

**By Nanalee Nichols** I was cleaning out my purse the other day, and came across my notebook.

The slip of paper in my little notebook read:"Soap-charts. Bldg. burial m's, dog walk bldg....big rug...7-8.

History. JD...excellent this year"

Hmmm...sure wish I knew what that meant!

Then there was the little jotted item that reads" G&T May 2nd..dead"

Under that is a simple message reading "pix ... all ... wk".

A little reflection brings on the thought that my notes don't make a whole lot of sense to anyone but me. They are "memory kickers" instead of information.

The soap-charts, etc. message translates to: The 7th and 8th grade classes taught by Juanita Davis have completed their Texas history projects this year. They range from soap carvings, maps and charts, toburial mound replicas and a model of an old fashioned home with a dog walk, plus handwoven rugs. The quality is excellent on all the projects this year.

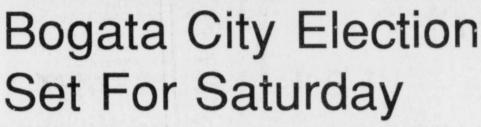

Simple, eh? Only if you are famliar with the way my mind works...and I'm obviously the only person even remotely able to claim that!

G&T means that the gifted and talented program deadline needs to be mentioned as May 2 in the story in the paper.

I put notes into my computer all the time that way...they are in a folder marked "Nanalee"s Secrets" which, naturally means that everyone has to take a peek!

It doesn't matter if they look, of course, not only are my secrets. shallow and light (instead of deep and dark) but no one can read the notes.

That computer folder has little

## **Statement of Intent** to Change Rates

In accordance with the regulations of the Public Utility Commission of Texas, Texas-New Mexico Power Company announces the Company's intent to change rates for its entire Texas operations. The effective date of such change is May 17, 1991. All classes of customers will be affected by said proposed changes. The proposed rates will produce an increase in gross revenues to the Company over test year revenues adjusted for test year customer growth and weather and annualization of test year rate increases of \$35,836,827, or 9.63%. TNP is proposing an alternative rate base treatment for Unit 2 of TNP One, the second unit of the Company's generating facility located in Robertson County, Texas. Under this alternative, sale-leaseback treatment will be given to Unit 2, thereby including a lease payment in the cost of service, as opposed to traditional rate base treatment. If adopted, the sale-leaseback plan results in an increase in gross revenues of \$31,210,197, or an 8.38% increase over adjusted test year revenues during the first year of the plan. Texas-New Mexico Power Company provides electrical service to more than 165,011 customers located within the state of Texas.

### Growing Turf In Shade Is Perennial Problem

#### By Paul D. Payne

Shade is desirable in the landscape, but it is the number one problem in growing turf grass. We constantly receive questions on this topic, so we checked with Texas A&M University for their latest thinking. The following comments are those of Dr. Richard Duble, turf grass specialist.

Thee are a lot of situations where you just cannot grow grass in the environment that you have. Environmental changes caused by shade have a major effect on grass. Reduced light, less extreme temperatures, increased humidity, restricted air movement, competition from trees, increased disease problems and shallow root systems are all products of shade.

Grass in shade has less ability to use nitrogen, less photosynthetic activity, less growth, less wear tolerance, more susceptibility to pre emergent herbicides and less tolerance to cold.

The problem is not fertilizer or water, it is light. To grow turf in the shade, you must have a shade tolerant grass.

Bermuda and buffalo grass have little shade tolerance. San Augustine is probably the most shade tolerant warm season grass, followed by centipede and zoysia. Tall fescue, a cool season grass, will grow in moderate to heavy shade where San Augustine fails.

In many heavily shaded areas, it is best to use ground cover plants or othe rlandscape materials rather than wasting time and money trying to go against nature.

Start with a grass variety suitable for shade, raise the mowing height, water deep and infrequently, apply nitrogen moderately in fall and spring and avoid high nitrogen applications in the summer.

### Lady Rebels Travel To Emory SLATON FURNITURE **APPLIANCES CARPET & VINYL & FURNITURE East Side Square** Clarksville, Texas

To Suffer 5-4 Loss The Rivercrest Lady Rebels traveled to Emory on Monday, April 29 to play the Rains County girls team. The game went score for score

until the top of the seventh inning when the RHS girls couldn't score and break the 4-4 tie.

Rains came back with a strong base hit in the bottom of the seventh to take the win, 5-4.

### **Liberty National Bank** Paris, Texas

This time of year everyone thinks about home improvements ... landscaping, adding a room, a garage, patio, deck or maybe even a pool. Or perhaps you just want to replace the house.

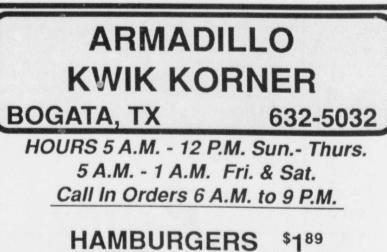

It's a great time to do it. Interest rates are down and Liberty doesn't charge points up front, so you don't pay interest up front.

And at Liberty National, being an independent bank means we can tailor your loan to meet your individual needs.

Liberty National, we're your bank.

### Partners In Excellence Program Held In Bogata Schools

Bogata Elementary and Junior High School has completed participation in the Partners in Excellence reading program, sponsored by World Book Encyclopedia.

The program began after Christmas, and students were asked to sign up sponsors to pledge an amount of money to be paid for each book they read. Then they began a seven week reading period to meet their reading goal. At the end of that time, students returned to their sponsors to collect the money pledged. Student efforts brought in \$3,144.30 to which the school added \$663.70. World Book matched every \$2.00 with \$1.00.

The school was able to buy four sets of Childcraft and nine sets of 1991 edition World Book Encyclopedias to be placed in the classrooms at a total cost of \$5,711.00. Some classrooms earned more than was needed to purchase their set of books and were willing to share with other classrooms. In the first volume of each of the sets of books will be placed a special dedication page with the names of all the students who helped earn the books.

Assembly was held Monday, April 22 to recognize those students who participated in the program. Certificates were presented to all 129 participants. Students who read at least ten book with ten sponsors were presented a gold medal on a red. white and blue ribbon. Students who read at least eight books with eight sponsors were presented a silver medal on the same kind of ribbon.

Three students were recognized

Kaylan Bell, Nicole Hervey, Eric Aldridge, Misty Garretson, Debra Janes, Sabrina Lowry, Aaron I Martin, Andrea Palmer, John Ross, Brennan Russell, Lisa Shirley, Tiffany Shupp, Dani Brown, Kim Brown, Jason Freelen, Katie Hare, Chase Huddleston, Tyc Mankins, Brooke Belcher, Danny Fincher, Jody Gray, John Green, Kimberly Sheffield, Brad Cecil, Angie DeBerry, Jeraci Guest, Cortney Huddleston, Brandi MArtin, Tabitha Martin, Bonnie Phillips, John White, Rhonda Brown, Lindy Phillips, Jason Sears, Erric Martin, Brian Hamrick, Lee Elrod, Juan Torres, Jamie Henry, Tina Smith and Karen Harper.

#### It's Time We Get "Serious" About The Education Of Students In Our School District

Lester Watts.

The maximum responsibility rests on the Principal, the Teacher and the Parent; who must have greater involvement and cooperation among themselves and they must have the support of the local school board of trustees.

Parents and all tax payers should be encouraged to participate in and support our local schools.

With all of us working together, our students will get a better education. I will work and cooperate with all to improve the education of each student n our school district.

I would appreciate your support and vote Saturday, May 4th for school trustee of the Talco-Bogata Schools.

It's a fact! You MUST begin dialing the (903) area code to successfully complete telephone calls to numbers in most Northeast Texas communities beginning May 6, 1991.

Beginning that day, you will no longer be able to use the old 214 area code to dial numbers that are now a part of the new (903) area code. If you forget and dial 214 to make a call to a number in the (903) area code, you will hear a recorded message telling you to redial the number using the (903) area code or the call cannot be completed. It's as simple as that, but don't forget to:

• Change the area code designation on your checks, stationery, business cards, vehicles, calendars, ads and all other printed materials...notify friends, relatives, customers, suppliers and associates.

• You may also need to reprogram or modify some of your telephone equipment. Reprogram automatic dialing devices, FAX machines and computer modems with the (903) area code so special features such as speed calling and call forwarding will perform properly.

Your phone rates won't change ... and your seven-digit phone number will remain the same. So...make a note...Beginning May 6, dial area code (903).

# **Texas-New Mexico** Safety Fair Is May 2

An electric arcing demonstration onstrations will be one of the most that has received favorable comments vivid reminders of the need for safety throughout Texas-New Mexico Power Company's service area will come to Bogata May 2 during the company's safety fair.

The safety fair is free and open to the public and will be held from 9 a.m. until 4 p.m. at TNP's Bogata Construction Center on Highway 271.

The electric arcing demonstration will be presented at 10 a.m., at noon and at 2 p.m., using live electricity to dramatically demonstrate the dangers of electricity.

TNP has presented the demonstration in variosu towns it serves and has received favorable comments from those attending. "Excellent" and "educational" are two words that have been used in many of the thank you letters TNP received concerning the program.

Although the electric arcing dem-

during the fair, it certainly won't be the only one. Exhibits at the fair will also provide information about highway safety, hunting andfishing safety, fire protection and other ways to prevent accidents and injuries.

In addition to TNP, exhibitors include Contel, Deport Fire Department, American Red Cross, Red River County Extension Agency, St. Joseph's Hospital, Texas Department of Public Safety, Texas Parks and Wildlife and St. Michael's Hospital.

The fair will also feature an exhibit of the winners of a safety poster contest sponsored for students in first through fifth grades at five area elementary schools. The school winners will be on display at the fair, and a grand champion will be selected from the five school winners. The grand champion will receive a bicycle.

in Garland. There were many interesting people on his route. The children referred to him as Captain Kangaroo, there was a blind older lady on his route who trusted Jack to write her checks for her bills because she had no one else to trust. Jack loved his letter carrier routes, but the heat was too much, so he then became a supervisor. He was also the President we add comfort to our lives as they do of their Union. Dallas. All reports are good.

Jack is many other things besides being a good postmaster. He is also an Army war hero, receiving a Purple Heart, Korean Unit Citation, National Defense Medal, Korean Service Medal with one bronze star and the U.N. Medal during the Korean War.

He's modest about his honors and remembers the only homecoming he received was from an old lady passing out stale doughnuts to the soldiers. A lot has changed since then.

Jack is a strong member with the Bogata Lions Club. He donates as much time and energy as possible to the Club. Whenever there is a need for the Lions Club, you can bet Jack is right in the middle of it making a difference.

It's going to be hard to replace Jack as a Postmaster. He hopes that he will be remembered as a man who did his job. I think he'll probably be remembered for a lot more than that.

Thank goodness he and Jackie plan to always be a part of the community. Jack feels Bogata is like "an old shoe; it feels good." It's nice to know that

mation in observation of Na-

tional Teacher Day on May 7. In

announcing the local observance

Mrs. Strawn noted "teaching is

one of the most future-oriented

of all occupations. Classroom teachers are charged with preparing today'

s young people for the society and economy of the next century. How well they do that will determine the future of our community and our nation". (Staff Photo by Keye Lee)
