NTY-EIGHT HASKELL, TEXAS 79521, THURSDAY, JANUARY 17, 1974 NUMBER THREE

OCK of Western Texas College in Snyder, left, chats with Mr. and Mrs. Royce Williams after a program sponsored by Haskell Chamber of Commerce, when Dr. Brock and other s told the story of the college and its extension services to Haskell. Williams is president mber of Commerce.

County Stock Show 'Ready To Roll'

Things are ready to roll at Haskell County Fair Grounds, when the 1974 edition of the Haskell County Livestock Show will get underway today (Thursday). All entries must be in the show barns by 8:00 p. m. tonight, so that judging in some categories can begin at 9:00 a. m. Friday.

The Haskell County 4-H Council, and they always have plenty of hot coffee and cold drinks, plus a lot of good, homecooked food for those of you who want to spend the day and enjoy all the activities.

owner of Haskell Livestock Auction, will be auctioneer for the sale. Local buyers may bid on the animals, and the highest bidder will pay the full price and keep the animal, or pay only the difference between the floor price

and his bid, and let the animal go to the floor. The difference goes to the youngster who shows the animal.

General Livestock Superintendent Ted Elliott and all his helpers will be at the barns for the most of this afternoon, helping FFA and 4-H club members to get their animals in stalls and pens, ready for the judging which begins at 10 a. m. Friday, with the poultry and rabbits. Immediately thereafter, the swine and lamb division will be judged.

HELP NEEDED

Last week, the home of Mr. and Mrs. Benevedis, on the Cliff Kimbrough farm, burned, destroying all their belongings. Mr. Benevedis is in the hospital at this time, recuperating from burns received in the accident.

Rep. Finnell Is Delegate To State Constitutional Convention, Austin

Austin—Rep. Charles F. Finnell, completing his first week as a delegate to the Constitutional Convention, pledged this week to support revisions "strengthening the state's hand where it needs to be stronger" and to oppose "changes based on nothing more than current whims of political winds."

ations," Finnell said. "The political appeals of passing fads have no place in our deliberations. Fundamentals, not fads, must be our concern."

Finnell said he is particularly interested in revisions which will give local and state government more authority to deal more immediately with changing whims of the federal government.

"Our work must be judged by how well it serves future generations," Finnell said.

Pat Everett Named To All-Region Band

Pat Everett and Melissa Roberson, both band students of Wendell Giddens at Haskell High School, auditioned in try-outs Friday, Jan. 4, at Vernon for All-Region Band.

"In this light, I agree with Gov. Dolph Briscoe's warning to the convention that "those who will not lead are necessarily required to follow," Finnell said of federal encroachment in state and local matters.

Pat Everett was named to the All-Region Band, and played in the Concert Saturday in Wilbar Auditorium. Students from 35 bands of this area participated in the try-outs, and a 120-piece band was selected for All-Region. Dan Gibbs of Monahans directed the concert band.

Finnell is also a candidate for the 30th District senatorial seat being vacated by Sen. Jack Hightower and said that although the convention's work schedule will tie him down in Austin he plans to travel weekends in the 29 counties of the senatorial district.

DOMINO TOURNAMENT

Jack Medford, Haskell Country Club Pro, has announced that there will be a domino tournament Saturday night, beginning at 7:30 at the Country Club.

DEFENSIVE DRIVING

The Rotary Club sponsored Defensive Driving Course will begin Monday night, Jan. 21, at 7 p. m. in the Community Room. Next class is Jan. 24, and final class is Jan. 28.

County Bank Deposits Increase Almost 5 Million

Haskell County's institutions in 1973 total \$21,506,101.32, as compared with a total of \$16,665,100.78 for 1972.

banks — Haskell National and Farmers National of Rule— were almost 23 million, as compared with almost 18 million last year.

Other than a sign of a healthy business condition of our county, the big increase may have been caused to a certain extent by the early cotton harvest this fall. A big portion of the 1972 crop was gathered in January, February and March of '73, due to heavy rains and freezing through the normal '72 harvest season. The 1973 harvest is finished, and most cotton gins have already shut down for the season.

Officers at Haskell National Bank include Abe Turner, president; Royce Williams, senior vice president; David Conner, assistant vice president and cashier; Pauline Couch, assistant cashier, and Carolyn Everett, assistant cashier. R. C. Couch Jr. is vice president in charge of Farm and Ranch Management.

Total deposits at FNB in Rule for 1973 were \$4,326,496.65, as compared to a total of \$2,915,138.42 for 1972. Bank assets for 1973 were listed as \$4,615,149.40, as compared to 1972 assets of \$3,176,659.79.

Officers of Farmers National Bank include: Morris Neal, president; Henry Townsend, executive vice president and cashier; R. O. Carothers, vice president; Mrs. Pearl Rinehart, assistant cashier, and Mrs. Polly Cox, assistant cashier.

It is an open tournament, and anyone wishing to attend and compete is welcome.

Gasoline Is Rationed, The Rationing Program Is Planned

for a proposed rationing program published for county 10, 1974, in the aster, according to Fowler, Dallas, regional director for Energy Office

ment by March 1, 1974. Individuals may obtain copies of the January 10, 1974 Federal Register by writing to the Supt. of Documents, Government Printing Office, Washington, D. C., 20402. Cost is 75c.

FEQO overall action plan calls for allocating 900,000 barrels per day less gasoline the first quarter of 1974, as well as drawing down gasoline inventories by 346,000 barrels per day to meet an estimated shortfall of 1.2 million barrels per day.

HASKELL NATIONAL Total deposits of HNB for 1973 were \$17,269,604.67, as compared with a total of \$13,748,962.36 for 1972. Assets for '73 were a

WTC Has Something For Everyone

chemical technological classes; and classes in petroleum technology. Licensed vocational nursing is a one-year course at Snyder, and the learning center offers seven religious courses.

The ten-million dollar construction completed at the college when it opened its doors a short time ago includes one of the most beautifully planned, and tastefully landscaped campuses in the state. Built in a mall-type plan, easy access to all buildings is possible from the dorms which house 196 students each. Campus is adjacent to a ten-acre man-made lake that will soon be the site of a nine-hole golf course.

Also to be seen at the college is a beautiful Fine Arts Theatre, a unique Student Center, a Planetarium, and a very good music department. Students may take courses in Law Enforcement, Art, Drama, and many more one-and-two-year programs.

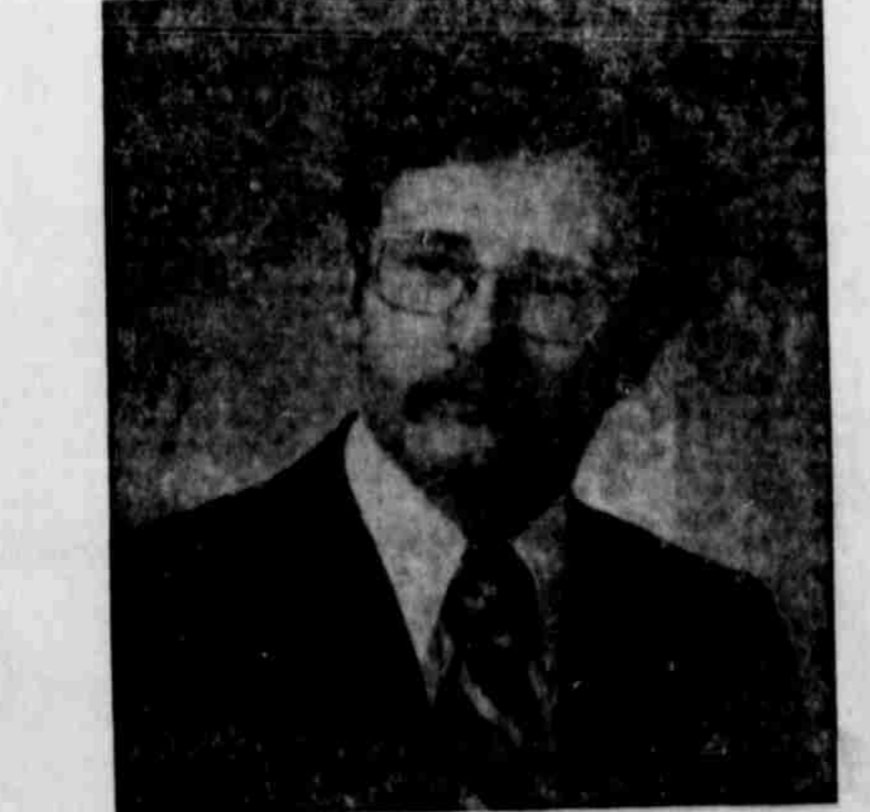

An indoor swimming pool is also the pride of the college, as well as their good basketball team, and an outstanding rodeo team. The newest building, now under construction, is a historical teaching center and (Continued on Page 3, Sec. 1)

STEVE MUNDAY

Munday Named Information Director Of Texas Cattle Feeders Association

AMARILLO, Tex. — A Haskell County native has been named information director of the Texas Cattle Feeders Association in a list of four appointments released this week.

Steve Munday, 24, as TCFA director, will work with the news media and the public in providing information about the association and the feedlot industry, says Charles E. Ball, TCFA executive vice president.

Munday named Information Director Of Texas Cattle Feeders Association

al scholastic society; Scabbard and Blade Society, a national military fraternity; and Sigma Nu, national social fraternity. Munday was, formerly field editor of The Cattleman Magazine, official publication of the Texas and Southwestern Cattle Raisers Association with headquarters in Fort Worth. Prior to that job, he worked as farm and ranch editor of the Abilene Reporter-News.

Munday is the grandson of Mrs. T. F. Rainey of Haskell. Also named to TCFA posts were Dr. Richard McDonald of San Benito, executive assistant; Gary Culo of Hampe, membership representative; and Joe Wood of Slaton, marketing reporter.

The TCFA, in Amarillo since its formation in 1967, represents the Texas cattle feeding industry which fed 4.4 million head of cattle in 1973. Texas is the number one feeding state in the nation.

W. S. Healy Announces For Re-Election

W. S. (Bill) Healy of Paducah, Texas announced Tuesday as a candidate for re-election as Representative for the 101st Legislative District subject to action of the Democratic Primary. Mr. Healy and his family have lived in Paducah for more than 25 years. He was first elected to this office in 1954 and has served continuously since that time. The District at that time was composed of only four counties, Cottle, Foard, Hardeman and Wilbarger, and has now been extended to include 15 counties. They are: Baylor, Cottle, Crosby, Dickens, Foard, Garza, Hardeman, Haskell, Kent, King, Knox, Shackelford, (Continued on Page 3, Sec. 1)

To be offered for the spring semester here at the Haskell extension center will be classes in Anthropology, English, History, Psychology, Spanish, Business and Law Enforcement. Registration is set for Thursday night, Jan. 17, from 6 to 7:30 in the high school library, with fees to be paid at the time of registration. Classes will begin Jan. 21.

In discussing the Haskell Extension Center, Dr. Brock explained that no other extension of the college is planned at this time. College officials want this one to grow and are concentrating all their efforts to this goal. They plan to offer a wider variety of summer classes here, if this is what the people want, and ask that anyone interested in summer classes to remember this. Although many college courses are to be offered to benefit area students, these are not the only courses available to Haskell.

For instance, they can offer adult classes in interior decorating, in people grooming, and in many things adults wish to become adept at, but have no way of learning. If you or your friends are interested in taking classes in things of this sort, you can get together, and get enough people interested to make it practical for that class to be offered, and the college will try to bring it to Haskell this summer.

Surveys of classes Haskell area wants will again be offered in the pages of the Free Press later on, so be looking for them, and remember, replies to the surveys are the only way college officials have of knowing what the people here want.

They are ready to help in any way possible, if we let them know what we want.

Herman Marcus Program Heard By Rotary Club

The regular weekly meeting of the Haskell Rotary Club was held at noon, Thursday, Jan. 10, with president Charles Thornhill, presiding.

Program chairman, C. A. Thomas Jr., introduced Amelia Perry, manager of the new Herman Marcus Garment Plant in Haskell. Mrs. Perry told some interesting facts concerning the new Haskell industry and showed models of dresses being made here at the present time.

She stated that 20 seamstresses were presently employed plus six in personnel and that the quota allocated for the 20 employees was 750 garments per week.

The Haskell plant is engaged in manufacturing the number one line of Herman Marcus and the dresses average approximately \$39 each. Including material for next week's quota the inventory of material in the plant at the present time runs in the neighborhood of \$75,000, she explained. She stated that she was extremely happy with her job as manager and that by the latter part of June this year, some 50 women would be employed in the plant.

She stressed that women from Haskell and several neighboring towns were employed and that there were absolutely no race barriers involved. Only women who qualify are being employed as seamstresses, she added. The plants in Henderson and Haskell are the only ones manufacturing the number one line. She attributed that to the intelligence quota of the employees and stated that the Haskell installation was the only one of the plants which he-

gan operation within six weeks after the training courses started. She also was high in her praise of the Haskell people who worked to make the plant possible. She had for display an interesting record in the form of a year book, pictures and new stories compiled by Clydene Comedy.

Invocation was given by Ferrell Coston and the singing led by Bob Herren with club pianist Rene Abbott providing accompaniment.

Kyle Markey, son of Rotarian Frank Markey, was introduced by Bill Comedy as the only guest present for the meeting.

Club members voted to again assist the Haskell County Junior Livestock Show and Sale, scheduled for this weekend at the fairgrounds, by contributing \$25.00.

President Thornhill reminded members that the second Defensive Driving Course to be sponsored by the Rotary Club, would begin very soon.

Rule Wedding Unites Couple

Miss Penny Francis Davis became the bride of George Joseph Allen, of Amarillo, in a 6 p.m. ceremony Saturday, January 12, at the First Baptist Church of Rule. Rev. Aubrey leadstream of Haskell officiated.

The bride is the daughter of Mr. and Mrs. Don W. Davis. Parents of the bridegroom are Mr. and Mrs. John J. Allen of Towson, N. M.

Organist was Gary Shackleford of Amarillo. Soloist was Mrs. Gary Shackleford, Mr. and

Mrs. Shackleford sang a selection from John Denver accompanied on 12 string guitar by Bob Bishop.

Given in marriage by her father, the bride wore a white dress of satin. The portrait neckline was outlined in a band of seed pearls that was repeated on the long tapered sleeves. Her fitted bodice was enchanted with etching of pearls and the skirt had a train that fell chapel length. A Quaker cap of satin held her long veil of imported illusion. She carried a bouquet of red roses.

Maid of honor was Miss Kathy Allen of Dillon, Colo., sister of the groom, and bridesmaids were Mrs. Bill Watkins of San Angelo, cousin of the bride, Miss Beth Simpson of Dallas and Miss Nancy Baldwin of Amarillo.

Her attendants wore burgandy velvet long skirts with matching blazers with pink blouses softened at the neckline by a ruffled jabot. They carried pink giamelias outlined with lemon leaves.

Best man was Bill Long of Amarillo, and groomsmen were James E. Weathers of Dallas, brother-in-law of the groom, Jerry Allen of Roswell, N. M., brother of the groom, and Brent Davis of Lubbock, brother of the bride. Usher was Mark Davis of San Marcos, brother of the bride.

Following the wedding the reception was hosted by Mr. and Mrs. C. O. Davis, grandparents of the bride, in their home in Rule. The bride's table was laid with a white linen and lace

cloth. Punch was served from a silver punch bowl by Mrs. John Sublett, cousin of the bride. The three-tiered white cake topped with red and pink roses was served by Mrs. Jimmy New, also cousin of the bride.

The groom's table was laid with a white linen cloth and the groom's cake was served by Miss Rebecca Eastland of Stamford, who also poured coffee from a silver coffee service.

Assisting at the reception were Mrs. Bill Jones of Lubbock and Mrs. Glen Davis of Snyder, all so cousins of the bride. Miss Kathy Casey registered guests at the wedding and assisted at the reception.

The bride is a graduate of Rule High School and a special education major graduate from West Texas State University in Canyon. She is employed as the E. M. R. teacher of the Special Education Department at Canyon Junior High in Canyon.

The bridegroom is a graduate of Roswell High School and is a business major at West Texas State University at Canyon. The couple will live in Amarillo at 3433 Amberst, No. 202 Puckett Place Apts.

The rehearsal luncheon was hosted by Mr. and Mrs. L. W. Jones Jr., aunt and uncle of the bride, in their home in Rule.

Study Club Plans Landscaping At County Hospital

Progressive Study Club met January 19 in the Community Room of Haskell National Bank. Mrs. T. P. Barnett, president, conducted the business meeting.

Officers nominated and elected for the 1974-75 club year were president Mrs. T. B. Barnett, first vice president Mrs. Buck Everett, second vice president Mrs. Abe Turner, recording secretary Mrs. E. L. Wyche, corresponding secretary Mrs. A. C. Richardson, historian Mrs. Bobby Whisenant, and board member Mrs. Ken Lane.

It was announced that the Bake Sale and Bazaar will be held April 6 with each member to participate.

The nominating committee for 1975 was elected as follows: Mrs. Robert Free, chairman; Mrs. R. C. Couch Jr., Mrs. Charles M. Canley, Mrs. Marvin Letz and Mrs. Charles Chapman.

The program, presented by Mrs. W. V. Felker and Mrs. R. C. Couch Jr., included 'Love Is Building a Beautiful Town', by Mrs. Felker, and plans for landscaping the Haskell County Hospital planter, by Mrs. R. C. Couch Jr.

Mrs. Felker urged each member to think how to keep building our town and set goals to

MRS. GEORGE JOSEPH ALLEN
... formerly Penny Francis Davis

succeed. She reviewed the many changes for the better that the town has accomplished and the fact that nearly every business has made some kind of improvement. The club, has in the past, presented 25 plaques to businesses for improvements.

Mrs. Couch presented the final landscaping plans for the large planter box in front of the hospital. Two white birch trees and many beautiful shrubs are to be planted as soon as the soil is prepared. She suggested that anyone in town having large stones (the size for attractive landscaping) that they wish to donate, might do so to any member of the club.

The next club meeting date has been changed to Jan. 24 and all members are urged to attend. 14 club members were present. Hostesses were Mrs. Robert Free, Mrs. T. P. Barnett and Mrs. E. L. Wyche.

Abilene Club To Host Coffee For Arbor Day Event

The Abilene Garden Club will host a coffee for program guests and others planning to attend the state-wide Arbor Day ceremony at the Abilene Civic Center on Friday, Jan. 18.

This announcement came today from Mrs. G. E. Swinson, president, Abilene Garden Club.

The coffee period will extend from 9:00 a. m. to 10:00 a. m. Mrs. Swinson said. It will precede the official opening of the Arbor Day ceremony which begins at 10:30 a. m.

Club members assisting Mrs. Swinson with the coffee include Mrs. Margaret Tessier, Mrs. Lawrence Burrell, Mrs. Odell Freeman and Mrs. Velma Woolridge.

Location for the coffee is the Abilene Garden Club headquarters at 300 Westwood. The public is invited to the coffee and to the Arbor Day ceremony.

Garden Club Has Arbor Day Pgm.

Haskell Garden Club met Jan. 10 in regular session with 17 members and one guest. Mrs. John Rike, present.

Mrs. C. G. Moore presided over the business meeting, welcoming Mrs. Martin Rueffer as a new member.

New officers for the club year 1974-75 are Mrs. C. G. Moore, president; Mrs. Leone Pearsey, first vice president; Mrs. Bob West, second vice president; Mrs. Norman Bevel, third vice president; Mrs. Norman Nanny, treasurer; Miss Nettie McCollum, recording secretary; Mrs. W. P. Trice, corresponding secretary; Mrs. Cody West, reporter; and Mrs. C. O. Holt, parliamentarian.

Mrs. C. B. Rhee, program director, spoke on "Preparation and Care of the House Plant 'Tomellads'". Mrs. Leone Pearsey gave "The Meaning of Arbor Day". Mrs. C. G. Moore showed slides of flowering trees and plants, taken on her trip to Panama.

Hostesses for the meeting were Mrs. Bailey Gess, Mrs. L. Lemon, and Mrs. R. C. Couch Sr.

Mrs. Barry O'Neal Named Outstanding

Mrs. Norma Jean O'Neal, wife of Dr. Barry O'Neal, has been chosen as one of the Outstanding Young Women of America.

Mrs. O'Neal was educated at Abilene Business College, gaining her Court Reporting certificate in 1964-65. She served as Court Reporter in Young County in 1966-67. She was legal secretary to Lyne, Klein and French, Attorneys, from 1968-71. She worked in the Attorney General's office in the capital building at Little Rock, Ark., from 1971-72.

Mrs. O'Neal is affiliated with the National Association of Court Reporters, and Officers Wives Club, England Air Force Base, Alexandria, La. She is currently working as chairman with the Residence Charity Bazaar at Central Hospital in Alexandria.

Mrs. O'Neal is the daughter of Mr. and Mrs. Milton Kattner of Kermit, and the daughter-in-law of Mr. and Mrs. Lee R. O'Neal of Haskell. The couple has one son, Benjie, 6 months old.

They live in Alexandria, La., where Dr. O'Neal is Flight Surgeon assigned to the 76th Tach. Fighter Sq., England AFB.

J. C. Yeary Gives Centerpoint HD Club Program

Center Point Home Demonstration Club met last week when HD Agent Barbara Elliott introduced SCS representative J. C. Yeary. He brought a program to the club with a film produced by the U. S. Dept. of Agriculture, entitled, 'The Few and the Many.'

Some interesting points brought out in the film were that only 4.6% of the American population are farmers and ranchers. One farm worker supplies farm products to 48 people; 41 in the U. S., and seven abroad. A half-acre surface pond can produce 400 pounds of fish per year, farmers get 16 cents from the bread and cereal dollar; 25 cents from the fruit and vegetable dollar; 47 cents of the dairy products dollar and 55 cents of the meat products dollar.

Haskell County has 11 natural lakes, and the Canadian bankers winter here, to the farmer's dismay and the hunter's delight.

The next club meeting will be held Feb. 14 in the home of Dwana Klose.

Wedding Ceremony Unites Couple

Kay Mayfield of the bride of silver-veiling ceremony at 2 p. m. in First Baptist Church of Haskell. Rev. Waid Griffling officiated as the vows were exchanged with basil and gladiolus and the daughter of T. J. Brueggemann, groom's parents, and Mrs. Shafer of Lubbock, who accompanied Stafford, sister of Hedley, soloist in marriage by her. The bride wore a silk organza and light Venice lace empire bodice and high crown collar. Lace was repeated on top of the sheer puff sleeve and the deep cuff. A dior bow at the waistline of the full skirt held her detachable train that fell Chapel length. Her camelot cap was of Venice lace. She carried a bouquet of white roses and baby's breath, on a Bible covered with candlelight silk organza and lace. Maid of honor was Miss Dorothy Ann Zuma of Brenham and bridesmaid was Mrs. Frederick C. Whitney III of Big Spring. Miss Shonda Stafford of Hedley, niece of the groom, was flower girl, and ringbearers were Jay Mayfield, nephew of the bride, and Mondy Mayfield, cousin of the bride. Bridal attendants wore long dresses of velvet and taffeta in a combination of royal and light blue. Princess lines in

front flattered a Sabrina neckline, and long sleeves. Back fullness was held by a Dior bow at the low neckline. They wore royal blue velvet Camelot caps, and each carried a single white long-stem rose. The reception was held in the parlor of the church, hosted by the bride's parents.

MRS. JOHNNIE ROY WEAVER
... formerly Paula Kay Mayfield

The bride is a graduate of HHS, and of Texas Tech University, with a BBA degree in marketing. She is a member of Chi Omega Sorority, and a member of American Marketing Association and the Society for the Advancement of Management.

The groom received a BBA degree in Industrial Management from Texas Tech University. He was a member of Kappa Alpha Fraternity, an officer in Intrafraternity Council, a member of Sigma Iota Epsilon (management honorary), and Kappa Mu Epsilon (mathematics honorary). He is employed by Electronic Data Systems in Dallas, and after a wedding trip to Ruidoso, N. M., the couple will make their home in Dallas.

LETTERS TO THE EDITOR

Dec. 29, 1973

Dear Mr. and Mrs. Comedy: Just wanted to drop you all a few lines to say hello, and how much joy it brings me to get the Free Press from home, that Mr. and Mrs. O. W. Howard send me. I miss Haskell so much, but my health wouldn't permit me to work any longer. In fact, the doctors down here said I should have quit a year ago. I have a bone disease.

But how I miss all the good people in Haskell! I would appreciate any letters or cards from anyone. If ever I get able to come back for a visit, I would like to see the many people who gave me their business during my years in Haskell. It means so much to me to know what is going on in Haskell. It will always be my home.

I wouldn't have left Haskell, but the only kin was a sister in Port Lavaca, and she wanted me to come down here. But still, I wish I'd stayed. This town down here is so different—so much drug pushing, drinking, and it is not a simple place and a friendly place like Haskell.

If I didn't have this bone disease where I could work, I'd move back and put in a shoe shop, but I guess those days are over. People don't know how to appreciate good health until it's over.

I read about your son getting married. I wish him the best in health and happiness.

I heard someone was going to put in a shoe shop in Haskell. I sure hope so, because Haskell really needs one.

Sincerely,
Jewel Allen

Cotton Classing

USDA's Agricultural Marketing Service Office at Munday, Texas will close on Tuesday, Jan. 15, 1974, according to Sidney Ferrell, in Charge. The office will stop receiving cotton samples at 4:45 p. m. Monday. All samples should be sent to the Abilene Office after this time.

During the week ending Friday, Jan. 11, 1974, there were 8,164 samples classed bringing the season total to 105,951.

Grades have held up remarkably well this season. Following is a breakdown of grade percentages: grade 31 accounted for five percent of the cotton classed; grade 41 was 45 percent; grade 51 was 5 percent; grade 32 was 17 percent; grade 42 was 22 percent; grade 52 was 2 percent; and full spots accounted for 3 percent.

The predominant staple remained staple 31 with 58 percent. Staple 30 accounted for 14 percent; staple 32 was 24 percent; and staple 33 and longer was 3 percent.

Mike readings improved slightly over last week with 82 percent miking in the 3.5-4.9 range. Cotton miking 5.0 and above dropped from 22 to 17 percent.

Cotton activity was very slow on non-contracted cotton mainly due to its lack of availability. What was available was selling for 4200 to 4400 points above CCC Loan prices for staple lengths of 31 and longer. Staples of 30 and shorter brought 3600 to 3800 over. The average price paid for 4131's was 59.93 cents per pound, and for 4231's was 58.28 cents.

Hammons Named To SS Post

According to information received from Wayman E. Register, Regional Commissioner, and Eugene J. Riegler, Regional Representative, of Dallas, M. Glyn Hammons, formerly assistant district manager, has been named as district manager for the 15-county Abilene Social Security District. He will succeed Bob Tuley, who retired Dec. 28, 1973. The appointment of Hammons is to be effective immediately.

Hammons reported to the Abilene office as assistant district manager in early 1969, coming from El Dorado, Ark. Prior to that he had served in social security offices in Santa Fe, N. M., and Tulsa, Okla.

He is a native of Deport, in Northeast Texas. He was reared in Oklahoma and was graduated from Oklahoma City University.

As assistant district manager for the Abilene District, Hammons has assisted in supervision of the Brownwood branch office, trained new employees and served as coordinator of the staff for Medicare matters. He has attended various career development seminars, schools, and classes as preparation for

promotion with the Administration.

Hammons is an active member of various civic organizations, namely, Kiwanis Club, Combined Federal Campaign, and is a member of the Methodist church. He is married and has three children.

As District Manager, Hammons will supervise the 15-county district, which has over 50,000 beneficiaries. Since he has visited and spoken to organizations in most of the counties of the district, Hammons is no stranger.

Want To Ask About The Revision Of The Constitution? Call, Toll Free

A statewide tollfree telephone line which enables Texans all over the state to ask questions and offer suggestions on constitutional revision will continue to operate during the 1974 Constitutional Convention.

The telephone number is: 1-800-292-9600.

The Texas Constitutional Information Center was originally established by the Texas

Constitutional Revision Commission as part of its charge to inform the public of its activities. The telephone line has averaged a high volume of calls from citizens with questions about the constitutional revision process or the Commission's proposed new Constitution for Texas.

During the first month of its existence, between November

15 and December 15, the center received an average of 48 calls on each working day. The number of calls ranged from a low of 15 on the first day of operation to a high of 143.

The information center will continue to operate 24 hours a day. It will be manned by staff during the daytime, and calls at night will be recorded for answers later.

Information Center staff is equipped to answer many of the questions asked. Other questions will be referred to appropriate Convention research staff for written answers.

The Constitutional Revision Commission found the Information Center valuable in accurately answering citizen questions and receiving suggestions from those wishing to help with the Constitution.

Callers to date have included a broad cross-section of Texans—university professors interested in teaching material, lawyers trying to clear up technical questions, students writing papers on constitutional revision and a great number of citizens concerned about how a new Constitution would affect their lives.

should be returned to production. Only a small expenditure per acre is necessary. Our County Commissioners are generally willing to clean up and smooth out these areas when they quit mining. So, the landowner needs only to do some seedbed preparation, mulching, and seeding or sprigging to put the land area involved back to production. Do not be misled into believing that production can be secured immediately. It generally takes two to three years for a good stand of grass to become established on these areas. Sometimes it takes fertilization and weed control to secure establishment. But at the high land values we have today, one cannot afford to leave any area on the farm non-productive. Top soil that has been stacked to uncover gravel deposits can be re-spread over sloped sides and smoothed bottom of surface mined areas. A good mulch of cotton burs can be applied to increase fertility and to protect the area until grass seedlings can get established. The staff at Haskell SCS of

RULE ROUNDUP

BY: OLETA CORNELIUS—PHONE 297-2167

CITY COUNCIL
 The date of April 6th was set for city officers election at the Rule city council meeting, January 8.

In other business, routine bills for the month were approved and payments made. The city purchased one walkie-talkie unit for the police department from

the city of Munday. W. W. Hunt and J. L. Cole will each now work two weeks monthly as night patrol beginning Jan. 1.
 A motion was made, seconded and carried with all in favor of paying on \$7,157,000 general obligation 1958 bonds since interest and sinking account has adequate funds to do so. This is the last of the 1958 bonds and Rule is now free of bonded indebtedness for the first time in many, many years.

EPITAPH
 Nothing in this world take the place of personality will not smile smiling failure. Brains will not; the educated is a legend. Being a prodigy every history tells of those could have, but Bull-doggish, hang on stick-to-it-forever, the one omnipotent man possesses. This spirit was given by a loving and all so that he really could "Love the Lord thyself with all thy heart, thy soul, all thy strength and all thy mind—thy neighbor as thyself." The slogan "Stay where you are" is the only one I've known that I fully believe in.

Question:
Will you have enough natural gas for your home this winter?

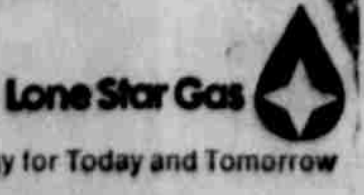

Answer:
Yes!

Let's lay this question to rest once and for all. Lone Star Gas Company has enough natural gas reserves under contract to adequately supply our residential, commercial and other higher priority customers for many winters.

To be sure we have enough for these consumers, we will make some extensive curtailments of service to our large volume customers during extreme cold weather this winter. In fact, our contracts with large volume customers anticipate the need to curtail up to 100% of their needs during these cold periods. This allows us to assure service to residential, commercial and other higher priority customers.

We're taking major steps to make sure you have gas for the future. New gas we're buying costs more than four times the price we paid just a few years ago. This is an astonishing amount of money! But it's the price all of us must pay for a continuing supply of natural gas energy.

This winter, and in the future, natural gas from Lone Star will continue to be your best method of home heating, water heating and cooking...just as it has been for more than 40 years. But we all must remember to help conserve this precious energy fuel.
