WINS FOOT BALL--LOSE BASKET BALL GAME

The Haskell High School foot ball team and the girls basket ball team went to Stamford last Friday and played the Stamford teams. The Haskell High Foot ball team defeated Stamford by a score of 38 to 0. The girls lost to Stamford by a score of 17 to 9.

The school turned out at 2 p. m. so that all who wished to go to Stamford could do so, and about one hundred boosters took advantage of the opportunity and went along.

The Basket Ball game was a good one and was played with much vigor, but the Haskell girls were unable to play as well as usual on account of the field, which was made of cinders. The Haskell line up follows: Guards, Verna Oates, Eugene Hayes, Centers, Davie Maud Cummings, Annie Lou Smith, Forwards, Ira Mae Mann, Mae Simmons.

The foot ball game was the fifth game played with the Stamford team during the past three seasons and the Haskell team had as easy a victory as the Stamford boys had the first four games. The Stamford boys took their defeat good naturedly but were humiliated to know that Haskell had at last succeeded in developing a team that could defeat them. Haskell's line-up was as follows: Neathery L. E.; McConnell, L. T.; Sprowles, L. G.; Posey, G.; Sanders, R. G.; Avery, R. T.; Wyehe, R. E.; S. Neathery, Q. B.; Whitley, L. E. B.; Oates, F. B.; Griffin, R. H. B. Goals, 2 touchdowns, 6.

WEEKLY FINANCIAL REVIEW

Prepared for The Free Press by the St. Louis Union Bank, St. Louis.

Despite the government's low marine insurance rate and the losses suffered through the submarine raids off the American coast, less than two thirds of the premiums paid to the marine section of the War Risk Insurance Bureau have gone to pay losses.

This was shown today by a report that between September 2, 1914, when the bureau was organized, and October 15, 1918, \$1,846,497,000 insurance was written on ships and their cargoes, mainly those passing through the war zone, involving premium payments on 24,960 policies of \$45,825,000, and that losses were \$29,775,000.

Profits to the government was \$16,050,000. All but \$305,442,000 of the insurance has been written since the United States entered the war.

Insurance policies aggregating \$187,298,000 have been written by the bureau on the lives of merchant seamen since June, 1917. Premium payments amounted to \$783,000, losses \$281,000 and profits to the government \$502,000.

The cost of administering the marine insurance four years was \$140,000, and the seamen's insurance \$33,000.

NEW METHODIST PASTOR PREACH FIRST SERMON HERE

Rev. J. P. Patterson, the new Methodist pastor, preached his first sermon here last Sunday evening. The other churches of the town dismissed services and went over to the Methodist Church, and joined in the services with them.

C. B. Long returned Tuesday from Camp McArthur, where he had been in the officers training camp for eight or nine days. As soon as the kaiser received word that Buford was coming he at once abdicated and took to the tall bushes. His army immediately signed the armistice.

Tom Davis, of Camp Travis, is in the city this week on business. Mr. Davis was formerly County Attorney of Haskell County but resigned his office to enter the service.

Judge S. W. Scott left Wednesday his home in Austin, after spending several days in the city looking after business interests.

County Attorney elect J. E. Williams came in Wednesday from the hankle country where he has been several weeks.

DATE FOR MAILING XMAS PARCELS TO SOLDIERS EXTENDED

The final date for mailing Christmas parcels for soldiers and war workers overseas has been extended from November 20th to November 30. In order to relieve the distress that has been occasioned by the slow arrival of Christmas Parcel labels from abroad, and the fear that they would not come at all, the War Department has arranged to supply the American Red Cross with labels which the Red Cross in turn will issue to the public under the following conditions:

Persons who have received no Christmas parcel label from abroad, should apply to the nearest Red Cross headquarters, and in the presence of an authorized representative of the Red Cross should make the following statement in writing: "The undersigned hereby makes application to forward to _____ whose address is _____ one Christmas Parcel. The undersigned hereby declares that he, or she, is the nearest living relative in the United States of the person for whom the Christmas Parcel is intended. The undersigned furthermore declares that he, or she, has not received a label from abroad, and that should such label be subsequently received, it will not be used. The undersigned further declares that to the best of his, or her, knowledge and belief only one Christmas Parcel will be sent from America to the proposed recipient, and that this parcel will be sent by the undersigned."

This application when duly executed and signed by the applicant and approved by a representative of the Red Cross, will entitle the applicant to one Christmas parcel label and one pasteboard carton, both of which a representative of the Red Cross will give to the applicant in person; provided, however, that the applicant in the presence of the representative of the Red Cross so acting, shall address the Christmas parcel label in conformity with the address of the recipient of the box shown in the application.

The foregoing regulations become effective on the morning of November 21st. They are not applicable now to any case or condition, and the Chapters are urged to make this clear and unmistakable to the public.

Mothers send your boys a Christmas box for they will not be able to eat Christmas dinner with you this Christmas.

Scott W. Key returned to his home in Waco Wednesday, after spending several days in the city on business.

GAS REPORTED IN MUNDAY WELL

The report reached here this morning that gas has been struck in the Munday well at a depth of about 1100 feet. It has been estimated by some that has been on the ground that the well is probably good for 1,000,000 cubic feet per day or better. Several of the Haskell Oil operators left for the well today.

The Kouri well on the Ballard ranch is drilling at 740 feet and the promoters of the well are very optimistic over the outlook.

Practically the entire county has been leased and prospects for at least two or three more test wells in this section, is said to be an assured fact.

J. U. Fields left Tuesday for Ft. Worth where he was called to the bedside of his wife, who is reported to have taken the influenza. Mrs. Fields left last Thursday to attend the annual convention of the Women's Federated Clubs at Dallas, and taken the influenza while visiting friends in Ft. Worth, before going to Dallas.

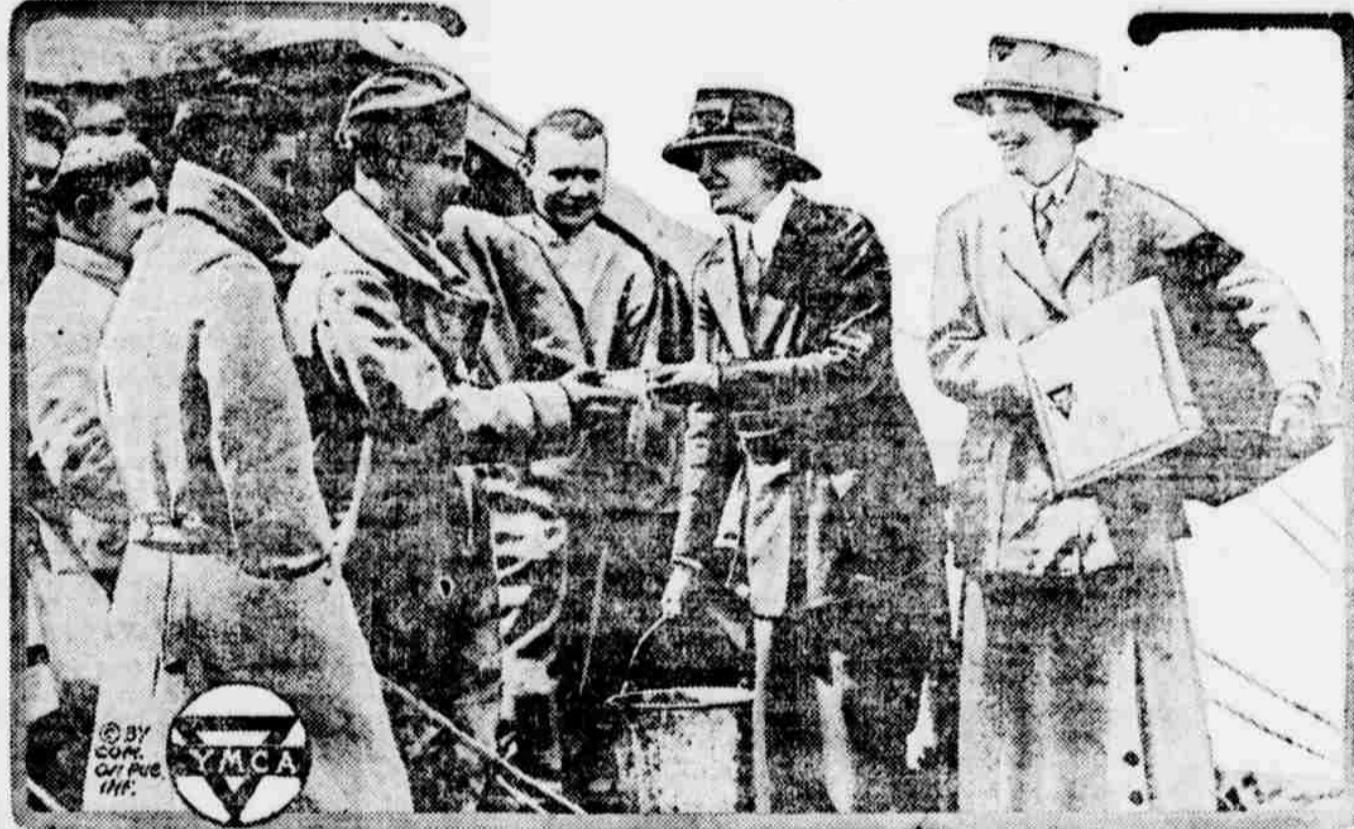

H. M. Smith left Wednesday morning for Breckenridge after spending several days in this city on business.

Rev. J. H. Edmonds of Rule was in the capitol city Monday on business.

John Moore of Tanner was in the city Wednesday to meet Sam Burk who has been at work in Wichita Falls for several months.

J. F. Posey returned Thursday from Bastian where he had been visiting relatives and friends.

HOT BROTH FOR "BUDDIE"

Hot broth is always welcomed by our men "over there," but when it is served by a "regular American woman" it is doubly welcome. Photo above was taken at a French field hospital "somewhere in France," and shows two Y. M. C. A. canteen girls serving the convalescents. "Something to warm you up a bit, buddie," heard at the outer edge of a tent is sure to bring instant response from the inside of the tent. The American Red Cross nurses, Salvation Army lassies and Y. M. C. A. canteen girls hold themselves in readiness for any and every kind of service. "Buddie" is glad to see them, whatever their mission, for, being Americans, it is good just to feast one's eyes on them.

BIG INCREASE IN WHEAT ACREAGE

The Federal Food Administrator asked the farmers of our country to increase the acreage in wheat this fall in order to meet the food needs of a hungry world. The rains during September and October has caused the farmers of Haskell county to respond to this appeal and there has already been more than twice as much wheat sown than every before in the history of the country.

It has been estimated by the grain dealers of the county, that there has been more than 60,000 acres sown in wheat to date and with another good rain in the next few days the total acreage would probably exceed 100,000 acres.

Most of the wheat that has been sown is up and looking fine--some of it large enough to make good pasture, which will greatly decrease the amount of feed that would have necessarily been shipped in to take care of the stock during the winter.

Locals From Rule Route No. 1

There still are a few cases of influenza in this part of the country.

Miss Laura Mae Thorneberry spent Sunday with Miss Middle Norman.

Mr. and Mrs. Claud Ashley spent Sunday with Mr. and Mrs. Earge Johnson of the Whitman community.

Miss Pearl Norman spent Saturday night with Miss Exa Ashley.

Miss Annie Hall spent Friday night with Miss Mary Hitt.

Misses Exa Ashley and Pearl Norman spent Friday night in Rule with Mrs. John Chuck.

Mr. and Mrs. Floyd Norman and little daughter spent Sunday with Mr. and Mrs. E. P. Allison.

Well, everyone is rejoicing over the close of the war.

Sunshine.

Mr. and Mrs. C. E. Malcoe left Monday for Uvalde, Texas where they will spend the winter months.

John Armstrong of Sagerton was in the city Wednesday on business.

INTERESTING PROGRAM GIVEN BY MAGAZINE CLUB

The Magazine Club met November 15th, a program on "National Efficiency" was rendered.

Miss Vera Neathery gave a splendid paper on "Education one of the most important duties are to educate our boys and girls, who are to be the men and women of tomorrow."

Mrs. Reynolds talk on "Public Health" was very instructive and interesting, she said the fighting and winning of this great war had increased the responsibility of every man and woman, every boy and girl in our nation, and we could only meet these responsibilities by keeping ourselves well and strong; really there is no higher form of patriotism than using our influence for the betterment of Public Health.

Mrs. Kirkpatrick gave a most excellent paper on "Social Service, Agencies and Organized Charities." She told of the many deeds of mercy and acts of kindness that had been rendered by these agencies that had made someone's burdens lighter and gave some more courage to fight life's battles in the future.

The Library Committee has recently rearranged all the books in the Library, and the Magazine Club is eager to make the Library a truly cultural center, from which radiates lives of influence that make for the betterment of our town, and desires that all realize books are real friends also seriously wishes to develop the love of good literature, so any time you desire to read a good book or consult references, come to the Public Library.

The members of the Magazine Club are librarians on each Tuesday and Saturday afternoon from three to four and will give all a most hearty welcome.

Methodist Church Announcement

Rev. J. T. Hicks, presiding elder of the Stamford District, will preach at the Methodist Church Sunday evening at 7 o'clock. The pastor J. P. Patterson will preach at the morning hour. Everybody invited.

Miss Mary Walhall returned Thursday to Ft. Worth where she is attending school, after a visit with home-folks here.

\$3,508.00 RAISED IN WAR WORK CAMPAIGN

The war work Campaign Committee for Haskell County announces that there has been a little more than \$3,500.00 subscribed to the War Work Fund.

This is indeed a good showing for the county when it is taken into consideration that less than 200 bales of cotton has been raised in the county this year, and practically no feed, in comparison with an average crop of 30,000 or 40,000 bales.

The amount raised by the different towns in the County are as follows:

Haskell	2,435.00
Rule	330.00
O'Brien	112.00
Rochester	158.00
Sagerton	350.00
Weinert	133.00
Total for County	\$3,508.00

LUMAN MURDER CASE POSPONED

Very few cases have been tried in District Court this week. The case of the State of Texas vs. Will Luman charged with the murder of J. F. Bostick, was continued until December 9th.

The case against Luman and Higdon, charged with being implicated in the murder of C. C. Higgins at Clairmont have been continued until the May term.

The case of Luther Kenamer charged with the murder of C. F. (Speck) Davis was called Thursday morning and the following jurors selected from the special venire; W. C. Norton, J. E. Mapes, W. N. Huckabee, S. M. Lefler, A. H. Porterfield, Jno. A. Couch, T. B. McMeans, H. B. Newton, W. H. Russell, J. B. Pardue, Jim Findley, and M. S. Dodson. The case will probably go to the jury today.

The case of Walter Vernon, indicted by the grand jury for the killing of W. L. Hills of Rule has been set for December 2.

Rev. Tom Cunningham of Stamford preached at the Presbyterian Church last Sunday.

S. M. Davis, cashier of the Farmers State Bank of Rule, was in the city the first of the week on business.

J. L. Jones of Abilene was in the city Wednesday on his way home from Rule where he had been looking after business interest.

Mrs. H. G. McConnell left Wednesday for Austin where she will visit relatives and friends.

J. W. Collins, of Austin is in the city this week on business.

SING-SONG SET FOR THANKSGIVING DAY

Proceeding on the theory that patriotic exultation, and the real spirit of thankfulness which now permeates the breast of all Americans, may be expressed by lifting the voice in song, the big Thanksgiving celebration to be arranged by the Symphony Club at the Methodist Church will consist of all patriotic songs and will no doubt be the best that has ever been attempted in Haskell--as that is the way the Symphony Club does things.

The program will open at 4 o'clock in the afternoon and ever man, woman and child in Haskell County is invited to take part. As the ladies expressed it: "Every man, woman and child in the county is extended an individual invitation to be there."

The following is the program that will be rendered:

- Opening Prayer.
- Talk, by Mrs. J. U. Fields.
- Chorus, "Ladle in Kahki,"--Symphony Club.
- "Star Spangled Banner."
- "America."
- "Battle Hymn of the Republic."
- "Hymn of Freedom."
- "Columbia the Gem of the Ocean."
- "The Battle Cry of Freedom."
- "Over There."
- "Chorus, Long, Long Trail,"--by Symphony Club.
- "Keep the Home Fires Burning."
- "Canning the Kaiser."
- "Smile, Smile, Smile."
- "Great is America."

Prayer.

There will be plenty of song books at the church with the above songs in them and everybody is invited to come and take part.

Methodist Auxiliary

Week of prayer and self denial was observed Monday, the 17th, by an all day program. Beginning at 10 a. m. our president, Mrs. Guest, gave us a wonderful picture of what it might mean to be "Chosen of God," and make God our choice. Also a Vision of God's Work and Occupancy of foreign lands.

- Christian civilization.
- Changing family relationship--Mrs. Morton.
- Special music--Miss Neathery.
- Pioneers in education--Mrs. Kirkpatrick.
- Pioneers in National Health--Mrs. Cox.
- Pioneers of a Vital Democracy--Mrs. Gilbert.

Mrs. Hugh Smith told of the work being done by one of our decesses, Afternoon Friends of God--Mrs. J. B. Smith in her kind way told us how beautiful it is to be friends of God and have him for our friend.

Are we willing to pay the price for God's Friendship?

Special prayer was offered by Mrs. P. D. Sanders for our membership who were absent because of illness.

The why of the week of prayer--Mrs. Montgomery.

Duet--Mrs. Kaigler and Mrs. Walden.

Offering of \$20 goes to the retirement fund. A fund set apart for the maintenance of our worn out missionaries.

Because of Mrs. Fields' illness Mrs. Kaigler will teach our Bible lesson next Monday.

Every body is urged to come.

Mrs. John Oates left Wednesday night for Dallas where she will visit relatives and friends for a few days.

Col. W. A. Earnest, the congenial manager of the Western Cotton Oil Company of this city, left Wednesday for Dallas where he will look after business interest.

T. C. Williams and family left Thursday for Cisco where they will make their future home. Mr. Williams has accepted a position with the Texas Oil Company.

S. B. Pierson, J. C. Pierson and wife and Mrs. M. Pierson of Agartmont were in the city Wednesday visiting relatives and friends.

W. M. Reid made a business trip to Dallas this week, returning Wednesday. O. V. Payne called at the drug store in Mr. Reid's absence.

OUR WEEKLY LETTER FROM CAMP TRAVIS

Written for the Free Press by the Camp Publicity Officer

As if a gigantic lever had been thrown, the machinery of the mammoth receiving station at Camp Travis was reversed at the signing of the armistice, and recruits of the latest draft who a few hours before had been transformed from civilians into soldiers quickly were restored to their former status and were paid off and sent back home.

Beyond the return of this increment the local officials are without further

demobilization orders and probably not before congress acts will any of those who came to camp in previous increments be released. On the other hand the intensive training program of both the 165th Depot Brigade and the Cactus Division is being pushed as if the struggle still was raging over on the other side of the Atlantic. Transfers from the depot brigade to the division are continuing.

No wonder France is wild with joy over the victorious conclusion of the war. Four months ago things looked rather gloomy for the Allies.

For several weeks there has been doubt as to who was leading the Germans, but there was no doubt as to who was running them.

The trend of affairs within the fatherland indicates that hereafter Prussian officers will have to do the stepping off the sidewalk when they meet civilians.

The farmers are all busy in this community trying to save their feed. We have certainly had pretty weather this fall to save what little crops was made in this country—most everything was cut short by the drought. But as the war is ended we ought to feel thankful.

Calvin Edwards of Goree died the first of the week. He had charge of the telephone switchboard at night. Some of his friends sit up with him the night before until real late and left him feeling fine. Next morning he was found dead in bed by J. O. Kendall, the telephone manager. The

family and friends have our sympathy in their bereavement.

Clyde Fudge, who has been working on a ranch between Seymour and Throckmorton, was fatally injured last Saturday afternoon at about 3 o'clock, and died at 10 o'clock that night, without gaining consciousness. He was running his horse after a cow and from some cause ran over the cow, the horse falling with him. He leaves a wife and baby besides his parents, Mr. and Mrs. A. O. Fudge, and several brothers and sisters. Our heartfelt sympathy goes out to the bereaved family.

Mr. and Mrs. M. S. Dotson and children, Mr. and Mrs. Chas Campbell and daughter, Miss Ina Fay, and Mrs. Dave Umer of Plain View attended the party at J. A. Shelton's.

The Young folks spent an enjoyable Saturday evening at a party at the J. A. Shelton home. They began playing promptly at eight o'clock. Naturally snap was the best game on program. Twenty or thirty minutes were spent in the "1918 model," followed by a series of ring plays which gave their place to "Rufus" and Jacob."

Just when this game began to grow monotonous, Walter Davis came forth and suggested that they play "Poison" for the next thirty minutes the house was in an uproar of shouts and laughter. A few other games were played when suddenly the clock called out the hour of twelve, which was a reminder that it was time for us to disperse. They immediately gathered up their raps, expressed their gratitude to Mr. and Mrs. Shelton for having furnished them such a pleasant evening and departed for their regular places of abode, with vivid memories of the evening.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . ."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

DON'T BE MISLED ABOUT GASOLINE!

Gravity does not indicate the quality of gasoline. Specific gravity is important, of course, but what really counts, what really determines the miles per gallon, is Volatility and End Point.

Volatility

means the point at which a liquid vaporizes. You can readily see that the gasoline which vaporizes at the lowest temperature will be the quickest to explode. Therefore a low vaporizing point means quickness and ease in starting your car.

End Points

is the temperature at which a quantity of liquid stops vaporizing. Therefore the lower the End Point, the longer and more uniform the explosion—the smoother your car will run and the more miles per gallon of gasoline you will get.

Home Gasoline

"The Gasoline with the punch"

is low in Volatility and End Point. It gives the most miles per gallon for automobiles and the greatest power per gallon for stationary engines.

TELLS OF THIRTY-TWO YEARS OF TROUBLE

Dunavant Free From Rheumatism First Time Since He Was Seven Years Old--Tanalac Only Thing Helped Him.

"I am free from rheumatism for the first time in thirty-two years, since taking this Tanalac," said B. N. Dunavant, 934 Juhl Place, Memphis, Tennessee.

"When I was seven years old, I was taken down with rheumatism," he continued, "and for two years I was unable to walk and had to be carried about by a nurse. I had it in three forms, muscular, sciatic and inflammatory and I simply suffered from agony from head to foot. I was down from two to three months at a time, unable to do anything and my left arm got so I couldn't raise it from my side. Many a night I suffered so I couldn't sleep a wink and would have to get up and walk the floor.

"I tried medicine after medicine and made two trips to Hot Springs but nothing gave me more than temporary relief. Some of the medicine I took was so strong it upset my stomach, and I got worse. I started taking Tanalac, and took six bottles and I haven't had a pain since I finished my last bottle nearly a year ago. I went through the last hard winter without a pain. My stomach has been put in good condition also, and I have gained eight pounds. I feel like a different man."

Tanalac is sold in Haskell by Reids' Drug Store.

WOMAN WORKS 15 HOURS A DAY

Marvelous Story of Woman's Change from Weakness to Strength by Taking Druggist's Advice.

Peru, Ind.--"I suffered from a displacement with backache and dragging down pains so badly that at times I could not be on my feet and it did not seem as though I could stand it. I tried different medicines without any benefit and several doctors told me nothing but an operation would do me any good. My druggist told me of Lydia E. Pinkham's Vegetable Compound. I took it with the result that I am now well and strong. I get up in the morning at four o'clock, do my housework, then go to a factory and work all day, come home and get supper and feel good. I don't know how many of my friends I have told what Lydia E. Pinkham's Vegetable Compound has done for me."--Mrs. ANNA METTERIANO, 36 West 10th St., Peru, Ind.

Women who suffer from any such ailments should not fail to try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

SPECIAL PRICES ON GROCERIES

Owing to prevailing conditions, we have been forced to put our business on practically a cash basis. And we have decided to make some extremely low prices on them. We have a good, big stock, most of it bought much cheaper than we could now buy, which enables us to make such low prices. We give below a few of the prices you get if you buy from us.

PATRIOTISM IS ECONOMY With the nation at war, the interest of our country demands that we practice economy. This doesn't mean that we quit buying necessities, but that our best judgment should be used in the buying. If your house or barn needs repairing to protect your family, livestock or farm products it should be done before the extreme bad weather begins. As it is not economy for you to lose what you have through a false sense of saving a few dollars. Let us figure with you and tell you what the job will cost you to have it done. BUILDING UP OUR WOMANHOOD

Given Up to Die by Her Friends, a Young Lady Recovers Her Health and Increases Weight—45 Pounds.

A Powerful Nation Needs Strong Healthy Women.

A nation is no stronger than its women. Hence, it is the duty of every woman whether young, middle aged, or in advanced life to preserve her health. If you are sick and suffering don't wait until tomorrow but seek relief at once—today. Tomorrow your illness may take a chronic turn.

There is a remedy for almost every ill. Thousands have found Peruna to be that remedy as did Miss Clara Lohr of 21 N. Gold St., Grand Rapids, Michigan. She writes a friend: "I don't need Peruna any more. I am all well after taking six bottles. I weighed ninety pounds before I started and was poor and weakly. I had such a cough and spitting all the time that I never expected to recover. My friends gave me up. I could eat nothing. Now I can eat and weigh 125 pounds. I most thankfully recommend Peruna to my friends."

Miss Lohr's letter is an inspiration, a message of hope to suffering women. It tells you that you too may be strong and well and vigorous.

Peruna may be had in either liquid or tablet form. Ask your dealer. If you value health, do not accept a substitute. Dr. Hartman's World Famous Peruna Tonic is what you want. The Peruna Company, Dept. 73, Columbus, Ohio, also publish Dr. Hartman's Health Book. The book is free. Write for it. Your dealer will give you a Peruna Almanac.

Only One Corn Peeler, "Gets-It"

Stop Corn Pains; See Corn Peel Off.

It is just when a corn hurts that you want to feel sure about getting rid of it. Why take chances of keeping the corn and having the pain grow worse? You'll use "Gets-It."

The Only Peels-Off Way is "Gets-It."

It's anyhow, sooner or later, might as well use it sooner. Then you are absolutely sure that the corn will loosen from your toe so that you can peel the whole thing off painlessly with your fingers, in one complete piece—just like peeling a banana. It takes a second or two to apply "Gets-It." There's no fusing or putting. Corn-pains will vanish—that's what you want while the "Gets-It" does the rest. Nothing new for corns has been discovered since "Gets-It" was born. Follow the judgment of the millions; use "Gets-It" and be sure to be corn and pain free! You'll say it's magic. "Gets-It" is the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Made by E. J. Lawrence & Co., Chicago, Ill.

Federal Land Loans

It may seem odd, and most people will question it, but the facts show that a farmer, borrowing from the Federal Land Bank, is actually paying but three and six-tenths per cent interest, though the note reads a rate of five and a half. How does this come about?

He borrows \$1,000. The length of time is thirty four and a half years. The rate is five and a half per cent. Each year, in addition to interest payments he pays one per cent, or \$10 on the face of the loan in the time he pays as principal only \$345, yet the loan is paid off in full. What has become of the rest of the principal?

Put it another way. During the life of the loan, he will have paid, principal and interest, \$2,242.50. Deduct from this the amount of the principal \$1,000 and he has paid during the time only \$1,242.50 as interest for thirty four and a half years on \$1,000. Dividing this it appears that the interest rate he has paid is three and six-tenths per cent per year. Yet he thought he was paying five and one half per cent. Yet these are the facts and figures. They can be verified by anybody, and the Federal Land Bank is ready to loan millions and millions, and is doing it on these terms.

Don't let anyone mislead you about these Federal Loans...The United States Government planned them for your benefit and recommends them to you...Do you ask more?
