

# It's Been Said, But Let's Say It Again!

**By Nanalee Nichols**  
It's Thanksgiving. Again. So soon. As usual. Right? Right. There just doesn't seem to be much new to say about the holiday. It's Turkey Day (a name which seems to rapidly be replacing Thanksgiving). There will be good food, family gatherings and football. It's a time when we are supposed to count our blessings. It's all been said before. But some folks still

don't listen, and some people (probably most of us) need reminding again.

No nation in the entire world has so many blessings to count as America. There are problems, so many they sometimes tend to obscure that fact. But when the cold wind blows and the heating bills are high, instead of complaining...take a moment to be thankful for the opportunity to PAY

that bill...for it means that warmth IS available. In many parts of the world, that opportunity simply doesn't exist.

When the food bill seems high, and puts a strain on the budget, think about this. In many parts of the world, food isn't there to be bought...money isn't any help, the food just isn't there!

Americans travel as they wish, move, seek jobs, gather, hunt, have

families, protest and live lives pretty much as they desire.

In various nations, all of the above listed freedoms are denied the average citizen.

This is not necessarily in third world countries, either. In Europe, the average German, Brit or Swede knows that he will probably never own his own home, much less build a new one to his specifications.

Dishwashers, telephones (much less extensions), and hot water all the time are luxury items, reserved for those of a much richer status.

VCR's, cable television, new cars, two vehicle families, decent medical care, indeed, even blue jeans, are simply beyond the means of most of the world.

Americans are so very, very lucky.

The Pilgrims had so little to be thankful for, yet they gave that thanks willingly and gratefully.

Smothered in abundance as today's citizens are, can we not take a moment to send out our own thanks, to give thought to just what a wonderful world we do live in?

Thanksgiving...not turkey day...let's try to give it a touch of the original meaning.

**NICHOLS' WORTH**

By: Nanalee Nichols

Every week I hear complaints from people about the mice and rats this year. They are about to eat down houses around people's ears. Traps, glue traps and poisons are being pressed into service.

But I don't understand the problem. In 17 years, we have never had a mouse or rat inside our house. That is because we keep cats, one inside, several outside. They have nice side benefits like deep purrs and pleasant attitudes.

Now, before someone groans and shakes their head, I'll point out that our cats catch rats and mice at an astonishing rate. They are also fed all they can eat. The old myth that a well-fed cat won't hunt, simply doesn't hold up. Our felines have a heaped bowl of cat food in front of them 24 hours a day, yet hardly a day passes with them presenting us with a gory little carcass as proof of their hunting skills.

But D.J., the Siamese cat we have, who isn't even grown yet, tops them all. We've had competent ratters for years...but "the deeg" takes the cake. I mean, this cat is the Rambo of mousers! He can kill more mice and rats than Chuck Norris can kill karate experts!

It is a pleasure to him, a carefully honed skill. He doesn't really seem to care for the taste of the little fellers, just the pleasure of the hunt.

He hasn't missed a night in two months making a kill of some sort, and on many nights has wiped out two or three rodents. (Sometimes it's a little hard to tell, I don't try and reassemble all the pieces.)

We have a walkway from the house to the garage. It has a cat door in it to keep the dogs away from their food, and through this swinging door, like a gunfighter of old, explodes D.J. with his latest trophy.

He doesn't kill them outside anymore...he brings them through the door and then proceeds with his personal vendetta. I mean, the mafia could learn from this cat's cold technique!

After he has killed the mouse or rat, perhaps nibbled on it just a tad, he carefully lines up the body right by the back door. There is no chance of missing his grisly prize every morning. Apparently, he wants us to be VERY sure we appreciate his accomplishments, (we do, oh, we DO).

Some of the rats he has brought in have been frightening in size! Some of the mice have been very tiny, these he usually brings in in multiples...as if to make up for the lack of size.

D.J. is totally in a class by himself when it comes to hunting. Unlike our other cats, he is a specialist, he doesn't display interest in birds, frogs or bugs...he is a rodent catcher and that's it.

Do we mind...no...is he for rent, sale or trade? Absolutely NOT!!

## Rebels, Rebelettes Play Prairiland

By Stan Anderson

The Rivercrest Rebels and Rebelettes opened the 1986-87 basketball season last Tuesday night at home against the Prairiland Patriots. The boys and girls combined for a sweep of the Patriot varsity teams.

The Rebelettes took the first win of the evening by a 39-29 margin. The Rebelettes broke open a close contest at the onset of the third quarter and never looked back.

Rebelette Barbi Rackliff led the scoring with 11 points, followed by Cynthia Thompson with 10 points, Rachel Smith with eight, Lori Alford with six and Kim Clark and Rosie Norman with two points each.

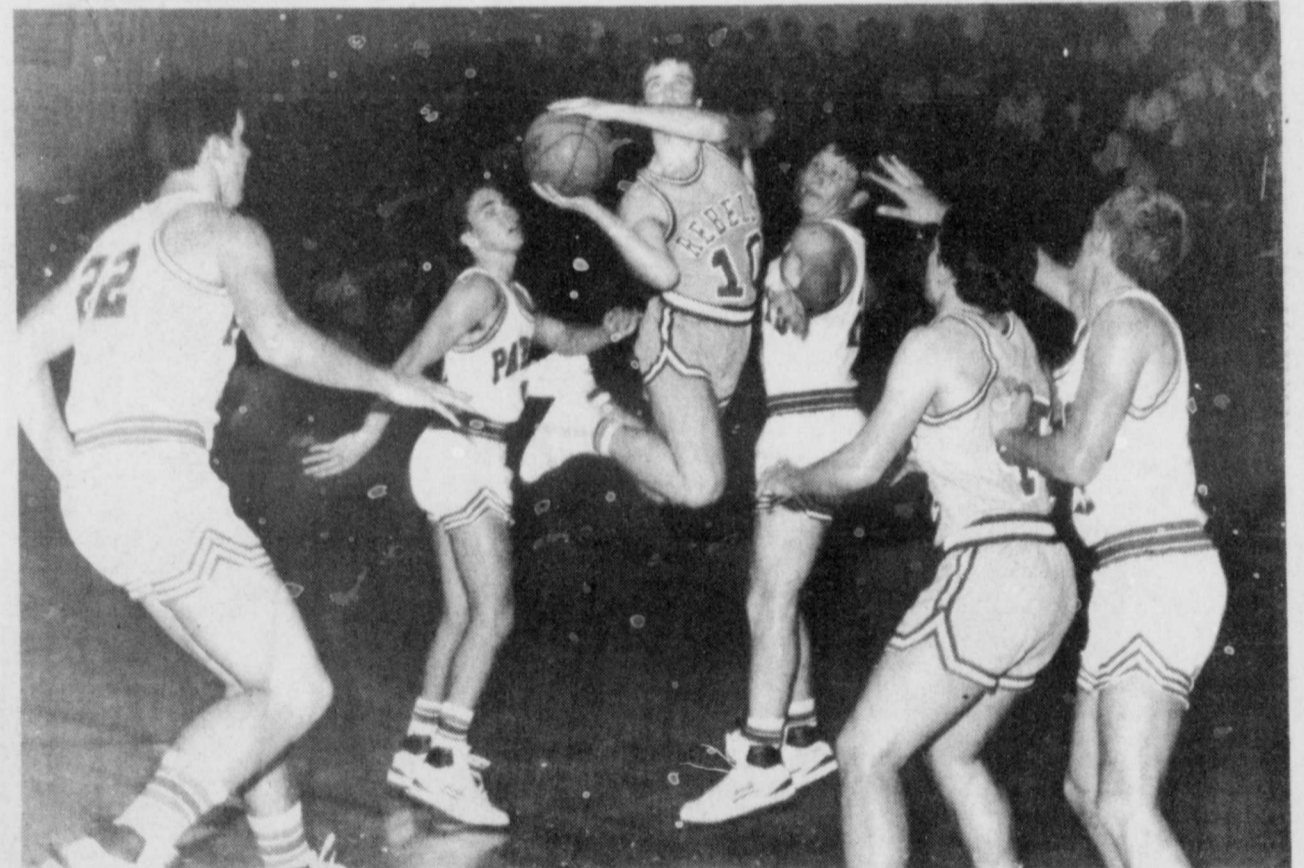

The Rebels won the second contest of the evening 62-48. The Rebels jumped out to an early lead and never looked back as they coasted to a seemingly easy victory. The scoring was as follows: Chris Anderson, Craig Savage and Brad Anderson led all scorers with 12 points each. Brad

Branch had eight points, Russell Rozell had five points, Kenneth Kelley had four points, Wade White made three points and Marvin Anderson and Bradley Woods had two points each.

Friday night, Rivercrest and Prairiland met again in Pattonville. Once again, the Rebelettes came away victoriously, but had to overcome a sluggish performance before posting a 43-38 win. Barbi Rackliff led the way by netting 10 points, followed by Cynthia Thompson with nine, Rachel Smith with eight, Lori Alford with six, Kim Clark with five, Rosie Norman with three and Rhonda Collins with two points.

The Rebels were not so fortunate against the Patriot men as they never got their offense untracked, allowing the Patriots a 53-42 win. The Rebels were paced by Craig Savage and Brad Anderson with eight points each. Chris Anderson had six points and

Kenneth Kelley had five points to round out the high point men for Rivercrest.

## Bogata Lions Trying To Build Park

The Bogata Lions Club is attempting to build a city park at the community center. Their next step is to build a sidewalk down both sides of the creek.

To raise the funds, they are asking all interested parties to buy one running yard of sidewalk at the cost of \$15.00. The Lions will lay the walk and

put your family name on a brass plate and set the plate in the cement.

A Lions Club sidewalk fund has been established at the First National Bank of Bogata. Please make sure when you deposit the \$15.00 that the name you want on the plate is on the deposit slip. Any Lion Club member can help you and deposit the money

for you. There is only room for 250 brass plates, so it will have to be on a first come basis.

Help the Lions build a park that all can use and be proud of. They hope to have most of the work completed for Frontier Day, which will be held in the part next year.

## Should You Inspect Your Christmas Lights?

**We're here to Help**

Now that the holiday season is fast approaching, make sure you have done everything possible to have a safe holiday by inspecting all of your holiday lighting. Never assume that your holiday lighting is all right. Make it a standard practice to inspect all lighting each year.

Carefully check all of your lighting for worn or decayed insulation and for cracked or broken bulbs and receptacles. Inspect the electrical connection. When it comes to holiday lighting, if in doubt — throw it out. It is much better to replace old or worn holiday lighting than to take a chance of spoiling the season with an accident.

We're here to help you have a safe holiday season. For more information, call our office today.

### Dr. Jack Troutt, Years As A Community Leader

**By Mollie Williams**  
Dr. Jack E. Troutt, longtime professional and civic leader of Bogata still "whistles while he works" at his dental clinic on Main Street in Bogata. Due to the success of his practice, Dr. Troutt has been able to cut back on the hours he works and spend time enjoying several recreational hobbies such as fishing, golfing, quail hunting and working in his yard at his home on Highway 37 North.

This success that he has attained has been achieved by hard work, dedication and perseverance. "I'll have to give Mable a lot of the credit for my success," Troutt says with a grin. Mabel is his wife of 41 years. She was the former Mabel Theford. They have two children and a son, deceased. The oldest son, Jack E. Troutt, Jr. lives in Garland and is employed by the Dallas County Environmental Protection Agency. He and his wife have two children. Their daughter, Janet

Troutt Weiler, lives in Paris and is a dental hygienist, working in her dad's office. Janet and her husband have one child. Leslie Troutt was killed in an automobile accident in 1975 on US Highway 271, southeast of Bogata. The tragedy was a great hurdle for the Troutt family, "and", says Dr. Troutt, "it was a long time before I could even talk about it, but time eases some of the pain."

Dr. Troutt grew up in the Powderly and Blossom areas and graduated from Paris High School in 1941 and from Paris Junior College in 1943. After his college graduation, he went directly into the army. During this time, his parents moved to Bogata and in 1945 he returned to Bogata from the service and married. Because of rating the highest score on an army test, Dr. Troutt was accepted at West Point. He attended there for a while, but left to pursue his education to be a dentist. In 1950 he

graduated from Baylor University College of Dentistry and served the next two years as a Captain in the Army in France as a dental surgeon for the NATO build-up, covering one third of France with his services.

In 1953, he set up a practice in the clinic with Dr. Brooks and worked there for two years. In 1955, he joined the Air Force and served the next three years at Eglin Air Base, Fort Walton Beach, Florida, with the rank of Captain, as a dental surgeon.

Dr. Troutt returned to Bogata and resumed his practice here in the latter part of 1958. He built the new clinic where he now has his practice in 1971.

Dr. Troutt has always been a dedicated civic and church leader. He has served on the school board for eight years, serving as president several of those years. He has served on the city council for ten years and is presently serving in that capacity. He has been a member of the executive board of the Boy Scout NETSEO Trails Council and served as the council president for two years. He was a Scout Master for twelve years, during which time 12 boys made Eagle Scout. He and his wife are members of the United Methodist Church in Bogata where he has served as chairman of the board two different times, he has served as Sunday School Superintendent, Lay Leader, and has taught Sunday School classes for 21 years. Dr. Troutt also served for two years a president of the First District Dental Society.

Dr. Troutt is a man who can relate

### Rivercrest Homemakers Hear Christmas Program

The Young Homemakers met Tuesday, November 18 in the homemaking room at Rivercrest High School. Martha Sue Stroud, owner of The Carousel in Clarksville, presented the program. Mrs. Stroud explained the origins of some of the Christmas customs and traditions. She also had an array of Christmas ornaments, decorations and gift ideas displayed. Mrs. Stroud distributed date books, recipes and Hallmark pamphlets to all in attendance. The members thanked her for her time and efforts in preparing the program and presented her with a plant as a token of their gratitude. Refreshments were served.

The business meeting was then called

to all generations. The elderly love him and many feel that he's the only dentist who can properly treat their dental needs, and yet, the young feel very comfortable under his care, also. He has contributed a lot to our community, not only with his profession, but also through his dedication and love for the community.

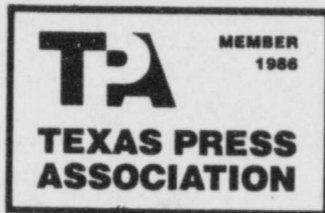

ed to order by president, Frances Jones. Minutes from the previous meeting were read by Sherri Cheatwood. The group had a discussion and voted to disband from the state organization. The group will be reorganized as the Rivercrest Young Homemakers. Handbooks for the 1986-87 year were passed out by Mary Lynn Horn. Two new members, Barbara Allgood and Cassandra Carroll,

joined the organization. Next, plans for the Christmas party were made. It was decided that everyone may bring one guest to the party. Those attending the Christmas party should bring a \$5.00 gift. The party will be held in the homemaking room at Rivercrest on Monday, December 15 at 7 p.m.

With no further business, the meeting was adjourned.

**Rebels Lose To Patriots**

The freshmen and junior varsity Rebel teams opened their basketball season last Thursday night against the Prairiland Patriots.

The freshmen team lost 55-51 after a two and one-half hour game that went into overtime. The Rebels came from behind in the second half to tie the game, but the Patriots finally won.

Donald Combs led the team in most points scored with 21; Jeremy Abshier scored 14; Clint Tidwell scored 10; Chad Ingram scored 4; Samuel Ross and Trenton Couch each scored one point. One strange thing about the point scoring in this game was that Donald and Jeremy scored the same number of points as the numbers on their jerseys.

The junior varsity team also lost their game 75-40. Tim Easley was leader by scoring 11 points; Keith Kel-

ly and Jimmy Lewis each scored five points. Adam Eudy, David Stansell, Jackie Whitney and Scottie Brown each scored four points. Audie Earley scored two points and John P. scored one point.

Saturday's game turned out to be a loss, too. The freshmen lost 49-43 and the junior varsity lost 45-30.

Samuel Ross was lead scorer in the freshman game with 17 points. Donald Combs followed with 11; Jeremy Abshier scored 7; Jason Pogre scored 6 and Chad Ingram scored two.

In the junior varsity game, Jimmy Lewis scored highest with nine points. Keith Kelley was second with six points, Scottie Brown scored four; Jackie Whitney scored three; Audie Earley, John Purviance and Tim Easley scored two points each. David Bush and David Stansell each scored one point.
