

By Nanalee Nichols

I thought it was going to be one of those weeks that I couldn't come up with a column. Usually, while cooking, or mowing, or taking a picture for the paper, the column for the coming week will just pop into my brain, and by the time I sit down on Monday to write it the column will be virtually complete. Often, I will have more than one idea, and jot down a note so that I can work

up two or three columns ahead. But, this past week nothing "popped"...nothing appeared, nothing occurred.

Monday morning I plunked myself into my chair, booted up my computer and pulled up the "Nichols Worth" file. There were no notes for a column in the margin. There were no notes in my mind either.

I made a few false starts, had a few interruptions, and finally went on to other things, confident that something would come up. Nothing did.

No ideas came to me that evening. Thomas was stung by a red wasp, and other than providing the world with a description of what he looks like with both eyes swollen shut, I was blank!

Tuesday morning, I did the same thing as Monday ... stared at the computer screen.

The phone rang. It was Tim Wood, wanting to know what a person who played the bag pipes was called.

'A piper" I replied. With his question answered, Tim went back to his work. But, that question sparked the idea of considering just how many questions we are asked here at the paper

I have had queries as to what the letters above Christ's head stand for in crucifixtion pictures.

More than once I have given out instructions on what to do for hair balls in cats, or details of how to bottle raise kittens or puppies.

Queries about houses for rent are common, and frequently I have to go up and down the streets of one of "Our" towns in my mind, trying to help someone find a place to live.

We have answered questions from law enforcement on a wide range of subjects, and questions from publications such as the New York Times

We routinely tell callers when the parade, homecoming, chili supper or whatever will be.

One of the most common calls I get concerns garage sales...."whose is it?" people will ask. On occasion they will even inquire as to what will be for sale...a question I can't answer, of course!

Travelers come in asking about cemeteries, old families and where old businesses might be located.

Directions to or from different locations rank high on the list, too.

In other words, we are an information service as well as a paper office....and frequently some of the nicest visits result from these questions.

I'm glad folks feel free to ask us questions..and hope they keep right on asking! Questions are GOOD! I'm glad Tim called too, because I managed to come up with a column after all from his single quick query.

84TH YEAR, No. 11 **BOGATA, RED RIVER COUNTY, TEXAS**  Thursday, June 23, 1994

## Bogata Rodeo Starts Today!!

The traditional downtown Rodeo Parade on Thursday, June 23 (today) at 6:00 p.m. rodeo activities officially begin in Bogata, Texas.

Following the parade, the first of three action-packed rodeo performances will be held at the Bogata Rodeo Arena beginning at 8:30 p.m.

The rodeo is produced by Bogata's own Wing Rodeo Company, owned and operated by Jerald and Joan Smith. The Wing Rodeo Company assures rodeo-goers that top quality livestock will be on hand each performance to pit their ability against top rodeo competitors from a seven state area.

Added attractions at the rodeo on Thursday night will be a Scoop Race and the Wild Cow Milking Contest. The Wild Cow Milking pits six wild cows and 18 cowboys all in the arena together, at one time, trying to get enough milk to prove to the judge that they were successful. This event

### Homecoming For Cunningham Full Of Festivities

Many festivities are being planned for the Homecoming at Cunningham on July 2nd. Among them is a play, written by local resident, Neva Jean Oats, entitled "A Duckback Road To Cunningham". Many founders of Cunningham will be portrayed by local citizens, and there is room in the cast for extras. If you would like tobe in the REVIVAL SCENE or the BANDSTAND SCENE, call Mrs. Oats at 652-2042. The more guitars, banjos, mandolines and fiddles that

they have, the better the band will sound.

Remember to make your way to Cunningham, Saturday, July 2nd. A Bar-b-que meal will be served at 6:00 p.m. If you wish to eat, \$5.00 meal reservations must be turned into Bobbye Slusher(652-2991) by June

My favorite books to read have always been the ones in which the heroes and heroines live in Ireland or England, or one of the romantic places my mind pictures when I think of the British Isles. I've always imagined their food to be dull and bland, but when I interviewed a lady from England a few weeks ago, she assured me that this was not the case. I also don't understand the High Tea. I know that in the late afternoon they stop whatever is happening for tea. They also eat what sounds to me like a large meal at this time. I wonder if they have supper later on or if this is their supper.

I can read about this place I think would be so fascinating, but it will probably be a long time before I ever

get to visit it. When I think of these places I always picture beautiful green country sides with hills and flowers all over the place. I really don't know why I think I would enjoy it so much. We have beautiful countryside here and about the only way I enjoy it is from behind a window in an air co ditioned room.

My bosses got to go to Ireland this year for their vacation. They brought me a tea towel. It has authentic Irish Recipes on it. I looked just as soon as I got it to make sure it said made in Ireland on it, and sure enough it did. The recipes on it also look very interesting and possibly tasty. I'm going to share some of them with you this week. Hope you enjoy them.

### Summer Blood Supply In Need Of A Boost

Stewart Regional Blood Center is beginning to experience a decline in blood donations and an increase of blood usage, according to Jennifer Campsey, Director of Donor and Community Services at the blood

"A decline in donations is typical during the summer months because people are busy with vacations and summer activities and often forget to donate," said Campsey. "This situation along with an increase of accidents in the summer can cause the blood supply to decrease suddenly."

To avoid a shortage, Campsey is

asking healthy East Texans, 17 or older, to do their part by donating blood this summer. "As an extra bonus, some lucky donor will win a trip for four to Walt Disney World in Orlando, Florida," said Campsey. All donors who donate blood at any blood center location before July 25, 1994 will be eligible for the drawing.

Stewart Regional Blood is located at 3715 Lamar Avenue (Chisum Square) in Paris, and is open Monday through Friday, from 9:00 a.m. to 5:30 p.m. The blood center supplies blood to 40 hospitals in 26 East Texas

We began to gain a better understanding of the cruel actions the English took against Irish Catholics. For a long time Irish Catholics could not own land, vote, educate their children or celebrate any part of their religion. Over 3,000 priests were hung, and it is no wonder that the Irish still hold a lot of bitterness against the English. The provisional

We saw a Penal Altar, a stonealtar in the hills where mass was celebrated in the 1800's. There people gathered to worship in secret. A pure spring flows near the altar, and locals still come to pray and leave fresh flowers.

The spring is said to be good for the eyes and people bathe their eyes in the good water.

On the road again to Blarney we once more passed peaceful countryside. Little glimpses of children scattering corn for chickens, old men in rubber boots (wellies) striding out to check their cattle kept us interested.

Blarney castle has 120 steep stone steps up to where one kisses the Blarney stone. Lying down, grasping rails, one must bend back to kiss the stone that is said to bestow the gift of eloquence. I passed on that one, partly because of my arthritis and the steps and partly because people who know me insist I already have too much gift

I must explain that pubs are family places, not the "dives" that drinking places tend to be here. Under beamed ceilings we listened once more while two local entertainers told jokes and sang. Recently, Jim Ann Crow and Patches Raines, of Paris and Wanda Henly and Charlotte Crow, of Bogata, left for Tustin California to visit Jason Reed. Reed is a Marine who was stationed on the Trustin base. While there, they visited the base, The Main Street Mall, and several restaurants. They had plans to visit the beach on Memorial day but were rained out. They all returned to their homes on the first of June. This is the first time they've seen Jason since Christmas, and due to an overseas tour of duty, may be the last time for a year.

Tuesday and Wednesday night Jim Ann Crow and Brittany Walesiak, of Paris, visited in the home of Mr. and Mrs. James Henley, of Cuthand.

On Monday June 6, Wanda Henley went to Paris to visit with her Arizone. They spent the day in the home of their cousin, Mary J Barnett and her husband, James. They were joined by two other cousins, Pete and Monday through Sunday Ray Sales. On Tuesday, Mrs. Henley and Mr. and Mrs. Hornbuckle trav- dlestons were Virginia Temple, eled to the Honey Grove Nursing Pasadena; Kathy Eiler, New Braunhome where they visited their 99 year fels; and Jerrell Kelley, Midkiff. The old aunt, Christine Sales. THey also group attended the Fulbright School visited their Aunt Mable Whitlock of Reunion and the Fulbright Home-

Allens Point and Peggy King, of Lake Tawakoni and Dorothy Nell, of Albuquerque, N.M. On Wednesday, Bob and Ruth went to Joplin, Mo. to visit Bob's sister, Alice. From there they will return to Tuscon.

Week end visitors in the home of Pete, Lillian and Misty Taylor were Larry, Gayle, Lance, Logan and Lindsey Taylor of Red Oak, and Jerry Francis, of Talco.

Mr. Horace Benham had a pacemaker installed at St. Joseph's Cardiac Unit in Paris, last Wednesday. With him during his surgery were Mrs. Benham, their son Johnnie Benham, of Dallas, Jerry and Joyce Benham of Paris, Kenneth and Gay Lee Logan, of Mt. Pleasant. The

sister Ruth Hornbuckle of Tuscon Benham's granddaughter, Belinda, of Dallas, came and stayed Thursday through Saturday with them. Nannie Watkins is to be with the Benhams

## Rosalie CC

The regular meeting of Rosalie community Center was held June 14, 1994 at Rosalie United Methodist Church. It was announced that two 30'X30' slabs have been completed. One is the founddation for the pavillion and the other is for the Community Center building. A financial report showed that after all bills are paid the club will have a balance of approximately \$3,000.00. This will allow the building of the structure and metal siding plus two windows and doors for the buildings. Next on the agenda is to put the roof on the pavillion and install men's and women's restrooms.

The group is continuing to pursue a grant to assist on the building of the Fire Station and trucks and equip-

ues to sell tickets for \$1.00 each on a 1 year old pony donated by Charlie Epps. All of this money will go into the building of the community center

Tickets may be purchased at Rosalie Store and the Rodeo front gate. The pony will be awarded Sat-

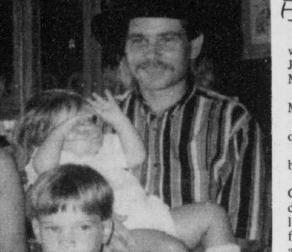

The next meeting will be July 12, 1994. Meetings start at 8 p.m. and will be held in the Rosalie Store until further notice or cooler weather whichever comes first.

### Bill Buckman Is 1994 Texas "Top Gun"

Bill and Joyce Buckman participated over Memorial day week-end in the Texas 17th IHMSA State Bigbore Handgun championships in Abilene. International Handgun Metallic Silhouette Association has members internationally who compete with open sighted handguns shooting at steel targets in different shapes. A match usually consists of 40 targets-- 10 chickens at 50 meters (55 yards), 10 pigs at 100 meters, 10 turkeys at 150 meters and 10 rams at 200 meters (219 yards). Targets are fired on at banks of 5 in a time limit of 2 minutes. Target must be knocked off stand in order to score hit. (Ram weighs approximately 55 pounds). The exception to "animal" and distance is often in shoot-off (ties) when mpetitor may be called to shoot at

chickens at 200 meters. This 17th annual match was Bill's 17th and Joyce's 16th. Bill along with friend Mike Stinson of Midlothian has attended all 17 championships.

In this 17th at Abilene, Bill and close friend, Richard Porter, of Sweetwater set at least five Texas state championship match records. Before this state finals there had not been a standing score greater than 30 posted nor a 3 gun aggregate over 110 nor a 4- gun aggregate over 146. (Aggregate total score is based on 10 targets at each distance in categories of always standing then 2 Or 3 of the freestyle positions in revolver, production and /or unlimited according which aggregate -120 or 160) Bill n third relay of first day posted a ecord 32 standing international class then later a production international class score of 39 missing the first 150M turkey. (International class is the highest class of shooter and the class in which Richard and Bill both

0

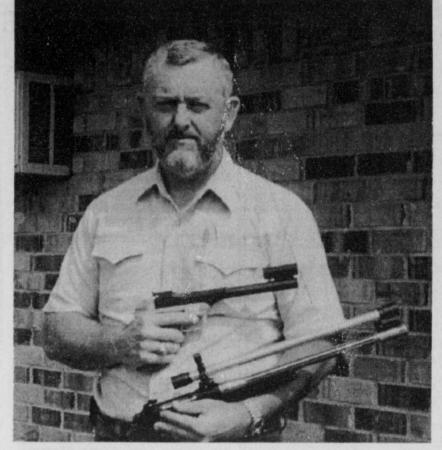

Richard Porter closed first day with a revolver international score of 38 and a perfect 40 in unlimited international class. Bill goes to line early second day posting a 36 in revolver fInt. class. Richard then shot a super 31 standing Int. score to have Bill edged 109 to 107 of 120 possible. Bill came back to line in the afternoon to fire a perfect 40 in unlimited international class now having Richard 111 to 109 of 120 but also setting record 147 of 160 4-gun aggregate. Richard, an excellent production international class shooter falls short for a 38 but total ties Bill's 4-gun of 147. A couple of other competitors still had a chance at titles but all fell short of catching Bill or Richard.

The afternoon of the third and final day is th day that really brings on the spectators. It's the time for the shoot-offs for trophies where needed. And there was to be many. Richard and Bill were both in a shoot off or two but a committee added to the crowd enjoyment and decided on an aggregate shoot-off for the ties 4-gun aggregate although Bill had won by virtue of ram count (totaled more of farthest target, the rams). This was to be highest title, it needed a shoot off for sure and this was a new rule. Bill felt pretty good for he knew he had won standing state champion due to highest score of 32 and he also was aware that if loosing aggregate shoot off he would take consolation 3- gun champion. (A single competitor could not receive both) Bill also knew Richard Porter to be one of the finest IHMSA competitors in the nation for he had won or placed in many categories at International championships thourgh the years. Bill 's shooting abilities were really on the line

are classed with all four categories.) and there was an emotional side to it Richard had been one of Bill's dearest friends for 16 years. If it just wasn't for the highest honor of match....but it was!

Shoot off begins in revolver category with chickens placed at 200 meters. Bill gets one more than Richard. Bill, a little surprised, they both are called for production, again samechickens at 200 meters. They both struggle but Bill remains one ahead as both add only tartget total. Unlimited, a real crowd pleaser, is next and at this point it will take 4 of 5 score to remain in contention for unlimited champion, a title Bill had taken in 1987 in Midland, but most of all each needed to add to their aggregate total. Bill beats Richard 4/5 to 3/5 which puts him up two in aggregate total and also in true pursuit of unlimited title. Bill is told to remain on line to go against the international classed Mondo Renteria of Sweetwater who was the only other 40 unlimited competitor (of 10) who had gotten 4 or 5 in "first go"F. With Joyce as spotter and timekeeper; Bill nails chicken #5 as Joyce counts down 5-4-3. Five of five 200 meter chickens versus Mondo's second only 4 of 5. Joyce and Bill were excited for second champion honor of match but the hard part was coming up--chickens at 150 meters shot at standing not freestyle (lying sown). Richard charges hard for title getting one more than Bill but he had fallen short in total. As cease fire command is given Richard is handed consolation 3- gun champion cap and Bill is given the cap designation the top honor of year--Top Gun--4 gun champion.

Bill will compete in International Championship later this summer.

### Area VFD Present Program On Fire Extinguishers

A very informative program was presented recently at the Fulbright Community Center to a group of interested citizens. Detroit Volunteer Fire Department members, Kenneth Parker, Buck Smith and Ronnie Smith were assisted by Bogata Volunteer Firemen Department memebers, Charles Don Lewis and Shawn Tully. They discussed the different types of fire extinguishers to use for each one. They also said that home fire extinguishers should be labeled AB and C types to extinguish different types of flames.

After refreshments were served, all participants went outside to observe the demonstration of the different kinds of fires and the use of different kinds of extinguishers. Everyone had the opportunity to extinguish a blaze with the fire extinguishers.

The firemen also discussed dry hydrants and how they could help in case of a fire in the rural areas. Everyone felt it was a very informative meeting and want to take this opportunity to thank the two departments for their interest in our com-

Nuts & Bolts By Judy Screws

As I came to work this morning, I went by the post office to pick up the mail. Of course, I didn't have my mailbox key. I went inside to the window and our Postmaster got my mail for me . This is not the first time he has had to get my mail for me, and I'm sure he does this for many people daily. When we got home from a vacation trip late Thursday evening, our kitchen sink drain was stopped up. We spent days buying Drano, Liquid Plumber, vinegar, baking soda, and using the plunger. Last night I called our plumber. This morning as I left for work, he drove up to fix the drain. In our small town we have a full service bank. The folks who work there are our friends and acquaintances, and we are always greeted by name and treated special. We have a full service Pharmacy. We can feel confident that the folks dispensing our medicine know us and our circumstances and if something doesn't look just right to them they will call and check on it for us. We have a Doctor who has helped raise most of us. He might not want credit for some of us. His concern for the entire community is genuine. It doesn't matter when you call him, he talks with you as soon as possible. If it is an emergency and you absolutely cannot help calling his home, it doesn't matter whether he or the Mrs. answers, you get a kind response. Being a doctor's wife must be difficult at best, but I've never heard of anyone getting anything but kindness from ours. There is a hospital 15 miles from us. You can get to that hospital on open road just about as fast as you can get to one across town in a large city. We have a dentist in town. We have a well stocked hardware store, full service and serve yourself grocery stores and gas stations. We have a nice variety of eating places, several beauty

shops, a barber shop, a bait shop, a nursing facility which provides jobs for many local people and which also makes it possible to have your loved one near home when you can no longer take care of them at home. Our Fire Department is beyond compare. We have some of the most active churches in this part of the country. We can pay our light and water bill locally, have saddles and boots repaired, and have vehicles repaired or towed. We have car washes and stump grinders. We have a funeral home and monument company which is locally owned. A flower shop/ health club, greenhouses, baby sitters, folks who sit with the elderly, real estate dealers and accountants. We also have some Jacks of all trades who can work on anything that needs fixing. We have schools in town so the younger kids don't have to ride a bus a long way. Our service clubs are made up of hardworking giving people. We even have a lady whose garage is full of clothing that people donate and she hands out to anyone who needs them.

I could write all day and would not be able to list all of the people who make our town special, but most of them don't have any interest in being named anyway.

You are probably wondering why I'm going on so about something we all take for granted. While we were on vacation this last week, my husband became dangerously ill. I knew that anyone I called would not know me or him. He would have just been a name and an insurance policy number to them. Fortunately he got better before I had to start looking for help, but It got me to thinking about the the valuable assets we have right here at home and for which we aren't nearly grateful enough.

Gary & Joy Ellis, Christian Cowboy Ministry

### Cowboy Ministry In Music Scheduled At Bogata First Baptist Church

First Baptist Church, in Bogata will present a Christian Country Music Program Sunday morning, June 26 at the 11 a.m. worship serv-

The Arena of Life Cowboy Ministry was started in August 1990 by Gary and Joy Ellis, of Checotah, Oklahoma.

They were very active ministering with the Green Country Cowboy Chapter, when they were called into their own ministry.

Gary ministers the Word in truth and simplicity, sharing what God has done in his life, as well as what God

is willing to do in others lives. He teaches how Christ desires that personal relationship with each of us and that true freedom comes through Christ Jesus.

Joy has a dynamic ministry through her songs and sharing of personal testimony! Her CD and tapes, "Jesus Loves Cowboys" and "Oklahoma Nights" minister to the leart and the soul.

Everyone is cordially invited to come to the First Baptist Church on Sunday morning and enjoy the special program.
