Dallas Trade Excursion Coming April 20th

Dallas Chamber of Commerce Ten Car Special
Train Reaches Haskell at 10:40 O'clock
A. M. April 20th

Dallas Chamber of Commerce Special Train.

We learn, with great pleasure, that the Dallas Chamber of Commerce Special Train will visit our city, and the business men of Dallas call upon our business men. We believe that cities are like individuals and should call on each other and get acquainted. We understand that the purpose of the Dallas Chamber of Commerce in sending a party of its representatives to the different towns in the State is not only to do Dallas good but that it hopes to do good to every town visited.

We are informed that there will be over one hundred of the heads of Dallas' large manufacturing and wholesale and financial institutions in the party. They have a special train of ten Pullman cars, electric lighted, equipped with inter-communicating telephone, and at every stop the train will be connected with long distance telephone. They carry a twenty-piece band, a five-piece orchestra; have a barber shop on board, dining car and club car. In the observation car is found a piano, talking machine, stenographer, and typewriter. In fact, it will probably be the most perfectly equipped club train that has ever visited our city.

The Dallas men are traveling in comfort as well as style. The idea on their part, however, we understand, is so that they will not have to intrude upon the cities visited, and they are prepared to entertain rather than to be entertained.

Mr. S. G. Davis, Chairman of the Trade Extension Committee of the Chamber of Commerce, says: "We are counting with a great deal of pleasure on visiting our friends in West Texas. The 318 jobbers in Dallas are very much under obligations to the balance of the State. On this trip we are traveling some 1,600 miles, visiting 71 cities all in West Texas with the idea of calling upon our friends, meeting them in their places of business, talking over business conditions with them, thanking them for the business which they have given us as wholesale merchants, and with the especial idea of straightening out any little misunderstandings which may have occurred, and of getting to know personally the heads of the great retail institutions in the towns visited."

There are over 4,000 well rated merchants in the towns on our itinerary. These retail merchants are not only our customers but our friends, and every year it is our purpose as business men of Dallas to go out and call upon these friends and see if we can not develop points of interest that will be of mutual help.

The Dallas market grows as Texas grows. We are vitally interested in the progress of the State. Unless Texas prospers Dallas starves. We hope on this trip to develop a fine spirit of friendly co-operation, to ascertain more particularly the wants of West Texas, and to find out how we of Dallas can aid in the development of this wonderful territory which we are visiting."

Mr. Louis Lipsitz, President of the Chamber of Commerce, says: "We have a magnificent itinerary for our Fifteenth Annual Trade Excursion which starts April 18th and ends April 24th. West Texas is in ideal condition, and especially so in comparison with the balance of the State. To my mind it is the coming country, and, in fact, the greater portion of it has already arrived. Dallas is under particular obligations to West Texas, and I mean by West Texas all that portion of the State west from Dallas, and the Chamber of Commerce, representing all of the big institutions of Dallas, is spending \$15,000.00 this year in its Annual Trade Trip for the purpose of calling upon our friends in Texas and to develop more cordial and friendly business relations with them. I want it distinctly impressed that we are not seeking to be entertained; that we want to meet the merchants on our route in their places of business; we want to meet all the citizens; we want to invite them to come to the State Fair; we want them to realize that our interest in their prosperity is sincere and honest, that our effort is one of development, of trade expansion, and acquaintanceship."

Pay Your Cemetery Dues

Mrs. McConnell is going to be away for a few weeks this spring and early summer, and she is trying to get the finances of the Cemetery in good shape before she leaves, so do not wait for her to call on you for your assessment, but send in your dues. For years this noble lady has put in her time looking after the cemetery, and the Free Press would urge everyone to help her all they can by being prompt, and help to lift the burden she has so cheerfully assumed all these years, without pay and without price, but only a service of love.

Let the Free Press do your job work. We are prepared to do as high class work as can be done anywhere. Prices right.

Central West Texas Teachers Association Adjourns

Abilene, Texas, April 10—The Central West Texas Teachers' Association adjourned Saturday to meet next year at Abilene.

The following officers were elected: H. H. Guice of Stamford, president; H. E. Bell of Haskell, first vice president; W. W. Lackey of Midland, second vice president; Miss Callie Totten of Abilene, secretary and treasurer.

Interesting addresses were delivered by Assistant State Superintendent Whitley, Dr. S. R. Cates and W. W. Lackey. Resolutions were adopted commending the present administration for educational enactments of the legislature. The county superintendents' bill was endorsed.

THE TELEPHONE GIRL.

With a clamp on her head like a cage for her hair,
She sits all the day on a stiff little chair,
And answers her calls that come over the wire
From people of patience and people of ire;
And "number" she queries of noble or churl—
A wonderful voice has a telephone girl.
She has to be pleasant and bustling and keen,
With a temper unruffled and ever serene;
There are forty-five things she must think of at once
Or some rough subscriber will call her a dunce
Since it seems a general custom to hurl
The blame for your grouch on the telephone girl.
It's wearisome work on the nerves and the brain
Continual hurry, continual strain
And central gets tired—as other folks do—
And needs to be thoughtfully treated by you;
So think of her doing her best mid the whirl
And try to be white the "telephone girl."

Methodist Missionary Notes.

Monday afternoon, April 12th, the Auxiliary met with Mrs. Turrentine. When the society furnished the study of John's Gospels, the teacher, Mrs. Turrentine invited the society to meet in her home for a review of the book and a contest. Mrs. Fields and Mrs. Montgomery, as leaders, chose an equal number on each side. The members were instructed to memorize as many verses of the Book of John as they could.

When the ladies, 35 in number, were assembled, each one was given a little book in which to write the quotations. When the quotations were written they sang, "More like the Master I would ever be."

Mrs. Turrentine read a scripture lesson and Mrs. Wallace led the prayer. Then Mrs. Belle told what is known of John the author of the book.

Mrs. Turrentine gave a short analysis of the Book of John, and read a part of Ben Hur's description of the crucifixion of Jesus.

Mrs. H. C. Scott and Mrs. Bryson, visitors, were asked to count the number of quotations. Mrs. Montgomery's side having the most was given a box of homemade candies, Mrs. Field's side each received a bunch of violets.

Delicious refreshments were served by Miss Totten and Miss Burt.

The members joined hands forming a circle and sang, "Blessed be the Tie that Binds." A short prayer led by Mrs. Turrentine finished the program.

Every member went away with a greater desire in her heart to be more like the Master.

Last weeks report stated that circle No. 1 wore the blue ribbon this month. Circle No. 3 wears it and not No. 1.

Everybody is invited to attend the meeting at the church, April 19th. Pub. Supt.

Frank Simmons.

Frank Simmons, a young farmer friend of the Free Press, who has a farm on the south side was in the city Monday, and in conversation with him, we learned that he had in 120 acres last year. He had 20 acres in wheat and made about 300 bushels, 50 acres in cotton and made 30 ba es, 35 acres in maize, and made 370 bushels threshed, and kept enough in the head to winter 14 head of stock, and seed to make a crop. The balance of the land was planted to corn and feterita, and did not make much. He has plenty of home raised pork and bacon, and has five pigs that will weigh 200 lbs each now. He does not owe any one a cent, and is making his farm feed and support everything on it.

F. G. ALEXANDER & SONS.

The Young Farmers.

Haskell county has a bunch of young farmers coming on that are going to make a mark in the next five years. There is Ben Clifton and his young wife, who were raised in town, but when they married a few months ago, they went out to a farm, and if you want to see a happy and contented couple, just pass them on the street when they come to town. The struggle for the latest fashion is no worry to them, they have got pigs, poultry, young cattle, colts, and a crop coming, that will settle all the bills and leave something for a bank account.

"42" Party.

Mrs. T. J. Lemmon and Mrs. Travis Arbuckle gave a beautiful arranged "42" party Saturday afternoon at the home of Mrs. Lemmon, in honor of Mrs. Lemmon's daughters and Mrs. Arbuckle's sisters, Mrs. J. E. Morris of Spur, and Mrs. M. G. Jenkins of Ovalo.

The favors for the afternoon were crocheted baskets in which tiny candy beans were deposited for keeping score.

Mrs. Mert French won high score.

The tables were prettily centered with small Easter rabbits and tiny yellow and white chicks and Easter eggs which formed the place markers.

The hostess assisted by Mrs. Morris and Mrs. Jenkins served a delicious salad course to the following: Mesdames R. C. Montgomery, J. U. Fields, Clarence Lewis, Roy Shook, Mert French, Brewer Norman, Hardy Grissom, Ross Payne, Roy English, Ernest Sutherland, Charles Parson, Bruce Bryant, E. B. Woodward and Marvin Hancock, Misses Tommie Boone and Lela Couch.

Austin College.

The people of Sherman have just completed and presented to Austin College of that city, a \$50,000 auditorium. Mr. Lewis Sherrill, of this city, who is attending this college, has favored us with an extended write up of the formal presentation ceremonies, including a program of an Organ Recital, by George E. Case, assisted by Miss Fay Ellen Loving, soprano, and Mr. Stephen Bruno, basso. The musical program was elaborate, and was sufficient to test out the qualities of the pipe organ. This which is said to be one of the finest in the finest in the state.

Notice to the Public.

As will be seen from another notice in this issue, I have sold my interest in the Free Press to Mr. Oscar Martin. I desire to thank my friends and the public in general for their very loyal support and co-operation given the Free Press since my connection with it, and I earnestly solicit a continuance of same for my successor who will continue to give the people of this section a creditable paper.

In this connection I feel constrained to say that my business association with Mr. Martin has been one of the most pleasant in my career as a newspaper man. Also during my residence in Haskell I have found the people enterprising and progressive and I have formed a friendship with my neighbors and acquaintances here that will last as long as time. My best wishes will always be for the success of Haskell and her people.

Respectfully,
James A. Greer.

HASKELL, TEXAS, Apr. 17, 1915.

Haskell county raised 50,000 bales of cotton last year. This is about two bales for every man, woman and child in this county. Haskell county has forged to the front as one of the biggest cotton counties in the state.

Secretary Bryan seems to be smarting under the silence enforced by the fact that he is an office holder. That is he calls it silence. To the average person it would seem that he had done quite a good deal of talking since he went into office. But there are but few men who can do so much talking and writing as the secretary and none of it, or we will say as little of it, be superfluous and without meaning. Mr. Bryan is a great thinker and has the happy faculty of being able to tell what he thinks to such a degree that the world is enriched by it.—Kelleen Herald.

The fact is, Mr. Bryan has a job keeping the Germans from falling out with us, because we do not get into a war with England. The Germans have very little respect for a man like Bryan. Militaryism is the German ideal, and they have a supreme contempt for a Puritan.

Fifteen Vessels Sunk.

The cruiser has aboard sixty-one prisoners, including a number from the steamer Daleby, which sailed from Galveston Feb. 19. She arrived here only a few days after a sister raider, the Prince Eitel, sailed for Portsmouth to intera until the close of the war.

Citation by Publication.
The State of Texas.
To the Sheriff or any Constable of Haskell County, Greeting:
You are hereby commanded, that you summon by making publication of this citation in some newspaper published in the County of Haskell for four weeks previous to the return day her of, T. B. Griffin, whose residence is unknown to be an appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Haskell at the court house thereof, in the city of Haskell on the 24th day of May 1915, then and there to answer plaintiff's first amended original petition filed in said court on the 18th day of April A. D. 1914, in a suit numbered on the docket of said court No. 1735, wherein J. C. Bland is plaintiff and J. C. Bland, C. D. Long, T. B. Griffin, Mrs. Ida May Sherick, executrix of the estate of A. C. Sherick, deceased, and W. D. Joiner are defendants.

The nature of the plaintiff's demand being as follows:
Suit for debt and foreclosure of Vendor's lien under allegations in said petition substantially as follows, to-wit:
That heretofore, to-wit, on the 2nd day of September, 1908, the defendant J. C. Bland made, executed and delivered to the plaintiff nine promissory notes payable to his order, all bearing date September 2, 1909, and designated as number one, number two, number three, number four, number five, number six, number seven, number eight and number nine, each bearing interest at eight per cent per annum, payable annually, each providing that all past due interest shall bear interest from maturity thereof until paid at the rate of ten per cent per annum, said notes having been given as part of the purchase money for the land hereinafter described, each contains the following provision: "It is understood and agreed that failure to pay this note or any installment of interest thereon when due, shall at the election of the holder of them or any of them mature all notes this day given by me, J. C. Bland, to said J. M. Hanna in payment for said property" and each of said notes does also contain the following clause and provision, to-wit: "And I hereby specially agree that if this note is placed in the hands of an attorney for collection or if collected by legal proceedings, to pay ten per cent additional on the principal and interest as collection fees" and the said note number one is for the principal sum of two hundred and seventy two dollars but became due and payable November 15, 1909. Notes number two, number three, number four, number five, number six, number seven, number eight and number nine are each for the principal sum of \$271, and by their face and terms they are due on the following dates, respectively, November 15, 1910, November 15, 1911, November 15, 1912, November 15, 1913, November 15, 1914, November 15, 1915, November 15, 1916, November 15, 1917.

Plaintiff alleges that he became on the date of the execution and delivery of said notes as aforesaid, the legal and equitable owner and holder of the same and that he is now, and has been continuously ever since the date of said notes, the legal and equitable owner and holder of the same, that no part of either of said notes has ever been paid and that said notes number one, number two, number three and number four by their face and terms have long since become due and payable and that the annual interest upon each and all of said notes for four years has long since become due and payable and the defendants have each and all failed and refused to pay the same or any part thereof. By reason whereof the plaintiff has exercised his right of election to declare each and all said notes due and payable, and has so declared, and each all said notes are now and have long since become due and payable, and the plaintiff further alleges that after each and all said notes had become due and payable as aforesaid the said notes were placed in the hands of W. T. Andrews and H. G. McConnell attorneys at law for collection with instruction to institute this suit with the agreement and understanding between plaintiff and said attorneys that they, said attorneys, should have ten per cent of the amount of principal and interest of said notes as their fee for collecting same which plaintiff alleges is a reasonable and proper fee to be paid said attorneys for the service to be rendered by them under said employment and plaintiff alleges that though he has often demanded payment of said notes of the defendants they have totally ignored such demands and have each failed and refused to pay same or any part thereof to plaintiff's damage \$3500.00.

That contemporaneously with the execution and delivery of the notes above described, the plaintiff J. M. Hanna joined by his wife Lula G. Hanna, made, executed and delivered to the defendant J. C. Bland his general warranty deed whereby he conveyed to the said J. C. Bland the following described property, to-wit: All that certain tract or parcel of land situated in Haskell County, Texas, same being a part of the John Husband survey No. 78, abstract No. 158, certificate No. 3646-3747 patented George Hooper on October 14, 1856 by patent No. 524, Vol. 11, the part thereby conveyed being described by field notes as follows: Beginning at a point 1380 vrs. N. 1°, 40' E. of the S. E. corner of the W. G. McDaniels survey, said beginning point being also

the N. W. corner of a tract theretofore conveyed by plaintiff and his wife to L. G. McDonald; thence No. 475 varas to the S. W. corner of a 431 1-2 acre tract off the N. end of said Husband survey then owned by M. S. Pierson for the N. W. corner of this tract; thence S. 1° 17' W. along the N. line of the said McDonald tract 820 varas to the place of beginning, containing 161 3-5 acres of land. The plaintiff alleges that the notes above described were executed and delivered as aforesaid as a part of the consideration for said deed and that said deed that vendor's lien was reserved to secure the payment of each and all of said notes and that the plaintiff is now the legal and equitable holder and owner of said vendor's lien and the said notes being due and unpaid the plaintiff is entitled to a foreclosure of said lien to enforce their payment, and this deed is now duly recorded at page 611, vol. 41 of the deed records of Haskell County, Texas.

Plaintiff alleges and charges that it was also a part of the consideration for said deed that the defendant J. C. Bland did assume the payment of \$200 as balance due upon a note for \$251 dated January 15, 1904, executed by C. D. Long and T. B. Griffin to the order of S. W. Scott due January 15, 1909 with interest as therein specified from January 15, 1908, but plaintiff alleges that this last mentioned note has been fully paid, satisfied, discharged and cancelled and that same does not now exist either as a claim against defendants or as an incumbrance against said property.

Plaintiff alleges that thereafter on the 29th day of April, 1909, the defendant, J. C. Bland joined by his wife, Myrtle Bland, by their deed in writing, bearing that date, did convey the above described property to the defendants C. D. Long and T. B. Griffin and as part of the consideration for said last named deed the said C. D. Long and T. B. Griffin did assume the payment of each and all of the notes above described and in addition thereto they executed their own three certain promissory notes each for the sum of \$500 payable to the order of J. C. Bland, bearing eight per cent per annum from date, providing for ten per cent additional as attorneys fees and bearing even date with said last named deed and did deliver said three notes to the said J. C. Bland which became due and payable in one, two and three years from their date respectively and in said deed the vendors lien was reserved to secure the payment of all the above named indebtedness, but plaintiff alleges that the lien reserved in said deed last named is secondary and inferior to the lien reserved in the deed first herein mentioned and that said deed last named is now duly recorded at pages 68, 69 and 70, vol. 40 of the deed records of Haskell County, Texas.

Plaintiff alleges that thereafter A. C. Sherick in his life time became the owner of the three notes of \$500 each executed by said C. D. Long and T. B. Griffin fully described above by purchasing the same from the defendant J. C. Bland and that thereafter the said A. C. Sherick on the 25th day of April 1912, instituted his suit in the District Court of Haskell County, Texas, for the recovery of the amount then alleged to be due upon said three notes for \$500 each and for foreclosure of the vendors lien reserved in the deed from J. C. Bland to C. D. Long and T. B. Griffin to secure payment of the same, the said suit being styled A. C. Sherick vs. C. D. Long, et al. and numbered 1588 upon the docket of said court, and thereafter on the 27th day of May, 1915, the said Mrs. Ida May Sherick did appear in said District Court and in the said cause filed a written suggestion of the death of said A. C. Sherick, alleging that he had died on the 29th day of April, 1912, and that she, the said Mrs. Ida May Sherick, had been appointed and was then the duly qualified executrix of the said A. C. Sherick, deceased, and in writing prayed that she be made plaintiff in said cause and be allowed to prosecute the said suit in her name as executrix of the estate of the estate of said A. C. Sherick, deceased, and thereafter the said cause was by the said Mrs. A. C. Sherick as such executrix presented to final judgment against the defendant, J. C. Bland, C. D. Long and T. B. Griffin which was entered in the minutes of said District Court on the 9th day of June, 1915, awarding said Mrs. A. C. Sherick, executrix aforesaid, judgment for the sum of \$2220.50 with interest from said last named date at ten per cent per annum besides all costs of that suit, awarding also to the said Mrs. A. C. Sherick, executrix aforesaid, said, foreclosure of the vendor's lien reserved in the deed from J. C. Bland and wife to C. D. Long and T. B. Griffin above mentioned, and in said judgment it was provided that order of sale should be issued at any time after January 1, 1916, directing the proper officer of Haskell County to seize and sell said land under said judgment has yet been made and this judgment is recorded at pages 54 and 57, book 4 of the minutes of the District Court of Haskell County, Texas.

Plaintiff alleges that he was not a party to said suit above mentioned as cause No. 1588, and that all the rights acquired by the said Mrs. A. C. Sherick, executrix aforesaid, under said judgment are secondary and inferior to the rights herein asserted by the plaintiff and that said judgment rendered in said cause No. 1588 is in no wise binding upon this plaintiff for the reason that the notes herein declared upon constitute and are the first lien upon the property above described while the notes declared upon by the said Mrs. A. C. Sherick executrix in said cause No. 1983 are secured only by a second lien on said property. The plaintiff alleges that all the deeds herein mentioned and described are in the possession of the defendants in this cause and they are each hereby notified to produce the same upon trial of this cause or else secondary evidence of the contents of said deeds will be offered by plaintiff upon said trial. Plaintiff also alleges that under the judgment above mentioned, rendered as aforesaid in favor of the said Mrs. Ida May Sherick, executrix, an order of sale was issued out of this court on the 6th day of February, 1914, under which the sheriff of Haskell County, Texas, did seize and take into his possession the premises above described and did sell the same to the defendant, W. D. Joiner, and he, the said W. D. Joiner, is now claiming some kind of right, title or interest in said property, which is inferior to the title of the plaintiff evidenced by his vendors lien aforesaid.

Wherefore the plaintiff prays that citations in terms of the law be issued and served upon all of the defendants, requiring them, and each of them to appear at the next term of this court and answer this petition and that upon final hearing the plaintiff have judgment as follows:
1. Against defendants J. C. Bland, C. D. Long and T. B. Griffin for the full amount of the principal, interest and attorneys fees upon notes as used on in this cause as provided for in said notes as well as all the costs of this suit.
2. That he have foreclosure of his vendors lien as it existed on the 21 day of September 1908 against all defendants in this cause.
3. That it be provided in the judgment to be rendered in this cause that the order of fore-

closure provided for in the judgment rendered in said cause No. 1588 be vacated, annulled and held for null and void and that the order of W. D. Joiner, the purchaser under the order of sale issued out of said judgment be also cancelled as well as the deed held by him from the sheriff of Haskell County, Texas, under said order of sale.
4. That an order of sale be issued out of this court in this cause, and that said property be sold thereon for with directions that the proceeds of said sale be applied as follows: (a) to the payment of the judgment to be rendered in this cause in favor of the plaintiff, the surplus, if any, be applied upon the judgment rendered in said cause No. 1385, and if at said sale the proceeds derived thereby are more than sufficient to pay all costs of this suit and the judgment, together with the judgment already rendered in cause No. 1385, that then the surplus over the said two judgments and the costs of this suit, be then directed to be paid to such of the defendants in this cause as may show themselves entitled to receive it, but that the judgments in this cause further provide that if at the sale of said property to be made under the process to be issued in this cause, the proceeds derived shall not be sufficient to pay all the costs of this suit and the judgment to be rendered hereon, that then the plaintiff may have his execution against the defendants J. C. Bland, C. D. Long and T. B. Griffin for any balance of said judgment remaining unpaid as well as execution against all defendants for the collection of the costs of this suit, and the plaintiff further prays for the issuance of a writ of possession in favor of the purchaser of said property at such sale.
Herein full not, and have you before said court, on the said first day of the next term thereof, this writ with your endorsement thereon, showing how you have executed the same.
Given under my hand and seal of said court, at office in Haskell, Texas, this 10th day of April, A. D. 1915.

A Nervous Wreck

Had No Desire To Live — Peruna Is A Tonic and Strength Builder So Says

Mrs. Frank Strober, R. F. D. 1, Appleton, Wis. Her letter reads: "I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a nervous wreck. Could not sleep, eat or rest properly, and felt no desire to live."
"Three bottles of Peruna made me look at life in a different light, as I began to regain my lost strength. While my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life."
"I certainly think Peruna is without a rival as a tonic and strength builder, and it has my endorsement."
Mr. Charles Brown, R. R. 4, Box 79, Rogersville, Tenn., writes: "I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder."

WHEN MONEY TALKS

In Stamford, in Jones County, Money Talks! Have you seen evidences of this extraordinary feat? Money is talking now!

See the Eagle on the American Silver Dollar about Stamford, flopping its wings with delight over the enhancement of the par value of the Dollar. Watch the Goddess of Liberty on the other side, and see her smile with pleasure over the great increase of the value at Mistrot Bros. of the Dollar, over which she presides. It is a commotion; it indicates that there is something doing, a demand for money, an increase of its buying value. Usually money does not talk. Before Mistrot Bros. opened business at Stamford, the Goddess, dejected, sat sadly on her throne, moaning and silently lamenting over the great depreciation of the American Dollar, by reason of the business conditions of the times. Her uncontrolled feelings then were caused by the small purchasing value of the American Dollar at Stamford; this result being the high price of Dry Goods, Shoes, Hats, Dress Goods and Merchandise generally. **Money Talks Now** at Stamford. The Eagle is happy, the Goddess is glad, and everybody is satisfied over the business changes about Stamford. **Mistrot Bros.' big sale makes the Money Talk.** Mistrot Bros.' system of "**Your Money's Worth**" meets with the approval of the Goddess.

Money Talks when \$20 suits sell for \$10 and \$15 and \$16 men's wool serge suits sell at \$7.50 and \$8.50. Money Talks when 50c silk stripped dress goods and 50c ratines sell at 12c. Money Talks when calicoes sell at 3c and 4c a yard and \$1.00 overalls sell at 75c; Money Talks while the remnant counters are full of beautiful gingham, suitings, bleachings and numerous yards of goods at little prices. Money Talks when oil cloths sell at 9c a yard. Money Talks when 25 sales people are busy waiting on the crowds. That's the way Money Talks at Stamford at Mistrot Bros. & Co.

Money Is The Lever of Business!

It is the great wheel which directs the commerce of the Universe. Money is either depreciated or appreciated, according to the way that the boat *Commerce* is handled. The Merchant who opens his doors for business has charge of the big wheel of "commerce," the boat. He invites you in; he takes all passengers who will enter his vessel. Where is this merchant leading you to? What shores are you bound for? Look well at the vessel and examine the lifeboats before you get aboard. Once inside you will soon be tossing too and fro as the big wheel rolls on, and you will be rocking on the bosom of the sea. Be sure you are in the right kind of a boat. Ask the

name of the engineer, and call for old man CASH and his son, "**Your Money's Worth.**" Enter into that boat and you are safe, and you are not likely to be tossed against the angry foaming waves, to be finally thrust head-long upon the ragged rocks, as would be the case in less desirable crafts.

Has the trading public thought of this before? Yes, they have seriously considered this before as evidenced by the way they kept the Goddess and the Eagle stored away in their wallets, where their screams and lamentations could not be heard. It is different now at Stamford. The advent of **Mistrot Bros.**, and the big sale has changed the situation. They are responding and crowding there—they have loosened the strings of their wallets, and the Goddess is talking and the Eagle is screaming now.

Look at the excited crowds as they move about the store. They do not fear now of any wreck and of being cast upon the rocks. They are looking at the beautiful embroideries, laces, ribbons, hosiery, handkerchiefs, ties, skirts, and all things beautiful that gladden their hearts. **Your Money's Worth** presides over the throngs of humanity. The very atmosphere about the store is permeated with the attractive influence of his presence over the crowds. What then is the sequel of it all? After a voyage of this kind, in the **Mistrot Boat**, you will land by and by on beautiful shores near vast beds of flowers, where violets and roses are in profusion to greet you and make you happy.

THEN! THEN!! THEN!!!

Then with all this money that you have saved by getting in touch with "Your money's worth" where money talks, you can live forever afterwards in this land of enchantment a happy and content life, on the interest of the Money you have saved. That means that you can get rich by taking advantage daily of Mistrot's bargains.

When Money Talks for a man there is a chance for him to wear good clothes, and for his children and family to be clad in fine raiments without having to sell the milk cow or to mortgage old Sal and old Jane. When Money Talks, the old man can take the old lady to church in an automobile and she can enter the church proudly and shake her silk dress, and make the skirt rustle and she can hold her head up as she takes her seat in the pew way up toward the front. She is pleased with herself now. The children are all there with her, all clad in good shoes and nice dresses, and the boys with nice clothes; but what pleases her best is to see the old gentleman with a brand new \$18 blue serge suit which he did not have to order from the order house, but which he bought at only \$8.80 from Mistrot Bros.; and it fits him nicely. She sits now in the front pew and as she looks back she feels proud when she sees her numerous friends all there with good clothes like herself—all bought from **Mistrot Bros.**, of Stamford.

WHEN MONEY TALKS

When Money Talks good 25c suspenders are 17c and 20 kinds are 10c. When Money Talks, you save money on laces, embroideries, flouncings, ribbons, etc. When Money Talks, you buy ladies' skirts at half price. Nice \$5.00 dresses at \$1.50. When Money Talks, you get men's guaranteed hats at \$1.95, although they are worth \$4. When Money Talks, you are admired by your friends, because you wear good clothes, because you can afford to. When Money Talks—you can see smiles where frowns used to be you hear compliments where abuses prevailed. When Money Talks the wife is pleased over the appearance of her husband and sons; and the husband thinks his wife is getting younger. The big sale at **Mistrot Bros.** is the place where **Money Talks**. Hundreds of people are here in daily attendance. The crowds are crowding there as they did at the beginning—there is no end to it—they keep coming—and the sale is saving the people of Stamford and Jones County **Barrels of Money.**

Rose Blossoms.

How is this fine weather serving everybody?

Health in our community is very good at present.

Slon Theford and his father are just getting over their cases of small pox. The remainder of the family having had the disease.

Ed Davis, our Sunday school superintendent is not able to re-assume his duties yet, from a case of fever.

Dock Smith and Miss Ella Davis attended Sunday school at Rose Sunday evening.

A large crowd enjoyed a fine singing at Mr. Russell's Sunday night.

Bro. Stricklin from Haskell preached an excellent sermon at Rose Sunday. There was a large crowd, but none in comparison to what should have been there.

If we can't go to hear our regular preachers, lets try to show a new one enough respect to attend. Let's have large crowds more regularly and note the change.

Bro. Stricklin will preach again next second Sunday. Everybody is invited to attend.

We have two Sunday schools at Rose each Sunday. Come and join us. We appreciate your presence.

Messrs. Jesse Barton and Mr.

John Hall visited at Mr. G. W. Henshaw's Sunday evening.

Mr. and Mrs. F. K. Rose spent Sunday with Mr. and Mrs. S. M. Hays Sunday.

Work is the whole object, subject and act of the day. Most everybody are busy planting feed, and preparing to plant cotton.

Our school is still climbing upward. It will be out May 14.

Do not forget the meetings semi-monthly of the people of the community to discuss those subjects in behalf of farming. If you have never attended, come once.

We will greatly appreciate your presence. Our next meeting will be Friday night, April 16th. Be sure not to forget, the subject is, "Poultry Raising," with a few minor subjects.

W. M. Mask, Haskell's new grocer was in our midst Sunday morning.

Ewell Lusk had company Sunday.

I must be going.

"Rose Kid."

Ballew Bubbles

Hello friends! How are you all? Ballew is still improving.

There was an Easter Egg hunt at Mr. Lawson's Easter. A large crowd was present.

Prizes were awarded to Leonard Toliver and Mabel Cunningham for finding the most eggs. They received nice boxes of candy. Everybody reported an enjoyable afternoon.

The men of Ballew and neighboring friends enjoyed a pleasant day on a rabbit chase last Thursday. They killed about 200 rabbits. They spread a fine dinner with lots of good coffee.

Eddie Connor happened to quite a serious accident last Saturday. A team and wagon ran away with him, threw the wagon bed out upon him, and bruised him up considerably. We are

real sorry that Mr. Connor happened to such a serious accident, but hope he will soon recover.

The W. O. W. had a big time last Friday night. They initiated a new candidate, Mr. Robt. Hayes, and had lots of good coffee and cake. There were several visiting members present, and we were certainly glad to have them with us.

Paul Josselet is on the sick list this week.

We are glad to report Miss Rosa Lee Josselet is improving under treatment at Mineral Wells. We hope Rosa Lee will soon be back home again.

There was singing at Ballew Sunday evening. A large crowd enjoyed some good singing.

Mr. Grindstaff left this week for Dallas, on a business trip.

We have been told that Mr. Luther Toliver is planning a trip to Mineral Wells soon. We hope Miss Ardonia Josselet will soon return as we are aware of the fact that Mr. Toliver needs Luther's help in the field.

Mr. Sanders of Albany visited his sister, Mrs. McWilliams, Tuesday of this week.

Messrs. Roy Hooten, Chas. Fouts, Misses Mertie Mosely and Elva Cox attended an Easter Egg Hunt at Mr. Wright's near Sayles. They reported an enjoyable time.

Most everybody is real busy in the fields now. The young grain is doing fine.

Messrs. Claud Thomas and Owen Toliver, Misses Addie B. Brown and Mabel Cunningham attended church at Haskell Sunday night.

Ed Fouts and Miss Bessie Glenn of Haskell visited in this community and attended sing-

ing at Sam Williams' Sunday night.

Bro. Reed did not get to preach last Sunday.

Mr. G. A. Turnbow has been putting in most of the week moving plow implements. He says he is going to do business to the weeds this year.

Well friends, I think you have been detained long enough.

Freck.

That Tired Feeling

Do You Continually Feel Sluggish, Disinterested?

If you do, it is probably caused by your liver. When the liver fails to perform its functions properly, the system becomes clogged with poisonous matter, that weighs you down mentally and physically.

The liver gets out of order very easily, and if neglected, chronic trouble usually results. Don't delay if you feel badly. You knowingly lay yourself open to life long pain, when you allow yourself to continue in a run down condition. Cure yourself quickly and harmlessly with the natural vegetable remedy, Liver-Lax. It has all the effectiveness, but not the effect of calomel.

Genuine Liver-Ver-Lax bears the likeness and signature of L. K. Grigsby, and is guaranteed to give satisfaction or money refunded. Insist on it. For sale by Corner Drug Store.

"Made in U. S. A."

An American and a So man were walking in the Highlands, and the Scot produced a famous echo. When the echo returned clearly after nearly four minutes, the proud native, turning to the Yankee, exclaimed: "There, mon, ye canna show anything like that in your country."

"Oh, I don't know," said the American. "I guess we can better that. Why, in my camp in the Rockies, when I go to bed, I just lean out of my window and call out, 'Time to get up! Wake up, and eight hours afterward the echo comes back and wakes me.'"
—Bristo Times.

Try It! Substitute For Nasty Calomel

Starts your Liver Without Making You Sick and Cannot Salivate

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50c, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

Mon't Mistake The Cause

Many Haskell People Have Kidney Trouble and Do not Know It

Are you tired and worn out?
Feel dizzy, nervous and depressed?

Are the kidney secretions irregular?

Highly colored; contain sediment?

Likely your kidneys are at fault.

Weak kidneys give warning of distress.

Heed the warning; don't delay—Use a tested kidney remedy.

Read this Haskell testimony.

W. M. Tucker, Haskell, says: "Lameness in the small of my kidneys caused me a great deal of suffering, especially when I was at work. Nothing seemed to reach the cause of the complaint until I got Doan's Kidney Pills at the Corner Drug Store. Since I used them, I have been quite free from these annoyances."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. W. M. Tucker recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

Dallas, April 15.—Arriving in Haskell, Tuesday morning, April 20th, on their own special train, the members of the Dallas Chamber of Commerce excursion party will be required to spend most of their spare time talking about one particular institution—the State Fair of Texas. Of course, each one will be permitted to say a little something about his business, but that something must be LITTLE. The visitors will tell of the preparations already made for this year's fair, which assure the greatest array of educational exhibits, farm displays, livestock exhibits and entertainment features on record.

Racing has been called off at the State Fair this fall, but there's to be something just as exciting and as interesting in front of the race track grandstand. A big Hippodrome act, aerial artists, trained animals, acrobatic, and vaudeville features—all direct from New

York—will be the offering afternoon and evening.

Ten acres of the race track infield will be turned into a great athletic field. Here each day during the Fair—October 16 to 31—it is planned to have four track meets, football games and athletic contests of every sort. Four big collegiate games have already been arranged for—Oct. 18, Trinity University vs Baylor College; Oct. 19, Texas Christian University vs Austin College; Oct. 23, University of Texas vs University of Oklahoma; Oct. 30, A & M College vs Haskell Indians. With all this carried through the coming Fair promises to be the Mecca of all lovers of out-door sports.

The prizes to be awarded this fall have resulted in great interest being aroused throughout the farming and livestock sections of the state. Members of the boys' corn clubs, girls' canning clubs, boys' cotton clubs, county and district agricultural associations and livestock breeders have started this early getting their exhibits ready for the Fair.

President W. I. Yopp, of the State Fair of Texas is a member of the Dallas Chamber of Commerce party. He is anxious to meet prospective visitors and to give any information as to prizes, classifications, etc., desired.

The State of Texas.—To the sheriff or any constable of Haskell County, Greeting:

You are hereby commanded to summon the heirs of J. H. Harvin, deceased, and the heirs of Enoch Robinett, deceased, whose names are unknown, to appear at the next regular term of the district court of Haskell county to be held at the court house in the city of Haskell on the 24th day of May, 1915, then and there to answer the first amended original petition, filed in said court on the 22nd day of March, 1915, in cause numbered 1867, wherein August Teichmann and Frederick Franke are plaintiffs and the Unknown Heirs of J. H. Harvin, deceased, the Unknown Heirs of Enoch Robinett, deceased, and Geo. W. Thomason, R. P. Williams and Olin D. Harvin are defendants.

Plaintiffs sue for partition of the Enoch Robinett survey situated in Haskell county, Texas, claiming ownership by fee simple title of a 350 acres undivided part as the property of said Teichmann, a 28.30 undivided part, less said 350 acres, as the property of said Franke and a 2.30 undivided part as the property of said Unknown Heirs of J. H. Harvin, deceased, and that defendants, Geo. W. Thomason, R. P. Williams, Olin D. Harvin and the Unknown Heirs of Enoch Robinett, deceased, are setting up some pretended claims to some part or parts of said survey, the exact nature and extent of which is unknown to plaintiffs, but which casts a cloud upon plaintiffs' title.

That plaintiff, August Teichmann, purchased the said 350 acres by metes and bounds as herein after described and has placed valuable improvement thereon; and that plaintiff, Frederick Franke, has made valuable improvements upon other part of said survey; and that said improvements can be set apart to plaintiffs without detriment to their co-tenants.

That plaintiffs and those under whom they claim have had peaceable, continuous and adverse possession of said lands and premises, an undivided interest of 28.30 for themselves and an undivided interest of 2.30 for said Unknown Heirs of J. H. Harvin, deceased, being known as the Enoch Robinett survey situated in Haskell County, Texas, and described by metes and bounds as follows:

Beginning at a set rock 671 vrs east of the S. W. corner of Thos. Early survey; thence south 3000 vrs. to stake for S. W. corner; thence east 666 vrs., the center of the railroad track, 933 vrs., a branch, 2777 vrs. a stone mound for corner; thence N. 0° 8' E. 3006.7 vrs., a stake 21 feet south of a stump; thence S 89 degrees, 52' W. 2784 vrs. to place of beginning, containing 1479.4 acres of land, cultivating, using and enjoying the same for more than 10 years after the cause of action of all the other defendants accrued and before the commencement of this suit, taken and held under written memoranda of title specifying the boundaries of said tract and duly recorded 10 years before the filing of this suit in the deed records of

Haskell county, Texas, as follows: (a) A deed from J. E. Parker and wife, Nettie C. Parker, to I. E. Wood, dated July 1st, 1898, recorded in Book 20, Page 528, said deed records; (b) A deed from John C. Roberts to Ira E. Wood, dated Nov. 16, 1896, recorded in Book 18, Page 274; (c) A deed from Ira E. Wood to W. H. Wood, dated October 11, 1898, recorded in Book 20, Page 530. (d) A deed from Ira E. Wood to T. N. Wood dated January 31, 1902, recorded in Book 22, Page 408. (e) A deed from Terry N. Wood to Ira E. Wood, dated Nov. 9, 1903, recorded in Book 22, Page 495. (f) A deed from Terry N. Wood and wife, Mame Wood, to Ira E. Wood, dated Feb. 25, 1905, recorded in Book 27, Page 19. (g) A deed from Ira E. Wood and wife, S. E. Wood, and W. H. Wood and wife, Electa Wood, to Frederick Franke, dated Aug. 11, 1906, recorded in Book 35, Page 113. (h) A deed from Frederick Franke and wife, Dora Franke, to August Teichmann, dated Dec. 11, 1907, recorded in Book 43, Page 53.

That plaintiffs and those under whom they claim have had peaceable, continuous and adverse possession by an actual inclosure of said lands and tenements, claiming and holding the same, a 28.30 undivided interest for themselves and a 2.30 undivided interest for the Unknown Heirs of J. H. Harvin, deceased, cultivating, using and enjoying the same for 10 years after the cause of action of the other defendants accrued and before the commencement of this suit.

That plaintiffs and those under whom they claim have had and need peaceable, continuous and adverse possession of said lands, claiming an undivided 28.30 interest therein, cultivating, using and enjoying the same under deeds duly registered and paying all taxes thereon for more than 5 years before the filing of this suit, and after defendants' cause of action accrued thereon.

That plaintiff, August Teichmann, has had peaceful, continuous and adverse possession of said 350 acres out of said Robinett survey, beginning at S. E. corner of said survey; thence West 2093 vrs. to stake in E. B. line of Right-of-Way of P. & G. R. R. Co.; thence, with said right-of-way N. 14 degrees, 45' E. 1049 vrs. to N. W. corner this tract; thence East 1827 vrs. to stake in E. B. line of said Robinett survey; thence South 1013 vrs. to beginning; cultivating, using and enjoying the same, claiming same under a deed duly registered and paying all taxes due thereon for a period of more than 5 years after the Defendants' cause of action accrued and before the commencement of this suit.

Plaintiffs pray for partition, appointment of commissioners and that improvements made by each be set apart to him, for judgment clearing their title from the cloud cast by the pretended claims of said Unknown Heirs of Enoch Robinett, deceased, and of Geo. W. Thomason, R. P. Williams and Olin D. Harvin.

You are hereby commanded to serve this citation by publishing the same once in each week for eight successive weeks, previous to the return date hereof in a newspaper published in your county.

Herein fail not, but have you before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness E. W. Loe, Clerk of the District Court of Haskell County, Texas.

Given under my hand the seal of said court in the city of Haskell and issued this 22nd day of March, 1915.

A Lesson from the Past

Years ago, before baking powders were so well known, the housewife sometimes made her own from cream of tartar and soda.

These materials were then comparatively expensive and processes of refining had not been devised to bring them to the high state of purity of the present-day well known cream of tartar baking powders, such as Dr. Price's; and yet she never thought of buying alum, then as now a cheap and inferior substitute for cream of tartar. She wouldn't think of permitting an ounce of alum to enter her kitchen.

Yet housekeepers are to-day asked to buy alum baking powders with which to make food for their children.

The statement on the label affixed to every can naming the ingredients of which the baking powder is composed affords a method of protection against the use of undesirable kinds.

A Tremendous Trifle

A king riding for his life had been told a nail was missing from one of the shoes of his mount. He didn't think it mattered. But the horse cast a shoe, went lame and the royal fugitive fell into the hands of his enemies—lost for lack of a trifle.

The trifle is always producing results out of all proportion to the cause.

Oil is a trifle in each individual case, but it enters so intimately into all the operations of your domestic or business life that you depend upon its service for the continuance of all your affairs.

Quality and service are of the utmost importance to you. The kind of quality and service supplied by the "Made in Texas" products of The Texas Company, known by the Red-Star-Green-T emblem and the Texaco name.
