Nichols  
Worth

By Nanalee Nichols

About a week ago my husband and I went and looked at a 1963, unrestored Thunderbird. The man told us what he wanted for it and we offered him \$1000 less. He, of course, refused.

We left, with a small feeling of regret and a small feeling of relief that we didn't own the car.

Four days later the man called back and accepted or offer! The price was certainly right, but we were a little stunned.

Driving it home, we were struck by just how much autos have changed in 30 years. We have given up so much in ride, power and space for gas mileage.

The car is solid as a boulder...and also weighs about as much. The bumpiest road, the deepest pothole is unfelt, the big, long, heavy vehicle simply floats over them.

Our garage is almost to short for it.

It's so wide that there is an incredible feeling of space within it's huge, carefully detailed interior.

Every attention has been given to comfort, deep bucket seats, courtesy lights and ashtrays everywhere (remember, smoking wasn't such a "no no").

The radio was top of the line back then...which sure wasn't much. Crackling static, am only, it has a sound inferior to the cheapest "jam box" of today.

The thing, already becoming known as the "blue torpedo", has a 390 engine, not a particularly large engine for those times.

While it has plenty of power, it does NOT have good gas mileage.

Right now about eight miles to the gallon seems like it's going to be tops.

Of course, gasoline sold for about 25 cents per gallon, so that wasn't much of a problem.

Everyone that sees this machine comments "I don't remember them as being so BIG!"

That's because, by standards back then, they weren't considered a full size car...there were quite a few cars even longer, wider and more massive!

Neither Thomas nor myself was driving back when this car was brand new. I can remember thinking that they were one sharp looking car as they sailed down the highway.

Now, as it sails down the highway, we are met by startled glances, as folks stare at this "blast from the past" sailing by in all it's massive majesty.

Whether we keep it or not, it's sure been an eye opener about just how much cars have changed over the years!

GETTING THINGS ready to make Tommy's favorite dessert is Evelyn Pressley, who is shar-

ing recipes this week in Country Cooking. (Staff Photo by Gerrie Bankhead)

## Country Cooking

By Gerrie Bankhead

Country Cooking is coming to you this week from the kitchen of Tommy and Evelyn Pressley. Being married 26 years and formerly from the Amarillo area, they have made Cunningham their home for the past 18 years. They have three children: Allen and wife, Sandra of Nacogdoches; Donna and Deann of the home.

Evelyn's hobbies consist of collecting lamps, bottles, bells and old jars. She loves antiques and enjoys sewing, crafts, cooking, entertaining family and friends and working with Tommy on the ranch. She also loves to visit Trade Days whenever possible. She says a dream of hers is to have one big room to display all her antiques. She can tell you lots of stories about some of her antiques and many are over 100 years old. She also likes to paint and transfer on T-shirts, most of which are for her children.

Evelyn's favorite foods to cook are desserts. She states she loves to cook for a big bunch. The more people, the more they will eat and the better she likes it. She enjoys cooking for the cowboys on cattle round-up days. Usually there are about 15 hungry men on these days. She says that she and Tommy's families all try to get together for a big feast on everyone's birthdays, and this occurs quite frequently.

In the sewing area, Evelyn says she keeps it simple. She enjoys making T-shirts, dresses, shorts and etc.

Evelyn's past work experience consisted of five years as a cook at Prairiland School and then 2 1/2 years

at Deport Supermarket. Since she is not working at a public job now, she works on the ranch every day. She is the errand girl for Tommy and he keeps her going somewhere all the time. She laughs and says however, this is a full time job but no full time pay.

All Evelyn's family enjoys their recently purchased cabin at Broken Bow near Beaver's Bend. They enjoy weekends there every chance they get.

The recipe for the banana pudding came to her from a friend when she and Tommy got married. This is one of Tommy's favorites. The Pecan Pie recipe was given to her by a cousin about 26 years ago. The Brownie recipe is one she has used since a child, and her family really likes it. The Pink Stuff came from her sister, Nona Bennett of Ft. Towson, OK about 16 years ago. The Cornbread Salad recipe came from her niece, Barbara Golden of Cooper about 16 years ago. The Cornbread Casserole came from a friend, Nelita Musgrove, about 5 years ago. Add this to a pot of pinto beans and you have a complete meal.

We hope you enjoy all of Evelyn's recipes. I am also including a carrot cake recipe for people watching cholesterol or is a diabetic, which were submitted by Nell Wolfe. We hope you enjoy it.

If you've enjoyed the article, request a recipe or have a recipe to share or suggest a feature, please call 652-6032 or write Rt. 1, Box 67A, Deport, TX 75435.

## Good neighbors with good advice for saving energy

Frank Sanchez, a customer services representative in Texas-New Mexico Power Company's Pecos, Texas, office, can help customers with their energy questions. Employees in all of the communities TNP serves are a good source of advice for using energy wisely.

Caulking and weatherstripping are two low-cost measures you can take at your home to reduce energy waste. To prevent unnecessary air leakage, caulk any cracks between windows and their frames and make sure you have full weatherstripping around doors, windows and the attic stairway opening.

For more information about caulking and weatherstripping, call or visit the neighbors at your local TNP office and ask for the free brochures, "Straight Talk About Caulking" and "Straight Talk About Weatherstripping."

### Red Raiders Thump Prairiland 37-15

The Red Pride of Prairiland was dealt a crushing blow by the previously winless Winnsboro Red Raiders last Friday night at Pattonville. The 37-15 loss marked the Patriots' first district game of the season.

The scoreless first quarter gave way to a second quarter touchdown scored by the Red Raiders on their first possession of the second quarter.

The point after was good and the Patriots trailed 7-0, but not for long.

On the Patriots' next possession, the yellow flag was the Raiders' enemy and the Patriots' friend.

The Patriots marched from their own 35-yard line and the Red Raiders were penalized for holding twice and for being offside twice during the marches that climaxed with Jackie Crawford carrying the ball across the goal line for six points.

James Freelen kicked the point after

and tied the game at 7.

With just over 1:00 to play in the first half, the Red Raiders scored their second touchdown to move out in front for the second time during the contest. The point after was good and the score stood at 14-7 in favor of the Red Raiders.

The Patriots tried to put together a respectable drive before the half, but Patriot quarterback Chad Whitley's pass to Brandon Johnson was picked off.

With just two seconds showing on the clock, the Raiders completed a 20-yard pass play that resulted in yet another touchdown just as time expired. The extra point was good and the Patriots trailed 21-7.

With 8:53 left in the third quarter, the Red Raiders struck again. After recovering a Patriot fumble on the Raiders 30-yard line, the drive didn't end until the Raiders had scored six

more points.

The point after was no good but the Patriots trailed by 20 points.

Before the third quarter ended, the out of control Raiders tacked on another touchdown to bring the total to 34-7.

The Patriots closed out the third quarter with Chad Whitley connecting with Shane Morton and with the two point conversion, the Patriots had 15 points on the board.

With just under 6:00 left in the game, the Red Raiders kicked a field goal to ice the game with 37 points.

With his Patriot team dropping to 3-3 on the season, Coach Jim Chambers noted after the game that his team has lost its intensity. "That intensity must return in order for us to win," stated Chambers.

The Patriots take on the tough Mt. Vernon Tigers at Mt. Vernon this Friday at 7:30 p.m.

# JH Red Raiders Topple Patriots 38-0

The Winnsboro Red Raiders kicked off to the Prairiland Junior High Patriots last week to begin one of the most difficult games the Patriots have played this year.

Zachary Allen received the kick-off and it looked as though the Patriots might have the opportunity to move the ball as Daniel Cato carried for a gain of six yards. The Red Raiders had other ideas, though, and held the Patriots to take over the ball on the 35-yard line.

The Red Raiders fumbled the ball and Patriots recovered. Daniel Cato carried for a first down. Zachary Allen handed off to Daniel Cato, but strong Red Raider defense caused a loss of yards on that play. The next play was a pass to Adam Walker but was not enough for a first down. The Patriots were forced to punt on fourth down.

Early in the second quarter, the Red Raiders had no problem carrying in the ball for a touchdown. Conversions were successful and the score was 8-0, Winnsboro.

Patriot Zachary Allen received the kick-off from the Red Raiders on the 35-yard line. The ball was passed to Daniel Cato for no gain of yards and the next pass play was intercepted. The Patriots brought down the ball carrier on the 5-yard line and held the Raiders for no gain in yards, and a fourth down pass attempt was unsuccessful and the Patriots took control of the ball.

Despite Patriots attempts to move the ball, a strong Red Raider defense held them back and a fourth down punt was received on the 25-yard line. The Patriots stopped the Raider drive leaving the score at halftime 8-0, Red Raiders.

The second half began with the Patriots kicking to the Raiders who wasted no time in taking it in for a touchdown. The conversion point was successful and the score was 16-0.

The Raiders kicked to the Patriots, who received on the 25-yard line. A pass attempt to Todd James was foiled and found the Patriots unable to move the ball with a forced punt on a fourth down.

The Raiders received on the 35-yard line and fumbled on the 30. The Patriots recovered and Ryan Pittman carried for a gain of yards. Todd James followed by carrying it to the 13-yard line. The Patriots' hopes of a touchdown were shattered with the next pass play was intercepted in the 5-yard line.

The Raiders took it all the way downfield for another touchdown with no extra point, making the score 22-0.

Again the Raiders held the Patriots from scoring.

The last quarter was more of the same as the Raiders came back strong and made another touchdown. The final score was 38-0 for the Red Raiders. Not a good night for the JH Patriots.

# Patriot JV Ambushed By Red Raiders

By Marcus Topliff

The Patriots, a team ravaged by recent injuries, traveled to Winnsboro to take on the Red Raiders last week. Matt Dorries, assumed the role of quarterback, as Paul Jackson was one of those sidelined with injuries. The Red Raiders lived up to their name as they ambushed the Patriots and rolled up 27 unanswered points in the shoot out.

The game began with a kick off by Casey Davis of the Red Raiders. The ball was taken by Gearl Keys, who was immediately brought down by Shane Mitchell. The Patriots weeheld and three plays later Stephen Swaim punted to Winnsboro, who downed it on their own 49-yard line.

Two plays later, the Red Raiders

scored their first touchdown on a run by Bryan Adams. Casey Davis kicked the extra point.

The Red Raiders again kicked to Prairiland. The Patriots were unable to move the ball and the Red Raiders took possession on downs. This time Russell Turner carried for the touchdown. The extra point attempt failed and the Red Raiders led 13-0. Winnsboro kicked off the third time and Gearl Keys took the ball and was tackled by John Edwards. Two plays later, the Patriots fumbled, but the ball was recovered by their own Matt Dorries. The Patriots, however, lost the ball on downs and Raider Russell Turner carried for their third touchdown. This time the extra point was

good and the Red Raiders led 20-0 at the end of the half.

Although the Patriots attempted a multitude of different plays and they tried to mix it up by having Gearl Keys, Zachary Pricer, Stephen Swaim and Charles Chambers take turns carrying the ball, the offense just couldn't seem to get on track.

The defense did better in the second half holding Winnsboro to just one touchdown and the extra point, that coming early in the third quarter with a carry by Russell Turner. The game ended mercifully for the Patriots with a final score of 27-0.

Next week the Patriots host Mt. Vernon before a partisan crowd. Good luck on the 17th.
