Sunsets and Silhouettes
Has anyone taken the time lately to notice the gorgeous sunsets we are having?

They crown the end of a day with glorious tones of red and orange, lavenders and purples, pale yellows and delicate lavenders.

Sitting on a friend's deck Saturday night twelve of us watched the sky put on a display that far surpasses anything mankind has ever managed.

Autumn brings sunsets that are beautiful and yet almost eerie.

Perhaps that is because of the silhouettes created. As the thinnest of the trees their crackled shapes stand out in stark contrast to the brilliant colors in the sky.

Perhaps it is the wintry look of this scene that makes us feel a little melancholy, a little sad, but still able to appreciate the incredible beauty of the scene.

Later that night the moon cast a gorgeous light on the world, prompting the coyotes to hold a serenade that might not win any music awards, but was still beautiful in its own unique way.

Early the next morning the world was once again treated to a more subtle, but still lovely display of autumn sky color, perhaps predicting the fall leaf display that is beginning to show tints of delicate gold and brown.

It is a time to enjoy the fabulous temperatures, to enjoy the amazing skies and the changing colors of fall. Don't miss it, take time to appreciate it.

Country Cooking with Liz Irwin

Our featured cook this week is Sharon Francis of Deport. She is the City Secretary for Deport and has been since January 1, 1981. Sharon has lived in Deport for 22 years and has two children. Crystal attends college at Northwestern State University in Natchitoches, Louisiana and Clay is married to Chasity and they have two children, Camen and Caley and live in Bogata. She is a member of the First Baptist Church and sings in the choir, along with teaching 3rd and 4th grade Sunday School and being a G.A. leader for 1st-4th grades. Sharon also enjoys reading and cooking. We hope you enjoy her recipes and we will see you in the kitchen.

Mexican Casserole-this recipe uses corn tortillas and Sharon says they are the best, but you can substitute Tostitos if you like.
Guacamole Dip-using lemon or lime juice will keep the dip fresh and will prevent discoloration until serving. Also, before chilling, place the seed you removed from the avocado on top of the dip and remove before serving.
Chicken Enchiladas-always a favorite with everyone!
Caramel-Apple Pecan Tart-I found this recipe and thought I would pass it on to everyone!
Chewy Caramel-Apple Pecan Cookies-these just sounded good!
Pound Cake Cookies-check this recipe out and see what you think!

Mexican Casserole
1 package corn or flour tortillas
2 pounds hamburger meat
1 medium chopped onion
1 can Ro-tel tomatoes
2 cans Ranch-Style beans
1 package mexican-blend grated cheese
Brown meat and onions; drain. Mix together all ingredients except cheese. Cut tortillas into quarters and place in baking dish. Then add half of meat mixture; place cheese on top and then tortillas, meat mixture and cheese. Bake until done at 350 degrees.

Guacamole Dip
1 medium ripe avocado
4-1/2 teaspoons lemon or lime juice
1 tomato-chopped finely
1 tablespoon jalapeno pepper-chop fine
1 garlic clove-minced
1/4 teaspoon salt
tortilla chips
In bowl, mash avocado and juice. Stir in tomato, onion, jalapeno, garlic and salt. Cover and chill. Serve with chips.

Chicken Enchiladas
flour tortillas
2-8 ounce cream cheese
2 cans chicken or cook your own
3 cans green chilis
green onions-chopped
8 ounce package graded cheese-Mexican
garlic powder to taste
Mix all ingredients together. Roll in tortillas and place in baking dish. Pour small box of whipping cream over rolled tortillas and sprinkle with cheese. Bake at 350 degrees until cheese is bubbly.

Caramel-Apple Pecan Tart
3-1/2 cups baking mix
1 cup heavy whipped cream
1/2 cup butter or margarine-melted
1 can cinnamon-apple pie filling
2/3 cup caramel-apple dip
1/2 cup pecans
In mixing bowl, stir together mix, cream and butter until pastry dough forms a ball. Turn onto flour dusted surface with additional baking mix if needed. Knead 7-10 times. Roll out 15-inch round. Fold into quarters and transfer to 13-inch pizza pan or baking dish. Spoon apple filling over pastry. Place teaspoonfuls of caramel dip over filling. Sprinkle pecans over top. Fold dough toward center to make edging. Bake at 400 degrees for 20-22 minutes or until golden brown.

Chewy Caramel-Apple Pecan Cookies
1 cup granulated sugar
1 cup packed dark brown sugar
1/2 cup butter-softened
1/2 cup margarine-softened
2 large eggs
2 tablespoons milk
2 teaspoons vanilla
3-1/3 cups baking mix
2-1/2 cups oats
1 package chopped dried apples
1 cup chopped pecans-toasted
20 caramels-cut into 8 pieces
In large bowl, beat sugars, butters until light and fluffy. Add eggs, milk and vanilla; beat well and combine. Slowly add baking mix and oats; beat at low speed to combine. Stir in apples, pecans and caramel pieces. Cover; chill for 1 hour. Place tablespoonfuls on baking sheet well coated with cooking spray. Bake at 375 degrees for 12-14 minutes. Cool and transfer to wire rack.

Pound Cake Cookies
1 package pound cake mix
1/3 cup butter or margarine-softened
1 teaspoon almond extract
1 egg
Heat oven to 375 degrees. Mix half of cake mix, margarine, extract and egg in large bowl until smooth. Stir in remaining cake mix. Divide into halves. Roll each half 1/8 inch thick on lightly floured board. Cut into desired shapes; or roll into 1-inch balls. Place on ungreased cookie sheet and flatten with bottom of glass. Bake until edges are light brown; 6-8 minutes. Cool slightly and remove to wire rack. Ice with Buttercream Icing below.

Buttercream Icing
1/2 cup margarine
1-1/2 teaspoon clear vanilla
5 cups confectioners sugar
2-3 tablespoons milk
Cream butter and shortening and add vanilla. Add sugar, one cup at a time. Beat at medium speed. Add milk to desired consistency. Smooth onto cookies. Sprinkles may also be added.

George Peter Ford dies at age 51

George Peter Ford, age 51, died Thursday, October 12th at his home in Dallas.

Services were held at 2 p.m. Saturday, October 14 at Sparkman/Hillcrest Northwest Highway Chapel in Dallas. He was cremated.

Dr. Ford was born in Ilford, Essex, England in 1949. He earned a bachelor of science degree with honors from Bedford College at the University of London and a doctorate of philosophy from the University of East Anglia in 1975.

An interest in computational chemistry prompted Dr. Ford to come to the United States, where he worked and studied under Dr. Michael Dewar at the University of Texas at Austin.

After five years conducting cancer research at the Hutchinson Cancer Research Center in Seattle, Dr. Ford began his career as a chemistry teacher at SMU in 1984.

He filled his time away from chemistry with world travel, bridge games and classical music, which is how he met his wife, Linda, more than twelve years ago.

"A major interest of his and mine was trying to learn about classical music", Linda says.

"I guess he saw that I was interested in continuing to learn about classical music and for the first date he asked me to go to the SMU symphony. He compiled quite a large CD collection - Gustav Mahler was probably his favorite."

In addition to his wife, Dr. Ford is survived by his mother Sheila Cross and her husband, Alan of Colchester, England; his father, George W. Ford and his wife, Olive of London; brother David Ford and family of Manchester, England; sister Lyn Jones and family of Hong Kong; half-sister Joann Ford of London; and Linda's family, son Joel Price of Plano; daughter Leslie Price LaMastus and her husband, Robert, of Carrollton; and granddaughter Bethany of Carrollton and his mother-in-law, Alva Moore of Garland.

Linda is a former resident of Deport, and Mrs. Moore will be remembered as a special teacher in the Deport school system for many years.

Card of Thanks

I would like to extend my deepest gratitude to Calvary Baptist for the beautiful dedication service in memory of Lucile Whitney. She loved each of you at the church, and she would be proud that you are keeping her memory alive with the recordings of the services each Sunday for the elderly in the area. Your heartfelt testimonies of love are truly appreciated, and I know that she will be forever remembered in our hearts and minds.

Mr. and Mrs. Anthony Fernando Velasco

Velasco-VanDeaver exchange vows

Charlotte Fay VanDeaver and Anthony Fernando Velasco were united in marriage Sunday, September 3. The Rev. Will Davis of Austin Christian Fellowship performed the ceremony on the garden grounds of Barr Mansion in Austin, TX.

The bride is the daughter of Joseph Gordon and Helen F. VanDeaver of Pattonville. Her grandparents are the late Thomas M. and Thelma VanDeaver, formerly of Fulbright and the late George and Hazel Cheatham. She is a graduate of the University of Texas at Austin and received her master's degree from St. Edward's University. She is employed as a Project Manager in the Information Technology division of Worldcom.

The groom is the son of Fernando Manuel and Francis Mary Velasco of Austin, TX. He is the grandson of Alfredo and the late Clarita Velasco of Stuart, Florida and the late Carl and Ruth Helen Hyatt of Cleveland, Ohio. He is a graduate of the University of Texas at Austin and is employed with BAM! Advertising in Austin.

The bride was given in marriage by her father. Her gown, designed by Ada Athanassiou, featured an ivory

silksatin sleeves bodice with band of beading at the waist and full tulle skirt. She wore a tiered, elbow-length veil with scalloped edges and headpiece adorned in seed pearls.

Matron of honor was Darla Kay McCubbins. Bridesmaids were Jennifer Uptmore and Charlotte Soback. Soloist was Claudia Leigh Velasco, accompanied by Michael Jackson on guitar. Emma Frances and Ruel Thomas Ellis were flower girl and ring bearer.

Best man was Mathew Allen Lewis. Groomsmen were James Kelly Jones and Daniel Garcia. James VanDeaver read I Corinthians 13 in both English and Spanish. David Mechem and Thomas Ruel Ellis were ushers.

A Celtic march procession was performed by the band Rumbullion, and the South Austin Gospel Choir commended the closing of the wedding ceremony with two original compositions, "Build On The Rock" and "South of the River". Music at the reception was performed by Rumbullion and Slaid Cleaves.

Following a honeymoon in the Yucatan peninsula and the Caribbean, the couple now resides in Austin, TX.

How I Turned My Hispanic Perspective Into a Positive Influence

By Max Plata

Surviving negative episodes in my life, especially those that were aimed at my Hispanic heritage, is something I want to forget. However, I have found that this is not very easily done. I still can recall many of those negative events as if they were happening now. The emotional scars that these events left in their wake are long lasting and they still hurt when I recall them. However, I am able to cast them aside quicker than when they initially occurred.

As early as first grade, I learned that I had to rely on my skills and my God-given talents to overcome negative events. Instead of harboring hatred toward those who hurt me, I compensated by plunging into schoolwork with vengeance. I applied every piece of advice my Dad offered, especially if it applied to learning an achievement. I turned being a Hispanic, a negative in my peer's eyes, into a positive attribute for my family and me. Through my achievements, I wanted to pave the way for my brothers and sisters and other Hispanics who followed me, to show the world and mostly those that hurt me, that Hispanics could be smart in school.

Throughout my education career, as a student and as an educator, I have always followed the philosophy instilled in me by my Dad: "work hard and it will pay off". In many respects this philosophy helped me to succeed at Paris Junior College, at Sam Houston State University, as a classroom

teacher of the mentally retarded, and finally, to succeed in obtaining my Ph.D. from the University of Kansas. I applied this same philosophy in my work as at teacher educator in the field of special education and as a Director of Student Assessment. Throughout all my endeavors I never lost the confidence that I gained as a first grader when I proved to my non-Hispanic peers that I was a smart dude and they had better study hard and work hard because if they didn't they would be beaten by a Hispanic.

I have tried to become a model that others can emulate, both academically and socially. To promote myself as an academic model, I publish articles in professional journals. I have published in monographs, and a chapter in a book. To promote myself as a social model, I maintain a strong work ethic, put in an honest day's work, apply rules an regulations fairly and justly and am open and accepting of individuals of all cultures, races, ethnic backgrounds, ages, levels of employment and income levels. In short, I, as a Hispanic, want those who witness my achievements and my positive work behaviors and my positive attitudes to use these attributes as a yardstick to measure other Hispanics they encounter.

If I succeed in making a positive impact on some individual within and without my cultural group, then I am satisfied that I have turned my Hispanic perspective into a positive influence.

Dear Country Cathy,

"I can't believe you did that!", "I don't know." "Help, I need advice!" Has this ever happened to you? You needed another opinion and couldn't think of who to call?

Well, I'm Country Cathy and I have a lot to say, a good ear for listening and a shoulder to cry on. Let's talk about it! Get it out in the open, get a real honest opinion and maybe learn something new. I'll share some advise from new recipes to problems with teenager love. Just drop us a line with your questions and we will feature some of them in the paper. But remember, keep your questions short and sweet, not long and weepy. Please, first names only.

Dear Country Cathy is waiting to hear from you at P.O. Box 345, Bogata, TX 75417.

Dear Country Cathy,

I am a big pack rat. I can't seem to get anything done or throw anything away. Can you help me get something done?

Signed,
Terrible Organizer

Dear Terrible Organizer,

I think the best thing you need to do is focus on one thing at a time, only handle the small jobs first then tackle the hard ones last. You will be a lot less stressed and a happier camper. Besides, the point is to be happy!

Dear Country Cathy,

I am a high school student and I wear what I think is cool, but some kids make fun of me for wearing different clothes than them, or when to wear certain clothes. What should I do or what could I do?

Signed,
Cool As Can Be

Dear Cool,

This is the year for new things and outrageous fashions. Don't worry about what others say because it sounds like they are just jealous because you are getting attention and they aren't. If what you wear makes you feel good about yourself, then you go!

Tip of the Week

Removing tough lipstick stains, use hairspray!

EXPLOSION-Bogata VFD was called to an explosion at Welch Gas Monday, Oct. 16. Employee Bill Godwin of Blossom was checking out some heaters customers had brought in. Owner Wes Welch said "we just don't know what happened at this time because we haven't been able to talk with Bill". Welch said he would like to thank the Bogata VFD and Bogata Police Department for their prompt response and assistance. Godwin was transported to Parkland Burn Center in Dallas. Doctors were planning on doing some skin grafts on his hands Wednesday morning, but he is expected to recover. The explosion destroyed the small work building behind the main office of the business. Club Foot

Clubfoot, or equinovarus, is a common birth defect caused by a combination of hereditary and other factors that may affect prenatal growth. The foot twists inward and down, and the heel cord is often tight, making it impossible to bring the foot to a normal position without help. If both feet are affected, the toes point toward each other. The painless condition does not cause problems until the baby tries to stand or walk. If left untreated, the ankle remains twisted and the foot cannot move normally. An awkward gait develops and can lead to infection, calluses, slowed growth in the leg, and arthritic symptoms. When just one foot is affected, that foot and calf become smaller than the other. Whether feet are brand new or have a few miles on them, don't wait to see if their problems will "just go away." Some conditions like clubfoot definitely won't and most others probably won't, and you certainly don't want to be left with more serious, harder to fix problems later on. Feet of all ages deserve the comprehensive professional attention you'll find at DOCTOR'S FOOT CLINIC. Please call for an appointment today at 784-5585. OFFICE LOCATED AT 3605 N.E. LOOP 286 STE 1800 PARIS, TEXAS P.S. Treating clubfoot usually involves casting the affected area or performing surgery to correct the condition.

Bogata Methodist Women meet

The Bogata Methodist women met Wednesday, October 11 in the Fellowship hall for their regularly scheduled meeting. Ten members were present. Mary Kathryn Cotten opened the meeting by reading a poem, "Hugs". She also presided over the business session. Plans for the Christmas meeting were made. Anita Stubblefield will be in charge of the program and a Taco salad lunch will be served. Members will exchange inexpensive, gag or white elephant gifts. Plans for the Annual Fall Bazaar,

which will be November 11, 2000, were discussed. Donation tickets may be purchased for the Log Cabin quilt from the members for \$1.00 each. Margie Myers, program chairman, showed the video, "Aim High". Patsy Clairmont, speaking before an audience, explains how her "attitude" affects her family relationships. In a humorous and spiritual manner, she talks about the emotions she experiences as her son leaves home to join the Air Force. The meeting closed with dismissal prayer.

Water?

Today's religious world finds it difficult to accept that immersion in water is essential to salvation. They believe, instead, that a person is saved prior to baptism, rather than at the point of baptism. They apparently are unable to conceive of God incorporating such a simple, ordinary substance, like water, into such a significant event, man's salvation. Many people, upon hearing God's will, balk at His command and exclaim, "Are you saying that the only thing that stands between me and God is water?" As the Israelites sought to escape the bondage of Egypt, what stood between them and freedom? Water. In fact, they were baptized in the Red Sea to escape slavery and enter into freedom (1 Corinthians 10:1,2). Moses referred to this water immersion as "salvation" (Exodus 14:14). What stood between Naaman and cleansing salvation from his dreadful skin disease? Water. His attitude was much like those today who minimize and refuse to accept the divine role of water in man's salvation (2 Kings 5:11,12). Nevertheless, Naaman was not healed until he was immersed in water (2 Kings 5:14). What stood between the man born blind and the ability to see? Water. If he had refused to apply water from the pool of Siloam to his eyes as Jesus had instructed, he would have remained blind. (John 9:7, 11). What stood between Noah and his wicked peers doomed to destruction? Water. Peter, in fact, declared Noah's salvation from the sinful world of his day to have been "by water" (1 Peter 3:20). He then went on to declare that the denominational world persistently denies; baptism now saves us (1 Peter 3:21). Water has never actually had any inherent ability to cleanse. God is always the only one who does the saving. But He chose to save and cleanse people only after they obeyed His command by faith (Hebrews 11:30). If these had refused to use water to escape bondage, cleanse skin, remove blindness and avoid destruction, they would have remained in bondage, diseased, blind and destroyed. So people today who reject the role of water in salvation, I.E., baptism unto the remission of sins, are yet in their sins, unsaved, disobedient and displeasing to God (Act 2:38; 22:16; Luke 7:29,30). This article is brought to you by the Talco Church of Christ that meets at 5th and Lide in Talco. We welcome all visitors! Our meeting times are: Sunday Bible class 9:45 a.m., worship hour 10:45; evening worship 6:00 p.m.; Wednesdays at 7:00 p.m.

ORDINANCE NO. 01-002
Amending Ordinance No. 99-010
"An ordinance of the City of Blossom, Texas, amending certain Articles of existing Ordinance No. 99-010".
Whereas, the governing body of Blossom, Texas, meeting in duly posted Public Session, deem it prudent and necessary to amend Articles I and II of existing Ordinance No. 99-010, adopted May 18, 1999; and
Whereas, a duly posted Public Hearing has been held prior to consideration for adoption of aforementioned amendments;

Now, therefore, Be It Ordained by the City Council of Blossom, Texas, that Articles I and II, Ordinance No. 99-010, are hereby canceled and superseded and are restated as follows:
Article I. Construction Regulations:
Section 1. Building Codes. The "Standard Building Code," in its latest edition is hereby adopted by reference as though it were fully copied herein, as the safe and practical building standards for all construction within the City of Blossom and other areas outside the City over which the City has regulatory authority.
a. All finished foundations of slab construction or the level of the first floor of all site built construction must be constructed at a minimum level of eight (8) inches higher than the crown of the street or road which provides the primary access to the finished construction.
b. Set back requirements for all structures must be a minimum of ten (10) feet from the back and side property lines and a minimum of 25 feet set back from the property line facing any public street.
Section 2. Types of Construction. Except as approved separately by the City Council, all new construction or residences shall be site-built single family residences or consistent with "Existing Land Use, City of Blossom, July 1999", prepared by Hayter Engineering as an element of the City's Comprehensive Plan.
Section 3. General Land Use Requirements. The City of Blossom Comprehensive Plan, developed with financial and administrative support from the Texas Department of Housing and Community Affairs, completed by Hayter Engineering, 1999, is hereby adopted by reference as though fully copied herein as the standard for land use and types of construction to be considered in the approval of all building permits.
Section 4. Regulation Outside City Limits. The regulations established herein, pertaining to building permits is extended to areas outside the City limits wherein the City has regulatory authority and regulations established herein specific to plumbing permits and general requirements relating to plumbing extend to any area wherein the City provides water supply, whether that supply is provided by public or private distribution lines.
Article II. General Provisions.
Section 1. Permit Required. It shall be unlawful to construct or alter any building or structure in the City of Blossom, excepting fences, when the cost of such construction exceeds \$500.00 or where the effect of such construction or alteration is to enlarge the capacity or affect the bearing walls of any building or the roof thereof, without having first secured a permit for such construction.
Section 2. Application. Application for such permits shall be made to the City Administrator's office and shall be accompanied by plans and specifications showing the work to be done. Such plan shall be verified by the signature of either the owner of the premises or by the architect or contractor in charge of the operations, and shall remain with city administration for future inspections and referrals.
Section 3. Approval.
a. Except as otherwise provided by paragraph b., All applications for construction permits not in compliance with the provisions of these regulations, or not covered by regulations established herein, must be approved as variance or a special use permit by the City Council.
BE IT FURTHER ORDAINED, that all Sections of the existing ordinance No. 99-010, not specifically superceded or amended herein, remain in full force and effect and that the provisions of this Ordinance No. 01-002, amending existing Ordinance No. 99-010 shall take effect immediately, and shall be in full force immediately in order to protect the public safety, health and general welfare of the citizens of Blossom, Texas.
Passed and adopted by the City Council of Blossom, Texas, this 12th day of October 2000.
Ed Hudson, Mayor
Patti Donovan, City Secretary

ORDINANCE NO. 165
An Ordinance of the City of Detroit Providing For The Publication of Ordinances By Caption
WHEREAS, Chapter 52, Local Government Code (Adoption of Municipal Ordinances) provides that a municipality may publish ordinances by a caption that summarizes the purpose of the ordinance and any applicable penalty, and
WHEREAS, the City of Detroit desires to adopt an ordinance for that purpose: NOW THEREFORE:
Be It Ordained by the City Council of City of Detroit
Section 1. All Ordinances enacted by the City Council of the City of Detroit shall be published in a newspaper with general circulation in the City of Detroit by printing a caption of said Ordinance; which caption shall provide a summary of the purpose of the ordinance and the penalty, if any, for violation of the ordinance.
Section 2. Unless an Ordinance is specifically declared to be an emergency necessitating immediate effect, an Ordinance shall not take effect until it has been published in conformity with Chapter 52 of the Local Government Code and with the provisions of this Ordinance.
Section 3. If any section, provision, subsection, paragraph, sentence, clause, phrase, or word in this Ordinance or application thereof to any person or circumstance is held invalid by any court of competent jurisdiction, such holdings shall not affect the validity of the remaining portions of this Ordinance, and the City Council of the City of Detroit, Texas hereby declares it would have enacted such remaining portions, despite such invalidity.
Section 4. All Ordinances or parts of Ordinances in conflict herewith are repealed to the extent of conflict only.
Section 5: This Ordinance shall be in full force and effect from and after Publication.
Passed and Approved, this the 9th day of October, 2000
Margaret Missildine, Mayor

Johtown MBC auxiliary meets

Ten members of the Ladies Auxiliary of Johtown Missionary Baptist Church had their regular monthly meeting for October.
The following attended: Johan Turpin, Lee Hood, Joyce Cox, Billie Pirtle, Robbie Hawkins, Clara Gaddis, Kathy Hawkins, Jana Hawkins, Jerry Ann Richardson and Lynn Wright. Lynn Wright opened the meeting with prayer.
A church wide hayride and hot dog supper has been planned for Saturday, October 21 at 6 p.m.
The ladies are taking orders for home made fried fruit pies for \$1.00 each. They will make peach, apricot and apple pies and the last date to order will be November 5. The pies will be delivered November 10.
A Christmas program has been scheduled for Sunday night, December 17.
The ladies have published a new cookbook and the books are available for sale at a price of \$8.00 each. Contact any member of the auxiliary if you are interested in one of the cookbooks or to place your order for fried pies.

Dear Editor,
This year, we are raising money to purchase playground equipment for our school through a fund-raising program called General Mills Box Tops for Education. Our school gets 10 cents for each Box Top we collect. The more we collect, the more cash we earn. This simple fund-raiser requires no door-to-door selling by the children and it costs nothing to become involved. We encouraged the entire community to help by saving General Mills Box Tops for Education logos.
This year, General Mills has expanded the Box Tops for Education program to include Betty Crocker products. With the addition of Betty Crocker, Box Tops will be available on over 330 General Mills products, nearly tripling the number of participating products. We are asking our community to save Box Tops for Education logos from General Mills cereals, Betty Crocker fruit snacks, Betty Crocker desserts, main meals and side dishes, Yoplait yogurt multipacks, Yoplait Go-Gurt yogurt and Lloyd's barbecue buckets.
If everyone saves Box Tops, the cash will really add up quickly and we'll easily reach our goal. Please support the children in our community. Send your Box Tops to Bogata School at the following address: Bogata Elementary; Box 607; Bogata, Texas 75417; phone 903-632-4354.
Thank you,
Karla Palmer, General Mills Box Tops for Education Program Coordinator

Vacation trip goes through 6 states and Canada

Billy and Johan Turpin and Doug and Deanne Lawhorn of Gilmer recently went on a trip through Arkansas, Tennessee, Kentucky, Ohio, Pennsylvania, New York and Ontario, Canada.

The couples stopped at many places during their trip. They saw the 7th president, Andrew Jackson's home, "The Hermitage" just out of Nashville, TN., stopped in Hodgenville, Kentucky at the birthplace of our 16th president, Abraham Lincoln and enjoyed the Louisville Slugger Museum in Louisville, Kentucky. They saw many great baseball players pictures, bats, balls and gloves belong-

ing to the players and went in to see bats being made for today's players.

In New York state they visited one of the wonders of the world, Niagara Falls, which they reported as a beautiful sight. There were people from all over the world visiting and looking at the falls along with them. In Ontario, Canada they visited the Horseshoe Falls which was also a sight to see.

The couples were thankful for being able to see so much of our beautiful country and Canada and were glad to return home to Jolntown and Gilmer and share their experiences will friends and family.
