

JUDGE HAMILTON FOR CITY ASSESSOR AND COLLECTOR

We have the pleasure this week of presenting the name of our old friend (Judge) Hamilton to the voters of Haskell as a candidate for the office of City Assessor and collector. The election to be held Tuesday, April 2nd. Judge Hamilton is probably one of the best known men in the city, as he has lived here for a number of years. He formerly held the office of County Assessor of Haskell County for four years and is liked by everybody. He is thoroughly qualified to fill the office to which he aspires and the Free Press does not hesitate to recommend him to the voters of the city. He will appreciate your vote and influence and make a good officer if elected.

COMMISSIONER LEWELLEN BUILDS BRIDGE ON BUFFALO

County Commissioner J. C. Lewellen has just completed a new Iron Bridge over Buffalo Creek, east of the city on the Throckmorton road. He began putting the material on the ground Monday morning, March 18th, and at the close of the day Wednesday the bridge was ready for the service of the public. The bridge is a thirty foot suspension span and is an all round good one, which will be a living monument to Mr. Lewellen's service as county commissioner.

Several from this city attended the singing at New Mid last Sunday. Those whose names were given us were: Mr. and Mrs. Ed Fouts, Mr. and Mrs. R. A. Hays, Claud Maxwell and others, and all report a good time and plenty to eat.

PATRIOTIC MEETING IN CONJUNCTION WITH UNION SERVICES AT METHODIST CHURCH.

The patriotic union meeting at the Methodist church was well attended Sunday night. From the beginning of the program until the end there seemed to be manifested a spirit of true patriotism. The house was packed to its full capacity and the audience seemed to be in tune with the speakers. As the speaking progressed and the duties of the citizens and soldiers were explained there seemed to be a greater determination written on the face of the audience that they would back up the boys in the trenches to the last man.

After the singing of "America" by the entire audience, Mr. R. C. Couch spoke on "What We Expect of Our Boys in the Trenches." He pictured the young men, the flower of American manhood, laying aside all personal ambitions and wishes and leaving the old home friends crossing the treacherous waters to fight the monster beast—kaiserism. He said in part that we expect our boys to uphold the honor and traditions of our noble country, and if necessary to sacrifice their lives on the altar of liberty for "Old Glory."

After the rendering of the French national anthem, Mrs. J. F. Posey spoke on "What We Expect of Our Boys in the Trenches." Her talk was mainly to the young men who were to be called to the colors and to those who might be. She referred to the song that had just been sung, which said that we expect you to fight "to victory or to death." Mrs. Posey appealed to the young men to carry with them the ideals of the true American home and at all times to conduct themselves in a way that would reflect credit and honor on America, and prove to the world that America was not a selfish, dollar-seeking country, but was in this war for the love of humanity and to help make the world safe for democracy. To teach the world that no nation can set up a doctrine that "might makes right."

Mr. O. E. Patterson spoke on "What the Boys in the Trenches May Expect of Us." He pictured the boys, sacrificing their all, even their lives if necessary, for their country. And no matter what sacrifices we might make, they are small and insignificant compared with the sacrifices the boys are expected to make, and are making for us. He said that we were, as a whole, falling short in the purchase of War Savings Stamps, and not doing our full duty by the Red Cross. He emphasized to the audience that this was a day of sacrifice, and that the people of America were passing through a crucial period, that we were being tried in the fire of furnace and that he hoped that we would come out as true as steel, and that when we were weighed in the balance we would not be found wanting.

Rev. S. B. Hoyt made a short but inspiring talk on "Keeping the Home Fires Burning in the Churches." He explained that there were more need than ever to strive and keep the interest in the churches growing, and that when the added responsibilities of the war fall upon our shoulders not to shirk our duty in the church.

Elder P. W. Walthall made a short talk on what the Red Cross had accomplished and its mission in this war. He stated that he would make a great effort to bring the monthly finance up to a point so there would be plenty of money to finance the different branches. He also spoke of the advisability of organizing a home guard.

All in all, the meeting was everything that it set out to be. I am sure that each individual who attended the services felt his responsibilities as an American citizen more keenly; that his obligations to the boys in the trenches were great, and by attending the services were inspired to be a one hundred per cent American. To keep the faith and after the strife and turmoil of the war is over and the "iron heel of imperialism" has been trodden beneath the tongueless silence of a dreamless dust, and justice and right shall reign, that our boys may return to us, better, stronger and more useful citizens after having gone through the acid test.

MRS. OWEN TOLLIVER UNDERGOES OPERATION

Mrs. Owen Tolliver of Ballew underwent an operation for appendicitis at a Dallas sanitarium Tuesday morning at 10 o'clock and is reported to be getting on nicely. She has been sick for several weeks and on last Sunday morning she was taken to Dallas for the operation. We are very glad to learn that the operation was successful and we hope that Mrs. Tolliver will soon recover and return home to her husband, parents, and friends.

W. I. McCarty has purchased a new tractor two-row cultivator from the Avery Plow Company of Dallas through the local firm of McNeill and Smith Hardware Company. The tractor will be used by Mr. McCarty on his farm cultivating his war crop.

J. F. COLLIER ANNOUNCES FOR RE-ELECTION

J. F. Collier, our present efficient City Assessor and Collector authorizes us this week to place his name in our announcement column as a candidate to succeed himself. Mr. Collier has made us a good City Assessor and Collector during the past and we are sure that if he is re-elected he will continue to do so in the future. He invites an inspection of his books and records. He has been in Haskell for a number of years and is well and favorably known by everybody. He will appreciate your support and promises to do in the future as he has done in the past—the very best he knows how. Election to be held Tuesday, April 2nd.

J. J. Wilson and son, R. H., were in the city from Lone Star Saturday.

Speakers will make talks at every office in the county on the opening (April 6th). A speaker from Dallas will lecture here, and local men will follow the following places:

Let every man who wants to see America win this war, begin now to see how much he can invest in the coming loan. It takes money to fight and we must fight to win, and win we will.

CLOCKS WILL BE ADVANCED ONE HOUR AT TWO O'CLOCK SUNDAY MORNING.

"War time" will be effective in Haskell Sunday morning. Practically all of the clocks in the city will be set forward one hour between sunset Saturday and sunrise Sunday, causing everybody to "lose" one hour during the night. The person who does not set his clock forward and conform to the new chronological schedule will be an hour late wherever he goes.

This latest war measure has met with the general approval of Haskell citizens, and most people seem to believe that it is for the best interests of the country in time of peace as well as war. Indications are that every large firm and institution—and all individuals will "take time by the forelocks" and live an hour ahead of their usual daily schedules as long as the Government thinks it desirable.

Indications are that the Government is intending to make the new time system effective every summer, or during

The new change of time will not create any material disturbance, because the people of this country usually regulate their actions by clocks and watches and not by the sun. As a matter of fact few clocks and watches are regulated in time with the sun. The United States has four different time zones, Eastern time is one hour ahead of Central time, Central time is one hour ahead of Mountain time and Mountain time is one hour ahead of Pacific time.

The law providing for this change of time is known as the "daylight saving law," and is expected to effect a saving of lighting and heating fuel.

MISSOURI LEADS IN SALES OF WAR SAVINGS STAMPS

Washington, D. C.—Missouri, with a total of \$9,015,880, leads the country in the sale of war savings stamps, according to the first detailed statement of the campaign issued by the National War Savings Committee.

The statement made public today and including sales from the beginning of the drive in December to the end of February also shows the Missouri River States—Nebraska, Missouri and Kansas—leading in the order named in per capita subscriptions. Maryland, however, advanced to second place in the per capita sales for the month of February alone, with New Mexico, Kansas and Missouri following in the order named.

The total and per capita sales of war savings securities for the States to the end of February include: Missouri, \$9,015,880.68, \$2.54; Kansas \$4,365,804.16, \$2.31; Texas \$5,311,375.17, \$1.16; Oklahoma \$2,062,462.43, 89c; Arkansas \$1,113,871.29, 62c; Tennessee \$1,180,910.51, 50c; Louisiana \$802,010.45, 43c.

JUDGE E. W. MOSER DIES AT RULE

Judge E. W. Moser, age 64 years, died at his home in Rule Saturday morning at 4 o'clock. The funeral services were conducted Sunday at 3 p. m., by Rev. Matheny of Rochester, after which the body was laid to rest with Masonic honors. He had been a member of the Christian church for 30 years and in his life he practiced what he professed. He was to his church, his friends and his family a strong anchor, and will be sorely missed from his place among them. He was the father of 11 children, 8 of whom are living. Those of the children who are living in other parts are E. W. Jr., of San Antonio, C. E. of Blessing, Mrs. Estelle Porter of Clinton, Okla. Those of Haskell County are S. A., and R. A. Moser, Mrs. Maude Wilmon, Mrs. Edith Baker and Miss Grace Moser, who were all present at the funeral. The mother of the children died 18 years ago. Judge Moser has been making his home in Rule for several years and has held the office of Justice of the Peace for 9 years and maintained at all times the utmost confidence of the whole people. In the last election he made the race without opposition and polled every vote in the precinct.

In his passing away Rule has lost one of its best business men. The church has lost a pillar from its foundation, his lodge has lost a faithful member and his family a loving father. The Free Press extends to the bereaved family our deepest sympathy.

HASKELL COUNTY WILL ORGANIZE LOYALTY LEAGUE

A mass meeting was called at the house Monday afternoon for the purpose of organizing a Home Guard or Loyalty League, which was well attended by business men and farmers surrounding country.

After discussing the subject at some length it was decided to leave the plan of organization to a committee composed of R. V. Robertson, O. E. Patterson, P. W. Walthall, Rev. Ed R. Jno. R. Hutto, Sam A. Roberts, Whitaker and Sheriff W. C. who recommended to the meeting which was called together again Friday that the Fire Company, who furnished their services as a Guard be accepted and a Loyalty League be organized which would cover the county. Hon. W. H. Murchison, W. Pace and R. V. Robertson recommended by the committee to adopt a suitable pledge and constitution by-laws of the organization, above recommendations were adopted by a unanimous vote of those present Wednesday afternoon.

It is expected as soon as the plans are perfected, that an opportunity will be given every citizen in the county the League, if they are willing the pledge, which will be very thorough. The plans include a thorough organization of the county for members and organization formed at each office in the county who will work in harmony and co-operate with the committee here.

MRS. J. A. FULLBRIGHT HAS MAMMOTH TURKEYS

Mrs. J. A. Fullbright living five miles east of Sagerton on Route One out of that city has the Mammoth Bronze Turkeys. She has taken great care to keep them up to the standard in size and color, and with her experience and knowledge she has not failed in her undertaking. She now has a tom from a mating of a 55 pound tom and a 25 pound hen and he is mated to 3 hens that will weigh from 20 to 24 pounds. One year she sold \$142.50 from 5 turkey hens besides raising her breeders for the coming year. Let us take a lesson from Mrs. Fullbright and start out in the way to make a success, by getting the best breeding stock. It might be that we could raise as many turkeys of an inferior breed but we could not sell them for as much money. Mrs. Fullbright asks that everyone come and see her birds. We have placed her name and address in our breeders list published in this issue.

He is known to have been in bad health for quite a while. He left a letter expressing the reasons for his act, but the contents have not yet been ascertained. Several children survive him.

MAGAZINE CLUB ENTERTAINED LAST FRIDAY EVENING

The Magazine Club gave their weekly entertainment at the Library building last Friday night which was enjoyed by a large and appreciative audience. The program which was previously announced was rendered and every number was well received. In addition to the program, Jim Odell, one of our sailor boys who is at home on a furlough, made a short talk, telling some of his experiences since he has been in the service. His talk was appreciated by those present, as we are all interested in the boys who are fighting for Old Glory.

The Magazine Club's plan is to make the Library building a community center, not only for Haskell, but the entire county.

ELEVEN MILES OF STREET NEWLY GRADED IN CITY

Our city marshal, Alex Edwards, is still working on our streets with a crew of men, teams, and grader. Up to the present time he has 11 miles of streets graded within the city limits and is going ahead with the work as fast as possible, doing the work at all times where he thinks it is needed. Alex is giving his personal attention to the work and the experience he has had makes him very efficient in the supervision of the work. We are glad to see the improvement and should we have any rains later on, the streets will be fully prepared to handle the water, should there be any surplus.

W. C. Allen Builds New Home

Sheriff W. C. Allen has just completed a splendid residence joining the west part of the city on the farm he recently purchased from A. T. Crews. Mr. and Mrs. Chas. Sparkman and baby, Lovina, of Balls are visiting Mrs. Sparkman's parents, Mr. and Mrs. Mike Perry.

W. H. PATTERSON FOR CITY MARSHAL

We take pleasure in placing the name of W. H. Patterson before the voters of Haskell for the office of City Marshal. He needs no introduction from the fact that he has been a citizen of Haskell for 28 years. He knows all the requirements of the office to which he aspires, and the duties of the office are very familiar to him in every respect.

Mr. Patterson is a clean, honest man with excellent attainments. He has energy and ability and our people would make no mistake in giving Mr. Patterson the consideration on Tuesday April 2nd. He will make an effort to see as many as possible between now and the above date, but should he fail to see you he asks you support just the same and will make a good officer if elected.

EVERY VISIT TO OUR YARD MAKES A FRIEND

FROM THE FIELD

By W. M. FREE

In company with Eustace Garber, Arto McFatter and J. F. Garber, we made a trip to Sagerton one day last week. We had a good trip all the way and we were very glad to get to Sagerton again, for it had been some time since we had been there, and we had just about forgotten how things looked. But when we saw our friend Dr. J. C. Davis with his smiles and jokes, C. L. Fowler behind the counter in his grocery store, J. N. Stephens at his desk, Jno. R. Martin in the post office, Littlefield Bros. with their doors wide open, Jake Shipman working at his shoe counter and J. W. Whitely at the phone office we knew then that we were in Sagerton in reality. The boys report business good and the farmers all getting ready to plant their crops regardless of dry weather. Should rain come any time soon it would find farmers with their lands in good condition in all that section. But nobody told us when it was going to rain, and if Dr. Davis knows, he has not told anybody.

Wednesday was a notable day for us and will be stowed away in our memory tank for all time. We made a trip with our friend S. A. Huskey to Munday, on this memorable day in the jitney in which he usually hauls soda pop and ice cream to his customers in neighboring towns. This jitney was made by Henry Ford when he was experimenting on jitneys and wondering if he ever could make one that would run. With the evidence before us, we believe that he did. This jitney has all the knocks and bangs it ever had and has been adding on a new one ever since it was first cranked up many years ago. It is very humble and inoffensive in appearance, but when it is once cranked up it shows forth its power and eagerness to ramble, and our friend Huskey just gave her the rein and away we went from Haskell

about 4 p. m. for Munday, by way of Weinert. If you ever rode on a load of baled hay on a wagon with a team running away you have a faint idea how we rattled over the air line road that afternoon. Like the dutchman who was on a log wagon when the team ran away, and on being asked by the village parson if he did not know that "God was with him", remarked that "if he was he was going some." We shall not endeavor to tell you all about how the thing runs or looks, but it is still visible, and Huskey has not killed himself yet, or had not the last time we heard from him. If you are always skeptical about this story you might look on to it at once and be converted. It is able to do more than our faithful ministers have done for you. It will convert and convert you on the first go round.

We reached the city of Munday all right, and we found her to be a beautiful city with nice homes and up-to-date business houses inhabited by a progressive and prosperous people who opened wide their doors and welcomed us to the city. We visited the Munday Times and found Oliver W. Lee at his desk very busy, but he stopped short off and showed us through his office. Mr. Lee is giving Munday a splendid paper in the Times and the people of Munday are very proud of Mr. Lee and his excellent work. He went about over town with us and made us acquainted with a lot of his friends and showed us the town, for which we are very thankful to Mr. Lee. We started for home after spending about an hour in the queenly city and it is needless to say just how we came, for we told you the story in the paragraphs above on going up there. Well, we came back the same way.

Friday we accompanied D. M. Guinn of Sagerton from Haskell to Weinert and spent a while in the city. Mr.

Guinn has a farm up there and he was looking after it, along with other affairs. We stayed in the city for several hours and we enjoyed our visit to Weinert from the fact that we had not been in Weinert to spend any time for quite a while and we noted that these good people were getting along fine. All the business houses seemed to be doing a fair business and everything was moving on nicely. We ate a good dinner with Jerry Kane in his new restaurant. We returned back to Haskell feeling very grateful to the good people of Weinert for the kindness shown us.

For some time we have been waiting for our rolls to be returned to begin grinding. The rolls have now come and we are ready to grind, at first on Wednesday; but as soon as we get under headway we hope the trade will justify us in grinding every day. We will grind your own corn, or furnish corn and grind it, or sell you the meal ready ground. All of it fresh. A certificate will be furnished so it can be used as a substitute in buying flour. We invite your patronage. We are new at the business, but will do our best to give you satisfaction.

"Corn-Less Day" for Feet, Every Day

Use "Gets-It" the Great Corn Discovery! Makes Corns Peel Right Off!

Look at the illustration below. See the two fingers peeling off a corn as though it were a banana peel! And the man is smiling while he's doing it! All done painlessly, joyfully. The moment "Gets-It" touches a corn or callus the growth is doomed. It takes but two seconds to apply "Gets-It." The corn-pain is eased at once. You can sit at your desk or walk about, dance, think, love and work with absolute ease. You can apply "Gets-It" conveniently almost anywhere where you can take your shoe and stocking off for a moment or two. "Gets-It" dries at once; then put your shoe and stocking on again. There's no further excuse for suffering from corns and corn-pains.
"Gets-It" is sold at all druggists a bottle (5¢), or sent on receipt of price by E. Lawrence & Co., Chicago, Ill. Sold in Haskell and recommended as the world's best corn remedy by John W. Pace & Co.

On last Friday evening, after waiting impatiently for about one hour for Sayles to come over and play ball with us we at last saw a cloud of dust and to our joy, out came a car. The occupants stated that soon all of the players would be here, providing they did not have another blow-out. Just about 4:30 the boys started their game. The first half proved to be very close. Near the close of the last half the Robert's boys played as if their lives depended on their victory. The last 3 minutes were very exciting. At the close of the last half the score stood 11 to 8 in favor of Roberts.

The girls played the first half of their game during the rest period of the boys game. They were a few points ahead at the last signal. But during the last half they found it play to ring the goal. The last signal was given and the game stood 54 to 5 in favor of the Roberts girls. We were not satisfied over our victories, so at the close of the day we decided to visit Vontress and "set them down" on spelling. But just here we had tried a very great undertaking and got "set down." But we must say, as we all walked, we were not really thinking, even had we been real spellers. We can't do everything, but did gain one victory on Friday, and another on Saturday in a baseball game with Vontress, which was won to the tune of 54 to 14. We send a cordial invitation to Sayles to come back again, we'll enjoy having them. Also Vontress

With best wishes, I remain,

garden failures owing to lack of water—your garden may suffer again this year.

You can make your garden practically sure by artificial irrigation. Electric pumps put moisture at your command in just the right quantity at just the right time.

But, in order to be profitable, artificial irrigation must be cheap, and the cheapest method of artificial irrigation known is that obtained by ELECTRIC MOTOR DRIVEN PUMPS.

Let us help you forestall losses from drouth. We will give you our best advice in the selection of motors, and we will furnish you with power at the lowest cost.

JNO. R. HUTTO ANNOUNCES FOR RE-ELECTION
It is an honor to be placed in any position of trust. This is especially true when that trust has to do with the destinies of a people. Whatever is put into the boy comes out in the man. It is a physical and psychological impossibility for a person to escape the results of their thinking, especially that of childhood. The matter of developing a citizenship capable of coping successfully with the complex problems of the age is the work of the school room. I fully appreciate the honor conferred on me by the citizenship of Haskell county in electing me to the position of superintendent of public instruction. I am not unmindful of the responsibilities which accompany the duties of the office. I have never hesitated a moment to act when I regarded that the interest of the child was in jeopardy. My very nature abhors sham and I myself must of necessity practice as little hypocrisy as possible. Even in a democracy many people are inclined to demand that public officials administer the duties of the office in keeping with their ideas. When this is not done the back of their hand is against the official. Many do not hesitate to do or say anything possible to bring his administration into disrepute. I am, however, infinitely more interested in the welfare of the child than I am in the vote of the parent. If the parent thinks more of the dollar than he does of the education of the child, which, however, is not often the case, his ideas and mine are so far different that we could never be co-workers in educational affairs. Good schools can not be had without competent teachers and comfortable buildings adequately equipped. Concerning the former, the State Rural School Supervisor classed our schools second to none in the West and placed us above the average. The same sentiment was expressed with reference to the buildings and equipment. Even in the face of the continued drought and war conditions, the interest in better schools has not abated. During the past year, five school buildings have been remodeled, three have been added to, and six new buildings have been constructed. A splendid concrete school building is now under construction and another is to be built during the summer. A handsome brick school building has been constructed and an order has been issued for an election to provide funds for another which is to cost \$4,000.00. The construction of permanent buildings is being encouraged. Twenty-nine schools have been granted state aid. As to the actual school work, thoroughness rather than rapid promotion has been the watchword. I do not claim the honor of being the promoter of all of these commendable things, but I do take pleasure in the fact that I have had a share in their planning. I ask no man to vote for me because of any obligation due me. My obligation to the citizenship of Haskell county far surpasses theirs to me. If you believe that my administration will aid in the arduous development of the children and in building up the school system of this county, I shall appreciate your support.
I am yours to serve.
John R. Hutto.

PERUNA in Your Home

Housewife must give the first aid in colds, coughs and ailments. Her promptness in applying the remedy often means serious illness. Her experience with remedies has led her to know that PERUNA is always reliable, that she should have it on hand for the immediate treatment of coughs and colds and that it is always to her

Mrs. George Parker, 418 W. 3rd St., Madison, Wis., writes: "We have used Peruna in our family for a number of years, and have found it a perfectly reliable medicine. It soon rid the system of any traces of a cold, and prevents serious complications. I began using it for catarrh, which I suffered with a good many years ago, and shall continue to use it as long as I live. It is an honest medicine, and it is ready to do for you."

The Family Safeguard

The experience of one woman, given herewith, is typical of thousands of letters that reach the Peruna Company from grateful friends who have found their homes incomplete, and their family safety in danger without PERUNA.

Colds and Catarrh

The great weight of testimony that has accumulated in the 44 years that PERUNA has been on the market, beyond question, to be the reliable family remedy to take, preventing the serious effects of colds, and derangements of the digestive organs. This published from time to time and many families have it.

Auxiliary of M. E. Church
Met Monday afternoon with a number of ladies present.
The lesson on social service, vitality of the Sabbath to National Welfare, conducted by Mrs. Grissom was taken from "The Missionary Voice".
Constitutional Scripture Reading by Mrs. J. B. Smith on keeping the day of rest, reminded us how often we carelessly profane the Sabbath, and how our doing so may cause others to desecrate it too.
They who work all the week have no true judgment. They exhaust their power, burn out the candle, and are left in the dark.
Also, we would remind all members of the society, and ladies of the church, that we have voted to work all Wednesday afternoon at the Red Cross room.

Christian Ladies Aid
Owing to the great need of surgical dressings at this particular time, the Ladies Aid of the Christian Church have decided to discontinue their meetings, having only one meeting each month, and giving their time to Red Cross work. We do not mean by this to neglect Home Work, but with extra committee work and perhaps a call meeting occasionally, we feel that we can keep the work going, and thereby keep the great work of caring for our wounded boys. Friends, there has never been a time when your service was so much needed. Let us put away

every thought of Self. The eyes of the world are upon you, you are being put to the test. Are you standing?
Reporter.

B. W. M. W.

The president called the meeting to order after song and prayer. The business was gone into, and all outstanding committees made favorable reports. The motion carried to ask Sister Morgan to lead the devotional service at the District Meeting, which meets here the 12th of April, and our president Mrs. Leon Gilliam, to give the address of welcome.

After reading a former motion, a motion carried to serve dinner instead of lunch at the all day service of the B. W. M. W.

The most appropriate way to pay honor to our soldier boys who had gone from our congregation was discussed, and the decision reached to secure a picture of each of the 25, and of others as they are called away, have them in a large flag-draped frame, so that people might become acquainted with their faces as well as their names. Mr. McFatter's offer to furnish the frame was gladly accepted. The committee, Mrs. Robert Reynolds, Mrs. John Couch and Mrs. McFatter will appreciate the parents sending in the picture of their boy.

As Mrs. Bowman was going away, her resignation as reporter was accepted with regret. Mrs. Herbert Arbuckle was elected reporter.

After the business session, our time was too far spent to have our Bible Lesson, so we still have the 11th chapter of John for next Monday. We can not find more beautiful thoughts than those of the Gracious God, the lovely Jesus, and the comforting Holy Spirit, and the home in that bright beautiful beyond. Only a few more years and we pass to that other world, where the things of this life will no longer charm. Consider this well, and come.

Patriotism versus Disloyalty!

The third Liberty Loan, the terms of which were formally announced Monday, will not be put on sale till April 6. Hence it is ten days before we shall meet the test to which our patriotism will be subjected. But silently every man can make his answer now, and the man whose patriotism is worthy of the sublime heroism of the men who are fighting and dying by the thousands in our behalf will make his answer now by resolving that he will incur whatever self-denial and embarrassment may be necessary to enable him to support our soldiers and those of our allies. The greatest sacrifice that any one at home can make is so pitiful and infinitesimal compared with that of the men who are in the midst of the inferno of France that one is sensible of a feeling of shame in bringing the two into association. Indeed, there is something of a sacrilege in giving the badge of patriotism to the man whose contribution to the Nation's effort is the lending of his money for a wage that affords a profitable hire. And yet, if as an act of patriotism the purchase of a third Liberty Loan Bond is so pitiful and mean when contrasted with that of the men whose suffering is their lives, it is the best opportunity that presents itself to many of us; so that if the purchase of a third Liberty Loan bond will not attest a very worthy sense of patriotism, the refusal to purchase must put the double brand of disloyalty and ingratitude on him who refuses. He would stand confessed undeserving of the freedom which he enjoys and which so many thousands are dying to preserve. The time of sale is ten days hence, but the present moment, as the tale of the world's greatest tragedy flows in on us, is the time to put the question of duty to our conscience. If that shall be done, there need be no doubt as to the response Texans will make when their patriotism is put to the test. They will seize their quota of the third Liberty Loan, and do it with an alacrity which will prove that the campaign of exhortation and appeal which is being planned was altogether unnecessary.—Dallas News.

SINGING AT NEW MID A SUCCESS SUNDAY

The New Mid community gave an all day singing last Sunday which was enjoyed by a large assembly of singers and people from different sections of the county, including Haskell. The house was called to order about 10:30 a. m. by C. Sears and the singing began. Bro. Stephenson offered a short prayer, after which a committee was appointed by Bro. Thomason, acting president, on arrangement, and the following leaders were placed on the floor: Presley Hitchcock, W. M. Free, G. M. Thomason, Ollie Sears, A. V. Morris, V. A. Brown and Mr. Reynolds. The interest grew as the day passed and new singers were added to the class at each moment and when it was announced that a good dinner had been prepared by the ladies of the New Mid community, there was a full house and the singing before noon was exceptionally good. The dinner was spread and the people invited to come and help themselves and feel welcome, but were asked not to throw anything on the ground. Bro. Frazier offered thanks and the people were served from the table to their fill of good things to eat. As had been requested, nothing was wasted, and everyone expressed their appreciation of the occasion.

At 1:30 p. m. the singers were called back to the house and the following leaders called on: G. C. Stephenson, Presley Hitchcock, W. M. Free, A. V. Morris, G. M. Thomason, J. V. Marrs, P. A. Brown and Mr. Reynolds. A short recess was given, after which they were again called to order by President Stephenson, and the following gentlemen called on to lead the class in the last quarter of the afternoon.

A. A. Comstock, Ollie Sears, Pose Mancill, C. H. Mancill, O. C. Melton, H. M. Cooner and others lead some interesting lessons. Several special songs were rendered by Mars, Cooner, Hitchcock and others, which were the feature of the day. We can say for all present that the day was well spent and all expressed in word or deed that the community of New Mid had done her part to make the occasion a success. We were dismissed by Bro. B. G. Marrs and returned to our homes with many peasant memories of New Mid and her loyal people.

COULDN'T DO LICK OF WORK FOR 9 YEARS

Johnston Tried All Kinds of Medicine Without Results—Tanlac Brings Relief

"I was so crippled up with rheumatism for nine years that I couldn't do a lick of work, but since taking Tanlac I can jump up and crack my heels together like a sixteen year old boy," said J. M. C. Johnson, of 1730 North Howard Street, Dallas, Texas, and now in his sixty-fourth year.

"Nine years ago," he continued, "I had a bad spell of typhoid fever that left me with a terrible pain in my side and also in my back, where I had been hurt when I was a boy. Rheumatism got me in its grip and the pain I suffered in my arms and shoulders and lower limbs almost drove me distracted. My nerves were all worn out so I could hardly get any rest and many a night I was too miserable to close my eyes at all.

"I had taken so much medicine the last nine years without getting any relief I had little faith left in anything. But when one of my friends spoke to me about Tanlac and praised it so highly, I decided to try it and was certainly surprised when I noticed a decided improvement by the time I had finished my first bottle. I slept better, my nerves grew stronger and from then on my improvement was rapid. After taking five bottles I feel young and invigorated and a whole lot better than I have in a long time. I have full use of my arms once more and to prove it I can rub the back of my head with either hand, which a few weeks ago I couldn't have done to save my life. My nerves are all right now, I sleep like a rock and my rheumatism has completely disappeared except from my finger tips. I have every confidence in Tanlac, and am going to keep it up for some time, as I mean to get a job as soon as cool weather comes.

Tanlac is sold in Haskell by Reid's Drug Store; in Rochester by H. G. Ramby; in Weinert by E. E. Cockerell; in Rule by Golden Rule Drug Store; in Sagerton by W. W. Martin; in Nabors by Mrs. L. A. Bouldin, and in Whitefield by T. B. Higginbotham.

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my housework."—Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. J. D. 1918, the same being the 29th day of April A. D. 1918, then and there to answer a petition filed in said court on the 21st day of March A. D. 1918 in a suit, numbered on the docket of said Court No. 2526, wherein C. T. Jones, is plaintiff, and the heirs of John Colston, the heirs of J. C. Lynch and the heirs of Leonard Ames, and Leonard Ames are defend-

ants, and said petition alleging that the plaintiff resides in Haskell County, Texas, that the names of the defendants, the heirs of John Colston, the heirs of J. C. Lynch and the heirs of Leonard Ames are each and all unknown to the plaintiff and to his attorney whose name is signed hereto and the places of the residence of each and all of the defendants are unknown to plaintiff and to said attorney;
That heretofore, to-wit: on the first day of January 1918, plaintiff was lawfully seized and possessed of a certain tract or parcel of land in Haskell County, Texas holding the same in fee simple, that on the day and year last aforesaid; the defendants, and each of them unlawfully and wrongfully entered into possession of said property and unlawfully, wrongfully and freely ejected plaintiff therefrom and now unlawfully and wrongfully withhold from the plaintiff the possession thereof, to his damage Five Thousand Dollars;
That the premises so wrongfully entered upon by the defendants and wrongfully withheld from them from plaintiff are bounded and described as follows: One Hundred and Ninety acres of land out of the southeast part of John Colston survey on the waters of Lake Creek about 51 miles N. 78 W. from Fort Belknap, and known as survey No. 212, beginning at a stake at the S. E. corner of said Colston survey; thence North 2577 varas to a stake; thence west 416 varas to a stake; thence

south 2577 varas to a stake; thence east 416 varas to the place of beginning. That the annual rent of said premises is of the value of Five Hundred Dollars;
The plaintiff's claim and title to said land is by virtue of a chain of title from the state of Texas down to plaintiff, which chain of title is shown by conveyances, releases and other instruments of writing affecting said title set out as follows:
(a) Patent issued by the state of Texas to the heirs of John Colston, dated December 4, 1857, and being patent No. 864, Vol. 12.
(b) Conveyance of Jane Colston, widow of John Colston, deceased, to Orson Ames dated October 15, 1840, certified copy of which from the records of Grayson county, Texas is recorded in volume M4, page 323 of the deed records of Haskell county, Texas;
(c) Deed from Orson Ames to Leonard Ames dated July 18th, 1881, and recorded in vol. M4 page 380 of the deed records of Haskell county, Texas;
(d) Deed from Leonard Ames to George W. Wilkes dated August 21, 1885, and recorded in vol. 8, page 196 of the deed records of Haskell county, Texas, and another deed from Leonard Ames to George W. Plaintiff further claims title to the land and premises above described under the statutes of the state of Texas of five and ten years limitations which he pleads as follows:
(f) Plaintiff says that none of the defendants ought to have, hold or recover the 196 acres of land sued for in this cause or any part thereof, because claiming the same under a deed and deeds duly registered, he and those whose estate he has, and those under whom he holds, have had peaceable, continuous and adverse possession of said land, and every part of it, cultivating, using and enjoying the same and paying all taxes thereon as they accrued for a period of more than five years before the commencement of this suit and after any cause of action in behalf of any of the defendants for the recovery of said land or any part thereof, of accrued.
(g) Plaintiff says that none of the defendants ought to have hold or recover said 196 acres of land or any part thereof, because he and those whose estate he claims and has, and those under

whom he holds and claims title thereto, all claiming to have a good and perfect title to said land by chain as set out above, have held and had, peaceably, the land so claimed, and have held and had, peaceably, the adverse possession of the same, cultivating, using and enjoying same for a period of more than ten years before the commencement of this suit and after any cause of action in behalf of the defendants, or either of them, for the recovery of said land, or any part thereof accrued.
Plaintiff says that the nature of the claim and of the title of all or any of the defendants, of in or to the land herein sued for, or any part thereof, is unknown to him, and he does not therefore set out the nature of such claim or title.
Whereof, plaintiff prays that citation in terms of the law be issued and served by publication as the law directs in this character of cases, requiring the defendants, and each of them, to appear at the next term of this court and answer this petition and that upon final hearing plaintiff have judgment for the title and possession of said land against all the defendants, for costs of suit, for execution, writ of possession and all other relief and process he may be entitled to under the law and evidence.
Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

engaged in it, but upon the innocent people and the neutral inhabitants of other nations. To emphasize the latter point, the sinking of the Lusitania is reproduced in startling detail. This scene was made possible through the co-operation of the Navy Department in Washington, which loaned to the producers of "Civilization" several United States submarines.
The most remarkable portions of "Civilization" are those that represent Christ descending upon earth to view the slaughter of those he instructed to "Love one another". This element of the picture is so carefully and so reverently handled that no offense is given anyone. At the same time, the bitter irony of civilization as the world knows it to-day, is driven home with telling-effect. As the producer of the picture, Thos. H. Ince, has put in it one of his titles: "In nineteen hundred years the world has refused to honestly accept the teachings of Christ."
E. B. Combs Visits Brother
E. B. Combs of Decatur, Illinois, brother of our telephone manager, A. J. Combs of this city, is visiting in the city. He is from the heart of the corn belt of the United States and reports the best moisture at this time for many years, owing to the fact of so much snow in that section last winter. He also states that he has been impressed with Haskell county from his very first visit several years ago. And he is of the same opinion still despite the fact that we have been confronted with a serious drought for some time.
Ed Howard of Weimer was in the city Saturday and reports things looking good as could be expected in his section. Some of the wheat is still holding on, and with rain any time soon might make some wheat. Spring oats, he says, look very well, but are needing rain.

LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadersville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak... I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few doses of Black-Draught."

Seventy years of successful use has made Thedford's Black-Draught a standard, household remedy. Every member of every family, at times, need the help that Black-Draught can give in cleansing the system and relieving the troubles that come from constipation, indigestion, lazy liver, etc. You cannot keep well unless your stomach, liver and bowels are in good working order. Keep them that way. Try Black-Draught. It acts promptly, gently and in a natural way. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package—One cent a dose. All druggists. J. 66

A Child's Savings May Shorten The War

The war is costing the combined allies more than \$30,000,000 an hour. The daily fate of this huge sum is simple waste. A shortening of the war by days or even hours would mean the redemption of colossal waste.

We must bend every financial effort towards shortening the war. Every small amount invested by a child in Thrift Stamps tends towards this end. The influence of every Thrift Stamp purchased is a little momentum toward earlier victory.

Thus a child's savings may be instrumental in definitely shortening this war and in saving many times its own value in money, to say nothing of conserving human life.

Encourage your child to invest in 4% interest-bearing Thrift Stamps instead of merely hoarding his pennies in a tin bank.

Thrift Stamps cost 25 cents each and may be bought at the postoffice, from your mail carrier and at most stores.

Jesse Dennington was kicked in the face by a mule Thursday. He is doing nicely now.

The ladies and girls of our Sunday School each pieced a block of a friendship quilt top and presented it to Mr. Burdine on the second Sunday, as a token of our appreciation to him for serving us as a superintendent of the Sunday School for one year. Each block had the name of the one who pieced it embroidered on it.

L. Johnson but reserved the superior title thereto in himself until ten certain vendor's lien notes then executed by said Johnson to plaintiff as part payment for said land and said deed were paid, said notes being fully described in said deed which is duly recorded at page 545 of volume 48 of the deed records of Haskell County, Texas; (c) afterwards, and before the maturity of said notes, said Johnson conveyed said property to defendant W. O'BRIEN

Mr. B. F. Rogers and wife made a business trip to the capitol city Monday.

L. H. Nix, cashier of the First State Bank of O'Brien, and wife and children visited in Haskell the first of the week.

O. C. Scarborough, oil magnate of Rochester, was here Tuesday on business.

Rev. Stevenson filled his regular appointment at the Baptist church Sunday and Sunday night. Large crowds attended both services.

Col. P. R. Bettis of Walnut Springs, stockman and capitalist, was transacting business in the city of O'Brien this week.

T. E. Robbins is moving to O'Brien, preparatory to taking charge of the First State Bank as cashier.

Mrs. H. C. Maynor, visited her niece Miss Lucille Reagan of Big Springs, who is teaching in the Haskell Public school.

P. D. Solomon of Rochester was here Saturday shaking hand with old friends.

J. L. Bradley made a business trip to Ranger last week. He reports there is oil in abundance.

Hoyt Jackson and Miss Brown of Rule were married in the city of O'Brien last Wednesday. Both parties are well known at Rule and are highly esteemed by their many friends. The Free Press reporter said the words that made them man and wife.

Our school, under the management of Supt. J. L. Barnard, is progressing nicely.

Misses Levie Huntsman and Lena Langston, music and primary teachers of the O'Brien High School, are taking care of the mumps this week. Both are reported getting along nicely, and will be able to take up their work in a few days.

Miss Clara Barnard has been appointed postmaster at this place. Miss Barnard is an accomplished young lady, and the patrons of the O'Brien postoffice are to be congratulated. There were several men in the race for the office.

LONE STAR

After several weeks absence I will come again.

The farmers have taken possession of the pretty weather this week and will soon be up with their work.

W. M. Moore and son, Robert, of Paris, Texas, are spending the week with J. W. Moore.

Miss Martie Flenniken and James Melton are reported on the sick list this week.

Mr. Newson and family spent Sunday with Will King.

Steve Reid and daughter, Mrs. Jim Reid, are visiting in Jones county.

Mr. Webb and family from near Knox City spent Sunday with Mr. Stewart and family.

Miss Olga Malcolm spent last week with her sister, Mrs. Newson.

The singing given at the home of Mr. and Mrs. D. R. Huchabee Sunday evening was enjoyed by all present.

Miss Cayin and Miss Roberts school teachers, spent Saturday and Sunday on Perla Ranch with Miss Cayin's sister, Mrs. J. A. Scofield.

Mr. Gardouhine is visiting in Oklahoma this week.

FOSTER

We believe springtime is here. Everyone is busy plowing or planting in this community.

The all day singing at New Mid last Sunday was a success.

Dave Walker, John Muhle, Chas. Faulkner and F. H. Muhle tried their luck with the finny tribe last week, and say they caught three or four six inches long and lots of small ones.

C. T. Cotton, Ruby and Lorena Cotton, Misses Addie Harrell and Fannie Faulkner of the Foster community attended the singing and dinner at New Mid last Sunday.

The road north of Foster traveled by our R. F. D. man is nearly impassable, and the farmers have put in cattle guards in their fences and give a road inside their fields. We think there will be no trouble in a car passing that way now.

Willie Oates and family spent Sunday at the home of Mr. and Mrs. Cain. J. J. Oates says he likes his Overland fine, but a Ford is hard to beat.

A good rain would be fine now we think.

Singing at J. L. Kitchens last Sunday night was enjoyed by all present.

MISS ALLEE IRBY ANNOUNCES FOR DISTRICT CLERK

The Free Press has been handed the following announcement by Miss Allee Irby:

To the voters of Haskell County:

I desire to announce to you that I am a candidate for nomination to the office of Clerk of the District Court and I will heartily appreciate your support and your vote. For the past four years I have been serving as deputy to the Clerk of the County Court and, by reason of my service in the County Clerk's office, I can make my race knowing that I am thoroughly familiar with the duties of the office I seek and well qualified by experience to handle all of the business of the office. In the coming primary I want your vote and I promise, if elected, to render a faithful and appreciative service to the people of the county.

This is the first time that the people of Haskell county have had the opportunity of voting for a woman for public office and it may not be amiss at this time to correct an erroneous impression that seems to exist in the minds of some. There is an idea that our laws disqualify a woman from holding an office, but such is not the case. At this time there are forty women in Texas holding various elective county offices and in every instance they are making good.

Believing that I can make you a competent official, I again earnestly ask your aid in my campaign.

Respectfully yours,
Allee Irby.

The Free Press takes great pleasure in placing the foregoing announcement before the public. Miss Allee is well and favorably known by most of the people of Haskell county; she has made a prompt and efficient officer in the County Clerk's office and has won the respect and admiration of all. We very highly commend her cause to the voters of the county and we assure them that no mistake will be made if they elect her.
