Reservoir Passes By Narrow Margin

Thieves, burglary...it's a timely subject as local thefts are on the increase.

The situation is difficult. The fact you own something, someone somewhere wants to steal it. In fact, sooner or later, someone most likely will steal it! Very few people can say that they have never had anything stolen.

Lately, thefts have ranged from \$10,000 hauls of cattle and equipment to shoplifting to the theft of a small lock and chain.

Tallied up alongside the monetary loss and the damage thieves so often do breaking into things is the frustration and outrage of the victim.

What can be done about it? Well, on a local level, we are all going to have to become a little bit of a busy body. Watching out for our neighbor's property and having them watch ours can help. There is a fine line we all walk between being nosy and "butting in" and conscientiously taking note of what may be happening near us.

But the way things are right now, most people would appreciate a few unnecessary phone calls rather than finding they had lost something and their neighbor had not wanted to interfere.

Neighborhood watches and Crime Prevention Programs are being set up all over the area...and the more participation they have, the better they will work.

That is about all we can do on a local level. Now, personally, I would like to see the major portions of our government do something.

This is strictly an editorial opinion...but if the law were strict enough that a thief had something to worry about...perhaps that thief might not be quite as anxious to steal!

Oh sure, there has always been theft and always would be, but when first offenders usually receive probation, the element of risk is substantially lowered.

Let's encourage law-makers to tighten up, and to make the laws more easily enforceable. Let's keep watch on one another's property, and let's make it as difficult as possible for burglaries to happen by locking up what we have.

It seems the only way we can protect ourselves now-a-days!!

The stage was set for Red River County to have an 1,800 acre lake, as county residents approved the creation of Dimple Reservoir by the narrow margin of 211 votes.

The bond proposal passed 2,478 to 2,267 Saturday, with one of the highest voter turn-outs in recent election history.

The ballot held three parts, the first was confirmation of the newly formed

water district, the second was the bond proposal of 7.2 million dollars and the third provided for a maintenance tax of up to three cents per \$100 value.

Southern Red River County, including Bogata, did not vote with the majority, however, casting ballots against the reservoir instead of for it.

In Bogata, the vote was: 85 for, 404 against on the creation of the water

district; 83-399 on the bond issue; 83-395 on the maintenance issue.

At McCoy, the vote was 63 for, 27 against the first issue; 62-28 on the second; 62-28 on the third portion of the ballot.

Fulbright voted 19 for, 62 against; 17-62 and 18-62.

Johntown was the most heavily against the reservoir, voting 7-94; 4-97 and 7-93.

Cuthand voted 22 for, 31 against; 22-31 and 22-30.

Detroit voted 80 for, 212 against; 77 for, 211 against, and 75 for and 215 against.

Rosalie's results were 18-90; 18-90; and 18-90 on the three issues on the ballot.

In spite of the high figures against the proposed reservoir in the Bogata area, the majority prevailed and the

issues were passed.

The reservoir has been a very controversial subject for some time, and both sides had worked hard to get the vote out and see that their "side" won.

It is to be hoped that now that the democratic process is finished, people can leave behind any hard feelings that resulted from the election campaign and continue to work together on other issues to make the county a better place to work and live.

Bogata Discusses New City Hall

A new City Hall was discussed at the regular meeting of the Bogata City Council meeting held September 14, however, no specific action was taken on the discussion. The matter is to be further investigated and brought up in October.

Under old business, the council voted to approve requirements of written letters or receipts from doctors or dentists for city employees to receive pay for sick leave.

Under new business, the council voted to renew the city's CD for six months, to publish an article by the Vietnam Memorial soliciting contributions from the city for the memorial, and approved request of street light on corner of Douglas and S.E. 4th.

After reviewing a complaint of trash dumping, the Council voted no to picking up the dumped trash.

The council voted to change City employees work week to end on Thursday instead of Friday and also to change employee handbook to reflect change of 40 hour work week instead of 35 hours. There was no City Judge report or water superintendent report. The 1990 census was discussed and tabled until a later date.

"LETTER TO EDITOR"

Dear Editor:
I am very disappointed the "lake tax" burden was put on the citizens of Red River County. In our area Bogata had 490 voters only 85 for the 'lake'; Johntown 101 voters only 7 for; Rosalle 108 voters only 18 for; Fulbright 81 voters only 19 for. This area of Red River County cast 780 votes; out of 780 votes only 129 were willing to burden us with this ridiculous waste. I'm sorry this horrible thing passed but I am proud the overwhelming majority of my neighbors recognized this terrible waste and voted against it.

Hagansport -Eureka Reunion Set

Beginning at 7 p.m. Saturday, 1987 ex-students, spouses and friends will meet at the center. As in the past, this first night is spent visiting and being together. Refreshments of coffee, tea and pastries will be served. The ladies of the community are asked to bring pies, cakes and etc.

On Sunday, there will be a covered dish luncheon at noon. Ex-students are requested to attend along with their family members and friends. Let's try to keep this annual affair going. Rebels Fall To Tigers

By Stan Anderson
The Rivercrest Rebels journeyed to Mt. Vernon last Friday night for a non-district clash with the class AAA Tigers. A wet field and a large Tiger team made the going tough for the

Rebs with the final result being a 20-7 Mt. Vernon victory. Following the opening kick-off, the Rebels got off to a shaky start. The ball was jarred loose from Rebel quarterback Bradley Woods, giving

Mt. Vernon possession on the Rivercrest 40-yard line.

The Tigers wasted little time capitalizing on the Rebel error, relying on the arm of quarterback Jason Hopkins to bail them out of trouble on two crucial third down plays. The second being a scoring strike to wingback Brady Garcia from 54 yards out. The point after attempt was no good as the Tigers went on top of the Rebs 6-0 midway through the first period.

Rivercrest was unable to move on the Tiger defense on their next possession and was forced to punt.

Mt. Vernon took over on their own 32-yard line and with the aid of two Rebel penalties, began working towards the endzone again. Despite a good defensive effort by lineman Todd Denny and John Purviance, the Tigers struck pay dirt from the three yard line. The two point conversion was good, giving the Tigers a 14-0 lead early in the second quarter.

Midway through the second quarter, the Rebels found themselves in excellent field position, following a 9-yard Tiger punt on the Mt. Vernon 38-yard line. One play was all the Rebs needed as Lafayette Brown took a handoff from Bradley Woods and outran the Mt. Vernon defense 38 yards for the Rebs lone TD of the contest. Donald Combs booted the extra point throughout the uprights, pulling the Rebels within 7 points of the Tigers. The first half ended with the Rebs trailing the Tigers 14-7.

The Tigers opened the second half with the ball on their own 39, but the Rebel defense shut down the Mt. Vernon offense, forcing a punt. The Rebels could do no better, though, as they also were unable to move the ball. Near the end of the third quarter the Tigers took over on the Rebel 41-yard line. The Tigers used only five plays to score their third touchdown of the evening, taking a 20-7 lead.

Rivercrest showed little spark in the fourth quarter, unable to advance the ball past midfield. But the Tigers appeared to want more as they banged the ball down to the Rebel 15-yard line. Tiger quarterback Jason Hopkins aimed a pass for the endzone but had it picked off by Rebel cornerback Jeremy Abshire. He returned the ball to the Rebel seven yard line. Still unable to move the ball, the Rebels were forced to punt again.

The Rebel defense quickly stopped the Mt. Vernon drive giving the ball back to Rivercrest on the Rebel 20, but were unable to move and went down 20-7 at the hands of the Tigers.

The Rebel offense managed 110 yards offense for the evening and were penalized eight times for 55 yards.

This week the Rebels host the Carlisle Indians at Rebel Stadium at 8 p.m.

A Checklist For MICROWAVE OVEN Safety

The benefits of microwave ovens are almost endless. Microwave ovens are the most energy efficient ovens ever invented. They cook food quickly, they enhance the nutritional value of food, and they're safe when used properly. To make sure you're using your microwave oven safely, follow these simple rules.

1. Use only microwave-safe utensils. Don't use metal in the microwave. TNP has a free brochure that contains a test for determining if a utensil is microwave safe.
2. Use adequate electrical current. Your microwave does not require additional wiring. However, your unit should be on a separate circuit and have nothing else operating on that line. Avoid using an extension cord with a microwave.
3. Don't use a microwave to can fresh foods. However, it is great for blanching fresh vegetables for freezing and for making jellies and jams. It also is good for drying herbs.

The safe use of a microwave oven is one more way that electricity makes your life a little easier. For more information about microwave ovens contact our office today.

The people of Bogata are being asked to make a contribution in the amount of \$2,000.00 in honor of two citizens of the community who lost their lives in the service of their country. They are Sergeant First Class Graham Henry Howison, born May 13, 1928, died July 13, 1960; and Private First Class Philip Milton Wooten, born December 7, 1945, died May 12, 1968.
