Well, it had to happen. For years, as I worked at the part time job at the travel agency, I've heard horror stories about airports and missed flights, and lost luggage.

But, until now, it's never even come close to occurring. I suppose pride goes before a fall, for the fates looked down and decided our time had come!

When this tremendous deal on a spring bulb tour of Holland came up, it was too good to pass up. So we took off for Amsterdam in high spirits.

It fell apart rather quickly. We sat behind twenty other planes in a violent thunderstorm at Dallas Ft. Worth Airport. No problem...we were to connect with KLM at Atlanta, Georgia for our overseas flight...but we had 3 and one half hours between planes.

Finally, it was our time to take off...but instead we taxied back to maintenance with a navigational problem. We sat in the plane for three hours.

We arrived in Atlanta with 10 minutes to spare...only to find that our plane was full and we couldn't get on!

Then we discovered they had lost our bags. Then we discovered that there wouldn't be any more flights to Amsterdam for three days that weren't booked solid. About that time I suggested what we should do with the trip. Thomas said no, gritted his teeth, and we hung on.

They finally booked us on a flight to Miami, Florida, and then on to Holland on Martin Air (no, I hadn't heard of it either).

We spent the night in Atlanta, then went back to the airport to look some more for our luggage. No luck. Everyone kept saying that no way had the bags gone on ahead of us. It just doesn't happen.

Because of the danger of someone checking a bag with a bomb in it, then not getting on a flight, such things just don't go on.

Still, it was soon discovered that we had no bags in Atlanta. They wired KLM in Holland, no reply. Of course, all this time our tour group had arrived, been met, and transferred to Valkenburg while we were still in the good old U.S.A.

We decided to go without luggage. We had toothbrushes and one change of clothes in our carry-on bag, and we stood to lose all the money we had paid on the trip if we didn't go.

For some reason I asked them to reconfirm our flight out of Miami. It came back with no space available!

Soooo, they sent us to Frankfurt. When departure time came, no plane was on hand! Apparently it took them almost two hours to find that plane! Of course, that meant that when we arrived in Frankfurt, we had missed our connecting flight to Holland! We grabbed on to a nice little English girl who was sent by the airline to help us out. She loaded us on a golf cart, and we went flying through customs and immigration with Germans shouting all kinds of things and her waving our passports and continuing on! (Our passports haven't been stamped in Germany yet!)

We sat in the waiting room as they finished loading the plane for Amsterdam, praying that there would be two extra seats we could be jammed into. There were.

Soooo there we are, exhausted, dirty, late and luggageless in Amsterdam's Schiphol Airport.

We are still 160 miles away from our tour group (which by the way, was having a grand time in Belgium at the time we were going through all this). We were told the only way to get to Valkenburg, where our hotel was, was by train. Of course, there was no DIRECT train to Valkenburg.

Now we're country folks. Trains are something we have never dealt with, and it was really frightening to be running, tickets in hand, to catch a train into the city. Then, at Amsterdam Central Station, we had to find someone who spoke English well enough to tell us where the track was we

State Comptroller Says Rebates Show Healthy Increase

State Comptroller Bob Bullock said Monday that his office sent checks totaling \$74 million in local sales tax rebates to cities and counties in Texas.

"That's a healthy increase over last April's payments and good news for the state's cities and counties," Bullock said.

Checks to cities totaled almost \$67 million, an increase of 7% over last year's total payments at this time, Bullock said.

Rebate checks to counties totaled \$7 million this month, for an increase of nearly 16% over last year's payments to this time. The increase is partly due to more counties collecting sales tax now, Bullock said.

Blossom received \$1,295.09 for

this period, indicating a 14.17% decrease over last year's payment.

Deport received no payment this period, in comparison to no payment last year at this time.

Bogata received \$1,354.57, for a 4.25% increase over last year's payment of \$1,207.10.

Clarksville received \$10,957.57, marking an 11.35% decrease over 1989.

Detroit received no payment for this period, compared to \$925.85 last year at this time.

Mt. Pleasant received \$75,285.02, a 4.90% increase over the comparable payment in 1989.

Talco received \$1,091.68, for a 1.86% increase over the payment

received last year.

This month's checks include taxes collected on February sales and reported in March by businesses filing monthly tax returns.

Merchants collect the sales tax and send them to the Comptroller's office with their tax returns. The state keeps its 6% share and each month sends cities and counties their portion of the sales tax.

All local sales taxes must be approved by local voters and may be used for any legal city or county expenses. Most areas put the money in their General Fund and use it for operations like fire fighting, maintaining roads and law enforcement.

THE CUTHAND Volunteer Fire Department served over 300 people last Friday night at their fish fry and pie auction.

Proceeds from the event will go to the fire department for needed equipment and operating expenses. J.P. Harvey of

Cuthand V.F.D. Feeds 300 At Fish Fry Fundraiser

The Cuthand Volunteer Fire Department held a fish fry and pie auction last weekend, with the meal beginning at 5 p.m. When the meal was completed, over 300 people had been served.

As the pie auction began, auctioneer-helpers Timothy and Eddie Wayne Belcher helped J.P. Harvey

of Clarksville, who served as the auctioneer for the pie auction.

The light-hearted atmosphere of the auction created heightened enthusiasm as the cakes were sold, and many pies and cakes brought landslide prices. The pineapple cake in the shape and color of a fire truck, that Timothy Belcher jokingly called

"Horseapple", that brought the highest price was made by Dolores Cheatewood, and netted \$100.00 in the fundraising effort.

The fundraiser was deemed highly successful by the firemen, and proceeds will help pay off the note to the bank, which helped finance their new grass fighting rig.

needed to get to Herlen, where we connected with yet another train to Maastrich.

But, we made it, and rocked along for two hours as lovely scenery rolled by. We met a friendly lady who spoke good English (most Dutch people do) who explained how the train system worked and how many stops it would be before we should get off. There are no announcements to tell one when to get off (we couldn't have understood them anyway).

We hopped off at Herlen, hopped on the "stopping train for Maastrich" and hopped off, at long, long last, in Valkenburg.

Then we couldn't locate the hotel. Finally we took a taxi and arrived at our destination two full days late, exhausted, without much in the way of clothing or needed travel article. Guess what? When we walked in the hotel clerk smiled broadly and announced proudly "your bags are in your room waiting for you!" Un huh...so much for all that airport security.

Well, the trip was fabulous, we enjoyed it tremendously. Of course, I'm not even going to tell you about the missed connections because of mechanical problems coming home...that's another story entirely.!

Billy Joe Vickers Honored On Retirement

Friends of Billy Joe Vickers gathered at the Talco School on April 27, to honor him with a retirement party, after 33 years service in the Talco School System.

Jerry Jones gave the invocation and Melba Reed registered the guests. The meal was catered by Western Sizzlin and the cafeteria was decorated with spring flowers, using the theme yesterday, today and tomorrow.

Johnny Gable presented Mr. Vickers with gifts from the faculty and friends, with one of the gifts being a watch with the inscription "Time Out Your Staff 1990".

The after-dinner program was presented by Neva Jean Oats and family, "Sentimental Journey of the Life of Billy J. Vickers". "High Cotton" was sung by Stacey Musgrove; "I'd Choose You Again" was sung by Linda Musgrove. Treda Norwood sang "Little Girl" and Neva Oats sang "Wind Beneath My Wings". The singers joined together to sing "Elvis Medley".

Speakers during the program were Frank Stubblefield and Tommy Corbell, old school mates of Mr. Vickers; Talmadge Morgan, former superintendent; and Harold Cowley, present superintendent.

A student, co-worker and parent, Sherry Gable, was presented during the program. And Tommy Franks, Ricky Franks and Clint Franks were presented as three generations of students that were taught by Mr. Vickers.

Mr. Vickers closed the program with a thank you speech. Following the program, a reception was held in the cafeteria. A decorated cake in-

scribed with "Time Out To Smell The Roses" and punch were served to the guests.

Statement of Intent to Change Rates

In accordance with the regulations of the Public Utility Commission of Texas, Texas-New Mexico Power Company announces the Company's intent to change rates for its entire Texas operations. The effective date of such change is May 18, 1990. All classes of customers will be affected by said proposed changes. The proposed rates will produce an increase in gross revenues to the Company over test year revenues adjusted for test year customer growth and annualization of test year rate increases of \$54,879,334, or 17.00%. TNP is proposing an alternative rate base treatment for Unit 1 of TNP One, the first unit of the Company's generating facility located in Robertson County, Texas. Under this alternative, the costs of Unit 1 will be included in rate base in a three (3) step, ten (10) year phase-in plan. If adopted, the phase-in plan results in an increase in gross revenues of \$43,074,934 or a 13.34% increase over adjusted test year revenues during the first year of the plan. Texas-New Mexico Power Company provides electrical service to more than 163,083 customers located within the state of Texas.

A complete copy of the requested rate filing package is on file with the Public Utility Commission of Texas in Austin, Texas, and with all cities served by Texas-New Mexico Power Company which have retained original jurisdiction. You may inspect a copy of the filing during normal business hours at each business office of Texas-New Mexico Power Company in your area.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

VOTE FOR JIM D. LOVETT

Candidate for Red River County Water District Board of Directors

IT'S THIS SIMPLE!

MORE WATER

MEANS

MORE INDUSTRY

MEANS

MORE JOBS

MEANS

LOWER TAXES

TAXATION DOES NOT STOP IF DIMPLE RESERVOIR IS STOPPED.

The present Red River County Water District (Dimple Reservoir) Board have illegally run up a lot of expenses trying to stop the lake. These will have to be paid anyway and with nothing to show for it! Who says only Washington can waste tax money!

JUDGE GARRISON DID NOT STOP THE DIMPLE RESERVOIR PROJECT.

As a lawyer I can tell you that what he said was there can be a full-fledged trial (even though the board's present lawyer admitted the election to dissolve the board was illegal.) Then he will rule that the lake must be built!

THE TAXING POWER OF THE BOARD IS LIMITED

\$7.2 million was authorized in bonds---no more!! The statement to be placed into the deeds and deeds of trust in the District is required in all water districts in Texas, not just for Dimple Reservoir. The law also provides that any such District can issue an unlimited amount of bonds only SUBJECT TO VOTER APPROVAL (50.301 Texas Water Code). No person can be taxed for anything but if you own land assessed at \$1.0 million you will pay 100 times more than if you own \$10,000. There is no tax if you own no property. That is the way it should be!

Expert Advise--Leonard Spears and Majle Jones ought to listen to their lawyers and engineers. Their lawyers admitted the election to dissolve the district is invalid and their engineers could have had the Dimple Reservoir in an advanced stage of construction right now. If they asked their lawyer he should also tell them that they and the other members of the Board who have failed to carry out the instructions of the majority of the voters in the original valid election are going to have to pay all the additional expenses they have put on the taxpayers for all this nonsense. I wonder how much help the "Boys Down the River" will give them then.

Clarksville has agreed to buy all the water Dimple Reservoir provides and to share it with the rest of the County if an dwhen they need it--this also protects our Red River County water rights from being taken away by another city or county. Having Clarksville buy the water can mean lower taxes, too.

A LARGE DEPENDABLE SUPPLY OF WATER MEANS RED RIVER COUNTY CAN ATTRACT:

NEW INDUSTRY

NEW JOBS

NEW RESIDENTS

WHO CAN HELP US PAY FOR COUNTY SERVICES MEANING;

LOWER TAXES FOR US ALL

THE FUTURE IS NOW

It seems like most of the opposition to Dimple Lake comes from "the good old boys down on the river", wealthy absentee landowners, foreign investors and newcomers with no ties to Red River County. A depressed economy is to their liking as it allows them a plentiful supply of cheap labor. Why should we trust the future of our children to outsiders whose only interest in Red River County is a quick profit?

The attorney for Jones and Spears most assuredly said the dissolution election was a farce and a sham. Else why would Mr. Hines' attorneys be taking depositions from them? It's absurd to state that Jones and Spears do not take marching orders from Mr. Jim Dick Lovett. Of course not! If they did there would not be a million dollar plus lawsuit against each for being derelict in their duties.

Should not the future of our children be decided by Red River Countians?

On May 5th, please vote for Mr. Jim Dick Lovett, Place 9 and Mr. Charles VanDeaver, Place 7, the two candidates who, when elected, will refuse to be puppets who dance and perform for these special interest groups.

Letter To The Editor:

To The Editor:
Red River County is blessed with great natural beauty and resources and some very fine people, but we are plagued with the fact that there are not enough good jobs in the county to allow our children to remain here to build their homes and live here.

Industries that could probably be located in this county, by their own choice and our encouragement, will not locate where ample surface water is unavailable. Wells for water are fine but are subject to drought or failure.

Surface lakes for water are a requirement that most industries require if they are to make a large long-lasting investment in any location.

Lamar County, Titus County and Franklin County are good examples. We might say that we can contract to buy water from outside our county, but we have already been told that in case of water shortages, their home counties will come first. Red River County has a fine place to build our own large lake.

Much preparatory work is already done. Our differences must be reconciled. This lake, Dimple Reservoir, needs to be built.

Dr. Jack Troutt
Bogata, TX

Dear Editor:

It's spring. The time of the year conscientious orchardists prune the deadwood from their trees. Deadwood, besides being unsightly, is uneconomical, unproductive and retards new growth. It also harbors harmful insects, bacteria and fungi.

It's also time for conscientious voters to prune the deadwood from the Red River County Water District Board for some of the same reasons.

The truth is we taxpayers can't stand any more of being stood up for by these people who are now serving on the water board. If these people, who claim to be standing up for us, had been standing up for George Washington, we could very well be paying taxes to Margaret Thatcher today.

We need competent, dignified people like Mr. Lovett and Mr. VanDeaver on the water board. These men have the personality and creditability to deal with the many problems facing Red River County.

If you are concerned about the future of our children and of Red River County, please vote on May 5th for Mr. Jim Dick Lovett, place 9 and Mr. Charles VanDeaver, place 7.

Sincerely,
Jimmy R. Mauldin

TAXPAYERS OF RED RIVER COUNTY NOTICE

ED MILLER, ATTORNEY FOR THE RED RIVER COUNTY WATER DISTRICT (DIMPLE RESERVOIR), HAS NEVER ADMITTED OR SAID THAT THE ELECTION TO DISSOLVE THE WATER DISTRICT WAS INVALID. MR. LOVETT'S COMMENT ON THIS IN HIS RECENT AD IS COMPLETELY INACCURATE. HOW MANY MORE OF HIS COMMENTS ARE INACCURATE ALSO?

Don't be confused by his double-talk in the same ad that stated, among other things, that the Red River County Water District (Dimple Reservoir) has no power to tax any person.

House Bill 829, the law under which the district must operate, states in Paragraph (f), Page 13: IF BONDS ARE ISSUED PAYABLE WHOLLY OR PARTIALLY FROM AD VALORIUM TAXES, THE BOARD SHALL LEVY A TAX SUFFICIENT TO PAY THE PRINCIPLE OF AND THE INTEREST ON THE BONDS. That is taxing power!!!

Further evidence of this power is the instrument now required to be included with the Deed and Insured Title of any real estate sold in Red River County, and signed by the seller and purchaser, which states: "THIS REAL PROPERTY, DESCRIBED BELOW, WHICH YOU ARE ABOUT TO PURCHASE IS LOCATED IN THE RED RIVER COUNTY WATER DISTRICT. THE DISTRICT HAS TAXING AUTHORITY SEPARATE FROM ANY OTHER TAXING AUTHORITY, AND MAY, SUBJECT TO VOTER APPROVAL, ISSUE AN UNLIMITED AMOUNT OF BONDS AND LEVY AN UNLIMITED RATE OF TAX IN PAYMENT OF SUCH BONDS."

The proposed cost of \$7.2 million dollars to build Dimple Reservoir is not a realistic figure and the greater the cost to build it, the more your taxes will be.

GO TO THE POLLS ON SATURDAY, MAY 5th
VOTE TO RE-ELECT
LEONARD SPEARS, PLACE 7
MAJLE JONES, PLACE 9

These men still believe that Dimple Reservoir should be paid for by the people who will use the water, not by all the taxpayers of the county.

Reading Awards Presented To Elementary & Junior High

Students of Bogata Elementary and Junior High School who earned the A.M. Aikin, Jr. Reading Achievement Award for 1989-90 were treated to a trip to Paris Junior College on Monday, April 23.

They enjoyed a tour of the Aikin Archives where they saw their names inscribed in a book listing the winners of the award from area schools. Senator Aikin's sister, Mrs. Esther Aikin Dickey, shared her remembrances of her brother's life with the students. She was introduced by Ms. Daisy Harville, archivist. The students then signed the guest book and browsed among the many awards, pictures and other memorabilia of Senator Aikin and viewed a replica of his Senate office.

They were then treated to a tour of the PJC Learning Center by Ms. Lulane Caraway, Director of Library Services. She also gave each of them a bookmark.

To earn this award, students had to read ten books of certain types and make written reports on them. Each year a student earns this award, he receives a certificate. These certificates will be handed out at the Awards Assembly at the end of the school year. The second year a student earns this award, he also receives a blue ribbon. Those earning a blue ribbon

this year are Josh Belcher, Dru Denison, Jamin Graham, Eric Martin, Lindy Phillips, Amber Spencer and Marla Williams.

The third year a student earns this award, his name is engraved on a plaque hanging in the school library. Those whose names have been engraved on the plaque this year are Norma Jasso, Vance Martin, Elizabeth Scott and Julie Watkins.

Each year a student earns this award after the third year, a star is engraved by his name on the plaque. Those who had a star engraved by their name this year are Brian Hamric and Kelly Sheffield. Also, Kelly's award will have an honors sticker on it because she read two sets of ten books and reported on them. She has also participated in this program every year she has been eligible to and has been an inspiration to other participants.

This reading award is open to students in the fourth through eighth grades. Students earning the award for the first time are Brent Beers, Brooke Belcher, Kelly Brown, Brad Cecil, Mallory Chaloner, Melinda Crawford, Tabitha Martin, Lindy Penn, Kimberly Sheffield, Bryan Scott, Angela White and Charla White.

Mr. Ruby Horn has returned after spending 11 days with her son, Jerry Horn and family in Madera, CA. While there her granddaughter, Vickie Matkins and daughter, Ashlie of Las Vegas, NE spent Tuesday until Friday visiting Mrs. Horn and the Jerry Horn family.

April birthdays were David Zimemrman, Cliff Jones, ANn Roberts, Jeremy Belyeu, James Hall, Pauline Jones, Joyce Fitch, Sylvia Cochran, Evelyn Belcher, Jerry Payne, Vivian Westbrook, Melissa Coil. Anniversaries were the R.W. Weisingers.

Bro. Gary Weaver of Lamesa was guest speaker during both services at First Baptist Church Sunday. His wife, Carrie, daughters, Amy and Amber, were with him. The couples class furnished the meal in the fellowship hall following the services. In the afternoon they took the church van and drove Bro. and Mrs. Weaver and girls around the Talco and Mt. Pleasant area, including the Bob Sandlin and Monticello Lakes. After Bro. Weaver's message that evening, the church participated in the regular fifth Sunday singing.

Nadine Caldwell has returned home after a visit with her daughter, Gayla, and grandchildren, Chad and Shana. She was a guest of her sister, Irene Johnson at a retired teachers luncheon in Richardson. They enjoyed a member's slide presentation of his visit to China. She met a 1940-41 teacher from Talco High, Frances Comett, who taught English and speech. Mrs. Caldwell also attended a Garland School Board meeting to see her granddaughter, Shana, receive a certificate of recognition from the board for being a grand prize winner in the recent science fair.

JOEY SOUTHERN competed in field events last Friday at the Talco-Bogata track meet. Only a few traces could be held be-

fore rains came and the remainder of the meet had to be cancelled. (Staff Photo by Nancy Brown)

Cuthand News

By Linda Eilers

Did you know that the community of Cuthand got its first telephone in 1907 or 1908?

Lynn and Barbara Golden are the parents of a 7 lb. 4 oz. boy, born April 22. He has been named Vance Lynn Golden.

Mae Eudy of Johntown and Fannie Eudy of Bogata visited Sunday with Milt and Elvis Wooten.

Buddy Rushing has been an out patient at the VA Hospital in Dallas. He was scheduled for a bone marrow biopsy on Monday.

Ricky and Ferby Baird went to Dallas Saturday to visit Jim Branch, a patient in Baylor Hospital. He had four by-passes Friday and is reported to be doing real well and was expected to be moved from ICU on

Sunday.

Leroy and Letha Boyett visited Milt and Elvis Wooten Saturday.

Wanza Sheffield was the winner of the 1/2 beef given at the Cuthand Fire Department supper last weekend.

Tina Smith spent Saturday night and Sunday with Amanda Durock.

Cami Eilers was in Dallas last Wednesday for a check-up for her scholiosis, she got a good report and will go back in six months.

Lonnie Sheffield and his son visited his mother, Wanza Sheffield and his sister, Pat Durock, this week.

Don't forget to call Linda Eilers at 632-4530 with your news. This is the only way some people have of keeping up with Cuthand. Please call.
