By Diana Eudy  
The Rivercrest Rebels were defeated in their bid for the area championship in White Oak Tuesday night. They went up against Elkhart and dropped the game 48-41. The Rebels came within one point in the final period but couldn't seem to keep the momentum

going. They missed key shots that could have turned the game around. Anthony Brown and James Anderson were in foul trouble early in the second half. Scoring for the Rebs were Scott Branch with 15, Kelly Jeffery with 13, Tony Jasso with four, James Anderson with three, Anthony Brown

and Bobby Thomas each with two and Kyle Hatley with one. The Rebels finished their season with the bi-district title. Congratulations boys on a good season! The Rivercrest Rebels captured the bi-district title last Thursday when they defeated the Quitman

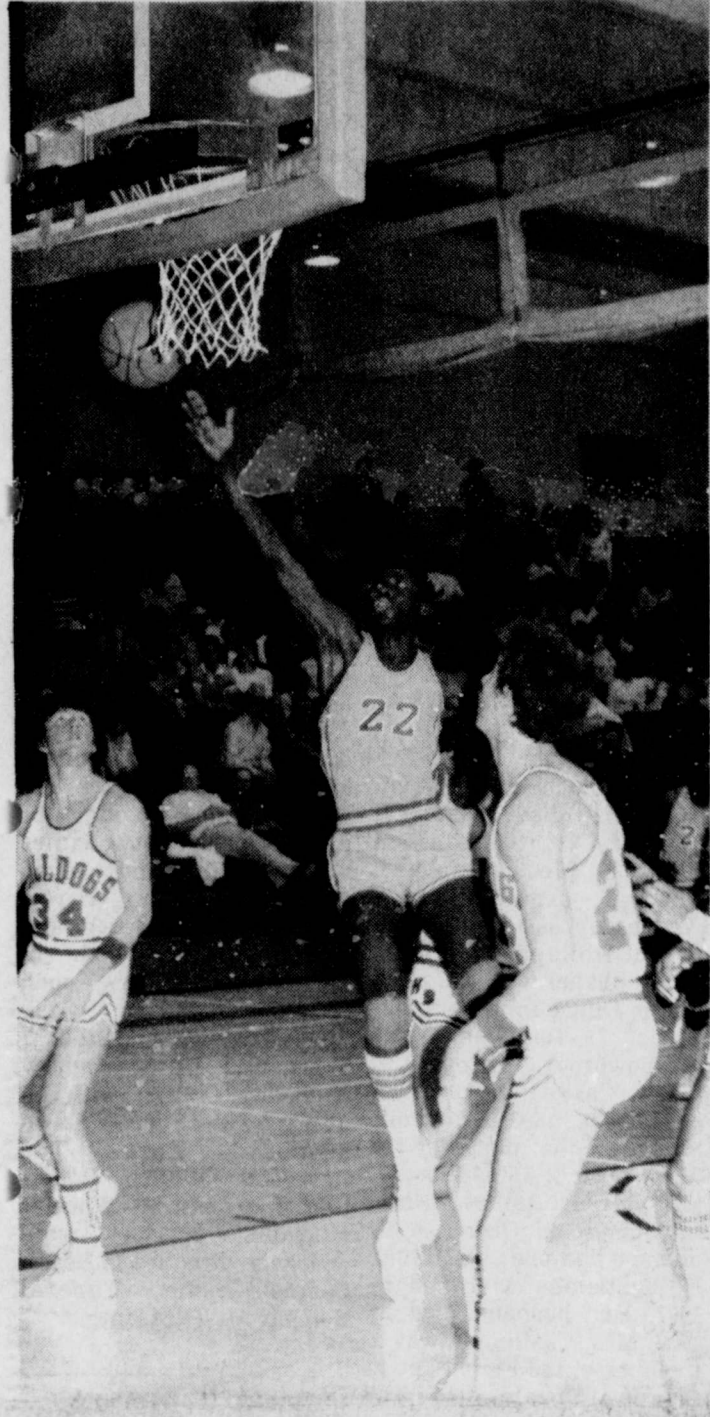

Bulldogs in Sulphur Springs. The Rebels scored six points in the first period to Quitman's four. Kelly Jeffery, Randy Galloway and Anthony Brown each hit for two. Jeffery's were on free throws. Rivercrest hit for nine more in the second quarter but the Bulldogs answered

with 15 to claim the halftime lead 19-15. Scott Branch scored seven and Bobby Thomas hit for two. Rivercrest kept coming at the Bulldogs with 14 points in the fourth for an exciting quarter score of 45-45, overtime! Scott Branch, Kelly Jeffery and Anthony Brown each hit for four and Tony

## Bogata Cable System Newly Built

As most people probably know, there is a new system in Bogata for distributing cable television programs to homes. It is well built and is made for future expansion. With anything that is new and complicated, however, there are certain problems that have to be worked out through tuning and adjustments. These things are being done and will continue to take place for a few weeks. The company will try very hard to keep interruptions to a minimum. Above all else, Arena is striving to provide quality entertainment to your home.

Channels 11 and 4 are still in the process of being upgraded. Channell 11 is off for a few days and Channel 4 is on standby equipment. These will be in good order soon. There are still occasional problems in Dallas signals that are caused by inferior equipment owned by Cap Cities, Inc., the company that sells the signals to us. They are working on this now. However, if the problems continue, we are prepared to take whatever action that will be necessary to get them to correct the situation.

## Girl Scouts Cookies In

Other incentives girls have the opportunity to earn include patches, shoe strings, mugs, stuffed tigers, sun visors, nylon barrel overnight bags, mini stereo cassette players and three speed bicycles. The top salesgirl in Bogata will earn a canvas tote bag, and the top salesgirl in the Council will receive a computer.

By Nanalee Nichols  
We all knew it was much too good to be true. Deep within our innermost selves we knew spring couldn't really be here...not in February in East Texas. But as sunny day followed sunny day, and the first of the courageous daffodils pushed their bright blossoms into view, we kept on hoping. Shakespeare it was who said "Hope springs eternal in the human breast". Well, we might also say that Hope of spring is eternal about this time of year. Sunday night, all hope of a permanent, early spring disappeared as a huge line of thunderstorms rolled into the area, and dragged behind it what felt like near zero cold. Of course it wasn't, just about 34 degrees was all. But coupled with the blowing wind and the sudden plunge from the mid-sixties

the day before, it was miserable. One lady announced she had already put up all of her coats for the winter and wasn't getting them back out! She was huddled into a light weight sweater as she scurried along the street. Others were bundled up but still couldn't stop shivering. It's typical. At least up north there are very few "false starts" to spring. It stays cold, then gradually begins to warm up. When spring comes, they KNOW it. Spring can arrive around here three or four times, only to be driven away by old man winter again and again. But we never quit hoping. Each time it warms and gets green and sunny, we assume it's going to stay. And some day it will. And I, for one, am good and ready for it!

## GTE Explains Request For Increase

General Telephone Company of the Southwest recently filed an \$84.8 million request for new revenues with the Public Utility Commission of Texas. E.L. Langley, president, said \$62.7 million of the filing is to allow the company to begin earning on the new investments made since the last filing, and of produce a fair return on the company's investment in Texas. The additional \$22.1

million is for revised depreciation rates that are more consistent with today's rapid technological changes and customer demands for accelerated change to more modern service, and to comply with recent Federal Communications Commission proposed accounting changes in regard to company owned telephone instruments leased to customers at regulated rates.

**Mrs. Drue Pirtle Hostess To Book Club**

Mrs. Drue Pirtle was hostess when the Bogata Book Club met Thursday evening, February 23 at her home.

Mrs. Gaylord McCluer was co-hostess.

The president, Mrs. Carlton Stanley, called the meeting to order with the collect and pledge to the flag being led by Mrs. McCluer. Twelve members answered roll call with information and background on unusual names for Texas towns.

Mrs. Thomas Ridge, program chairman, read the quotation "Pleasant days are just ordinary days made better by good people". She then introduced Mrs. Stanley, who in the absence of Mrs. Jess Holmes, presented the program "Early Texas Homes", telling of the location, the history and the distinctive architecture of some notable Texas landmark homes in different areas of the state. The program was prepared by Mrs. Holmes.

In the business session, the minutes of the previous meeting were read and approved. Committee reports were heard, and the Federation report was given for Mrs. Holmes by Mrs. Iva Hooker.

Members voted to send a cash donation to the local Girl Scout organization and to the Red River County Public Library, each of these being ongoing projects of the club.

A reminder was given by the president of the dates for the Key District Spring Convention to be held in Commerce. This will be March 30-31.

The meeting adjourned with the club dismissal and refreshments were served. The next meeting will be at the home of Mrs. Gordon Allen with Mrs. Joe Choate as co-hostess.

# Former Bogata Honor Students And School History

More former Bogata honor students and a touch of Bogata school history: Bogata Homecoming Saturday, April 14. In last week's paper we listed the

Valedictorians and Salutatorians of Bogata High School from 1965 back through 1946. Today we will start as far back as we have knowledge and work to 1945.

If we have made an error we apologize and welcome a correction.

1898: There were seven members in the graduating class: Buck Joiner, Irene Horner Waddington, Cecil Cox Mosley, Dr. Stephen H. Grant (Valedictorian), Elva Robertson, Robert Hiltbrand and Bessie Howison McCluer (Salutatorian).

1899: Three members, Lida McClinton, Dr. Riley Upchurch and Joe P. Burns.

1900 there were nine members: Tom Horner Guion, Opal Holt Commer, Lillian DeBerry, Soula Ray, Effie Deitz Sellers, Annie Lee Howison Rozell, Mamie Howison McCain, Luther DeBerry, Dr. Clifford McCain.

1901 through 1914 there were no organized graduating classes.

It was in 1914 that the two story school house was built. It had an auditorium upstairs on the west side.

1915 members were Mark Wilson Burkes, valedictorian and Vera Ferguson Vernon, salutatorian.

1916 had two members: Iva Lassiter Hooker, valedictorian and Ernest Simms, salutatorian.

Iva Hooker is living in Bogata and is a very productive citizen. She took part on the homecoming program last year. She

plans to attend on April 14. We hope that she can help us out again for everyone enjoys her reminiscing years gone by.

1917 had three members Verna Cooper Herndon, Fred Davis and Odus Thompson.

1918: Albert Forester, Curtis Wilkinson, Gladys Ferguson Bryson, Harrel Pete Wilkinson and Marvin Bryson.

1919: Eula Ragsdill Bond, Frank Bryson, Avis Rodgers, Bird Hancock, Ethel Speir, Carl Ferguson, Roxie McCauley, Lucy Everhart, Arvie Thompson Harrel, Vola Ferguson Ward, Ruby Pearson, Gladys Conley, Robert Lee, Grayson Clark, Vivian Dunn Scott, Lola Hale Glover.

Mrs. Vola Ferguson Ward lives in Bogata, she is still active and plans to attend the homecoming. Mrs. Lola Hale Glover lives in Deport. She said she plans to be here for the homecoming. These two ladies are definitely to be recognized for they graduated twice. It was this year that the eleventh grade was added so they came back.

1920 to graduate again as did most of the 1919 class members.

1921: Lula Cary, Allen Howison, Thomas Keeth, James Prichard.

1922: Leonard Hardin (Valedictorian), John McClendon, Paul Gunn, Lemma Miller, Vivian Adams Gibson, Pauline Parchman, Mabel Gibson Jackson (Salutatorian).

Vivian Adams Gibson and her husband, Roy, live in Bogata and plan to attend the homecoming.

1923: Willie Mixon Borach, R.A. Tedder, Herman Griffin, Robbie Pearson Keeth, Robert Dodd Jones, George Herrot, Susan Herriot, Glyn Herriot, Joe Hutchinson.

This year's boys basketball team went to State. They drew for the school they were to play. They drew El Paso and lost to them. El Paso went on to win State.

1924: Louise Howison Smith, Juanita McAlister, Wanda McAlister, Irene Nance, Luther Howison.

The Elementary

Valedictorian this year was Jack Rodgers, the Salutatorian was Ruth Craddock Wood.

1925: Johnnie Quinton, Margaret Howison (Salutatorian), Maggie Hardin Lee, Lucian Elder (Valedictorian), Jimmie Underwood, Wayne Ferguson.

This was the first year that football was played in Bogata High School. There were sixteen men out for the team. It seems that the team lost its first game and continued this luck throughout the season, but much was gained and the season ended with great anticipation for the next season.

This same year Jimmie Underwood went to State in track. He did well for his school, came out 6th in State in the high jump competition.

1926: Mary Lassiter, Thelma Harbison (Valedictorian), Edie McCrury Stogner (Salutatorian), Dan Wilkinson, Royce Brown, Marvin DeBerry, Margaret Rozell Lawson, Cleone Whitten Sullivan.

Cleone's thought expressed to the class could do all of us some good today: "It's a wise head that makes the tongue be still."

Mary Lassiter lives in Bogata and is an extremely busy lady from her bed. She answers the fire alarm for the Bogata Volunteer Fire Department and answers ambulance calls. She is active in the United Methodist Women, is a member of the Historical Society and a supporter of the Red River County Library. She and her sister, Mrs. Iva Hooker, live together. Most any time you go to visit, you will find others visiting as well, for both these ladies are very good company.

1927: Val. Mary Bryson, salutatorian Dick Rodgers.

1928: Valedictorian Jack Rodgers, salutatorian Judd Ferguson.

1930: Valedictorian, Frances McCluer Griffin, salutatorian Arlie Guesse.

This senior class was the first to use the new high school facilities, what is today the Bogata Junior

MEMBERS of the graduating class of 1929 met at the home of Travis Hale for a 50th class reunion in 1979. Front row, Russie Franklin, McConnell, Travis Hale, Willie Speir

King, Mary Stephens McEwin. Back row: Alvin Wood, Andrew Cox, Marcus Gibson, Ada Elizabeth Wilkinson Drice, Anna Belle Smith Patton, Iola Franklin. Two of these classmates

are deceased since that time, Alvin Wood and Marcus Gibson. In 1929 the class graduated with 20 members, it was at the time, the largest graduating class ever in Bogata.
