

Blossom School Damaged By Arson

The sixty-one year old Blossom school building was damaged Sunday afternoon, not only by an arsonist's fire, but by vandalism and burglary. The two story building, the central classroom site of the campus, received heavy smoke damage, and some fire damage, when a blaze was apparently ignited in the basement of

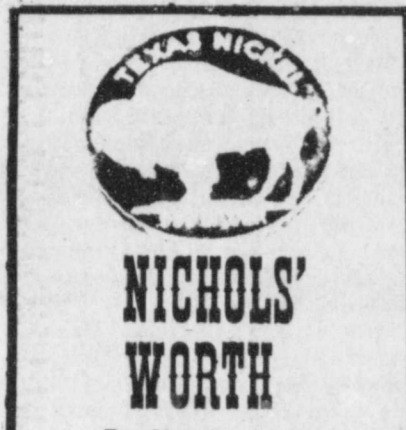

the building, on the north side, and smaller fires were set in classrooms on the first and second stories. Superintendent Leslie H. (Buddy) Taylor, expressed hopes that classes could resume in the main building by the first of December. "It depends, of course, on how much clean up work can be accomplished in a short time."

Structural damage wasn't too heavy in the fire. The teacher's workroom, where the biggest fire was apparently kindled, was the most seriously damaged room. Electrical and plumbing systems were hurt by fire, smoke and water. The smaller fires burned

themselves out, and were minor, having been stacks of paper in rooms and books and papers in the halls. Apparently the arsonists used only matches or a lighter to set the fires, not using any flammable liquid. Blossom Volunteer Firemen did an excellent job of putting the fire out, and units from Reno and Paris also

responded to the fire call. Vending machines were destroyed, and change from the machine taken. Desks were thrown about, and a Canon AE-1 camera stolen. Max Ballard, Prairiland Business Manager, reported that the entire building was vandalized. Classes continued on Tuesday, after partitions were built in the gym-

nasium to provide six classrooms, and the newly completed science lab divided into two. The entire two story structure had been completely remodeled only last year. Lamar County Sheriff's office has the matter under investigation. Two juveniles have been questioned concerning the fire, and are currently considered suspects.

There are some things that aren't really meant to be. Or at least, it's nice to be able to blame it on fate instead of sheer disorganized stupidity.

Last Friday night we decided to leave for the football game in time to eat before the game.

We put the camera in the car, loaded ourselves in, complete with heavy coats and socks for the chilly evening, and stopped by for some gasoline.

Thomas discovered that he didn't have enough paper left on his note pad, so we swung through town to get a new one.

About six miles down the road I glanced at the camera and squeaked out "Did YOU get the telephoto lens?" Thomas gave me a disgusted look and we just did an about face in the road and headed back to town.

At the house we looked for the telephoto case...it didn't appear. So we had to go back down to the office where the lens was.

Just at the city limits, Thomas realized that we didn't have an extra roll of film. Long experience has taught us that when only one roll is available, that roll will immediately lock up or fall apart. We went back for the extra roll.

Of course, by that time the clock had ticked off about thirty minutes, and there wasn't enough time to eat anywhere. We were just glad to get to the game at kickoff time.

Having found the stadium, parked, and heading towards the gate, I decided to test the batteries. You guessed it, they were DOWN.

Like I said, some things aren't meant to be. Or, at least, they only come to be after a whole lot of running around.

Organization.....that's my motto!

Prairiland Patriots Lose To Brahman 20-6

By Thomas Nichols
The Prairiland Patriots fell to a 5 to 4 record last Friday night as the Paul Pewitt Brahman came out on top of the contest 20 to 6. The first quarter of play was simply swap out by both teams. Each team ran three plays and punted without much success of moving the ball on the ground or in the air. The Prairiland defense was awesome through the first half of play. Even all district quarterback Artis Whetstone was unable to fend off the Patriot attacks led by Darrin Moore, Mike Blackburn and George Shirley. Patriot Eric Foster was the first Patriot player to get to the Brahman All Stars, on second down, second play of the game. Foster charged the line and grabbed Whetstone for a six yard loss. Late in the first quarter, after Brahman Todd Henson had intercepted Patriot Scott Scudder's pass, the Brahman had the ball on the Patriot 45-yard line. Brahman quarterback Whetstone was sacked for a loss again, but this time by Patriot Jeff Bridges. And so it went until four minutes in front of half time. The Patriots had the ball on the Paul Pewitt 48-yard line. Patriots

Mike Connot and Craig Burns did a fine job of running the ball down to the Brahman 20-yard line. Faced with a fourth down and five yards to go for the first down, from there it appeared the Patriots might come up short, but Coach Allen called it perfectly and sent quarterback Scott Scudder on a solo mission that ended on the Brahman nine yard line. The Patriots six points came with just 32 seconds left on the clock as Jeff Morrison landed Scudder's bullet in the endzone. Fifteen seconds later, Brahman Marcel Lewis fumbled the ball and Patriot Dewayne Icenhower covered for the Patriots to end the first half 6 to zip for the Patriots. The Brahman's first score came with just over two minutes left in the third quarter. The Brahman had a third down and 14 to go for the first down when the Patriots were penalized for holding a Brahman facemask which gave the Brahman first and ten on the Patriot 4-yard line. On the very next play, Darrell Turner carried the ball for six. The point after attempt failed and the ballgame was tied up six to six. The Patriots received the Brahman punt on their own 20-yard line. On the first play from the line, the Patriots fumbled the ball and the Paul Pewitt

Brahman had first and ten on the Patriot 10-yard line. It appeared the Brahman would score again quickly, but quarterback ARTis Whetstone fumbled the ball and the Patriots took over on their own five yard line. The Patriots were unable to move the ball and had to kick the ball away giving the Brahman good field position on the Patriot 16-yard line. Four plays later, Scott Turner tacked on six more points to go ahead 12 to 6 for the Brahman. Point after attempt failed and with ten minutes and one second in the game, the Patriots took over on their own 25-yard line. From there they moved the ball down to the Pewitt 46 yard line before the drive fizzled out. Five minutes later, Pewitt quarterback Artis Whetstone raced for a thirty yard score. Kevin Whetstone scored from two yards out for the two point conversion. The Patriots tried to fight back, but the Brahman were not to be corralled and the game ended 20 to 6. Next week the Patriots host the North Lamar Panthers at Pattonville at 7:30 p.m.

STOPPING HIM-Mike Connot, No. 41, hangs on, while two more Patriots, Mike Davidson, No. 63 and George Shirley get a grip to stop the Paul Pewitt ball carrier last Friday. The Patriots lost the game 20-6. (Staff Photo by Thomas Nichols)

FOOTBALL CONTEST

WIN FIRST PRIZE \$12

WIN SECOND PRIZE \$7

WIN THIRD PRIZE \$5

RULES OF THE GAME

CLIP OUT THIS PAGE AND MARK YOUR CHOICE OF WINNERS OF THE GAME THAT APPEARS IN EACH OF THE ADS ON THIS PAGE.

Do not guess the score, just the winner. If you predict a tie, so indicate with the word "Tie" written across the ad.

GUESS BOTH THE WINNER AND THE SCORE FOR THE GAME MARKED "TIE-BREAKER", THAT APPEARS ON THIS PAGE.

Tie-breaker game winner will be counted with other games but tie-breaker game score will be used only to break ties among contestants, with the game winner first, margin of victory second, total game points third and total points by winner fourth. If still tied, the prize money will be divided equally.

Fill in your name, address and phone number (if any) and either mail or bring this page, or a reasonable fac-

simile of the list of games, to either The Deport Times or The Bogata News.

Entries brought to either of the newspaper offices, must be in that office no later than 5 p.m. Friday of this week. If mailed, entries must be mailed to either The Deport Times, P.O. Box 98, Deport, Tex., 75435; or The Bogata News, P.O. Box 306, Bogata, Tex., 75417. All mailed entries must be mailed in time to arrive with the Saturday morning mail.

It is requested that only one entry per person be submitted. In event of more than one entry from a contestant, that person will be eligible for only one prize in that contest week.

Everyone eligible except employees of The News-Times newspapers and their families. Decision of judges will be final.

Straight Talk

from Texas-New Mexico Power Company

Why does TNP Employee Johnnie Holub weatherstrip his home?

Keeping your home comfortable throughout the winter months can be costly, especially when heated air inside is lost through seams around your doors. That is why TNP Employee Johnnie Holub of Pecos, Texas, prevents heat loss by weatherstripping his doors. Found at your local hardware store, the weatherstripping materials are inexpensive and you can easily install them yourself in only a matter of minutes. Sealing your home from heat loss will help make your home more comfortable. For more information on Energy Management, call our office today.

Mrs. Norwood Honored On Birthday

Mrs. Willie Clay Norwood of Reno was honored with a tea Sunday, October 27, in celebration of her 80th birthday. The affair was held at the home of Mr. and Mrs. Charles R. Smith of Reno. Hosting the occasion were her children, Mr. and Mrs. Smith, Mr. and Mrs. Steve Womack of Reno, Billie Jack Norwood of Paris and Mr. and Mrs. John B. Whitney of Deport.
 The covered patio and carport were converted into a flower garden. Huge baskets of fresh greenery was hanging throughout the area. Decorating the center of the garden was a massive circle of fresh greenery and fresh chrysanthemums in various pastel shades. Five tables were draped with different shades of pastel tablecloths, each table being com-

plimented with flower and candle arrangements to coordinate the cloth. The serving table was draped to the floor with a yellow cloth, greenery encircling the table was caught up at intervals with yellow bows and streamers. The appointments were silver and crystal. The focal point of the serving table was a huge mirror, centered with a crystal stand holding a beautifully decorated pineapple, encircled with melon balls, fresh grapes, extended to the four corners of the mirror which made a divided serving tray holding the large assortment of finger foods served.

Serving at this table were Debbie Pope of Clarksville, Lana Norwood, Shirley Norwood, Tammie Lawrence of Paris. Serving at the table which held the birthday cake were Belinda Dickey of Sulphur Springs and Teresa Smith of Dallas.
 Assisting with the serving were Tonya Currin, Darrell Lynn Dickey, Shane Currin, Courtney Currin, Kevin Smith, Jaelyn Dickey, Kristy Norwood and Jennifer Norwood, great-grandchildren of the honoree.
 Mrs. Norwood was presented a corsage of pink roses, a gift from her grandchildren.
 Fifty-two guests attended. Many beautiful and useful gifts were received.

Blossom PTA Meets

A large crowd assembled in the Blossom School Auditorium for the October meeting of the Blossom PTA. The first grade classes of Ms. Joann Geringer and Ms. Kay Wright gave the special entertainment with songs about Halloween.

The business meeting was called to order by vice-president, Linda Thomas. Carol Pilip, secretary, read the minutes of the September meeting. President Mike Topliff resigned and a motion and vote was made to have Linda Thomas take over the office of president. Linda will serve in the capacity of president for the 1985-86 and 1986-87 school year. Ms. Thomas thanked Donnet Lyon and Frankye Sessums for putting out the PTA Newsletter. Thirteen teachers attended the meeting and were thanked for their attendance. Committee reports were given and Frankye Sessums gave a report on the upcoming volleyball tournament on November 15 and 16. December 17 is the date set for the Christmas Bazaar. The students are

asked to bring six homemade items. Each class will then have an opportunity to buy from the different classes.

Other money making projects reported on by the project committee were: Book Mobile, this is where a book display is brought in and set up and the students purchase these books. This project has been very successful at other area schools. Val-O-Gram, sending telegrams on Valentine's Day. Sell chances on several suggested items. Have an all day affair to celebrate the Sesquicentennial.

Ms. Bonnie Singleton's class won the recruitment honros at the recent Open House. Each class recruited new members for their classes.

Everyone was thanked for coming and the next meeting will be November 19 at 7 p.m. at Blossom School.

Secrets of Salton Sea

A geologist at the University of California, Riverside will lead scientists in a \$6 million drilling venture to probe the secrets of one of the largest geothermal fields in the world—the hot brine and rock beneath Southern California's Salton Sea.

The well may reach temperatures of 750 degrees Fahrenheit at a depth of about 10,000 feet, making it one of the world's hottest.

Samples taken at that depth could unlock the secrets of geothermal processes and help engineers to harness a vast potential power source for Southern California.
