NICHOLS' WORTH

By: Nanalee Nichols

This week, my friends from England wrote this column. They haven't had much time to experience our other communities in the same personal way they have Deport...but we all know that Bogata, Talco, Blossom, Johnstown, Pattonville, Cunningham or wherever would make them feel just as welcome, and be just as friendly.

To Deport on Foot

We left "The Hill" at mid-day, with the two dogs closely on our heels. We reached the bridge beyond which the dogs were forbidden to go. "Go back", we said in our best animal trainers voices and to our surprise they about-faced with heads bowed and tails drooping they obeyed. As we reached the main road, we were fully inspected by a herd of cows who, after deciding we were harmless, resumed grazing. We sauntered along the road, stopping to admire the mass of wild flowers growing in profusion, but like the sensible old girls we are, remembered to walk on the left, knowing you all drive on the wrong side of the road here. Not that it mattered, as we only met two cars, whose drivers waved to us, making us feel we were real live Texans.

As we preambled along we thought we must be the only two humans left. The songbirds, butterflies, trees and flowers were enchanting. As we pushed on left, we got slightly bewildered. A young lady in a van stopped to ask if we were lost and put us on the right road again, something that would be nothing short of a miracle if it happened in London. We stopped to look at your lovely homes. M. Thomas of Monroe Street has the sweetest duck painted letter box. Very daring. We peeped in to see his daily and letters there. Believe us, if we did this at home, within 15 seconds they would all be nicked. We finally arrived in Main Street at 1:15 and went straight to Duane's, who promptly sat us down and gave us a refreshing cup of coffee. Although we have only been here for five days, the way you have opened your hearts and homes to us makes us feel so very welcome.

We think your Deport is quite out of this world and how lucky you are to live in such a caring community. Thank you.

Funding To Pave Various County Roads

Lamar County Judge Brady Fisher has announced that the Commissioners' Court has awarded this

year's bid for the county's Community Development Block Grant program to the low bidder, Grand Bluff Construction Company of Beckville in the amount of \$281,115.71.

The grant application was submitted by Judge Fisher with the approval of the Commissioners' Court and with the assistance of Hayter Engineering of Paris.

The grant approval was announced recently by Governor Mark White, following a competitive bidding cycle supervised by the Texas Department of Community Affairs.

Included in this year's project are paving portions of Division Street in Blossom, Pecan Street in Deport, Cottonwood Road in Petty, and Hale and McCurry Roads in Chicota.

This is the fourth year that the county has received funding under the CDBG program, according to Fisher. Of all the cities and counties in the Ark-Tex region, only Bowie County has matched that level of success.

Patriots Clinch District Title

By James VanDeaver

The Prairiland Patriots upped their flawless district record to 13-0 Monday as they defeated the Paul Pewitt Brahms 12-2 at Prairiland.

After a scoreless first inning, the Brahms had a second inning rally, facing freshman Patriot pitcher Jack Kindle. With two men on and two men out in the inning, Kindle lost his usual control and walked two batters in a row, which gave the Brahms the first run of the game. However, Kindle got the next batter to ground out to Chris Sparks at tie base to end the rally.

Sparks was quick to tie up the game in the bottom of the second inning as he hit an inside-the-park homerun to knot up the game at 1-1. After Tony Duncan flew out, Craig Burns walked and came in to score when Kindle helped his cause with a single to right field. The Patriots failed to score in the inning but after two complete, led 2-1.

After Kindle retired the Brahms successfully in the third with a little help from his friends, including Heath Kennedy to Joel Ballard to Scott Scudder double-play, the Patriots got a loen run int he bottom of the third inning.

After a warning track out by John Dusenberry, Kennedy hit a towering double off of the left field fence. Kennedy then came around to score the third Patriot run of the game when Tony Duncan singled to centerfield.

After no scoring in the fourth inning, the Patriots went to work in the bottom of the fifth, trying to get some insurance runs. After Scudder reached second base on an error to start the inning, John Dusenberry came through with a single to plate Scudder. Then, after an out by Kennedy and a single by Sparks, the Paul Pewitt pitcher threw a wild pitch to put runners on second and third bases. Duncan then followed with a single to score Jeff Morrison who was running for Dusenberry with the fifth Patriot run of the game. The inning

To Speak At Methodist Church

Christine Skaggs of Mt. Pleasant will speak at the 11 a.m. service at the First United Methodist Church of Deport, May 18.

At the Deport church she has been a lay leader, president of the Administrative Board, Sunday School teacher, on the pastor Paris Relations

ended on a Burns groundout and the Patriots led 5-1.

In the top of the sixth inning, with one out and a runner on base, a Brahman line drive ricocheted off of Kindle's hand to force his removal from the game. Scudder then came on to pitch and give up a single and uncorked a wild pitch to score the second run for the game for the Brahms. Scudder then got back in sync and struck out a batter and coaxed a ground ball out to Joel Ballard on second to end the inning.

Leading 5-2 in the bottom of the sixth inning, a ten run Patriot win seemed remote. However, the inning would have made a good highlight film as eight different batters racked up hits to end the game as a result of the ten-run rule at 12-2. Highlights of the inning included a two-run homer by Kennedy, a pinch hit single by Richard Eatherly to make the score 11-2 and the final blow of the inning, a single by pinch-hitter Dwayne Icenhower to score Duncan with the twelfth and final run. To make the seven run outburst even more unbelievable, the Patriots had only one out int he inning when Icenhower struck the death blow.

Hitting stars for the Patriots were John Dusenberry, Chris Sparks and Tony Duncan who each went three for four at the plate. Heath Kennedy was also a leading hitter as he went two for four at the plate, including a double and home run.

The final district game for the Patriots will be Friday when they take on the North Lamar Panthers with game time slated for 4 o'clock.

Last Friday the Patriots clinched their third district championship in a row in DeKalb as the Patriots defeated the Bears 4-0.

Mike Blackburn and Scott Scudder combined on a two-hit shutout and Tony Duncan hit a two out, two run homer in the seventh inning to pace the Patriots to their 12th district win of the season.

T.A.F.E. Banquet Held

The Texas Association of Future Educators held an awards banquet May 1 at Prairiland High School Cafeteria. The banquet was most enjoyable with 60 attending, including members, parents, teachers and guests.

The guest speaker was Sherry Workman, present curriculum director of North Lamar I.S.D. She began her speech by saying how much she loved being a teacher and how it made her feel good about herself in many ways. She wanted to quit her job as a teacher but only to find herself missing something, her career in the teaching profession. She told experiences of different children that made her come back and to realize what she taught them would influence them for the rest of their lives. Mrs. Workman will be the next principal of Cecil Everett Elementary School.

In a time of appreciation many were recognized for their contributions to the T.A.F.E. chapter. The first honorary member, principal Gary Ballard, was thanked and presented a framed poem written by Bill R. Moseley. The second honorary member was superintendent, Leslie Taylor, who received a framed certificate. Other special guests attending were Dr. Richard Nash, Max Ballard, Bill R. Moseley, Patsy Rees and Sue Enlow, who were presented a small T.A.F.E. apple for their efforts.

During the T.A.F.E. senior recognition session, Mandy Graves was announced "The Most Likely to Become a Teacher" in which the faculty voted. Also the senior members received the official T.A.F.E. pins. The seniors were Kristi Bankhead, Tony Duncan, Mandy Graves, Klarissa Keys, Kelly Kienast, Anna McDowra and Tammela White.

The State Convention which was held in Austin in March had eight members attending; Kelly Kienast, Tammela White, Elisa Proctor, Marlo Tittsworth, Lanieca Gillie, Angela Waggoner, Stephanie Upton and Melissa Grissom. During the convention there was a speech contest in which Elisa Proctor competed and she came in second out of twenty contestants. Kristi Bankhead represented Prairiland as State Secretary and did a very fine job. AT the State convention, Kelly Kienast replaced Kristi, who couldn't attend, and acted as State Secretary. The state convention was a success thanks to sponsors Mrs. Patsy Kilmer and her husband, Gene Kilmer.

There were many awards given to the outstanding chapter members. Stephanie Connot was recognized by her efforts and continuance for the chapter.

Those who had high T.A.F.E. points were given special ribbons for their accomplishments. From class 100 to 150 T.A.F.E. points were Melissa

Dressler, Lisa Misk, Tony Duncan, Melonie Fowler, Kent Richey, Angie Smith and Tracy Smith. From class 150 to 200 points were Tammy Smith, LeAnn Anderson and Marci Nations. From class 200 to 250 points were Sandra Speir and Mandy Graves. From the class of over 250 points were Kristi Bankhead, Stephanie Upton, Marlo Tittsworth, Lanieca Gillie, Klarissa Keys, Elisa Proctor, Tammela White and Anna McDowra.

Those who received trophies were first place going to Kelly Kienast with 485 points, second place went to Angela Waggoner with 450 points and third went to Melissa Grissom with 350 points. The most valuable T.A.F.E. chapter member went to senior Kelly Kienast.

The new officers for the year 1986 are: president, Elisa Proctor; vice-president, Angela Waggoner; secretary, Marci Nations; treasurer, Kent Richey; reporter, Stephanie Upton; parliamentarian, Lanieca Gillie and historians, Tammy Smith and Melissa Grissom.

Dear Nanalee,
 This past weekend, we had the privilege of accompanying 17 members of the Prairiland High School Band and Director Frank Garza to Branson, MO where they performed at the school of the Ozark Music Festival.
 The manager of the motel where we stayed two nights, employees of the restaurants where we ate, and the driver of our chartered bus praised the members for their behavior and stated they were one of the best groups they had ever seen.

Due to these students, our school and community can be proud of the excellent representation they received.

We want to thank those persons who supported the band members with their fund-raising projects to finance this trip. They made it possible for the band to participate in an exciting and educational event. And, to the Prairiland Band, a heartfelt "thank you" for allowing us to share this experience.

Yours truly,
 Robbie Boren

The Jesse Chisholm Trail

A.C. GREENE
TEXAS SKETCHES

Jesse Chisholm gave his name to one of the most famous episodes in western history, but he never knew it. Chisholm, of Scotch and Cherokee ancestry, migrated with the Cherokees from Tennessee to Arkansas in the 1830s and later set up a trading post at Council Grove, on the North Canadian River near present-day Oklahoma City. His freight wagons cut a 220-mile path from Wichita, Kan., down to his store, and in 1866 when a Texas cattleman asked the best way to drive a herd to the Kansas and Missouri markets, he was advised to "take Chisholm's trail."

Joseph G. McCoy was hired by the developers of the new town of Abilene, Kan., to get a trail laid out to bring Texas herds to their railhead. McCoy's trail began deep in South Texas, the first cattle going up to Abilene in 1867. But instead of being called "McCoy Trail" or "Abilene Trail," by 1868 the route from Texas to Kansas was called the Chisholm Trail, giving its title to legendary cattle drives of story, song and film. The Texas portion of the trail saw several herds combined below San Antonio and again near Austin, crossing the Colorado River. The Brazos was crossed at Kimball Bend or Waco, then all herds combined at Fort Worth, continuing through Denton, Cooke and Montague counties to the dangerous crossing of "Big Red" at Red River Station.

Fort Worth was where the trail drivers outfitted their cowboys for the long trip across the Indian Nations. In season, the trail was a living, animal river. In 1871, half a million head of cattle passed through Fort Worth going up the Chisholm Trail. Although later cattle trails moved westward, Fort Worth remained "Cowtown" in the
