bodmobile Scheduled March 14

hita Falls base ell on Thursday, 1:30 to 6:00 ling to Charles

Thornhill, chairman.

Haskell County's quota for each trip is 70 pints of blood. Only once since we joined the Bloodmobile program has this quota been met. This is the responsibility we assumed when we joined the program-to meet our quota each trip. Other cities in the program furnish the blood needed here, when their

quotas are reached, so it is very important that Haskell County do the same.

The blood bank makes blood available to all residents of the County at any time, without looking for a donor when the need arises.

A new feature of the blood bank is that any individual who denates blood, enables his family to receive blood anywhere.

Individuals may donate blood every six weeks, but not more than five times per year. The donation is painless, and takes only a few minutes.

Give blood Mar. 14 and save a life. Each unit of blood is broken down into many special products and can be used for many purposes.

Cofield's Dept. Store Sale ls Announced

Heidenheimer's is proud to announce the purchase of Cofield's Department Store in Haskell, and is proud to become a part of the Haskell business community.

The sale, effective next week, will culminate in a Going-Outof Business Sale by Cofield's, to be announced in next week's paper.

Mr. Bob Smith of Abilene will manage the store. He and his wife, Toni, will move to Haskell in the near future, with their two children, Justin, 112, and Joni, 5 months old.

Heidenheimers of Haskell makes six in the chain of ownerships of the store. Heidenheimers stores are located in Ballinger, Cisco, Winters, Anson, Hamlin and now, Haskell.

The new owners do not plan any staff changes at this time, and will probably add new lines of men's clothing also. Charge accounts are invited, and everyone is invited to stop in, get acquainted with the new owners and manager, and shop.

Mrs. Hardin Cofield has owned the store for the past 27 years, and has seen many changes in Haskell in those years. She expresses her deep appreciation to all shoppers of this trade area, for their loyal patronage down through the years, and invites them to continue trading at the store.

She is retiring, and will enjoy being at home with her husband, who has farmed here for many years.

Western Round-Up Salad

Californians are well known for introducing unique and interesting salad combinations. So get set for the Golden State's newest salad idea, "Husky Western Toss."

The salad's zesty flavor is enhanced by marinating mushrooms, Italian peppers and torn iceberg lettuce in an oreganoseasoned dressing. The marinade is drained, then more torn lettuce and tomato and cheese wedges are added. Result: Everything a hearty salad should be . . . crisp, colorful, zippy, appetizing and different!

Husky Western Toss

1 head western iceberg

% cup sliced fresh mushrooms or 1 can (2 oz.) sliced mushrooms, drained

I teaspoon salt teaspoon oregano tablespoon chopped Italian peppers

cup mild Cheddar cheese

1/2 cup corn oil wedges 3 tablespoons wine vinegar 1 tomato, cut into wedges Core, rinse and thoroughly drain lettuce. Tear into bite-size pieces enough lettuce to equal 2 cups. Refrigerate remainder of head in disposable plastic bag or piastic "crisp-it." Mix mushrooms, oil, vinegar, salt, oregano and peppers in large jar or deep bowl. Add torn lettuce. Shake or mix well; marinate 1 hour. Drain, saving marinade. Tear refrigerated lettuce into

bite-size pieces to make 3 cups. Toss with marinated mixture,

cheese and half the tomato wedges in salad bowl. Garnish with remaining tomato wedges. Serve with reserved marinade. Makes 6 to 8 servings.

1973 VOTING RECORD 93RD CONGRESS - 1ST SESSION

HOUSE and SENATE

The Senate voted in favor of Farmers Union Policy 82% of the time! The House voted in favor of Farmers Union Policy 77% of the time!

Obviously, legislation of special interest to Farmers Union fares better in the Senate than it does in the House. The 1973 Farm Bill is an excellent example of that fact. The bill, as passed by the Senate, was acceptable to Farmers Union. But before it was voted on in the House, the Administration mounted a veto-threatening attack which resulted in disaster level target prices and a two-year postponement of the escalator clause.

By the time the final vote was taken, the bill had been mutilated so badly that Farmer's Union could no longer support the legislation.

However, Farmers Union came back fighting as usual and managed to get some things worked into the new program that will put a few more dollars into most every farmer's pocket that wouldn't have been there if it had been left up to the Administration!

The new Farm Bill still isn't good enough to take care of the crisis brought on by inflation, etc. !!!

There's trouble for farmers in this economic prospect—coming and going. The trouble from oil prices all by themselves is a full-blown fright, and the higher costs of production are only a small beginning. Extra costs for heat and cooking and light and transportation will dig hard into U. S. consumers' food budgets, even when bread winners keep their jobs. What it will do to the economies of Europe and Japan and their trade zones, where so much of U. S. farm exports must be sold, is a nightmare. Today's farm price bubble could evaporate fast! !!

The (OMB) Office of Management and Budget is responsible for making many of our Agricultural Decisions.

The Congressional Record—House, Dated August 3, 1973—contains testimony of a well known politician who states that 10 men in OMB make the decisions and aside from 2 men who have a background in Forestry, only 1 has had some academic background in Agriculture.

FARMERS and AGRI-BUSINESS FRIENDS!-You are going to have to get in the Political Arena if you ever get things of this nature straightened out!

Farmers Union sponsors several WashingtonFly-Ins yearly. If you don't like to fly, a Comfortable Bus Trip can be arranged!! Contact Haskell County Farmers Union President, Kenneth Lane, and other Officers and Members of the Organization to find out how Farmers Union has helped you and is continuing

to fight for you!!

Ask about the legislative Fly-Ins to Washinington and get your name in the hat for the next trip! Legislative trips are not limited to Farmers Union members only!

Ask County President, Kenneth Lane, for a 1974 Policy Statement of which there is no charge and it will give you a thorough understanding of the Farmers Union Structure!

CARD OF THANKS

I want to thank all of my dear friends in and around Rule. Rochester, O'Brien and Knox City and surrounding area for and cards sent while I was in the Houston hospital with a broken hip (yes, I did it again). I slipped on the ice seven weeks ago and broke my other hip. I am doing fine, walking with a walker, which I will discard in five more weeks. Who could live without dear friends in times when we need cheering up? Thanks again for your prayers, the beautiful flowers, letters and cards. I am in Alvin now, will be home in the near future. I love you all -Claudia Keller.

CARD OF THANKS

We wish to express our deepest gratitude to the doctors and staff of Haskell Memorial Hospital and the nurses of Clearview Lodge for their care and patience with my wife, Dorothy. Also to friends and neighbors for food and their time. We are forever grateful. James Hill and family.

Rochester Man In Critical Condition At Abilene

L. B. White, 78, of Rochester, is in critical condition in the intensive care unit of Hendricks Memorial Hospital, after a one-car accident Monday about 12:15 p. m.

The accident occured at the intersection of FM213 and a paved county road, 3.8 miles northwest of Haskell. Mr. White was driving a 1973 Chrysler 4door sedan, and was traveling east on the county road which dead-ends into the FM road. He went straight across the FM road, and into an embankment on the other side, and into the ploughed field.

> Mr. Hayes has been associatyears, where he has also been much in demand as an afterdinner speaker for numerous occasions. He graduated from San Angelo High School, where he was an outstanding athlete and attended the University of Tulsa where he also starred in athletics and had begun a career in professional athletics when a tragic automobile accident prevented further participation as a player.

> He started his talk by saying that he had made many mistakes as a referee but he always called the plays as he saw them. To prove his point, he stated that in rating the singing of the local Rotarians, he wanted to say it was the worst he had ever heard. Mr. Hayes retired from officiating in the Southwest Conference on January 1st of this year at the Cotton Bowl in Dallas but plans to continue with high school games in the future.

President Charles Thornhill reported on the selections of the Nominating committee for new officers and directors for the Rotary Club for the ensuing year. They are: president, Ferrell Coston; vice president, Sam Rosser: secretary-treas., Desmond Dulaney; and new directers Fred Boon and Charles Thornhill. They were forthwith

voted in by club members. ... H. M. Garrett, a Rotary Club member of the Southwest Club of Wichita Falls was a guest of president Thornhill and proceeded to issue a special invitation to club members to attend the District Conference in Wichita Falls in April.

Bill Comedy introduced other guests in the persons of Bob Waldon of El Paso, guest of T. C. Walker, who is putting in a shoe repair shop in Haskell; and student guests Debbie Mickler and Linda Bartley. Invocation for the meeting was given by Bob Beauchamp and the songs led by Bob Herren.

Voter Guidelines

1. Register to vote at least 30 days prior to the Democratic Primary, which is May 4, 1974. 2. All registered voters, 18 years and older are eligible to vote in all Democratic Party elections.

3. Present registrations are valid if you have voted in a Democratic Primary or a General Election within the last three years.

4. Register to vote at your County Tax Assessor-Collector's office or with a properly deputized person allowed to register voters.

5. Notify your County Tax Assessor - Collector's office of a change of address five days prior to election day so that you are registered in the proper precinct, if you have moved within the county.

6. On moving from one county to another, you must re-register 30 days prior to the election, if you wish to vote in your new
