quarter when Love carried from the 8 for the TD. Love's run around right end was good for two points.

Love scored again on the first play of the fourth quarter.

Jackie Skains Dies From Sting

Jackie Skains, 40, died Tuesday at 2:15 p.m. shortly after being stung on the ear by a bee.

Skains' mother said her son was allergic to bees and that he was hospitalized once after being stung by a wasp.

She said that after being stung he took medication for the sting and lay down to rest. Efforts by Haskell Memorial Hospital personel to revive him were unsuccessful.

Born December 20, 1933, in Knox City, he was a veteran of the U. S. Army and was an independent scrap iron dealer in Haskell.

Survivors include his mother. He was preceded in death by his father, Bill Skains and a sister Ozella Skains.

Funeral services will be held October 31, at 4:00 p.m. in the Haskell High School Auditor-

when he ran around left end for the 35 yard TD. PAT was

good. Less than 4 minutes later Love connected with Ricky Bird on a 47 yard scoring pass. PAT was good. The TD came one play after Love intercepted a Munday pass.

The Tribe threatened to score twice more during the closing minutes of the game but both drives were halted. A fumble stopped one drive and a pass interception halted the

The Tribe district record is now 1-1 and season record is

The Tribe will meet Crowell at Indian Field, Friday at 7:30 p.m...see you there.

HNB Assets Up From 73

According to a statement of condition issued at the close of business October 15, 1974, by the Haskell National Bank, deposits were over \$15 million dollars.

The statement issued by Pauline Couch, assistant cashier showed a total of \$15,457,553.48 in deposits. Total assets of \$16,883,754.45 were almost 2 million over the total of one year ago.

Loans of \$5,230,313.20 were up over 2 million from one year

Rule Girl Dies In Mishap

Involuntary manslaughter charges have been filed against Bobby E. Bartlett, of Haskell, following the Monday night death of a 16 year old

The incident occured about 10:50 p.m. Sunday night on a dirt road approximately six miles south of Haskell where Billie Ruth Williams, 16 of Rule, was struck by a car. She was taken by Holden-McCauley Funeral Home ambulance to Haskell and transferred to Hendrick Memorial Hospital where she died at 9:05

Monday night. The 1969 Chrysler, driven by Bartlett, was traveling south on the dirt road when the incident occured. Texas Highway Patrolman Larry Gilbreath and Haskell County Sheriff G. T. Garrett investigated.

Funeral services for Billy Ruth Williams, 16, of Rule, will be held Thursday, October 31. in Calvary Baptist Church with Rev. Danny Johnson, pastor, officiating. Burial will be in Rule Cemetery under the direction of Pinkard Funeral

Born February 24, 1958 in Spur, she had been a resident of Rule for the past eight years and was a former resident of Rochester. She was a member of the Calvary Baptist Church in Rule.

Survivors include: mother and father of Rule; grandparents, Mr. and Mrs. C. L.

Smith of Hurst, and Mr. and Mrs. O. L. Anderson of Evant; two brothers, Danny Lee and Joe Brad; four sisters, Birdie Fawn Williams, Mrs. Jody Miller, Mrs. Dickie Willis, and Reva Williams; and one half sister. Betty Gail Davidson of Long Beach, Calif.

Pallbearers will be:Barny Bradshaw, Danny Potts, Garland Anderson, Tommy Crossen, Chris Trussell, and Gayle Johnson.

Rocha Charged With Murder

George Rocha, 70, of O'Brien, has been charged with murder following the death of Fred LeDesma 22, of Knox City.

The shooting took place at approximately 9:45 p.m. October 27, at a private residence in O'Brien.

LeDesma was pronounced dead at the scene by Justice of the Peace H.M. Bledsoe.

Rocha is currently being held in the Haskell County Jail. The incident was investigated by Haskell County Sheriff G. T. Garrett.

DISMISSED EARLY

School will be dismissed at 2:30 p.m. today, October 31, for a general faculty meeting according to High School Principal Bill Blakely.

ton with a bid of \$758,369.30. Five bids were opened.

PC Water System Bids Opened

TWO DYESS AFB PERSONNEL were killed October 25, in a one car accident approximately 1.6 miles

north of Weinert on U.S. Highway 277. The accident occured at approximately 9:15 p.m. when the 1972

Oldsmobile convertible went out of control and struck a bridge. Texas Highway Patrolman James Davis

investigated the accident. Justice of the Peace H. M. Biedsoe pronounced Airman William Edward Liles,

25 of Madisonville, Ky., dead at the scene. T/Sgt. Robert O. Luttrell, 25 of Tipton, Ind., was dead on

The contract calls for a pump and storage system which will be located 11/2 miles east of U.S. Highway 277 on FM 618. Site for the pump and storage system was donated by Hoyt Perry.

Approval from FHA is and construction should began at that time.

The system will include some 77 miles of pipeline which will carry water to approximately 160 members.

Attending the meeting were: Board president, Wallar Overton, J.R. Perry, Sec., R.V. Earles, Twain Mickler, and Ira Coleman, all members of the board; Billy Jacobs of Yeatts and Decker Engineer-

ing firm in Abilene, and Attorney Pete Andrews of Stamford.

FRUIT SALE

The Haskell FFA Chapter began their third annual citrus fruit sale October 29, according to Dwane Gilly, advisor.

The sale will be conducted door-to-door and will continue until November 15. Any persons who are not contacted may call any member of the Haskell Chapter of Future Farmers of America and place orders for either oranges or grapefruits, or both.

The fruit will be available in either 20 or 40 pound boxes. The boxes cannot be broken or mixed. All fruit is tree ripened grade A fruit grown in Texas.

AN EDITORIAL by Don Comedy

We celebrate Mother's Day, Father's Day, Columbus Day, Veterans Day, Flag Day, and many more too numerous to mention until most become known as "just another holiday".

Next Tuesday, November 5, is not designated a holiday but couldn't it be called America Day? Yes, Tuesday is election day and the day that every American should feel obligated to cast a ballot and say, "I had a small part in deciding the future of this City, County, State and Nation".

True, we may not agree with all that a candidate stands for, but if we don't even take a few minutes to vote for our choice as the best man, how can we criticize his actions with a clear conscience?

Many times you have heard it said (or perhaps said yourself) one vote won't matter. Stop and think for just a moment-what would happen if NO ONE voted next Tuesday? Sound silly? Yes it is but the founders of this country took it for granted that when election time came, every able bodied individual would feel priviliged and honored to cast their vote.

Two-hundred years ago this was probably true but it doesn't seem to fit today.

Both the Democrats and Republicans have mailed literature to members of their parties and urged a strong turn-out: As Americans why can't we double our efforts and urge our fellowman to support not only our favorite candidate, or our favorite party-but our favorite country as well.

I challenge YOU to prove me wrong when I predict that one-fourth of the 5,265 registered voters in Haskell will not vote.

THE SCIENTISTS TELL ME ...

By Robert L. Haney, Science Writer The Texas Agricultural Experiment Station

> Consumers Will Benefit If Beef Grades Changed

Beef buyers should get more for their money if the recently proposed revisions in beel grading standards are adopted. That's the considered opinion of Meat Scientist Zerle L. Carpenter with the Texas Agricultural Experiment Station.

Leaner, lower fat, high quality beef priced more in ine with its food value should result." Carpenter says. "We strongly believe that grade changes should be made only on the basis of sound research evidence. These current changes are well documented by Experiment Station researchers.

"In fact, our research shows that these changes, while helpful, don't go far enough, and I expect to have more to say on this later."

Carpenter is a nationally two years served as an

TFB Gift Certificate Program

WACO-(Spl)-The Texas Farm Bureau today launched a statewide gift certificate campaign to increase the consumption of meat, poultry and dairy products.

TFB President J. T. (Red) Woodson said this is a "positive approach" to moving agricultural commodities which are in serious trouble at this time.

In a letter to all 210 organized county Farm Bureaus, Woodson said the promotion involves Christmas gift certificates for these food products. Theme of the campaign will be "Give meat, poultry and dairy products for an old-fashioned farm and ranch Christmas."

"What better way to express the true spirit of Christmas than by giving a gift certificate for these foods," the farm leader said. "We believe that the concept will catch on. The American Farm Bureau Federation has been asked to carry the idea nationwide."

Woodson said Farm Bureas would seek the cooperation of other agricultural groups, food chains and independent grocers as well as top state government officials.

He said county Farm Bureaus will be asked to form special committees to call on local grocers and to promote the program locally. Woodson said most food chains have their own gift certificates and that these could be used in the promotion. Certificates will be furnished to stores that do not

Special envelopes and message cards will be provided for persons wishing to send checks or money orders instead of gift certificates. These will be available at county Farm Bureau offices.

modernization of the grading standards. During this period, he has also served as technical advisor to the grading committee of the American National Cattle-

men's Association. He testified recently before the Congressional Committee considering grade changes and met with Assistant Secretary of Agriculture Richard L. Feltner concerning the need for grade changes.

Grades are used as the basis not only for trading and pricing slaughter cattle and carcasses but also in market news reporting. The grades are intended to provide a common language

of quality and a means of reflecting consumer preferences. Consumer preference studies and experiments using trained taste panels show that the proposed changes will more closely parallel consumer pref-

The current proposal will make it possible for slightly leaner beef to qualify for the top grades; make the eating quality" of beef within each grade more nearly uniform; establish a more restrictive "good" grade; and require that all beef graded for quality also be graded for "yield" (per-centage of trimmed retail

The proposal is aimed at reducing the amount of increasingly expensive feed grain needed to finish cattle for the market. U. S. consumers prefer fed beef beef which is flavorful, juicy and tender - the kind of beef which results from some grain feeding of cattle

before slaughter. The proposed grading standards will help the cattle industry to more efficiently produce this kind of beef.

Consumers as well as efficient producers will benefit. For one thing, there will be less excess - trimmable fat and an increase in the proportion of edible or salable meat in beef carcasses. Secondly, beef in each of the grades - Prime, Choice, and Good - will be more uniform in intramuscular fatness. The "new" proposed good grade should be more satisfactory to the consumer and should be in greater demand - as it will ikely be higher in eating satisfaction.

Thirdly, it will be possible to produce fed beef more economically by using slightly less feed grain which results in less "wastey" cattle. Contrary to some concerns, nongrain fed animals will not likely meet the requirements for the

choice grade under the cost of \$1.6 billion. Since proposed changes, accords salvage value of trimmed fat

ing to Carpenter. about excess fat is empha-which is passed on to or sized by the fact that in absorbed by producers, 1973, about 2.5 billion pounds of excess fat was trimmed from beef by the inexcusable waste of our retailer. This represents a feed grains.

was only \$450 million, this This important concern results in a \$1.15 billion loss processors, and consumers. Carpenter says this is an

Bundy, Chapman Wed

The First Baptist Church of DeKalb, Texas, was the setting for the candlelight ceremony which united Stephanie Kay Bundy and Dennis Keith Chapman in wedlock at 7:30 P.M. October 19. Rev. Joe Denton of DeQueen, Arkansas, performed the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Mac Gene Bundy of DeKalb and Mr. and Mrs. Jack Chapman of Haskell. Texas.

Mrs. Hazel Mac Ricks, organist, presented a selection of nupital music and Mr. and Mrs. Eddie Blackmon, Jr. sang "The Hawaiian Wedding Song" and "The Wedding Prayer.

Given in marriage by her father, the bride wore a formal length gown fashioned of ivory chiffon over French silk satin peau re-embroidered with roseprint lace the gown featured a high neckline with a fitted empire-designed bodice. A softly flowing skirt extended into deep ruffles at the hemline, accented by a long train attached to the dress. The traditional sleeves extended into ruffles at the wrist. For her illusion, the bride wore a long ivory. English nylon veil attached to a caplet of matching lace, and pearls that matched the French seed

pearls that were embroidered on the gown. A short blush of veil completed the caplet.

Maid of honor was Miss Susan Sory of Ft. Worth. Mrs. Randy Fontenot of Houston

served as matron of honor. Bridemaids were Miss Mazie Mathews of Austin and Miss Glenda Gavle Chapman of Haskell, sister of the groom.

Terry Chapman of Haskell, brother of the groom, served as the best man. Groomsmen were Charles Wallis of Austin. Gary Reed of Baton Rouge. Louisiana, and Riley Couch of Dallas.

Candlelighters were Denton and Dan Bundy of Dekalb. brothers of the bride.

Miss Minka Anderson of DeKalb was flower girl and Kelly Martin of Odessa was ring bearer, both are cousins of the bride.

Ushers were Grady Groves of Lampasas, J.W. Jones of Abilene, Eddie Stewart of Haskell, and Ronnie Chapman of Haskell, the groom's

Following the ceremony, a reception was held in the home of Mr. and Mrs. Doug Hall.

The Groom is a graduate of Texas A & M University where he received BBA and MA degrees. The bride is a School and attended Texarkana Junior College.

After a short honeymoon in Dallas, Mr. and Mrs. Chapman will make their home in Austin where both are employed.

Haskell residents attending

the wedding were: Mrs. Myrtle Cobb, grandmother of the groom, Mrs. Linda Chapman, Mr. and Mrs. Clyde Bland, Mr. and Mrs. Virgil Cobb. Gary Cobb. Bobby Cobb, Katie Darnell, Mr. and Mrs. Hallie Chapman, and Mrs. Lela Mae Atchison.

A rehearsal dinner was hosted by the groom's parents at the Red Barn in Texarkana,

Study Club Has Heart Fund Program

The regular meeting of the Progressive Study Club was held in the Community Room of the Haskell National Bank with president Lee Barnett presiding. Fourteen members attened the meeting.

A very informative program for the evening was presented by Mr. and Mrs. Gerry Covington, Mrs. Mary Sorrells, and Mrs. Buster Gholson. Mrs. Sorrells discussed the needs of the Heart Fund Association and of the growth and interest being shown here in Haskell.

Mrs. Gholson called attention to the seven risk habits of Heart Disease. The seven consist of Smoking, Age, High Blood pressure, Over weight, High Cholesteral, Heredity and exercise. She encouraged everyone to consider these facts for oneself as well as loved ones.

Gerry and Judy told and explained the need for every citizen to know about First Aid and how to administer help to someone having a heart attack until the person could be taken to a hospital.

After the program, Mrs. Charles Chapman gave instructions on physical fitness and all joined in for fun exercises.

Hostesses for the evening were: Mrs. W. H. Pitman, Mrs. W. E. Woodson and Mrs. Robert Free.

The next meeting will be November 7th with Doyle High bringing a program on holiday picture taking. All members are encouraged to attend.

RENTAL Property Record fied, up-to-date bookkeeping system and tax record all in one book. Confirms to all tax law requirements. No bookkeeping experience necessary. Can be started any time of year. If you own and rent property, you need this book. Very inexpensive. The Haskell Free Press.

The children and grandchildren of Mr. and Mrs. D.O. Toliver honored them last Sunday with a celebration of their Fiftieth Wedding Anniversary in their home in Merkel.

Mr. and Mrs. Toliver are former residents of Haskell. He is the brother of Lynn and Luther Toliver and she is a sister of Mrs. Carrie Kimbrough Osment of this City.

Attending were: Mr. and Mrs. Carroll Toliver and Mr. and Mrs. David Toliver. Breckenridge; Mr. and Mrs. Raymond Rhoads, Deana and Dana, Abilene, Texas; Mr. and Mrs. Cecil Toliver, Steve. Scott and Shawn, Hamilton, Texas: Mr. and Mrs. Bobby Toliver, Larry and Gayla, Merkel, Texas; Mr. and Mrs. Tommy Toliver, Charlotte, Yvonne. Whitney and Odessa, Texas; Mr. and Mrs. Jim Toliver, Sugarland, Texas; Mr. and Mrs. Douglas Toliver. 'Cne and Tim, Canton, Texas; Mrs. Robert Higgins, Jr., Kerry and Kelly, Olathe, Kansas and Mr. and Mrs. Bob Dulaney, Mike and Pat of Haskell, Texas.

1974 IS A

Democratic Year

But Only if Democrats Go to the Polls in Full Strength Tuesday, November 5

There has never been a time when there was mon urgent need for every Democrat to go to the polls the this year. Our country needs the kind of public service which only Democrats seem capable giving.

I am very grateful for the fact that I do not have an opponent in my race for re-election as Representative from the 101st District.

But I hereby solicit the support of every voter in my District. I do this not only for myself but for every nominee of the Democratic Party, from Governor, Congressman, State Senator (from the State House) the Court House) down to and including candidates for district, county and precinct offices.

Mon. - Wed.-7:00 P.M

Rule Church of Chris

RULF TEXAS

- Insulation is most important ... and can pay for itself in energy consumption savings. The usual recommendation is 6 inches of insulation for the attic and 4 inches for outside walls Check FHA requirements for further information.
- Weatherstrip doors and windows, and caulk cracks and crevices to prevent drafts and the loss of heated air.
- Maintain heating equipment for maximum efficiency by having it checked by a competent
- Durty filters cause heating equipment to work harder and use more fuel. Check your filters every 30 days. If they're the permanent type, clean them according to the manufacturer's directions. If they're the disposable type, replace them at least every 90 days.
- Don't be a "thermostat jiggler" Turning the thermostat up or down doesn't cause the equipment to heat or cool faster. It simply works longer to satisfy the setting. The national conservation program calls for settings of no more than 68°F. in heating weather. If you are going to be away for several days, lower the temperature
- Don't place curtains, furniture or other objects in front of heating registers or return air openings. This blocks the flow of warm air
- Open blinds and drapertes on sunny days to help heat your home during the day but close them at night to help reduce heat loss.
- Keep the fireplace damper closed when the fireplace is not in use.
- Storm doors and windows are not customarily used in this part of the country, but they do reduce heat loss. As a temporary substitute, a sheet of clear plastic stapled or tacked over screen doors or windows works well.
- Keep the opening and closing of doors to a minimum to reduce the loss of warm air.

Visiting recently with Mr. and Mrs. Bisby of Floydada was Mr. and Mrs. M.L.Powell

Mrs. Virgel Cassle of San Antonio and Mrs. Clyde Martin of Petersburg, visited last week in the home of Mr. and Mrs. O.G. Lewis.

Mr. and Mrs. Roy Don Wilson, of Lawton, Oklahoma, visited over the weekend with Mr. and Mrs. Lee Roy Wilson and Mrs. Faye Simpson.

Mr. and Mrs. Bobby Anders of Canyon visited Mr. and Mrs. Rayborne Oliver and Mr. and Mrs. Norris Anders over the weekend.

WRITER

A script for a recent episode of MASH, seen on the CBS network, was written by Miss Mary Kay Place of Tulsa, Okla. and Miss Linda Bloodworth. Miss Place is the daughter of Mr. and Mrs. Brad (pete) Place of Tulsa, and the granddaughter of Mrs. Mary Place of Rule.

The two script writers, who live in Los Angeles, have written a second MASH show which will be shown later in the season. It has been taped. In the former episode, Miss Place played the part of Radar's girlfriend.

Miss Place and Miss Bloodworth were nominated by the National Academy of Arts and Sciences last season for best comedy writing for a MASH show and received a plaque as finalists in the Emmy award.

They also have written a script for Friends and Lovers, which is tentatively scheduled for October 26 on the CBS network. The book for a Paper Moon show, seen on the ABC network, also was written by the duo, and has been taped for showing later this season. Norman Lear, producer for the All in the Family series, has contracted with them to write a

Teen-Age Book Club services to build their own paper-back libraries by ordering monthly; the school library receives free books by this method.

The Junior High Library facility is an impressive asset to a progressive community; but one book read is worth more than all books on any shelf. Therefore, Haskell Jr. High has included in its curriculum plans for extensive use of the library. Each student will spend at least one hour each week in the library through language arts classes. Other classes such as science, social studies, and English will also require library research projects. It is in the library that a student may discover the fun of "finding out" and gain the "joy of learning."

MEMBERS OF MRS. MAX STAPLETON'S Junior High Class are shown using the Junior High School Library. The facility houses over 3,300 volumes for use by the students. Several sets of encyclopedias, yearbooks and reference books are also housed here. Mrs. Mary Martin is (Staff Photo by Don Comedy)

She went to Appraisal, Texas Education Oklahoma City and saw grandson, Billy play football. Agency and Lee Nell Gann, Special Education Consultant, Mr. and Mrs. Jimmy Strick-Region XIV Education Service land and son of Hobbs, N.M.

Center. Structure of Intellect programming is a systematic way of designing, evaluating and implementing the total process of learning and teaching specific objectives.

Recent studies indicate that curriculum based on Structure of Intellect can:

1. Improve education through individualzation based on any student's own profile in intelligence. 2. Provide instruction for all

children in the basic skills by teaching the abilities for learning.

3. Offer the small steps in structured environments.

4. Develop the abilities necessary for learning today's subject matter and tomorrow's uncharted needs.

Participants from Texas visited independent school Glendora for the purpose of gaining information on the actual utilization of the SOI Model in a public school setting. A second day was spent at the SOI Institute where further information was presented on the major components of the SOI Model: Theory and rationale, developing SOI profiles, programming education needs from the profile, and coding educational materials on the basis of the SOI Model.

NEWS

A 4-H Adult Leader Training meeting will be held on Wednesday, October 30th, at 2:00 p.m. in the County Kitchen of the Haskell Courthouse, according to Mrs. Barbara Elliott, County Extension Agent.

The training will be for 4-H Adult Leaders who will be conducting Food and Nutrition Projects with 4-H Club members in Haskell, Weinert, Paint Creek, Rochester, Rule, and Sagerton.

The leaders will be receiving training on how to be Feed and Nutrition leaders along with nutrition training.

The leaders will be making plans for project meetings educational tours, and achievements events.

Cats Tie 6-6 In Rule

The Rule Bobcats and the 8 man. Goree Wildcats fought a defensive ballgame last Friday night, to end in a 6-6 tie. Neither team scored in the first quarter. Goree threatened, but fumbled the ball on the Rule 10 yard line and Bobcat Bobby Don Smith recovered. Rule moved to the 30 yard line but fumbled the ball and Goree recovered.

Only two minutes into the second quarter running back Gary Harlan threw a 36 yard pass to end Eldon Hamilton for Goree's score of 6 points. The PAT was no good.

The Rule Bobcats took the second half kickoff and following a 70 yard march, a bust 34-0. play, quarterback Steve Anders carried the ball around the right end from the 16 to score for Rule. The PAT was no good, leaving the score tied

The fourth quarter was again a defensive battle and the game ended with the 6-6

Goree players played exceptional well as this is Goree's first year in 11 man football. Last year they played

Cain Wins **Trap Shoot**

Don Cain of Henrietta. blasted 98x100 to win the Richard Adams Handicap event at the Haskell Trap Club last Sunday afternoon.

Cain bested a field of shooters from all over the big country to win the gold and silver hand engraved belt buckle. His name was also placed on the Adams Trophy. Lonnie Blackard, of Snyder

and Charles Thornhill of Haskell tied for second in the event with a score of 95x100. Blackard prevailed in a shoot-

Larry Ruch of Paducah blasted 100 straight to win AA, Roger George of Stephenville broke 99 to win classA; Max Belyeu broke 96 to take class B: Blackard won class C with 97; and Billy Gladsen of Rotan took Class D with 89. Neal Crausby of Sweetwater won the doubles event. Cain was HOA with a score of 243X250.

Haskell Teams Win Three

The Haskell Warriors were at home last Thursday against Munday Jr. High and Hamlin Jayvees. The seventh graders won by a score of 6-0, to bring their season record to 3 and 3. The eighth graders now have a record 6 and 0.

The Junior Varsity subdued Hamlin Jayvees 16 to 8; earlier in the season Hamlin had gotten the better of Haskell by a score of 22 to 6.

This Thursday the three young Haskell teams will travel to Crowell. The seventh graders will start at 5:00 p.m., 8th graders around 6:30 p.m., B-teamers starting about 8 p.m. The Crowell 7th graders have a record of 4-1; 8th graders, 5-1; Jayvees, 6-0.

The Haskell teams will return home immediately after their individual games.

A Weekly Report Of Agri-Business News arm-tacts Compiled From Sources Of The Texas Department of Agriculture John C. White, Commissioner

Production Down, Too... Cotton Declines ... Sorghums Down, Corn Up . . . New Wheat Crop Coming

NOT ONLY ARE prices paid to farmers down from last year but production in most major crops is also down. Production of corn, rice, sugar cane and sugar beets, and pecans is expected to be up over the not-so-good crops of 1973; but production of cotton, grain sorghum, peanuts, soybeans and sweet potatoes is not expected to be as good as in the good year of 1973, says the Texas Crop and Livestock Reporting Service. Dry conditions during the planting season plus a wet fall when low temperatures came early have caused the prediction of lesser yields in most major crops.

COTTON IS an example of what has happened with most major crops in Texas. The USDA estimated October 1 that 3,100,000 bales would be made in Texas this year, compared to 4,673,000 bales last year. And the October 1 estimate was 80,000 bales less than the previous monthly estimate and is still too high, according to some Texas estimates. Cool, wet weather set back cotton on the High Plains in September, and October's weather has not given it

JESSE JAMES STATE TREASURER

VOTE NOVEMBER 5 Agriculture is our Most Vital Industry

Re-elect

JOHN C. WHITE

Commissioner of Agriculture Integrity Leadership

Pol. Adv. paid by T. P. Flahive, Chmn, John C. White Comm, 221 E. 11th, Austin, Tx.

a chance to recover. The yield this year is expected to be 310 pounds of lint an acre, compared to 431 pounds an acre in 1973; and the estimated 4,800,000 acres to be harvested are 400,000 fewer than last year, although more acres were expected to be and were planted last spring than were planted in 1973. Cotton picking is expected to pick up in West and North Texas now that frost is causing defoliation. September rains slowed harvest as well as cotton growth. In the Lower Rio Grande Valley, South Texas, and the Upper Gulf Coast, harvest is over and many farmers have plowed up stalks in preparation for the next crop. Cotton prices ranged from 38 cents a pound (on the Plains) to around 47 cents, although trading was slow. Cottonseed prices over Texas ranged from \$80.30 to \$99.90 a ton during the first part of October,

SORGHUMS, THE Number 2 crop in Texas, have also suffered a decline in production. Now it is estimated that Texas will produce 295,000,000 bushels with harvest about 60 per cent complete, a rate of harvest behind last year's. In 1973, sorghum production totaled 417,000,000 bushels off 6,950,000 acres. This year 5,900,000 acres are expected to be harvested . . . Texas is expected to produce almost 70,000,000 bushels of corn this year off 775,000 acres, compared to almost 61,000,000 bushels last year off 640,000 acres. This yield is expected to average 90 bushels an acre, compared to 95 bushels an acre in 1973. The corn harvest is about 70 per cent complete . . . Cutting of the second crop of rice is underway in most of the growing areas. Yields average around 4,500 pounds an acre, compared to 3,740 an acre in 1973; and Texas production this year is predicted at 25,335,000 hundredweights, compared to 20,530,000 cwts. last year.

WHILE THE 1974 harvest heads down the home stretch, planting of the next wheat crop is progressing. Texas Crop and Livestock Reporting Service estimated that wheat seeding was 78 per cent complete by October 15, rate slower than last year due to rain. Early stands are good, and moisture is reported enough to send the new crop into winter in good condition. Some Low and High Plains cowmen have had some grazing on wheat . . . Oat planting is also about three-fourths complete, and some grazing of oats in the Blacklands and East Texas has been available . . . Range conditions over the State are reported to be about 80 per cent of normal, West Texas and Panhandle areas not having fully recovered from the effects of dry weather. Rains in September and October, however, improved range conditions all over the State.

AA's Are **Rotary Club** Program

The regular weekly luncheon meeting of the Haskell Rotary Club was held in the dining room of the City Cafe at noon, Thursday, October 24th, with president Ferrell Coston, presiding.

An excellent group of members and guests were privileged to hear a most program presented by Myron Biard and Gayla Nanny of Haskell. The program was arranged by Bob Herren who introduced the two guests. Mr. Biard spoke first relative to the work of the local AA organization which devotes much time and energy, giving assistance to both men and women who have a problem with alcohol and also the use of drugs. Mr. Biard stated that there are between nine and ten million alcoholics in the United States at the present time and many millions more who drive their automobiles while intoxicated. The AA's can't take their whiskey away from them, he stated, but in many cases we can take them away from the whiskey. In his timely and interesting presentation, he advised those present that he checked the records at the courthouse before the program and discovered that since August 18th of this year, eighteen persons had been charged with DWI offenses.

People who attend the AA meetings pay no fees or dues as they have paid them in advance before they ever attend. In many instances this means that a fortune has been spent and a great many things of life lost to the individual who has become addicted to alcohol. We only take one day at a time because yesterday is a cancelled check as far as the alcoholic is concerned, he stated in closing.

Mrs. Nanny then talked a few minutes about the work of the Alanons, the women who have had occasion to become conscious of the ill effects of both alcohol and the use of drugs to members of their families. In some cases we cannot get the victim of these vices to attend meetings, but is is a great service to members of their families. We

and compassion in regards to the family members who are afflicted in either way. We don't get many users of hard drugs but chiefly the ones who have become users of prescription drugs as a crutch, she stated.

The invocation for the meeting was given by Rev. Dudley Bragg and the song session led by Charles Thornhill with Joan Dean providing accompainment. Guests were introduced by Desmond Du-

They were: student guests educational and interesting Rudy Martinez and Ollie Johnson of Haskell High School Senior Class and Joe Cortez, manager of Heidenheimers, who was the guest of Bob Beauchamp, and Albert Davis of Stamford, guest of Curtis Jennings.

The president reminded all members of the Rotary Club spaghetti supper to be staged in the high school lunchroom on Friday, November I, when the Haskell Indians meet the Crowell team on Indian Field. Charles Thornhill and Stanley Furth are in charge of this special annual event for the Rotary Club.

VA News

Current Federal laws provide for the payment of monthly benefits to certain widows and dependent parents of deceased veterans and military personnel. Many of these widows and parents may be eligible for additional benefits if their health is such that they must have help from another person, or if they are patients in nursing homes. This announcement was made today by C. H. Herren, Veterans Service Officer for Haskell County.

Dependency and indemnity compensation is the benefit paid to widows, widowers, and dependent parents of persons who died on or after January I, 1957, while on active drty in the Armed Forces of the United States. This same benefit is paid to the dependents of veterans whose deaths are caused by a disease or injury which was incurred during military service. Widows and widowers who are receiving the Veterans Administration benefit, and who are so disabled as to require the assistance of another person,

and attendance allowance, This is in addition to the regular VA payment received each month. Dependent parents on the dependency and indemnity compensation rolls may receive \$55 per month aid and attendance allowance, E plus their regular VA pay.

Any widow, widower, or parent who is receiving VA benefits, and who is in a nursing home or is so disabled as to require the aid and attendance of another person, may apply for the additional benefit by furnishing the VA with medical evidence of their condition. The local Veterans n Service Officer is available to assist in all matters pertaining far to VA benefits.

c/o Gaston Welborn Station ACC, Box 8244 Abilene, Texas 79601

All persons having claims against this Estate which is currently being administered are required to present them within the time and manner prescribed by law.

DATED the 25th day of October, 1974.

GASTON WELBORN Attorney for the Estate

PUBLIC HEARING NOTICE

Rogers Delinted Cottonseed Company, P. O. Drawer 1340, Waco, Texas 76703, has applied to the Texas Water Quality Board for a permit pertaining to a variable amount of rainfall runoff water containing wastes from the cottonseed delinting plant which is located on the east side of State Highway 283, approximately one (1) mile north of Rule, Haskell County, Texas. The rainfall runoff water containing wastes will be retained and utilized for irrigation. There will be no discharge to the surface waters of the State. A public hearing on this application will be held in the

> Council Chamber City Hall 555 Walnut Abilene, Texas

> > 10:00 a. m. December 4, 1974

to receive evidence on the conditions, if any, which the permit may be issued, and to determine whether State Certification in accordance with Section 401 of the Federal Water Pollution Control Act Amendments of 1972 may be issued. Preliminary information available to the staff of the Texas Water Quality Board indicates that a waste discharge conforming to the conditions shown in the Fact Sheet would not unreasonably impair the quality of waters in the State.

Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, P. O. Box 13246, Capitol Station, Austin, Texas 78711.

CARD OF THANKS I would like to take this

GET OUT

and Vote. TUES. NOV. 5TH

Take Ten For Texas was announced today by Democratic Party Chairman Calvin R. Guest of Bryan.

Thousands of letters to members of the State Democratic Executive Committee. Democratic County Chairmen, and delegates and alternates to the 1974 State Democratic Convention were mailed today from the State Party Headquarters urging each of these individuals to take ten minutes of their time on November 4th to call five of their Democratic friends to vote on November 5th and to urge each of their friends, in turn, to call five additional Democrats to remind them to vote.

"Every Democrat in the state must bear a share of the burden in directing a major effort toward voter participation on Election Day," Guest stated. The State Party is allocating over ten thousand dollars to the Senatorial Districts to assist in this effort," Guest continued.

Coordinating this effort for Ray Farabee, Democratic the Democratic Party of Texas nominee for the Texas Senate, will be Lem Allen of Kingscame to Haskell Saturday as bury, Chairman of the Texas part of a week long campaign Democratic County Chairswing that took him to 25 man's association and Maxine Lee, Vice President of the

man and attorney is continuing All Democratic nominees his grass roots campaign and have been urged to stress the working in the downtown importance of this telephone areas of large and small cities. campaign. It is anticipated in Inflation and the problems coming weeks well over fifty facing farmers and ranchers thousand additional pieces of are the topics that citizens are mail will give impetus to this

While in Haskell, Farabee participation committee in attended the Cattle Auction each of the four Multi-District and visited with ranchers and counties (Marris, Dallas, Tarstock farmers about their rant and Bexar) and Senatorial District Committees in the After leaving Haskell the remaining Senatorial Districts.

In each district, the county Knox City before going to chairman, members of the S. D. E. C. and members of the the Foard County Farmers Democratic National Commit-Union Banquet on Rural tee will serve on the district steering committee and will, in

SNYDER--Classes are schethese dollars are intended to duled to begin Jan. 20, 1975. provide" observed Farabee in the spring semester of extension classes offered by Sul Ross State University at Western Texas College.

A list of courses to be offered is now being prepared and prospective students may contact Mrs. Mavis Brumbelow at WTC for information on these courses or to request courses they would like to be offered.

Registration is scheduled on Jan. 9 in the WTC Administration Building and during regular office hours from Jan. 13-17. Pre-registration will be from Jan. 6-10.

Students enrolled in the extension program pay \$70 for one course or \$100 for two courses plus lab fees if required. Classes usually meet for three hours one night per week for 15 weeks.

Courses now being considered for the spring semester are:Ed. 5302 The Principalship Ed. 5306 Advanced Tests and Measurements

Austin-A massive "Get turn, appoint other committee Out The Vote" telephone members representing all of campaign entitled Operation: the constituent Democratic groups.

Guest said, "I feel that a campaign of this sort involving Democrats in every nook and cranny of the state will be the most effective undertaking in the recent history of our Party. We're not asking for money for a change, we're simply asking for a little time and talent from our constituents."

REX KYKER

Gospel Meeting Set In Rule

A series of Gospel Meetings will be held at the Rule Church of Christ November 3-6.

Rex Kyker of Abilene will peak at each of the meetings. Sunday services will be held at 10:40 a.m. and 6 p.m. Services Monday thru Wednseday will p.m.

Rule residents may rember Kyker as the 1972 Rule Chamber of Commerce speaker. He is currently head of the department of communication at Abilene Christian College and an Elder at Southern Hill Church of Christ.

He and his wife, Christine, have three daughters and two

Bullock Winds Up Campaign

Austin-Bob Bullock, Democratic nominee for Comptroller, this week winds up his campaign to bring a new era of openness, efficiency and common sence to the Comptroller's office.

"This office belongs to the people and it should be run accordingly," Bullock said. "It is the heartbeat of state government and must keep up with the changing times.

The present Comptroller, Robert S. Calvert, is retiring at the end of the year.

Bullock, formerly Texas' Secretary of State, has campaigned in every county in Texas in both the general election race and the Democratic primary. He swept the primary by carrying 253 of the 254 counties.

Bullock says the Comptroller should take a new attitude toward small businesses by helping cut through red tape instead of "spending state money to find two-bit mistakes in nitpicking audits."

He had also called for speeding up the state's handling of city sales tax payments to the cities and for expanding efforts to audit big out-of-state corporations which do business in Texas and handle millions of state tax dollars a

"The Comptroller's office has been the dark corner of state government for 25 years. It's time to turn on the lights and open the doors," Bullock

Bullock also has campaigned to keep the Comptroller an elected officer, saying that Republican efforts to make the job appointive would lead to porkbarrel spending and an end to the pay-ax-yourge

Bullock.45, is a larger member of the Texas thing-

MR. AND MRS. ROY DAVIDSON ... To Speak At First Baptist Church

Davidsons To Speak At FBC

Davidson are Southern Baptist Missionaries stationed in Malawi, Africa where he has been a general evangelist, part-time director of mass media and a radio-TV programmer in Blantyre. The Davidson's will worship services at 8:30 a.m. and 10:55 a.m. and during the Sunday School hour from 9:45 a.m. to 10:40 a.m. Everyone is cordially invited to attend.

ed by the Foreign Mission Board of the Southern Baptist Convention in 1965. Davidson has also been secretary and chairman of the local mission and involved in the national evangelistic campaigns. Mrs. Davidson is also involved in production of materials and directing the national audio visual library. She is treasurer of the Baptist Women's Union of Africa. A native of Memphis,

Lions View Hendrick Film

The regular weekly luncheon meeting of the Haskell Lions Club was held Tuesday in the Haskell Steak House with Lion President Doyle High presiding.

Lion Darold Roberson led the club in a song and Dick Spalding, accompained by Sweetheart Jo Overton, sang a special solo for the club. Lion Bud Herren gave the prayer.

Program chairman for the meeting, Lion Jerry Weatherly intorduced Spalding who is president of the recently formed Hendrick Medical Center Foundation. Spalding introduced Ken Koonsman who assisted him in presenting the program.

The duo showed a film about the first fifty years at Hendrick and later answered questions about the regional medical facility.

According to Spalding an average stay in Hendrick costs \$9 per day less than the state average and \$16 per day less than the national average. The hospital employs some 1,000 people and is the largest hospital in West Texas.

OCTOBER WEATHER SUMMARY By Sam Herren

(Oct. 22-29) RAINFALL Amt. Date 28......59 TEMPERATURE

Local Group To Attend Snyder Meeting Nov. 3

"What the Near Future Holds" is the title of the subject for consideration by P.D. Moske, District Supervisor for Jehovah's Witnesses, when he will speak to an estimated 1900 delegates at the Scurry County Coliseum in Snyder on November 3 at 2 p.m. In an interview, Moske pointed out that the Bible has much to say about the future of mankind. Bible prophecy shows four basic developments are shortly to come before God steps in to bring destruction for those not heeding his commands and eternal life for those doing his will. Just what those four developments are will be discussed at the assembly.

Another outstanding feature of the assembly program will be the ordination of new ministers by means of water baptism. In the last three years, more than a half-million new ministers of Jehovah's Witnesses throughout the world have been added to their ranks. Moske will direct the baptism program beginning Sunday morning, November 3. at 9:15.

Approximately 30 from our local area are now finalizing plans to attend the Christain gathering. A large-scale rooming accommodations program is now under way in Snyder to house delegates in motels and private homes. Assembly sessions will begin on November 2 at 1:55 p.m.

TO THE POLLS.
