## Presbyterian Women Meet

Mrs. John Moore was hostess for the May 10 meeting of Prebyterian Women of the Deport Presbyterian Church.

The meeting was opened with the Lord's Prayer led by Mrs. Farris Read, president.

Ms. Read related the objectives of the 1988 birthday offering. This observance is held in the month of May each year to commemorate the beginning of Mission giving by Presbyterian women. The offering this year will be used to help a volunteer foster care program for neglected and abused children in Virginia; to add to the scholarship fund for disadvantaged students of Stillman College in Atlanta, GA; and to help with a ministry to women in prison. This ministry will give them spiritual support before entering the outside world.

This offering was collected and dedicated in prayer.

Miss Edith Fuller gave the devotion of the Least Coin, the title being "Daughters of God". The scripture she read was Pslams 34, 1-6.

The Least Coin offering was collected and a prayer affirming our allegiance to God was given by Ms. Fuller.

Ms. Fuller presented the Bible Study, acontinuatino the book "Good News Women". She discussed the stories of Hannah and Mary who were birthgivers to Hope. The songs of Hannah and Mary show a sharp contrast between those who have the good things in life and those who are not so blessed. The message of these songs is the Lord looks with favor on the humble.

The meeting closed with the Mizpah benediction.

Ms. Moore served cake, ice cream, coffee and apple juice during the social hour.

**By Mrs. Virgie Ballard**

### Keeping Healthy

**What Is Your Cholesterol Level?**

Like high blood pressure, a high cholesterol level is a major risk factor for heart disease and it, too, can be a "silent killer" because it usually presents no symptoms.

Following a diet low in fat and cholesterol is the mainstay of treatment for elevated blood cholesterol, and the physician may refer the patient to a qualified dietician to design one especially for the individual patient's needs.

When the patient does not respond sufficiently to the diet, an effective cholesterol-lowering drug may be added. This may be a drug belonging to a group called "resins"—either cholestyramine or colestipol in powder—which is usually mixed with a liquid such as a fruit juice, large amounts of nicotinic acid, or probucol tablets, which physicians report are particularly well-tolerated by patients.

Everyone should know what his or her cholesterol level is and many physicians now routinely check cholesterol levels as part of the annual physical examination. In families where there is a history of heart diseases before the age of 55 they recommend that children be checked at an early age.

Moore Receives Excellence Award

In commencement ceremonies at Trinity University May 14, John H. Moore III was the recipient of the Dr. and Mrs. Z.T. Scott Faculty Fellowship for Excellence in Teaching. The Scott Fellowship consists of a cash award of \$5,000 and a grant of \$3,000 to be used for activities related to the faculty member's role as teacher, advisor and service to students.

Moore, the Norine R. Murchison Distinguished Professor of Education, joined the Trinity faculty in 1968 and has been chairman of the Department of Education since 1973. He is the university's representative to the American and to the Texas Association of Colleges for Teacher Education. He served as the Texas Association's President in 1983-84 and the San Antonio Advisory Center president of 1985-86.

He has testified before numerous State legislative groups and the Select Committee on Public Education in Texas. In December 1985 Moore was a participant in the Bi-National Symposium on Educational Reform held in the People's Republic of China. During his 20 years at Trinity, he and his department, have received over \$5

million in grants for workshops, scholarship assistance for future teachers and retention of high-ability students of careers in teaching. His book "Schooling for Tomorrow: Directing Reforms to Issues That Count" is scheduled for publication later this year.

Moore is a former Deport resident and the son of Mr. and Mrs. John H. Moore II of Deport.

**Statement of Intent to Change Rates**

In accordance with the regulations of the Public Utility Commission of Texas, Texas-New Mexico Power Company announces the Company's intent to change rates for its entire Texas operations. The effective date of such change is June 3, 1988. All classes of customers will be affected by said proposed changes. The proposed rates will produce an increase in gross revenues to the Company over test year revenues adjusted for test year customer growth and annualization of test year rate increases of \$12,575,887, or 4.47%. Texas-New Mexico Power Company provides electrical service to more than 160,697 customers located within the state of Texas.

A complete copy of the requested rate filing package is on file with the Public Utility Commission of Texas in Austin, Texas, and with all cities served by Texas-New Mexico Power Company which have retained original jurisdiction. You may inspect a copy of the filing during normal business hours at each business office of Texas-New Mexico Power Company in your area.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

### Farmers Should Continue To Check Wheat

By Paul D. Payne

We are now entering the critical growth stage of wheat when a fungicide, if needed, should be applied. We are referring to the emergence of the flag leaf. In order to make grain the wheat plant must have a healthy flag leaf, so the aim of the rust control program is to protect the flag leaf and hopefully the leaf just below.

Not all wheat plants are the same development stage in the county. Date of planting, grazing, fertility rate, soil conditions and variety all have an affect upon the growth and development of the wheat plant. In many of our wheat fields the flag leaf is emerging. We have not detected a big change in the rust situation in county wheat. Most of the rust that has been found in fields along the Red River is the Stripe Rust. It should not be confused with the Leaf Rust although both can be found on the leaves. Stripe Rust pustules appear in rows up and down the leaf while the Leaf Rust pustule is a single round pustule not arranged in any pattern.

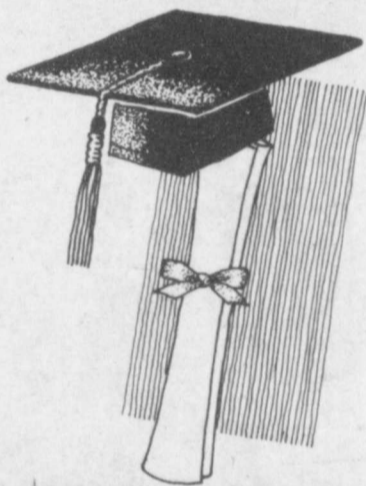

Hot temperatures, 65 degrees and above throughout the day and night will tend to halt the development of Stripe Rust. Monday's weather was ideal for slowing down the disease. However, Monday's temperatures were ideal for Leaf Rust development.

Some fields have been treated in the county. The heaviest rust problem is located along the Red River. Very little, if any has been detected in other areas of the county. However, Stripe Rust has been found in some tall, lush Florida 302 wheat near Mt. Vernon.

Dr. George Philley told the 20 producers attending the Wheat Disease Meeting Tuesday morning in Paris that reports from south and central Texas and Arkansas are encouraging. Infestations are light but there is a need for farmers to continue to check their fields often.

The decision to use or not to use a chemical for rust control is not an easy one to make as there are so many varieties. There is no one that can guarantee a 10 bushel increase. However, I do feel comfortable with

the available systemic fungicides where there is an infestation of leaf rust in the field. Two years demonstration work in Lamar County where diseases were light has resulted in an increase of eight to 10 bushels increases. Should you need additional information on the subject, give our office a call.

### THOUGHT FOR FOOD

by GOULD CROOK

#### Turkey-Rice Casserole

- 1/4 cup margarine or butter
- 1/2 cup all-purpose flour
- 1 1/2 tsp. salt
- 1/2 tsp. pepper
- 1 cup chicken broth
- 1 1/2 cups milk
- 1 1/2 cups cooked white or wild rice
- 2 cups cut-up cooked turkey or chicken
- 1 jar (4 ozs.) sliced mushrooms, drained
- 1/2 cup chopped green pepper
- 2 tbsps. chopped pimiento
- 1/4 cup slivered almonds

Heat margarine in 3-quart saucepan until melted. Stir in flour, salt and pepper. Cook over low heat, stirring constantly, until smooth and bubbly; remove from heat. Stir in broth and milk. Heat to boiling, stirring constantly. Boil and stir 1 minute. Stir in remaining ingredients. Reduce heat. Simmer uncovered until hot, about 5 minutes. Serves 6-8.

### Keeping Healthy

#### Year-Round Fitness Program Good For Body and Mind

Too many people get into shape during the summer but start cooling off their fitness programs once temperatures start falling, according to a sports medicine expert.

Saul S. Haskell, MD of Michael Reese Hospital and Medical Center in Chicago advise that signs of unfitnes include shortness of breath when climbing a flight of stairs; not sleeping as well as before; gaining inches around the waist, hips and thighs; and suffering tight, sore muscles and stiff achy joints. Gone, too, are the weight control, cardiovascular fitness, strength, flexibility and stamina developed during a spring and summer fitness program.

Dr. Haskell recommends keeping fit all year. In the winter take brisk walks; swim in an indoor pool; play indoor tennis, raquetball, handball, or basketball. Among other suggestions he makes for indoor exercise are to use a rowing machine; jog on an indoor track or on a trampoline; jump rope; and climb lots of stairs.

### Pattonville Homemakers Meet

The Pattonville Home Extension Club met recently at Juanita Russells home where Mrs. Virgie Hoover is now making her home. Mrs. Hoover was hostess. The meeting was called to order by Glenna Harper.

"The Path We Take With Jesus" was the name of the devotional given by Glenna Harper and she also led in

prayer.

The program was on depression and the cause of it and what you can do to head it off. Juanita Russell gave a report on the district meeting.

The hostess served cake and lemonade. Margaret Wadley received the hostess gift. The next meeting will be at Glenna Harpers on May 25.

## FFA Banquet Special Night

The Prairiland Future Farmers of America held their annual banquet Thursday night with about 275 people attending the barbeque meal.

Honorary Chapter Farmer Degrees were awarded to Bud Dobbs, Mr. and Mrs. Dean Wason, Mr. and Mrs. Charles Fendley, Mr. and Mrs. Freddie Reep, Traci Freeman and Dr. Gary Ballard.

David Hevron introduced Gina Harrington, the FFA Sweetheart and Toni Dockray and Wendy Anderson gave some of the year's highlights.

Among those highlights were going to the State FFA Convention where they had 15 Lone Star Farmer Degrees. Seven officers and Mr. and Mrs. Bobby Winters went to the national convention in Kansas City, MO in November, 1987. They received an American Farmer Degree.

The Chapter participated in the District Leadership Contest in November, winning second in the overall sweepstakes and qualified for Chapter Farmer Skills Team, Greenhand Skills Team and Radio Team for Area.

The Radio Team placed second in Area and the Greenhand and Chapter Skills team won first, going on to state competition.

In January, they participated at the District FFA convention. The talent team won, and Gina Harrington was elected as district co-sweetheart. Keith Reep was elected as the district's state officer nominee.

They went to Hallsville in February to participate at Area. Keith Reep presided and was selected as the Area VI state officer nominee. He will run for state presidency in July.

The Talent Team won first and will compete on a state level in July. The Prairiland chapter was well

represented at the Houston Livestock Show, and the Prairiland Project Show was a big success, bringing in over \$5,000.

Sixty-five members participated in the Lamar County Junior Livestock Show. In April, three Lone Star Farmers made it all the way to state. Tracy Hicks received the District Star Greenhand Award and Keith Reep the District Lone Star Farmer Award.

Terri Stamps was the speaker for the evening, talking on winning, motivation and drive.

The 1988-89 officers were installed and the Prairiland Ag Talent Team entertained the crowd.

Special gifts were presented by the Ag students to their advisors.

Tracy Hicks received the Star Chapter Greenhand Award and Beef Proficiency Award, Wendy Anderson received the Star Chapter Farmer Award and Dairy Production Award.

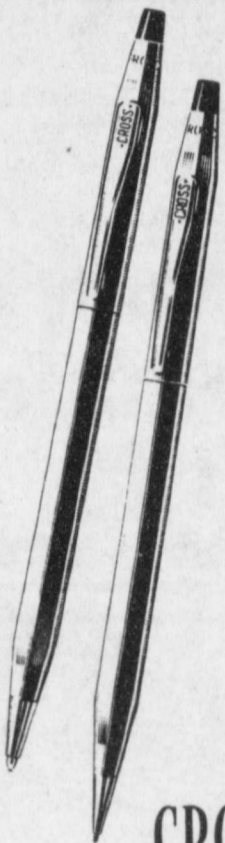

Amy Milford received the Sheep and Diversified Livestock Award. Kim Brown won the Poultry Proficiency Award and Dona Pressley the Dairy Proficiency Award in Greenhand.

Keith Reep received the Soil and Water Management and Beef Proficiency Awards. Wes Winters and Horse Proficiency Award, Freddy Wilson the Sheep Proficiency Award, Tracy Robinson the Swine Proficiency Award, David Hevron the General Ag Mechanic Award, Wes Winters the Ag Sales and Service Award, Leslie Thomas the Ag Production Award and Dakota Wright the Ag Mechanics Award.

Mr. and Mrs. David Hicks were recognized for their help with the many shows.

Jeff Wilcox won the Poultry Proficiency Award.

For the Graduate, what do you give the man who just yesterday it seems played in puddles, and now has his first job?

Craig Ladd

Melissa LaRue

## Ladd, LaRue Receive Awards

Craig Ladd and Melissa LaRue have been awarded the national I Dare You Leadership Award in recognition of personal integrity, balanced living, and motivation for leadership. The honor was presented by Dr. Gary W. Ballard at ceremonies held at Prairiland High School on May 19.

The I Dare You Award is made available each year by the American Youth Foundation in cooperation with high schools across the country. The Award was first offered in 1941 by William H. Danforth, founder of the Ralston Purina Company in St. Louis, who dared young people to achieve their highest potential and to influence others through lives of service. The award takes its name from the book "I Dare You" written by Mr. Danforth, in which he commends the balanced life of mental, physical,

social and spiritual development as the backbone of leadership.

Melissa and Craig were recognized for maintaining academic standards and exemplifying leadership qualities throughout their four years in high school.

In addition to a Certificate of Recognition, Melissa and Craig receive a copy of Mr. Danforth's inspirational book, and a scholarship to attend a two-week National Leadership Conference sponsored by the American Youth Foundation. Over 6,000 schools and 4-H programs participate in the I Dare You Leadership Award each year.

IN 1924 Mr. Danforth helped establish the American Youth Foundation, a non-sectarian, not-for-profit organization committed to the service of youth through summer camps and leadership conferences.

## Blossom Locals

By Mrs. Marvin Bruce  
Mrs. Marvin Bruce is home after tests at the hospital, still weak and still some problems.

Mr. and Mrs. Marvin Bruce, Mrs. Ann Eddins, Monica and Randa Kay Thompson attended the reunion at

Lake Bistineau State Park in Louisiana for the descendants of Dr. Ira Seth Arnold on May 7. There were 42 family members there and a lot of visitors. We all enjoyed a picnic lunch at noon then visiting and picture taking.
