## Blossom Voters Keep City "Dry"

Residents of the City of Blossom cast their votes decisively against legalized liquor sales within the city limits of their town in an almost two to one margin on Saturday.

The election drew out almost sixty percent of the city's registered voters, and residents made the decision

that their community would remain "dry" by casting two hundred twenty ballots against the liquor option and one hundred forty-one for it.

Election judge Wanda Compton stated that only one ballot was void out of the total 362 cast, and only a few ineligible voters attempted to cast a ballot.

She also stated that they were impressed by the amount of votes cast—362 out of 540 registered voters.

Forty-one absentee ballots had been filed before the election.

Several Blossom residents had worked to support the legalized liquor sales in the belief that the tax dollars

would be beneficial to the city.

The general opinion of those organizers was that no acrimony of serious consequences had arisen over the election. Voters simply voted the way that they felt, and the majority ruled.

Blossom Mayor George Lemely said that the defeat

of the liquor option was in the best interest of the community.

A local minister pointed out that there had been no slander during the campaigns both for and against liquor sales.

The city apparently suffered no split over the issue, but did turn considerable

attention to it.

Lamar County Clerk Margaret Coplin stated that the vote totals from the local election will not be final until canvassed by the county commissioner's court following a five day waiting period. Canvassing of the ballots has been set tentatively for September 14.

## Patriots Fall To Bulldogs 18-0

By Tina Moore

The stands were full Friday evening as the fans came out to witness the Prairiland Patriots host the Cooper Bulldogs for their opening game of the season. However they witnessed the Pats fall to the Bulldogs with a final score of 18-0.

The Pats seemed to know what kind of team they were up against as Cooper offense showed strong in the first stanza as they managed to get the ball to Ronald Morris who ran for a 54 yard touchdown.

Cooper Quarterback then completed a pass to Brian Kelso who covered 32 yards with only three seconds left in the half to make the score 12-0.

In the fourth quarter, Cooper defensive player, Kenneth Johnson, intercepted a Patriot pass and ran the ball back 30 yards to give the Bulldogs their final score of the evening.

However the Bulldogs didn't entirely dominate the game as the Pats made an attempt to erase the no-score sign on the board with the efforts of Norman Alexander, Billy Froelich, and Brad Sessums moving the ball to the Bulldog 10 yard line.

But those efforts were downed when defensive, Johnson, deflected a definite touchdown pass intended for Daryl Salter.

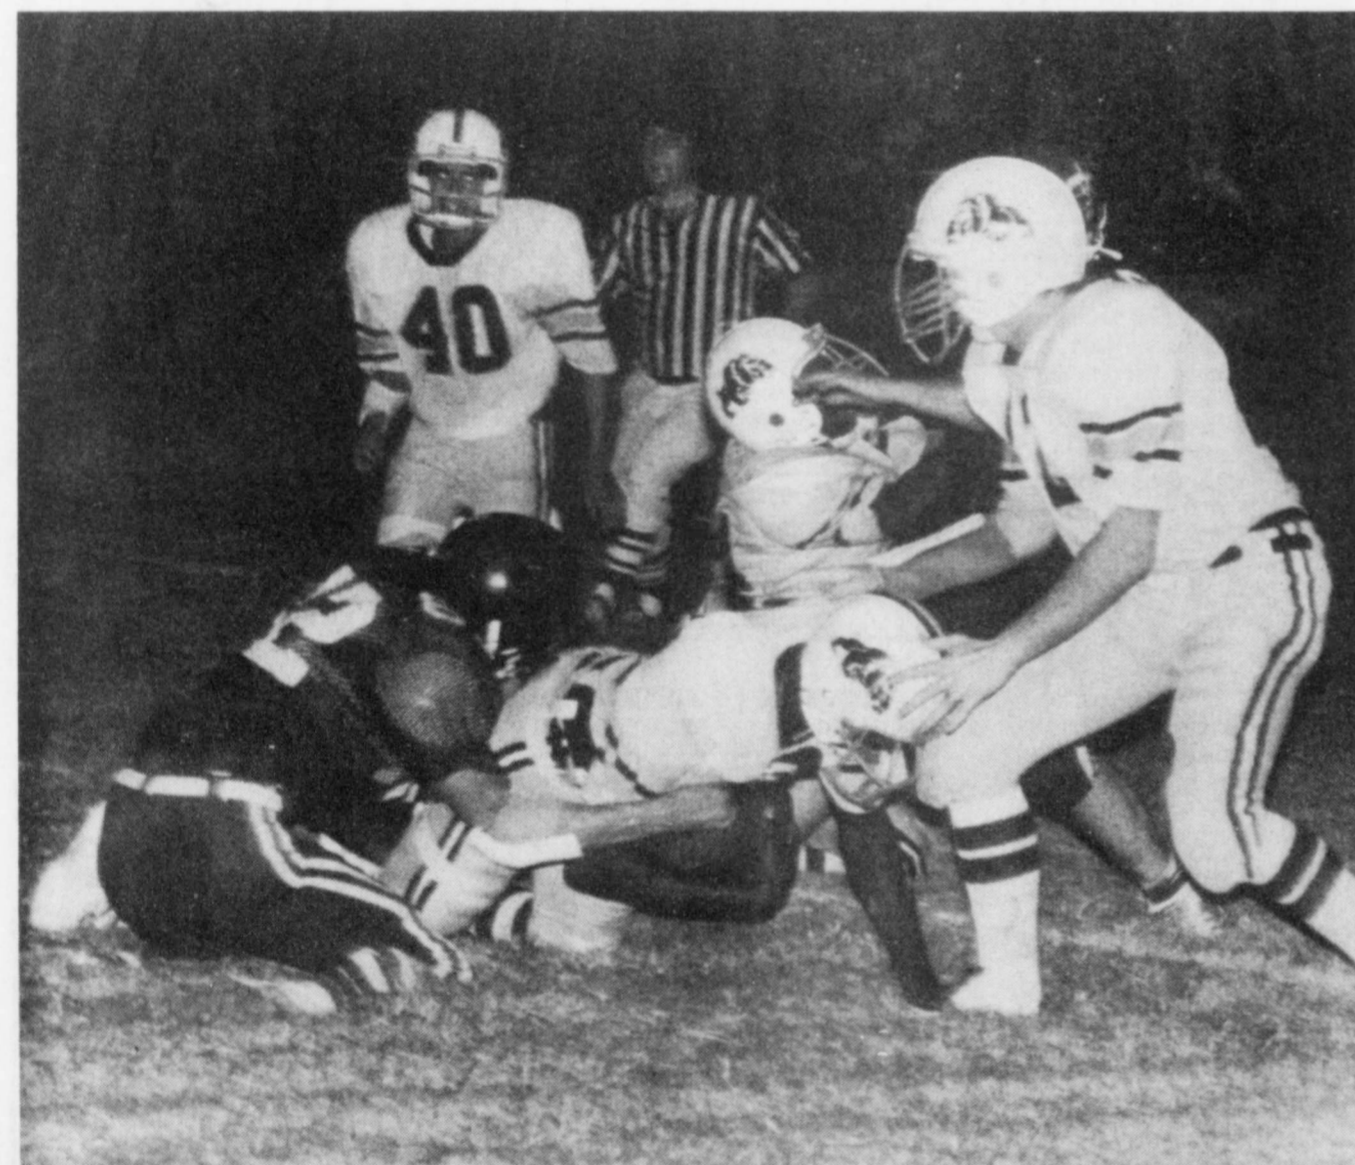

It seemed to be a see-saw of plays between the two teams as the time ticked away on the clock during the fourth quarter.

Timmy Henry and David Edwards led the team in defense as the Patriots held the Bulldogs at a stand still for the remainder of the contest.

Although disappointed in the loss, the Pats are proud of the fine defensive game they played. Statistics show that the team has improved substantially over last year, and they are looking forward to further season play.

BRINGING HIM DOWN-Daryl Salters tackles a Cooper Bulldog in Friday night's game. Defense looked really good, while the offense played well but never got the breaks they needed. The Patriots lost to Cooper 18-0. (Staff Photo)

## Sponsors Needed For Life Ride

Riders for the Saturday, September 19, 1981 St. Jude's Children's Research Hospital Wheels for Life Bike-A-Thon are now asking Deport citizens to back their efforts by pledging a contribution for each mile that they ride.

The money the riders earn will help continue St. Jude's life saving study of childhood cancer that has become so important to children all over the world.

"Each rider will be given a lap card when they register at the city park on Saturday", Mrs. Dorothy Neal said, "Every time they ride

through the check point we will initial the card. At the end of the ride we will check it and sign it to show the rider earned what the sponsor pledged." Riders will then return to the sponsors to collect the pledge.

The ride starts at the park in Deport on Saturday, September 19 at 8:00 a.m.

If anyone would like to sponsor a rider and hasn't been contacted, call 652-9055 and someone will call.

Riders can still obtain sponsor-registration forms at the Deport Elementary School.

Since we have instituted the Guess What contest there have been some pretty good guesses, and some pretty wild ones too.

One of the more interesting things about the contest is that kids are a lot better at guessing what the object is than adults. Kids' imaginations aren't inhibited by a preconceived notion of what

something should look like, and they can see what something is whether it is close up, blurred or what.

All of us might take a lesson from that, trying to free our minds from the narrow bounds it seems we have confined ourselves to.

For that matter, several adults have already done so, at least in relation to our Guess What contest!

## Woodard Cemetery Assn. Elect Officers

The Woodard Cemetery Association met Sunday afternoon at the Minter Church, with a large crowd attending.

Three trustees were selected: Walker Devlin, Waylan Norrell and Odis Watson.

The association is working toward establishing the name of the cemetery over the gate and towards completion of the fence.

## High energy bills got you up in the air?

### Level out utility payments with the Average Billing Plan.

If seasonal changes in your electric bills are making budgeting difficult, the Average Billing Plan can help you. The Average Billing Plan gives you about the same amount to pay each month, eliminating the highs and lows of the billing cycle. At the end of the year, you'll find your total amount paid for electricity is the same as if you were on the regular billing plan.

#### Here's how it works:

FIRST MONTH		AVERAGE	
MOST RECENT 12 MONTHS	ACTUAL USE	12 MONTHS	ACTUAL USE
+ 12 = BILLING AMOUNT		+ 12 = BILLING AMOUNT	
EACH MONTH THEREAFTER		15% OF AVERAGE	
MOST RECENT 12 MONTHS	ACTUAL USE	15% OF	BILLING AMOUNT
+ 12 = ACCUMULATED DIFFERENCE*		+ 12 = BILLING AMOUNT	

\*15% of accumulated difference is added when prior to the current bill, the calculated amount for electricity used is more than the accumulated amount billed under the Average Billing Plan.

NOTE: If you have less than 12 months history at your present address, the "average" will be based on the number of months available.

### In Memoriam

OF JACKSON FRANCIS [JACK] CRAWFORD WHO DIED AUGUST 23, 1981 97 YEARS 6 MONTHS AND 4 DAYS OLD.

GOD CALLED YOU HOME AT THE TWINKLING OF AN EYE

THERE WAS NO TIME TO SAY GOODBYE

A MILLION TIMES WE'VE NEEDED YOU

A MILLION TIMES WE'VE CRIED

IF LOVING YOU WOULD HAVE SAVED YOU

PAPA AS HE WAS KNOWN

YOU NEVER WOULD HAVE DIED

DEATH IS A HEARTACHE THAT NO ONE CAN HEAL

MEMORIES ARE SOMETHING NO ONE CAN STEAL.

OTHERS MAY FORGET YOU ARE GONE

BUT WE WILL REMEMBER NO MATTER HOW LONG.

TEARS IN OUR EYES WE CAN WIPE AWAY

BUT THE ACHES IN OUR HEARTS WILL FOREVER STAY

PAPA WE LOVED YOU. BUT GOD LOVED YOU BEST.
