Good Could Grow

The column I had written for this week is now in the trash. Instead, I sit here, musing of the morning's happenings nationwide.

For some reason, we didn't turn the TV on this morning. It wasn't until I got in my vehicle that the radio grabbed my attention. Reports from the World Trade Center were pouring in. I had a few moments hoping this was some giant joke, knowing all the while it wasn't.

As the morning progressed, and things became worse and worse, people began stopping by the office. No one really knew what to say, but they wanted and needed, I think, to be around others and discuss the devastating terrorism that was hitting our country.

So, I am reduced to sitting in front of my computer, simply typing out things I feel about this.

First of all, it wasn't unexpected. Anyone who has been around airports and big cities can testify that there is no way to secure everything from terrorism.

Secondly, because we are perceived world wide as a super power, we are automatically a target. Being that target just flat out comes with the territory, and we must accept that it is a price we pay for the country we live in.

The third thing that comes to my mind is that I hope we as a nation will stand up, unite and deal with these attacks.

We, as Americans, have the chance to deal with this crisis proudly, strongly and with heroism.

Will we do so? I don't know, but we have the chance.

We can pull together, band together, pray together for the common cause of national strength and pride. Or, we can deteriorate into squabbling childishness.

Now is not a time to begin "second guessing" the actions of people in power, airport security or anything else.

Buildings are just that, structures that can be rebuilt. Our concerns must be for those lost in this tragedy. Our concerns must be for those left behind to deal with their losses. And our concerns must be for this nation as a whole.

We are capable of taking whatever un-understandable terrorists dish out. We are capable of turning it into something that makes this nation a stronger, more united whole. That choice is ours, no one else's. Which will it be? I don't know, but I have hopes. Hopes that something good can grow from something so terrible. Beauty and goodness growing from something so evil will make it twice as precious. We must not let terrorism win by being held hostage in fear and trembling. We must react with strength and patriotism. I'm not talking about blind "flag waving" or mindless violence. If something good comes from this, it must begin growing in the hearts of each American, one by one. Let us pray, and let us grow.

Nation reels after devastating terrorist attacks

The nation sat in stunned disbelief Tuesday, September 11 as they watched on video and late-breaking news reports the fall of the World Trade Center and the Pentagon bombing.

Four carefully planned hijackings of commercial airliners resulted in the total destruction of the trade center, and at press time the Pentagon in

Washington D.C. was still burning. Thousands are reported dead in the wake of terrorism, and rescue workers work ceaselessly around the wreckage.

Locally, dozens of families scrambled to find out if their loved ones were safe in New York or Washington, D.C.

Bobbie Bailey, Deport native re-

ports that she heard from her son, who works within two blocks of the World Trade Center. He was safe, but had been unable to get through on phone lines until later in the day.

Juanita Taylor's nephew is often at the Pentagon was off with movers moving on Tuesday.

Many others have reported that their relatives are safe.

Bogata Council OK's surveying donated land

Approximately 27 guests, Mayor Kennedy and all members of the Bogata City Council attended the regular meeting on Monday, September 10.

A public hearing on the proposed budget was held.

In the regularly scheduled meeting, the council agreed not to change the agreement with James Hale, who teaches TaeKwondo at the Community Center.

They voted to freeze a high water bill for a customer for six months, and at that time she will pay an average bill which will include the large water bill.

Minutes of the previous meetings were approved as well as bills and final water bill accounts.

Reports from Police Chief Charles Clegg and Fire Marshal Wayne Martin were heard. Police Officer John Davidson was promoted to the rank of Corporal. Water Superintendent Wendell Davis gave a report of the past month's activities of 68 work orders including 10 water leaks, six sewer stops, mowing, patching, ten dogs picked up and five returned to owner. Three fire hydrants have been repaired, and council approved replacing a fire hydrant and the installation of a valve at a cost of \$1547.

An ordinance taxing telecommunications was tabled, pending more

information, and Betty Sue Watts and Lonnie Hyder were reappointed to the Crime Control Board with four councilmembers voting yes and Councilman Strickland abstaining.

One bid was received on the sale of the 19567 Galion road grader.

Four councilmembers voted to accept the bid from Mark Hare Cattle Company in the amount of \$3250 with Councilmember Garretson voting not to accept the bid.

The proposed budget was approved with four councilmembers voting for and Councilmember Lewis voting no. The tax rate for 2001 was set at .64144/\$100 with four councilmembers voting for and Councilmember Lewis voting no.

Council voted to table the appointment of a replacement for Jack Crane on the Red River Appraisal Board of Directors.

Council voted to allow the Assistant City Secretary Kay Nearing and the Court Clerk, Angie Burgess, to work 32 hours per week for the next budget year. They voted to amend the double rates ordinance for water/sewer customers outside city limits by charging the basic rate for 2,000 gallons of water at \$16.00 and \$3.50 per thousand gallons thereafter. This will be effective with the next bills that will be due October 10.

The council voted to survey a piece

of land adjoining the Community Center property that is being donated to the City by John P. Cooper.

Council voted to amend the Advisory Fire Marshal Ordinance #91-06, to provide for an annual salary of \$600 to the Fire Marshal beginning October 1. Council voted to amend ordinance #99-09 to raise the Court Technology Fee from \$2.00 to \$4.00 and they voted unanimously to approve an ordinance to assess and collect a Building Security Fee of \$3.00 from a defendant upon conviction for a misdemeanor offense in the Municipal Court.

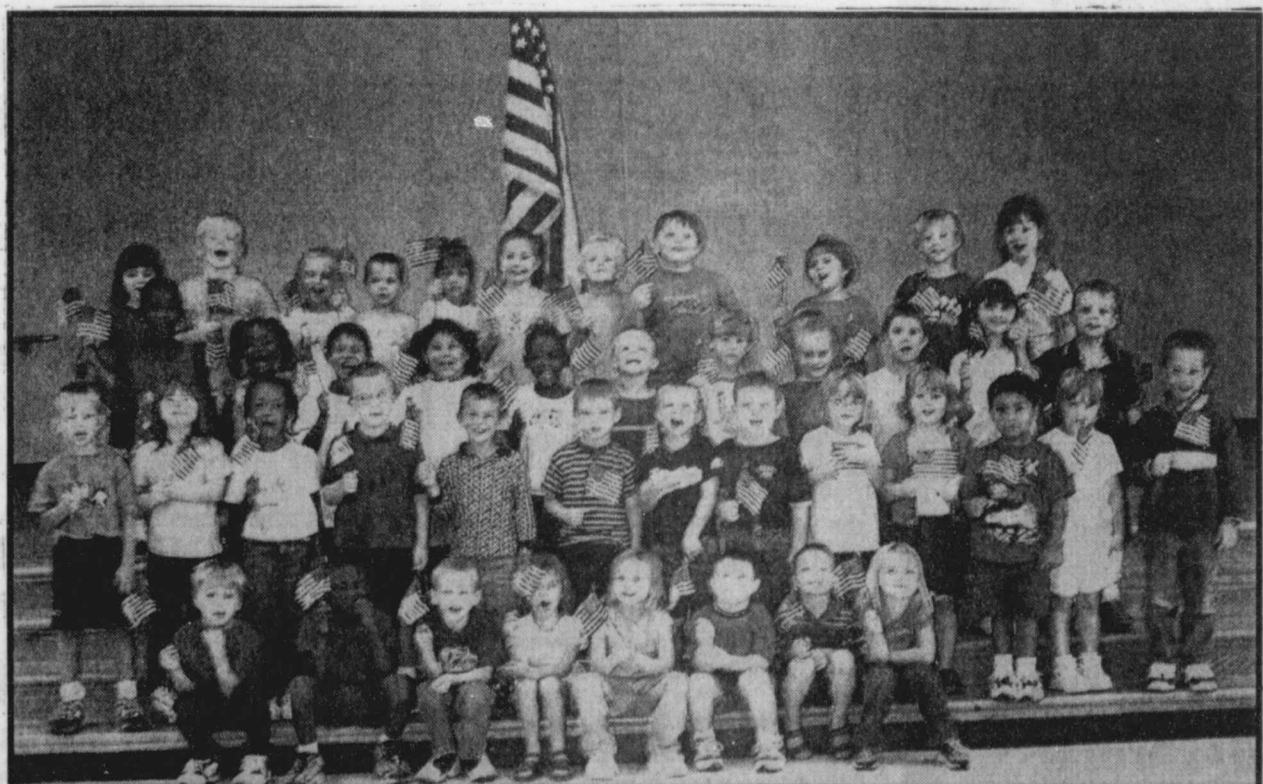

A maintenance agreement for the office copy machine was approved, and no action was taken on filing a grievance for electric bills and television cable. Council voted to check prices with three different attorneys. They voted unanimously to have the tree trimmers cut some dead trees in the park.

An ordinance was approved requiring all water customers to pay for trash pickup service. Random drug testing for employees was tabled pending more information. Councilmembers Allen and Screws voted against tabling this item. Council voted to pay overtime to police officers to serve 58 outstanding warrants.

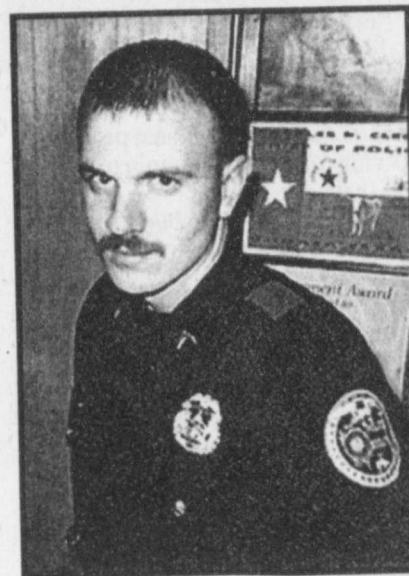

Meeting adjourned at 9:30 p.m.

PANIC-Who knows where it began, but, someone told someone and with the happenings of Tuesday in New York, fear took a hold. There was going to be a gas shortage and it was going to top out at \$5 per gallon. While this rumor sent people to the pumps filling up every car and can, it was not true. True there is going to be a gas increase, however, it will be by cents not dollars and there is no shortage as of now. The panic was definitely good for business though. (Staff Photo Nancy Brown)

TASK ACCOMPLISHED-The Rivercrest Kindergarten students from Mrs. Huddleston, Mrs. Brown and Mrs. Wright's classes have completed the task of learning the Pledge of Allegiance. As a reward the students received a certificate and small American flag. They are pictured with their flags raised high. (Staff Photo Nancy Brown)

John W. Davidson

Bogata Police Department promotes officer John Davidson

On September 10, 2001 at the Bogata City Council meeting, Officer John W. Davidson was promoted to the rank of Corporal by Chief Charles Clegg.

Officer Davidson is maturing in his law enforcement career and has demonstrated substantial progress in

Historical Society to hold children's poster contest

The Historical Society is sponsoring a poster contest on October 13, during the Red River County Historical Society Fall Bazaar. There will be two groups, children age 12 and under and children over 12 years of age. The posters will be placed on the fence around the courthouse and will be judged. The theme of the posters should be "Red River County History". Posters should be brought to the Historical Booth by 9 a.m. on the day of the Bazaar.

Bogata area birthday & anniversary calendar underway

The Bogata area Birthday/Anniversary Calendar 2002 is well underway. All calendar adds have been sold! However, there are a few \$10.00 business phone number listings still available.

If you have not made arrangements for your families birthdates and anniversaries, please do so by September 15. All calendar listings are .50g each.

Those working on the calendar hope to make it informative and enjoyable including Bogata area events

during the year 2002. Please contact any of the committee workers with your special dates. They are: Kathy Williams-632-5048; Donnie Lewis-632-5387; Mary Ellen Kain-632-5641; Vickie Bryant-632-4301; Rue Anna Bell-632-5885; Bettye Williams-632-4554; Crystal Davidson-632-0008; LaTonya Miller-632-9632 and Patricia Freelen-632-4305. All proceeds from the calendar will benefit the Bogata First Responders and Volunteer Fire Department.

Rivercrest Pee Wee Football Association announces fund-raisers

The newly formed Rivercrest Pee Wee Football Association is working hard to raise funds to help defray the cost of equipment and uniforms that goes along with starting a new sport. The helmets, shoulder pads, pants, jerseys, etc. are very expensive, and even though the kids have paid a \$60 fee to participate, it covers only a portion of the total cost.

There are two fund-raisers in progress at this time:

1. **Field goal kicking contest:** This event is being sponsored by the Guaranty Bank of Talco and Bogata. Ticket sales will benefit the Association. Chances will be sold at all Rivercrest varsity home football games for \$1.00 each. At halftime of each game, a

ticket will be drawn and the winner will have two chances to go on the field and kick a field goal from 20, 30, 40 or 50 yards for prizes ranging from \$25 to \$200.

2. **Drawing for \$100 Wal-Mart Gift Card:** Chances can be purchased for \$1.00 each from any of the participants in the Pee Wee Football program. The boys and girls, coaches and parents will appreciate your support and also invite you out to see the games. The very first games will be held on Saturday, September 8, 2001.

The group also has Rebel caps for sale. They will be available at home football games.

Rivercrest PTO to meet

Rivercrest PTO will have its first meeting for the 2001-2002 school year Monday, September 17, at 6:00 p.m. Discussions for a fall fund-raiser will be held.

A membership drive will begin soon. Memberships are \$2.00 per person. The class with the most members will receive a pizza party. At the Back to School Night there were 74 members signed.

Box tops and Campbell Soup labels will be collected this year. Encourage your family and friends to save these for the school.

The Back to School Night was a huge success. Approximately \$1600.00 was raised for playground equipment. Kay Lynn Gordon of Clarksville won the \$25.00 gift certificate.

Please remember that memorial donations are still being taken. Please contact the school or Linda Brown at Guaranty Bank in Talco.

Garrison wins afghan

At a recent fund-raiser for the Bogata Volunteer Fire Department-Rescue Group an afghan donated by Molee Huddleston, and on which the volunteers sold chances was given away in a drawing. The lucky name drawn was Richard Garrison, of Bogata. Due to a conflict in schedules the folks from the Fire Department have not been able to get with Mr. or Mrs. Garrison to take a picture of them receiving the afghan, but they wanted everyone to know who won.

The volunteers appreciate everyone who buys tickets and supports their fund-raising efforts. They also appreciate Mrs. Huddleston for donating the afghan.

RJH forming pep squad

Rivercrest Junior High is in the process of forming a pep squad for the 7th and 8th grade football pep rallies and games.

Students interested should pick up a form at the school office and return the form along with \$15.00 for a shirt that will be worn to all pep rallies and for home games. While it is not man-

datory that members come to the home football games, those who do and are wearing their shirts are expected to sit together and cheer the teams on. For more information parents/students may see Mrs. Carlisle or call the Rivercrest Junior High Office at 379-3841.

Country Cooking

By Liz Irwin

Sue Sheppard of Deport brought in a couple of recipes this week using pears. They sounded very good and I thought, well this is the season for those pear preserves, so here are a few other pear recipes. A lot of folks in this area make pear preserves and know the trouble they go to prepare these are well worth it.....unless you burn or scorch (is that the correct spelling....it sure doesn't look like it!) them and then.....well, the process starts over. It is very easy to do this and preserves have to be watched constantly and cooked at a low temperature for several hours.

Sue always has an abundance of pears and enjoys sharing them with others. She and her husband Eddie own and run Eddie's Service Center in downtown Deport. She enjoys just visiting and meeting folks and enjoys her grandkids. Her youngest, Ty, began school this year in Kindergarten, and she sure has some stories to tell about him! He is a doll!

In our area, the sugar pears are best for baking and the late summer pears are best for pear preserves.

Anyway, pears originally came from Europe and Asia and the first cultivated varieties were cultivated

from the wild varieties in the prehistoric ages. How they know this, I'll never know!!!!!! The Romans knew in the beginning of 6 cultivated varieties and later mention 56. The late medieval Italian list mentions 232 varieties.

Around 1640 in England, only 60 varieties were known. In 1842 more than 700 were known. The American author, T.W. Fields mentions 850 varieties in the 1860's.

We hope you enjoy these recipes and we thank Sue for bringing them to our attention. See you in the kitchen!!!!!!!

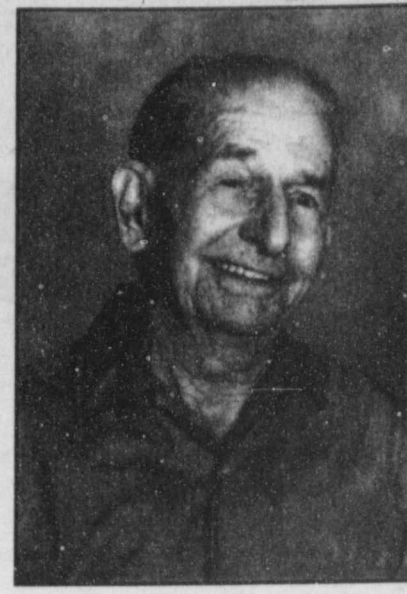

Pear Zucchini Bread-uses pears and zucchini along with pumpkin pie spice for that added zing!
Cranberry-Pear-Strawberry Delight-this can be used as a glaze or on toast or bread!

Pear Walnut Cake-forget the Fresh Apple Cake.....try this one!
Pear Pepper Relish-a little hotter version, but a great side dish!

Bartlett Pear Relish-this one is great with meat or fish dishes!
Apple-Cranberry-Pear Crisp-this is a version of the Apple Crisp recipe, but uses pears and cranberries as well!

SUE SHEPPARD OF DEPORT is our featured cook this week. She has an abundance of pears in her yard and always look for different recipes to use them for. She brought in some last week and we hope you enjoy them. (Staff Photo by Mike Francis)

Thursday, September 13 Pear Recipes

Pear Zucchini Bread

- 2 cups all purpose flour
- 1 cup whole wheat flour
- 3/4 cups sugar
- 3/4 cup packed brown sugar
- 2 teaspoons pumpkin pie spice
- 1 teaspoon baking soda
- 1/2 teaspoon baking powder
- 1/2 teaspoon salt
- 3 eggs
- 3/4 cup vegetable oil
- 3 teaspoons vanilla
- 2 cups finely chopped, peeled pears
- 1 cup shredded zucchini
- 1/2 cups finely chopped walnuts or pecans

In large bowl, combine first 8 ingredients. In another bowl, beat eggs, oil and vanilla. Add the pears and zucchini. Stir in dry ingredients just to moisten. Fold in nuts. Pour into 2 loaf pans. Bake at 350 degrees for 50-60 minutes or until toothpick inserted comes out clean. Cool 10 minutes in pan and move to wire rack.

Cranberry-Pear-Strawberry Delight

- 4 medium pears-peel, core, half
- 1/4 cup cranberry juice
- 1/4 cup strawberry preserves
- 1/2 teaspoon vanilla

Place pears in 9 inch square micro-safe pan. Combine juice and preserves with vanilla and pour over pears. Cover with waxed paper and microwave on HI for 7-9 minutes or until pears are tender.

Pear Walnut Cake

- 2 pears-peel, core and chop finely
- 1 cup packed brown sugar
- 1/2 cup shortening
- 1 egg
- 1 teaspoon vanilla
- 2 cups flour
- 1 teaspoon ground cinnamon
- 1 teaspoon ground nutmeg
- 1/2 teaspoon salt
- 1/2 teaspoon baking soda
- 1/2 cup cold milk
- 1/2 cup chopped walnuts or pecans

Cream sugar and shortening until light and fluffy. Add eggs and vanilla, beat until mixture is well blended. Combine flour, spices, salt, baking soda and add to mixture alternately with milk. Stir in chopped pears and nuts. Pour into greased 12x8x2 baking pan sprayed with non-stick spray. Top with Boiled Maple Topping. Melt 1/4 cup butter, 1/2 cup packed brown sugar, 2 tablespoons milk, 2 tablespoons maple flavored syrup, 1 cup flaked coconut and 1/2 cup chopped nuts. Boil until thick and pour over cake.

Pear Pepper Relish

- 3 pounds pears-peel, core and chop
- 2 green peppers-seed and chop
- 2 red peppers-seed and chop
- 1-1/2 cup chopped onion
- 1 can diced chilis
- 1-1/2 cup cider vinegar
- 3/4 cup sugar
- 1-1/2 teaspoon salt
- 1/2 teaspoon ground cinnamon
- 1/2 teaspoon ground cloves

Combine all ingredients in large kettle. Bring to boil; reduce heat and simmer about 1 hour or until thickened. Stir occasionally as mixture thickens. Remove from heat and ladle into clean, hot jars and process 10 minutes in water bath.

Bartlett Pear Relish

- 6 pears-core and finely chop
- 1 cup sugar
- 1 cup white vinegar
- 2 teaspoon salt
- 3/4 teaspoon cayenne pepper
- 2 large onions-finely diced
- 3 green peppers-diced
- 1 sweet red pepper-diced

Combine sugar, vinegar, salt, cayenne pepper and bring to boil in large saucepan. Add pears, onions and peppers. Bring to boil again. Cook slowly 25-30 minutes, stirring from time to time, until mixture is thick. Pour into hot, sterilized jars and process in water bath for 10 minutes.

Apple-Cranberry-Pear Crisp

- 2 Roman apples
- 2 pears
- 1/2 cup dried cranberries
- 1 tablespoon flour
- 2 tablespoon honey
- 1-1/2 tablespoon lemon juice
- 1/2 cup flour
- 1/2 cup packed brown sugar
- 1/2 cup quick cooking oats
- 1/4 cup ground walnuts
- 1/2 cup butter

Cut apples and pears into 1/2-inch chunks and combine with cranberries, 1 tablespoon flour, honey and lemon juice. Place in baking dish. Combine remaining ingredients and mix until crumbly. Sprinkle over fruit mixture and bake at 375 degrees until brown and crisp.

A TEAM EFFORT: Coach Keith Brown gave his Rebel team the high five during time-out at the football contest against the Alba-Golden Panthers last Friday night.

REBEL CHANCE BELCHER almost intercepted the ball last Friday night at Rivercrest. The Rebels suffered a shut-out at the hands of the Alba-Golden Panthers.

Rebels succumb to Alba Golden Panthers

The Rivercrest Rebels denied the Alba Golden Panthers through the first quarter, but with minutes and fifty-one seconds left to play, all that changed, leaving the Rebs with a loss instead of the hoped for win.

A pass interception on the Rebel 18 yard line by John Pope set the stage for the Panthers first TD. From the 1 yard line, Clay Simmons plowed through the Rebel defense for the score.

From there, bad luck set in for the Rebs.

Rebel quarterback Nathan Carroll was dropped for a loss all the way back to the Rebel's eight yard line. On the very next play, Rebel Ryan Newton fumbled the ball and the Panthers claimed another TD. The extra point was no good, but the Rebels nailed 12 to 0.

Rivercrest held their ground for the rest of the first half, but however, on the first play of the third quarter, the Panther's struck back using only 6 seconds off the

clock to extend their lead to 19-0. The Rebels were forced to punt on their series of downs. Three plays later, the Panthers raced in for another TD, extending their lead even further to 25-0.

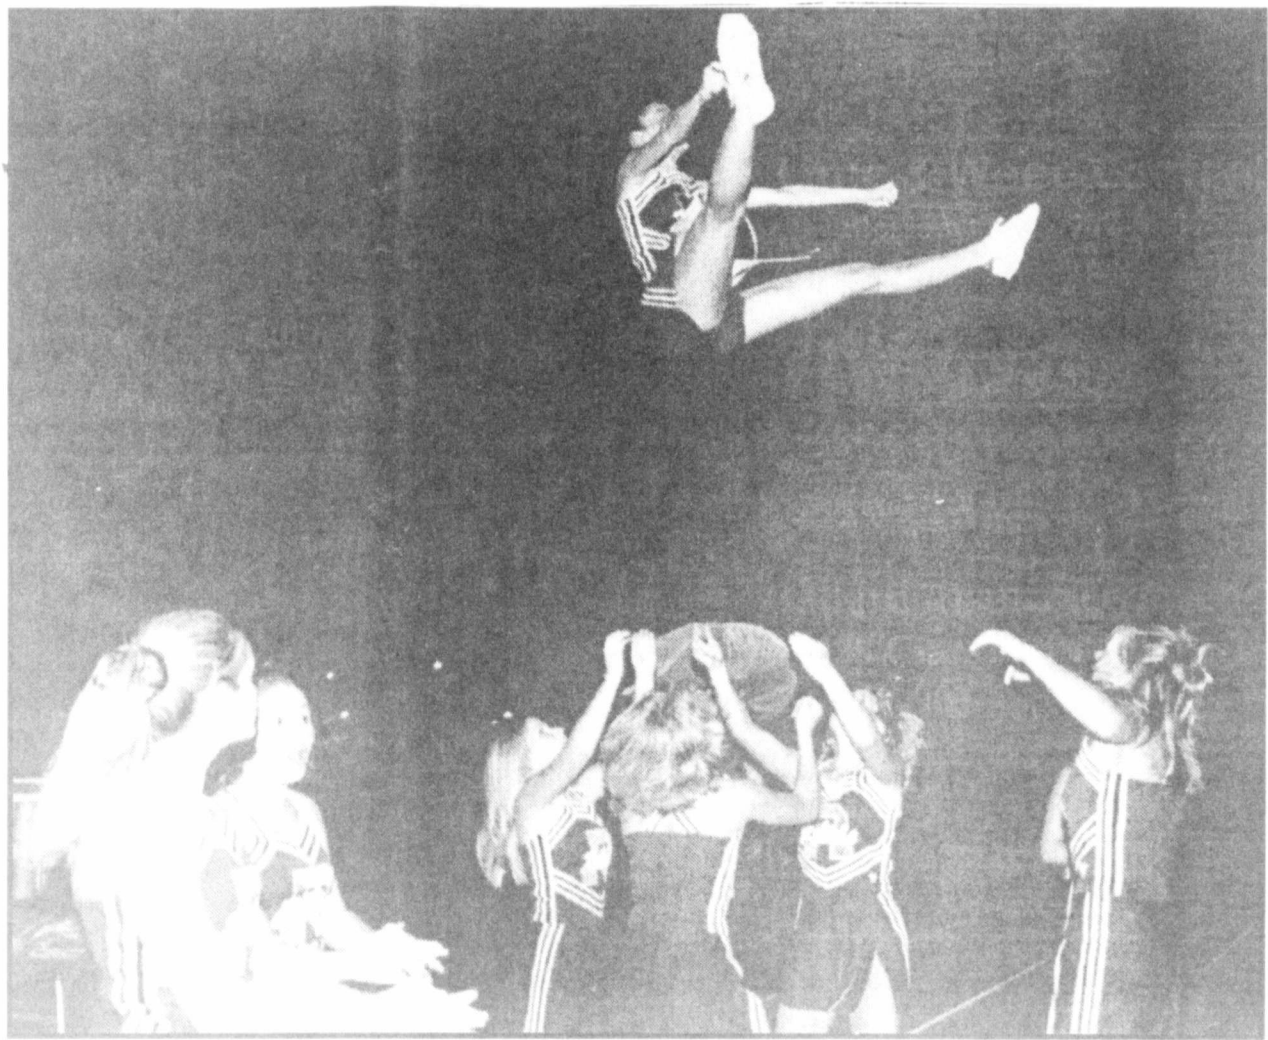

the Rebels fumbled the ball away on the next possession and the Panthers took over first and ten from the Rebels 22 yard line.

the Panthers wasted no time to post yet another touchdown, moving the score to 31-0 with 8 minutes, 37 seconds left in the third quarter.

The Panthers raced in for another score, near the end of the third quarter, but a holding call by officials took the six points away.

With a minute and twenty seconds left in the third quarter, Rebel quarterback Nathan Carroll was sacked in the Rebel end zone for a safety. The Panthers lead went to 33 then.

With five minutes and thirty-six seconds left in the game, Alba Golden's J.P. Boyd rushed in for six more points. The point after was no good, but Alba Golden went home with a hefty 39-0 win.

U P, UP and UP!! The Rivercrest Rebel cheerleaders had plenty of spirit last Friday night when the Rebels took on a tough Alba-Golden team. (Staff Photo by Thomas Nichols)

Mrs. Ryan Heath Case

Mrs. Brian Cody Guest

Shirley-Case united in marriage June 23, 2001

Lisa Renee Shirley and Petty Officer Third Class Ryan Heath Case were united in marriage at five o'clock in the evening on Saturday, June 23, 2001 at Bogata Missionary Baptist Church in Bogata, Texas. The Reverend Billy Daniels, grandfather of the bride, officiated the double ring ceremony.

The bride is the daughter of Ray and Susan Shirley of Joliet, Texas. The groom is the son of Bruce and Tammie Case of Talco, Texas.

"Everything I Do" was played during the lighting of the candles and while grandparents and great grandparents were seated. Rev. Glenn Griffith played the traditional wedding chorus. The bride was escorted to the altar by her father and given in marriage by her parents. Tiffany Betts sang "I Could Not Ask For More".

The bride wore a full length white satin dress with intricate bead work on the bodice and dress and a chapel length train. She chose a pearl headband with fingertip length veil. She carried a cascade style bouquet of white larkspur, Portland roses, azalea blossoms and miniature carnations intertwined with variegated

English ivy. Sprays of seed pearls and white tulle completed the design. The bride wore her great grandmother's wedding band that was placed on her hand prior to the ceremony by her great grandfather to honor the tradition of "something old". The wedding band dates back to 1933.

Attending the bride as maid of honor was Debra Janes. Bridesmaids for the occasion were Kim Shirley, Jillian Shirley, sisters of the bride, Rachel Case, sister of the groom and Kembre Baker. All the attendants wore navy blue satin dresses. Teal Daniels, cousin of the bride, served as flower girl. She wore a white satin floor length dress.

Serving as best man was Craig Eudy. Groomsmen were Matt Simmons, Phillip Rolan, Cody Wolf and Brandon Bell. Ring bearers were Caleb Daniels and Tate Daniels, cousins of the bride.

Serving as ushers were Chris Shirley, brother of the bride, Adam Horn, Coleman Brown and Jason Thomas. Serving as candlelighters were Jill Jagers, cousin of the groom and

Colby Horn. Presiding at the register table were Jaci Jagers, cousin of the groom, and Megan Horn.

Following the ceremony a reception was held in the fellowship hall of the church. Serving at the brides table were Andrea Palmer, Joanie Swarts, Crystal Seykora and Dani Brown. Serving at the grooms table were Laura Stevens and Katie Hare, cousins of the groom, and Danielle East-erling, Hugs and Kisses and birdseed bags were distributed by Jentry Jagers, cousin of the groom.

On Friday night the groom's parents in the fellowship hall of the church provided a rehearsal dinner of a full barbecue meal.

The bride is a 1999 graduate of Rivercrest High School and has been attending college at Texas A & M Commerce. The groom is a 2000 graduate of Rivercrest High School and is currently attending Nuclear Power Training School with the U.S. Navy. After a brief honeymoon in Dallas the couple left on Wednesday after the wedding for Saratoga Springs, New York where they will live while Ryan completes his training.

Good Neighbor Picnic to be Sept. 22

A Good Neighbor Picnic will be held Saturday, September 22 at 5 p.m. on Mt. Vernon's Main Street downtown square. The event is being co-sponsored by Franklin County Arts Alliance, Economic Development Corporation, Franklin County Industrial Foundation and Franklin County Chamber of Commerce.

The event will kick off with the Mt. Vernon band, football team and cheerleaders.

Hamburgers, chips and beverages will be served free and drawings will be held from 5 to 7 p.m.

Bring your lawn chair and covered dish or dessert if desired. Join the food, fun, festivities, children's games/face painting and drawings and an ice cream crank-off contest.

Your donation for the drawings will be appreciated.

Susan Robinett-Cody Guest united in marriage June 2

Susan Annette Robinett and Brian Cody Guest, both of Arlington, Tx. were married Saturday, June 2, 2001 at the First Baptist Church in Bogata. Brother Park Robertson officiated the formal double ring ceremony.

The bride is the daughter of Bill and Leta Robinett of Manchester and Georgia Robinett of Commerce. She is the granddaughter of Russell and Mary Robinett of Manchester, Mary Parsons of Katy, Tx. and Ben Parsons of Halting, Tx. The groom is the son of Lindy and Tana Guest of Bogata. He is the grandson of Charles and Valree Guest of Bogata, Bobby Dean Massey of Bogata and Loyd and Helen Chandler of Paris.

The candlelit sanctuary was decorated with spring bouquets of roses and various other flowers and ivies. Five candelabras were draped in tulle and were also adorned with the spring bouquets.

Pianist Deanna Warren of Mt. Pleasant played various musical pieces before the ceremony as the candlelighters, Jerad Guest and Colby Guest, lit the candelabras. The mothers of the bride and groom entered to "There is Love", sang by Mikel Haynes of Bogata. The bride's attendants entered to Pachabel's Canon in D, played by Mrs. Warren. The bride entered to the traditional wedding march. Lindy Guest, father of the groom, played guitar as Rick Holeman sang, "For My Wedding". Following the wedding message, Mr. Holeman sang, "Love of My Life". After the couple delivered their vows to God and to each other, they exchanged rings and Mrs. Haynes sang, "Shine on Us" as the couple lit their unity candle. Mr. Holeman ended the ceremony with an a cappella solo of "The Lord's Prayer".

The bride was escorted to the altar by her father and given in marriage by her family. For her attire, she chose a graceful, full length gown by

non and the late J.J. Forsyth. She has one sister, Jessica Forsyth, two brothers, Richard Forsyth and Jimmy Forsyth and one sister-in-law, Lolita Forsyth. Amber is a graduate of Rivercrest High School. She was an active member of the Talco Volunteer Fire Department and will be honored with a pot luck get together in the upstairs room at Talco City Hall on September 22, 2001 beginning at 7:00 p.m. by her family and friends. Everyone is invited to bring their favorite dish and join the fun to see Amber off to Seattle, Washington and her new career.

Mori Lee. The dress featured a scoop neck with a satin bodice, elegantly detailed with vertical bandings of satin bugle beads that met the deep satin midriff. Re-embroidered lace flowed from the midriff to the waist that was attached to a full six layer tulle skirt, trimmed with satin piping at the edge. The multilayered train of tulle featured embroidered flowers scattered throughout the tulle. The bride's veil consisted of a crystal comb headpiece fashioned with petite crystal daisies with pearl centers and multiple layers of tulle with satin piping at the edges. She carried a bouquet of white roses with a variety of other spring flowers arranged throughout the bouquet.

Attending the bride as matron of honor was Mandy Sherrill of Bogata. Maid of honor was Michelle Robinett, sister of the bride, of Dallas. Bridesmaids were Angela Rose, Jessica Rose and Dorie Roach all of Bogata. Junior bridesmaid was Jaynee Guest, cousin of the groom, of Mt. Pleasant. The attendants wore pale yellow satin formal length dresses. Flower girls were Luchese Gordon and Cheyenne Gordon of Bogata. They also wore pale yellow dresses adorned with small delicate flowers embroidered on the bodice.

Attending the groom as best man was Chad Martin, cousin of the groom, of Arlington. Groomsmen were Greg Sherrill, Joseph Rose, Marty Gray and Brandon Williams all of Bogata. Junior groomsmen was Clay Rose of Bogata. Ring bearer was Dustin Rose of Bogata. Serving as ushers were Zack Hall, cousin of the bride, of Katy, Tx.; Eric Martin, cousin of the groom of Arlington, Jerad Guest, cousin of the groom of Arlington and Colby Guest, cousin of the groom of Bogata. Crystal Davidson presided at the registry. Marla Williams served as coordina-

tor for the ceremony.

The guests enjoyed a reception of finger foods, cake and punch in the church's fellowship hall. The bride cake was a four tier made by Leta Robinett, stepmother of the bride. The cake featured delicate rosebuds of spring colors as well as scallops, pearls and ribbon made of butter cream icing. The groom's table was decorated with a western theme, complete with a horseshoe shaped chocolate cake with chocolate dipped strawberries on top. A variety of finger foods adorned the center table. All of the tables were decorated with an assortment of spring flowers, coordinating with the theme of the wedding. Members of the house party were Julie Davidson, Kay Lynn Gordon, Amy Martin, Pam Van Deaver and Mollie Williams. Lisa Graham, Carla Walsh and Lyn Chenault prepared the finger foods and decorated the reception hall. Lisa Graham served as the reception coordinator. Katelyn Van Deaver passed out birdseed bags and guest favors.

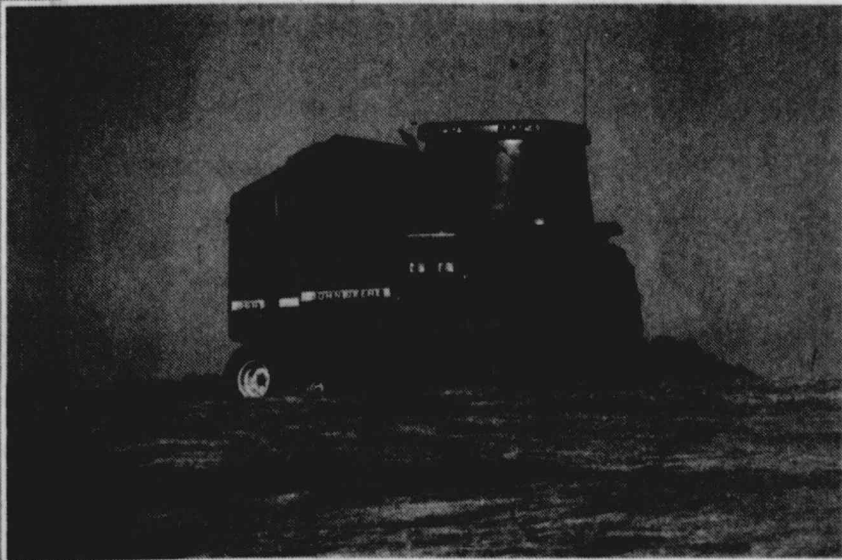

Mr. and Mrs. Lindy Guest were hosts of a dinner honoring the couple following the wedding rehearsal on Friday, June 1, 2001. The western style barbecue dinner was served in the fellowship hall of the church.

The bride is a graduate of Rivercrest High School and Texas A & M University Commerce, where she earned her BBA in Finance. She is employed as an accountant with LKB Management Services in Irving. The groom is also a graduate of Rivercrest High School and Texas A & M University Commerce, where he earned his BS in Computer Information Systems. He is employed as a senior computer programmer with TXU Services in Dallas.

Following a honeymoon to Playa del Carmen, Mexico, the couple has made their home in Arlington.

Combination PIP Camp to be held

Players in Progress camp will be Saturday, October 20 at Prairiland High School. The camp is in combination with Rivercrest this year.

The two groups feel that the PIPS members will be challenged more if they see other PIP members do more advanced ball handling and each group can get new ideas from the other for performances.

A schedule will be published at a later date. Cost of the camp will be \$50.00 per child. For more information, contact Lori Fanks at 379-9430.

To the Talco Church of Christ
 I, Bryan Hodge, and my wife, Melinda and our children, wish to express our appreciation to the church for building us a new home to live in. You are a loving and kind people. Texas Attorney General warns against price gouging

Texas Attorney General John Cornyn today announced that his office will respond to price-gouging complaints from Texas consumers against retail gasoline stations, motels, hotels and other businesses across the state that provide transportation, shelter and related necessities.

"Price-gouging in the wake of today's disasters in New York City and Washington D.C., is illegal and violates the Texas Deceptive Trade Practices Act," said Attorney General Cornyn. "Legal action can and will be taken by the office of Attorney General to enforce the law and protect Texans from such despicable business practices."

Persons who feel they have been victimized by price-gouging should

contact the Office of the Attorney General's consumer Protection Division at 800-337-3928 or 800-252-8011

Cornyn's announcement follows an executive order from Gov. Rick Perry today declaring a limited-purpose disaster for the state of Texas to combat price-gouging resulting from the closures of all Texas airports and the demands for alternate means of transportation, shelter and other services.

"I join with Governor Perry today in invoking all necessary protections and remedies under the law to protect the citizens of Texas from those who would use their businesses to engage in price-gouging at the expense of vulnerable consumers," said Attorney General Cornyn.

It rained today,

and I thought about my life.

About how many years it's been since I laughed the way I laughed when I was 8 years old.

About how the choices we make in life add up, to define how we live, how our children will live, and what our lives will ultimately mean to others.

I'm 42 years old.

And it's rained today.

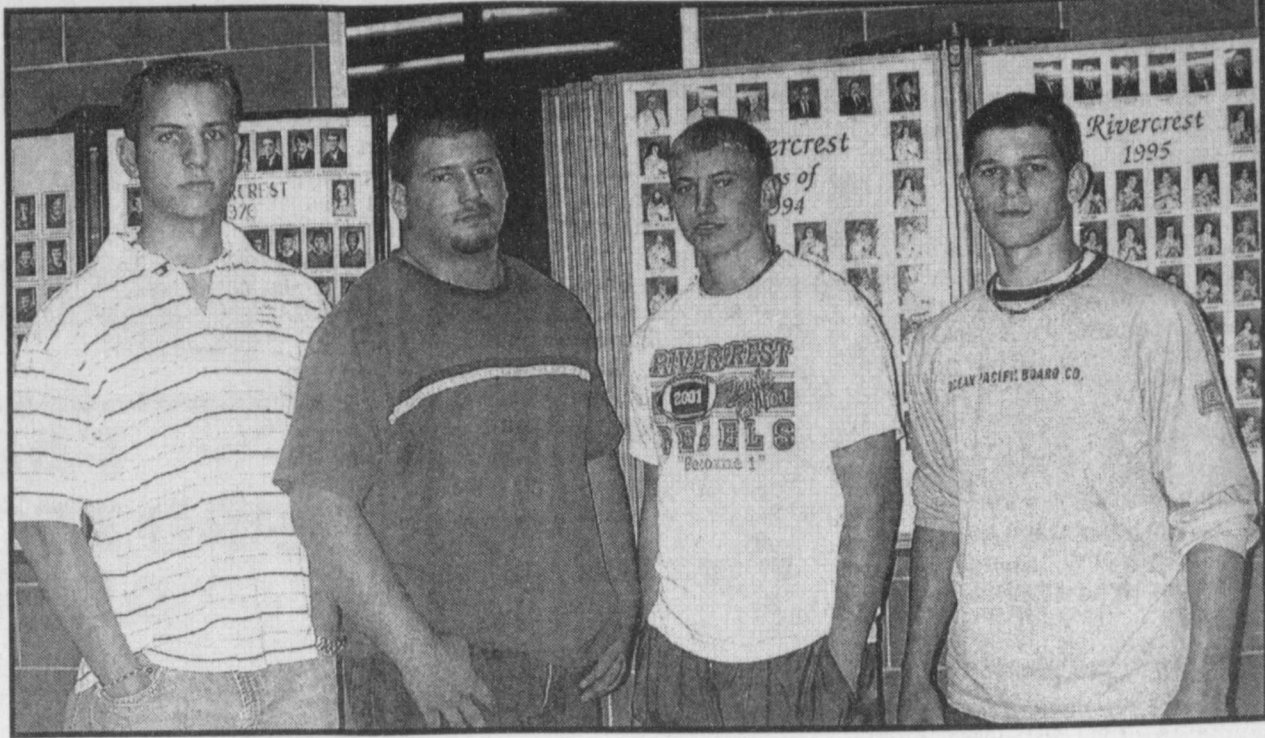

That's why I came.

If interested drop them by Red River Healthcare located at the junction of Hwy. 271 and Hwy. 37 in Bogata or call Darnell Davis at 632-5479. All donations will be appreciated.

A Letter from Senator Gramm

Jack Crane of Bogata has shared a letter from Senator Phil Gramm concerning the matter of liability of Japanese companies who used American prisoners of war as forced labor during World War II.

Dear Mr. Crane,

Thank you for contacting me about the liability of Japanese companies who used American prisoners of war (POWs) as forced labor during World War II. I appreciate having the benefit of your views on this important matter.

I cannot overstate my respect and appreciation for those brave men and women who were forced to endure untold suffering at a time when our liberties were in grave jeopardy. In these days of unprecedented peace and prosperity, it is all too easy for many Americans to forget that the wealth and security we now enjoy were purchased at a considerable price. An entire generation of Americans interrupted their lives to turn back the hand of tyranny in Europe and the Pacific, and many paid the ultimate price to ensure that their children and grandchildren would enjoy the blessings of freedom and liberty. The endurance of American prisoners of war, many of whom continued their country's fight from behind barbed wire in the face of Japanese atrocities, is a testament to the stubborn, fighting spirit of the American GI. During World War II, Japan captured and imprisoned roughly 36,000 Americans, of whom over one third died during their imprisonment. Many of those American POWs were forced to work during their incarceration for private Japanese companies under dangerous and op-

pressive conditions. As a result, many such veterans still suffer from long-term health problems.

In the current Congress, H.R. 1198, the "Justice for the United States prisoners of War Act of 2001", has been introduced to address the issue of privately-owned Japanese companies who forced prisoners of war to perform slave labor. This legislation would, in part, direct the federal courts not to interpret article 12(b) of the Treaty of Peace with Japan as a waiver of claims that would prevent U.S. POWs from pursuing federal labor suits against Japanese individuals or private corporations. Additionally, the bill would insure that article 26 of the Peace Treaty with Japan should apply to forced labor suits by U.S. POWs. This bill has been referred to the House Judiciary, International Relations, and Government Reform committees for consideration.

We must never forget the sacrifice made by those who stood up to Japanese aggression, and we must always honor them in word and deed. As my colleagues and I debate the issues of our day, I can assure that such deliberations are conducted with the knowledge that our freedom was secured by the blood and sacrifice of those who stood in the way of advancing tyranny. You may be sure that I will keep your views foremost in mind should H.R. 1198 or other relevant legislation be considered by the full Senate.

I appreciate having the opportunity to represent you in the United States Senate. Thank you for taking the time to contact me.

Phil Gramm,
United States Senator

Cross Country races begin for area runners

Saturday the Cross Country team from Rivercrest High School and Junior High traveled to compete at the North Hopkins Cross Country Meet held at Cooper State Park.

In the Junior High division there were 79 runners. Four young ladies represented Rivercrest and Coach Debbie Williams said, "This was their first ever race and they did well". Competing were: Torrie Grissom who placed 41st with a time of 18:55; Courtney Merchant who finished 48th with a time of 19:37; Danica Easterling who finished 52nd with a time of 19:54 and Rachel Smith who finished 66th with a time of 20:49.

In the high school division there were 118 runners. Running for Rivercrest were Charla Hines who placed 9th with a time of 14:43. Charla decided to run cross country this year and Coach Debbie Williams said, "We are very excited about having Charla. She will have strong points for the team and should compete well all season. I expect Charla to be a contender with Stephanie Williams to be the 2001 District Cross Country Champions". Stephanie Williams, Charla Williams, Danielle Easterling, Krystal Valenzuela and Tina Carder also competed at the meet. Stephanie Williams took 35th place with a time of 15:58. Coach Williams said, "Steph will improve each week. She is a worker". Erica Williams came in 75th with a time of 17:20. Coach Williams said, "Erica is a competitor. Always reaching in and getting it out". Danielle Easterling came in 89th with a time of 18:00. Coach Williams said, "Danielle is really working hard and it will pay off for her". Krystal Valenzuela finished 108th with a time of 20:00. Coach Williams said, "Krystal should see her times go down tremendously each week when she runs her own pace". Tina Carder finished 109th with a time of 20:29. Coach Williams said, "Tina should also improve drastically with each practice and meet". Rachel Case who is also on the team was unable to run due to illness but attended to support her team. District points and places for the meet were: Chapel Hill 3rd place with 120 points; Prairiland 8th place with 258 points and Rivercrest 10 place with 316 points.

Coach Williams said, "The cross country runners have just begun, so improvement each week should be there. We should see times get better. It takes a lot to go out and run 2 miles or 3 miles, but, these ladies want to improve their fitness and their goal is to be the C.C. District Champs again this year. Chapel Hill and Prairiland out scored us at this meet, so we know we have to work for the championship, and we will".

The next Cross Country Meet is scheduled for Saturday, September 15, 2001 at Avery. Everyone is invited to come out and support the Rivercrest teams as they compete.

Lozoya awarded scholarship

The Clarksville Rotary Club would like to announce that Patricia Lizath Lozoya, a 1996 graduate of Rivercrest High School has been awarded an Academic-Year Ambassadorial Scholarship which provides funding for one academic year of study in another country. This award is intended to help cover round-trip transportation, tuition, fees, room and board expenses, and some educational supplies up to US \$25,000.

Patricia moved to Texas from Mexico at the age of 12 and was able to overcome the difficulties of learning a new language and excelled in school. She was the Valedictorian of the 1996 graduating class of Rivercrest High School and graduated from the University of North Texas in 1999 with a B.A. She is currently teaching school in the Fort Worth Independent School District.

Rotary Foundation Ambassadorial Scholarships are made possible by the generous contributions of Rotarians who choose to sponsor scholarships through The Rotary Foundation. These Rotarians select scholars to serve as "Ambassadors of Goodwill" between the people of their sponsoring and hosting countries.

Ambassadorial Scholars contribute to international understanding through study in another country. The scholarships, which are designed to further international understanding and goodwill, provide for study abroad in more than 160 countries where Rotary clubs are located. Some 1,300 scholarships of various types

will be available from clubs worldwide. During their studies abroad, Rotary Foundation Ambassadorial Scholars act as "ambassadors of goodwill."

Through appearances before Rotary clubs and districts, schools, civic organizations, and other forums, the scholars represent their homelands and work to further international understanding.

The Rotary Foundation Ambassadorial Scholarships program is the world's largest privately sponsored international scholarship program. Focused on humanitarian service, personal diplomacy, and academic excellence, the program has sponsored more than 30,000 Rotary Scholars abroad since it began in 1947.

Patricia will join Ann Marie Hoover of Tyler and Linsay Diann Houchen of Marshall in representing Rotary District 5830 during the 2002-2003 year as Ambassadorial Scholars.

In October of 2001, Patricia will be notified what country she has been assigned (she listed Peru, Spain, Argentina and Ecuador in that order as her choices) and then she will apply to the University in that country. In January 2002, she will attend an orientation program where the other Scholars from Texas, Oklahoma and Louisiana will gather to learn more about what is required of the Rotary Scholars. Then in August or September of 2002, Patricia will leave for a life changing experience.

NOW OFFERING HEART CT SCANS (Coronary Calcium CT Scanning)

- According to 1996 estimates, nearly 59 million Americans have one or more forms of cardiovascular disease.
- Coronary heart disease caused nearly 500,000 deaths in 1996 and is the single leading cause of death in America today.
- From 1979 to 1996, the number of cardiovascular operations and procedures increased 355 percent.

Coronary artery disease (CAD) is the leading cause of death and disability in the United States in both men and women. Patients are usually first diagnosed with CAD when they develop symptoms, display an abnormal response to stress testing, or undergo coronary angiography. Unfortunately, by that time, the condition is relatively advanced. Heart calcification scanning can detect the presence of coronary artery disease, as well as provide an estimate of the extent and severity of coronary disease. This information can then be utilized to optimize patient care, helping to appropriately tailor prevention goals and to determine further evaluation and follow up, if needed.

CAD is the only process which results in the deposition of calcium within the walls of the arteries. Early on in the calcification process, calcium deposits are very small and difficult to detect with conventional x-ray imaging. Over the past few years CT scanning has advanced to the point that detection of even minuscule calcium deposits can be accomplished quite easily. CT scanning, therefore, affords an opportunity to detect coronary calcium early - before patients develop clinical manifestations of coronary disease.

If you would like additional information about Coronary Calcium CT Scanning, please contact Red River Valley Radiology Associates.

Because this is a screening procedure, many insurance plans will not cover this service. The cost of this examination, including the radiologist's interpretation, is \$400. Interest free payment plans are available.

Parking requirements at Rebel stadium

Rivercrest High School Principal/Coach, Keith Brown announced today that all fans and visitors at Rivercrest High School's Rebel football games must park in the Home side parking lot at Rivercrest Rebel Stadium. All fans, faculty, staff and visitors must enter through the ticket booth on the Home side of the field. All fans must enter the stadium on the driveway marked by the Rebel stadium sign.

Brown said, "We have a limited amount of space inside the back fence and we have had to insure the safety

of our visiting teams as well as access for emergency medical attention. It is important that everyone cooperate in this effort". Emergency medical, Sheriff's department vehicles, handicapped persons and visiting school vehicles will be allowed to park inside the rear fence near the visitor side seating. There will be a personnel to guide persons to the correct parking area. One vehicle per concession stand will be allowed in the area. Your cooperation will be appreciated.

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS
Special Election
NOVEMBER 6, 2001

PROPOSITION 1
(HJR 52)

Proposition 1 would amend the constitution to relinquish the state's claim to certain disputed land in Bastrop County. The amendment would confirm legal title to that land, excluding any mineral interests, to the individuals who hold a disputed title to the land. The amendment would prevent a loss of title by people who bought and paid for property that was never transferred by the state because of faulty surveys.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the clearing of land titles by the release of a state claim of its interest to the owners of certain land in Bastrop County."

PROPOSITION 2
(SJR 37)

Proposition 2 would amend the constitution to establish the process for issuing up to \$175 million of state general obligation bonds and notes to provide aid to counties for access road projects to serve border colonies. Generally, a colony is an economically distressed geographic area with inadequate public services (such as water supplies, sewer services, or paved roads) in a county without adequate resources to provide such services. These projects could include the construction of access roads, the acquisition of materials used in maintaining those roads, and projects related to the construction of those roads, such as road drainage. The Texas Transportation Commission, in consultation with the Governor, would be authorized to determine what constitutes a border colony for purposes of selecting the counties and projects that would receive assistance.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of state general obligation bonds and notes to provide financial assistance to counties for roadway projects to serve border colonies."

PROPOSITION 3
(SJR 47)

Proposition 3 would amend the constitution to authorize the legislature to exempt green coffee and raw cocoa held in Harris County from property taxes in order to qualify Harris County as an exchange port for coffee by the New York Board of Trade. The authorization of exemption would not apply to any other county.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to exempt from ad valorem taxation raw cocoa and green coffee that is held in Harris County."

PROPOSITION 4
(HJR 1)

Proposition 4 would amend the constitution by setting the term of the fire fighters' pension commissioner at four years. The constitution currently provides that the duration of all offices not otherwise fixed by the constitution may not exceed two years.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for a four-year term of office for the fire fighters' pension commissioner."

PROPOSITION 5
(SJR 32)

Proposition 5 would amend the constitution to allow a municipality to donate outdated or surplus equipment, supplies, or other materials used in fighting fires to an underdeveloped county. Current state law does not allow anything of value belonging to the state or its political subdivisions to be donated to another nation.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing municipalities to donate outdated or surplus firefighting equipment or supplies to underdeveloped counties."

PROPOSITION 6
(HJR 45)

Proposition 6 would amend the constitution to require the governor to call a special session of the legislature so that the legislature can appoint presidential electors when the governor determines that it is reasonably likely that the outcome of the election for a presidential candidate's electors will not be clearly determined in time for the appropriate electors to meet before the federal deadline to cast their votes. Under current law, when the people vote for a particular candidate for president, in reality they are voting for that candidate's electors who will meet to cast their votes for president. If the electors are not determined by the certification date, no electoral votes may be cast for the state. The proposed amendment ensures that the state's electoral votes will be cast.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring the governor to call a special session for the appointment of presidential electors under certain circumstances."

PROPOSITION 7
(HJR 82)

Proposition 7 would amend the constitution to authorize the Veterans' Land Board to issue and sell up to \$500 million of additional general obligation bonds to finance additional home mortgage loans to veterans. Additionally, the proposed amendment would authorize the Veterans' Land Board to use assets from the land and housing assistance funds to create, operate, and improve veterans' cemeteries.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the Veterans' Land Board to issue up to \$500 million in general obligation bonds payable from the general revenues of the state for veterans' housing assistance and to use assets in certain veterans' land and veterans' housing assistance funds to provide for veterans cemeteries."

PROPOSITION 8
(HJR 97)

Proposition 8 would amend the constitution to allow the legislature to authorize the Texas Public Finance Authority to issue and sell up to \$850 million of general obligation bonds. The proceeds of the sale of the bonds would pay for construction and repair projects or for the purchase of needed equipment by the General Services Commission, the Texas Youth Commission, the Texas Department of Criminal Justice, the

Discovery Program underway at Bogata Missionary Baptist

The Discovery Program for the Bogata Missionary Baptist Church got underway last week with the launching of 91 balloons. It was a beautiful sight as the multicolored balloons were lifted into a partly cloudy sky and flew off into the western sky.

As of yet, no one has called to report finding a balloon, but the kids are hoping to hear from someone before too long. The Discovery Bible Clubs and Teen Discovery will meet each week at 6:45 p.m. For those

who desire to come earlier, a meal will be served beginning at 6:15 p.m.

The Bible Clubs are made up of four separate Clubs: age 4 through Kindergarten are in the Helper Club; grades 1 & 2 are in the Watchman Club; grades 3 & 4 are in the Warrior Club and grades 5 & 6 are in the Champion Club. Grade 7 through 12 make up the Teen Discovery Club. All area children and teens are invited to come and participate in the activities on Wednesday nights at Bogata Missionary Baptist Church.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$850 million in bonds payable from the general revenues of the state for construction and repair projects and for the purchase of needed equipment."

PROPOSITION 9
(HJR 47)

Proposition 9 would amend the constitution to authorize the legislature to provide for filling vacancies in the legislature without an election if only one person is a qualified candidate in the election to fill the vacancy. Under current law, a special election must be held to fill a vacancy in the legislature even if there is only one qualified candidate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the filling of a vacancy in the legislature without an election if a candidate is running unopposed in an election to fill a vacancy."

PROPOSITION 10
(SJR 6)

Proposition 10 would amend the constitution to authorize the legislature to exempt certain items of personal property from property taxation by political subdivisions of the state if the property is warehoused temporarily in a location in Texas to be assembled, stored, manufactured, processed, fabricated, or repaired and then forwarded to another location inside or outside Texas. The proposed amendment would authorize a political subdivision that imposes ad valorem taxes, at its option, to tax this type of property after a local public hearing on the matter.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to promote equal tax treatment for products produced, acquired, and distributed in the State of Texas by authorizing the legislature to exempt from ad valorem taxation tangible personal property held at certain locations only temporarily for assembling, manufacturing, processing, or other commercial purposes."

PROPOSITION 11
(HJR 85)

Proposition 11 would amend the constitution to allow a schoolteacher, a retired schoolteacher, or a retired school administrator who serves as a member of a governing body of a school district, city, town, or other local governmental district, including a water district, to receive compensation for serving on such a governing body. Currently, state employees or other individuals who are compensated directly or indirectly from state funds are barred from receiving a salary for such service.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow current and retired public school teachers and retired public school administrators to receive compensation for serving on the governing bodies of school districts, cities, towns, or other local governmental districts, including water districts."

PROPOSITION 12
(HJR 75)

Proposition 12 would amend, repeal, or relocate several sections of the current

constitution to improve the clarity, organization, and consistency of the constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to eliminate obsolete, archaic, redundant, and unnecessary provisions and to clarify, update, and harmonize certain provisions of the Texas Constitution."

PROPOSITION 13
(SJR 2)

Proposition 13 would amend the constitution to allow the legislature to authorize a board of trustees of an independent school district to donate real property and improvements formerly used as a school campus in order to preserve that property. The board may make the donation if the board determines that the property has historical significance, that the donation will help to preserve the property, and that the school district no longer needs the property for educational purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to authorize the board of trustees of an independent school district to donate certain surplus district property of historical significance in order to preserve the property."

PROPOSITION 14
(HJR 44)

Proposition 14 would amend the constitution to allow the legislature to authorize a taxing unit, other than a school district, to exempt travel trailers from property taxation as long as the travel trailers are lawfully registered with the state and are not held or used for the production of income.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to authorize taxing units other than school districts to exempt from ad valorem taxation travel trailers that are not held or used for the production of income."

PROPOSITION 15
(SJR 16)

Proposition 15 would amend the constitution to create the Texas Mobility Fund, which would be administered by the Texas Transportation Commission. The Fund would finance the construction, acquisition, and expansion of state highways and would pay a portion of the costs of public toll roads and other public transportation projects. The legislature may reserve specific sources of state revenue for the Fund and may authorize the Commission to guarantee the payment of any obligations or credit agreements with the full faith and credit of the state. The attorney general shall determine the legality of any such obligations or credit agreements.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment creating the Texas Mobility Fund and authorizing grants and loans of money and issuance of obligations for financing the construction, reconstruction, acquisition, operation, and expansion of state highways, turnpikes, toll roads, toll bridges, and other mobility projects."

PROPOSITION 16
(HJR 5)

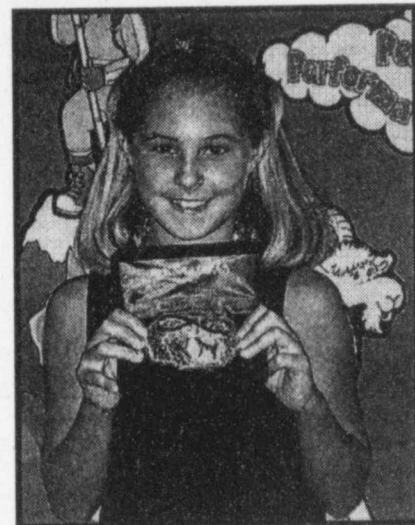

Proposition 16 would amend the constitution to reduce the waiting period required for a valid home improvement lien on a homestead from 12 days to 5 days. Currently, a lien may not attach to a homestead for a home improvement loan if the homeowner executed a contract for the improvements less than 12 days after applying for the loan. In addition, the proposed amendment would

Bogata 1949 class reunion planned

The Bogata High School graduating class of 1949 is planning a reunion at the April 13, 2002 homecoming.

A committee met for a planning session recently. All graduates, students that attended at any given year and teachers of this class will be sent an information sheet to complete. The sheet will be given to compile a booklet to be used at the class reunion.

All attending the homecoming are reminded that a 12:00 noon catered luncheon will be held and all activities are held during the day. Please make plans to attend and spend a wonderful day of good food and fellowship.

KELSEY FRANKS won Grand Champion with her goat, "Leroy" at the Red River Valley Fair Goat Show in Paris Thursday, August 30, 2001. Kelsey's other goat, "Freddie" placed 6th in the same class. Kelsey received a beautiful belt buckle as her award. Kelsey is the daughter of Ricky and Lori Franks of Sugar Hill. (Staff Photo Nancy Brown)

Letters to Editor

Dearest Family & Friends,
Our family matriarch, one loved by all, Gladys Townes, also known by several aliases, is quickly approaching her 98th birthday on September 26.

Let's surprise her with a card shower. She always enjoys hearing from family and friends. In fact, she loves cards so much, she places each one in an album for continuing review. On any occasion, she will ask, "Guess how many cards I've received?" Her love and sense of humor have been such a blessing to us all.

Birthday cards mailed on Saturday, September 22 should all reach her on the same date. I can promise you she will be thrilled.

Thanks for helping to shower our special lady.

Love,
Henri Cave, her niece
Please mail to 20618 Fieldtree Drive, Humble, TX 77338

Dear Editor:
I am writing to you so everyone may hear. I attended the Rivercrest High School Varsity Football game Friday night. It was a home game, the first of the season. High expectations, eagerness, excitement were present among athletes, cheerleaders, band and even coaches.

For some of us who attended in anticipation of watching and supporting our children play their first game of the season we were disappointed, not in our children, but in our fans.

For those of us who have children on the field, it is very important that we have the opportunity to watch and hear what is going on on the field.

I sat next to a group of ladies that could give a care less.

The argument came after the cheerleaders pulled out the little plastic footballs. The stands had been relatively quiet until then. But then the stands came alive. People stood, they cheered, waved their hands, all in hopes to catch a \$2 football!

I must admit it made me angry. We, meaning the Rebels, had just lost a very valuable player to an injury and nobody seemed to care.

It seemed insignificant to almost everyone except me and his mother.

I turned to the stands to shout to everyone to pay attention. I said it was pretty crazy that everyone could cheer for a two dollar football and didn't give a damn about what was going on out on the field.

Shortly after that a student came and sat beside me and told me that this group of ladies was mocking me, making fun of me. This was his observation, made from somewhere else in the stands.

I sat there watching, and they really were making fun of me.

Being the person I am, I went over and told these people off. Yes, I swore. One woman said "I can't believe you are swearing in front of the children".

I ask, what do you and your allies think you were teaching these same children?

It's horrible to swear, but all right to make fun of someone?

I want to say "stay at home" if you are not there in true support of our children! If it's a two dollar football you want, just ask someone for one!

A dedicated fan,
Jeannie Hoffman

Burn Ban lifted

The Bogata City Fire Marshall, Wayne Martin, announced Wednesday, September 5, 2001 that the Burn Ban which had been put into effect for the City of Bogata during July, has been lifted as of Monday, September 10, 2001.

The recent rains have helped to end the dry conditions experienced during July and August. However, caution should always be used when burning outdoors.
