BIG SHIPMENT OF FINE CATTLE

Last Sunday the Haskell Oil Mill shipped 500 head of fat cattle to Oklahoma City. Mr. J. W. Meadors also shipped a car of 31 head. There were 20 cars in all. Messrs Earl Cogdell and J. W. Meadors accompanied the shipment. The Oil Mill at this place has fed 200 head of cattle this season. The cattle will aggregate about \$140,000. Mr. Cogdell has made this one of the biggest feeding points in the West.

Letter from Judge J. W. Evans

Little Miss Lizzie Baldwin has received a letter from J. W. Evans, who is at Waxahachie. Judge Evans was at one time county judge of this county. He wrote the little girl that the rheumatism kept him in bed most of the time.

Judge Evans was the first Worshipful Master of the local Masonic lodge of this place, and was known as a most devout Mason. His service as Master of the lodge, gave him the training and strength of character that made his administration of the county judge's office one of the cleanest and best the county ever had.

He has many old friends and acquaintances who will be glad to hear of him.

Dairy Cows Increasing

The value of the Texas dairy cow has increased \$5.70 during the past year, according to data recently compiled by the United States Agricultural Department. She is now worth \$45.60, while in 1913 her valuation was \$39.90. In 1910 she was worth only \$29.50. The total number of milch cows on the farms and dairies of Texas have increased from 1,084,000 in 1913 to 1,065,000 on January 1st, 1914. This is an increase of 3 per cent or 81,000 in number of head. The value of the Texas dairy herd on January 1st, 1914 was \$48,564,000 compared with \$41,257,000 a year previous.

One Hope

The author staggered home. "The jury," he sobbed, "decided that my book is not immoral." "Never mind," said his wife, consolingly. "Perhaps you can make a success of it in play form." —New York Press.

VALUE OF MULES INCREASING

The Texas mule has increased \$11 in value during the past twelve months, while the Texas horse shows a decrease of \$2 per head, according to a report recently issued by the United States Department of Agriculture. Texas has more mules than any state in the Union and more than twice the number of Missouri, which ranks second in this respect. On January 1914 there were 753,000 mules in Texas, the number having increased 10,000 in the last year. These mules are valued at \$79,740,000 and have increased \$23,000,000 since January 1913.

Meat Production and Consumption Decreased

The results of the high cost of living are clearly reflected in a report just issued by the United States Department of Agriculture, which shows that the per capita consumption of fresh meats has steadily decreased during the past 14 years. In 1900 the people of this country consumed 179 pounds of meat; in 1909 it dropped to 172 pounds and in 1913 the per capita consumption was 152 pounds. The theory that high prices promote increased production has been exploded. The report shows that the production, too, has declined during this period. The per capita yield of dressed meats in 1900 was 211 pounds, 185 pounds in 1909 and only 161 pounds in 1913. Our exports during this time dropped from 32 pounds in 1900 to 8.7 pounds in 1913.

From 1900 to 1913 the consumption of beef per capita has increased about 1 pound; the consumption of mutton per capita is 1 pound less and the per capita requirement of pork and lard has decreased 7 pounds.

FIRE BOYS HOLD INTERESTING MEETING

DELEGATES ELECTED TO STATE CONVENTION. BY-LAWS ADOPTED AND OTHER IMPOR- TANT BUSINESS TRANSACTED

The Haskell Fire Company held a very interesting meeting Monday night of this week. It was a regular meeting, at which time T. C. Cahill was elected president. Virgil Hudson, J. R. Mauldin and Henry Johnson, foremen of the three companies were elected delegates to attend the State Firemen's Convention which meets at Victoria, May 12th, 13th and 14th. It is also agreed that every member may attend the convention, and it is hoped that every one that can, will attend.

The boys adopted a set of by-laws, which the Free Press will publish in a later issue, probably next week.

We are glad to see the fire boys taking renewed interest in their work, and in this connection we desire to suggest that if the people in general would take more interest in the fire boys, they would have better heart to do more efficient work. On a number of occasions had it not been for the Haskell Fire Boys, even with their meager equipment, our town would have suffered considerable damage by fire. To them we owe an allegiance and loyalty that many fail to appreciate. There is no

one organization that is of more real importance to a town than a good fire company. We have good material, and young men who are brave, courageous and willing. They should not only have the hearty approval of the citizenship, but should have their financial aid in further equipment that they can better fight the fire battles when occasion demands. The fire boys are public benefactors, and as such, should have the financial and moral backing of not only every property owner, but every citizen of the town, and when we fail to give it to them, we lack that much of the element of good citizenship.

Fast Growers

"P'taters is good this mornin', madam," said the old farmer making his usual weekly call.

"Oh, are they?" retorted the customer. "That reminds me. How is it that those you sold me last week are so much smaller at the bottom of the basket than at the top?"

"Waal," replied the old man, "p'taters is growin' so fast now that by the time I get a basketful dug the last ones is about twice the size of the first." —Business.

Miss Leeta Corder who will sing at Dick's Theatre, March 10th, is rapidly reaching the front rank of American singers, having just finished a very successful Canadian tour with the Schubert Symphony Club of Chicago. Miss Corder is a pupil of Madame Smythe of London, who was a favorite pupil of Barbielli, uncle of Adalina Patti, who in a great measure was responsible for that diva's great success. She has also coached in operatic roles with Herman De Vries, of the Opero Commique, Paris; Convent Garden, London, and the Metropolitan Opera of New York City, who at present is considered to be the finest vocal instructor and operatic

coach in Chicago, having coached such artists as Schuman-Heink, Mary Garden, Bessie Wynn, Geraldine Farrar, etc.

Miss Corder has a voice of great purity, and strength, combined with sweetness, perfect breath control, and a phenomenal range, singing from F below middle C to F above high C with greatest ease. She uses it all in the especially arranged and interpolated cadenza in the aria, "Una Voce Poco Fa," Adalina Patti's greatest solo from the Barber of Seville.

Music lovers Haskell will be glad of the opportunity of hearing her on Tuesday night, March 10th, at Dick's Theatre. Seats on sale at the Corner Drug Store

New Gingham

Nothing is better for girls school dresses than a good grade of gingham. You can find no better goods for aprons, and for a street dress you can get no goods at anything near the price of gingham that will answer just as well. We have on display now, our new line of RED SEAL brand gingham. The patterns are beautiful. They are in all shades of stripes, plaids, checks and plain colors. No gingham under 20 cents makes up better, or is easier to wash and iron. The colors are all good, and the price is 12 1-2 cents per yard.

Also a new line of YORK brand Gingham. The patterns in this line of gingham are surprisingly good, and for many purposes this gingham will answer just as well as a higher price gingham. The width is 27 inches and the price is 10 cents per yard.

Full line of McCall patterns, 10 cents and 15 cents.

April number of McCall's Magazine now at our pattern counter at 5 cents.

April number of McCall's Fashion sheet free.

No Danger of Bread Famine

The world's wheat crop of 1913 was the largest ever produced and amounted to 4,125,658,000 bushels, according to a report just issued by the Federal Department of Agriculture. Its nearest rival was the crop of 1912, which aggregated 3,877,087,000 bushels.

The yield of the United States was also the heaviest in history totaling 762,380,000 bushels, which sold for \$610,122,000. Two other crops, the one of 1908 and that of 1909 sold for a larger amount, but the yield was smaller than the one of 1913. The Texas 1913 crop amounted to 12,650,000 bushels and was the largest yield since the 14,126,000 bushel production of 1906. Last year's Texas crop brought \$10,253,000. No values of the world's last crop have not been computed.

NEWS AMONG THE CHURCHES

The B. W. M. Workers.

Monday found a large number of ladies in their place and Bro-Sams ready to hear the lesson. Mrs. J. W. Johnson opened the meeting by reading a portion of scripture and asking God's blessings on the meeting.

As the lesson was a long one, no business reports were given out. Next week will be regular business meeting. Be sure to come, all that can. Let us never slacken our interest in the Masters work. Think what is before you—a dying day and an eternal world. And when you come to quit this transitory world, will you then repent of having improved your days of life with the most strict devotion? Ah, no! Remember that every day which passes leaves you one less to improve and one more to account for. Let your light shine, is a command from above. It is certainly gratifying to know the good work our society is doing, but are we doing all in our might, all that God wants us to? Settle this question with Him. Pray much and be at the meetings.

Our nice little year books are out and you should see the secretary and get one. She also has the question books. They are such a help in preparing the lesson. Reporter

Laymen's Meeting

At 2:45 p. m. next Sunday at the Christian Church the men of the town will meet and talk about our duty as stewards of time, talent and influence. Several short talks will be mixed with a lot of good music. Every man in town warmly invited to attend.

HASKELL, TEXAS, March 7, 1914.

The discussion of the high cost of living, might well be enlivened if some people would count the cost of splurging and improvidence.

Splurging and dissipation will bring a young couple to grief. The men and women of Haskell who have built up a family estate, were the men and women who were willing to live within their income, and did live within their income, it mattered not what inconvenience it caused. The writer has been in Haskell 29 years and can cite to living examples of such providence. The wages of snobbery, affectation, vanity and extravagance is failure, want, the loss of respect of friends, parents, wife and husband. It is just about as certain to come to a fellow as the wages of sin.

It seems that the agitation for a reform of the way justice is administered in the courts, is being used to expose the methods of hired attorneys. The most promising candidate for Governor in Oklahoma is an ex-convict, who was sent to the penitentiary for train robbery. He served a part of his time, read law and was admitted to the bar, built up a big practice and quit practicing law, assigning as his reason that he could not

practice law successfully and be an honest man. He has been offered a thousand dollars a week by moving picture makers and vaudeville shows, and has turned them all down. When an extra-train robber can not conscientiously practice law, it is time the people laid everything else aside and have lot of lawyers disbarred.

Well, what about that tabernacle? Summer will soon be here and we are going to need a big tabernacle. Rule has one, O'Brien has one and Rochester has one, and in fact they are found to be most useful as an auditorium. The Free Press is in earnest about the tabernacle. We believe it will be worth the money, and afford a lot of pleasure as well as prove a great all purpose auditorium.

The press dispatches show that the Associated Press has refused its service to the publishers of the Dallas News, for the evening paper A. H. Belo & Co., will establish at Dallas, Houston and San Antonio. This was done at the instance, it seems, of the Dallas Times Herald. By way of parenthesis we may add there is a move by the Federal authorities to prosecute the Associated Press as a trust. It may be that when the news gathering octopus refused to sell its service to the Dallas News, they "woke up the wrong passenger." The News is negotiating with W. R. Hearst for his independent service. If Hearst gets into Texas there will be something doing in this state.

There is being a lot said about the tenant system. Senator Willacy has a good plank in his platform on the rent question. He proposes to pass a usury law that will forfeit all rents over what the law provided and probably will fix a third and fourth as the lawful rate of rents. From what the senator has to say, it seems that the antis will have troubles of their own when they go to eliminate. When the pros forced an open fight on the antis they did Texas a service. We will bet our last dollar there will never be another convention like the last one at San Antonio, Texas, where the regular delegates were displaced, and any old anti substituted as a delegate.

Thomas Valentine Purcell, the violinist, who will play here as soloist with the Schubert Symphony Club on Tuesday evening, March 10th, was the recipient of quite an honor at the National Convention of Violinists held in Chicago, June 13, 14, and 15th, 1912.

From among the 300 violinists who were present he was chosen to play and test the tonal qualities of 25 very valuable old and new violins in a public contest to determine the relative merits of the old versus the best new violins.

In his program here he will include the well known Faust Fantasy of Wieniawski, considered by all violinists to be the greatest and most beautiful of all the compositions of that great virtuoso.

The concert will be given on Tuesday evening, March 10th at Dick's Theatre. Tickets on sale at Corner Drug Store.

What Next?

To teachers and those contemplating teaching.

Public schools will soon close. Teachers have had an average of about six months on the pay roll at perhaps an average salary of \$60 per month, netting them \$360 for the year, or an equivalent of \$30 per month for the year. In other words, the educated teacher's salary for the year is less than that of uneducated day laborers. The President of Texas State Teachers Association made this statement, a couple years ago, before the state convention, that 6000 teachers quit the profession in Texas annually. Can you blame them, when you compare their annual earning capacity with that of other educated men and women? The bookkeeper, or stenographer or operator gets as a beginner, from \$60 to \$100 per month twelve months in a year, and soon receives an advance in salary and it isn't long before they are promoted to assistant managers or managers of large business concerns where they draw a salary of from \$2000 to \$5000 per year.

The teaching profession is a noble, charitable one, but are you content to work in the charity department of your state when they allow you no pension or protection in old age, or will you go into the great broad field of business where you can lay up something for a rainy day and provide your own protection for old age.

Make a comparison of the teacher who has graduated from the high school, spent two or three years in a state normal and hundreds of dollars preparing himself, then had from three to five years experience in the public schools, with the bookkeeper, stenographer or operator who has only spent from three to six months in obtaining his education and from \$100 to \$200 and has from 3 to 5 years experience in the business world, and you will find that the one who has spent only a few months in obtaining his education and a couple of hundred dollars, is drawing twice the salary of the teacher who spent some three or four years preparing for his profession, and spent from \$500 to \$1000.

More evidence on this subject can be had by writing the Tyler Commercial College of Tyler Texas for their large illustrated catalog, giving full particulars regarding American's largest commercial training school, the school that had 2060 enrollments last year, and read what teachers have to say who have attended this institution, of the advantage it offers to those entering the business world where they can greatly increase their earning capacity, enabling them to own homes of their own, and the comforts that should rightly be theirs.

IF CHILD IS CROSS, FEVERISH AND SICK.

Look, Mother! If tongue is coated give "California" Syrup of Figs.

Children love this "fruit Laxative," and nothing else cleans the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat sleep or act naturally, breath is bad system full of cold, has sore throat stomach-ache or diarrhoea. Listen, Mother see if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of Mothers give California Syrup of Figs because it is perfectly harmless; love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50c bottle of California "Syrup of Figs," which has full directions for babies, children of all ages and grown-ups plainly printed on the bottle. Beware of counterfeits here. Get the genuine, made by "California Fig and Syrup Company." Refuse any other kind with contempt.

Just in Time

Some Haskell People May Wait Till It's Too Late

Don't wait until too late. Be sure to be in time. Just in time with kidney pills. Means curing the backache, the dizziness, the urinary disorders. That so often come with kidney ills. Doan's Kidney Pills are for this very purpose. Here is testimony to prove their merit. George Ray, Seymour, Texas, says: "I used Doan's Kidney Pills when having lameness in the back and dizzy spells and they cured me. I can vouch for their efficiency in curing pains in the back and other symptoms of kidney trouble. I never used a remedy that gave better satisfaction."

A SECOND STATEMENT
On January 5, 1912 Mr. Ray said: "I still use Doan's Kidney Pills when I require a kidney remedy and am always greatly benefited. You are at liberty to use my former statement."

Earned His Salary

Charles H. Grasty, publisher of the Baltimore Sun, in the Spring gave a large dinner in Baltimore at which the guest of honor was William Jennings Bryan. The secretary of state had just returned from his Western mission and the other Baltimore papers took advantage of his presence in the city to ask leading questions about his visit to California. One reporter was particularly insistent, and when Mr. Bryan had courteously but firmly declined to answer, he flippantly said:
"You know, Mr. Bryan, my paper pay me a princely stipend to ask you foolish questions."
"Well," said Bryan, "you earn it."

FOR SALE OR TRADE—One fine Washburn guitar, with leather case. Cost \$41.00. Will sell for \$20.00 cash. Would take some wood, a few young hens, and some good hay as part payment on same. Apply at the Free Press office.

Miss Ruth Veasey was taken to Abilene Sunday for an operation. She was operated on as soon as she arrived at the sanitarium. Judge and Mrs. H. R. Jones accompanied her. Judge Jones returned Monday but Mrs. Jones remained with Miss Ruth. Judge Jones reported the operation a success, and that it was necessary.

Year after year we sink money to try to convince ourselves that this is a farming country. Why not change the bait? Perhaps it was intended for oil or gas. Risk \$100 in a lot at Dundee and see if it equals your oat crop. It may return your losses for the last five years. Sold on easy terms. Excursion March 7th. Maps and details at the Free Press office.

Mrs. W. J. Via and little daughter, Ruth, of the Kirkdale community were in the city Saturday, and called at this office. Mrs. Via informed us of a very sad misfortune that recently befell her brother, Jno. B. Mathis of Lott, Falls county, on Feb. 17th. While doing the family washing, the dress of Mrs. Mathis caught fire and before assistance arrived she was so badly burned, she only lived a few hours. She left her husband and seven children surviving. This family lived in this county, near Rule, at one time.

Saturday, March the 7th, is the first excursion to the oil country and \$2.80 buys a round trip ticket to Dundee from Haskell. You can make the round trip and return the same day. Lots are being offered for one hundred dollars, 50x140 feet. \$25 cash and \$25 per month without interest. Three deep wells are being sunk for oil, 2,000 to 2,500 feet will be the depth; one of these wells is two and a half miles southeast, one about three miles east, and the third in town near the lots being offered for sale. Forget your farming troubles and buy a lot in Dundee. For further information, see Dundee Townsite Co. For maps and full description apply at the Free Press office.

FIVE MINUTE CURE IF STOMACH IS BAD

"Pape's Diapepsin" is quickest, surest indigestion cure known.

You don't want a slow remedy when your stomach is bad or an uncertain one or a harmful one—your stomach is too valuable, you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; is harmless; is certain, unfailling action in regulating sick, sour, gassy stomach. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas, causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in come in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

When Out of Sorts, Start Your Liver Working

No Matter What Ails You, Dodson's Liver Tone is Usually a Big Help in Getting Well. Avoid Calomel.

Nine times out of ten, when you are ill or out of sorts, your liver is out of order and getting it in order again will make you feel better. There was a time when a great number of people took calomel when so troubled. But this is not true today. It has become widely known that calomel often has bad after effects and is even dangerous to many. The use of Dodson's Liver Tone instead of Calomel has spread wonderfully because it has proved so beneficial in so many households.

The Corner Drug Store recommends and guarantees Dodson's Liver Tone instead of calomel and guarantees and to refund purchase price (50c) to you instantly without question if you are not perfectly pleased with the way in which it relieves you from constipation, sick headache, biliousness, etc. It "lives the liver" and is a pleasant-tasting, vegetable liquid, easy to take and causes no pain, no griping no bad results, no change from your regular duties and habits.

To test Dodson's Liver Tone is a sensible matter because you get your money back if you are not satisfied.

A Sad Death

Mrs. H. R. Best and son Henry, 16 years old arrived here Saturday the 28th of February, on a visit to the parents of Mrs. Best, Mr. and Mrs. S. E. Kinnison of this city. The son, Henry was taken with acute indigestion on his arrival, and died Thursday morning. The father Rev. H. R. Best was wired and is on his way here to attend the funeral, and is expected to arrive Saturday morning.

The entire community was shocked by the sudden death, and deeply sympathize with the bereaved family.

Mr. Roger W. Babson says that in looking up appendicitis cases he learned that in 17 per cent. of the operations for that disease the postmortem examinations showed that the appendix was in perfect condition.

"The whole subject," he adds, "reminds me of a true story I heard in London recently. In the hospitals there, the ailment of the patient, when he is admitted, is denoted by certain letters, such as 'T. B.' for tuberculosis. An American doctor was examining these history slips when his curiosity was aroused by the number on which the letters 'G. O. K.' appeared. He said to the physician who was him around:

"There seems to be a severe epidemic of this G. O. K. in London, what is it, anyhow?"

"Oh, that means 'God only knows,'" replied the English physician.—Open Door,

NEW SPRING MILLINERY

WE Will have our first showing of *New Spring Millinery*, Friday and Saturday, March 6th and 7th. Our showing will far surpass any showing we have ever made at this season of the year. We have a big stock now, and new hats arriving each day. We invite every lady, young lady and girl in Haskell and Haskell county to visit our store Friday, Saturday and next week. While our store is not at its fullest, we guarantee you an exceptionally good showing for this season of the year.

Regina and Elzie pattern and tailored hats are recognized by all millinery houses as the very top notch in tailored headwear. They are noted for their style and individuality. We have a good line of these goods, and with copies made up in our own work room, we give you as good a line to select from, as you will find in most city stores, and at prices much less.

We invite you to visit our Millinery parlor in Basement.

CORNER DRUG STORE

D. D. D. In Hospitals; Standard Skin Cure

How many hospital patients, suffering the frightful itch, the raw scorching pain of skin disease, have been soothed to sleep by a soothing fluid washed in by the nurse's hands? That fluid is the famous D. D. D. prescription for eczema.
THE SUPERVISING NURSE of one of our prominent Catholic institutions (name of nurse and institute on application), writes regarding a patient: "The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."
How many eczema sufferers are paying their doctors for regular treatment and are being treated with this same soothing, healing fluid?
DR. G. T. MOORE franky

writes "D. D. D. is superior to anything I have ever found. Soft and soothing, yet a powerful agent."
To do the work D. D. D. Prescription must be applied according to directions given in the pamphlet around every bottle. Follow these directions—and see!
And it certainly takes away the itch at once—the moment the liquid is applied. The skin is soothed—calmed—so thoroughly refreshed—delightfully cooled.
All druggists of standing have the famous specific as well as the efficient D. D. D. Skin Soap.
But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.

A Cure for Smallpox.

A correspondent of the Stockton, Cal. Herald, writes as follows: "I herewith append a recipe which has been used, to my knowledge, in hundreds of cases. It will prevent or cure the smallpox, though the pittings are filling. When Jenner discovered cow pox, in England the world of science hurled an avalanche of fame on his head; but when the most scientific school of medicine in the world—that in Paris—published this receipt as a panacea for smallpox, it passed unheeded. It is as unerring as fate, and conquers in every instance. It is harmless when taken by a well person. It will also cure scarlet fever. Here is the recipe as I have used it, and cured my children of fever, here it is as I have used it to cure the small pox, when learned physicians said the patient must die, it cured:

Sulphate of zinc, one grain. Fox glove (digitalis), one grain. Mix with two tablespoonfuls of water.

When thoroughly mixed, add four ounces of water.

Take a spoonful every hour. Either disease will disappear in twelve hours.

This may be worth pasting in your doctor's book for future use.

Bread on the Waters.

A benevolent old lady in one of the streets which still retain the red-brick houses of old-time New York looked out her parlor-window one day and saw a man, walking up and down the sidewalk, apparently in great dejection. There was something pathetic and appealing in his manner; so she took a dollar bill, put it in an envelope, and wrote on the envelope, "Never say die."

She slipped out of the house in the most casual manner she could assume and handed the envelope to the man as she passed him.

Next day the same melancholy man called at her house and presented her with ten dollars.

"It's funny," he said, "you're the only one that backed that horse called 'Never Say Die.'"

GIRLS DRAW A MOIST CLOTH THROUGH HAIR

Try this! Hair gets thick, Glossy, wavy and beautiful at once.

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

Come to the Free Press for your warranty deeds. We have them with or without the vendor's lien clause.

KIRKDALE

Hello! Here's a new scribbler come to join the Free Press and its writers. I hope I am welcome. I will start by saying March has come blustering in again and I am glad, for it arouses us to get ready for spring and spring is my favorite season.

We believe everybody is almost through preparing their lands in our community. We have heard some one say: "Now for the rains" Glad to report the health of our community is fine with the exception of a case or two of whooping cough.

Today is "First Monday." We think everybody is going to the city with something to trade.

Forest Farnest drove quite a bunch of young mules to town for trading.

We haven't many visits to report this week. Our folks must be the 'stay at home' kind.

Oscar Via and Elvy Scroggin went to Roberts Sunday.

Mr. Grimsley and son went to Haskell Monday.

Less Dyspepsia Now—Here's The Reason

The fact that there is less dyspepsia and indigestion in this community than there used to be is largely, we believe, due to the extensive use of Rexall Dyspepsia Tablets, hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk.

Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to the medical science. They soothe the inflamed stomach, allay pain, check heartburn and distress, help to digest the food, and tend to quickly restore the stomach to its natural, comfortable, healthy state.

There is no red tape about our guarantee. It means just what it says. We'll ask no questions. Your word is good enough for us. If Rexall Dyspepsia Tablets don't restore your stomach to health and make your digestion easy and comfortable, we want you to come back for your money. They are sold only at the 7,000 Rexall Stores, and in this town only by us. Three sizes, 25c, 50c and \$1.00. Jno. W. Pace Co., Haskell, Texas.

Winnipeg-Telegram, Oct. 17, 1911.—The soprano, Leeta Corder, has a particularly pure and flexible voice. In the "Grand Valse de Concert" her voice had a flute-like quality, quite resembling a bird.

With the Schubert Symphony Club at Dick's Theatre, March 10th. Price 35c, 50c, and 75c. Seats on sale at the Corner Drug Store.

OINTMENT

Coining Words

The esteemed Weather Bureau has sprung a new one. It is the word "smog," and means smoke and fog. The bureau explains that frequently there are times when this mixture is apparent in the atmosphere, and it considers the new word a great little idea. Very well, "smog" let it be. But why end there? Let's call a mixture of snow and mud "smud." A mixture of snow and soot "snoot," and a mixture of snow and hail "snail." Thus we might have a weather forecast: "Snail today, turning to snoot tonight; to-morrow smoggy with smud."—Kokomo Tribune.

The Forty Year Test.

An article must have exceptional merit to survive for a period of forty years. Chamberlin's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For Sale by All Dealers.

This is Awful

Wife—"Oh, hubby, I bought a waist for a dollar ninety-nine and I gave the clerk a two-dollar bill. I just noticed that she gave me two cents change. Oh, dear—Oh, dear, am I guilty of theft?"
Hubby—"Calm yourself, dear wife, calm yourself, you are innocent."—Penn State Froth.

Chronic Stomach Trouble Cured

There is nothing more discouraging than a chronic disorder of the stomach. It is not surprising that many suffer for years such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number, of different medicines, but none of them were of any lasting benefit." For sale by All Dealers.

ABOUT GOOD ROADS
By Homer D. Wade.

Road builders are benefactors to humanity.

Good roads promote prosperity; bad ones produce profanity. Permanent highways are essential to the advancement of any community.

Good roads rid farm life of the dread and seclusion of rural loneliness.

Good roads, schools and churches are the fundamentals in rural development.

Improved highways are better advertisements than electric signs for a community.

The wheels of education, morality and civilization must have good highways to roll on.

The sooner a town or community realizes the importance of good roads, the quicker it will become a city.

When the public become fully awakened to the benefits of improved highways bad roads will fade into oblivion.

CHILDREN ARE OFTEN LIVER LAZY

Give Them Liv-Ver-Lax Instead of Hickory Oil

Spare the rod and put the child in good physical condition. He or she will then perform the natural duties in a natural way. Too many children are given credit for laziness when their parents should be blamed for inattention to the child's physical condition.

Over eating or malarial conditions, which induce laziness in the child can be quickly overcome by eliminating the poisons from the system—from the liver and bowels.

Calomel used to be the only way. Medicine science has produced a better remedy in Grigsby's Liv-Ver-Lax, a purely vegetable compound that does better work than calomel without any after effects or unpleasant conditions.

Sold under absolute guarantee of money back by All Drug Stores, at 50c and \$1.00 a bottle.

For protection against imitations, each bottle bears the likeness of L. K. Grigsby. Be sure to get the original. 1m

Helping Him

"Does your father object to kissing?"
"I don't know. Shall I tell him you wish to kiss him?" Houston Post.

HAD CATARRH FIVE YEARS.

Mr. Johnson of St. Elmo, Illinois, was troubled five years with catarrh. The catarrh was so severe in his case that his life seemed threatened. As he expresses it himself, he had "one foot in the grave."

Of course he tried to get relief. Many practitioners were consulted and a catarrh specialist in St. Louis was tried. He got so weak and thoroughly run down that he declares he could not walk more than a hundred yards without resting.

Few people understand that catarrh is a constant drain on the system. The discharge of mucus which is going on in such cases is largely composed of blood serum, and is a great waste. Sooner or later it will weaken the strongest man.

According to reports received from Mr. Johnson, he was in a desperate condition, but he found relief from his trouble. We will let him say how he found it. His own words say: "My friends told me to take Peruna, and I did so. I now feel that Peruna has saved my life. It is the best medicine on earth, and I would not be without it."

This seems almost too good to be true. No doubt there are some readers who will think so. The above statements, however, can be verified by writing Mr. Johnson. Every home should be provided with the last edition of "The Ills of Life," sent free by the Peruna Co., Columbus, Ohio.

You Can't Earn Money When You're Laid Up

There are a lot of people in this town who cannot afford to be sick. Perhaps none of you feel that you can; but certainly some of you can't for as soon as you are sick, your wages stop, and worry and debts begin to pile up. The sensible thing for you to do, as soon as you feel run-down and worn-out, no matter what the cause, is to take something just as soon as you can to build up strength and health. Make yourself more comfortable and provide against serious sickness.

We don't believe there is any other medicine that will do as much towards saving your health and thus helping you save your money as Rexall Olive Oil Emulsion. It is a medicine that gets right at the trouble and relieves it by toning the nerves, enriching the blood, and giving new strength and health to the whole body. It doesn't do this by means of alcohol or habit-forming drugs, because it contains none. Its strength and health-giving power is due to pure Olive Oil and the Hypophosphites, long endorsed by successful physicians, the one for its food value and the other for its tonic value. Here, for the first time, they are combined, and the result is a real nerve, blood and body-building medicine—a real strengthener that we are proud to tell you about. You don't need to hesitate in using it, because if it doesn't do all we say it will and satisfy you in every way it will cost you nothing. If doesn't make you strong and well again, come back and get your money. It will be given to you without word or question. Sold only at the more than 7,000 Rexall Stores, and in this town only by us, \$1.00—Jno. W. Pace Co., Haskell, Texas.

Incidental Case

Dr. Rubetinker was a qualified M. D., but, settling in a cattle country and finding the demand strong, he had added veterinary work to his other practice.

"Nothing serious," announced the doctor, after examining a valuable bull which he had been summoned post-haste to treat. "Give him one of these powders in a quart of bran mash three times a day."

The rancher heaved a sigh of relief. "Wait," he said, as the M. D., V. S., was about to leave. "I reckon, as long as you're here, you might as well have a look at the old woman. She's been ailing for a month or two."—Judge.

Rheumatism and Neuralgia.

People will be glad to know that Hunt's Lightning Oil stops the pain almost instantly. No other liniment acts so promptly and with such gratifying results. Those who suffer should not fail to try it. Sold by all druggists in 25c and 50c bottles.

Tip in Time

The ferret-eyed little man stept across the street-car track aisle and whispered into the ear of a chap in a grey suit:
"You'd better wipe that bite of egg off your chin. The income-tax man is just two seats in front of you."—Indianapolis Star.

Disappointing

"How's that book you were just reading?"
"Oh, it's another of those publications in which a corking good title is spoiled by the story."—Washington Star.

You Need a Tonic

There are times in every woman's life when she needs a tonic to help her over the hard places. When that time comes to you, you know what tonic to take—Cardui, the woman's tonic. Cardui is composed of purely vegetable ingredients, which act gently, yet surely, on the weakened womanly organs, and helps build them back to strength and health.
