Had Suffered All Her Life Without Any Relief-Taniac Ends Trouble

"I was flat of my back for eight months and never did commence to get well and feel right until I began taking Tanlac." said Mrs. Inez Arnold of 1530 San Fernando street, San Antonio, Texas, recently.

"Nearly all my life," Mrs. Arnold continued. "I have suffered from stomach trouble and intestinal indigestion. For the past eighteen years, especially, my health has been bad and while I dd everything I could, my condition kept getting more serious. I suffered from nervousness, awful headaches and pains in my back and stomahc. I could hardly sleep and everything I would eat caused me pain. Sometime I would get so dizzy I had to sit down to keep from falling. When I stooped over I could hardly straighten up again and I just felt miserable and bad all the time

"The eight months spell I had alone cost me over eight hundred dollars to say nothing of what I paid out at other times trying to get relief. I was all the time trying to get something to help me, so my joy can be imagined when I got Tanlac and began to improve. I believe I felt better with my third dose of Tanlac, it just seemed to suit my case exactly, and I kept taking it and improving until now I simply feel ing fine. 1 can eat anything I want, sleep soundly and have no trouble in doing all my work. I declare I never felt better in all my life, and I wouldn't take anything in the world for what it has done for me because I honestly believe it has been my salvation."

Tan'ac is sold in Haskell by Reid's brug Store; in Rule by Golden Rule Drug Store: in Rochester by H. G. Rasby, in Weinert by E. E. Cockerell, in Sagerton by W. W. Martin in Nabors by Mrs. L. A. Bouldin, and in Whitesieid by T. B. Higginbotham.

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizginess, ... and the pains were very severe. A friend told me I had tried everything else, why not Cardui?... I did, and soon saw it was helping me ... After 12 bottles, I am strong and well."

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered-it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

The Federal Food Administrator has requested all Ice Cream Manufacturers to discontinue the use of white sugar for the time being. In order to comply with this request and do our part in winning the war-We will use brown sugar in making our cream. This will make some difference in the appearance of the cream, but we believe that our customers are loyal enough to overlook this matter, as we are all trying to do our "bit" to help win the war. We will use the same formula, as heretofore, with the exception of the sugar and we ask that you overlook this little difference.

Song Recital The people of Haskell were given a

are treat in song Tuesday night by Mrs. John B. Baker of Dallas, Texas.

It cannot be said of her: "A prophet is not without honor save in his own country," for Mrs. Baker is an old Haskell girl and the very appreciative and enthusiastic audience at her recital gave testimony of her ability and popularity.

Those who have attended the Lyceum courses of past years are n a position to judge and the quality and range of Mrs. Baker's voice is unsurpassed by any of them. Her accompanist was Mrs. O. E. Patterson. another home woman whose musical ability is appreciated by the home people. And the songs by the oaby, Hortense, were rousingly received-the talent of the mother has been passed on to the daughter and we predict that we will near more of the little singer in later
