

Rebs Take Ore City Head For Bi-District

By Diana Eudy

The Rivercrest Rebels captured second place in District 19-AA football by defeating the Ore City Rebels 34-6. Rivercrest will meet Quitman Friday night in Mt. Vernon at 7:30 p.m. in the bi-district clash.

The Rebels made it look easy as they racked up points against Ore City. Bradley Woods returned the first Ore City punt for a touchdown giving Rivercrest its first points of the night. The point after failed for a 6-0 score with 9:57 remaining in the first period.

The two teams punted the ball back and forth for the rest of the first quarter with neither team getting an edge on the other.

Early in the second stanza, the running of Bradley Woods and Jerry Belcher advanced the ball to the Rebel 4. Belcher carried the ball in for the score and was called again to carry in for the two point conversion. Rivercrest was on top 14-0 with 10:53 left in the half.

The Rebels from Rivercrest were not ready to quit, however, as they added six more with 3:23 remaining in the half. Clint Stephenson dashed 51 yards for the score. Charley Martin's extra point kick was good for a Rivercrest halftime lead of 21-0.

The Rebel Band entertained the fans during the halftime break. The band presented their sweetheart and beau for the year. Barbie Cox and Jerry House were honored by the band. Both are seniors. The band also recognized their senior members.

Rivercrest came out of the locker room smoking as Clint Stephenson marched the opening kickoff all the way for a touchdown. A clipping penalty against the Rivercrest boys nullified the points and brought the ball back.

The Rebels fumbled the ball away to Ore City but the visiting Rebel team couldn't advance the ball against the tough Rivercrest defense.

Rivercrest took over on their own 33 and proceeded to march over the goal line yet again. Jerry Belcher ran the first three plays gaining twenty yards on his last carry. A face mask penalty against Ore City moved the ball even closer to score territory. Clint Stephenson carried for the other three plays necessary for the score. He took the handoff from the three yardline and plowed over with 5:09 remaining in the third period. The extra point kick was blocked for a Rivercrest lead of 27-0.

Rivercrest controlled the ball for most of the final quarter. Sammy Sparger, sophomore guard, intercepted an Ore City pass to give the Rebs their final opportunity to score. Sparger took the ball at the 26 and ran it down to the four yardline. Charley Martin gained two more and then Bubba Simpson took the handoff on

the right side and crossed the goal line for the six points. Charley Martin's kick was good for a Rivercrest lead 34-0 with 4:20 remaining in the game.

Ore City put their only points on the board with 2:46 left, as junior Frank Jones dashed 72 yards for the touchdown. Their try for two points failed.

Rivercrest held possession for the football for the rest of the contest following an interception by Geary Savage.

Rivercrest Head Coach Terry Giddens commented, "Overall, I think we did pretty well. Our best accomplishment is just being in the playoffs. Everyone did a pretty good job—they did what they were supposed to do. No one individual stood out. The whole team did their job."

Giddens continued, "Quitman has an impressive record. They are ranked sixth in the state and are undefeated in district play. They are

not any bigger than we are but are awfully quick. They are a well disciplined team, they do what they are supposed to. We were ranked low in the district and look where we are, so ratings don't make a lot of difference. We won't be a pushover Friday night."

Individual statistics for Friday's game were as follows: Jerry Belcher rushed for 70 yards and Clint Stephenson for 97. Bradley Woods ran for 24, Bubba Simpson for 12, Charley Mar-

tin for 15, and Geary Savage for four. The Rivercrest team rushed for 216 total yards.

Bradley Woods completed one pass to Tony Jasso for five yards. Woods also returned two punts for a total of 75 yards and Clint Stephenson returned one for 38 yards.

Rivercrest will travel to Mt. Vernon Friday to meet Quitman. Kickoff will be at 7:30 p.m. Rebel fans will sit on the west side of the stadium as we will

be the visiting team. Advance tickets are currently on sale in the office at Rivercrest High School only. All tickets at the gate will be \$4.00. Advance tickets are \$2.00 for students and \$3.00 for adults.

The game will be broadcast on the radio on KDXE in Sulphur Springs. This will be a live broadcast on 96 FM. KMOA in Mineola will carry a taped delayed broadcast.

Why did TNP Employee Robert Doolittle install more insulation in his house?

TNP Employee Robert Doolittle of La Marque, Texas, knows that it doesn't really matter if you have batt, loose fill, or foam insulation in your home as long as it meets the recommended "R" value for this area. Not all insulation has the same ability to keep the warmth inside and the cold out, so you need to know how much insulation is needed to protect your home. Having proper insulation assures you of getting the most benefit from the energy you use in the winter and summer. For more information on Energy Management, call our office today.

Smoke Out A Great Day For Quitters

Smokers who want to give up the cigarette habit may find the task easier on Thursday, November 21. That's the date of the American Cancer Society's ninth annual Great American Smokeout--A day when the nation's 54 million smokers are encouraged to kick the habit for at least 24 hours, just to prove to themselves that quitting is possible.

Smokeout Day is celebrated throughout the country. The aim: to offer support and assistance to smokers trying to quit for the day. Although the Great American Smokeout may seem all festivities and celebration, it has a very serious purpose, since more than 340,000 Americans die each year of diseases linked to smoking, representing one out of every seven deaths in the United States.

Cigarette smoking is responsible for 83 percent of all the lung cancer deaths in the nation, and, in 1985, lung cancer will surpass breast cancer as the leading cancer killer of women. Cigarette smoking is a significant factor in other cancers as well.

Last year, a record number of smokers--an estimated 20.4 million, according to a Gallup survey--participated in the Great American Smokeout. Of the participants, 5.4 million smokers--about 10 percent--succeeded in quitting for the day. Approximately 3.1 million still were not smoking one to five days later.

So, you think that because you don't

smoke tobacco that the Smokeout isn't for you? Well, according to the American Cancer Society, it is for all tobacco users, and that includes you "smokeless" users who dip or chew. Like other tobacco products, smokeless tobacco is habit-forming and hazardous to your health.

Rivercrest Future Homemakers of American in sixth period Homemaking I are sponsoring the Great American Smokeout in Talco-Bogata Schools. The class will be putting up posters, handing out leaflets and badges, and securing pledges who will refrain from using tobacco for 24 hours. Non-smokers are urged to "Adopt-a-Smoker" or tobacco user whom they'd like to have quit for the day. Adopters can offer "survival kits", snacks and encouragement throughout the day.

FHA members invite you to join in celebrating this great day.

Peering Into the Cell

A sophisticated, computer-assisted electron microscope is being used by Texas A&M medical researchers to study the behavior of calcium in living cells--an investigation which may shed light on the cause of cystic fibrosis. One theory suggests that the hereditary disease is related to the inability of certain glands to handle calcium. The researchers are using the electron microscope to plot the calcium behavior in normal test animals.

The American Red Cross was originated in 1881 by Clara Barton, who became the first president.

ELLIS BROWN bagged this 13-point buck at 5:15 p.m. Satur-

day on the 3-P Ranch southeast of Talco with a 30.06.

Junior Girl Scouts Attend Science Fair

Junior Girl Scouts attended a Science Fair at Camp Gambill recently.

Members of Troop 32 attended from Bogata. They included Ashley Ross, Teri Speir, Misty Taylor, Jennifer Bagley, Keitha Gillis, Julie Hammond and leader, Paula Speir.

The girls completed requirements for the Science Sleuth badge during the day-long activities. They learned how to grow crystals, make simple musical instruments and send messages with invisible ink.

Don Kosterman, Jr., chemistry instructor at Paris Junior College, and John Hutchings, chemist at Campbell Soup Company, were present and talked to the girls about their work. They demonstrated how to test

household products for acid or base and how to make a magnet.

Other guest consultants included Maggie Plata, LVN, who talked about physical fitness and took blood pressure, and Alta Ballard, who presented a program on anti-victimization and child abuse. Ms. Ballard is a representative of WHO sponsored locally by the Lamar-Delta County Medical Auxiliary.

DORIE SMITH was honored with a Halloween Party Saturday, October 26. The guests all enjoyed refreshments, games, spook

house, and a special visit from a werewolf. Those present were Mr. and Mrs. Bob Hancock and Jay, Sue, Melanie, and Lacy Williams,

Kathy and Michelle Townes, Tana and Cody Guest, Linda, Marty and Jody Gray, Kim Benson, Teri Speir, Ashley Ross, Shirley and Dorie Smith.

Girl Scouts Learn About Career Exploration Works

Career exploration was the subject of a special event held recently for Cadette and Senior Girl Scouts. The event, held at Camp Gambill, was sponsored by the Red River Valley Girl Scout Council.

Two troops from Bogata attended. Attending were Tonia Hinsley, Becky White and leader Alice Ann White, troop 22; D'Ann Stephenson, Darla Jean, Shane Walker, Kristi Brooks and leaders Miriam Stephenson and Myra Jean, troop 70. Miss Hinsley also worked as an assistante for the event.

Local business women were invited to speak to the girls and to answer questions concerning their own careers. A talk was presented on what it is like for women who seek careers traditionally held by men. Girls were instructed on seeking advice about and preparing themselves for their

chosen career. They were given an opportunity to complete an application, and to write to two organizations for information about careers they are considering.

Each girl received a Girl Scout Career Exploration patch and certificate.

Grays Celebrate 25th Anniversary

Jerilyn and Jerry Gray were honored with a celebration Sunday,

November 10, for their 25th wedding anniversary. Their children, Jennifer, Jessica and Judy, were hostesses.

Attending were Mr. and Mrs. Jessie Gray, Mr. and Mrs. Jackie Gray, Marty and Jody, Mr. and Mrs. Willie Gray, Mr. and Mrs. Bob Hancock, Robert and Jay, Mrs. Maggie Hunsaker and Buddy, Mr. and Mrs. Raymon Mauldin and Rusty Reeder.

Their daughter, Jennifer, made the couple's cake and decorated it with the original bride and groom from the cake twenty-five years ago.

Brownie Fun Day Held

Camp Gambill, which is owned and operated by the Red River Valley Girl Scout Council, was recently transformed for one day into a fantasy land for 174 Brownie Girl Scouts and their leaders.

The Brownie Fantasy Fun Day was planned and carried out by Cadette Troop 23 of Paris. This was one of their requirements in earning the Challenge of Being a Girl Scout.

Attending the event from Bogata were Troop 12 with leaders Kay Griffin and Terri Easterling, and Troop 157 with leader Mollie Williams. Girls attending were Crystal Bell, Nakisha Cluff, Stephanie Collins, Brandi Easterling, Haley Griffin, Elizabeth Scott, Dee Tabb, Julie Watkins, Jayne Weiselogel, Mandy Williams, Lindy Phillips, Amanda Alford, Amber Spencer and Marla Williams.

The girls were told the story of Princess Kiira who was held prisoner by a cruel king. The Brownies were to help the princess escape so that she could reach her beloved Prince Ashtom.

During the day they decorated crowns that would make them ladies-in-waiting of her court, made magical drums to signal the prince, drew magic pictures, learned how to make a square knot and helped build a rope ladder so the princess could escape down a cliff, made magical swans to carry the princess across the water, went on a silent hike through the fantasy forest, and built castles in the sand.

At the end of the event, Princess Kiira and her page, played by Pam Overall and Keith Hutchins of the Paris Community Theater, appeared to thank the girls for helping her escape.

Rebel Basketball Schedule Loaded

The Rivercrest Rebels are tentatively scheduled to open their 1985-86 basketball season at home against rival Prairiland High School on Tuesday, November 19 with boys and girls playing.

Prairiland has basically their entire team back from the 1985 season and will be rated as the favorite to win their basketball district.

If the Rebel football team continues in the play-offs, adjustments will be made in the basketball schedules.

The Rebels lost three outstanding performers from last year's team. Anthony Brown, six foot six forward, is now playing for Cisco Junior College. Bobby Thomas is playing football for Cisco Junior College and James Anderson is playing football at Abilene Christian.

"We hope we haven't overscheduled our Rebels this year. We have two contests with Prairiland and one each with Sulphur Springs, Paris and Mt. Pleasant, all AAAA schools. The Rivercrest tournament will be filled with very tough teams. The Leonard Holiday Tournament will be a sixteen team field. I feel that our Rebels will withstand this very demanding schedule," said Coach Wake Wood.

"We like to play a very tough non-district schedule as this prepares us for tough district games. We break our schedule up into three parts, pre-district, district and the state play-offs. We certainly have set our goal each year to get into the state play-offs. Our district this year will be very tough and more balanced than ever. New Diana, Maud, Karnack, Harleton, Redwater and Ore City will all field very strong teams."

"Our district should be a dog fight throughout. Our Rebel team is going to have to work exceptionally hard and sacrifice to be in the thick of the race. We don't have much height or quickness and we are going to have to scrape and hustle for everything we can get," Coach Wood continued.

- Possible varsity players for the '85-86 Rebels are:
- **Tony Jasso, 6'1" Senior
 - **Charley Martin, 6'3" Senior
 - **Russell Rozell, 6'4" Junior
 - **Brad Anderson, 6'1" Junior
 - **Chris Anderson, 6'1" Junior
 - Wade White, 6'1" Junior
 - Danny Brown, 5'10" Junior
 - Kenneth Kelly, 5'10" Junior
 - Clint Stephenson, 6'1" Sophomore
 - Bradley Woods, 5'10" Freshman
 - Jimmy Lewis, 5'10" Freshman
 - **Varsity Letterman
 - **Returning Varsity Starter

"We will look at all of our players hard for the first few games to determine our varsity. To start with, we will have to go on the past performances of these young men," said Coach Wood.

GRAND OPENING-Kenny and Donna Gifford are proud to announce their grand opening of Gifford's Food Store this week. They

have purchased full ownership of the business, and are running better specials and re-arranging the

store to better serve the customer. They invite everyone to drop by and "take a look". (Staff Photo)

Bogata Elementary To Hold Book Fair

Bogata Elementary is sponsoring its first book fair on November 18-22. The fair will offer exciting paperback books chosen for quality, readability, interest and skills reinforcement.

Each class will have a scheduled opportunity to view the books on Monday, November 18 and Tuesday, November 19. If any parents would like to view the books, they are invited to come between 12 noon and 3:30 p.m. on Monday and Tuesday afternoon. A list of books and prices will be sent home with each child.

On Wednesday, November 20, students will bring their orders and money to buy the books they like. Parents are also invited to come on Wednesday to view books. The fair will be held in the music building on Monday and Tuesday afternoon and all day Wednesday.

As a result of our efforts, we will be allowed to keep 30 percent of the total sales. Our profit will be used to buy new books for the school library. We will appreciate all support of this worthwhile effort to improve our school library.

TRIVIA

Earth Cracks
Despite a deep snow cover
and low temperatures during
a Yellowstone National
Park winter, elk can feed at
steaming pools and springs
forced by pressure through
cracks in the earth, accord-
ing to National Geographic
World magazine. Green
plants grow around the pools
and springs.

Rare, With Baked Potato
The day is coming when
Americans, notorious for
their love of tender steaks,
can order-up a custom-made
tenderloin from a combina-
tion of meats such as ribeye,
sirloin and even pork. The
process, called co-extrusion,
combines lean meat from one
source with fat from another
and allows processors to mix
and match whatever kinds or
amounts of meat the con-
sumer desires. Food produc-
ers are already using the pro-
cess to create "bacon" from
beef, goat, lamb and mutton.

**Underground Burning
Yields Cheaper Fuel**

A recent U.S. Department
of Energy (DOE) study
shows that many chemical
products like methanol,
hydrogen, and carbon diox-
ide can be produced as cheap-
ly—in some cases more cheap-
ly—by converting coal to
gas underground as by con-
ventional means.

Rivercrest 8th Grade Loses To Ore City

By Nelda Logan
Rivercrest began the game with a 35 yard kick by Marcus Savage. The Rebels stopped Ore City on their own 30, but after the Ore City Rebels cranked up their offense, it seemed that Rivercrest would be in for a long night. Ore City drove 70 yards for their first touchdown and then carried the ball in on the conversion making the score 8-0 in the first quarter.

Ore City then came back with an on-side kick but was recovered by Rivercrest Rebels. Rivercrest could not seem to get their offensive going and was forced to give the ball back to Ore City which set up Ore City's second TD. Rebels held Ore City on their conversion making the score 14-0. Ore City made another touchdown in the second quarter, upping the score 20-0.

Clint Tidwell received the opening kickoff for Rivercrest REbels on Ore City's 10 yard line and returned it to Rivercrest 45 to start second half play.

Quarterback Donald Combs on the first play out of the huddle, handed off to Marcus Savage, which resulted in the Rebels first TD. The Rebels came back with the same play on the conversion to make the score 20-8.

Due to a terrific job by Rivercrest defense in the second half, Ore City was only allowed to score one touchdown. The fighting Rebels came back to show Ore City that the game was not over. Marcus Savage scored twice more for Rivercrest, making the score in fourth quarter 28-20.

With only 14 seconds left in game, Rebels recovered a fumble from Ore City, but failed to pull out a score. Game ended with Ore City 28, Rivercrest 20.

This game ended eighth grade football action for the season.
