

# Decision On Prison Still "Up In The Air"

Prospects for an official decision to build a state prison in Red River County remain very much up in the air as the county goes to pres.

County leaders had hoped that construction might begin soon, putting an end to the area's current economic problems and promising a steady infusion of income over the longer haul. The prison unit has been unofficial-

ly described as an "industrial" one with prisoners working indoors rather than on a prison farm that would consist of a closely guarded 56-acre enclosure set in the middle of a 1500-acre "bufferzone."

Red River County has been one of several candidates for a prison unit, which would bring an initial injection of \$60 million in construction and

would promise \$8 million in annual payroll when completed. County business leaders believe that the project would return prosperity to the area, pointing out that Palestine prospered so much from its first prison project that it has sought and obtained two more and is in the running for still another.

Proponents of the prison argue that

a turnaround in the County's economy is essential and that the jobs and business a prison would provide would be both a "quick fix" and a promise of longer term stability. Experience elsewhere has been that the prison does not have a significant negative impact on the image or quality of life of the community. "Only the prosperity is visible," reported

a recent visitor to Palestine.

Proponents of the prison believe that a prison would improve the quality of life in Red River County. The resulting increase in property values could mean an increase in county and school districts revenues without a tax rise. "Maybe we could get some of our county roads fixed up," said

one landowner.

Some individuals have been uneasy about the possibility of having several hundred convicted criminals in the neighborhood—even well guarded ones. Authorities point out that successful escapes are extremely rare.

political rally held Saturday night in the Bogata Cafeteria. Mr. Pirtle spoke to a good crowd. Those

## Pirtle Speaks At Rally

A group of supporters assembled for a pie supper and rally at the Bogata Elementary School Cafeteria Saturday night to hear H. Drue Pirtle, Candidate for County Commissioner of Precinct 1, speak on issues facing the Commissioners' Court of Red River County. Pirtle stressed three major issues that will be before the court this year.

1. The Indigent Health Care Act passed by the state legislature last year that becomes effective September 1, 1986.

2. The Red River County Courthouse issue.

The Maintenance of Roads and Bridges in Precinct 1.

It was pointed out that the Indigent Health Care Act is a complex piece of legislation that will probably cause the Commissioner's Court many problems in future months and probably cause the court to incur additional expenses in administering the program and could cause a large amount of funds to be paid out of the county treasury for the indigents who qualify.

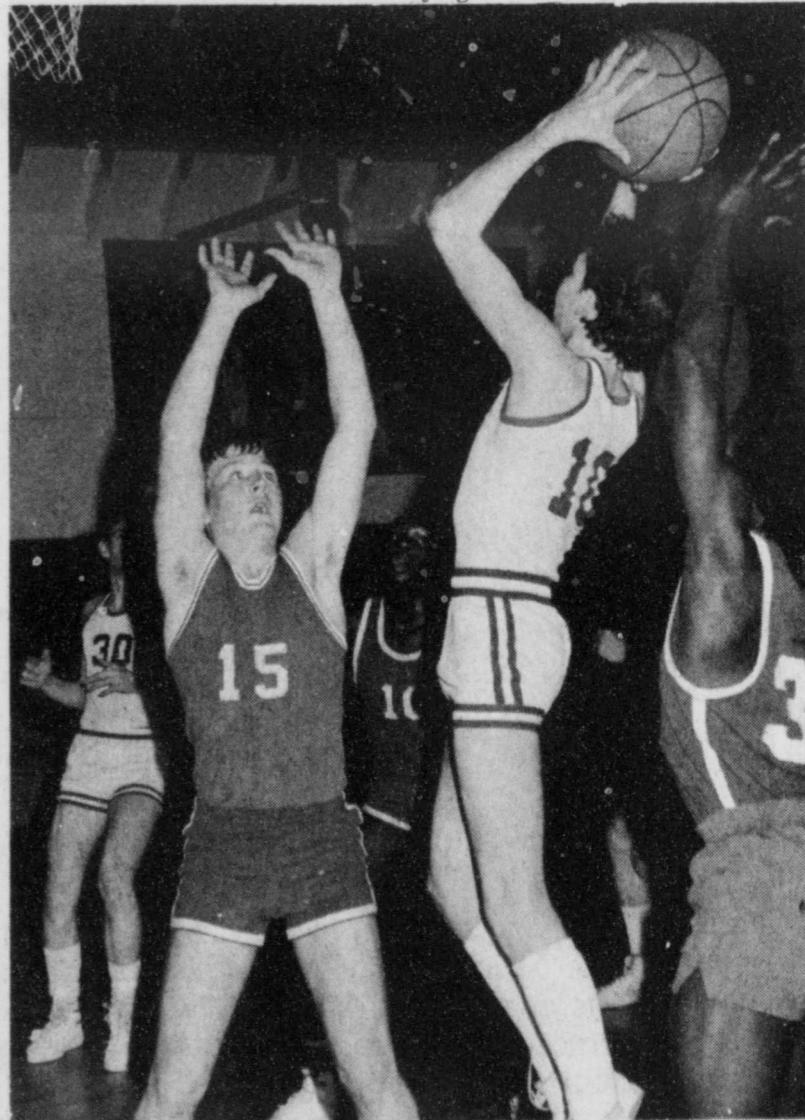

Pirtle said that he would like to clarify a misunderstanding on the Red River County Court House issue. He said his recommendation to the Commissioner's Court would be that this issue be presented to all the voters in Red River County and let the people decide what should be done to the Red River County Courthouse. Pirtle said that after a vote of all the people, he would support one hundred

percent the decision of the majority.

Pirtle also stated that maintenance of the roads and bridges in Precinct 1 is a very important issue and that he will continue an aggressive program of upgrading all the county roads and bridges in Precinct 1. He specifically stated that he felt that all of the funds allocated in the budget for each fiscal year (The amount in the current budget for road and bridge repair for Precinct 1 is \$182,000.) should be spent in maintaining the roads and bridges rather than trying to see how much can be accumulated in a bank account and put into a money market account or certificate of deposit to draw interest.

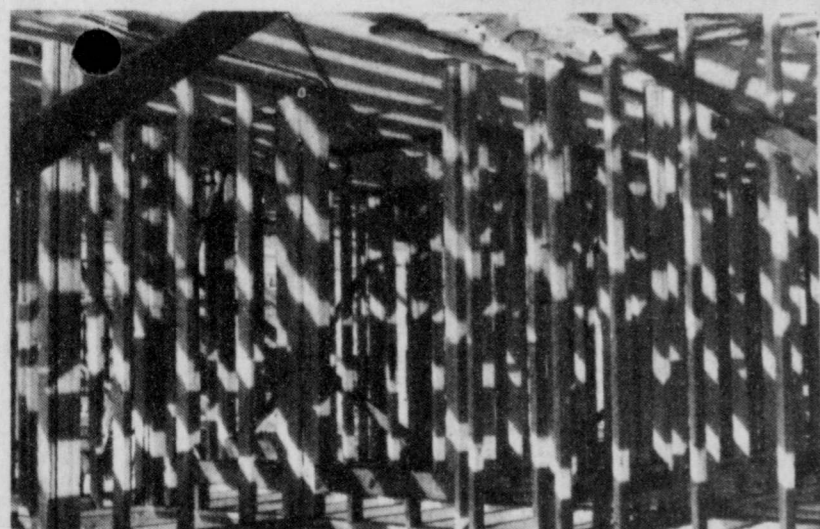

Pirtle advised the group that the current cash balance in all county funds is \$1,459,923.21 and of this amount there is \$112,895.67 in the road and bridge fund for precinct 1. This \$112,895.67 amount is available to spend from now through September 30, 1986 and there will be additional amounts of cash available for that period also. Pirtle stated there has been a statement made in recent days by our current commissioner to one of the taxpayers that he does not intend to use all of his funds in the current year but that he will keep a large balance in the bank. A slogan was suggested for Red River County that says "Money in the bank and holes in the road".

In closing, Pirtle's statement to his supporters was "When I am elected, I will not be a 'yes man' to the county judge."

When our meter readers check your meter each month, they do more than look at your electrical consumption. They also give you a free safety check. They look for frayed wires, free limbs making contact with power lines or any other potential problems that could interfere with the safe delivery of electricity to your home.

Our meter readers also make sure that you're not getting charged for power you didn't use.

They pride themselves on accurate readings and take the time to investigate readings that are unusually high or low.

On the rare occasions when these employees cannot read your meter because of a locked gate or threatening dog, they'll prepare an estimate of your meter reading. When this occurs, it will be designated on your electric bill.

The care we take when we read your meter is just one more way we're here to help.

Roseann Hobbs and Ray Peterson

### Hobbs-Peterson Exchange Wedding Vows

Roseann Hobbs and Daniel Ray Peterson exchanged vows in a candlelight ceremony at 4:30 p.m. Dec. 21 in the First Presbyterian Church of Huntsville.

The Rev. Carroll Pickett officiated at the double-ring ceremony. Music was provided by John Wilson organist; Mikey Hawke, soloist; and Sandy Nolan, pianist. Selections included "Doubly Good To You," "Evergreen," "The Wedding Hymn" and "The 23rd Psalm."

The bride is the daughter of Dr. and Mrs. George W. Hobbs of Huntsville. The groom is the son of Mr. and Mrs. Harold Ray Peterson, also of Huntsville.

Given in marriage by her father the bride chose a designer gown by San Martin. The white, soft satin gown was fashioned with a fitted bodice with appliques of silk venise lace and scattered pearls, a wedding band neckline and an elongated waistline. The sleeves dropped into a pouf of soft satin adorned with pearls and silk venise lace, tapering to the wrists. The back of the gown was a sheer illusion with pearls extending down to the waistline. The skirt extended into a chapel-length train. Appliques of re-embroidered silk venise lace and pearls bordered the scalloped hemline. Her veil of silk il-

lusion fell from a headpiece of flowers and clusters of pearls. Tiny bride pearls adorned the veil as it swept over the back of the gown. She carried a bouquet of rubrium lilies, stephanotis, English ivy and Boston fern.

Anne Hawke was maid of honor. Bridesmaids were Susan Hobbs, sister of the bride; Mary Lumpkins, cousin of the bride; and Stacy Mitchell. They wore Victorian style, tea length gowns of cranberry laique tafeta. The gowns were designed with elongated waistlines and V-neck backs edged with cream lace, and long, tapered sleeves. They carried bouquets of sweetheart roses and cranberry and white carnations.

Steven Blankenship of San Antonio was best man. Groomsmen were David and Lloyd Peterson, brothers of the groom and Curt Bounds. Ushers were Brett Steward and O.B. Miller.

The reception was held in the fellowship hall of the church. Members of the houseparty were Jennifer Giroux, Shawna Prade, Lisa Lumpkins, Lynn Sandel and Risa Williams.

Special guests were the bride's grandparents, Mrs. Beulah Rose and Mr. and Mrs. Ed Williams.

The newlyweds are at home in Huntsville.

# Johntown News

By Lee Hood  
After about 52 days of no rain, we are blessed this mornign with a slow falling rain that will really be welcomed by those that have already

started gardening. Well now, with the type of January we've had, what did you expect them to do. However, many folks are saying, "This is still February, so look out".

The great-grandson of Ed and Lucille Childers, Shane Murphy of Mt. Pleasant, is out of the hospital and improving.

The Ladies Auxiliary of the Johntown Missionary Baptist Church met in the fellowship hall Tuesday, Jan. 28 for their regular weekly meeting. We are having a Bible Study from the book of Leviticus taught by each other, Mary Lou Daniels, followed by a business meeting. There were nine members present. Following the meeting, members spent the afternoon quilting and fellowship.

Wilbur Parker of Dallas visited on the weekend with his brother and family, Mr. and Mrs. Morris Parker. I am happy to report that Morris's condition is improved. It probably won't be many days until we will see him and Ruby down at the lake fishing. He'll probably be very eager to do that soon, because, according to Buford Hood, the fish are biting.

As of this writing, Nadine Rhodes is still in the hospital in Clarksville, where she has been for approximately a week, with pneumonia. Her condition is improved, but because of the pain she didn't get to come home today.

Visitors on the weekend from Rockwall with Mrs. Neva Whitten were her son and grandson, Forrest Whitten and his son, Andy.

Cathy and Timmy Hiltzman and sons Chris and Clay of Longview visited her grandmother, Mrs. Bessie Roberts over the weekend. Also visiting Mrs. Roberts was her daughter, Patsy Collins from Longview.

Visiting with Mrs. Estelle Herring on Thursday was her friend from Bogata, Mrs. Jimmie Pettit.

Curtis Blagburn, grandson of Arietta Hervee and son of Betty Blagburn of Charleston received his degree from East Texas State in Dec, and has accepted a position as track coach at Emory. Curtis was on the President's Honor Roll this past semester.

Bruce Whitten of Rockwall, grandson of Mrs. Neva Whitten spent Sunday night with her.

Jessie D. Evans of Mt. Vernon, brother-in-law of Mrs. Joyce Cox visited Wednesday with Tommy Lee and Joyce.

On Saturday, Bobby McCuller of Mt. Pleasant, grandson of Ed and Lucille Childers came over and took Ed and Lucille to the land Bobby and Lisa have bought southeast of Mt. Pleasant. They were met by Lisa, and enjoyed a ride over the property. They have a cabin there now and plan to build a home in the future. Ed especially enjoyed the outing as he isn't able to get out very often, so he was pleased to see the tall pine trees and getting to be out in the country.

Congratulations are in order to Mrs. Myra Jean, she has accepted the position of school secretary to James Smith of Bogata Elementary. Our wish for her is many months of pleasure.

Ernestine and Joe Mauldin of Grand Prairie were here Sunday for the housewarming for Dana and Randy Anderson. Ernestine is the late Harvey Jean's sister. While here they spent the night with Mr. and Mrs. Donald Jean and visited other relatives and friends.

Mr. and Mrs. Tommy Lee Cox were in Bogata Saturday to visit her brother, Don Wilson.

Happy they are!! Ricky, Caryn and Jamey moved into their new home of the old Bogata Highway on Friday and Saturday and they are certainly beaming.

Mrs. Betty Blagburn of Charleston was a Thursday visitor of her mother Mrs. Arietta Hervee.

Steve, Ginger, Bradley and Brand Cecil are officially residents of our community, so we are seeing more beaming faces. Welcome. They will reside in the mobile home vacated by

the Ricky Daniels, as their new home in Rivercrest Trails is under construction. Bradley was enrolled in Bogata schools in Monday. Steve and Ginger will commute to their jobs in Paris.

Saturday afternoon visitors of Joyce and Tommy Lee Cox were their son, Eugene Cox, his daughter, Lor and her friend, Amy Hervee, all of Bogata.

Visiting Mrs. Arietta Hervee on Sunday was her daughter, Mrs. Imogene Lewis of Talco.

Mrs. Bessie Roberts enjoyed a phone call from her grandson, Marl Collins, who is in the Navy in Los Angeles, CA.

Mr. and Mrs. R.W. Weisinger visited their friends, Mr. and Mrs. Donald Jones of Bridges Chapel on Sunday afternoon.

A housewarming was held Sunday February 2 for Dana and Randy Anderson in their home east of the store and church. Many guests came by to offer good wishes. They received many lovely items for their new home. Hostesses were Florence Pirtle, Ginger Cecil, Lydia Hawkins, Lee Hood, Mary Lou Daniels, Billie Ruth Harville and Caryn Daniels. The hostess gift was a set of pottery dishes.

Mrs. Myra Jean, Mrs. Tommie Joy Pirtle and Mrs. Lee Hood attended a baby shower in Paris Saturday for Mrs. Hod's granddaughter, Mrs. Karen Miles.

Ernesting and Joe Mauldin were here Sunday for the housewarming for the Andersons. They spent Sunday night with Mr. and Mrs. Donald Jean and visited other relatives and friends.

Mrs. Ora Pirtle and Mrs. Florence Pirtle went to Clarksville last Wednesday, had lunch at the Elderberry Center and visited Mrs. Nadine Rhodes in the hospital.

Mr. and Mrs. R.W. Weisinger visited Sandra and Jackie Dodd on Sunday.

Guest speaker at Johntown Missionary Baptist Church Sunday evening was Bro. Elbert Paglinawan from the Phillipine Islands. He is a student at Texas Baptist Institute at Hender son and will finish his studies in July. He is from Davao City and will return to the area of Manila at that time. He presented films of the missionary Baptist work and their facilities in the Davao City vicinity also film of the industries of that area. This was followed by a question and answer session and then he brought the evening message.

James Patrick White left Wednesday for Fort Leonardwood, MO. He is the son of Mr. and Mrs. Danny Black of Johntown and Mr. and Mrs. Patrick White of Clarksville. He is the grandson of Mr. and Mrs. Grad Rhodes of Johntown and Mr. and Mrs. Gene White of Bogata. He will be in basic training eight weeks and remain in eight more weeks for rescue training.

Mr. and Mrs. Gene Hawkins visited the Joe Choates Thursday. Joe is recuperating nicely from major surgery.

The Gene Hawkins were in Bonhan Friday for xrays and tests for Gene. Mrs. Jess Morris of Clarksville visited Mr. and Mrs. Gene Hawkins Saturday morning.

Pesek sentenced Timothy Paul Rice, age 23, of Detroit, to five years in prison for burglary of a building in May, 1983 and six years in prison for felony escape in February, 1984.

**Did You Know That  
Last Year's  
U.S. Savings Bonds  
Average Rate  
Exceeded 9%?**

Many people all over America are surprised when they hear what U.S. Savings Bonds have to offer.

For starters, Savings Bonds give you market-based interest rates—like the money markets—plus the security of a guaranteed return. This means you can earn a lot more than the guaranteed minimum rate of 7 1/2%, but never less! To earn the higher rates, just hold your Bonds for five years or longer.

Here's more surprising news—the interest you earn from Savings Bonds is free from state and local income taxes. And you don't have to pay federal taxes on the interest earned until you cash in your Bonds.

Savings Bonds are easy to buy, too. They cost as little as \$25 and can be purchased at most banks and savings and loans. Or through the Payroll Savings Plan where you work.

All of these advantages are making Savings Bonds an increasingly popular investment. Last year, sales of U.S. Savings Bonds were up nearly 30%!

With all that Savings Bonds have to offer, it's no surprise they're one of the best investments in America. For the current rate, just call toll-free 1-800-US-BONDS.

**U.S. SAVINGS BONDS** *Paying Better Than Ever*

Market-based rates apply to Bonds purchased on and after 11/1/82 and held at least five years. Bonds purchased before 11/1/82 earn market-based rates when held beyond 10/31/87. Bonds held less than five years earn lower rates.

# Rebels, Rebelettes Take One Each

By Diana Eudy

The Rivercrest Rebels dropped their last Tuesday night's game to the Ore City Rebels 41-33. Charley Martin was high scorer for Rivercrest with 10 points.

The Rebels hit for 11 points in the first period to Ore City's 10. Charley Martin hit for three and Brad Anderson for two.

Rivercrest held the lead at the

halfway mark 21-16. Martin added four more in the second period, Chris Anderson hit three, Brad Anderson hit for two and Russell Rozell added one to the count.

The third stanza gave the Ore City boys the lead as they marked up 14 points to Rivercrest's six. Charley Martin and Chris Anderson each scored three points in the third quarter.

Branderson put through four points and Wade White added two in the final period of play. The Rebs fell short of the Ore City boys 41-33.

Scoring for Rivercrest were Charley Martin with 10, Brad Anderson with 8, Russell Rozell with 7, Chris Anderson with 6, and Wade White with two.

Rivercrest claimed a big victory over the New Diana Eagles Friday night, 62-38. Charley Martin was high scorer for the Rebels with 20 points. Russell Rozell hit for 12 and Brad Anderson was also in the double figures with 10.

Rivercrest held a two point lead at the end of the first period, 16-14. Russell Rozell and Chris Anderson

each marked up seven points and Charley Martin two.

The Rebels dominated the contest throughout as they popped through another 14 in the second period to the Eagles' five. Charley Martin contributed six, Tony Jasso five, Russell Rozell three on free throws. The Rebs led 30-19 at the half.

Rivercrest added points from all directions in the third period as Charley Martin and Brad Anderson put through four each and Russell Rozell, Chris Anderson and Tony Jasso each added two. The Rebs led 44-27 at the end of the period.

Eighteen points added to the already substantial Rivercrest lead and gave the Rebels the 62-38 victory. Martin hit for 8, Anderson for 6, and Jasso and Clint Stephenson each hit for two.
