He will make a statement at a later date.

# Plane Crash Fatal To Rochester Man

A tragic plane crash in Haskell County last Thursday took the life of Harry LaVerne Kumlin, 35, of Rochester. The crop-dusting plane Kumlin was flying fell nose-down, almost straight down, about 5:45 p. m. approximately 1 1/2 miles north of Rochester in the maize field of W. H. Patterson, according to Texas Highway Patrolman Larry Gilbreath who investigated the accident.

County Judge B. O. Roberson conducted an inquest at the scene, and Kumlin was pronounced dead on impact.

Kumlin had been spraying cotton, and was enroute back to the landing strip when the accident occurred. His partner, also flying a crop dusting plane, saw him go down.

A further investigation of the accident was made Friday by representatives of the Federal Aeronautics Administration from Fort Worth.

Sheriff Garth Garrett and Deputy Sheriff Pete Mercer also were at the scene Thursday and investigated the crash.

A Memorial Fund has been set up in Rochester for the Kumlins, and persons wishing to support it may do so at the Home State Bank in Rochester. Born Aug. 24, 1938 in Wisconsin, Kumlin had moved from Hale County to Rochester about five months ago where he owned Buck's Dusting Service.

He married his wife, Jaqueline, in January of 1959 in Wau-

kon, Iowa. He was a captain in the Air Force during the Vietnam war.

Funeral services were held Saturday at 2 p. m. in Faith Lutheran Church in Sagerton with the Rev. Joe Aalbu, pastor, officiating. Burial was in

Rochester Cemetery under direction of Smith Funeral Home. Survivors include the wife and five children, Kurt, Korry,

Kris, Kelly and Kraig, all of the home, and his parents, Mr. and Mrs. Vernon Kumlin of Minneapolis, Minn.

## Two Injured In Accident

Vehicle accident at Haskell on October 24 involving a '62 Ford Mustang, a '69 Cadillac, and a '73 Ford Mustang. Two people were injured in the accident.

Haskell. The collision knocked the trailer into the path of a 1962 Ford Mustang approaching them, driven by Tim Watson of Haskell, and the collision ignited the cotton in the trailer. Haskell Fire Department was called to the scene, where they extinguished the blaze, and helped investigating officers direct the traffic.

Thelma Ruth Watson, 17, wife of Tim Watson in the Mustang, is in satisfactory condition in Haskell Memorial Hospital, with serious lacerations about the head.

Tim was treated and released and Buddy Grand was uninjured.

Texas Highway Patrolmen Larry Gilbreath and James Davis investigated the accident. Citations are pending.

The Cadillac and the Ford pickup was traveling south, and the Mustang was traveling north.

Mrs. Lillie B. Neas, 40, driver of the Cadillac was taken by ambulance to Haskell Memorial Hospital, where she was immediately transferred to Wichita General Hospital with serious injuries and deep glass lacerations. She was in satisfactory condition Thursday morning, although her right foot was seriously lacerated by glass.

Thelma Ruth Watson, 17, wife of Tim Watson in the Mustang, is in satisfactory condition in Haskell Memorial Hospital, with serious lacerations about the head.

Tim was treated and released and Buddy Grand was uninjured.

## Residents Told To List Homecoming Parties With High School Secretary

New plans have been revealed for the annual Haskell Homecoming that will make all ex-students and ex-teachers enjoy even more their trek home to visit with old friends and classmates.

Before the Homecoming game against Stamford, there will be an introduction of the 1973 cheerleaders and the Pep Club.

The Haskell High School Indian Band, under the leadership of Wendel Gideon, will put on the halftime show. And this year, instead of having a Homecoming Queen, there'll be a big halftime planned by the band.

Registration and visitation will be held at the high school gym from 4-5 Friday and from 9:30 to noon Saturday. The Pep Rally will be staged at 3 p. m. Friday afternoon in the gym, and after the rally, be sure to enjoy the displays by senior, junior, sophomore and freshman classes inside the gym.

The General Assembly will be held this year in the beautiful new Community Room of Haskell National Bank and everyone is asked to attend.

To further add to the enjoyment of Homecoming weekend, officials of the association ask every resident of Haskell that plans any kind of Homecoming party, to list them with the

high school principal's office, so that a complete schedule of the parties held can be listed on the bulletin board in the gym during registration.

This promises to be a fun weekend, and all exes are cordially invited to make their plans now, to attend.

## Jenny Brazell Files For County Clerk

Jenny Brazell has authorized the Haskell Free Press to make the following statement for her on behalf of her announcement for election to the office of County Clerk of Haskell County:

"After working in the County Clerk's office for two years, I realize what a great responsibility it is to care for and safeguard the permanent records of Haskell County. I have had the help and cooperation of our lawyers and other county officials and feel that I can perform the duties of this office in a way pleasing to the people of Haskell County. I will have a statement for you at a later date."

Signed: Jenny Brazell

## H-M Trainees In 2nd Week

The Herman Marcus Training School is almost through its second week, with all 40 of the first trainees up-to-date on their classes. Twenty train each morning for four hours, and 20 others train for four hours each afternoon.

Amelia Perry is still taking applications for the next training school, which will begin on November 19. If you want to sign up for this series of classes, and have not done so, you may call her at 864-3625. At this time, too, you may state your preference between the morning and evening classes.

Plans are still being made to have one series of night classes for those persons unable to train in the day time. The beginning of these night classes will be announced as soon as possible.

Mr. Fred Hoekstra of Dallas toured the training plant Wednesday of this week. He also checked out the progress on the new building, now in its final phase, located at the industrial site on the Rule highway.

### Engagement Announced

Mr. and Mrs. T. J. Brueggeman announce the engagement and approaching marriage of their daughter, Paula, to Johnnie Roy Weaver, son of Mr. and Mrs. Shafe Weaver of Silverton, Texas. The couple plan a January 12th wedding in the First United Methodist Church of Lubbock. Paula is a graduate of Haskell High School, and is attending Texas Tech University. She will graduate in December and is a marketing major. He is a graduate of Silverton High School, and received his degree from Texas Tech in May of 1973 in Industrial Management. He is employed by Texas Instruments in Dallas.

### Ideas For Making 'Custom Made' Clothing Items

Avoid constructing clothes that look "homemade." Several factors and techniques help home sewers avoid such appearances, Mrs. Barbara Elliott, County Extension Agent, noted.

A primary reason for the "homemade" look is incorrect fabric.

Examine the pattern and decide what kind of fabric is needed—stiff, bulky, limp, clingy, etc.

Check the pattern envelope for fabric suggestions—and choose from this group. Some patterns are designed for knits only, while others are unsuitable for knits.

However, don't choose fabric exactly the same design shown on the pattern envelope. Use the picture as a guide—but don't make an exact copy.

Take time to do all sewing details. Good seamstresses may sew quickly, but never hurriedly.

Also, press the garment as it's sewn. Pressing is a necessity—so keep that iron handy when sewing.

Although a bother, sometimes basting is necessary to avoid stretched seams and poorly-fitting garments.

Another "dead give-away" of homemade clothes involves sleeve puckers. To avoid them, match markings on sleeves and bodice carefully—and distribute "ease" evenly.

Also, understitch facings so they won't show.

Learn to hem properly. In many cases, a common overcast hem isn't suitable. Fabric influences the type of hem to use.

Add the professional touch by purchasing accessories such as a belt, scarf or attractive buttons.

To get ideas, look at ready-made clothing, the agent suggested.

**Engagement Announced**—Mr. and Mrs. James O. Casey, Jr., of Baytown announce the engagement and approaching marriage of their daughter, Deborah Jean Casey, to Mark McCoy of College Station. His parents are Mr. and Mrs. Gerald McCoy of Haskell. She is a graduate of Robert E. Lee High School and a graduate of Abilene Christian School graduate and is attending Texas A&M University. The couple plans a December 29th wedding in Missouri St. Church of Christ in Baytown.

### Local Women At Dist. Garden Club Fall Convention

Mrs. Ed Hester, Mrs. N. L. Bevel, Mrs. C. B. Rhea, Mrs. R. L. Thornton, Mrs. C. G. Moore (President of Haskell Garden Club), and Mrs. E. L. Wyche journeyed to Hamlin on Tuesday, Oct. 23, for the District VIII Garden Club fall convention.

Mrs. Raymond C. Barnett of Rochester, an International Flower Show Judge, displayed many arrangements using contrived and exotic materials. She used the "new approach" in artistic design. Several were suspended from colorful backgrounds. One titled "African Safari" had a beautiful necklace made from old bones that added a surprise element for distinction. The Kinetic Shadow Box was the highlight of the display, using a crotchet leaf that turned and moved continuously. She opened the box and exposed the mechanism and geared motor which kept it moving.

The business meeting was conducted by Mrs. Zeno Hemp-hill, Dist. Director. The theme, "Our Heritage—Enlightened Effort to Preserve and Restore," was read.

Conservation of the Big Thicket was discussed and the Garden Club members were urged to write letters asking that the Big Thicket be preserved at the 100,000 acres and not be cut to the 78,000 acres as now proposed.

A delicious home-cooked luncheon was served by the hostess clubs of Merkel, Roby and Hamlin.

### Sewing Club Plans Thanksgiving

The Rainbow Sewing Club met October 16 in the home of Mrs. W. E. Johnson with Mrs. Earl Livingood presiding. Mrs. Flossie Rogers led the opening song and Audie Livingood gave the thought for the day. The Club planned their Thanksgiving supper for the Tuesday night before Thanksgiving at 7:30 at the Steak House.

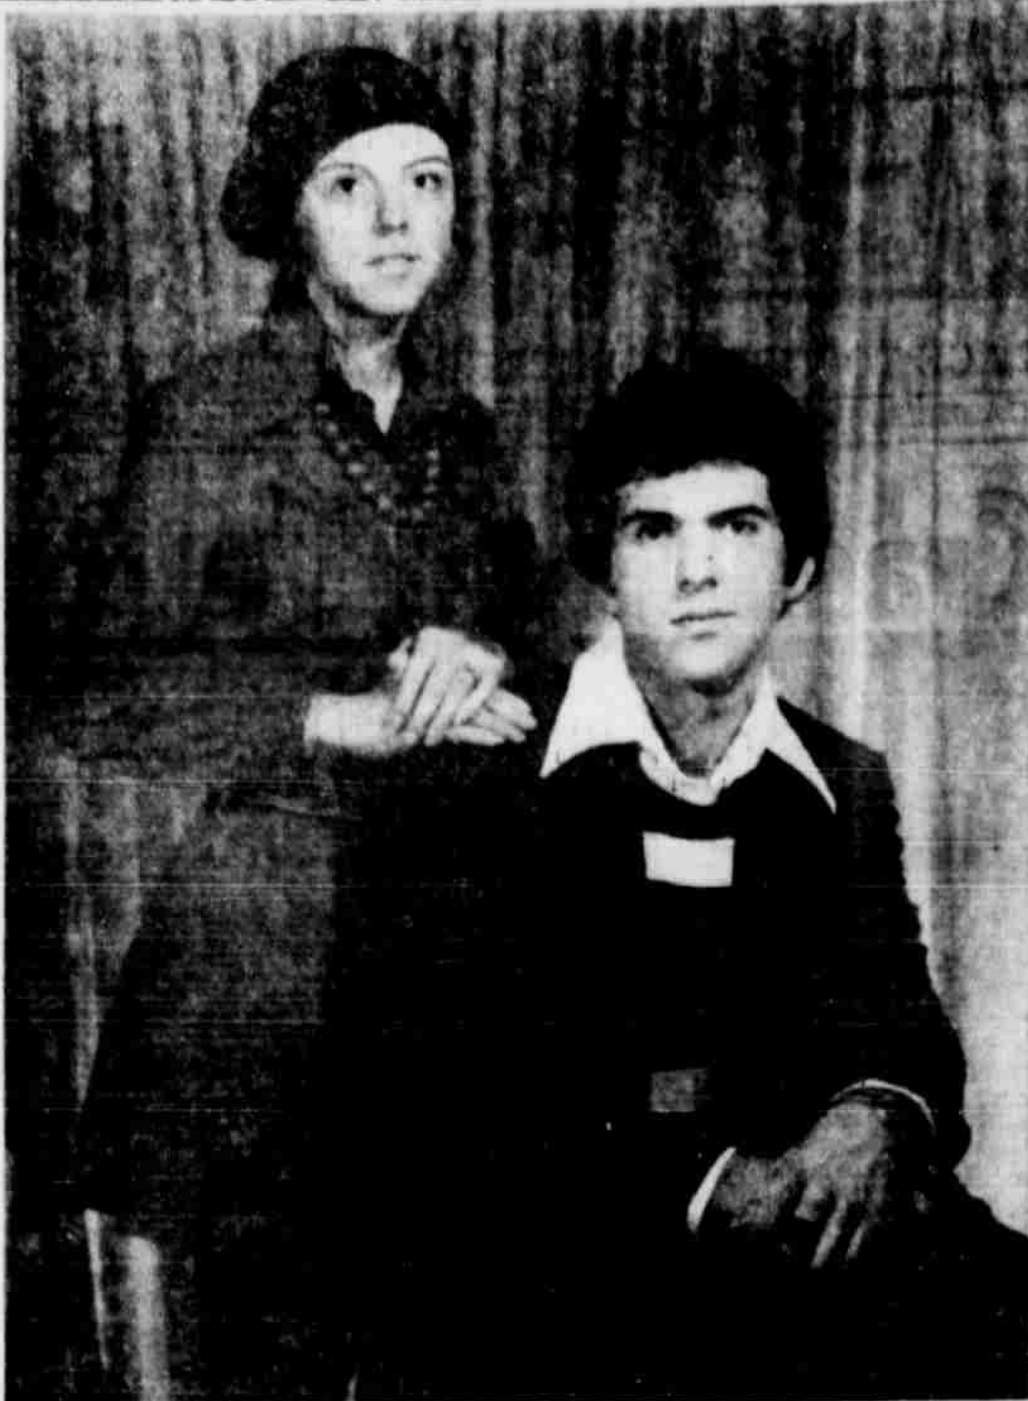

New officers were elected as follows: Bonnie Buntyn, president; Edna Fouts, vice president; Maggie Larned, secretary; and Stella Jusset, reporter. Audie Livingood, recreation, and Angie Mullins were elected song leader, with Florence Larned as assistant.

They also planned a Bingo party for Oct. 30, at Mrs. Johnson's house and everyone was asked to bring a covered dish.

Refreshments were served after a recreation hour to seven members and three visitors, Beatrice Mobley, Tim Larned and Billie Cadenhead.

### BUSINESS MEETING

The Haskell Business and Professional Women's Club will have a business meeting Tuesday, Nov. 6, at 6:00 p. m. in the home of Mrs. Artie Mae Burkett. All members are urged to be present.

**Engagement Announced**—Mr. and Mrs. James O. Casey, Jr., of Baytown announce the engagement and approaching marriage of their daughter, Deborah Jean Casey, to Mark McCoy of College Station. His parents are Mr. and Mrs. Gerald McCoy of Haskell. She is a graduate of Robert E. Lee High School and a graduate of Abilene Christian School graduate and is attending Texas A&M University. # Gold Star Boy, Girl Named

Susan Lewis and Calvin Wilfong have been named the 1973-74, 4-H Gold Star Girl and Boy for Haskell County, according to Extension Agents Max Stanleton and Barbara Elliott.

Parents of the recipients are: Mr. and Mrs. Cecil Lewis of Rule and Mr. and Mrs. Andy Wilfong of Haskell.

They will be honored at the County Awards banquet on November 5 at the Paint Creek School. They will also be honored at the District Gold Star Banquet on Nov. 20th in Vernon and at the Home Demonstration Achievement Day in the Spring.

Susan is 16 years old and has been in 4-H for seven years. Her honors in 4-H are many. She has represented Haskell County in the District Food Show four years in succession. The past two years she has been a first place winner in the District Show and represented the District twice in the State Food Show where she has won two red ribbons. Mrs. Wallace Allison of Rule has been her adult leader in Foods and Nutrition. She has participated in District and County Leadership Labs and was selected this year to attend the National 4-H Citizenship Short-course in Washington, D. C. Her home Economics projects have included foods and nutrition, clothing, home improvement and good grooming. She has also carried projects in sheep and swine where she

SUSAN LEWIS

has won showmanship awards at the County Livestock Show and in 1972 she showed the Reserve Champion Barrow at the Houston Livestock Show.

Calvin Wilfong, 15 year old son of Mr. and Mrs. Andy Wilfong, has been selected as Haskell County 4-H Gold Star Boy. Calvin has an outstanding Beef Cattle Project that he has carried since 1970. He has also carried projects in Electricity, Home Improvement and Rifle. He has received County Award Medals in Electricity and Leadership. He was the 1972 boy recipient of the "I Dare You Award." In 1972 he showed the Grand Champion Angus steer at the Jones County Fair, the

Grand Champion Angus at San Angelo and the Reserve Champion of the Show, and also won the Showmanship Award. In 1973 he had the Grand Champion of the Amarillo Show. For five years, Calvin has been raising and showing calves and he has learned to take the good with the bad and just go on.

He and his brother placed second with their electric demonstration at Wichita Falls at the District Contest. He was a member of the 4-H Rifle Team that represented Haskell County at District and has attended two District Rally Days and has helped conduct one County Rally Day.

## Ellis Wins 3 Events In Traps Sunday

Haskell trap shooter, Steve Ellis wouldn't be outdone Sunday as he smashed 95x100 16-yard targets. He came back to break 92x100 in the handicap, and win the championship. 25 pairs of doubles were thrown to determine the winner H.O.A. Steve Ellis broke a 47x50 to take the H.O.A. on 250 targets.

## Local Couples Back From 15-Day Trip

Mr. and Mrs. W. E. Woodson and Mr. and Mrs. Norman Nanny have returned from a 15-day trip that took them through the southern United States up to the Capitol.

They went from here to Lafayette, La., where they visited with Mrs. Billie White. She took them on a tour of Evangeline County—the Cajun country of Louisiana and stayed there two days. From there they went to Atlanta, Ga., and toured there, with highlights of Stone Mountain Park, the Cyclorama, then went on to Williamsburg, Va. for two days and more touring. They then went to Washington, D. C., to spend six days.

While there, Mr. and Mrs. Woodson enjoyed a visit with their children and grandchildren, Major and Mrs. Sid Woodson. Sid took the men on a fishing trip to Chesapeake Bay and they caught what Sid said was the biggest bluefish he had seen taken from there. They also caught 15 other good ones.

While in the Capitol, they toured all the famous and historic places, but Mrs. Nanny and Mrs. Woodson enjoyed most attending the American Ballet in Kennedy Center.

## Rehab Sale Set November 10

The 14th Annual Cattlemen's Round-Up for Crippled Children moves into its final phase Nov. 10 with a Farm Equipment Sale to benefit the West Texas Rehabilitation Center in Abilene. Earlier sales of cattle, horse, sheep and goats have raised \$117,000 toward this year's goal of \$120,000.

This is the second year that the sale of farm equipment has been a part of the annual fund-raising event. Last year the sale raised almost \$7,000.

Col. Tex Herring, chairman of the farm sale, expressed confidence that on the basis of the success of the earlier sales, this year's sale should raise the first \$17,000 to meet the goal. Herring emphasized that 100 percent of the proceeds, including the commission, will go to the Center. No consignments can be accepted. All donations are tax deductible.

Anyone wishing to donate equipment should contact an area chairman or the West Texas Rehabilitation Center. Transportation can be arranged.

Some dealers, a food printer and an accountant of equipment have already been permitted to do so.

The sale is set for 10:00 a. m. on November 10 at the West Texas Equipment Co., in Lawton, Texas.

# Ranch Life Suits Mrs. John Sones

by RUTH WARREN

Mrs. John Sones of Sundown and Levelland, Tex., currently living at the headquarters of the huge Mallet Ranch spread located about 14 miles from Levelland, finds life on a ranch rewarding. But there was a time when it almost closed in on her.

Iona Sones, the former Iona McClure and her brother, James Grady (Butch) McClure, came to Rule in 1932 with their mother, Mrs. Willie A. McClure.

Mrs. Sone's husband is foreman of the 53,137.7 acre Mallet spread located southwest of Sundown, Texas, where round-up time is as synonymous as spring.

The lonely countryside holds a charm all its own, with mesquite, sage, and grass waving in the West Texas wind and hundreds of head of cattle grazing contentedly.

"When I first moved with my husband from Stephenville, I hated this barren country of sandstorms, rattlesnakes and mesquites. And I used to cry from loneliness. Then I read something from Norman Vincent Peale, entitled, "If You Have A Lemon, Make Lemonade." It changed my entire outlook on life," admits Iona. It was at that point that she started looking for an antidote, finding in the strange beauty of the prairie with its beautiful sunsets.

She started riding her bicycle around the Mallet Ranch, hunting arrowheads, collecting odd species of cactus and the twisted roots of mesquite that had been grubbed to make way for grass. Making them into unusual flower arrangements became a challenge for Iona, to enhance the beauty of the historical old ranch house where they live.

The bicycle was replaced by a horse after she had recovered from surgery on her leg following an accident earlier when she was riding, shortly after her marriage, at age 21. At that time, she thought she would never ride again. But the famous surgeon, Dr. Charles Clayton of Ft. Worth, patched the leg up, and now she rides like the veteran horsewoman she is.

Not only does Iona collect antiques for their beauty, she digs into the history until she knows the entire story of the collector's item she restores.

She is a member, along with her husband, of the Ranch Headquarter's Association at Texas Tech University Museum, located at Lubbock, Tex. She especially enjoys conducting the public on tours of the authentic headquarters located on the grounds.

On a recent weekend, at a special meeting, followed by a program attended by a thousand guests from over the entire

state, Iona was asked to make the presentation of \$100,000 gift to the Ranch Headquarters Association, made by Miss Christine DeVitt, owner of the Mallet Ranch.

Lubbock is one of the first cities to complete bicentennial plans. The museum at Texas Tech will be completed in time for bicentennial celebrations.

"My interest in flower arrangements, the unusual mesquite wood and flowers is a direct result of the beautiful yard of Mrs. James Lyles of Rule," admits Iona. "We lived directly across the street from this lovely lady, and I admired her flowers so much when I was young."

One of Iona's most unique talents is painting signs on barns and ranch buildings. Some of the signs done have been as large as eight feet across and range from Hereford bulls to horses, along with the name of the spread.

She also paints in oils, doing what she calls "quickies." She keeps her easel up and does a painting when something at hand, or from memory, inspires her to get it down on canvas.

She works avidly on family genealogy, both her family and her husband's, and has much of it back to the 1500's. It is a time consuming hobby, but Iona says she feels that it is a

worthwhile pursuit for the heritage of her family.

One of the most interesting things in Iona's collection is a miniature book published by P. T. Barnum, entitled "Tom Thumb." It is the story of the midget that traveled with the Barnum Circus. He was the tiniest midget ever employed with the circus and was slightly over three feet tall. His coachman was 3 ft. 8 in. tall and his footman about the same. The book was left to Mrs. Sones by her grandmother, Mrs. Sarah H. Bozeman, and is dated in the early 1800's.

Iona and her husband, John, have two children, Annette, married to Jerry Caswell of Muleshoe, Tex., and Edward, 22, a resident of the State of Florida.

Her brother, "Butch," is a resident of Dallas where he is employed as an aeronautical engineer with Ling-Tempco-Vaught.

Iona may be remembered by friends in Rule as "Little Butch" because she dogged her brother's footsteps and was always inclined toward being a "Tomboy," learning at an early age to climb the huge walnut trees in their yard when she was growing up.

## Commissioners Approve Budget

Haskell County Commissioners Court convened in special session Oct. 29 in the Court-house. Present were Judge B. O. Roberson, Commissioners C. A. Thomas, S. E. Bledsoe and E. C. Collins, and Jenny Brazzell, County Clerk.

The Court heard and approved the minutes of the October 8th meeting; made a motion to pay all approved bills, and voted to approve and adopt the budget for Haskell County for the year 1974.

The resignation of I. S. Ham-mack was accepted, effective October 31.

The Courthouse will be closed Tuesday, Nov. 6, for the Constitutional Amendment Election.

## Lodge Barbeque Set For Nov. 18

The Hermann Sons Lodge No. 241 held its regular meeting, October 28 at 5 p. m. with 22 members present.

The Tacky Party was a big success, with Mr. Felix Klose receiving prize for being dressed the tackiest of the men, and Mrs. Pauline Stewert winning for being the tackiest dressed of the women.

After the boxes were sold, everyone enjoyed a bountiful supper.

Meeting was called to order by the president, Alfons Feiser. Roll call showed three officers absent, and two new members were voted on, Miss Carol Sue Lebbe and Roger Roewe.

Nov. 18, Mr. Marvin O. Gold, Dist. Supervisor from San Antonio, will be special guest at the barbeque supper. Members are asked to invite guests, and bring chicken or sausage for their own family and their guests. Please remember, too, that this will be on the third Sunday, instead of the regular 4th Sunday.

A Christmas party is being planned for Dec. 15.

## Gov. Briscoe Announces For Second Term

Gov. Dolph Briscoe, amid a crowd of an estimated 10,000 Texans, announced Tuesday night at a fund raising dinner in his honor in the Municipal Auditorium in Austin that he would seek a second term as Governor of Texas.

Don Comedy of Haskell Free Press, and his fiancée, Jeannine Isbell, attended the dinner, after attending a reception hosted by State Rep. and Mrs. Charles Fennell in the Sheraton-Crest Hotel.

"We wanted to make this announcement tonight to share it first with those of you who made this possible in the first place," Briscoe said. "I will file my candidacy with the State Democratic Executive Committee in January."

Briscoe said he envisions a Texas where every child gets a good education regardless of the economic status of his family or school district, where citizens can walk down streets without fear of criminal attack, where critical decisions are made at the level of government closest to the people.

Speakers during the evening included Sen. Lloyd Bentsen, D-Tex., and Rep. Jack Brooks, D-Tex.

The \$25.00 per person lunch-box dinner helped to pay off Briscoe's campaign debt, and those attending received probably the most unique keepsake ever to come from an announcing dinner. The black lunchpails had Dolph Briscoe's name on them, and held inside, a printed program of those who helped to plan the dinner, a red napkin, a ham sandwich, a piece of chicken, a brownie, a boiled egg, peppers, pickles, olives, an apple, cheese, and shoestring potatoes. The boxes were banded with a red, white and blue band imprinted, "The face of Texas... An Appreciation night honoring Governor and Mrs. Briscoe."

Monday, Oct. 29, the Handy Helpers elected officers. New president is Kiersta Lane, vice president is Pam Hale, secretary is Donna Kemp, treasurer is DeAnn Carter, and reporter is Sharla Drinnon.

A TIM PRINGLE PASS TO RANDY IVY barely made it before Hamlin's No. 60 tackled the Indian runner. The Indians fought a hard battle against the State-rated Pipers, and meet Winters here Friday night with game time at 7:30. (Photo by Don Comedy)

# Tribe Blanked By Pipers 38-0

By DON COMEDY

The Haskell Indians fell to state-ranked Hamlin, 38-0, last Friday night in their second district outing of the 1973 season.

The Pipers, led by Junior Johnny Jones and Senior Albert McAfee, rushed for 370 yards in an impressive showing. Jones had 173 yards and McAfee had 144 for the brunt of the Hamlin attack.

Charles Alexander, who for the past two weeks has rushed for over 150 yards per game, was held to only 40 yards by an overpowering Piper defense. Tim Pringle sparked the only

impressive category on the Indian side of the statistic ledger with some outstanding passing. Pringle and Gary McAdams logged 120 yards in the air to Indian receivers for a record of 8 of 18 passes.

Pringle connected with Randy Ivy five times, the three longest for 28, 25 and 17 yards and found Robin Culbert open twice for gains of 11 and 17 yards.

The Tribe mounted their only long drive mid-way in the second period after a Hamlin field goal. Pringle moved the ball 51 yards in the air to the Hamlin 2 before losing on the next two plays. A fourth and nine yards fell last Friday night to

touchdown attempt was halted by a pass interception. The interception stopped the only serious scoring attempt the Tribe managed all night.

The Pipers, with the speed of 175 pound Jones and power of 190 pound McAfee, moved the ball almost at will and scored on drives of 9, 8, 7, 6, 5 and 5 yards, for their 38 point total. One of the six scoring drives ended in a 31 yard field goal.

The Tribe will meet Winters tomorrow night in Haskell to try to get into the winning column before district play. The Blizzards fell last Friday night to

Ballinger, 23-0.

## Be A Haskell Indian Booster!

The Haskell Indians went to Hamlin Friday night to win a football game. They always go onto the football field to win—and their fans go with them—if not on to the field in person, they are there in spirit.

Friday night the Indians lost to Hamlin, but it is to their credit that they still don't count out a District Title! Like the New York Mets, "they believe!"

At the Booster Club meeting Monday night Haskell Coaches and loyal supporters expressed their thanks for this support and announced definite plans for a charter bus to take fans to Ballinger on November 16. This is a long trip, but traveling by bus, the time passes quickly—the expense is less than a tankful of gasoline—and the fellowship cannot be surpassed. For \$6.00, you, too, can reserve a seat on the bus, arrive at the stadium with no parking worries, see a well-fought game and return in comfort!

Reservations will be open till November 9, but the seats are filling fast. Call Carolyn Pippin (864-2221) or Elbert Johnson (864-3331) today. They can always get a larger bus if they know in time that you want to go.

Let's follow the Indians to Ballinger. If you believe, a District title is still within grasp! Be a part of that extra effort! Haskell is known far and wide for its partisan support of its athletes.

By the way, the fuel you save might plow another field!

## Weinert Ties With Hobbs

The Weinert Bulldogs and the Hobbs Panthers turned in an even match at Weinert Friday night, in a 45-45 tie.

Halfback Felix Garcia of the Bulldogs scored all the runs and points for Weinert. He made seven touchdowns, kicked one point, but his one-man scoring spree couldn't draw the Bulldogs extra point and ran one extra down ahead of the Panthers.

They got four touchdowns from Joe Bob Martinez and 3 TD's and a PAT kick from David Martinez, and one PAT run from Terry Porter to hold up their side of the score.

The Weinert Bulldogs will play Paint Creek there at 7:30 tonight.

## Rule Wins Bobcat Battle

Rule ran their district competition to 2-0 Friday night when they defeated Newcastle 47-0 in Bobcat Stadium. Rule is now 8-0 for the season. Newcastle is 1-7 and 0-2 for district.

Newcastle received the opening kickoff but turned the ball over to Rule on downs. Rule scored on the second down when Barbee scored on a 45-yd. pass from Briles. Briles on a keeper, made the extra two to make the score 8-0.

Newcastle took the kick off and fumbled. Rule recovered on their 15 and Kittley scored on the first down. PAT was no good 14-0.

Again taking the kick-off Newcastle got to Rule's 45 before relinquishing on downs. Rule fumbled and Newcastle recovered. Forced again on downs to relinquish the ball, they kicked to Rule and Rule fumbled with Newcastle recovering on Rule's 44. Newcastle passed and it was intercepted by Cole Turner for Rule.

In the second quarter, Newcastle got to Rule's 15 yard line before relinquishing again on downs. Kittley scored with an 85-yard run. The PAT was no good. 20-0. Other scores made in the second quarter was by Briles for 6. PAT by Barbee, 27-7. Futch on a pass from the QB for 6 and again Barbee converted, 34-0 at half time.

In the third quarter, a Newcastle fumble recovered by Jimmy Macias set up Leonard Rhoads to score 6 for Rule. PAT no good, 40-0. The lone score in the fourth quarter was made by Mike Lisles and Barbee good for the extra point to make the final score, 47-0.

Rule's defense played excellent ball. The Bobcats journey to Throckmorton Thursday night with game time at 7:30.

## O'Brien Bulldogs Down PC Pirates

It took only three quarters for the O'Brien Bulldogs to down the Paint Creek Pirates Thursday night in six-man football, to pick up their fourth win of the season, against one loss. 76-25 was the score in the fast-paced game.

Louis Conn made two TDs on runs of 31 and 15 yards, and threw touchdown passes of 33, 40 and 12 yards, then ran back an interception 60 yards for another touchdown.

The Bulldog's other big scorer was Rayland Hayes, who scored once on a 1 yard plunge and kicked eight 2-point conversions.

Ralph Robertson was the workhorse for Paint Creek. He made three touchdown runs of 32 yards, 40 yards and 23 yards.

The Bulldogs will meet Leuders-Avoca there tonight, Thursday, at 7:30 p. m. in their next District game, while the Pirates will play Weinert at Paint Creek, tonight at 7:30.

## No Sweat Savings.

Sometimes the hard work of all is trying to save a few extra dollars. Those everyday necessities just seem to eat your paycheck until there's nothing left to tuck away for the future.

But there is an easy way to build a nest egg. The Payroll Savings Plan. Just sign up when you work, and any amount you specify will be set aside from each paycheck and used to buy U.S. Savings Bonds. It's so simple, you almost forget your money's there working for you. And, pretty soon, you're surprised at how your savings have grown.

The Payroll Savings Plan. Takes some of the perspiration out of planning ahead.

**Veterans Urged To Vote Nov. 6**

Tuesday, Nov. 6, 1973, is General Election Day in Texas, and is of particular significance to veterans who reside in the State. This was announced today by C. H. Herren, Veterans Service Officer for Haskell County.

The voters of Texas will this year be asked to vote "for" or "against" a proposal to add \$100 million to the Veterans Land Program to finance purchases of farm and ranch lands by eligible veterans. The 1973 General Election ballot will contain a number of constitutional amendment proposals, and this will be Number 7 on the form. The proposal is to increase the Veterans Land Program bond issue from \$400 million to \$500 million.

The Veterans Land Program has been in existence since 1949, and has helped thousands of wartime veterans to purchase farms and ranches. Under the program, a maximum loan of \$10,000 may be made to an eligible veteran for the purchase of 10 acres or more of rural property. Eligible are persons who served 90 days or more in the Armed Forces of the United States since September 16, 1940, and whose service terminated under other than dishonorable conditions. Included are veterans who were legal residents of Texas at the time they entered service, or who have now been residents for five years or longer.

This program has operated at no cost to the taxpayer and at considerable benefit not only to veterans but to the economy of all Texans. It is one of very few programs ever established which will make a profit for the State. Statisticians have determined that the State of Texas will eventually realize a profit of from \$100 to \$200 million on the Veterans Land Program.

Every citizen of Texas should exercise his or her right to vote on Nov. 6, 1973, and each should cast his ballot for each candidate or issue in accordance with the dictates of his conscience.

**Brazos-West Art To Have Display At Homecoming**

The Brazos-West Art Association will meet November 5 in the Community Room of Haskell National Bank.

Gladys O'Neal, president, issues a cordial invitation to all ladies in this area interested in any form of Arts and Crafts to join the Association at this meeting.

The purpose of the meeting is to set up an art exhibit. They want to display all forms of art, including oil painting, decoupage, china painting, gold leafing, glass dimensional, crochet and hand-sewn articles. These will remain in the Community Room during all Homecoming activities.

The exchange and sale will be held Dec. 1, from 9 a. m. to 9 p. m.

**Export Comm. Reports In Dallas**

The House Agricultural Export Committee met Oct. 16 in the Agriculture Pavilion of the Texas State Fair in Dallas, Texas. W. S. "Bill" Healty, who is chairman of this committee, said that the purpose of the committee would be to assist the agriculture industry in determining what commodities are available for export so as to assist the Agriculture Department in the marketing program.

Healty said that whenever the supply is such that Texas farmers and ranchers can benefit from increased exports, then it would be beneficial not only to Texans but to people of foreign countries for us to export some of these commodities. Healty said that in the interest of mankind, he favors a program of selective exporting so that the standard of living can be raised not only in Texas and the United States, but in foreign countries. Healty said that this Committee will take an active part in helping the Commissioner of Agriculture with the Texas Marketing Program, which is one of the most effective in the Nation. He said that this committee will be able to assist Commissioner John White in his endeavors.

The other members of the Committee are: Agriculture Commissioner John C. White, Rep. Joe Hubenak of Rosenberg, Texas, Rep. John Hostenbach of Odessa, David Witts of Dallas and J. D. Sartwell of Sealy, Texas.

## 60 YEARS AGO

Oct. 25, 1913

Eugene Williams has returned from Fort Worth where he has been night clerk for a railway company.

Mrs. R. H. Wardell of DeLeon who has been visiting her sister, Mrs. Galord Kline, left the first of the week for a visit at Rotan.

Misses Winnie Gross, Eula and Rilla Kennamer and Master Clyde Gross called to see us Tuesday, and saw our big press running.

WASHINGTON "As it looks from here" OMAR DURLISON Congressman 17th District

WASHINGTON, D. C. — The cost of running for political office has gotten ridiculously high. No person should be denied the right to seek public office simply because he or she is unable to either pay for it himself or is forced to receive contributions from sources which obligate him after he is elected.

There is nothing wrong with financial contributions to political campaigns. Large sums, however, should be prohibited and the sources of contributions should be made an open book for all to see.

Our State Legislature has done a good job and will probably go further in subsequent sessions to accomplish this purpose.

On the Federal level, there is wide support for controlling expenditures, revealing the sources of donations and other methods of control. There are already numerous provisions on the law books for limits but there are loopholes which need to be closed. Legislation has been introduced proposing numerous approaches. The U. S.

Senate has passed a broad bill which places strict compliances on Federal candidates in the general election. Under the Senate bill, individuals could contribute no more than \$25,000 to all Federal candidates. No more than \$9,000 of that sum could be given to any one candidate. If strictly enforced, such a law would effectively curb the influence of big individual contributors.

The solution, however, carries with it some vexing new possibilities. Candidates who challenge incumbents more readily need substantial funds. Normally the advantage lies with the one already in office. He has access to publicity that goes with public service and other resources to promote his re-election.

The Challenger overcomes these advantages only by raising the funds required to mount a strong and effective campaign. The Senate Bill would severely limit his ability to raise those funds unless, however, the candidate is supported by "write off" of union dues which goes into a campaign fund, not necessarily contributed to the candidate, but used to promote him in numerous ways. Other organized groups have a similar provision for support of their candidates in the general election.

Consideration is now being given to having Federal elections financed from tax money on a formula which divides the funds between parties or between candidates.

The law now provides that a taxpayer may have a \$25.00 credit for a campaign contribution. It is something else to pay these costs out of the Federal Treasury from everyone's tax money.

Another question arises . . . Should the Federal government place control over campaigns for Federal office, how long would it be before they would want to include State primaries?

As a matter of fact there are those in Congress and in influential groups outside who want to include all primary elections under the control of Washington. Those of us who maintain that the State legislatures should retain this authority and responsibility have been opposing any such ideas for a number of years.

In the House of Representatives there is now a move to enact a mixed system of public and private financing of qualified candidates for President and Congress in the general elections. The purpose is to enable any candidate to mount an effective campaign without the need for large private contributions. The goal is to provide sufficient financial support to encourage the maximum feasible degree of participation in elections for Federal office.

The advocates of this line admit that they would like to extend this system to primary candidates at a later time.

If absolute accountability and open records are available to the electorate, people will exercise a judgement which could determine their support for a candidate. This is what our Legislature wants to do and would be a most effective way of guaranteeing wholesome elections.

G Bill enrollments in fiscal year 1973 edged past 2.1 million to the highest level in 22 years, the Veterans Administration reported recently.

A law enacted Aug. 2, 1973, extends Veterans Administration medical care to peacetime veterans and certain dependents, and streamline health care delivery for the rest of the veteran population.

A veteran should not hesitate to apply for higher benefits because of a lost birth certificate or marriage license, because the Veterans Administration requires less formal proof under a regulation in effect since October 1971.

# GOD'S FIVE MINUTES

CONSIDER THE BIBLE  
The bread and wine had been shared. The promise of the Passover was now fulfilled in the Lord's Supper. The men reclined, at rest, around the low table. Quiet conversation took place while the Lord looked at them with love and pride. "You are my friends," He said, knowing full well what the word implied.  
Does it touch you to know that God wants and needs friends? He called Abraham His friend. Abraham's friendship is one of the highest and holiest chapters in all sacred history.  
"You are my friends if ye do whatsoever I command you." Our Lord has friends everywhere. People like you and me who, in the joy of loving and serving, find this Friend so very real — He is closer to a brother!

# We salute Our retiring teachers Mrs. Faye Akins Woodson

Mrs. Faye Akins Woodson came to Haskell from Fannin County when she was just a child. She married a Haskell farmer, W. E. (Bill) Woodson, shortly after beginning her teaching career at a little country school called Lake Creek in Haskell County, and quit her teaching job to marry. She began teaching again in 1952, and taught from that time to the end of the 1972-73 school year, when she retired.

MRS. FAYE WOODSON . . . taught 24 years

Mrs. Woodson taught the 4th, 5th and 6th grades in Lake Creek, and taught in junior high in Haskell for three years, but the rest of her teaching career has been spent as a third grade teacher.

She is a Haskell High School graduate, and attended Baylor

Belton college, and received her BS degree from Hardin-Simmons University in Abilene.

She and her husband have one son, Major Sid Woodson, who has been in the Pentagon for the past five years. He and his wife have three children, Laurie, 14; Betsy, 9; and David, 17, and they live in Virginia.

She is a member of First Baptist Church and taught a class in the intermediate department for many years. She is also a member of Delta Kappa Gamma, and of the Progressive Study Club.

Mrs. Woodson enjoys reading, and being a good homemaker. Her hobbies include cooking, sewing, and gardening.

**Rotarians Hear Of Energy Crisis**  
The Haskell Rotary Club had eight guests present for their regular luncheon meeting, held at the City Cafe at noon, Oct. 25. President Charles Thornhill presided for the meeting.  
Bob Philpot, manager of the local Lone Star Gas Co., was program chairman and he devoted the allotted time to showing slides in regard to the National Energy Crisis in relation to the gas companies of the United States. The slides stressed that there was no shortage of natural gas but that the high cost of exploration in seeking new sources of supply, was the

major reason the gas crisis is so critical at the present time. Also, new laws which are making it mandatory for the companies to use other kinds of fuel to keep down air pollution, and organizations interested in preserving clean air, are causing many problems. The Lone Star Gas Company had added millions of dollars to their budget for exploration and the only way to offset these expenditures is to charge more for gas.

The invocation for the meeting was given by Rotarian Ferrell Coston and the song session led by R. C. Couch Jr. with club pianist Rene Abbott providing accompaniment.  
President Thornhill announced that the chili supper sponsored by the club was highly successful and that indications are that it will net the club approximately \$125.00 profit. He also called for volunteers to move chairs from the Elementary School to the Community Room of Haskell National Bank for Homecoming of Haskell exstudents and patrons to be

held here on November 9-10. President of the Homecoming Association, R. C. Couch Jr., made the request of the club.

Guests were introduced by Bill Comedy. They were: Albert David of Stamford, guest of Bob Philpot; Claude Lester of the Herman Marcus Plant, guest of Rex Felker; Larry Settles, guest of Bob Herren; Mrs. Bob Herren, Ruby Turner, Jerry Talkington, and student guests, Bobby Condes and Dawn Bird.
