While the 100 plus heat grinds on and on, and the rain clouds continue to be as elusive as the fabled phoenix, most of us have taken to dreading each new day when the sun makes it's climb ver high.

Even though I'm a "summer person" myself, the waterhosedragging has begun to get me down.

This morning, as I sat at the computer it seemed like a good idea to try and come up with some of the beautiful things about summer...even in this weather.

Crepe myrtles lend a vivid color to the landscape...and no matter how little moisture they may have they still bloom.

There is a breeze, which helps tremendously. If you don't believe it try getting somewhere where the breeze is blocked!

The trees weave shadow baskets on the ground under their limbs. And that shade may be the sweetest, most welcome thing around.

In the depths of that shade bright patches of flowers peek out, giving tantalizing glimpses of cool glades and forest av-

There are small joys...the cold, almos tangibly crisp flavor of fresh watermelon, ripe to perfection, the smell of sun-dried grasses, the flavor of a tall, icy glass of water, the sweet smell of watered lawns and flower beds.

There are the jewels of fruit stands along the road, studded with bright tomatoes, corn, cantaloupes and other fruits and vegetables.

The long shadows of evening tell stories to one another as the sun sets, frequently with a handsome display of colors.

The nights are incredibly beautiful, velvety and black, with sprinklings of stars as cold and remote as ice crystals.

Perhaps one of the chief joys of this time of year is that we know autumn is coming closer day by day.

While the heat is horrid, it presages that cooler, beautiful season with its riots of colors and

Talco-Bogata CISD Board Irons Out Policy For Participation In Graduation Exercises

The Talco Bogata CISD Board of Trustees met on Thursday, August 19, 1993 in the board room at Rivercrest High School. After approving the consensus agenda, the transferring of \$11,000.00 from the maintenance fund to the transportation fund was approved, and the \$30,000.00 incentive award for the Talco Campus was added to the budget.

Bus drivers' pay schedule will be based on \$20.00 per day base for 50 miles or less, and 15 cents per mile over 50 miles. Fifteen cents per mile extra was approved for any driving on dirt roads.

The teacher evaluation procedure

for one observation during the year, and at least 2 walk throughs by a supervisor in each semester.

When they came to the graduation exercise participation policy, the board made it a hard and fast rule that not only could a student not graduate without completing all local requirements, they also will not be allowed to walk across the stage if they have not completed all State of Texas requirements and all State Board of Education requirements. This subject came up in the spring when a student wanted to participate, and then finish the requirements at a later

for the 93-94 school term provides date. Since there was not a hard and fast rule at the time, the student was allowed to do so but there will not be any question next spring as to who qualifies to participate in graduation.

The board was presented a list of delinquent taxes in the district, and heard a report of action from the Delinquent Tax Attorney. Local Tax exemptions will stay as is. A Budget hearing will be held August 31, at 7:30 P.M.

Resignations were accepted from Gayle Brown, a bus driver, and Judy Couch, a teacher's aid. Due to the time, the budget study was postponed until Monday the 23rd at 7:30 P.M.

Booster Club Will Charter Bus To Rebel Ballgame

The Rivercrest Booster Club will sponsor a chartered bus to take students and community members to the Rebel football game on September 3.

The Rebels will play Tyler St. Christian Academy at Duncanville. The bus, which holds 47 people, will be charged at \$15.40 per person. It will leave Rivercrest High School

and return to the high school. Persons wishing to buy a seat must

be 16 years of age or older.

The fee pays for the use of the bus only and does not profit the Booster Club. It is being provided as a convenience for Reble fans who do not wish to drive the distance and return late at night.

Anyone interested in reserving a seat should contact J.O. Weatherall in Talco or Charlie Hines in Bogata. or any Booster Club member.

Bogata PTO To Meet Thursday

The Bogata School PTO will meet on Thursday, August 26, at 7 P.M. in the cafeteria at the elementary school building.

This is the time of the year when PTOs are planning membership drives, Harvest Festivals and other fund raising projects. A recent fund raiser, The Cookbook sale, has been responsible, along with help from local folks, for the installation of two huge pieces of playground equipment on the schoolgrounds.

Other than the previously mentioned parents, who donated their time to physically construct the equipment, those deserving a round of applause are the eighth grade class,

area businesses and individuals who sold cookbooks and gave of their time, Jerry Jones who spread the pea gravel, the faculty and students who collected the recipes, and the people who donated recipes and bought the cookbooks. If you were responsible in any way or if you plan to help with the next project, or if you're just interested, you might want to drop by the playground and examine the climb on, slide down, walk across things. I'm sure that if we keep using these names, someone will get around to telling us the correct name eventually.

Country Cooking

The recipes that Mrs. Ross shared with us were; Squash Dressing, Raisin Dream Pie, Squash Relish, Cornbread Salad, and Broccoli Salad. The recipes were printed on August 5, under the name of Jane Davis. The recipes looked really good, and I know a lady who tried the Squash Dressing and found it to be very good.

Since we have already printed Mrs. Ross's recipes, we won't print them again, but rather will print recipes from another of the Woodland ladies, Mrs Dixie Brown. Mrs. Brown's recipes include Pecan Pie, Onion Meat Loaf, and Sweet Potato Casse-
