

Talco-Bogata Schools To Open August 20th

The Talco-Bogata Schools will hold the first day of classes for the 1984-85 school year on Monday, August 20. Breakfast and lunches will be served in the cafeterias.

Buses will make their regular runs on Monday morning with students remaining in school the entire day. Students should be ready and waiting for the bus a little earlier than usual. It will probably take one or two days to establish regular times for each bus route. Should the bus fail to pick up a student for any reason, please

contact the appropriate building principal.

Students living more than two miles from their assigned campus and who are new to the district may contact the office at Rivercrest High School, 632-5204 for information regarding bus routes during the week of August 13-17.

All students entering Kindergarten must be five years of age on or before September 1 of the current year. Students entering the first grade must be six years of age on or

before September 1 of the current year. Kindergarten students must furnish a birth certificate before being enrolled as well as first grade students who did not attend kindergarten the previous year or who are enrolling for the first time in the district.

Parents are also reminded that all children entering Elementary Schools in Texas must have met the required State immunizations of diphtheria, tetanus, polio, measles and rubella. All students in high school must have diphtheria, measles,

tetanus and polio immunizations up to date.

Pre-registration for new students moving in to the Talco-Bogata School district over the summer who will be attending Rivercrest High School for the 1984-85 school term should report to the Rivercrest High School office Thursday, August 9 or Friday, August 10 between 9 a.m. and 2 p.m. Registration for K-8 in the Talco and Bogata schools will be held on the first day of school, Monday, August 20, 1984.

Superintendent Talmadge Morgan also announced the calendar for the 1984-85 school year as follows:

August 13-14-15-16-17: Teacher Inservice Training.
August 20: First day of school.

It is a foregone rule that the telephone always rings just as one is climbing into the shower or bathtub, or at the very least has been mixing up a meatloaf or something else equally sticky.

Who hasn't stood in the middle of the room, dripping water on the carpet, or trying to keep from getting food all over the phone?

The worst of it is that the calling party invariably asks "Did I bother you?" No one ever replies "Yes, I'm standing here in the middle of a cold room, without a stitch of clothes on, feeling very exposed and I'd much rather be taking my bath."

Instead, the answer is always a calm, collected, "Oh, no, you didn't bother me at all."

The same thing is true when someone awakens to the loud shrill of the telephone. Sleepily, completely unsure of what day it is, or even what planet, the callee grapples for the phone, reaches it and mumbles, thick-tongued into the receiver "Hello?"

The caller promptly asks, "Did I wake you up?" to which the inevitable reply, obviously a falsehood, is "Oh, no, not at ALL."

Again, no one ever snarls, "Yes you woke me up, just as I had gotten to sleep and was having the most wonderful dream!"

The question is, why do people react in this manner?

About ninety-nine percent of the people in the world will do this, and the explanation escapes interpretation. Is it fear of admitting weakness, or an excess of politeness...that no one wants to make the caller feel bad about disturbing them?

Whatever the reason, it ranks right up there with another strange phenomenon...who has been to the doctor, waited a while to see him, and then, when the doctor asks "How are you today?" replies "Oh, just fine...."

Homemaking Teachers At Conference

Mrs. Anita Stubblefield, home economics teacher at Rivercrest High School is attending the Texas Education Agency's 1984 State Inservice Education Conference for Vocational Home Economics Teachers. The conference, in session at the Amfac Hotel, Dallas Ft. Worth Airport, began on Monday afternoon with exhibits of teaching aids and equipment.

The first general session featured Dr. Peter Bishop, University of Houston, whose presentation on the topic "Living in a State of Change" focused on the areas of natural resources, demographics, energy, economics and social structure.

On Tuesday, participants received intensive training for effective implementation of the mandates of House Bill 246. On Wednesday, teachers selected four workshops from a field of twenty topics representing current trends and issues in home economics education.

The meeting closes with area meetings on Thursday. The theme of the conference is "Change: Education's Challenge."

Red River Ambulance In Fifth Year

The Board of Directors and staff of Red River Ambulance Service, Inc. are concerned that the residents of the Bogata area feel that the ambulance service has forgotten them by no longer having an ambulance in Bogata. Red River Ambulance Service, Inc. began its fifth year of operation on December 1, 1983 as the ambulance service in Red River County, and we cannot emphasize enough that we are providing service to all the residents of Red River County, and the Bogata area is certainly as much a part of this county as any other area.

One very important factor to remember is that Red River Ambulance Service, Inc. was established as a non-profit corporation and is governed by a 15 member Board of Directors which includes representatives from all over the county. The directors are Perry O'Brian, president, Clarksville; Travis Hale, vice-president, Bogata; Bill Bryson, secretary, Clarksville; Morris Foster, Bogata; J.C. Watson, Bogata; Roy Lee Castleberry, Deport; Bobby Brem, Annona; Sybil Coffman, Bagwell; Ed Dickson, Clarksville; Jonathan Godfrey, Clarksville; Mr. and Mrs. Cecil Latimer, Detroit; Robert Moreland, Avery; Lucille Samuels, Clarksville; and L.D. Williamson, Clarksville. Charles Young is the accountant for the organization. The directors do not receive compensation for serving on the board, and we hope this makes the county residents feel comfortable and confident that their money which is paid for membership is handled wisely and always in their best interest.

The day to day operations are directed by Manager Allan Helberg who has been charged by the Board of Directors to see that the ambulances are equipped and staffed 24 hours per day, seven days a week, so that if any county resident is in need of an ambulance, one will respond to their aid. In the last few months the most modern equipment has been placed on all three ambulances so that better patient care can be provided.

The staff of Red River Ambulance Service, Inc. is continually upgrading their training and certification. The Texas Department of Health certifies all ambulances and recognizes four certification levels of training and skills, the Emergency Care Attendant (ECA) and three levels of Emergency Medical Technician (EMT): EMT-Basic, EMT-SS (Specially Skilled) and EMT-P (Paramedic). ECA means an individual who has completed a minimum of 40 hours of classroom training approved by the Texas Department of Health and who is

certified by the department to provide emergency pre-hospital care by providing initial aid that promotes comfort and avoids aggravation of an injury or illness. EMT-Basic means an individual who has received a minimum of 100 classroom hours, 20 hours of observation and on the job training in hospitals, three emergency ambulance runs and who is certified by the department as minimally proficient to perform emergency pre-hospital care that is necessary for basic life support and that includes the control of hemorrhaging and cardiopulmonary resuscitation (CPR). EMT-SS means an individual who has successfully completed the EMT-Basic requirements and an additional minimum of 60 classroom hours, 50 hours of observation and on the job training in hospitals, 50 hours of advanced life support ambulances and who is certified by the department as minimally proficient in performing skills required to provide emergency pre-hospital care by initiating, under medical supervision or standing orders, intravenous therapy and endotracheal or esophageal intubation or both. EMT-P means an individual who has successfully completed the EMT-Basic requirements and an additional minimum of 160 classroom hours, 140 hours of observation and on the job training in hospitals, 100 hours on a mobile intensive care ambulance and who is certified by the department as minimally proficient to provide emergency pre-hospital care by providing advanced life support that includes initiation, under medical supervision or standing orders, of intravenous therapy, endotracheal or esophageal intubation or both, electrical cardiac defibrillation or cardioversion and drug therapy.

All attendants that respond on the Red River Ambulance Service units are at the EMT level. Currently the full time staff includes four certified EMT's at Basic Level and one certified as EMT Specially Skilled. Within two months as a result of additional training and certification, the full time staff will consist of two EMT Paramedics, one EMT Paramedic, LVN, one EMT Specially Skilled and one EMT-Basic. In addition to the full time staff, Red River Ambulance Service, Inc. maintains an excellent reserve staff to respond when needed and relieve the full time staff periodically. The reserve staff includes one EMT-Paramedic, RN, one EMT-Specially Skilled, and three EMT, RN's, one EMT, LVN and four EMT's at the Basic level.

An amendment to the Emergency Medical Services Act relating to pre-hospital and emergency medical

services was passed by the 63rd legislature in 1983 and amends the Vernon's Texas Civil Statutes to affect certification requirements as follows:

1) from January 1, 1984 through December 31, 1984, every basic life support ambulance must be staffed with at least two attendants, one of whom shall be trained at the ECA level and

2) on or after January 1, 1985, with at least two ECA attendants.

Red River Ambulance Service, Inc. already far exceeds the minimum requirements for January 1, 1985 and will continue to increase the levels of training and certification of all personnel associated with the service.

Red River Ambulance Service, Inc. is dispatched by the Clarksville Police Department. The dispatchers are trained to receive the calls and have an ambulance responding to the aid of county residents within minutes. The number to call in an emergency is 1-214-427-2911. For those residents on the Clarksville 427 exchange, the number is 911. We continue to maintain an emergency number in the Bogata area. That number is 632-5115. Mary Lassiter receives the call and then requests the ambulance by calling the Clarksville Police Department at 1-214-427-2911.

All of the ambulances of Red River Ambulance Service, Inc. are located in Clarksville with the office in the City Hall at 800 West Main. It is a fact that our response time will not be within five minutes to all areas of the county. However, we will respond in the quickest time possible, and when we arrive the patient will be cared for by the most well trained staff available, in our county, in emergency patient care. We want all the residents of Red River County to know that Red River Ambulance Service, Inc. cares about you and when you need us, please call. We are here to serve you.

Bogata Mayor Issues Abuse Proclamation

Bogata Mayor John Hood issued a proclamation August 6, 1984 declaring August "Child Support Month."

Mayor Hood said that child support is an extremely important issue and an issue that needs to be recognized by the people of Bogata.

Child support enforcement is a part of the Attorney General's office. Attorney General Jim Mattox will initiate "Project Pay Up" on August 1. Project Pay Up is a statewide effort to give parents the chance to pay their delinquent child support payments. The project will make a strong push for parents to meet their responsibilities, especially since the

STRANGE—not really, it's just a close up of a large, round hay bale. Hay crops in the area are drastically short, and if a severe winter should follow this fall, area cattlemen may be in dif-

ficulty. Meanwhile, many people are baling hay on the side of the farm to market roads, highways and anywhere else there looks to be a little grass. (Staff Photo)

school year will begin shortly.

Mayor Hood stated that "The City of Bogata is pleased to assist the Attorney General's Office with this worthwhile project."

Attorney General Mattox said, "I am appreciative of local efforts in support of this project and because of community support in the recent past, child support collection in Texas has increased 41 percent since my office took over the program in September, 1983."

Proclamation
Child Support Month
In Texas

WHEREAS, our state's future lies in the strength of our families and the neglect of our children undermines the hope of that future; and

WHEREAS, the failure of parents to take financial responsibility for their children in this state is recognized as another form of child abuse; and

WHEREAS, in order to ensure our children the needed financial support from their parents, the 68th Texas Legislature passed resolutions declaring the month of August

"Child Support Month" in Texas; and

WHEREAS, all citizens of the City of Bogata are urged to join in acknowledging the significance of "Child Support Month" to emphasize the financial aspects of parental responsibility;

NOW, THEREFORE, I John W. Hood, Mayor of the City of Bogata, do hereby proclaim the month of August, 1984 as Child Support Month.

To The Editor:

The members of the Bogata Volunteer Fire Department would like to express our gratitude to the Bogata Lions Club members for their \$500.00 donation to the fire department. This contribution will be applied to the purchase of life or property saving equipment.

Sincerely,
Bogata VFD

Tax Shelter Can Be "Schemes" People and Things

IRS says that in recent years many abusive tax shelters have appeared on the market that claim benefits never intended by law. Generally, these abusive shelters are marketing schemes, often for substantial fees, that involve artificial transactions lacking economic reality. Other characteristics include inflated appraisals, unrealistic allocations, package deals designed from the start to generate losses far in excess of investment, buying in volume at wholesale to claim charitable contributions based on retail, and a number of other devices lacking in economic substance.

FRIENDS and RELATIVES are invited to attend JOHNNIE CRANE'S 80th BIRTHDAY party at the HAGANSPORT Community Center on August 11 from 12 noon to 4 p.m. The MEATS and DRINKS are being furnished. Bring a covered dish and be with us. Lunch will be served about 1:30 p.m. COME help Mrs. Crane celebrate her birthday. No gifts.....

THE FIRST MEETING of the SEASON for the PINE BRANCH 4-H CLUB will be August 13 at 7:30 p.m. at the BOGATA COMMUNITY CENTER. All present members and prospective members are URGED to ATTEND. OFFICERS will be elected and the Red River County Fair will be discussed.....

SUMMER BLOOMS—Hated by hay producers and farmers alike, but nonetheless attractive, the yellow plant shown here is a

member of the lupine family, and distantly related to the bluebonnet. It blooms during the hot time of the year, and does no

harm by roadsides, though a problem in meadows. (Staff Photo)

Mrs. David Wayne Kelso

Wilson-Kelso Exchange Vows

The First Baptist Church of Talco was the setting for the wedding of Gertie Marie Wilson and David Wayne Kelso, on Saturday evening, August 4, 1984.

The bride is the daughter of Mr. and Mrs. Herman Goolsby of Lamesa. Mr. and Mrs. Robert Kelso of Mt. Pleasant are parents of the groom.

Rev. Terry Barnett performed the double ring ceremony before an altar of candelabras holding votive candles, baskets of blue and white flowers decorated with English ivy and white doves.

Pre-nuptial music was provided by organist Ann Roberts. "The Wedding Song", "Let It Be Me", and "Father God Make Us One", were songs presented by vocalist Dennis Earl Brockeen, nephew of the bride of Lamesa, accompanied by David Zimmerman of Mt. Pleasant on the piano.

Given in marriage by her parents, the bride was escorted to the altar on the arm of her father, dressed in a blue and white gown trimmed with lace and seed pearls. The bridal veil was trimmed with lace and seed pearls attached to a wide satin band topped with seed pearls. The gown and veil were designed and made by the bride. She carried a bouquet of white and blue roses, daisies and Stephanotis.

The bride presented a blue rosebud to her mother and mother of the groom on entering and departing.

Serving as maid of honor was Patsy Bell of Euless. Bridesmaids were Angela Wilson and Kathie Wilson, daughters of the bride. They carried wreaths of blue and white flowers and baby's breath.

Attending the groom as best man was Dan Kelso, brother of the groom from LaMarque, Johnny Pinto from Clinton, Miss. and Bob Fitch of Mt. Pleasant.

Ken Kelso, uncle of the groom from Ft. Worth and John Fitch of Mt. Pleasant were ushers.

Following the ceremony, a reception was held in the fellowship hall of the church. In the receiving line were the newlywed couple and their parents. The bride's table was covered with a blue cloth overlaid with floor length net and lace. An arrangement of blue and white wedding flowers with two silver candelabras created the centerpiece. Punch was served from a crystal bowl. The three-tiered wedding cake was decorated with white and blue ruffled petunias. Floor length white cloth covered the groom's table. Chocolate cake, nuts, cheese ball and crackers was served with coffee from a silver service.

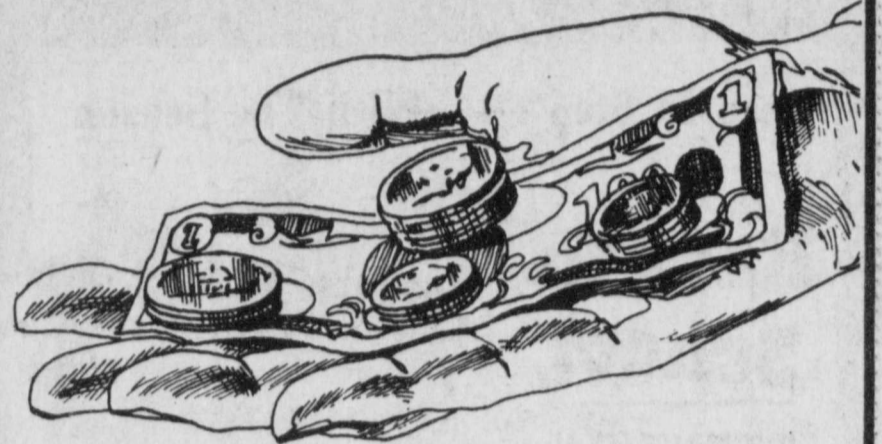

Presiding at the guest register was Louise Byrd of Houston, sister of the bride. Others in the houseparty were Kay Irlas of Denton, Linda Goolsby of Austin, Barbara Kelso of LaMarque, Anna Kelso of Ft. Worth, Sandy Pinto of Clinton, Miss., Joyce Fitch of Mt. Pleasant and Ruth Hanks of Talco.

Mr. and Mrs. David Kelso will be at home in Tall Tree on Lake Cypress Springs, Mt. Vernon.

Mr. and Mrs. Robert Kelso hosted a rehearsal dinner for 25 at K-Bob's in Mt. Pleasant on Friday evening, August 3. The honored couple presented gifts to their attendants at this time.

What is an air filter alert and how can it help me reduce my electric bill? An Air Filter Alert is an easy to install device that attaches to your heating/air conditioning system. It can be used on central units, refrigerated air window units, heaters or any other heater or air conditioning unit that uses an air filter. Once a filter is clogged and ready to be replaced, the alert will emit a high pitched signal.

Clogged air filters cause heating/cooling systems to work harder and waste electricity. That's money unnecessarily spent by you.

What is the Average Billing Plan? The Average Billing Plan allows you to pay an average cost per month for electricity. It reduces your bill during high use months (such as summer) and you pay slightly more in the low use months. There is no extra cost whatsoever. Your total yearly bill is the same.

Where can I get my free air filter alert and receive information on the Average Billing Plan? TNP customers can get information on the Average Billing Plan and receive their free air filter alert at any Texas-New Mexico Power Company office.

Neighborhood Professionals Offering You The Best Choice

RESIDENTS and staff of Red River Haven Nursing Home have chosen Linda Smith "Employee of the Month" for August. Linda has been employed in the housekeeping department for six years. She and her husband, S.J. and their daughter, Donna Kay, age 10, make their home in Bogata. With Linda's designation comes \$10.00, a certificate and a special parking place.

BIRTHS

Mr. and Mrs. Mike Blair of Las Vegas, Nevada proudly announce the birth of their daughter, Ashley Paige, born July 29 at Sun Rise Hospital. She joins sister Jennifer. Grandparents are Joyce Blair and the late Floyd Blair of Lone Star, Mr. and Mrs. Donald Clifton of Daingerfield. Great-grandmother is Mrs. Mary Middleton of Daingerfield, Mr. and Mrs. J.L. King and Mr. and Mrs. F.R. Clifton, all of Bogata.

Shane Dodd In Navy Program

Fun, zest and adventure. These are all part of the sea-going sailor's many and varied experiences while traveling throughout the world and visiting international ports of call. Selecting the Navy's School Guarantee Program is Shane Dodd, son of Mr. and Mrs. S.E. Dodd of Bogata and a 1984 graduate of Rivercrest High School. Dodd enlisted in the Navy's Delayed Entry Program with a school guarantee in the Ocean Systems Technician field of training. What this means is that, although enlisting in the Navy now, he will not report for active duty until July of next year. The program not only allowed him to select his field of training, but also allows him to draw longevity for pay purposes while spending time with family and friends for the next year. Upon the completion of his eight weeks of basic training in Orlando, Florida, Shane will report to Norfolk, Va. for eight weeks of Basic Electricity and Electronics School followed by another eleven weeks of OT Class "A" School.

Asked why he chose the Navy, Dodd replied, "The training and the travel."
 "My older brother is in the Navy, and he's thinking about re-enlisting," he continued, "so it can't be too bad. There isn't another employer, civilian or military, that can offer the degree and quality of training that the Navy does. And who else will start you out with 30 days paid vacation a year and guaranteed pay raises? What employer out here will send you to vocational school to learn a trade and pay you a salary while you're going? What employer will pay up to 90 percent of your college tuition if you want to go to school on your own while you're working for them? I haven't been able to find one."

Bogata Locals

Mrs. Dora Thompson recently accompanied her sister Mrs. Arnold G. Glover and a party from Tyler on a tour of England and Scotland. They landed in England and then to Glasgow Scotland, Edinberg, Troone and the Scene Castle at Berth, Scotland. They visited several scenic places in London but the most beautiful scenery was in Scotland.

Mrs. Dora Thompson accompanied her niece Mrs. Ray Freeman of Dallas to Muskogee, Oklahoma last week and attended the McCoy reunion in Jones, Oklahoma. They attended the Methodist Church in Haskell, Oklahoma where Ben Williams is pastor. He is a son-in-law of Mr. and Mrs. Ernest McCoy.

Thelma Stewart of Bogata and Joyce Meredith of Paris visited Joyce's daughter, Mr. and Mrs. Jack Gross in Neptune, N.J. They also visited New York City where they saw a Broadway show, Times Square, World's Trade Center, RCA Music Hall and Rockefeller Center. They went to the top of the Empire State Building, strolled through Macy's Department Store and down Fifth Avenue. They saw the Oak Ridge Boys in Atlantic City, New Jersey and spent one day in New Hope. They saw where George Washington crossed the Delaware in Lahaska, Pennsylvania and took a three hour boat ride in the Atlantic Ocean around the New Jersey coast.

Mr. and Mrs. J.N. Lee visited her brother, Mr. and Mrs. Alfred Buster of Wills Point Sunday.

Mrs. Patsy Schneckburger and Robert of New Orleans came Saturday to visit her mother and attend the Eudy reunion on Sunday. Robert returned home Monday and his sister, Mrs. Sue Spennosa of New Orleans came and she and her mother are spending the week with her mother, Mrs. Elsie Hughes.

Sunday guests of Mr. and Mrs. Carl Wood were their daughter, Mr. and Mrs. Glen Clayton and Jon of Mesquite. They attended services at the First United Methodist Church where Mrs. Christine Skaggs was guest speaker. She is the sister of Mr. Clayton. Group Tours Canada And East

Mr. and Mrs. Bill Vickers, Mr. and Mrs. Buster Case of Talco and Mrs. Bill Wilhite of Mt. Pleasant have returned from a 4,000 mile tour of Canada and the Eastern United States.

The first night was spent in Mt. Vernon, Franklin County, in the state of Illinois.

Several days were spent touring the corn belt of Illinois, Indiana and Ohio. Upon arriving in Pennsylvania, time was spent shopping in Erie and on the beaches of Lake Erie. Many beautiful vineyards were traveled through in Pennsylvania and upper New York including a tour of a winery.

Much excitement was felt upon crossing the border at Buffalo, New York into Canada where they were

advised to drive along the Niagara River Road which was lined with graceful weeping willow trees, beautifully kept homes and yards and colorful flowers.

No words could describe the feeling as Niagara Falls came into view. One could understand why this is listed as one of the natural wonders of the world. Even more spectacular were the lights illuminating the falls at night.

Leaving Niagara Falls by the Queen Elizabeth Way, more farm lands of plum orchards, tobacco and corn fields and vineyards were seen across Ontario.

Upon re-entering the United States at Detroit, Michigan the group turned southeastward to tour the Appalachian Mountains and Washington, D.C. A bus tour was taken to view all the government buildings, the White House, monuments and Arlington Cemetery where the impressive and solemn ceremony of the changing of the guard at the tomb of the unknown soldier was included. While going through the Capitol Building, a Congressman from Lake Charles, La. introduced himself and offered to take pictures of the group.

Many panoramic views of the Shennandoah Valley were seen along the Sky Line Drive of the Blue Ridge Parkway. A surprising incident occurred when a bear ran out in front of the car just ahead and was struck by the car. The bear rolled several times, then got up and limped off into the woods.

A tour of the Luray Caverns in Virginia was made more awesome by music played on the great stalacpipe organ, the only one of its kind in the world. This music is made by solid rock.

Before turning toward home, a visit was made to Gatlinburg, Tenn. and Cherokee, N.C. in the Great Smokey Mountain Park.

Fifteen states were traveled and all returned to their home state with thankfulness for a safe and very enjoyable journey.
