Rivercrest Rebels Lose Bi-District Bid To Hawkins

By Pat Wright
The Rivercrest Rebels lost 34-14 to the Hawkins Hawks in the third consecutive year of Bi-District competition between the two teams. The Hawks, winners of District 19-AA and the Rebels, winners of District 20-AA, met for the third time at Tiger Stadium in Mt. Vernon.

The Hawks were smoking from the starting whistle, scoring on their first possession, then scoring again before the end of the first quarter.

Quarterback Jimmy Strickland began a passing assault just before the end of the first period, completing a 22 yard effort to Craig Clemmons, then firing to John Hines on the next play for 14 yards. Hines was brought down on the Hawkins 15 yard line, and the Rebels called on Jerry Merchant to take the football across the goal line.

The Rebels contained the Hawks on two series during the second quarter, forcing a

punt on the initial possession, then causing a turnover late in the period. Tony White fell on the football at the Rivercrest 40 yard line. The Rebels moved the football to the Hawkins 48 yard line before giving up the on downs just before the half time whistle blew.

The ability of the Rebels to capitalize on mistakes of the Hawks accounted for their second touchdown. The Hawks had just earned a first down on the Rivercrest 49 yard line, when Mark Mauldin fell on a loose football. Mauldin's alert play was followed by two 15 yard runs by Randy Galloway, which put the ball on the Hawk's 21 yard line. Merchant powered through the center of the line for the touchdown, and Galloway added the two points after.

The Rebels contained the Hawks on one more series before Hawkins began a march from their own 27 yard line to the goal, a fourth

quarter score, and six of 18 points the Hawks were to put on the board during the period.

Highlights for the Rebels during the fourth quarter were two completed passes from Strickland to Larry Denny, one for 19 yards and another for 10 yards. Strickland also completed a pass for 10 yards to John Hines, but he was intercepted twice during the final minutes of the game.

Leading the Rebels defensively were Damon Ward, Bradley Moore, Barclay Powell, Charles Skaggs and James Noey.

Rebels Kick Off Season

Basketball Against N. Lamar

By Britt Morgan
The Rivercrest Rebels kicked off the 1981-82 basketball season Monday night against North Lamar. The Rebs dropped the contest 60-51, but that's not too bad considering that they had had only one practice session. "It's hard to get started when football season carried over into basketball season," said head basketball coach Wake Wood. Wood was not making excuses, just stating the transition from handling an oblong ball to a round one can take a little time. Wood

has high hopes for the Rebels.

Four of five starters are back from the 1980-81 district champion Rebels, who were defeated in bi-district by Sabine, a team that has not lost a single game in two years.

Wood feels that the Rebs can repeat as district champions, but the road will not be easy. Several other teams in the district have quite a few returning players and some are tough.

The Rebels returning from last year's team include David Wisinger, James

Strickland, Stan Wood, Bradley Moore, John Hines, David Rozell and Larry Davis. New additions to the team are Anthony McGee, Wyatt Bush and Scott Brown.

Coach Wood says to expect a few changes to be made as the season progresses. The coaching staff again would like to express their appreciation for the support given to the school and hopes that it will continue through this year's season.

Rebelettes Play N. Lamar Pantherettes

The Rivercrest Rebelettes, both varsity and junior varsity, met the North Lamar Pantherettes in basketball action Thursday, trying to season themselves for the coming year's competition.

High score was from senior Rebelette Veronica Howerton, who poured in 24 points against the Pantherettes. Next was Nelda Anderson and Jean Ann Norman, both with four points. Two apiece were contributed by Jackie Via and Kim Wilkins.

The girls have two seniors starting this season, with three sophomores. They are working hard to

shape into the traditional Rebelette team of fast, hardplaying, accurate roundballers.

The North Lamar Pantherettes, a seasoned bunch of veterans, defeated them 56-36.

The Junior Varsity Girls fared much better, nearly reversing the score with the final at 51-32.

High score for that game was Belcher with 12 points. McGee with 8, Brooks with 7 Smith with 6, Thompson

and Savage with 4 and Hood with 3.

Both varsity and junior varsity are anxious to begin their drives for championships.

PUBLIC NOTICE

In accordance with rule 052.01.00.043(a) of the Public Utility Commission of Texas' Rules of Practice and Procedure, Continental Telephone Company of Texas announces it has petitioned the Commission for increased rates to offset costs associated with a change in accounting for inside station connection costs.

The increase is the result of an order by the Federal Communications Commission, directing telephone companies to expense certain station connection costs in their accounting procedures. The increase in rates to result from the accounting change will produce an increase of less than one half of one percent in gross intrastate revenues of the Company. The increase will not affect monthly recurring charges but will be reflected as an additional element to nonrecurring service connection charges when a premise visit is required.

In a separate action, Continental Telephone Company has petitioned the Public Utility Commission to amend its tariff by adding a \$7.50 service charge for each check returned to the Company unpaid due to insufficient funds. The new service charge is intended to offset costs of administering unpaid checks and will affect gross revenues by approximately \$35,000 annually.

The effective date of these rate changes will be based upon approval by the Public Utility Commission.

Canada Geese Provide Reminder

Everyone is familiar with the V-shaped formation and lonesome honk of the Canada Goose going south in the fall or northward in the spring. They have long served as a reminder to East Texas of a forthcoming season change. Perhaps nothing can be more majestic than one of these formations, often quite large slowly winging their way from view. The Canada Goose is an alert, large bird with as much grace on the water as in the air.

They do not, as some think, keep one leader at the front of the V flying formation. Rather, the strongest of the flock will take the position, which literally "splits" the air, providing a slip-stream in which the others can fly-thus the resulting V formation. Occasionally, as the front bird becomes weary, it drops back and another will take the forward position.

On the ground, however, when they are feeding, there is always a sentinel on the alert. The wary birds feed on grains of all kinds, and upon water plants.

They nest in the far northern reaches of the nation, mostly in Canada, but may be seen at many feeding and rest grounds during their yearly migration throughout the United States.

People in this area have a unique opportunity to observe these handsome gray, black and white fowl by driving to the Gambill Goose Refuge near Paris.

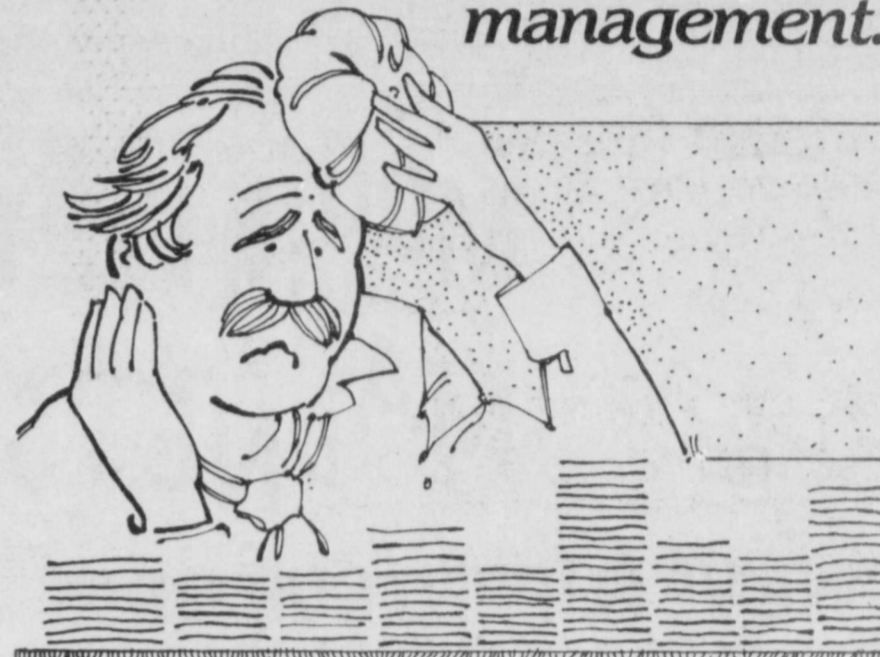

Sadly, lack of state funding interrupted the routine the geese had established for so many years, and their numbers, which at this time of year used to be in the near thousands, is down to a few hundred, but attempts are being made to re-establish the refuge.

When confronted on the ground, especially when the geese have young, both varieties are formidable enemies. They will defend themselves, their mates or their young with much hissing and wing fanning, and can literally take a "chunk" out of dog or man!

The large fowl mate for life, and many instances of one feeding and guarding another while it is ill or wounded are authenticated.

The Canada goose is a stately, dignified bird which enriches the lives of more people than most birds. One does not have to be a bird enthusiast to appreciate the sound of the graceful V-shape of wings and sound as it wends its way across our Texas sky.

Break the high heating bill habit with wise energy management.

It's easy to forget about the amount of energy used in heating a home until you get a higher than usual heating bill. Poor energy habits can make home heating costlier than it has to be. But you can break those habits with wise energy management. Install insulation in your attic, enough to meet the R-value requirements of your area. Seal cracks and spaces around doors and windows with caulking and weatherstripping. And to make sure your heating unit doesn't waste energy, have a qualified heating inspector check the unit. He can replace worn parts, and make sure it is operating correctly. Break the high heating bill habit, with wise energy management.

Lettuce has gone up a bit in price, so why not switch to Waldorf salads or cole slaw until prices moderate again. If the recent jump in bread prices poses a problem for you, look for bargains at discount outlets or stores with their own bread. If you have storage space, purchase enough bread to last three to four weeks. Bread to be kept more than a few days should be re-wrapped and stored in the freezer. Bread without preservatives and unrefrigerated will mold quickly during humid weather. Check bargain produce. Often bargain vegetables simply mean wilted leaves have been trimmed and the vegetable has been repackaged for quick sale. Fruits or vegetables with a few blemishes may be a bargain but avoid moldy food. Mold spreads quickly and may not necessarily be restricted to one area on the fruit.

GRANDCHILD OF THE WEEK**

Grandparents are Mr. & Mrs. Clarence Wright of Deport and Mr. & Mrs. Sammy Davis of Talco.

Nichols Worth

By Nanalee Nichols
The wind doth blow, the leaves do fall! A redundant statement perhaps, but those who are dedicated to the sport, art or chore, whichever you prefer, of leaf raking have certainly been busy.

One day it seemed that the maple trees were a blaze of glory, and the next the cold front came in and whoosed all the leaves off the trees and onto the ground.

This has prompted a perfect excess of leaf sweeping and raking. Now, personally, I prefer the nature theory, in which if the

good Lord wanted those leaves on the ground, who am I do meddle? This actually can be called the "bone lazy" theory also!

But fall is fading fast, and soon there will be no more leaves, not even the determined oaks will keep theirs. Winter is quite literally, breathing down our necks. It's time to turn thoughts to turkey and warm fires, so HAPPY HOLIDAYS.

have a nice weekend...

Bogata Locals

Mr. and Mrs. Gene Mauldin spent Sunday with their daughter Mr. and Mrs. Richard Meredith and family of Ashdown, Ark.

Mr. and Mrs. Travis Alford of Eules spent part of last week with her mother Mr. and Mrs. Rufus Ward Sr.

Visiting Mr. and Mrs. Robert Bishop and attending the funeral of Mrs. Virginia Bishop were their daughter Mrs. Melanie Cantrell of Grand Prairie, Mrs. Russel McConnell and John of Ft. Worth, Mr. and Mrs. Charles Franklin of Paris and Mrs.

Betty Hoffman of Mt. Pleasant.

Visiting Mr. and Mrs. Roy Prater Tuesday to Friday were her sister Mr. and Mrs. Phillip Lamaster of Houston.

Mr. and Mrs. Roy Prater spent the weekend with their son Mr. and Mrs. James Prater and family of Paris.

Dr. Wayne Grogan Jr. of Denver spent Thursday and Friday nights with his grandmother Mrs. Vera Grogan and Mr. and Mrs. Lloyd Grogan. Dr. Grogan had been attending a heart association meeting in Dallas.

Book Lovers Club Meets

The Talco Book Lovers Club met Friday at 2:00 p.m. in the home of Mrs. Ruby Cogburn with eight members present. Mrs. J.L. Cato gave the opening prayer and Mrs. Fannie Gieger gave the "Thought for the Day".

Mrs. Cato also brought the program on "Growing Old" with the roll call being answered with "Why I Am Not Old".

During the business session a Christmas dinner was planned for December 11 at Cordell's Snack Shop. Following the luncheon the

group will go to the home of the president, Miss Alice Ruth Tidwell for the exchange of gifts and entertainment.

During the social hour, bingo was played with prizes going to Mrs. Ollie Jones.

Mrs. Barton, Mrs. Jones and Mrs. Gieger assisted on the program. Those present were Mrs. J.H. Weatherall, Mrs. Tommie Barton, Mrs. Ollie Jones, Mrs. Gieger, Mrs. A.E. Foster, Alice Ruth Tidwell, Mrs. Cato and the hostess, Mrs. Cogburn.

LARRY DENNY caught two passes for 33 yards Friday against the

Hawkins Hawks. The Rebels lost the bi-district tilt 34-14. (Staff Photo)

Community Service Well Attended

The First Baptist Church of Bogata was the scene of the Community Service Sunday evening. Between 300 & 350 were estimated in attendance. A covered dish supper was served at 6:00 p.m. followed at 7:00 p.m. by a music program by the different churches.

Taking part were the Assembly of God, First

United Methodist Church and First Baptist Church. Rev. Carrell Caddell of the First United Methodist Church and Rev. Bob Posey and Rev. Billy Harris, pastor and assistant pastor of the First Baptist Church were there with Rev. Harris in charge of the music program.

4-H Holds Food Show

Red River County held its annual 4-H County Food Show Saturday November 21, 1981. There were 36 entries representing six, 4-H Clubs. Those participating from Pinebranch 4-H Club were Nancy Smith, Wade Smith, Todd Denny, Melissa arren, and Tonia Hinsley. Each of which won blue ribbons for the dish they entered. Nancy Smith was high score winner in her division. She will now go on to District competition which will be held Friday December 4, 1981 in Paris. Along with Nancy, there are three other division winners, in their respective categories. Let's keep our

fingers crossed for one of these four entries to win so that we can have Red River County represented at State competition at Texas A&M later next year.

Baptist Women Hold Meeting

The Baptist Women of the First Baptist Church of Bogata met Monday morning at the Fellowship Hall and Mrs. Sylvia Shupp reviewed the book "Way to Timbuktu". Rev. Bob Posey led the opening prayer, Mrs. Emmie Mitchell, president presided at a short business session. Mrs. Jim Bankston read the Prayer Calendar and Psalms 92:9. Rev. Billy Harris led the benediction. Sixteen were present.

THOUGHT FOR FOOD

Cheesy Salmon Buns
1 can (1 1/2 oz.) Bumble Bee Keta Salmon
1/4 cup mayonnaise
1/4 cup diced green bell pepper
1/4 cup diced celery
2 tablespoons diced onion
6 hamburger buns, split & toasted
1 1/2 cups shredded Monterey Jack cheese
Alfalfa sprouts or shredded lettuce
Drain salmon. Combine salmon, mayonnaise, bell pepper, celery and onion; mix well. Mound mixture on bottom half of each hamburger bun. Top with cheese. Place under broiler until cheese melts. Top each with alfalfa sprouts or shredded lettuce; top with remaining half of hamburger bun. Makes 6 buns.

Cheryl Doyle Accepted As Member Of TPRA

East Texas State University student Cheryl Doyle, daughter of Mr. and Mrs. Cecil Doyle of Bogata, was recently accepted as a student member of the Texas Public Relations Association.

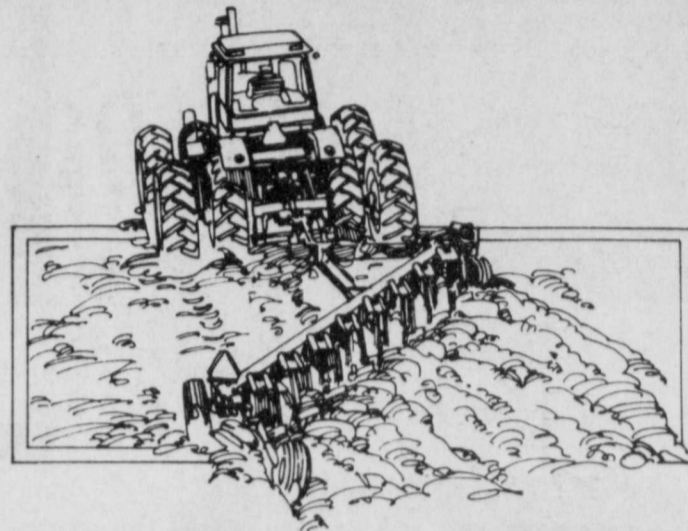

The TPRA is comprised of

professional public relations practitioners and instructors who have been actively involved in public relations activities for a minimum of five years. The TPRA conferences, which are twice yearly, introduce and acquaint participants with

new communication techniques and emphasize professional development. The TPRA actively supports the education of students enrolled in public relations curricula in Texas colleges and universities, according to Bob Biner,

ETSU public relations journalism faculty and professional member of the TPRA. Membership entitles students to participate in the conferences with TPRA paying a portion of their expenses.

NARROW ESCAPE—this house on Howison in Bogata was the scene of a narrow escape last

Wednesday night when L.C. Smith was rescued by Charlie Lewis, volunteer fireman, after

being overcome by smoke. The fire was extinguished, but later burned to the ground as it

apparently re-ignited after firemen left the scene. (Staff Photo by Linda Tabb)
