By Nanalee Nichols  
It was really, really scary

Thomas, my sister-in-law Mary and myself spent part of last week in the Great Smoky Mountains. After enjoying the gorgeous fall foliage in the park, we decided to do something a little different that evening.

We saw a hand made flyer for a "spooky hayride" at Walden Creek Stables. We dutifully found our way to the location, paid ten dollars each for the evening and returned after it was very, very dark. In the valley flickering orange lights flooded the foothills.

We loaded on our hay bales, along with about 100 other people. We had a "Marshal" riding horseback alongside of us, telling jokes and trying to build tension for upcoming "frights".

We went through the headless horseman, pursued by a posse. We jumped at things lunging up from the ground and swinging down from the trees. We "made it" through the barn and nearly died laughing at the guy with the chainsaw...which died just as he tried to "attack".

Trying not to laugh he choked out "You got off lucky...I've cut up enough people tonight".

Then we unloaded for our included weiner roast.

Our escort warned us that "there would be a couple of old boys trying to sing".

We roasted our hot dogs, enjoyed them, and sat on log benches while the first man attempted to sing. He didn't do too badly, but he didn't do to well, either.

Then, another older man appeared. He put on a karaoke tape and proceeded to stand in the middle of the little stage with both hands in his pockets. Folks, when this poor man cut loose it was unbelievable. He absolutely positively, could not sing. At first there was laughter...we actually thought he was putting on. He wasn't. He just kept droning along in a monotone, singing song after song in the same voice. I have never, ever heard anyone who thought they could sing that was that bad!

Gradually we all slunk away and took refuge on the far side of the bonfire.

When we loaded up again the "Marshal" said, "Well, folks, what was the spookiest, scariest thing on the hay ride?"

There was silence until a man's voice rang out "That man trying to SING!"

He received a heartfelt round of applause. The Marshal started giggling and reined his horse away, trotting off to repeat the report to the other "ghouls" riding around. We could here them all laughing and agreeing with us!

It was a great evening of harmless fun, but I still find myself wondering...WHY would anyone try to sing when they are that bad? I just can't imagine subjecting myself to that much humiliation!

## This Saturday is a big day in Deport, come share the fun

This Saturday, November 4th is a day for bargains and fun in Deport.

There will be worlds of garage sales all over town, as well as the giant sale at the Deport Fire Station at the north end of Main St. Plus there will be all kinds of vendors on Main Street.

Remember, there is no charge for a booth on main street, and sellers keep the money from everything they sell. No catch, just come make it a good day for all.

That morning there will be sausage and biscuits and hot coffee available at the fire station. At noon there will be stew, chili and hot dogs or sale

there too. All the money from the garage sale at the fire department and from the food they sell will go to help fund the fire department. At a time when the fire department does as much medical work as it does fire and rescue, the needs of the department are constant. Every purchase goes to help them.

Anyone wanting further information may call Nanalee, Thomas or Mike at 652-4205 (the Deport Times) or Juanita or Dawne at Darden-Sparks Department Store at 652-4515.

Anyone with more items to donate may call the above numbers.

KINDERGARTEN at Deport Elementary School received treats from Guaranty Bank then posed to have their photo made at the Deport Times. The adorable youngsters ranged from dinosaurs to bunnies, fifties kids, firemen and many more creative costumes. (Staff Photo by Nanalee Nichols)

## Patriot yearbook to go on sale

It is time for the fall sale of the Prairiland Patriot yearbook. The elementary and jr. high students from Blossom and Deport will be bringing home an order form for parents to fill out.

The book will be better than ever this year. They have an especially big surprise in store in our cover this year...but that is being kept a big secret. There will even be more pictures of your students in the book also.

This year, they have had to go up on the price of the yearbook. They will be \$27.00 in the fall and \$32.00 in the spring. They regret the in-

crease, but the annuals are now costing the yearbook staff about \$39.00 each. The staffers sell many ads to make up the difference and keep the price of the books at present rates.

They wish to thank the many businesses, organizations and churches that buy ads and support the students.

The sale will last this year through November 28. After that time, the books will be sold in the springs.

For more information, contact David Phillips, sponsor at Prairiland High School 903-982-6233 or 903-6525681.

SECOND GRADE SPOOKS- the Deport Second Grade dressed in all their various costumes and came to downtown Deport for treats from Guaranty Bank, and to have their photo made by the Deport Times. The youngsters were really cute and ranged from dinosaurs, witches, Ninjas, princesses, cats and many many more. (Staff Photo by Nanalee Nichols)

# **Lamar Electric Co-op Members: You have \$12 million. Vote to keep it!**

## **Return your proxy by Monday, November 6, at 5 p.m.**

Your proxy is worth your share of \$12 million, and if we don't receive it by November 6, at 5 p.m., you must vote in person at the special membership meeting Wednesday, November 8, at 7 p.m. A vocal group of dissidents is trying to overturn your decision to combine with Cap Rock Electric Cooperative. The same group is trying to recall Directors Darrell Coats, Richard Weemes and Glen Gambill and prevent you from receiving your share of \$12 million in capital credits.

## **Return your proxy or you could lose:**

- Your share of \$12 million in capital credits;
- Your choice of how to receive your capital credits;
- Your guarantee of competitive electric rates; and
- Your best chance for co-op stability during deregulation.

## **Protect yourself!**

Assign your proxy to the Proxy Committee and your vote will count to retain Coats, Weemes and Gambill, to keep the co-op combination on track, and most of all — to keep your \$12 million.

**Lady Pats tune-up for playoffs**

On Saturday, October 28, two state-ranked teams paired off to tune-up for the playoffs. The third ranked 3A White Oak Lady Necks (28-1) traveled to Prairiland to take on the fourth-ranked Lady Patriots. It took an hour and 25 minutes for the Lady Necks to win over Prairiland in a 10-15, 15-13, 15-12 battle which displayed superb offensive and defensive skills from both teams. Except for a sub-par passing game, the Lady Patriots performed in a stellar manner challenging almost point for point the well-honed White Oak squad.

Emilee Bolton stepped her game up a notch with 8 kills and 4 blocks. Kami Hudson added 7 kills and 2 blocks. Megan Graham put up 26 assists, added 3 kills and had 19 service points including 2 aces. Melissa Steinkamp and Ashley Athas each had 5 kills while Sheena Jones added 6 service points and 1 kill.

The ladies are 32-5 going into the area playoffs tentatively set for November 4th at a time and site to be determined.

A perfect district record is what

the Lady Patriots were aiming for in action Tuesday night as they rolled past DeKalb 15-5, 17-15. The first game came easy, but lack of intensity and focus along with unforced errors nearly cost the Lady Patriots the second game as they fell behind 10-14 before pulling off the win. Steinkamp had a steady night with 7 kills and 1 dig. Hudson also had 7 kills and Graham had 18 assists.

The JV team earned a co-district championship as they defeated DeKalb 15-12, 15-5. Lacy Davis had 6 kills and 5 assists. Jordan Hunold had 4 kills and Lindsey Peel had 8 service points.

The freshman team also had a perfect district record and an overall record of 21-1 as they ended their season Tuesday night with a 15-13, 15-7 win over DeKalb. Amanda Nichols had 8 kills and Jodie Bybee had 16 assists. Nikki Bybee had 4 kills and 12 service points.

The JV ended their season with 20-7 and the freshmen ended with a 21-1 record.

**Have A Great Weekend!**

**Patriot 7th grade take district**

The Prairiland 7th graders once again took care of business Thursday night at DeKalb. If you didn't get to see these kids in action you really missed a thrill.

The Patriots began the game, scoring with their first possession making the score 6-0.

The Cubs from DeKalb came back strong as they returned the first Patriot kick-off 80 yards for the tying score.

The Pats came back and soon left the Cubs behind as Cody Upchurch ran for over 300 yards for the night, scoring four TD's for the night. Darren Lane went in twice for extra points adding 4 points to victory and Cole White scored two points.

White also did an excellent job passing the ball and gaining yards.

The offensive line, the no-glory members of the team, did a fantastic

job blocking and making holes for the offense. The linemen have done a great job all year. Linemen are Cody Flatt, Matthew Owen, Kyle Kinslow, Matt Hostelter and Josh Allen.

The Patriot defense is outstanding also with tackles made Thursday night by Flatt, Kinslow, Withers, Owen, Jay Curt McKee, Allen, Upchurch, Lucas Morgan and White.

Flatt managed to end the first half with a quarterback sack. Landon Woodall saved a Cub TD, knocking a DeKalb runner out of bounds. McKee broke up a pass that could have been another TD for the Cubs.

The Patriots ended the season with a 30-18 victory and a record of 6-1. The only loss being to Detroit 8th graders. They need to be thankful they don't have to face the Mighty Patriots again!

**Have A Great Weekend!**

**DeKalb takes JV Patriots 34-8**

The Patriot JV football team was beaten last Thursday, October 26, 2000 by DeKalb.

The final score was 34-8. The Patriots opened the game with a 56-yard drive that ended with a TD pass to Aron Arrasmith from Blake Smith.

The PAT was good and the Patriots led 8-0. However, the DeKalb team continued to move the ball and was aided by a couple of Patriot turnovers.

The JV is now 5-3 and travels to Chisum this week.

**FOOT NOTES**

**Club Foot**

Clubfoot, or equinovarus, is a common birth defect caused by a combination of hereditary and other factors that may affect prenatal growth. The foot twists inward and down, and the heel cord is often tight, making it impossible to bring the foot to a normal position without help. If both feet are affected, the toes point toward each other. The painless condition does not cause problems until the baby tries to stand or walk. If left untreated, the ankle remains twisted and the foot cannot move normally. An awkward gait develops and can lead to infection, calluses, slowed growth in the leg, and arthritic symptoms. When just one foot is affected, that foot and calf become smaller than the other.

Whether feet are brand new or have a few miles on them, don't wait to see if their problems will "just go away." Some conditions like clubfoot definitely won't and most others probably won't, and you certainly don't want to be left with more serious, harder to fix problems later on. Feet of all ages deserve the comprehensive professional attention you'll find at DOCTOR'S FOOT CLINIC. Please call for an appointment today at 784-5585.

OFFICE LOCATED AT  
3605 N.E. LOOP 286 STE 1800  
PARIS, TEXAS  
P.S. Treating clubfoot usually involves casting the affected area or performing surgery to correct the condition.

Section 1.03. Same-Enumerated  
The following acts, among others, are declared to create loud, disturbing and unnecessary noises, and shall be deemed a violation of this Ordinance, but such enumeration shall not be deemed to be exclusive:  
(a) The continued or frequent sounding of any horn or signal device on any automobile, motorcycle, bus or other vehicle, or the creating by means of any such signal device of any unreasonably loud or harsh noise for any unnecessary purpose or unreasonable period of time, except as a danger signal, or as may be required by law, if another vehicle is backing, starting or turning in such a manner as to likely cause a collision.  
(b) The playing of any radio, television, phonograph, stereo, drum, musical instrumental or other similar devices in such an unreasonable manner, or at such an unreasonable volume, as to disturb the peace, quiet, comfort or repose of persons of ordinary sensibilities in any dwelling, apartment, hotel or other type of residence, or any place of business in the immediate vicinity thereof.

This proof is prima facie evidence of the ownership of the vehicle by the person to whom the certificate of registration was issued.

You the people of Precinct 1 elected me Commissioner four years ago to do a job. I was able to employ the qualified people to do that job, and I feel we have made a vast improvement:

25 miles of existing oil road have been reconstructed. 60 miles of gravel roads have been upgraded to oil roads. 25 miles of dirt roads have been upgraded to gravel.

We have obtained additional equipment, maintained all equipment well, most major equipment is new and Precinct 1 is absolutely DEBT FREE.

Lamar Co. presently has a Commissioner's Court that works well together for the interest of the taxpayers. If you want to see the same improvements to continue in Precinct 1 and have strong representation on commissioner's court, there is but ONE CANDIDATE
