## A Look Back At The Events Of 1985

Nineteen eighty-five is little more than a memory now, and nineteen eight-six nothing but a promise of things to come.

In looking over the past year, a number of news events, gains and losses in Bogata and Talco can be

The Rivercrest Rebels and Rebelettes swept through New Diana in basketball action on January 10 for a district placing. The team was now rated fifth in 19AA action. The following week, Rivercrest moved up to se-

cond in district by defeating Maud. Titus County's oil contribution made up a healthy \$58.1 million of the \$38.3 billion wellhead value of Texas petroleum production.

Unbeknownst to most Red River County residents, the controversy was to begin in the courthouse reconstruction or renovation issue. Voters were to choose which alternative to take, through a bond election.

In late January, the Talco State robbed by a lone, white Bank ring dark glasses. He handed a bank teller the hold-up note and was given \$5,750 dollars in twenties, fifties and one hundred dollar bills. A short time later two suspects were apprehended in Dekalb and charged with felony robbery

Ice and snow fell over the county and surrounding areas in early February, which remained for over a week. Roads were a solid sheet of ice and schools closed down due to dangerous road conditions.

The U.S. Postal Service began accepting bids for a new post office in

FHA Week saw students participating in a nationwide celebration with a variety of activities.

The Rivercrest Rebelettes won Bi-District in basketball and the Rebels won their district play.

Harold Cowley was apponted the new Superintendent of Schools for the Talco-Bogata school system, effective July 1. He succeeded Talmadge Morgan.

Scotti Wood of Talco was chosen to tour Australia playing basketball with Athletes in Action.

The City of Bogata was to receive \$280,000 for water system improvements. The project included elevated storage tank, lines and fire hydrants to serve approximately 630 rural customers

was more extensive and expensive than the value of the ice stolen.

Early June saw the beginning of preparations for Frontier Days. Activities were announced, turtle races, tobacco spitting and the dunking booth, a new addition.

In July, burglars struck Dean Ward's Grocery by driving a pickup through the door and literally loading up the safe. An undetermined amount of cash was in the safe at the time.

Two area residents were injured, one seriously, in an ultra-light crash

about five miles from Cuthand.

A Pattonville man was seriously

wounded as the culmination of a string of burglaries plaguing the area on July 23. Law enforcement officials said that without the complete cooperation of citizens who aided in the investigation, the two men taken into custody a short time later might have gone unapprehended.

Two Talco youths were killed August 5 in a tragic accident near Talco. The boys were members of the Talco Volunteer Fire Department and were riding on a motorcycle to what turned out to be a call for medical assistance when they met head on

Wing Rodeo Company of Bogata was to be featured in a "Dallas" television episode. Filming was done in August for a November telecast.

A World War II plane crashed near Pattonville in August, the A-26 Invader was being moved from Burchinal's Flying Tiger Museum to a North Dakota air museum.

September 1 found the seat belt law become effective with fines being assessed on December 1.

Rivercrest got a new band director, Alvis Worthen from Pine Bluff, AR in September.

Red River County placed fifth in campaigns. Te xas all hay production during 1984, harvesting 91,600 tons or two percent of the state's total crop.

Dorie Smith, daughter of Donnie and Shirley Smith of Bogata won Grand Champion Gelding in the halter division at the Red River County Fair in September. She showed "Modern Metro Dee" a 17 month old

palomino. It was reported that Texas litter cost nearly \$20 million, not including tax dollars spent by city and county governments on local clean up

December brought the usual holiday activities...parades, parties, visits and sadly, house fires.

The year contained many other events, too numerous to mention. During the year, of course, we lost citizens to death, gained new ones to births.

The world continues, with nothing 'earth shaking" happening, but the slow, steady progression of events. That, probably, is the way it should be, and 1986 will hold many new things to record.

## Rebels To Begin District At Redwater

By Diana Eudy

The Rivercrest Rebels will travel to Redwater Thursday, January 2 to play the Dragons in the district opener for both teams.

"Redwater is reported to be much stronger than in previou syears and we will have to be on our game to come away victorious," stated Coach Wake Wood.

The Rebels will then return home to play the Ore City Rebels on Saturday, January 4. Ore City is the defending district champion

Tuesday, January 7 the Rebels will entertain the New Diana Eagles. New Diana is expected to be the number one team in district for the Rebels to beat as of this printing.

The Rebels have entered the state playoffs the last three years. They have won bi-district three years in a row, but have narrowly been defeated in area play.

The Rebels are expected to challenge for the playoffs again this year. "We hope to win district this year and would like to go 14-0 in

district play. There has been only two teams go 14-0 in district play, so it is a very difficult task. We have set this as our goal in district. If we can't be district champs, then we will strive for second place and the state playoffs. We were picked as the third best team in our regional division at the beginning of the season, but we probably aren't picked that high now. We played football a week longer and this has held us back. Tony Jasso, one of our top returners, has a knee injury from football and a shoulder injury from basketball and this has hindered Tonoy's play," added Rebel Coach

The Rebels' probable starting line up is Tony Jasso, 6'1" senior guard; Charley Martin, 6'3" senior post; Russell Rozell, 6'4'' junior forward; Brad Anderson 6'1'' junior forward and Chris Anderson, 6'1" junior post.

Thursday's games in District 19AA are Maud at Harmony, New Diana at Ore City, Rivercrest at Redwater and Harleton at Karnack.

## **Two Talco Burglaries**

Titus County Authorities are investigating the break in and burglaries of Ward's Cash and Carry Grocery and Via's Well Service office in Talco sometime Friday night or early Saturday morning.

The burglars entered Ward's Grocery through a back window. Taken was most of the beef in the meat locker, 125 cartons of cigarettes and over the counter drugs.

Forced entry was made by kicking in the back door at the Via Well Service office where burglars took a coffee maker, vacuum cleaner, microwve oven, two cases of soft drinks, steaks and tobacco.

Both burglaries were discovered by the owners when opening for business Saturday morning. No estimate was given on the value of items taken and no arrests have been made.

NEW OWNERS-Ray and Janice Clark are the proud new owners of Bryson Building and Farm Supply in Bogata. They have moved here from Hart, TX, where he was

## Avoid Electrical Hazards At Home

With all the things that electricity does for us in our homes and businesses each and every day, it is very easy to forget about the possible harm electricity can do if it is carelessly handled.

Make sure your family learns to respect electricity and how to avoid possible accidents by coming in contact with it.

Here are a few simple guidelines that can help:

- 1. Always use Child Safety Plugs in your electrical outlets.
- 2. DO NOT install radio and television antennas near powerlines.
- 3. Teach your children to NEVER climb trees, poles or fences around powerlines or utility company substations.
- 4. NEVER use any electrical appliance around sinks or bathtubs that are filled with water.

Helping you to enjoy the benefits of electricity safely is just one more way we are ...

Lone Star Steel Company is most appreciative of the cooperation that has recently been evidenced by the 20 banks listed above from the communities in East Texas.

We are very pleased to report that we have entered into one-year revolving credit agreements in the amount of \$3,050,000 with these banks in the East Texas area. This positive step toward strengthening the relationship between the company and the community is very important as we pull together to achieve a bright future.

We are grateful for your continued support.

One more year is passed. Nineteen eighty-five is gone, nineteen eightysix looms above us, the first in that long slide down to the end of the

Of course, as usual, everyone wonders where the past year vanish-

It seems, again as usual, as though nineteen eighty-five should still contain more time

The flurry of Christmas, with its presents, parties, company and decorations, managed to mask the fact that 1985 was definitely coming

The day after Christmas, usually while taking down decorations or preparing leftovers, the realization dawns that the year only has a very, very few days left.

So, as usual, we begin making resolutins. Or some of us just give up and don't bother because we never keep the resolutions.

The tasks we set ourselves are frequently difficult ones indeed. Quitting

## Holiday **Death Toll Predicted**

Texas Department of Public Safety officials have estimated that as many as 29 persons will die as a result of traffic accidents during the Christmas and New Year's holidays. The DPS expects 12 fatalities during the 30-hour Christmas period and 17 deaths during the 54-hour New Year's period.

Col. Jim Adams, DPS director, asked motorists to maintain safe driving habits during the holidays to minimize the loss of life in vehicle crashes

"We'd certainly like to see our fatality estimates prove to be too high," Adams said. "Unfortunately, there will be drivers who will ignore speed limits and attempt to operate vehicles after drinking. The best way to avoid becoming involved in an accident with a careless driver is to drive in a defensive manner. It also makes good sense to be sure everyone in the vehicle uses a safety belt."

Adams said he has authorized Highway Patrol captains to utilize troopers from other uniformed Traffic Law Enforcement services to augment the regular patrol

"Additional troopers will be assigned where large volumes of traffic or additional accidents are likely,' Adams said.

During the 102-hour Christmas

period in 1984, vehicle accidents caused 43 traffic deaths in Texs. A total of 42 deaths were attributed to crashes occurring during the 102-hour New Year's period last year. The Department of Public Safety

will provide state traffic death updates as part of the "Operation Motorcide" program. The counting period for Christmas begins at 6 p.m. Tuesday, December 24 and concludes at midnight on Wednesday, December 25. The New Year's counting period begins at 6 p.m. Monday, December 30 and ends at midnight on Wednesday, January 1.

## Good management A Must

By Herb Brevard

The financial crisis of commercial cow-calf producers enhances the need for good management. The management program must increase the efficiency of production through the elimination fo unnecessary costs and non-productive cows says Dr. Randall Grooms, livestock specialist.

The cost of wintering cattle is very expensive, consequently, if the cow herd has not been pregnancy tested, the herd should be checked and open cows sold to cut winter feed costs. Even if the open cows were bred tomorrow, it would be 16 to 18 months before pay day.

xt calf simply cannot pay for the costs of an open cow. Even if the producer decided to take the next two body condition.

or three calves to share in this lengthy expense, the cow will probably fail to breed again somewhere in that

Open, late calving cows are a liability and should be eliminated before they absorb more costs and increase the drain on the producers financial situation.

At the present time, most producers have relocated the bulls to separate pastures, but the breeding season is rapidly approaching. The beef bull requires about the same nutrition as the beef cow that is suckling a four month old calf. To get bulls in shape for the breeding season, Grooms suggests that extra good quality hay and supplemental grain be fed to improve
