## Two Sagerton Residents Named Outstanding

Jimlee Baucum, Anson, Chairman, and R. V. Earles, Paint Creek, Secretary, of the Board of Directors of the California Creek Soil and Water Conservation District, announced this week that Mrs. Leonard Kieke, Rt. 2, Stamford, and Fred Kupatt, Sagerton, had been selected Conservation Homemaker of the Year, and Outstanding Conservation Farmer respectively, for the District. Both Mrs. Kieke and Mr. Kupatt will

be the District's nominees for their respective awards to the Texas Conservation Awards Program.

Both Mrs. Kieke and Mr. Kupatt live in the Sagerton community.

Hilda Nauert Kieke is a strong link in Sagerton Community affairs. She serves on several committees for the Sagerton participation in the Texas Community Improvement Program. Sagerton was judged second best small community in Texas in 1973.

Leonard and Hilda Kieke have one son, John, who teaches Distributive Education in Pearland, Texas. They have two grandchildren.

Mrs. Kieke is a charter member of the Sagerton Home Demonstration Club, and is also a member of the Altar Guild of the Faith Lutheran Church.

Mrs. Kieke is a true conservation homemaker. She cans, pre-

serves and freezes nearly all of the family food that is produced on the farm. She is well talented in remodeling, decorating and home improvement. She has refinished many pieces of her furniture, doing her own upholstery work. She makes all of her own clothing. She is careful at shopping, buying the best fabrics for the best price. Her personal wardrobe is well coordinated, and very fashionable.

Mrs. Kieke also is quite a help to her husband in home repairs or field work. She keeps the farm records and exerts an active interest in farm management and conservation of the land.

Their home is the same house in which she, Hilda Nauert, was born and raised.

Mr. Kieke is an outstanding conservationist in his farming activities, and is a cooperator with the California Creek Soil and Water Conservation Dist.

patt, served the District faithfully for many years as Director for the Sagerton-Rule area of Haskell County.

Fred and his wife, the former Billie Hewitt of Stamford, live just south of Sagerton in a new brick home. They have two children, Craig and Kris. Craig won the champion swine awards at the Junior Livestock Show in January of this year.

Kupatt farms 378 acres, con-

### Captains Named For Heart Fund

Miss Mildred Mancill, Chairman of the 1974 Heart Fund Drive in Haskell County, announced this week that Mrs. Bill Holden, chairman for the drive in the city of Haskell, has announced her captains for the house-to-house drive that will run Feb. 18, through Feb. 23.

They include Mrs. J. H. Franklin, Mrs. Opal Atkins, Mrs. Richard Bischofhausen and Mr. Raja Hassen. W. O. Holden is chairman for the drive to outlying businesses and Mrs. Sonny Reynolds is chairman for the Courthouse drive.

Door-to-door canvassing will be managed by Mrs. Wilda Medford, Mrs. Frankie SoRelle and Mrs. O. W. Tooley. Mrs. Abe Turner, Mrs. Eldon Anderson, Mrs. Charles McCauley, Mrs. Howard Hopkins, Mrs. Marvin Letz, Mrs. J. W. Aycock and Mrs. J. I. Trussell.

The drive in downtown and outlying businesses is now in progress, during February, which is Heart Month.

highlighted a year that brought the Herman Marcus garment plant to Haskell, with a payroll of over \$200,000 after the first six weeks of operation here.

Herman Marcus of Dallas was on hand to represent his company, and made a brief talk on the company's pride in locating here; the pleasure on their reception by the people of Haskell; and the future goals for the Haskell plant.

Dr. Gaines Post filled the master of ceremonies spot for the evening, and introduced guests from Rule, Knox City, Munday, Stamford, Abilene, Holliday and Wichita Falls.

State Rep. Charles Finnell, a delegate to the Constitutional Convention now in session in Austin, was a special guest. In addition to his duties in the Convention, he is also campaigning for the Senate seat vacated

by Jack Hightower.

Ray Farrabee, a Wichita Falls lawyer, was also a guest at the banquet. He is also campaigning for Hightower's Senate seat.

Royce Williams, ending one of the most successful Chamber of Commerce leaderships to date, introduced incoming officers, including Philpot, first vice president H. V. Woodard, second vice president Kenneth Parker, treasurer Charles Owens, and Manager Rex Felker.

New directors are Kenneth Parker, Jerry Hadaway, Mrs. Alvin Sherman, Mrs. W. V. Felker, Mrs. Jack McAdoo and H. V. Woodard. Holdover directors are Mrs. Opal Atkins, Charles Owens, R. W. Philpot, Eldon Anderson, Royce Williams, Charles Thornhill, Wallace Cox Jr., Howard Perry and Bill Lane.

Leonard Passmore of Austin, secretary and legal counsel of Texas Bankers Assn., kept his audience in stitches with his dead-pan delivery of a highly humorous speech that ended with quite a few words of wisdom to guide Chamber of Commerce members.

"My first decision, when asked to be your speaker," he said, "was whether to speak on the highly controversial subject of 'Communist Infiltration into the Serevorn Eradication Program,' or the next choice of 'The Early Boyhood of Herbert Hoover'. Next choice could have been 'General Observations About Some Specific Things.'"

What he DID propose was a series of road traffic signs to so thoroughly confuse the motorist that fines would be heavy enough that no new taxes would ever have to be levied on Texans. Signs such as, 'Litter Barrel Ahead—Pups, \$10 each' . . . 'All traffic in right lane keep to the left' . . . 'One Way Traffic—Both Ways' . . . and finally, a simple, 'Warning' . . . 'Don't tell them what they're warned of, let them worry.'"

Charles Dickey of Abilene was organist for the beautiful dinner music. Rev. Harvey Freidel gave the invocation and benediction.

### Revival Set At First Baptist

Revival services are set at First Baptist Church in Haskell February 24 through March 3, according to the Rev. Dudley Bragg, pastor.

Sunday services will be at 11 a. m. and at 7 p. m. Each night during the week, services will be held at 7:30 p. m. A noon lunch service will be held on Tuesday through Friday from 12 to 12:50 p. m., and a nursery will be provided for all services.

Walter Ayers, evangelist from Garland, will bring the services and Dick Baker of Denton will lead the singing.

Everyone is welcome to come to each of these services.

### Perrin Named Outstanding Farmer By SCS

L. D. Offutt, Munday, Chairman, and W. L. "Krest" Ballard, Rochester Vice-Chairman, of the Board of Directors of the Wichita-Brazos Soil and Water Conservation District, announced this week that John Paul Perrin of Haskell had been chosen as Outstanding Conservation Farmer for the District.

Perrin will be the District's nominee to the Texas Conservation Awards Program.

John Paul and his wife, the former Eloise Toliver, have four children: a daughter, Mrs. Bob Rexrode; two sons, Dudley, of the home, and Wayne of Lubbock; a younger daughter, Kathy, a student in Haskell High School, and of the home, and two grandchildren. Dudley is engaged in farming with his father.

The Perrin's farm, 515 acres, located north of Haskell, was purchased in three different tracts at three different times. They also farm 514 acres be-

### Comm. Court Sets Auction Sale

Haskell County Commissioners Court met in regular session Feb. 11, with all members present.

After the reading and approval of minutes, motion was made and seconded to pay all approved bills. The court heard the auditor's and treasurer's monthly reports and accepted them as filed.

A lease contract with Roy Lee Payne was approved for the operation of The Anchor at Lake Stamford, for a period beginning Jan. 1, and ending Dec. 31, 1978.

The Court also passed a resolution to sell at public auction the remaining part of lots 1-2, Block 3, east side addition to the town of Rule, on the Courthouse steps March 5, 1974, at 10 a. m. The sale is to be advertised in the paper for 20 days prior to the sale.

A gift of the Magazine Club building, located on the corner of N. 3rd and Ave. E, to be used as the Haskell County Library, was accepted by the Court.

The Court also transferred \$500 from the General Fund to the Law Library Fund.

### Turnbow Resigns As Hospital Administrator

Alfred Turnbow, Administrator of Haskell Memorial Hospital, resigned in a special called meeting with the Board of Directors, effective March 1, 1974.

Qualified applicants for Administrator of Haskell Memorial Hospital may mail applications to Board President, C. G. Burson Jr., Star Route, Haskell, Texas 79521.

### PLANNING MEET

The Senior Planning Board for the West Texas Girl Scout Council will meet Sunday, Mar. 3, 2 p. m., at the Ranch House in Sweetwater. All Senior troops are encouraged to send representatives as the board will be planning a backpacking trip for the spring break in March. Final plans will also be made for the Quad Council Teams and Dreams weekend March 15-17 in Lubbock.

### Pre-Testing Of Pre-Schoolers Now Offered

Early Childhood appraisal services will be available for all three and four-year-old children in Haskell County. This individual study and evaluation of the child's strengths and weaknesses will be made by qualified examiners.

In the event a child shows a need for supervised developmental activities, a certified teacher will be available to assist in the child's training. Such activities would prepare the child for kindergarten work.

If you would like for your child to be appraised, please call the Elementary School for appointment. There will be no charge for this appraisal, and testing will be held during the month of February.

Rule testing will be held on Monday; Weinert on Tuesday, Haskell on Wednesday, Paint Creek on Thursday and Rochester on Friday.

### LAY WITNESS DAY

Sweet Home Baptist Church of Rule has announced a Lay Witness Day for Feb. 17. Guest speaker will be Chester Luns of Waco.

Sunday services begin at 11 a. m. and evening services at 5 and 6 p. m.

Everyone is invited to attend.

### College Students Reminded Of Questionnaire

Remember, inside this issue of Haskell Free Press is a questionnaire from Western Texas College of Snyder, offering extension classes here this summer in Haskell.

If you are a college student who wishes to take some summer credit courses, or know anyone who might attend here this summer, please clip the questionnaire, and have it filled in before it is left at the Chamber of Commerce office, or mailed back to the college.

This is the only way Western Texas College officials will know the classes desired here this summer, and they would appreciate your cooperation.

### New Age Law Told By County Clerk

Jenny Brazell, County Clerk wishes to inform the people of Haskell County of the new law regarding age requirement for obtaining a marriage license.

Effective Jan. 1, 1974, the youngest age for either male or female to obtain a marriage license is 16 years. In the past, a girl could be 14 years and still get a marriage license. You must have parent's consent if you are between the ages of 16 and 18 years before a marriage license can be issued.

A waiver of age requirement may be issued in special cases upon petition to the District Court. If you have any questions regarding this change in our law, feel free to call Jenny Brazell at the County Clerk's office.

ROTHEA C. GRIFFIN SHOWMANSHIP AWARD of the Abilene Livestock Show went to Cindy Thomas, daughter of Mr. and Mrs. C. A. Thomas of Haskell. Cindy is shown accepting the trophy. She has shown beef heifers and steers locally and over the state for several years, and this coveted award was a highlight of her year, this year.

HERMAN MARCUS of Dallas took a few minutes at the podium at Friday night's Chamber of Commerce banquet, to thank the people of Haskell for their salute of the new Herman Marcus, Inc. industry that he brought to Haskell in 1973. (Staff Photo by Don Comedy)

## Rice Springs News

By Prineella Ford

Mrs. Merle Davis, former nurse at Rice Springs, visited here Jan. 30.

Mrs. Jo Garrett and Mrs. Runez Atkinson, nurses aides at Rice Springs, left to go to L.V.N. school.

Mrs. Paul Bell, Mrs. Ruth Wilcox, Mrs. Lennie Yarborough, Mrs. Beula Ezell, Mrs.

Maxine Hertenberger, Rev. and Mrs. J. R. Williams, all from Rule, honored Mrs. Bell's father, Mr. W. F. Goad, of Rice Springs on his 85th birthday. A group of young singers and musicians from Rule serenaded him with songs and music. They were Lane Hertenberger, LaNell Williams, Wynette Williams, Jackie Wilcox and Tommie Bishop. Mrs. Bell passed

out candy and gum to all in the home.

The G. A.'s from the First Baptist Church, Haskell, presented a play at Rice Springs which we enjoyed very much. We thank Mrs. Nancy Tom and Cecelia Davis who were the directors of these girls for bringing them out to see us.

Mrs. Dessie Marion spent the day with her son and his wife, Mr. and Mrs. Jim Marion, from Colorado at the home of her daughter and husband, Mr. and Mrs. Jess Kreger. Mr. Marion gave his mother a belated Christmas gift. It was a cat clock with shining eyes and tail that swings. Everyone has enjoyed watching this unusual gift.

Theima Yancey Bowers and husband visited all the residents of the home.

Mrs. Maybelle Turnbow had a surprise telephone call from her daughter in Arizona.

Mrs. Pinkie Robertson of Rice Springs was ill Feb. 2nd and wasn't out of her room.

Rev. Dudley Bragg of First Baptist Church held morning services today and will have charge of all morning services during the month of February.

Mrs. Ida Roberts, who had two eye surgeries in Hendrick Hospital, was released and returned home to Rice Springs.

Mrs. Helen Farrar and Roy Cothron, sister and brother of Mrs. Daisy West of Rice Springs who is ill, Mrs. Edith Mansker and Gene Cothron, all from Temple, spent the weekend with Mr. and Mrs. Jerry Harrell and visited with Daisy West much of the time. Joan and Dee Neil, granddaughters of Mrs. Daisy West, were here visiting also.

Mrs. Ada Brothers and Joe Teague had their sisters visiting them. They are Mrs. Ona Mae Price from Sweetwater, Mrs. Clara Hodges from O'Brien, and Milton Reeves from Knox City.

Mr. and Mrs. Rolland Rose

from Abilene visited their mother, Mrs. Callie Shelly and Mrs. Ethel Rose and Aunt Charity Eradley.

Larry Suttle, pastor of Church of Christ, held the evening worship services.

Mrs. Ethel Edwards of Rice Springs went home with her son, Elder Elmo Edwards, of Plainview for a few days.

Mr. and Mrs. Roy Hodgins from Abilene, daughter and son-in-law of Mrs. Ida Phemister of Rice Springs, visited her. Mr. and Mrs. Norton, granddaughter and husband of Mrs. Phemister, also visited, from Abilene.

Mrs. Lillie Hagle's daughters from Throckmorton visited this afternoon.

Mrs. Katherine Bartley and daughter, Linda, visited us. They promised to bring their band and entertain us soon.

We have a new resident of Rice Springs, Mr. James W. Cross from Rule. Welcome, Mr. Cross.

The Tom-Watson singers entertained us with Gospel singing. We sure enjoyed it. We are sorry to hear of the pianist's illness, Mrs. Nellie Ash is in the hospital. We all here at Rice Springs wish her a speedy recovery.

## College News

Commerce — Charles Erwin, 1703 Ave. A, Haskell, was honored at the recent March III Recognition Banquet at East Texas State University.

Erwin, a freshman at ETSU, received a certificate of recognition for having a 3.43 grade point average for the fall semester. He was also on the fall Dean's List.

March III is a special services program for ETSU students.

## Holiday Party Enjoyed By Naomi SS Class

The Naomi Class of the First Baptist Church met in the home of Miss Maybell Taylor for their monthly business meeting and social. The Valentine theme was carried out in beautiful decorations.

Mattie Muriel Felker presided over the meeting which was opened by prayer by Maybell Taylor. Several items of business were discussed and voted on by the class. Mrs. Lois Sherman read an interesting letter from her daughter, who is a missionary in Brazil. The class sends a contribution each month to Mrs. Don Richards to be used in the work there.

Mrs. Felker then introduced Mrs. Rebekah Lester who brought an inspiring devotion on her Christian life, giving experiences in the past and present. She left each one with some good thoughts to live by each day as a Christian. In closing she read Romans 8:28, "And we know that all things work together for good to them that love God, to them who are called according to His purpose." She emphasized that everything that happened to us was not good, but it did work for good in our lives. After the devotional, members of the class had sentence prayers for the coming revival.

The class then enjoyed a social hour. Refreshments were served to the 19 members, the teacher, Betty Jo Clanton; guest, Rebekah Lester, and the hostess, Maybell Taylor.

3 beef bouillon cubes  
3 cups cooked pork or beef  
1 10 oz. pkg. frozen peas, carrots, cooked or drained  
1/4 cup snipped parsley  
Plain pastry

In saucepan cook onion in butter until tender. Blend in flour and 1 tsp. salt. Dissolve bouillon cubes in 3 cups boiling water. Stir in flour mixture all at once. Cook and stir until thick and bubbly. Add next 3 ingredients, heat thoroughly. Pour meat in a 2 qt. casserole. Prepare pastry. Roll 1/2 to 1 in. larger than casserole. Place on top. Brush with milk and bake at 450 d. for 10-15 min. Note: Use leftover gravy; omit flour, salt, boiling water and bouillon.—Mrs. Delbert LeFevre, L.O.C. HD Club.

## Around Town

by CLYDENE AND LOIS

The 'flu virus' that has hit County residents so badly has not only slowed down school activities and social gatherings, but it has markedly curbed visiting out-of-town. Between the 'flu' and the gas shortage, Haskell has been relatively quiet the past week.

Activity still goes on at the new Dairy Queen location, and the building looks almost finished... we'll be hearing of their opening soon.

Stock Shows have kept our students busy with overtime on the schoolbooks, so that they might show their calves at area shows, and they've done quite well for Haskell County this year. Congratulations to all the youngsters who placed so well at Texas shows.

Basketball season ended last week when both the boys and girls teams lost their chance at a district title. Again, the 'flu' took its toll, as some of our players weren't quite 'up to par'.

The old Court House is almost finished... and looks brand new, after the sandblasting done to the outside of the building. Now, work will begin inside the building to repair and renew.

Grass fires still plague us... and citizens are warned not to burn anything... during this dry weather.

A lot of Haskellites are enjoying the dinner theatre productions put on by Abilene colleges, and several are members of Abilene Civic Theatre, who also produce outstanding plays for enjoyment of the Big Country.

Now, even the visits to theatre productions are more of a treat, since sometimes you must drive over town to find gasoline in the pump for the journey.

Some local stations are running short on their monthly allowances of gasoline, and are selling only on certain days of the week.

In larger cities, from what we hear from our salesmen who call, things are even worse. They might make several stops at stations before they can 'fill 'er up'... but manage to make their way across their Texas territory, still.

You might enjoy Congressman Omar Burleson's column this week. The Congressman states very diplomatically what I feel (not so diplomatically) about our friend (sic) Ralph Nader's seat-Belt requirements imposed on our automobile manufacturers.

Visiting in the home of Martin and Lena Rueffer last week was their son, Dennie and family of Irving.

Mr. and Mrs. Gary Davis and Jackie of Lubbock visited over the weekend with his parents, Mr. and Mrs. Raymond Davis.

Sue Fincher, Ella Bell Burson and Leone Pearsey visited in Abilene over the weekend.

Gary Cobb, of Texas Tech and Bobbie Cobb of Western Texas College in Snyder, visited their parents, Mr. and Mrs. Virgil Cobb last weekend.

Mr. and Mrs. Virgil Cobb attended the golden anniversary of Mr. and Mrs. Jim Laneville in Midland last week.

Mr. and Mrs. J. L. Toliver, Jr., Karen and Lana Bailey visited a daughter, Mr. and Mrs. Rodney Roff in Norman, Okla., over the weekend.

Mr. and Mrs. Cecil Bowers visited their children in Denton last weekend. Mr. and Mrs. Jim Bowers and Mr. and Mrs. Bob Hardaway.

Mr. and Mrs. Don Comedy spent the weekend in Abilene visiting with Mr. and Mrs. Jim McCurdy and Michelle.

Mr. and Mrs. R. C. Couch went to Dallas over the weekend to visit with their son, Riley.

Mr. and Mrs. Jimmy Owens spent the weekend in Austin, visiting their son, Mr. and Mrs.

## Engagement Announced

Mr. and Mrs. G. D. Purcell of Hawley have announced the engagement and approaching marriage of their daughter, Cathy Garlene, to Jack Phillip Dunnam.

Miss Purcell was graduated from Hawley High School and Cisco Junior College, and attended Hardin-Simmons University. She was a Wrangler Belle at CJC. She is secretary at a truck tire center.

Dunnam, son of J. C. Dunnam of Haskell and Mrs. O. T. Sturdy of Grand Prairie, was graduated from Weinert High School and attended Cisco Junior College and Texas Tech University. He is a veteran of the U. S. Army, having served in Vietnam, and is self-employed as a farmer-rancher near Weinert. The wedding will be March 2 in Hawley United Methodist Church.

Louisa, almost 2, and her mother, Ernestine Herren, greeted guests.

Those who visited at coffee besides Louisa, Ernestine, and Billie Cadenhead were Ruth Cox, Bonnie Buntyn, Jewel Cadenhead, Agnes Rike, Nellie Kate Frazier, Jennie Friedel, Hazel Thomas, Dorothy Brown, Jo Cox, Eula Mae Herren, Mary Chapman, Mary Hoiden, and Eva Dell Hester.

The Archibald family lives in Marietta, Ga., where Bill is employed as a biochemist with Mead Packaging Co. The family moved to Georgia from Big Springs, Texas last September.

Each time the family has gone out in the car the last few weeks, little Will has said, "Let's go see Grandma and Grandpa." After several such requests, Louisa decided it was time to bring Will to see Grandma and Grandpa. She and the children flew into Abilene on February 5.

Mrs. Alice Archibald of Hobbs, N. M., came to Haskell for several days last week and visited in the Sam Herren home. There she visited with her grandchildren and daughter-in-law, Louisa and Will and Kellie.

Mr. and Mrs. Ralph Dent, former Haskell residents, now of Mineral Wells, are visitors in Haskell this week. He recently retired as District Supervisor of Farmer's Home Administration headquartered in Haskell.

Dr. and Mrs. R. E. Colbert visited in Wichita Falls over the weekend, with the Ken Parkers, Pam and Barry. Lee Ann Toliver went with the Colberts.

Affiliate No. 11 of Texas Hairdressers enjoyed a dinner meeting Monday night, at 7:00 in the City, Cafe, with eight members and guest present. Next meeting will be March 4, in the home of Frances Davis of Rule.

About thirty guests called at the Bill Comedy home after the Chamber of Commerce banquet Friday night, to visit and

have coffee with State Rep. Charles Fennell of Holliday, a delegate to the Constitutional Convention, and also a candidate for the Senatorial District covering Haskell County. Fennell and his brother, Leslie, were guests in the Comedy home Friday night.

Mr. and Mrs. Johnny Watson visited in Abilene over the weekend with their son, Mr. and Mrs. Kenny Watson and children.

Mrs. Jack Sanders of Weinert, and Mrs. Dudley Phelps and Mrs. Kenneth Campbell visited in Abilene this week with Mrs. Travis Sanders in West Texas Medical Center. She had back surgery and is in room 125, and is reported to be doing well. The three also visited Mrs. T. C. Redwine in Hendrick Hospital while in Abilene.

Visiting Mr. and Mrs. Alvis Bird Sunday were Mr. and Mrs. Robert Bird, Dicky and Ray Jr. of Stamford; Miss Elizabeth Sadler of HSU; Ricky Faust of Abilene, Ed Walling of Stephenville; and Bobby Culpeper of HSU.

Les Lane and Calvin H. Wilfong, both of Haskell, will be

participating in the calf scramble at the 1974 Houston Livestock Show and Rodeo during the Saturday night performance, March 2.  
See you next week...

### Herbicide Application Is Now Hampered By Dry Soil Conditions

LUBBOCK—Lack of soil moisture is hampering land preparations for spring herbicide treatments, says a Lubbock-based agronomist.

Land that now is being broken or chiseled is causing considerable cloddy conditions, making nearly impossible the proper incorporation of pre-plant herbicides such as treflan and planavin. In fact, according to Dr. Robert B. Metzger, area specialist with the Texas Agricultural Extension Service, farmers actually may be losing money by applying these herbicides on extremely cloddy land with high amounts of plant residue.

"If the land is reasonably free of large clods, effective control can be attained," he cautions, "but one should make sure that any plant material is worked well into the soil. Considerable crop residue such as grain sorghum stubble that is left on the surface will tie up any herbicide that hits it before it gets into the soil."

Metzger advises that the spray should contact the soil for best incorporation. In many fields, he adds, plant residue is fairly heavy, limiting the operator in working it into the soil. Under

these conditions, the applicator should probably increase rates of these herbicides by 20 percent.

"In many fields, it may become necessary for producers to use a pre-emerge herbicide at planting time," the specialist explains. "There are many herbicides such as Caparol, Karmex, Lasso, Planavin and Sandcap that may be applied in a band behind the planter. If these type herbicides are used, the label should be followed closely concerning rates to use in different soil types."

"Usually these herbicides give better weed control if some type of light incorporation is used," he continues. "These usually can be some type of drag behind the spray applicator."

"A producer must keep several precautions in mind. Usually these are listed on the label. Particularly, Caparol should not be used in very sandy soil, especially if it is planted down in the hole under very dry conditions. This may injure some cotton seedlings after a rain has leached the material around the seed. The same is true of Lasso, but both of these compounds cause no injury problem if sufficient moisture is available for germination and for seedling growth."

Karmex is another material that should receive shallow incorporation. Metzger advises. It should not be applied on loamy sand or very sandy soil. Planavin can be used as a band behind the planter and should also be lightly incorporated. This gives fairly good control for three to five weeks and has been shown to be safe on sandy land at rates of one pint per acre broadcast.

Another fairly new compound is Sandcap, primarily used on sandy land. It has shown good tolerance at recommended rates. This herbicide has given good weed control, yet it is not as toxic to cotton as Caparol.

"Of course," Metzger explains, "using these herbicides and applying them at planting time simply does not do as successful a job as would broadcasting pre-plant operations. For that reason, it will not effectively kill some of the deeper germinating weeds such as volunteer grain sorghum and devil's claw. Also, full season weed control cannot be expected with the pre-emerge herbicides. It will not last as long as treflan or planavin applied broadcast. One of the advantages, of course, is that it is somewhat cheaper, because less pre-emerge herbicide per acre is used with the band application method behind a planter, and because this one operation at planting time saves labor and fuel."

"We hope that we can get some moisture that will speed up land preparations," Metzger concludes, "and that we can start preparing our land so that we can get maximum benefit from herbicides now on the market."

### 'Holiday On Ice' To Run February 28 Through March 3, Abilene Coliseum

Boasting a galaxy of skating stars from the U. S., Canada, S. America and Europe, the 28th Edition of Holiday On Ice is bursting with variety, color, sound, glittering production numbers, hilarious comedy and a world-famous precision chorus.

Two and a half hours of sheer family entertainment will open at the Taylor County Coliseum on Feb. 28 and play for five performances through March 3.

The first act will feature petite Bonnie Jean and 1972 Olympic champions, Doug Berndt and Barbara Brown in a garden of enchantment—"It's a Beautiful World." Snoopy, the first and finest skating beagle in the land, will also romp in this fantasyland of color.

"Morning Sunshine" blends the strains of today's music with the classic grace of Canadian champion, Roberta Laurert. Otto Hoke and Frigide Wagner provide a "continental" fair in a surprisingly sophisticated number, and Carol and Chive Phipson, an a-la-gia team of the highest repute, give their interpretation of romantic melodies.

"Mix-Up at Montessori" in-

duces Professor Teawinkle, Nurmie the Nurd, and many Glamour-leers as children in a very special school. The fun carries into the audience and Michel Bagneris and Dennis Boyle give Nurmie more life than a Nurd should have!

The next showstopper is 'Sailors Ahoy' featuring Brigitte Voit, the toast of Vienna. "Fiddler On The Roof", a production number with beautiful Russian peasants and Patrick McKilligan, the newest star, will further delight the audience.

A touch of comedy is provided by the tiny Argentinian pantomimist, Little Lito. A hit with last year's show, this editor sees him portrayed as a ventriloquist's dummy.

The full finale to the first act is "Let Your Spirit Soar". With a brilliant blend of purples, pinks and magentas, three super-stars are introduced—Patrice Leary, Marc Lebel and Rulona Rolland—performing against a backdrop of beautiful girls and rhythmic sounds of the contemporary scene.

The second half of the show presents the Southland in 'Down On The Bayou'. Then, one of the most unusual acts ever to appear in Holiday on Ice—master illusionists Michel Henry and Carol Anne—provide a 'magical' touch.

Tickets to this beautiful fantasy are on sale at the Coliseum and Sears. All reserved tickets, are priced at \$5.00, \$4.00 and \$3.00.

### Finnell Upholds Safeguards For Public Employee Retirements

Austin—Rep. Charles Finnell of Holliday said this week that constitutional safeguards for public employee retirement systems—at both local and state levels—must be maintained in any new state constitution.

"It's just good business practice," Finnell said of keeping constitutional protections on retirement systems covering school teachers, state, city and county employees.

Finnell said that as a delegate to the Constitutional Convention now meeting at the capitol he will work not only for keeping constitutional status for retirement systems but to see that necessary controls are provided to insure that all systems are actuarially sound.

"In light of the usually modest pay scales of these employees, the promise of a decent retirement plan is frequently the main factor in keeping good employees," Finnell said.

"Every business knows the value of experienced personnel as opposed to the cost of employee turnover," he said.

Finnell said that "from the employees' viewpoint, they have been paying into these systems for years and they deserve the protection of a constitutional guarantee."

Finnell said he has worked with educational groups, public employees and the Texas Municipal League throughout his eight years in the Legislature to strengthen retirement systems.

Finnell also announced this week that he will visit with Burk Burnett, Big Spring, Snyder and visit the Northwest Texas Field and Stream Association in Wichita Falls in his campaign for State Senator.

### A house full of ways to save on your gas bill....

There are many ways you could be adding to your gas bill, and not be aware of it. Take a few minutes and Check:

- Insulation weather stripping and caulking around doors and windows.
- Fireplace damper for tight fit.
- For holes and leaks around window air conditioners and roof top ventilators.
- For clean filters regularly.
- Gas appliances periodically for proper adjustments.

Do:

- Close drapes on sunny days and open them on dark ones, when using gas air conditioning. Reverse this process when using gas furnace.
- Leave thermostat at comfortable setting.
- Drain approximately one gallon of water

per month from water heater to prevent mineral deposits from building up.

- Repair leaky hot water faucets.
- Use lids for pots and pans to reduce need for higher flame.

Don't:

- Run partial loads in dryers, washing machines or dishwashers.
- Block air conditioning vents, or in the case of heating, the hot air vents.
- Cool or heat unused rooms.
- Use higher flame on range than required.
- Pre-heat the oven any longer than necessary.

These tips will not only help you to reduce your gas bill, but help you to conserve our country's energy too.

**FHA Ready For Loan Applications**

Preapplications for business and industrial loans in Haskell County may be filed with the Farmers Home Administration office in Haskell.

This announcement was made by FHA County Supervisor Dale R. Burris, who said provisions of the Rural Development Act of 1972 are now operative in the county area.

Burris explained that a letter of preapplication is the first step in seeking assistance under

the new federal program of financing local business development. The letter should briefly explain the type of industry or business, the proposed market for goods or services, and provide an estimate of the type and number of employment opportunities to be generated. Additional information may be secured by contacting the FHA county office, 316 N. First, phone 864-2353.

"If the prospective business meets eligibility requirements," Burris said, "the applicant will be requested to submit a formal application."

**Film On Theft Is Lion Program**

"The Invitation", a film produced by an insurance company, was the program given by Wallace Cox Jr., to members and guests of Haskell Lions Club at noon Tuesday in Haskell Steak House.

The film depicted many ways in which the homeowner, car owner, and businessman "invite" a burglar. By leaving keys in the car, leaving the home unlocked, the business inadequately lighted, and letting newspapers stack up in the yard; these and many other small items let a burglar know that he might have good luck at that location.

Many tips were brought out to discourage the thief from trying their luck at homes and businesses, during the program. President Gene Long presided over the business meeting in which O. W. Tooley gave a report of Tuesday morning's board of directors' meeting. The board has selected two tentative dates to consider for their annual Mop and Broom sale—April 9 or April 16, subject to approval from the blind workshop, where the items are secured. Lion Dudley Bragg and Lion O. W. Tooley were appointed co-chairmen for the drive. The board also voted to purchase two plaques to award the Outstanding Conservation Farmers for 1973.

John McDermott led the singing, accompanied by Becky Ghoson at the piano, and Bud Pogue led the prayer.

Dear Fellow Members:

On behalf of the Haskell Industrial Foundation, the citizens of Haskell and Herman Marcus, Inc., I want to take this method of expressing the appreciation of all concerned to the American Legion for their contribution of their facility for the Haskell Industrial Foundation training program for the new Herman Marcus plant. This was a vital part of the program and without this training facility it would not have been possible to have obtained this new industry for our county. We realize that it was made available at considerable sacrifice and inconvenience to

the Legion Post and its members, but we want you to know that it is certainly appreciated and as stated, was vital to obtaining this industry for our community.

Sincerely,

ERTS-1 images, most precise, do not conform to essential distortions of map projections, and therefore, had to be corrected to conform to the curvature of the earth.

SCS, with long experience in making mosaics from aerial photographs, had to develop a new system, deviating completely from conventional concepts of making mosaics.

Ralph M. Hooper, the SCS Cartographer, developed the ERTS mosaic system now in successful use.

ERTS-1 images are made in 110-mile-wide strips. Every 18 days, the satellite orbits, and scans the same strip, thus making several images alike. With these multiple images of the same area, SCS is able to eliminate parts obscured by cloud cover and atmospheric haze. To prevent loss of precision in transferring images onto flat surfaces, cartographers adjusted the scenes to fit a standard map projection.

The results give SCS aerial photographs of greater accuracy. Ninety (90) percent of the features shown are within a few hundredths of an inch from their true position—and this on a mosaic that is 10 feet by 20 feet.

The scanning devices in ERTS-1 are sensitive to different bands of the color spectrum—green, red, near infrared, and infrared. SCS is making two mosaics—one in each band from scenes scanned during the summer and one in each from wintery scenes.

The red band is sensitive to green plants, infrared to heat reflection. Water and land surfaces give very distinct contrasts. Mosaics show mountains, lakes, reservoirs, rivers, major streams and geologic formations such as faults and escarpments. Vegetation and the lack of it—forests, deserts, cropland—show up more clearly on red band mosaics. Water areas and drainage patterns are clearer on the infrared mosaics.

Some of the mosaics are now available but it is doubtful to secure such maps for some time to come. For more information about mosaics, write the Cartographic Division, Soil Conservation Service, Federal Building No. 1, Hyattsville, Maryland 20782.

**Jaycees Meet  
Tuesday Night**

The Haskell Jaycees met on Tuesday night with the newly-appointed State Vice President of Region III, Mike Faulkner, of Abilene.

Faulkner, along with six other Abilene Jaycees, met with the Haskell club to discuss problems facing the Haskell Jaycees and other Jaycee Clubs throughout the area, state and nation.

The Jaycees are an organization of young men between the ages of 21 and 35 years, offers to each and every young man of Haskell the opportunity to become involved in the community, to help the community in many various capacities, and in the process, to develop leadership traits for individual development.

The Haskell Jaycees meet at 8 p. m. each Tuesday night in the City Cafe in Haskell. All young men of the area are sincerely urged and invited to attend; to join; and to become involved.

**Singer Named  
Chairman Of  
Easter Seals**

John Gary, internationally known singer and entertainer, has been named State Chairman of the 1974 Easter Seal Campaign in Texas. Thomas N. Jenness Jr., of Fort Worth, President of the Easter Seal Society for Crippled Children and Adults of Texas, announced that Gary, pictured with John Finley of Tioga, will lead volunteers in every county in Texas during the traditional annual appeal for funds to provide direct services to physically disabled Texas children and adults.

As State Easter Seal Chairman, Gary joins with 234 local Easter Seal Chairmen and Representatives throughout Texas who participate in the annual funds appeal. Last year, 20570 crippled children and adults in Texas received rehabilitation and other services rendered by the Texas Easter Seal Society through a statewide network of affiliated Easter Seal Societies and Chapters which includes 18 treatment or rehabilitation centers.

Gary joins a national roster of prominent figures in the 1974 Easter Seal Campaign. Peter Falk, television's "Columbo", has been named National Chairman for 1974. Nationally, the Easter Seal Society extends services and rehabilitation to nearly 300,000 disabled persons

Abilene — Highway work in Haskell County is included in a three-year, 250 million statewide program approved recently by the Texas Highway Commission.

In this area, the program provides for:

U. S. 277—Completion of two additional lanes from 2.8 miles south of Weinert to the Knox

County line. Base and surfacing will be added to the two lanes presently under construction.

U. S. 277—Grading and structures for two additional lanes from 2.8 miles south of Weinert south for 4.1 miles. Base and surface not included under this contract.

Statewide the 1975-77 Consolidated Highway Program provides for construction or reconstruction of a total of 2,031 miles of rural and urban highway facilities.

Estimated cost of construction is 235 million.

The program also includes

\$15 million for the state's share of right of way costs for U.S. and State-numbered highways across the state. Included were needed projects in both urban and rural areas.

Projects were recommended for inclusion in the statewide program by the 25 Highway Department district offices and by the Houston Urban Project Office in Houston for the areas they serve, in cooperation with local governmental agencies.

The projects are included as a result of local governmental requests to the district engineer, as a result of appearances by delegations of citizens before

the Highway Commission and by the local district engineer's knowledge of the needs of the highway network in his area.

Also considered are the condition of existing facilities, existing and projected traffic, safety and planned area development.

Recommendations are reviewed by the Highway Department administration in Austin and approved by the Highway Commission to insure the continuity of highway designs and to insure the logical and orderly development of statewide highway systems.

Mrs. Raymond Brewer, Ollie Leonard, Ivy Callaway and Julie Callaway surprised Mrs. Nannie Cobb of the home, and Mrs. Annie Fry of Abilene with a surprise birthday party Feb. 2. Mrs. Cobb and Mrs. Fry are twins. One special guest was Mrs. Ivy Massie of the home. All three women grew from childhood together. Also enjoying the party was James Robert Massie of Dallas, Mrs. Ruby Moon and Mrs. Alwilda Reese.

Mrs. Reese had a birthday also on Feb. 2.

Pauline and Cleo Bush, Lillie and Oscar Corzine, Gracie Mae Bristow, Ruth Wampler and Earline Smith visited Mrs. Trudie Bush Feb. 1.

Velma Hill and Margie Sellers of Sagerton visited friends in the home last week.

Jim and Recie Bigham and children, Douglas and Millisa of Plainview, visited friends and relatives here last weekend.

Mr. and Mrs. Pat Sellers of Sagerton, Mr. and Mrs. Lee Pittman of Roanoke, Mr. and Mrs. Steve Alexander and Pam of Texarkana, visited their great grandmother, Mrs. Etta Crosson Feb. 3.

Also visiting their grandmother were Mrs. Jack Gore

and Missi. Missi is the fifth generation of Mrs. Crosson's family.

All ladies of the First Baptist and South Side Mission churches had their Bible Study hour Tuesday at 9:30. They were: Mrs. Iloa Henshaw, Mrs. Kenneth Sherman, Mrs. C. V. Schwartz, Mrs. Edna Fouts, Edith Reynolds, Tom Holland, Betty Joe Clanton, Fay Thompson, E. E. Welsh, John Stockton, Rose Phillips, Nell Rogers and Ora Childress. We really enjoyed them.

Edith Sanders and Annie Wells of Stamford visited in the home February 1.

Mr. Hull and his music makers of Stamford entertained the guests and friends at the home Saturday night with a lot of good music.

We thank Mrs. Joe Zelesco for the sack of old clothes she gave the home.

Mr. Von Cox visited his mother, Della Cox, over the weekend.

Mr. and Mrs. A. L. Hard of Seymour, Pearl Gage of Knox City, and Norman Lusk of Abilene visited their sister, Mae Flowers of Leisure Lodge Saturday.

Mrs. Christine Ulrick celebrated her 94th birthday with her daughter, Mrs. C. G. Moore

Feb. 3. Her son and other daughter called her. Mrs. Thelma Hiebers had as her company last week Donald Hiebers of Archer City, Mrs. Tom Holland, Mrs. Hila Swinson, Mr. and Mrs. Ronald McGhee and Pam of Henrietta, Mrs. Carrie McKinney and Wayne of Knox City, and Mrs.

Don Zeigler of Pampa. Rev. Bragg of the First Baptist Church preached for us at the home Sunday, and will bring the messages for us for the month of February. We received word from the hospital that Mrs. W. C. Grisom is improving and will soon be back with us.

# SAGERTON NEWS

Miss Reasonover, State Food and Nutrition Expert from Texas A&M College, and Mrs. Barbara Elliott, Haskell County Extension Agent, were special guests at a luncheon of the L.O.C. Home Demonstration ladies in the home of Mrs. Eugene Teichelman Thursday, Feb. 7. The luncheon foods completely were made from leftovers. Each member told what she had used of leftovers in her freezer and refrigerator and what she had added to it, to make dishes with taste and eye appeal.

Mrs. J. A. Hertel, president, announced that the club will sponsor a National Safety Course in Defensive Driving, at the Sagerton Community Center on March 11, 19 and 21, beginning at 7:00 p. m. each night and each session will be three hours, including a refreshment break. The course, which will be given by Harold Couch, Safety Officer from Graham, will cost each student \$3.00. However, it will be well worth the time and money, because each student on completion of the course will be allowed a 10% discount on his car or pick-up insurance for three years. If husband and wife take the course, and have two vehicles, they would be allowed the discount on two vehicles. There is no test involved. Refreshments will be furnished by the L.O.C. Home Demonstration Club. For further information you can contact any of their members.

Mrs. Lewis Corzine was elected as the club's delegate to the District meet in Anson April 11. The meeting was dismissed and Mrs. Hertel lead the group in a game.

The Sagerton Community is invited to a fish fry sponsored by a chemical company at the Community Center on Thursday night, Feb. 21, at 7:30 p. m. The fish will be furnished and community men will cook them, and the ladies are asked to bring either a dessert or potato or tossed salad. All food should be there by 7:00. Drinks, paper goods and beans will be furnished. Circle the date and come out and enjoy the fellowship.

A very large crowd enjoyed the Saturday Night Musical last Saturday. The auditorium was nearly filled and ten bands were there to play. We thank all the spectators and the bands. With the energy shortage, we need to take part in community entertainment that is good, and close to home.

Mr. and Mrs. Alvin Ulmer visited with Mr. and Mrs. Win-

ston Ulmer and family in San Antonio last weekend.

Mr. and Mrs. J. B. Toney and children took advantage of the Stamford Schools being closed for the flu, and made a trip to West Columbia to visit relatives.

Mr. and Mrs. J. A. Hertel, and Mr. and Mrs. Bill Hertel and family of Stamford and Mr. and Mrs. Kenneth Hertel of Hamlin, all went to Lamesa Sunday for a birthday celebration and reunion in the home of Mr. and Mrs. Lloyd Cleveland.

There have been quite a few of our local residents ill with a flu virus and colds, but we hope the worst is past.

Also on the sick list and a patient at Haskell Hospital was M. Y. Benton. While he was in the hospital, he enjoyed having visit from his son, Yater Jr., of Ft. Worth, and his daughter, Mrs. Eldon Cook of Big Spring, as well as Mrs. Charles Clark, his other daughter and friends around here.

Mr. and Mrs. Tullie Herring of Amarillo visited with Mrs. Alice Lewis and Mrs. Emma Lammert in Stamford last week.

The Fairview Cemetery Committee, composed of Mr. and Mrs. E. H. Boedeker, Mrs. Alice Lewis, Mr. and Mrs. Delbert LeFevre, Mrs. Otto Lehmann, Mrs. Will Stegemoeller, C. E. Stegemoeller and Mr. and Mrs. Reece Clark, met in the home of Mr. and Mrs. Clark last week. Plans were discussed for raising money to buy a riding mower to use out there to keep the grass and weeds down.

Anyone who would like to donate to this may hand their donation to anyone on the committee. Further plans are being made to make a map of the cemetery and locate as many graves on this map as possible.

Several ladies of the community are quilting out at the home of Mrs. Will Stegemoeller. The money they get from this quilting will go toward repair of the Community Center. This is a project of the Leisure and Hobby Club, but anyone is welcome to help. They quilt every afternoon.

# Rule FFA Works On Greenhouse Project At School

Rotary Club held their regular weekly meeting at City Cafe at noon, Thursday, Feb. 7, with president Charles Thornhill, presiding.

Carl Anderson, program chairman, introduced Tom Kutch, FFA Instructor of Rule High School, who made a most interesting and educational talk on the new greenhouse of the Rule Agricultural Department.

Mr. Kutch explained that this was a new program for Texas schools and that only 21 were in operation at this time in the state. Its purpose is for instruction in ornamental horticulture with emphasis being placed on the growing of vegetables, fruit and nut trees, and flowers.

He stated that excellent results were obtained during the first year of operation but that some mistakes had been made. The boys and girls participating in the program are very enthused and interested in the greenhouse, he advised those present. "We are not in competition with local merchants in any way and the produce we sell locally helps to defray expenditures of operation as the money goes to the FFA," Mr. Kutch said. He also answered several questions at the completion of his talk and extended a cordial invitation for everyone present to visit the greenhouse to see what is being done.

The invocation was given by Rotarian Dudley Bragg and the singing led by R. C. Couch with Rene Abbott providing accompaniment on the piano. Abe Turner led the pledge of allegiance to the flag.

Bill Comedy introduced the guests present. They were: James Smith of Abilene, guest of J. B. Gipson; Weldon Norman, member of the Rule Rotary Club, guest of Andy Anderson; and student guests, David Hill and Keith Hannsz.

President Thornhill reported on a board meeting held that morning and also announced the nominating committee for the selection of new officers and directors for the ensuing year. Named to make the selections were Bob Beauchamp, Stanley Furrh and E. J. Stewart.

Program chairman for today, February 14, will be Roy Wiseman.

Goriee second half points of Rule, quarter Goriee points of Rule ahead with Goriee came within 3 points but made but the score. Teams had points of flu during the game. The Hawks of District next Tuesday.

### CHAMBER OF COMMERCE

The Rule Chamber of Commerce met Jan. 24 for their regular monthly meeting and to set the date for the annual Rule Chamber of Commerce Banquet which will be held on Tuesday, April 9. Committees were appointed and asked to report back at the next meeting. Entertainment will be provided by a barber shop quartet from Abilene.

R. W. Callen was welcomed as a new member of the chamber. In business matters the secretary reported that the chamber had purchased a hog at the annual Haskell County Livestock Show, put on by FFA, for \$107.24. Discussion was held on the work for the new street markers. Acknowledgement was made of the Rule Rotary Club donation of \$100 which will go for this project for the City of Rule.

W. H. Dodd and R. W. Callen were appointed to organize and present a first aid training course for the Rule fire department and other interested persons.

**RULE ROTARY**  
 The Rotary Club was entertained by Lane Herttenberger at their noon meeting on Monday, Feb. 4. Lane entertained by playing the guitar and singing.

Pete Frierson, vice president and program chairman for the month of February, presided in the absence of the president. Novis Ousley led the prayer and John Greeson led the singing in the absence of Harold Woods who was ill.

Due to so much illness and other conflicts, ladies night scheduled for Feb. 11, has been postponed indefinitely. A later date will be set.

Guests present from Haskell were Carl Anderson, Chief Escobedo, C. A. Thomas and Markey.

**CITY COUNCIL**  
 The Rule City Council met on Tuesday night, Feb. 5 and attended to routine business. The only new business was the hiring of Joe Minifee as water superintendent, filling the vacancy left by the death of Roy Tribbey.

Joe is a graduate of Rule High School and has previously been employed by the compress, Minifee Enco and the Buick house at Haskell. He is married to the former Valerie Lee.

**GARDEN CLUB**  
 The Rule Garden Club met Feb. 6 at the Philadelphia Club House which was beautifully decorated in the Valentine theme.

President Mrs. Ollis Macon presided. In the business she mentioned the spring convention of Garden Clubs of District VIII which will be held in March in Coleman and asked members to take note of the date.

Theme for the day was Travels in England and Russia. Mrs. O. G. Lewis presented a very

interesting commentary on England and the surrounding areas of England with slides.

Guests were served coffee and cookies from the serving table laid with a red cloth with white lace overlay and a centerpiece of a large red candle surrounded with ivy. Hostesses for the day was Mrs. Herbert Hunt and Mrs. Arthur Williams.

### TOURNAMENT

Rule 5th and 6th grade girls and boys will play in an invitational basketball tournament at O'Brien on Tuesday, Feb. 19. Girls will play at 7:30 a. m. and the boys at 8:45 p. m. with the winning team playing again on Thursday.

### SR. CLASS TOURNAMENT

The Senior Class of Rule High School is sponsoring a 5th and 6th grade basketball tournament in the Rule gym, Feb. 26-28, starting each evening at 5. Admission will be 75c adults and 50c for students.

Aspermont and Knox City girls and boys will play first and then Rule and Rochester will play. Be sure to show up for these action packed games.

### JR. CLASS PLAY

The junior class of Rule High School will present their junior class play on Friday, Feb. 22, at 7:30 p. m. in the school auditorium. Pie and coffee will be sold in the cafeteria following the play.

The play is entitled "Brother Goose" and is the story of a single man who tries to raise his orphaned brothers and sisters and his trials and tribulations he faces daily.

Playing the single man will be Steve Anders, with Carol Dunsing, Jack Wilson and Fran Wilson as his family. Others participating in the play will be Wanda James, Jan Allison, Sandy Oliver, Susan Lewis, Amelia Moore, Terri Flores, Jeff Denson, Charles Townsend, Terry Anderson and Vicki Greeson.

Master and Mistress of Ceremonies will be Anita Weaver and Bobby Don Smith. Sponsors of the junior class are Dennis Briles and Mrs. Alvis.

### Home Landscaping Course Offered

A Home Landscape Short-course will be held in Haskell on Feb. 19 and 20, according to County Extension Agents Max Stapleton and Mrs. Barbara Elliott.

The meeting will begin at 7:30 p. m. each evening in the District Court room of the Haskell County Courthouse. The meeting is open to the public without regard to race, color, national origin, sex or religion. There will be bulletins and information available at the meeting on landscape planning and care.

On Tuesday, Feb. 19, Mr. Everett Janne, Landscape Specialist from Texas A&M, will be on the program discussing Yard Care and Maintenance and landscape planning.

On Wednesday, Feb. 20, Mr. Emory Borig, Area Entomologist from Vernon will be discussing insects and insect control followed by Mr. Bob Berry, Area Plant Pathologist, who will discuss disease control.
