Worth

By Nanalee Nichols

I don't know much about babies. To me they are a source of awe, and some fear. I've raised raccoons, puppies, kittens and baby owls in my time, but I've never in my life spent more than a few hours around an infant human.

When they smile and goo I'm as charmed as anyone. When they cry, I have these awful guilt feelings that I must have done something terribly wrong to cause the poor thing to be so unhappy.

Weekend before last my niece and her husband brought in their two-month old son.

While grocery shopping for the weekend the girls at the store were joking about coming to eat with me. It was fairly obvious that I was buying more groceries than just Thomas and I could consume.

I explained that I was giving a wedding luncheon for one niece, and another niece was coming in with a small baby in her family.

"I think I've gotten everything together, and it's all well in hand" I said, confidently, "the only thing I don't have is a baby bed. I don't quite know what to do with a two-month-old".

One of the store employees looked at me in astonishment.

"All you have to do is empty a nice big drawer out of a chest of drawers" she said, obviously amazed at my ignorance.

That's exactly what I did, too.

When I got home I emptied the bottom drawer out of the guest room chest, put in a quilt, covered it with a pretty flowered pillow case, and there was a safe, secure baby bed for an infant!

It set me to thinking about all the little tricks and bits of knowledge about baby raising that must be floating around out there.

In an age of disposable diapers and pre-moistened wash cloths...there's still room for all those old-fashioned, but perfectly functional ideas about raising children!

When my niece and her husband arrived and I told them what I had fixed up for little Bryce they were charmed.

And, what's more, there was an added bonus.

Because little Bryce had his picture taken in that drawer, which had belonged to his great-great-grandmother and grandfather.

He laid his head that night on a quilt made by his great-grandmother. And while his parents visited with his great-aunt and uncle we all felt secure about him, because of a neat little "baby monitor" sitting beside us that allowed us to hear his every move and sound! Truly a blend of high tech and old-fashioned!

What a lovely sight he was, tucked in there, surrounded by the continuity that makes up "family".

And, he slept very, very well there, too, I might add!

Governor Proclaims Fire Prevention Week

Citing the loss of 271 lives and almost \$350 million in property damage to fires during 1990, Gov. Ann Richards has proclaimed the week of October 6-12 as Fire Prevention Week in Texas and announced her appointments to the new Texas Commission on Fire Protection.

"Fire continues to be a major threat to all Texans, particularly the very young and the very old," Richards said. "Our intention is that by focusing attention and resources on this problem, we can increase the safety of all Texas citizens and fire service personnel."

Fire Prevention Week was first declared by 1922 President Warren Harding in memory of the so-called "Great Chicago Fire" on October 9, 1871. That conflagration killed 250

people and destroyed 17,430 buildings valued at the time of \$168 million. Recognizing the limitations of even the best fire suppression capabilities, the public and the fire service began thinking in terms of fire prevention as a result of the Chicago fire.

The creation of the Commission on Fire Protection will be an important tool in addressing the fire problem in Texas, Richards said. The commission, which was established by legislation passed during the 74th session of the Texas Legislature, combines several state functions that deal with fire service. The agencies or agency divisions that will be part of the commission are: The Office of the State Fire Marshal; The Commission on Fire Protection Personnel Standards and Education; The Fire

Department Emergency Board; The Town Rating Unit of the Texas Department of Insurance.

"Combining the functions of these agencies into the Commission on Fire Protection will enable a more direct, efficient approach to aiding fire departments and related organizations," Richards said. "This will ultimately benefit all citizens."

The commission is composed of three chiefs from fulltime paid fire departments; three firefighters, including at least one actively involved in educating the public on fire prevention; three persons who are volunteer fire chiefs or volunteer firefighters; one certified fire protection engineer; one certified arson investigator; and one fire service instructor from a college, university or junior or community college.

The All-You-Can-Eat supper, along with a 30-30 rifle to be given away, should bring in enough funds to complete paying off the debt.

Country Cooking

By Gerrie Bankhead

The Country Cooking column is coming to you this week from the kitchen of Mrs. Bell Borders. Bell has lived in the Cuthand community for the past 27 years. She and her late husband are the parents of two sons: Tommy and wife Charlene of Deport and their two children and two grandchildren; and another son, Danny and his wife, Laurie, with their three children from Post Oak.

For the past 15 years, Bell has worked in health care. Recently she began working in her home, so now she gets to enjoy staying at home and fixing up around the place. Bell says she is always busy. She loves to feed and water the hummingbirds, crochet, quilting, fishing, playing 42 and cards, entertaining, yardwork, gardening, growing hanging baskets and all different kinds of cactus plants.

Bell's most recent hobby is quilting. Since she began this hobby, she has made three quilts and is thoroughly enjoying it.

Planning and preparing family reunions and having company is such an enjoyment for Bell. She loves to have parties and get together at her home. At the time I visited, she was preparing for a huge family reunion and was expecting her brother and his family to arrive soon from Houston. She was expecting about 90 people for the reunion.

Bell likes to fish and so do her sons. She says she's into the luckiest person when it comes to fishing. She usually holds her pole and whoever she is fishing with does the catching.

Bell and her late husband have several trophies on display they won playing 42. In the past she has enjoyed bowling but has had to slow down quite a bit. Bell said her dear aunt, Maudie, taught her to play 42, to sew, to drive and to cook. She is sharing three pie recipes this week that were her aunt's. Bell is a member of the Temple Baptist Church in Clarksville.

The Cajun Bean recipe is an original of her own. She put it together about three weeks ago and has served it several times since and received many compliments on it.

The Spanish Sponge Cake recipe is one she took from a Lubbock newspaper in 1956.

I still have not heard from the Old Fashioned Tea Cake request. Please keep looking.

I am also sharing two recipes I received from Leah Carrell, Scotchies and Callie's Sweet Potato Pie. We hope you enjoy them.

If you've enjoyed the article, request a recipe or have a recipe to share or suggest a feature, please call 652-6032 or write Rt. 1, Box 67A, Deport, TX 75435.

Smile! It's your day!

District Wins Achievement Award

Employees of the Texas Department of Transportation's Paris District were honored recently at the department's Highway Beautification Awards ceremony for their efforts to protect the environment.

The Environmental Achievement Award was accepted by District Engineer Bob Myers, who oversees Delta, Fannin, Franklin, Grayson, Hopkins, Hunt, Lamar, Rains and Red River counties. The award is given to a district that has strived to preserve and protect native plants, animals, wetlands or the natural topography.

The district worked for eight years to eradicate erosion that followed the construction of FM 409. Sediment from the area was spilling into Lake Davy Crockett, a favored fishing hole. The sediment was covering aquatic vegetation, which is vital to crappie and bass fish survival.

The winner of this year's top award, James Morgan of Mills County, received a plaque and \$1,000. First runner-up, Michael Reagan of Jacksonville, received \$500.

Rebel Sports Report

RC's Homecoming Falls To Harleton 42-22

By Marian Green
Friday night's homecoming was marred by the Rivercrest Rebel's defeat against Harleton 42-22, for a disappointing loss. Things seem not to be falling in place for the Rebels.

In the first quarter, there was no scoring by either team. But the Rebels played very good defensive ball. With the first quarter having to come to an end, Harleton began to play better ball.

Tyrone Johnson scored for the Wildcats first. Then the dominant force for the Cats was Melvin Williams, who scored the remainder of the Wildcats' touchdowns.

Dean Tiffie gained 12- yards for 16 carries and for two touchdowns. He scored in the third and fourth quarters.

THE RIVERCREST REBEL JV Wake Wood gave the group a pep talk during one of their time-outs, played Chisum last Thursday night, winning another game. Coach (Staff Photo)

Johnson-Patton Exchange Wedding Vows

The double-ring wedding vows of Shara Gwyn Johnson and Matthew David Patton were exchanged in a formal ceremony at 3 p.m. at the East Grand Baptist Church in Dallas on September 21. The Rev. Russell Peary officiated.

The bride is the daughter of Mr. and Mrs. Joe Bob Johnson and the granddaughter of Irene Johnson and the late Cecil O. Johnson, formerly of Talco, and Mr. and Mrs. Carl Wafford of Arkansas.

The bridegroom is the son of Mr. and Mrs. Charles Patton of Garland and the grandson of Mrs. Frances Patton.

The bride was escorted to the altar by her father and given in marriage by her parents.

The ceremony took place before the altar decorated with baskets of commadore palm leaves, two baskets of stargazer lilies, white roses, baby's breath and gladioli stood on either side.

For her wedding, the bride chose an original San Martin bridal gown.

Maid of Honor was Bliss Wakefield. Bridesmaid was Alyson Johnson, sister-in-law of the bride of Asheville, NC. They wore tea length mauve taffeta dresses with floral waists and pleated off the shoulder necklines. Each carried bouquets of stargazer lilies, white rose buds and baby's breath. Shana Dodd, cousin of the bride of Garland, was flower girl. She wore a tea length dress of mauve taffeta with a floral waist with full taffeta sleeves. She carried a bouquet of white rose buds and pink baby's breath.

Best man was Mark Patton, brother of the groom. Groomsman was Russell Herron, cousin of the groom. Ringbearer was Timothy Herron, cousin of the groom. Ushers were Mike Johnson of Asheville, NC, brother of the bride and Michael

Schaffer, cousin of the groom. Family pews were marked with mauve taffeta bows.

Wedding music including the traditional wedding march was provided by Mrs. Sylvia Green. Mrs. Laura Peary was vocalist and sang "Wings Beneath My Feet."

A reception was held in fellowship hall of the church following the ceremony. The tables were covered with mauve cloths centered with baskets of assorted flowers and mauve ribbons. Punch, fruits, a variety of cheese and nuts were served. The four tiered bride's cake, made and decorated by Gayla Dodd, cousin of the bride, featured clusters of lilies, pink rose buds and tiny arrangements of multi-colored flowers. Serving at the bride's table was Devana Patton, sister-in-law of the groom. Shelly McElroy served punch.

The groom's cake was also made and decorated by Gayla Dodd. The cake, by special request of the groom, was his mother's strawberry cake recipe. The cake was a replica of a water slide at Wet 'N Wild, complete with water slides, a wave pool and little people in swim suits on tubes coming down the slides. The cake was served by Kim Frazier.

Two hundred people attended the reception. The couple planned to honeymoon in Hot Springs and will reside in Garland where the groom is employed at Wet 'N Wild and the bride is attending beauty school.

A rehearsal dinner was hosted by the parents of the groom at Furr's following the rehearsal.

Several showers were given for the couple. Mrs. Devana Patton was hostess for a Patton family shower; Mrs. Dodd held a shower in her home in Garland; and the maid of honor gave a shower at her home in Dallas.

Mrs. Shara Patton is a niece of Nadine Caldwell.

Keeping Healthy

Extra Vitamins

Many people know that their diet is reasonably well balanced, but turn to supplementary vitamins as a safeguard, on the theory that you can't get too much of a good thing. Generally speaking, it is true that supplementary vitamins are harmless though unnecessary. In most cases, the body absorbs only the amount of vitamins it needs. There is, however, definite evidence of harmful effects from excess dosages of Vitamins A, K, and D, so they should not be used in large doses.

There is another danger in relying on supplementary vitamins. Many people believe these vitamins meet all their nutritional needs. People who are careless about their intake of food feel that they can set everything right with a couple of capsules from a bottle. This could not be more wrong. For example, if you consumed a diet without enough protein and relied on supplementary vitamins to keep you healthy, you would soon develop serious problems.

3 good reasons to buy a high efficiency heat pump now

Comfort

Year-round savings

Up to a \$275 rebate

If you need a new central heating and cooling system, consider choosing the year-round comfort and energy savings of a heat pump.

Only a heat pump can heat and cool your home efficiently.

As an added incentive to buy a heat pump, Texas-New Mexico Power Company will pay you a rebate of \$275 for purchasing a heat pump with a Seasonal Energy Efficiency Ratio (SEER) greater than 12.0. Smaller rebates, starting at \$200 for heat pumps with a 10.5 SEER, are also available.

Rebates are also available for high efficiency central air conditioning units.

NEW FACE- Margie Walker is the new secretary for Red River Haven Nursing Home and is shown (cast in Familiar Faces). (Staff photo by Denise Wood)

Familiar Faces
By Denise Wood

This week's Familiar Face is Margie Walker. She is the new face at Red River Haven Nursing Home where she was recently hired as secretary—where she will be doing general office duties and the payroll.

For the last five and a half years, Margie has done the bookkeeping for KPLT in Paris and she is still working part-time for them. She is enjoying the new job at Red River Haven because it is closer to home and she is around people she knows.

Margie was raised in the Bogata area by her parents, Ennis and Nettie Moore. In 1980 she and her husband, James, moved back to Bogata with their two daughters, Kathy and Kim, from Mesquite. They wanted their children to grow up in a smaller town.

Today Margie is an active member of the Cuthand Community. She is the secretary/treasurer of the Cuthand Cemetery since 1985. She and James have no plans on moving. They are members of the Johntown Missionary Baptist Church.

With her good nature and charming ways, Margie should fit right in at Red River Haven Nursing Home. It won't take long for her to become a familiar face.

Park Fund Is Growing Daily

The Bogata Park Fund is growing daily as friends and neighbors want to sponsor a place that Bogata and the surrounding area can be proud of.

Bogata is most fortunate to have this opportunity to develop such a place that not only this generation can enjoy, but future generations will also enjoy.

A group of people made the rodeo arena possible years ago, and made it a part of the community to enjoy. These men and women are nameless, but each time a function is held at the rodeo grounds, people should take time to thank those who had the foresight to make it available for Bogata.

Mr. Thomas and the Bogata Lions Club are trying to develop a City Park for all citizens of the area.

The names that appear will become nameless ones that future generations will need to take time to thank: Tommie Corbell and family, Mrs. John Lee, John Howison, Travis Hale, Roger Williams, Bogata Speed Wash, Helen Roberts, Mrs. Bunkey Smith, James Gibson, Coy D. Coker, Eleanor McCluer, John P. Cooper, Skaggs Auto Parts, Kenneth Love, H. Drue Pirtle, Nancy and Glen Clayton, Williams Texaco, Ed and Helen Williams, Donnie Smith and Jake Smith as a memorial for Jerrel, Sam McConnell, Freehope Baptist Church, Ervin Goodman.

The total received as of October 8 is \$1,336.00.
