By Nanalee Nichols

I don't care. I just don't care...and I wish they would quite wasting my fax paper!

The politicians are waging war on one another in a major way with elections coming up.

And, I swear every politician in the entire state of Texas has faxed me "their side of the story". To make it worse, they have faxed it to me five or six times...once for each publication and once for the headquarters name of Thunder Prairie Publishing. And, to add to the general portrait of wastefulness, they have sent these "press releases" to me more than once.

I'm sick and tired of having my phone tied up for thirty minutes while reams and reams of fax paper pour out of the machine filled with malicious, tacky accusations against opponents, or testimonials to the chosen candidate that makes him/her sound more of an upstanding citizen than the Archangel Gabriel!

I'm tired of coming to work Monday mornings and finding that my fax has used up a whole roll of high-priced paper for these politicians screaming, trumpeting declarations while something that applies to REAL paper business may have been unable to get through because of the line being tied up or the paper roll being out!

But, there isn't a blessed thing I can do about it.

The whole thing is...we aren't going to run these so-called "stories" which are in reality nothing but a political statement against or for someone, at all. They have no purpose, no point and they aren't even dealing with something local! These aren't announcements that a politician is running for office, they are campaigns for or against someone.

While I think the political process in this nation and state is of crucial importance, I don't think that swamping a fax machine is any way to run a campaign...and I don't care which party or office a politician is running for!

If he/she would like to expound against or about something or someone...let 'em take out an ad!

The cost bothers me. It is so wasteful not just because it wastes MY stuff...because it costs a lot to develop, print and send all these faxes! Waste is part of these days...and ALL of these politicians seem to be unconcerned.

But, they haven't invented a fax machine that can screen duplicate faxes or send back a message that says "Sorry, not interested, don't waste time and money", and since such a fax doesn't exist I'll just have to continue to watch useless piles of paper stacking up...but it really is depressing.

FEATURED COOK OF THE WEEK is Pat Nation of Blossom pictured here with one of her favorite things to do, which is to be with her grandchildren. Pictured with her is her grandsons, Dustin and Josh. (Staff Photo)

## Country Cooking

By Liz Irwin

Our featured cook this week is Pat Nation of the Blossom Community. Pat is a great cook and enjoys cooking for her children and grandchildren.

Pat is an avid gardener and cans anything and everything from her very large garden. She also has a small orchard and had grapes and muscadines, which she cans.

She is married to B.D. Nations and they ran the Nation Fertilizer until several years ago. Now they ranch and spend a lot of time with their children and grandchildren. Their oldest son, Mike is married to Sherry and they have three sons, Dustin, a 6th grader, Josh, a second grader and Dakota, who is around a year old. Mark is married to Cissy and they have three girls. Chasiti is in the 5th grade, Autumn is in Kindergarten and Kara is three years old. All of the

children go to Blossom school.

Pat can always be called on to bake a batch of cookies or brownies for school and Dustin says that she always has a cake or two around the house to munch on.

Pat enjoys gardening, cooking and reading a good book. She is sharing her recipe for Pecan Bars, that sound delicious. The Cobbler is quick and easy and the tortillas make a great "crust". Both of the salad recipes are good to carry somewhere and Pat makes these at holidays, because they are a favorite of the kids.

The bottom two recipes were submitted by one of our readers and we included them because we had a little extra space.

Pat, we thank you for sharing your recipes with us this week and we will see everyone next week!

## Rebels Crushed By Cardinals

Rebels had a long night Friday night as the Maud Cardinals worked them over 40-12.

In the early minutes of the game, the Cards were able to score, which put them up by 8. The Cardinals were able to take advantage of the Rebel defense at will and with the support of the Homecoming crowd, they were too hot to handle.

The fumble disease had a hold on the Rebels as they were to hand the ball over and give the Cardinals points. Before the half ended, the Cardinals were to lead 22-0.

The Rebels returned to the field only to find a spirited Cardinal bunch.

The Cards continued to punish the Rebels. The third quarter ended with the Rebels still scoreless.

The fourth quarter showed a different Rebel offense as they were able to find the end zone. With 8:56 left in the game, Jay Hancock was able to work his way in. Later Tee Green was able to find Josh Belcher on a deep pass to add another six to the scoreboard. The game ended with the Rebs 12 and the Maud Cardinals 40.

The Rebels will meet the Cooper Bulldogs for their first district game in Cooper.

## Junior Rebs Lose To Cardinals 6-16

There was only one football game Thursday night due to the fact that Maud only had a Varsity and Jr. High Team.

The Jr. High Rebels were unprepared for the match-up against the Maud Cardinals.

The Cardinals came out gunning for the Rebs and scored early in the first quarter. The Rebel defense spoiled the two-point conversion which was a bright spot in the early goings.

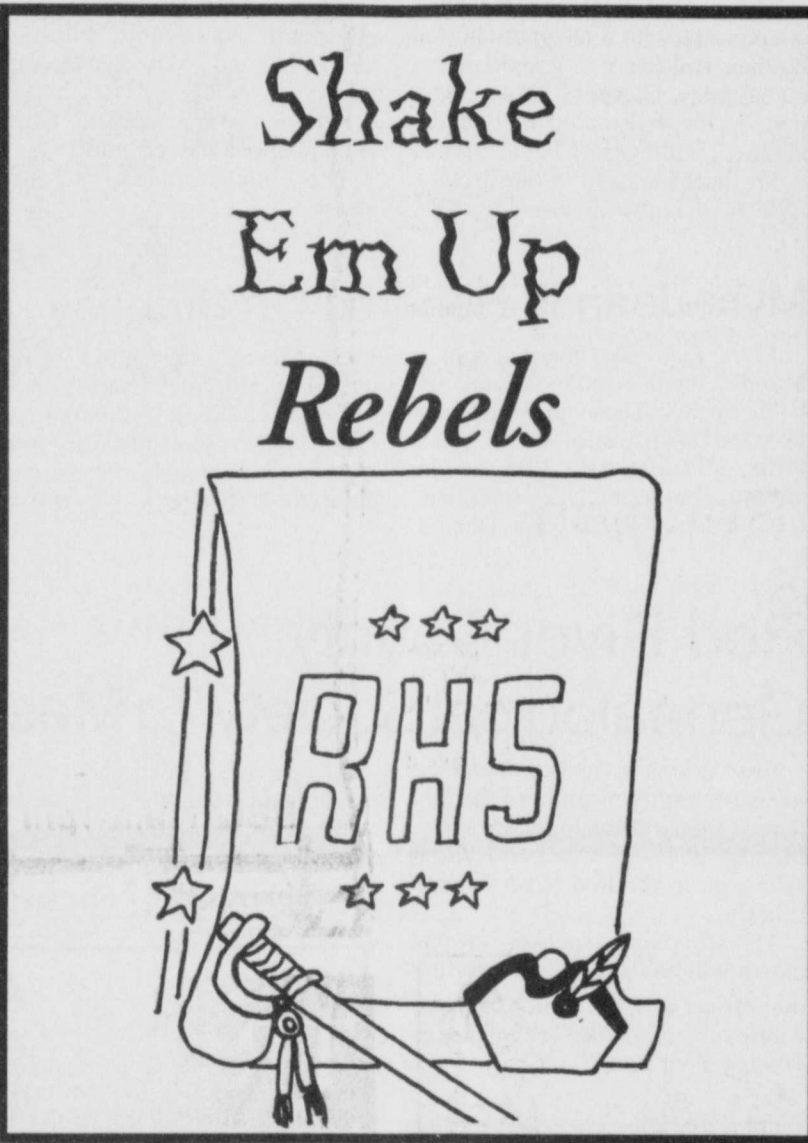

The Rebel offense had a hard time getting started and Maud took advantage. The Rebel defensive stayed on the field for most of the half and the Cards were able to score again, putting them over the Rebs 14 to 0.

Before the half was to end, the Rebel offense showed some razzle-

dazzle by running the reverse. Bobby McLeod was able to put the right moves on the Maud defense to put six on the board for the Rebs.

The Maud offense tried to counter the play but fell short. On the Rebel next offensive try, they were taken for a loss and because of a mis-handled punt attempt, the Rebs gave the Cards two extra points on a safety. These were to be the last points of the game.

The second half was to bring a different Rebel team to the field. The second half proved to a defensive battle for both teams. Regardless of the outcome, the young Rebs kept fighting to the very end, but the effort came too late. The Rebels were to take the loss with a score 6-16.

**Sheila Gibson Celebrates 47th Birthday**

Sheila Gibson was honored on the occasion of her 47th birthday with a party at the Dairy Queen, in Clarksville. Attending the celebration were; her mother, Betty Jo Gibson, Vera Craddock, and Leona Wright. Several of the patrons of the Dairy Queen enjoyed sharing

Sheila's Birthday Cake. She also received several nice gifts.

Sheila, who is confined to a wheel chair, rarely gets out just to shop and enjoy the day, so the shopping trip to Wal Mart after the dinner and cake was a special treat.

Navy Seaman Recruit Steve Crowston Completes Basic Training

Navy Seaman Recruit Steve Crowston, son of Rita N. and Billy W. Crowston, Sr. of Talco recently completed basic training at Recruit Training Command, Great Lakes, Ill. During the cycle, recruits are taught general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 occupational fields. Studies include seamanship, close-order drill, naval history and first aid.

Although the Navy is getting smaller, the state-of-the-art ships, aircraft and high tech systems in today's fleet require bright, talented young men and women to operate them. The Navy has over 55,000 job openings this year, most of which include guaranteed training. Crowston is a 1992 graduate of Mt. Vernon High School in Mt. Vernon, TX.

### Bogata Lions Fish Fry Is Announced

The Bogata Lions Club will host a Fish Fry on Saturday, October 22. Further details will be announced in the papers to follow.

The purpose of the Fish Fry is to earn money for the Scholarships the Lions Club awards to graduating seniors from Rivercrest High School annually. The Jerrel Vickers and Ronnie White Scholarships have been given for a while now, but there is a new award this year. Senior students will be given the opportunity to write an essay to be considered for a scholarship award. The successful essay writer will receive a scholarship from the local Lions Club. Then they will be eligible for the District Scholarship award. If they should make it to District and win, they can go on to the State Competition.

### Bogata Classes Celebrate Completion Of Topic

She said it was difficult to choose since every student who participated did such a good job. The following is the poem they chose:

*Life Under The Sea*  
By Patrick Upchurch 7B  
As I sit and ponder  
Or wait and wonder  
Then it will come to me  
I wish I could be down with the life  
under the sea  
Down with the fish and sharks and  
whales

To look up and see boats asail  
You could swim and play  
Not listen to what anybody has to  
say  
You could swim and eat  
Never worry about cleaning your  
feet!  
I would get me a pet  
Together we would watch the sun  
set  
Then it would all come back to me  
As I sit and wonder  
About life under the sea.
