

There are various ways to be awakened, the best, of course, being in one's own time, at one's own pace with no rush, and no place to have to be.

Tuesday morning at our house, that wasn't the way it was.

The first thing to awaken me was the stench ... an overpowering, absolutely horrible odor. In the depths of my fuzzy-headedness I pulled the sheet across my mouth and nose and tried to go back to sleep. But the smell became worse, and gradually it began to dawn on my sleep-numbed mind that all was not as it should be.

Opening my eyes I stared out the window at blank gray fog.

For a moment I wondered if Saddam Hussein had managed to bomb the entire United States with some sort of poisonous gas...the smell was that strong.

I got up but was unable to locate the sorce of the overpowering odor. About that time Thomas returned from the barn, where he had gone to feed the calf.

"Ohhhhh NO " he moaned, approaching the house.

"Skunk?" I queried. "Big time skunk" he replied,

wrinkling his nose. I informed him that if he thought it was bad outside he should go in the house and take a whiff.

Both of us realised immediately that our little Scottish terrorist, Fergus, was missing.

You remember Fergus don't you? The West Highland White Terrier who was taught such a lesson by the gander?

When just a little fellow he had circled a skunk yapping, gotten lightly sprayed, and we figured he had learned one of life's valuable basic lessons.

Not so.

# **Bogata PTO Has Fundraiser** The Community Will Like!!

This year the Bogata PTO will be taking orders for the birthday community calendar. The PTO hasn't done a calendar since 1983 and felt this was something that the people of Bogata would be interested in.

For \$.50 you can put your birthday, anniversary, church dates, school events, social events, etc. on the calendar.

The school children in grades K-8 will be calling you for orders. If one does not contact you, you may call Rue Ann aBell at 632-5885, Kathy Williams at 632-5048 or Freda Jean at 632-5981 and they will come by and get your names.

Businesses will be able to buy advertising for \$15.00. This is inex-

pensive as it will be in someone's home for 12 months.

When you buy a name, give the PTO an estimate of how many calendars you might like to buy. Do not pay for the calendars at this time. This is only to have an idea of how many will be ordered. The calendars will be on sale for \$5.00 at a later date. These will make great Christmas gifts.

The PTO will turn the money in at the Elementary School on October 15 and at the Junior High on October 17.

You may go by the Movie Shop and give your names to Julia Childres. The child selling the most names will receive a \$25.00 gift certificate

sells the most calendars will receive a \$50.00 gift certificate from Wal-Mart.

The purpose of the PTO is to bring into closer relation the home and school; that parents and teachers may cooperate intelligently in the education of children and youth; to promote the welfare of children and youth in home, school, community and place of worship; to raise the standards of home life.

The second PTO meeting will be held in the Bogata Gym October 8. Mrs. Neva Jean Oats will present a musical program. Everyone is invited to attend.

The Bogata V.F.W. Post 8187 has ers who will contribute their time donated a 10-speed boys or girls bicycle to the first place winner of the Bike-A-Thon to be held October 13, Saturday, beginning at the Bogata Cemetery.

Searching around for him, we heard a faint gagging, whimpering sound. Fergus was under the house.

Apparently he had chased the skunk under the house, then around and around until he was soaked in skunk spray!

We brought out a very dejected little dog, but spent no time looking to see if the skunk was still in residence.

We don't know if the skunk is still there, injured, dead or what! The house stinks so bad we

may not be able to sleep in it tonight! As an awakening method, I

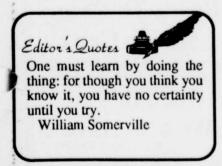

don't recommend it.

As a start to one's busiest day of the week, I don't recommend it.

However, it did bring to mind a thought. That poison gas idea...why not? All natural, organic warfare! Just drop a few skunk scent bombs on Saddam Hussein! After all, that's what I thought he had done to us for a while.

It wouldn't kill anyone ... but it would surely make life so unpleasant he would capitulate!

In the meantime though...does anyone have a spare house they'd like to loan us...ours isn't too nice right now.

By Gerrie Bankhead

By Gerrie Bankhead This new article will be dedicated to everyone who likes to eat. Hopefully, no one will be left out. I am very excited about writing this article and I hope everyone enjoys reading it. First of all, I will give you a little background about myself. I live in Cunningham with my husband, Clyde, and our three children, Jerrod, Kristi and Chance. We are members of the Life Tabernacle Church. I teach business Education at Paris High School.

This week, I decided to share with you two dessert recipes which are very easy, quick and delicious. The first one is "Fried Apple Roll-ups", I usually use apple as my fruit, but you may use whatever you like best.

Fried Apple Roll-Ups Ingredients:

\*One 20 oz. can of apple pie filling. Put in sauce pan with 1/2 cup sugar and heat. \*Approximately 12 flour tortilla shells. Put a small amount of heated apples in shell and roll up. Deep fry, turning once, until golden brown. Sometimes I stick a toothpick in to keep them from unrolling. When brown, sprinkle with powdered sugar. Yield: Approximately 12 roll-ups. Preparation time: About 15 minutes.

The next recipe is Cherry Cobbler. This is also a simplified version of a cobbler, but very delicious.

Ingredients: \*One can of Cherry Pie filling. Place in saucepan adding one can of water and sugar to taste. I like mine sweet.

\*Add two tablespoons margarine. Heat and boil for a few minutes. \*A box of Pillsbury All-Ready Pie Crusts contains two flat sheets of pie crust. Unfold and cut into strips. In long casserole dish, place three or four strips on bottom, pour half of the fruit and juice, another layer of crust, then remaining fruit and juice, top with remaining crust. Sprinkle sugar and some butter on

Bake approximately 45 minutes at 250 degrees or until top crust is lightly brown. Eat plain or top with ice cream or cool whip. You may substitute any kind of fruit.

approaching, we need new recipes to share with our readers, so please contact me soon. Also, I am trying to think of a good title for thi article, so if you have any suggestions, please call.

Rivercrest

VS

Harleton

Away - 7:30

By Keye Lee The Rivercrest Rebels yielded to Maud last Friday night in Cardinal territory, 7-6.

The game was basically even in the first quarter and the Rebel confidence and spirit was on the move. Quarterback Ronald Simmons started the game by running the ball. John Smith, Scott Yancey and Shane Beers rushed for good yardage, but were stopped short due to penalties.

Maud quarterback, sophomore Sean Alexander, took possession on their 35-yard line, tried running the ball unsuccessfully, as Rebel linebacker Russell Ward and teammate Clint Burns prevented fullback John Hancock from gaining enough yardage for a first down.

Rivercrest took possession with 6:00 left in the first quarter and found Simmons moving the ball successfully on the ground and in the air, hitting David Jones, resulting in a 25-yard gain. However, on the next play, Rivercrest fumbled the ball and Maud took over with 1:26 left. The Rebel defense played excellent ball and held the Cardinals to no score at the end of the first quarter.

Second quarter play mainly belonged to the Maud Cardinals. Rivercrest's defense was tough, causing the Cardinals to fumble the ball twice, with the Rebels recovering. Quarterback Alexander passed to John Brown for 55-yards and Rebel Matt Childres pulled him down on the Rebel 10-yard line. The Cardinals went ahead and scored with 6:36 left in the half. The extra point conversion made the score Cardinals 7-Rivercrest 0.

Rivercrest's offensive team was destroyed by penalties causing them to punt the ball away. The defense made up of Russell Ward, Jesse Wood and Jonathan Savage, sacked the Maud quarterback Sean Alexander twice for a loss of 23 yards and holding the score going into the halftime.

The Rebels offense dominated the third quarter with senio quarterback, Ronald Simmons striking his targets, David Davidson and Scott Yancey for good yardage, moving the Rebels into the Cardinal 10-yard line territory. Rebel Binky Jackson carried the ball into the endzone for thetouchdown with 4:35 on the clock. The two point conversion failed and left the score 7-6 in favor of Maud.

The Cardinals offensive team was stopped by the Rebel defense, forcing them to punt the ball away.

The Rebels had two more chances at scoring as Jesse Woods field goal attempt went wide and Binky Jackson was stopped short on a fourth down by Cardinal John hancock.

Fate took over as the clock ran out with the Cardinals claiming the win.

Coach Tommy Jo Green stated "They did a good job and played better than any other game. They played well defensively and moved the ball well. This program is still approximately two years away." Team Statistics Maud Rivercrest

Junior High Rebels Have Victory Snatched Away

Thursday at Rivercrest only to have victory snatched away from them.

The young Rebels came out fighting and held a 16-14 head at half time. Joe Grissom and Yaphet Darnell carried the ball into the endzone for the early scores.

The junior high cheerleaders kept the spirit up with a halftime dance routine to "Can't Touch This." When play began again, Maud dashed in to make th score 20-16, Maud.

In the following Rebel possession, they couldn't gain ground andturned the ball over only to regain it with a blocked punt and one minute and one second left on the clock in the third quarter.

The ball see-sawed during the fourth quarter, but with two minutes left, and Maud in possession fo the ball, first downs were hard for the young Rebels to stop. At 1:55, the Rebs forced a fumble and recovered

The Junior High Rebels met Maud the ball. Although they gained no ground, they killed the clock to :21 seconds.

The Rebels punted on fourth down, into the hands of Maud's only scorer and with five seconds left, he reached the endzone and scored.

During this heartbreaker, the Rebs blocked two punts, forced four fumbles. Outstanding plays were made by Joe Grissom, Yaphet Darnell, Kyle Kennedy, Clint Franks, Kevin English, Chris Waller and Jeremy Loggins, plus the entire eighth grade team.

The seventh grade Rebs took the field for a scrimmage following the nerve-wracking game and the youngest Rebels made the fans feel better. The seventh grade team led by quarter back Jonny Southern also showed their stuff. Jay Hancock dashed for three touchdowns, Maud countered with two, but when time expired, one Rebel team walked off the winners.

# Deer Hunters Seminar Set In Mt. Pleasant

The annual Deer Hunter's Seminar sponsored by teh Texas Agricultural Extension Service and the Titus County Extension Service Natural Resources Committee is scheduled for October 23 at the Titus County Civic Center in Mt. Pleas-

ant. "The committee has put together for area an outstanding program for area hunters and landowners", said Dick McCarver, Titus County extension agent.

"Numerous education exhibits and displays, as well as booths with sporting goods and related items will be open for viewing at 5:30 p.m. The formal program begins at 6:30 p.m.."

"Clothes for the Hunter" is sure to be a popular topic. Ted Ryc, Walls Industries, and Bob Stover, Spartan Realtree, will discuss camouflage patterns, new miracle fabrics and insulation qualities of various products available in today's outdoor wear for hunters. Information presented should give hunters a better understanding of how to be invisible to wild game and how to stay warm and dry in the process.

"The Art of Growing and Taking Big Bucks" is the topic of Larry Varner, Ralston Purina Co. and former extension wildlife specialist. This presentation focuses on locating, keeping and harvesting big deer. If you enjoy seeing lots of big bucks, Varner's slide presentation should have you on the edge of your seat. Hunting laws and regulations will

be discussed by Skip McBride district supervisor, LTexas Parks and Wildlife Department Law Eforcement Division. The TP&W will have a booth where hunters can get answers to specific quetions.

Dr. James Dixon, director of the National Wild Turkey Federation, will give an update on the restocking program of Eastern wild turkeys. His presentation icludes turkey calling tips which McCarver says wilhave hunters strutting in the aisles.

Herb Chambers, Texas fieldman for the National Rifle Association, will discuss "Gun Owners Rights--a Legislative Report", and "The Pro-Hunting Movement". His presentation will detail what hunters can do to counter legislative threats to gun ownership as well as attacks on hunting by animal welfare groups. "The whole family can attend this

program," McCarver said.

Special door prize drawings will be held for younger hunters and ladies. LArea merchants have donated many door prizes including gift certificates, rifles, knives and many other sporting goods items."
