DIVE TREATMENT LASTS FULL YEAR!

The regular conference of District III county presidents, county secretaries and county leaders was held Monday, Oct. 15. at Wiehita Falls, Texas.

Emphasis on membership gain was discussed at this conference, due to the state Farm Bureau's goal of 'Every County Gain" this year. Every county represented at this meeting showed a gain and this was the first time in the history of Farm Bureau. All county presidents present received their award vests, and Haskell County Farm Bureau president, Marvin Phemister, attended this meeting and received his vest.

Dan Griffith of Paint Creek attended also and was on the program and spoke to the group about the Texas Farm Bureau Cotton Division program which was established earlier this year. HYH Hear Fire Prevention Pgm.

Haskell Chapter of The Young Homemakers gathered at the Homemaking Cottage last Thursday, Oct. 11, to hear a program on Fire Prevention. The theme was selected to cooperate with the national program on Fire Prevention throughout the United States.

Presenting valuable and thought-provoking ideas on fire safety was Tom Watson, Chief the Haskell Volunteer Fire Dept. He presented an outline on activities and procedures of Volunteer Department, and the praised it highly. He emphasized that the best key to preventing a home fire is 'good housekeeping" and common sense on storage and care of flammable cleaning products and home care items. The program was most interesting to all who attended.

Guests for the evening included: Mrs. Tona Wilson and Mrs. Fern Green from Paint and Mrs. Twila Pace of Haskell. There were also 18 regu-

Member F.D.I.C.

Mary Elinor McCollum has guided many, many young women of Haskell County in learning the art of being a good homemaker. For the past 22 years, she has been a teacher in the Haskell schools, and for 21 of those years, she has been Homemaking instructor at Haskell High School.

Things won't be the same around Haskell High without Mrs. McCollum's bright smile and helping hand, but now she and her husband, W. P., can enjoy more fully their one consuming hobby-camping.

They are enthusiastic campers, and each year for the past several years have camped for six weeks or so each summer in the mountains of Colorado or New Mexico. Now that she has retired, they can possibly make trips more often, and to other interesting places.

Mr. McCollum is also a teacher, and for 24 years was high school principal. He now teaches math in Junior High.

They have two sons. John is a computing analyst for Texas Instruments in Dallas, and Ken is an accountant with Wilkerson

& Associates in Houston. Ken and his wife had a daughterand the McCollum's first grandchild-September 22 in Houston. The baby's name is Amy Marie, and Mrs. McCollum spent two weeks with them when the baby came.

Mrs. McCollum was born in Munday to Mr. and Mrs. J. M. Diggs. They moved to Haskell from Canyon when she was eight years old, and Mr. Diggs still lives here. She lost her mother several years ago. She is a graduate of Haskell High School and a graduate of Texas Tech in Lubbock, where she earned her degree. She also took a few post graduate courses at Texas Tech.

They are members of the Church of Christ, and for the past 11 years, Mrs. McCollum has enjoyed being Advisor for the Haskell Young Homemakers.

Apart from camping, she also enjoys reading, knitting and oil painting, and plans to do a lot more of each, now that she has more time.

character of its great leaders have not been surpassed. The world at large has recognized the power and love she holds for all people." Mrs. Burkett outlined briefly the programs to follow

The club room was beautifully decorated with fall flowers. Mrs. R. C. Couch Sr. placed on the secretary's desk an unusual arrangement of one of Texas' wild flowers that came up in her yard, the 'Shooting Star', or Liatris.

Hostesses, Mrs. Joe Thigpen, and Mrs. Buford Cox, arranged an attractive tea table, using a huge bouquet of fall zinnias. Sandwiches and coffee were served during the tea hour.

Couple Honored At Sunday Tea

A get acquainted tea honoring Penny Darnell and David Wootton, was held Sunday afternoon from 3 to 4:30 in the Community Room of Haskell National Bank.

The serving table was centered with an arrangement of flowers in the bride-elect's chosen colors of blue and lavender. Silver and crystal serving appointments were used. Special guests were the bride-

elect's parents, Mr. and Mrs. Max Burl Darnell and Mr. and Mrs. J. B. Wootton of Denton. The couple will be married Nov. 10 at the First Baptist

Church. Hostesses were Mesdames Bob Guess, Alex Swenn, Mike Newberry, C. V. Schwartz, J. F. Cadenhead Jr., Don Nanny, Glen Sammons, Kenneth Par-

ker and Kenneth Sherman. MARRIAGE ANNOUNCED Madeline Deane of England became the bride of Sgt. Clarence E. Dukatnik, formerly of Haskell, on August 15, 1973. Her parents are Mr. and Mrs. Patrick Deane, and he is the son of Mr. and Mrs. Emil Dukatnik of Haskell.

The couple lives at 3 Merton Street, Banbury, Oxfordshire, England.
