Poor Diana Eudy has had something of a rough break in time filling Mrs. Grogan's spot at the office in Bogata while Vera is out with an injured leg.

Ads, locals, questions, have all been handled with aplomb by Diana, who has only gotten flustered once to any extent.

She was supposed to be at the Clarksville Wal-Mart the other night at 8:00 to take a picture of the winner of the rifle given away by the Bogata VFW.

Now, Diana showed up...but the folks at the store didn't know a thing about it. Donnie Hayes in sporting goods, called all over the store trying to find something out.

Diana departed to the front of the store to call someone from the VFW.

In the meantime, the man who won the rifle, Bob Edwards, arrived to receive his prize. Diana didn't know that, however.

She reached a VFW member, they called Wal-Mart...and it was decided that there really WAS a rifle to be awarded!

While strolling around the store waiting, Diana and her husband kept passing or crisscrossing in the path of Edwards, not knowing he was the winner.

When she got back into the store the intercom system was paging her, and folks she knew were teasing her about why she was so popular.

When she arrived at sporting goods, here was Mr. Edwards, who is going to be a neighbor someday when all parties move to Cuthand.

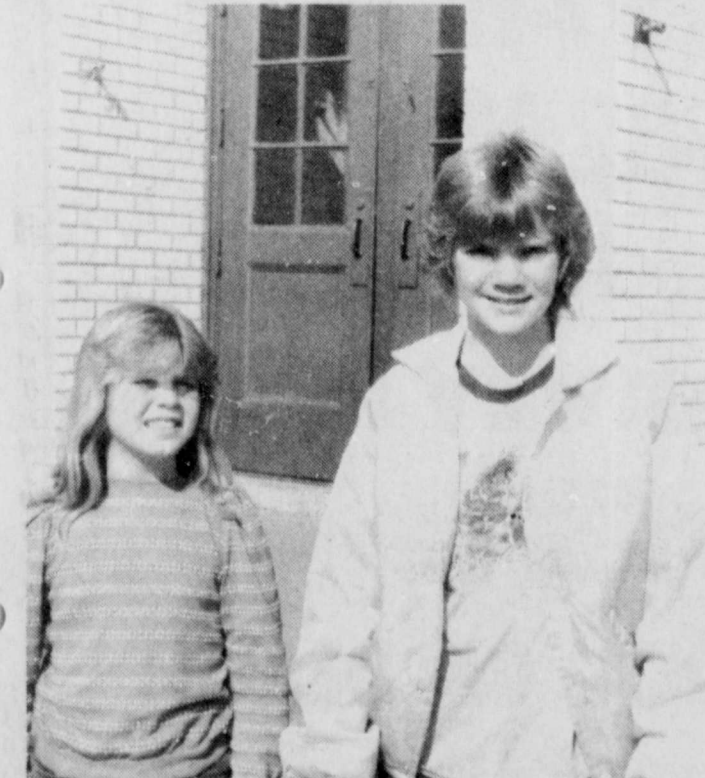

So everyone had a good laugh, the picture was taken, and they left the store better friends with a number of folks, including their neighbor-to-be...but a little confused at all the phone calls, questions, pagings and tribulations.

Of course, they also got some shopping done!

### Papers Will Publish Early

In order for the Bogata News, Talco Times, Deport Times and Blossom Times to be mailed before the Thanksgiving holiday, and so that employees of the papers can celebrate Thanksgiving at home with their families, all ads, news articles and correspondence will be due by noon on Monday, November 22.

All advertisers, those with local news, and those who turn in news for the newspapers are urged to observe this deadline in order that the early publication date can be achieved with a minimum of confusion and better efficiency.

## T-B Board Hears Progress Reports

Prior to their meeting on November 9, the Talco and Bogata school board inspected the facilities of the Talco Elementary School. At the October meeting, the board inspected the Bogata School facilities and will look over the Rivercrest facilities in the future.

While there are still plans to improve and upgrade facilities on each campus, the board was favorably impressed with improvements that have been made in recent months and

with projects now under construction. In keeping with a commitment of the Board to try to keep facilities in good repair and to make improvements and renovations as needed, authority was given to a Longview firm, Scott Partnerships, to make a facilities study of each campus and the district to lend some guidance to the board for long-range planning.

Rivercrest principal, Tillman Hale; Bogata principal, Gerald Stegall;

and Talco principal, Robert Giddens; met with the Board to give preliminary teacher evaluation reports and progress reports related to programs and activities on each campus.

In other matters, a group of parents met with the Board to discuss the makeup of the junior high girls' basketball program on the Bogata Campus with the major concern being that there were no plans for a

"B" team thus reducing the number of girls who could participate in the basketball program and especially the 7th grade level.

Representative of the Talco PTO met with the Board to request that the district contribute one-half the cost of a new clock-scoreboard for the Talco Gym with the PTO contributing the other half. Board approval was given to the request.

In other Board action, two

Rivercrest students were suspended for the remainder of the semester for violation of the school policy on drugs.

In final action, approval was given to the various

financial reports, the resignation of Tom Larue as a bus driver was accepted, and approval was given for advertising a surplus metal lathe for sale by bids.

The next regular meeting of the Board will be on Tuesday, December 14, 1982 at 7:00 p.m. at Rivercrest with the public cordially invited to attend.

### Chili Supper Honors Firemen

VETERANS of Foreign Wars Post 8187 and the Ladies Auxiliary honored the Bogata Volunteer Fire Department with a chili supper November 11 at 6 p.m. at the Post Home. Chili was donated by the Pea Ridge Packing

Company and Bob Embury. The Ladies Auxiliary served red beans, salad, pies and cake. Commander Tidwell presented Johnny Hudson, VFD President, with a check for \$100. Auxiliary President Betty

Mullin presented Hudson with a check for \$75. Donnie Strain and Benny Hearn entertained the guests. After the supper, games of "42" were played. Sixty members and guests attended.

## Ambulance Must Have Support

The Red River Ambulance Service is a non-profit organization furnishing county wide ambulance service to the residents of Red River County, and has been in existence for almost three years. Red River County is composed of approximately 15,000 residents, covers 1,033 square miles and is located in the northeast portion of the state. To date, no monetary assistance has been received from outside or Governmental sources. The only means of revenue has been from the sale of memberships to the residents of the County and from charges made for patients transported who are not members of the service.

The organization is managed and operations are directed by a board of Directors, composed of a group of civic minded individuals who are leaders in the various segments of the County and who serve without compensation.

Red River County is one of the lowest income, per capita, areas in the state. There is a very large population of elderly residents and with the income from this County being low, the service is of the opinion that in raising the cost of membership to any great extent, it may be putting the cost of membership out of the reach of many people who are the prime potential users of the service.

The service serves three nursing homes and has one General Hospital in the County. The hospital is limited in some areas of service in that it does not furnish some medical services, for example, obstetric and orthopedic, so that cases of this sort and some others require transportation of a minimum of 64 miles round trip to other facilities.

The service has three ambulances. Two are manned 24 hours a day, 7 days a week, and the other vehicle is used as a backup.

It is manned by volunteers when necessary. One of the ambulances is positioned in the southern portion of the County. From that area to the hospital it is a round trip of approximately 25 miles. Due to the large area the County covers, the miles per run are high.

One of the ambulances is approaching having 200,000 miles on it and needs to be replaced. The service also

has another vehicle that should be replaced. At a cost of \$40,000 each, the service would be able to purchase modular ambulances so that not only would the maintenance be lower as compared to the van type now used, but the replacement of the truck and chassis would be about a third of the cost of a totally new ambulance in the future.

The entire operating

budget is \$125,000.00. The service is coming to the close of the third year and while it will be close to breaking even on operations, the budget does not provide the funds needed so badly to replace two vehicles. To raise membership fees sufficiently to cover the cost of replacing these ambulances, it is felt, would make the cost prohibitive for many of the residents.

## Football Winners Make Few Errors

The winners of week before last's football contest were inadvertently left out of the paper last week, so here they are!

Hayden Martin of Bogata won the \$12 first place money, with only six misses and predicting that Prairiland would lose to Pittsburg 30-6.

Kay Byndas, another contender throughout the football season, missed seven games for the second place loot, and Paul Lyles, yet another expert football predictor, claimed third place.

The winners in last week's game, the final one in the contest, were: first place, Paul Lyles of Paris, who missed only one game, the Tennessee-Mississippi

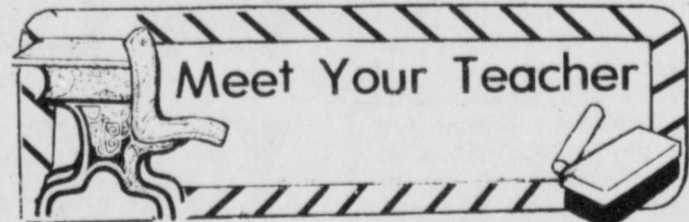

game. He had picked Pittsburg to win over Hooks 10-3.

In second place for the prize booty was Randy Randolph of Bogata, who missed only two games and figured the final Pittsburg score at 14-13.

Third place was claimed by Andrew N. Cox of Bogata, who missed five games and figured Pittsburg to win 17-10.

Paris, Florida, Baylor, SMU, Clemson, Hallsville, Georgia Washington, Oklahoma, Oklahoma State, Arkansas, Nebraska, Tennessee, Penn State and Texas.

The football contest is over for the year, but be assured, it will return next year, as the response to it, once it got going after the first week or so, was overwhelming!

## East Texas Eating

By Margie Rice

Many of us are beginning to realize that the time has come when we need to develop a more sensible and meaningful approach to holiday eating. Thanksgiving seems to be the time when reasonable eating patterns begin to slide. By Christmas Day, fueled by the fare of multiple seasonal parties, we practically moan "More Food?" as January approaches we are only too aware that our waistlines and, indeed, our whole physical and mental systems are affected by the onslaught of food we have inflicted upon ourselves.

We can, with the same careful deliberation we give to other areas of our lives, eat joyously and nourishingly. Let's start by eating—and planning and preparing meals—with the realization that the foremost purpose of food is nourishment; to provide body builders (proteins), protectors (vitamins and minerals), strength-givers (carbohydrates), and high-energy fuel (fats). We need to remember, though, that those carbohydrates and fats not used as energy and strength-giving are converted to and stored as body fat.

Choose holiday foods discerningly; let one piece of divinity be a luxurious treat at the neighborhood

### Talco Brownie Troop Holds Investiture Ceremony

The Brownie Troop 116 had its Investiture Ceremony on Thursday, Nov. 11 at the Talco Elementary School in the library at 2:45. The troop had a candlelighting ceremony. Three white candles and ten green candles in holders were arranged on a table. The troop stood around the table. Each girl took part in lighting the candles. The white candles represented the three parts of the Girl Scout promise. The green candles represented the ten parts of the Girl Scout Law. After the candlelighting ceremony, the girls gave the Girl Scout Promise, the Girl Scout sign and the Girl Scout

handshake. As each girl did this, she received her Brownie pin. The brownie pins are presented to the girls upside down. To get the pins turned up right, they must do a good deed. The pins were presented to the girls by Sue Whitney and Yvonne Harris. After the presentation of pins, Faye Whitney read a poem entitled "Hold Fast Your Dreams". The troop ended the ceremony as Kristie Reed led them in the song "Where'er You Make a Promise". Attending and receiving their pins were Crystal Anschutz, Crystal White, Robyn Reeves, Jackie Reed,

Laura Stevens, Chasity Hall, Kennette Taylor, Crystal Horton, Billie Jo Thompson, Ginger Harris, Kristie Reed, Tiffany Parish, Melanie Franks, Krista Weatherall and Faye Whitney.

**Community Thanksgiving Cuthand Service Slated**

The Community Thanksgiving Service for the Bogata area is scheduled for next Sunday evening at 6 p.m. at the First United Methodist Church of Bogata. Since Thanksgiving is a time for all Americans to be thankful to God for the establishment of this country, everyone is invited to this service.

Participating on the program will be choirs and singing groups from First Baptist Church, Lone Star

Church, and the First United Methodist Church. Rev. David Rucker will be coordinating the service. Contact him at 632-5241 if you would like more information.

Immediately following the service there will be a time of fellowship in the basement of the church. Coffee, punch and various desserts will be served. Plan to come and make this evening a highlight of the Thanksgiving Season.

Weekend visitors of Mrs. Susie Bivins were daughters and grandchildren, Mr. and Mrs. Leo Jones, Mr. and Mrs. Lynn Jones, Mr. and Mrs. Stanley Jones of Odessa and Mr. and Mrs. N.L. Stewart and family of Lewisville.

Mr. and Mrs. Sid Hudson and children were weekend guests of Mrs. Odella Cheatwood and Mr. and Mrs. Gary Cheatwood.

Visiting with Mr. and Mrs. Vernon Harville this weekend were their children and grandchildren, Mr. and Mrs. Larry Harville and Brandy of Lewisville, Mr. and Mrs. Bo Harville and Jeff of Bogata, Mr. and Mrs. Brian Harville of Joliet and Bob Edwards of Paris.

Visiting Mr. and Mrs. Pete Belcher Saturday were Mr. and Mrs. Bill Mauldin of Clarksville.

**Anita Holt Honored With Shower**

A bridal shower honoring Anita Holt, bride-elect of Jessie T. Fox, was held Nov. 15 at the Cuthand Methodist Church.

Mrs. Joe Lynn Rhodes presided at the registry. The serving table was covered with white cloth with yellow flowers. Crystal appointments were used and the floral arrangements and

candles were yellow. Cookies, punch, nuts and mints were served by Mrs. Gary Cheatwood and Mrs. Jimmy Alsup.

The hostesses were Mmes. John Brooks, Phillip Brooks, Randle Mayes, Jimmy Alsup, Gary Cheatwood, Dolton Williams, Tip Shimcock and Joe Lynn Rhodes.

**Rivercrest Basketball Boys Expecting Good Season**

Coach Wake Wood announced that he is expecting a good basketball team this season.

He has all of the varsity starters back except one, and expects the experience will help.

Wood says that the boys have an exceptionally tough

non-district schedule, but that the boys are working very hard and have a good chance to go all the way this season.

They have been picked to win district and go to regionals by the Texas Basketball Coaches Association.

Their first game is at North Lamar Tuesday night, with the freshman begin round ball play at 5:00 p.m., B-boys at 6:30 and A-boys at 8:00.

Coach Wood urges fans to give their whole-hearted support to the team this season.

**Insulate... Cut Heat Loss And Save Energy**

Homes lacking insulation can lose up to 33% of their heat through the roof alone. You can help prevent costly heat loss from your home with adequate insulation. Choose batts, blankets, loose fill... any type of insulation. Just be sure it has the "R" value recommended for this area. Energy savings year after year more than pay for the cost of the insulation. So insulate your home this season and look forward to an energy-saving future.

**IRA**

By now, you know that IRA means "Individual Retirement Account." What you may not realize is that IRA is the best opportunity that you have to build a retirement fund and at the same time, get current tax advantages.

You should know the basics of the changes made recently in IRA:

1. All wage earnings are eligible (Effective for tax year 1982)
2. Contributory limit increased to 100% of earnings up to \$2,000.00 (Married couple, both working, could deposit \$4,000.00)
3. Spousal IRA's (non working spouse) increased to \$2,250.00
4. New IRA Certificate - 18 month term, Money Market rate - additional deposits do not extend maturity.

## Talco-Bogata Expenditures Increase

Truth In Taxation laws can be more confusing than truthful as for instance the ad in this week's paper, as required by law, concerning a proposed increase in tax revenue. Total expenditures for the 1982-83 school budget are only 13 percent more than the 1981-82 school budget. The new tax rate that is being proposed is \$.54 as compared to a tax rate of \$1.00 for the previous year. However, new taxable values for the Talco-Bogata CISD as approved by the Red River County Appraisal District are \$201,381,000 as compared to \$81,488,000 for the previous year.

As to what effect this will have on an individual's taxes, reappraisals usually bring about a situation whereby some property owners pay more taxes, some pay about the same, and some pay less taxes.

The proposed increase in revenue, which is very misleading, is figured by a rather complicated formula that is required by law. To a large degree, the increase can be attributed to the big increase in taxable values over the previous year, granting of the various exemptions, such as the 40 percent homestead exemption which lowers the taxable values in the school district, and for the additional revenue needed to finance the new budget.

Regardless, meetings

must be held to discuss and vote on the proposal. The first meeting to discuss the proposal will be held on Monday, November 29, 1982 at 7:00 p.m. at Rivercrest.

An effort will be made to get tax statements ready for mailing before the end of the year, but due to the various delays brought about by the late appraisal and the requirements imposed by law, it could be that tax statements may not be mailed until January, 1983.

**Mrs. Jones To Head Talco Arthritis Campaign**

Mrs. Dorothy Jones will head the 1982 Arthritis Foundation campaign in Talco. Arthritis, the nation's number one crippling disease claims victims in all age groups with most first afflicted with the disease between the ages of 20 and 42. Arthritis also attacks infants and children. There are at least 250,000 children in the United States (18 in Titus County) who have juvenile rheumatoid arthritis. The committee conducting the campaign in Talco this year in addition to Mrs. Jones are Mrs. Judy Easley, Mrs. Ronda Brown, Mrs. Carol Whitney and Mrs. Nita Hood. The committee will have a rummage sale and a bake sale on December 3-4 to raise funds. There will be no door to door solicitations. Anyone who will be urged to donate articles for rummage sales and cakes and pies for the bake sale. If someone wishes to donate anything, please bring it to the Talco State Bank before the date of the sale or contact anyone of the committee. The sales will take place in the building formerly occupied by Jones and Bonham Dry Goods, next to the bank. We urge all to donate any items they might have that can be used in the rummage sale. We need all who will to bake a pie or cake for the bake sale. Let's all get behind this endeavor, urges committee chairman, and make the 1982 Arthritis Foundation Campaign the best ever in Talco.
