Who says Americans are lazy?
How often do we hear about Americans being decadent and lazy? Well, guess what...Americans are actually the hardest working people in the civilized world!

New statistics show that we have leaped out ahead of even the industrious Japanese in hours work, and also in stress.

In Europe, the average work week has been lowered to 36 hours per week.

The American working person's hours are increasing on the average of 100 hours a year more each year for several years.

Their pay has not kept pace with this, either.

How many people do you know that are involved in stressful, high tech jobs that demand hours and hours of no-pay overtime? I know several.

I know that like most self-employed people my husband and I seem to spend more and more hours on the job. There is no extra compensation for this, of course.

Farmers and ranchers spend more time not only working at the physical part of their jobs, but they now demand more hours of planning, paperwork and research than ever before.

Plant workers are frequently faced the choice of more work and fewer people to do it as many corporations cut back on the work force.

In recent interviews it was astonishing to hear that many Americans say they would happily settle for less pay if they could have less hours to work!

Some companies are actually offering a four day work week with shorter lunch hours and an hour longer day. People working there seem to love it.

So, the next time you think about the "typical American worker" you might want to remember that he or she is working longer hours than any other worker in the civilized world! So much for our lazy, unproductive image!

Center to hold Christmas Party

By Jack Dodd

There will be a Christmas Party at the Rosalie Community Center-Volunteer Fire Department December 9 at 7:00 p.m. with gift exchange to follow. Gifts should not exceed \$10.00 and should be for either gender (2 per couple).

All are welcome and the only thing required to be a part is a covered dish and a present. Let's start the holiday season off with an old fashioned covered dish and gift exchange. See you at 7:00 p.m. the 9th.

No notices will be sent during December

Remember, no notices will be sent telling subscribers if their paper is due in December. Since there are literally thousands of subscribers due in the "sale" month, the only notice will be stamped on the paper at the end of the month. If you know your subscription is due during this month, please renew. You will still have the chance to take advantage of the sale price when you receive the notice at the end of the month, though.

Locals involved in Civil War monument dedication

A number of local people have been involved in the dedication of a Civil War monument.

More than 100 years ago, the McConnell, James and Privett families last gathered at Gethsemane Cemetery in Caddo, Oklahoma to lay to rest Civil War veteran Lee A. Privett, the maternal grandfather of the late Will McConnell of Red River County. On Saturday, November 1st Privett's descendants and Civil War re-enactors from his unit, the 34th Texas Cavalry, dedicated the first headstone to mark his grave.

Rick Baird of Cuthand, Privett's great-great-grandson, originated the idea to secure the military marker. Rick is very interested in the Civil War period and is an active member of the Sam Bell Maxey Chapter of Sons of Confederate Veterans.

The dedication began with the opening prayer offered by Vernon McConnell of Talco. The Confederate honor guard was called to attention by Lt. Tom Stewart of Flower Mound. Melanie McConnell Klein of Whitehouse welcomed family members and friends and then spoke of Lee Privett's family life and military service, based on research from Rick Baird.

Lee Privett was born near Springfield, Illinois in 1832 and married Nancy Ann James in 1857 in Ladonia, Texas. In 1862 he enlisted in the Confederate army and was mustered into service in Tallequah, Indian Territory. Privett served in the 34th Texas Cavalry until the end of the war and

saw action in the Trans-Mississippi area. He returned to Caddo and operated his family farm for almost for almost 30 years before his death in 1896.

Following the program, Lt. Stuart ordered young Shane Nolen of Terrell to begin a drum cadence that signaled the military volley given to honor Privett's service. A certificate of appreciation was presented to Lt. Stewart and the re-enactor's for their interest and dedication to this historic period. These groups take great care to outfit themselves in authentic 1860's dress were Cindy Stuart of Flower Mound and Judy Nolen of Terrell. The honor guard was composed of Lt. Stuart, John R. Mackey of Terrell 2nd Sgt. James Ogletree of Farmers Branch and Jeremy Stuart of Flower Mound. A special certificate of appreciation was presented to Rick Baird.

Family and friends present included Ruth and George Alspaugh of Columbia, Tennessee, Wanza McConnell Person of Ft. Worth, Eva Blalock, Kathleen and James Davis from Breckenridge, Eva Thornton of Durant, Mary Etta Peters and Hilda Wood of Caddo, Melanie McConnell Klein of Whitehouse, Vernon McConnell of Talco and Judy and James Foster and Garrett Thomas of Mt. Pleasant. Attending from the Bogata area were Rick Baird, Elaine Baird, Barbara and Jim Branch, Gracie Bankston, Ginger Foster and Sammie and Sam McConnell.

Please share your Christmas memories with readers

Please send us your memories of Christmas. This is the third year for this. We publish various memories from Christmas' past that people sent in. They received a wonderful response. Again this year we are offering.

First place winner will receive a photograph album and certificate of achievement, 2nd, 3rd and 4th place. First through 4th places will be published and all others will be published if the space is available.

The memories do not have to be very far in the past...last Christmas would be just fine! They do not have to be long, or dramatic, just a recollection of a favorite holiday past.

Please send them in, you might win a prize, and certificate, and you will definitely bring pleasure to readers.

Send your memories by December 8th to:

Letter To The Editor

Letter to the the Editor:

As a part of the celebration of 25 years in business, the James Wood Family of Wood Funeral Home, donated \$500 dollars to the Bereaved Parents Support Group of Paris.

Their generous donation allows the group to continue sending their monthly newsletter to 160 homes in several area counties and to provide the pamphlets and supplies needed to assist parents at the monthly support meetings.

The second Monday of each month at 7:00 p.m. at the TU Electric Building is the time and place for these meetings in Paris.

The group is a self-help, non-profit organization, offering friendship and understanding to bereaved parents. There are no dues or fees and no religious affiliations. An open invitation is extended to bereaved parents, their families and friends.

The Wood Funeral Home maintains grief libraries in both Deport and Bogata Funeral Homes for public use. The thoughtful donation of the James Wood family is another example of the generosity and support of area businesses and residents who support the group.

Papers on sale now

December 1st is the beginning of the annual paper sale. The Blossom Times, Bogata News, Deport Times and Talco Times are now on sale through December 31st at \$2 off their regular price.

That makes the already inexpensive papers even better value. They make a great Christmas gift, to parents and grandparents with kids in school, to the elderly who want to keep up with what is going on in the immediate world around them, and, of course, to yourself.

At less than 29 cents a week, locally, or 34 cents a week elsewhere it is a tremendous value.

See the full page ad elsewhere in this publication for complete information and a handy ordering blank.

Blossom Charter subscribers are entitled to an additional \$1 off their paper.

All gift subscriptions will be published in the paper during the big Christmas edition.

Country Cooking

By Liz Irwin

Heat up the oven and get that fresh bread starting to bake. I have come across some great recipes this week that would go great with a fresh loaf! In fact, these flavored butters will taste good on anything from fresh bread to hotcakes to various types of potatoes.

Simple to make—just get softened, spreadable butter and mix with your favorite flavors! Butter is a tasty spread, mainly for bread, but can be used also to fry or used in many baked goods.

In the United States, people use butter made from the milk of cows. In some countries, however, butter may be made from the milk of goats, horses, sheep, low and behold, reindeer or other animals. Several products are made from butter. These products include butter oil and whipped butter. Butter oil is a liquid used in cooking. Whipped butter has air mixed in it to make it lighter and easier to spread.

Throughout history, people have used butter for various purposes other than for food. In ancient Rome people used butter for hair-dressing and also as a skin cream.

Butter comes from butterfat, which is present in milk and cream in the form of tiny droplets. Butter is churned from cream because cream contains about 10 times as much butterfat as milk does. When cream is mixed rapidly at a certain tempera-

ture, droplets of butterfat form particles called butter granules. Churning turns these particles into butter. Creameries make butter in a process that has three steps: (1) pasteurization, (2) churning and (3) packaging.

Pasteurization—Cream must be pasteurized before churning as this process kills harmful bacteria and prevents butter from spoiling. There are two types of pasteurization—*batch* and *high-temperature short-time* pasteurization. In batch, the cream must be heated to at least 165 degrees and held at this temperature for at least 30 minutes. In high temperature short-time, the temperature must reach 185 degrees for at least 15 seconds.

Churning involves beating or stirring the cream to turn butterfat to butter. Before churning, cream must be kept in storage tanks at 40-50 degrees for several hours. During storage, a process called tempering occurs, which makes cream easier to churn.

Creameries make two chief types of butter. One is *sweet cream* and the other is *sour cream* types. Most butter made in the United States is the sweet cream type. Sweet is made from sweet (fresh) cream. Sour cream butter is made from cream that has been soured.

Lactic acid is used to ripen (sour) cream. This improves the flavor of

butter and helps to preserve its freshness. Salt may also be added to help preserve either type.

Creameries may add color with various food dyes while churning. The natural color varies from pale to deep yellow, depending on the breed of cow and the feed that they ate. A feed consisting of fresh green grass makes butter a deeper yellow that does a feed made up of grain or hay.

Wisconsin has the highest annual butter production with 295,600,000 pounds. Next is California with 228,800,000 pounds, Minnesota at 156,000,000 pounds, Quebec with 94,400,000 and last is Washington with 84,500,000 pounds.

Historians do not know when people first started making butter. People from India churned butter from the milk of water buffaloes as early as 2000 B.C.

So this week's recipe has a flavor for everyone's taste and we hope you enjoy them and can use some of these during your holiday preparations. Thanks and we will see you in the kitchen!

EDITOR'S NOTE: The 1998 seniors from Prairiland High School are putting together a cookbook to raise funds for their Project Graduation. Anyone wishing to contribute to the book, send your recipes to me in care of the paper. Thanks so much for helping the kids.

Mr. & Mrs. Haskell Peek

Peeks celebrate fiftieth anniversary

Vivian (Jackie) Rhea and Haskell Peek were married December 12, 1947, in Fulbright. The Reverend L.J. Stotts performed the ceremony.

Haskell taught school in Red River County for a number of years and was County School Superintendent before moving to Mount Pleasant where he retired from the Mount Pleasant ISD in August 1972, with forty years of teaching service. Vivian (Jackie) retired from Mount Pleasant ISD as a cafeteria worker in 1977.

She was also a nursery co-ordinator at the Mount Pleasant First Baptist Church and retired in May of 1995.

In honor of the couple's fiftieth wedding anniversary a reception will be held on Sunday, December 14, from 2:30-4:00 p.m. at the Villa Residential Care Home, 1714 North Edwards in Mount Pleasant. All family and friends are invited. Your presence is a treasured gift, none other is requested.

Rivercrest "C" boys fall to Mt. Pleasant

The Rivercrest "C" boys team paired up with a stronger and taller Mt. Pleasant team in action at Rivercrest gym Tuesday night and were defeated by a wscore of 42-23. The young Rivercrest boys fought a good defensive battle, but Mt. Pleasant's height proved too much to overcome. Mt. Pleasant started the scoring for the night and were up by four when Bubba Abernathy hit a jumper from the side to put points on the Rebel board. Carey Posey and Clinton Cheatwood's aggressive defense helped to get the ball back in Rebel territory, but bad Rebel passes and cold shooting did not put the ball in the basket. The end of the first quarter found Mt. Pleasant on top 10-2.

Mt. Pleasant hit three back to back shots to frustrate the Rebels, but Cody Wolfe soon connected at the free

throw line for one of two, but three minutes into the second quarter, the Tigers had a commanding 14-3 lead. Ryan Case soon drove the ball down the lane for two and Mitchell Jean began taking some rebounds from the taller Mt. Pleasant boys. Again, bad Rebel passes and cold shooting at the goal hurt the Rebs and at the end of the half, the score was 19-7 in favor of the Tigers.

Case pulled down a rebound at the beginning of the third, found Wolfe open under the Rebel goal and was fouled but connected for both his penalty shots. Abernathy soon drove the side for another two points on the Rebel scoreboard. Mt. Pleasant then began a full court defensive press, which caused some problems for the Rebels, but Kris Hall connected on

two free throws. Abernathy again hit from the side and drove the lane for another two points after a good assist by Case. Abernathy once again took a basket from the outside for the final points of the quarter, end of three 31-19 Tigers.

Posey was fouled at the beginning of the fourth putting a shot back up and he connected on both his free throws for the first points of the fourth quarter. The Tigers continued with their defensive press and this combined with the bad passes of the young Rebels kept the ball on the Tiger end of the court. Josh Posey, Clinton Cheatwood, Kris Hall, Mitchell Jean and Sam Stanley added some great defense for the Rebels, but the lack of rebounds hurt the Rebs. Final score was 42-23 Tigers.

Junior High Rebels host Cooper

The Talco-Bogata Junior High Rebels played host to the Cooper Bulldogs on Monday, Nov. 24 at Rivercrest. The seventh grade teams started the evenings action. The Rebels were outsize by the Bulldogs and were held to only 3 points during the first half of play. Score 24-3. This second game of the season was a hard one on the young Rebs but in the third quarter the team came out determined. Josh Cabell, Chauncy Fulbright and Jared Huddleston went to the hoop for scores bringing the team to a 12-34 score at the end of the quarter. In final play Cabell and Chase Sloan added points and the Rebel team worked on a comeback. Sloan shot 100% from the free shot line while Cabell shot 99%. The time ran out leaving a score of 45-24 Cooper. Posting high score for the Rebs was Josh Cabell. Also scoring were Chase Sloan, Chauncy Fulbright, Jared Huddleston and Justin Exum.

The 6 members of the Rebel 8th grade took the floor to also face larger boys but good hustle and teamwork saw the half time score at 28-14 Cooper. Although the Rebels are small in numbers the team played to their fullest against great odds. Final 45-25 Cooper. High scorer for the Rebels was Nathan Carroll with 13 points followed by Brendin Jones with 10 points. Also scoring was Brandon Davis.

The Rebels will travel to Chisum for tournament play on Dec. 4-5-6. On Dec. 8 they will play host to Chisum at Rivercrest beginning at 5:30 p.m. Go Rebels!!!!

AWKWARD SHOT-Eight grade Rebel, Brendin Jones gets the shot up and off as the Rebels met Cooper Monday, Nov. 24 at RHS. The Rebs were defeated but hustled every minute of the game. Final 45-25.

Rivercrest "B" boys down Mt. Pleasant

Boys action continued on the Rivercrest gym floor as the "B" team took on the Mt. Pleasant "B" team Tuesday night. Mt. Pleasant took the opening tip off to score first. Coleman Brown was soon at the penalty stripe for the Rebs and connected one of his two. Josh Posey started a long streak of good rebounds for the Rebs and soon connected with Michael Ray Galloway who took a jumper in the lane for a Rebel score. Keith Hines soon had two under his name after driving the lane for a jumper, but Mt. Pleasant answered with their own two from their own lane. Three minutes into the game saw Mt. Pleasant ahead by three, 10-7. Posey nailed one of his two free throws then big Jared White pulled down the other missed free throw and dropped in back in the Rebel basket to tie the game. A great pass from Chad Holland to Jared White under the Rebel goal put the Rebs up by two, but the Rebs then fouled the Tigers and sent them to the line where they connected on both free throws to tie the gain again. Keith Hines then hit a wide open Joey Taylor for a quick Rebel score. Mt. Pleasant then made a goal on the wrong end of the court to add another two for the Rebels, but then sank one in the right goal to even

out the mistake. The end of the first quarter found the scored tied 16-16.

The Rebels began second quarter action but after multiple shots, no basket. Holland soon opened up the Rebel scoring after taking the ball the length of the court. Brown grabbed a shooting foul and connected on his free throw for a three point play. Holland was soon at the line and connected on both to send the Rebs ahead 25-20. Taylor put a rebound back in for another Rebel score and was followed by a good defensive steal by Myron Ellis for another two. Brandon Bell took the rebound off a missed Tiger free throw to send the ball back to Rebel territory. Mt. Pleasant's multiple fouls soon had the Rebels at the line for two shots each time and Chad Holland and Michael Ray Galloway connected on free throws. The half ended with Rebels up 31-24.

Mt. Pleasant had first possession after the half, but Brown started the scoring connected on two free throws. After that, it was a score for the Rebs, a score for the Tigers until the Tigers soon hit three in a row to pull within three of the Rebels 39-36. Holland and White hit nice baskets for the Rebels, but Mt. Pleasant hit the last

basket of the quarter and ended it 45-40, Rebels.

Mt. Pleasant hit the first shot of the fourth, stole the ball back and added another two points to put the score at 45-44, Tigers. The Rebs soon connected for four points of their own before Mt. Pleasant answered with a three back to back goals to give them the lead at 50-49. White and Brown then connected to put it back at a one point game. Mt. Pleasant soon sank a quick jumper, but Holland was fouled under the Rebel goal and connected on one of the two. Holland then hit from the side to tie the game 56 all. Holland was again sent to the penalty stripe where he connected on one to put the Rebs up by one. Foul trouble soon took Keith Hines of the game, and the defensive pressure on both sides increased. Brown took a great defensive steal into the lane for a Rebel basket then a technical foul on the Tiger coach sent Holland to the line where he connected on two of four shots. Tigers fouls sent Myron Ellis and Holland to the line where they connected for a total of five of six, with one basket taken away for a line violation. Mt. Pleasant had a nice three pointer at the buzzer, but it was not enough as the Rebs won 65-59.

Lady Rebel junior high teams defeat Alba-Golden

The Talco-Bogata Junior High Lady Rebels played host to Alba-Golden on Monday, Dec. 1 at Rivercrest. Tina Carder served as team captain for the team and on the first jump of the ball the Lady Rebels drove in to score and set the pace for the evening. Although the team trailed 4-5 following the first quarter, by the half time buzzer the team held a 24-13 lead behind scores from Molly Hare, Rachel Case, Erica Williams, Jessica Rose and Jazz Barnett.

Coaches Debbie Williams, Tammie Case and Tana Screws played three sets of five Lady Rebels throughout the game and each set of girls held their own with good hustle and team play. In the third quarter Case, Tina Carder, Williams and Barnett added

points to hold the lead 36-23. In the final quarter the team lost Molly Hare to foul trouble but the Lady Rebels continued to control the Alba-Golden team. Williams and Khrystal Valenzuela added points and the Lady Rebels took the win 43-29. High scorer for the team was Erica Williams followed by Molly Hare and Rachel Case.

The eighth grade team took their first win of the season in a big way. The team held a 16-2 lead behind the shooting of Brittany Barnett, Melissa Waller, Erin Miller, Charla Hines and Kayla Sears. Every combination of players from the Lady Rebel bench worked. By the half the girls had taken a 32-4 lead behind the shooting of Barnett, Misty Tucker and Molly Moles.

In third quarter action Kendall Stansell, Melissa Waller, Erin Miller, Molly Moles and Brittney Bull added points and the Lady Rebel coaches tried to back their team off. Score 42-8. The coaches slowed the team in the fourth but scores were still added by Barnett, Hines, Stansell, Tucker and Sears to end the game with a 55-12 win. Posting high score for the team was Brittany Barnett.

The Lady Rebels and Rebels will travel to Chisum Dec. 4-5-6 for tournament play. Everyone is encouraged to come out and support the teams.

Q. What are the complications of childhood diseases like measles, mumps and whooping cough?

A. Childhood diseases are definitely not child's play. Measles can cause pneumonia, deafness, brain damage or death. Rubella or German Measles is a mild illness for children, but a pregnant woman who gets it may lose her baby or give birth to a child who is deaf, blind or has brain damage. Mumps can result in an inflammation of the brain or spinal cord. Diphtheria kills one of every ten to twenty people who get it. Whooping cough (or pertussis) can cause pneumonia, convulsions or swelling of the brain (encephalitis). Tetanus (or lock-jaw) kills four of ten people who get it. Hib causes meningitis (inflammation of the lining of the spinal cord and brain), resulting in brain damage or death. Hepatitis B is a serious disease that can lead to liver cancer, cirrhosis and death. And there is no cure for polio, which can cause permanent paralysis of arms or legs.

For information on free or low-cost immunizations in your area, call the Texas Department of Health and Shots Across Texas Shotline at 1-800-252-9152 or write Shots Across Texas, Immunization Division, Texas Department of Health, 1100 W. 49th Street, Austin, TX 78756.

Hay used to bolster Galveston sand dunes

COLLEGE STATION - First, take 1,000 bales of hay and line them up along a one-mile stretch of beach. Cover the bales with two truckloads of sand. Then, add 45,000 plants to help hold the sand in place. A sprinkler system and fencing may also be added.

That's the recipe researchers will follow as they rebuild a one-mile stretch of Galveston Island sand dunes in an experiment that may save millions of dollars of beachfront property from being washed out to sea.

Texas A&M University at Galveston marine biologist Jim Webb hopes to stem the tide and learn how to prevent beach erosion by rebuilding sand dunes along the one-mile stretch.

"The beach and the dunes form a natural barrier to erosion and provide a source of sand to the beach," he said. "The dunes protect the land and houses behind the beach by blocking the wave action."

In Texas, sand dunes often mark the boundary between private property and public beaches. When the waves wash away so much land that a house encroaches on the beach, Webb said, the General Land Office forces the homeowner to demolish the house so it won't interfere with beach access.

"We've got houses that are literally falling into the Gulf," Webb said. "Water has cut underneath some of the foundations of the houses. We're trying to restore the dunes, renourish the beach and get some protection in front."

Rivercrest "A" boys take win

Courtney Huddleston led the Rivercrest A boys team to a 74-57 win over Mt. Pleasant Tigers at Rivercrest on Tuesday night. Mt. Pleasant

took the first basket of the game, but Huddleston soon began his scoring on the Rebel end. Michael Allen soon connected for his first points of the

game and Brian Giles' defense helped put the Rebels on top. Ryan Giles added points for the Rebels. Kyle Stansell soon hit from the side after a good Jody Nolen pass. Mt. Pleasant hit a nice three pointer from the side then out hustled the Rebels defensive press for another two to end the half with a score of 14-13 Rebs.

Broderick Fulbright had the first score of the second quarter and Michael Allen soon sank a nice three pointer from the left corner. A good pass from Kyle Stansell to a wide open Fulbright added another Rebel score, plus a foul by the Tigers on the play on which Fulbright connected made it a three point play. Early foul trouble soon had Fulbright on the bench. Jason Freelen and Jody Gray turned up the Rebel defense which helped keep the ball in Rebel territory. The Rebels, behind Brian and Ryan Giles and Jody Gray dominated the boards for rebounds. The Rebels soon started their full court press which frustrated the Tigers and caused many turnovers. The Tigers tried to press but the Rebels handled them easily. With seconds left in the half, B. Giles netted a goal and sent the

boys to the locker room with a 34-23 score in favor of the Rebels.

Mt. Pleasant had the first score of the third, dropped another basket and narrowed the lead to 7. Huddleston opened up a scoring drive for the Rebels scoring seven unanswered Rebel points including a three pointer from the left side. Fulbright connected for points under the Rebel goal and the defensive press continued to cause repeated Mt. Pleasant turnovers. Huddleston found a wide open Freelen for a nice Rebel pay soon after which Freelen nailed two at the free throw line. Stansell then hit a jumper and R. Giles was fouled on a basket and connected for another Rebel three point play. Third quarter play ended 56-37, Rebels.

Fourth quarter action had points on the board early by Fulbright, B. Giles and Allen. Mt. Pleasant made an eye catching pass for two which seemed to spark some life into the weary Tigers, but Huddleston soon extinguished it as he, Freelen, R. Giles and Gray chalked up Rebel scores. Trey Gee cam in to add some defensive hustle. Mt. Pleasant hit a nice three pointer with 45 seconds left in play, stole the ball back and hit for another two, but soon fouled Stansell who hit one of his two at the line. Final score was 74-57 Rebels.

Scorers for the Rebels included Huddleston 18; Fulbright 13; R. Giles 11; Allen 10; B. Giles and Freelen 6 each; Stansell 5; Gray 3 and Nolen 2.

TNMP looks to support community efforts by matching customer donated dollars

Texas-New Mexico Power Company is looking for opportunities to match up to \$100,000 for worthy causes in the communities it serves. By matching funds donated by customers both directly and through its Customer Connection program, TNMP is willing to fund up to \$5,000 per project for qualifying community-based initiatives.

Once requests are evaluated the company will help raise funds and procure the company matching dollars.

TNMP's Customer Connection program matches customer and employee contributions two ways. Money that customers voluntarily contribute to the program when they pay their bills is pooled together by geographic region and matched dollar for dollar. Customer Advisory Groups then help select which of the customer-nominated projects receive

the funding each year.

The second type of matching operates more like a challenge grant. When a project nominated by an employee or customer is approved for the type of funding, community groups are responsible for raising half of the funding up to \$5,000. TNMP then will match the money the group raises.

To date, TNMP has contributed \$82,950 to communities in Texas and New Mexico this year. Paired with the money raised, these dollars have helped buy items from birthing tables for hospitals to playground equipment for children, and have built fences, bleachers and volleyball courts. Drug education programs, libraries and historical societies also have benefited from the matching program. Customer Connection funding allows TNMP to put in place projects that otherwise might be impossible. By the end of December

funding period, TNMP hopes to have disbursed the entire balance of funds available. Communities are encouraged to initiate projects for consideration.

TNMP employees have been instrumental in some areas for getting their cities involved. In other instances, residents or city leaders have instigated efforts and approached the company for matching funds.

To learn more about the Customer Connection program, the variety of projects funded or how to receive matching dollars, contact Petty at 1-800-962-7895 or call 1-800-435-2822, ext. 323. Texas-New Mexico Power Company provides community based electric service to 85 cities and more than 220,000 customers in Texas and New Mexico. It is the principal wholly owned subsidiary of TNP Enterprises, Inc.

Precinct 1 Commissioner reports

By Ricky Daniels
November was a fairly productive month for us. We got a lot of odd and end things done that needed to be done. We hauled a lot of small loads off the yard to patch several mud holes where we couldn't get our big trucks to. It was also dry enough the first part of the month that we were able to pull some ditches. We were also able to run our tree trimmer some. I'm hoping in December we can do some repair work on Cuthand Cemetery road it is in pretty bad shape. It's a long road so it will take some time.

In November we hauled 3 loads of white rock to the yard. I also had several loads hauled in to the yard.

We hauled 6 loads of white rock to roads, one load of red rock and 4 loads of railroad rock. We also hauled 33 small loads to different roads. We installed 4 culverts this month also.

In commissioner's court for November we approved a request for grants from Thomas Almond for the Regional Controlled Substance Program, approved amending Sheriff's budget for jail administrator. We also voted to relinquish our delegation to regulate on site sewage facilities. We approved a contract with Blue Cross/Blue Shield of Texas for Group Health Insurance, accepted bids for two cars for Sheriff's Department.

If you have any comments or questions feel free to call me.

Poet to present program at Rivercrest High School

On December 12, Brod Bagert will be at Rivercrest High School. A popular children's poet, a modern day Johnny Appleseed, Brod travels America to spread a simple idea.

Brod Bagert writes poems that are fun to read out loud, convey the thoughts and feelings of children and represent a powerful source of self-expression. "Poetry shapes the human soul," says Brod Bagert. "And the best poetry comes out when poems are performed out loud, one human being to another."

He has written four humorous collections of poems that explore the joys, fears and dilemmas of childhood for Boyds Mills Press; The Gooch Machine; Poems for Children to Perform, Elephant Games and Other Playful Poems to Perform and

Chicken Socks; and Other Contagious Poems, Let Me Be The Boss; Poems for Kids to Perform.

A practicing attorney in New Orleans for more than twenty years, Brod Bagert graduated from Loyola University, where he also earned his juris doctorate. He served on the New Orleans City Council and the Louisiana Public Service Commission.

Brod Bagert now travels around the country performing his poems and offering teachers an array of practical techniques to develop their students' natural attraction to poetry.

This all began when daughter, Colette, seven at the time, asked him to write a poem that she could act out to make everybody laugh.

The poet lives in New Orleans with his family.

RHS student council reports food drive successful

The Rivercrest High School Student Council sponsored a food drive to help the needy during the holidays. The group collected 1000 items which were taken to the First Baptist Church in Bogata for distribution.

The class winning a pizza party for bringing in the most items was Mr. Swinford's first period class at RHS who had a total of 249 items.

Also donating were Mrs. Gage's class with 218 items, Mr. Stockton's class with 119 items, the Rivercrest

office with 117 items, Mrs. Hays's class with 68 items, Athletics and Coach Weddle with 52 items, Mrs. Denison's class with 39 items, Mr. Lum's class with 28 items, the Cafeteria staff 19 items, Mrs. Russell's class with 18 items, Coach Hill's class with 13 items and Mr. Rogers's class with 6 items.

Every item donated was appreciated and will help make Christmas merry for many.

Public Notices

PUBLIC NOTICE
 The Housing Authority of the City of Talco, Texas welcomes low income individuals or families who are in need of housing. The Housing Authority of the City of Talco offers safe, decent affordable housing for low-income families, elderly persons and those who are handicapped or disabled.
 Applications for the program may be placed at the Housing Authority Office between the hours of 9:00 a.m. and 3:00 p.m. on Tuesdays.
 There is no charge or fee to apply for housing. All registration and applications procedures are handled without charge. Only when you are leased a unit will an applicant be required to make any payment to anyone. Your security deposit and first month's rent are to be paid to the Executive Director.
 Apartments become vacant from time to time and are filled from the waiting list. The waiting list is made up of applicants determined by the Housing Authority to be eligible. All persons are invited to apply for housing and are processed without regard to race, color, religion, sex, familial status, handicapping condition or national origin.
 The Housing Authority of the City of Talco is interested in you and your housing needs. Please contact the Housing Authority at 379-2841 if you need more information.
 There are currently vacancies and a very short waiting list.

PUBLIC NOTICE
 In accordance with Environmental Protection Agency requirements, employees and students must be notified annually as to the status and management of asbestos containing materials in our school buildings.
 The following areas of materials assumed to contain asbestos are present:
 Rivercrest High School: Non-friable floor tile, wallboard in the gymnasium, and ceiling blocks in the gymnasium.
 Bogata Elementary School: Non-friable floor tile.
 Talco Elementary School: Friable insulation in the boiler room. The boiler is no longer in use so the room has been locked and sealed to prevent entry. Non-friable floor tile in several small areas.
 Non-friable asbestos presents no health problems so long as it is maintained in good condition and is not disturbed. An Operations and Maintenance program (O&M) has been developed to insure this action.
 Surveillance of all areas is done every six months and reinspection every three years. You will be notified periodically by letter of all relevant activities.
 An Asbestos Management Plan has been developed and was approved by the Governor's Representative. A copy of this plan is available for inspection in the Office of the Superintendent at Rivercrest High School during regular business hours.

BOGATA ELEMENTARY WAS VERY PROUD OF TWO young artists who represented their school at the Fine Arts Project sponsored by Region VIII. Sarah Hare, a fourth grader, and Cortney Merchant, a third grader, exhibited their pencil drawings. Sarah won "Best of Show" at the Red River County Fair with her pencil drawing and Cortney won a blue ribbon in her category. Their artistic talents were showcased in the service center hallways for six weeks.

Bogata News to be open half day on Fridays during holdiays

The office will be open from 9 until 1. Everyone is invited to come by and see our newly remodeled office, too.

Methodist young people meet

The Methodist Youth met in the fellowship hall Sunday night, November 30 at 6:30 p.m. The video titled "Papaw was a Preacher" was shown. Frances Rozell donated Popcorn and drinks for the event.

Final plans were made for "Photo's with Santa" at the Methodist Fellowship Hall December 12 from 3:30 - 5:30 p.m. Members will bring candy canes for Santa to give the children. The cost is \$5.00 per photo. All proceeds will go toward the spring break ski trip.

The group voted to visit the Nursing Home one Sunday evening per

month beginning in January. The youth will play various games and do activities with the residents.

Job duties and food item assignments were made to the youth for the tour of homes. The final touches on the menu were made. A time schedule run to the homes on the tour will be made Wednesday evening by the sponsors. All tickets to the tour are sold.

Youth were reminded to bring candy canes and come to the fellowship hall Tuesday and reminded to bring food items next Sunday for the tour. The meeting closed with prayer at 8:30 p.m.

Linda Anderson is new Cunningham Correspondent, please help her collect news

Linda Anderson is the new Cunningham Correspondent. Lou Hatfield has turned over the job because of being too busy. Please call innews to 652-3502.

Linda, who helps her husband Rick, run his propane business, and runs

"Nanny's Place" a cafe and store in Cunningham, will be helping the community by collecting locals, stories and anything else deemed newsworthy.

We really appreciate her taking this job on, knowing how busy she is. It is truly a community service. Please help her make this a success.
