McGonagill and David Glover.

Candlelighters were Joe Travis Kelsey and Jimmy Via.

A reception following the ceremony was held at the Brooks home.

Members of the houseparty were Mrs. Kenneth Jeffery, Sandy Simmons, Robyn Reeder, Linda Studdfield, Betty Lou Geese, Mary Fortner, Lori Gordon and Mrs. Mike Smith, Mrs. Robby Hefner and Mrs. O.R. Due of Lufkin. Rice bags were distributed by Melanie Strawn, Paige Collins and Neil Grant.

The bride is a graduate of Rivercrest High School, Paris Junior College and Texas A&M University. The bridegroom is a graduate of Lufkin High School, Angelina College and Texas A&M University.

After a wedding trip to New Orleans, the couple will live in Lubbock where the bridegroom will be employed and the bride will attend medical school.

Mr. and Mrs. Charles Kimmey honored their son and his fiancée with a dinner at the church Friday evening following the wedding rehearsal.

The couple presented gifts to their attendants. Fifty guests attended.

**Caught in the Ups and Downs Of Energy Bills?**

SPRING SUMMER FALL WINTER

Trying to budget electric payments is not easy, especially with increased summer cooling bills. And unexpectedly high bills might cause you to postpone that necessary purchase. But with the Average Billing Plan, your payments are "averaged" over the past twelve months, so you know what kind of electric bill to expect; Summer, Fall, Winter or Spring.

**Here's how it works:**

<b>FIRST MONTH</b>			
<b>MOST RECENT</b>	<b>AVERAGE</b>		*15% of accumulated difference is added when prior to the current bill, the calculated amount for electricity used is more than the accumulated amount billed under the Average Billing Plan.
<b>12 MONTHS ÷ 12 =</b>	<b>BILLING</b>		
<b>ACTUAL USE</b>	<b>AMOUNT</b>		
<b>EACH MONTH THEREAFTER</b>			
<b>MOST RECENT</b>	<b>15% OF</b>	<b>AVERAGE</b>	
<b>12 MONTHS ÷ 12 +</b>	<b>ACCUMULATED</b>	<b>= BILLING</b>	
<b>ACTUAL USE</b>	<b>DIFFERENCE*</b>	<b>AMOUNT</b>	

**NOTE:** If you have less than 12 months history at your present address, the "average" will be based on the number of months available.
