MRS. E. H. NEILL OF AUSTIN DIED MONDAY MORNING

Mrs. Lula Helen Neill, of Austin, died Monday morning at 3:00 o'clock, and was buried in Willow Cemetery in this city Wednesday morning at 10:00 o'clock. Death resulted from tuberculosis, from which she had been suffering for several months. The deceased was the wife of E. H. Neill, who was in the employ of the Free Press for several years, moving to Austin about the first of the year.

Mrs. Neill was born May 15th, 1893. She was a devoted member of the Baptist church and always took a great interest in all the church work. Besides her husband she leaves two children, Lola Bea, and Charles Hamilton. Her father and mother, Mr. and Mrs. J. M. Currier of San Antonio were with her at the time of her death. Two sisters and five brothers also survive her.

The remains were accompanied to Haskell by her husband and Miss Annie Joe Neill of Austin. Other relatives who attended the funeral were: Mr. and Mrs. C. C. Currier of O'Brien, Mrs. J. A. Martindale of Rochester, Mr. and Mrs. Geo. W. Neill of Brownfield, and Mrs. W. F. Stewart of Brownfield.

The funeral services were conducted by Rev. R. A. Scranton, pastor of the Baptist church. The Free Press joins the many friends of the family in extending condolence to the bereaved in this hour of sorrow.

LOCAL BOARD MAILING OUT QUESTIONNAIRES

The Local Board is busy this week mailing out questionnaires to the September 12 registrants, 18 years of age and above 36.

The classification has been finished by the Board of all registrants between the ages of 19 to 36 and are mailing out the classification cards.

Rev. Ed R. Wallace returned Saturday night from a trip to Wheeler county, and points in Oklahoma. He reports everything looking good in that section.

COLEMAN R. ARMSTRONG DIES IN FRANCE

This picture of Coleman R. Armstrong brings us face to face with the fact that Haskell county is paying her toll in this great war, in that this is her first native son to make the supreme sacrifice, to free our future generation from a beer sodden dynasty of deformed degenerates.

Born of and reared by those good old chivalrous Southern parents, he did more to bring peace and good will among men than all the Hohenzollerns from the Dark Ages to the overthrow of the resent Wilhelm.

Coleman was born in Haskell county December 22, 1894, and as a boy he was obedient and dependable and by his sober, solid nature he was dubbed "old man" when a small lad, and was called this by his friends and loved ones from early childhood until his death.

When 17 years old he went with an older brother to Culberson County and engaged actively in the cow business, and with his sound judgment and tireless energy he made a success as a cattle raiser, and had accumulated a considerable portion of this world's goods when he was called into service.

He promptly closed out his business, sent a few weeks with the home folks, entered Camp Travis September 21, 1917, never came back on a furlough, and was sent to the front in July 1918 and was in every important engagement from then until September 21—twelve months to a day—he died of pneumonia, when he and his comrades were at the very gates of Metz. The "Old Man's" friends were his acquaintances; his enemies he had none, for by his honor, integrity and heroic character he made friends with everyone with whom he came in contact.

Besides his parents, Mr. and Mrs. J. Armstrong, pioneer citizens of the Haskell community, he has six sisters and two brothers who survive him:

Miss C. F. Davis of Sagerton.
Miss E. W. King of Stamford.
Miss D. T. Elmore of O'Brien.
Miss E. A. Brown of Mountain Air, Mo.

Misses Hazel T. and Ethel Armstrong of Sagerton.
Miss C. Armstrong of Van Horn, Texas.
Miss Raymond Armstrong of Magdalena, N. M.

We extend our heartfelt sympathy to these good people in their hour of bereavement, knowing no words we could utter would lessen their grief, but we that know him have one consolation, that he made as good and obedient soldier as he was a son, and that every order or charge that was entrusted to the "old man" was carried out to the letter.

The sign is approaching, and his death will be avenged by a rebel yell that will be heard in every cabbage patch in Germany from the Kiel Canal to the Black Sea.

W. W. PARKHILL DIES AT IMPERIAL, CALIFORNIA

William Walker Parkhill of the Gillespie community died October 11th at Imperial, California. Typhoid pneumonia allowed him only a few days of intense suffering. His remains were shipped home and buried in the Gillespie community, where the funeral services, conducted by Pastor J. H. McCauley of Munday was attended by a large concourse of mourning relatives and friends. On account of the illness of his wife, she and his four little children were unable to come back with his remains. He was a good citizen, a faithful member of the Baptist church, a loving and loyal father and husband. He died as he lived, a genuine Christian. His relatives and friends have the heartfelt sympathy of all who knew him. With especial tenderness should we sympathize with his wife, Annie Jarvis Parkhill, and their little fatherless children and remember to pray for them that through losing their mother too they not become orphans indeed.—Contributed.

FRIDAY'S RAIN MAKES TOTAL OF 3 3/4 INCHES

The rain which fell Friday night brought the total for October up to 3 3/4 inches according to the Government Gauge in charge of Judge P. D. Sanders. Friday's rain was 1.52.

This has put a thorough season in the ground and will be of material benefit to the wheat that has been sown throughout this section of the state—some of the early planting is already large enough to furnish good pasturage for stock.

John B. Lampkin has closed his blacksmith shop and accepted a position with the Texas Garage.

W. L. Little a former resident of Haskell county, returned to his home in Collin county, after visiting old friends here for a few days. He reports crops good in his section, and cotton making one-half bale to the acre in some places.

A SOLDIER "TRIG" CLASS

Educational classes at the Army Y. M. C. A. huts are proving popular with the soldiers. Thousands of young men who left school to go into the service are continuing their studies and classes while in the army. Many educational institutions are arranging to give credit for the work done in this way, so that students may not lose anything while serving their country, and can resume their studies on their return, with credit toward degrees and graduation for the class-room work in the army. The picture shows a group of college men continuing their study of trigonometry at one of the Y. M. C. A. schools. It will make them better artillerymen.

In addition to advanced classes, the Y. M. C. A. conducts classes for illiterates and foreigners, teaching them to read, write and speak the English language. The War Department is giving the Army Y. M. C. A. hearty co-operation in this work.

The "trig" class shown in the picture is one of the many educational classes at Camp McArthur, Texas.

EXAMINING TRIAL OF VERNON WILL BE HELD FRIDAY

The examining trial of Walter Vernon, who is charged with killing W. L. Hills of Rule, Sunday October 13th, and which was to have been held the first of the week, will be held at Rule Friday, November 1st.

W. H. Sonnamaker, a prosperous farmer of the Rule community was in the city the first of the week on business and while here had us to place his name on our subscription list for one year.

COUNTY'S QUOTA IN WAR WORK CAMPAIGN IS \$7,000

County Chairman Jno. A. Couch of the War Work Campaign in Haskell county has been notified that Haskell county's quota has been placed at \$7,000. The campaign will last from November 11th to the 18th.

J. F. Posey received a card Tuesday notifying him that his brother, Joe Posey, had arrived safely overseas. He received the news several weeks ago that another brother had arrived safely in Siberia.

OUR WEEKLY LETTER FROM CAMP TRAVIS

Written for the Free Press by the Camp Publicity Officer

German propagandists again are seeking to cause dissatisfaction and heart aches among the thousands of homes in Texas and Oklahoma, and other sections of the country, from which men have gone forth to do their part in the present war. Insidious and venomous as the plans have been, they have been discovered in time to prevent them being successful.

Now comes the German and the German sympathizer with stories "from reliable people" as to the horrible conditions which have been found to exist in the hospital and military training camps of the country. According to these people the men are given no attention, they are allowed to die of cold, or of hunger. They have been given no medicine, or improper medical attention.

Then some subtle German mind conceived the idea of having doctors and nurses caught in the act of injecting influenza germs into the food of men in the camp. To make this more realistic they decided these men or women should be "shot at sunrise." Then they spread their stories in the hope of making people lose faith in the government and its efforts. This story was started in various sections of the country and has been attributed to practically every camp in the United States.

Added to this have been frequent telephone calls from anonymous parties to prominent Red Cross people in San Antonio and elsewhere alleging that men in camps were without cover, were without food, etc. These workers, often in the middle of the night, have hurried in cars to the places mentioned and found that their informant merely had been seeking to cause trouble.

It will be recalled that last winter when pneumonia broke out in the camps of the country that frequent rumors of a very similar nature were circulated. These were found to be false. Then it was charged ground glass had been found in food of soldiers at training camps. Again this proved false. Then the propagandists switched their efforts to flying camps and it was charged that engines had been tampered with, that wires and nuts on the wings had been loosened,

that goggles had been issued of such nature as to make vision defective and many aviators had been killed as a result.

Later came nation-wide charges that Red Cross garments issued to the soldiers by the Red Cross were being marketed at a price from fifty to seventy-five cents. This was an effort to discourage Red Cross knitters giving their time and money and assistance to the government. The government since has taken charge of all knitted garments and issues them as it does other clothing, requiring a strict accounting.

Now, with the soldiers of the United States carrying the Stars and Stripes through Germany's "impregnable lines," the propagandists are seeking to cause worry by circulation of reports of lax conditions in army camps. They have charged all manner of things which never have been proven. Parents, friends and relatives of men in the service have been the people attacked. Every effort has been made by the German sympathizers to cause dissatisfaction at home to cause worry at home. Then letters naturally would go forward to the men and weaken their morale.

The latest efforts of the Germans in the United States has been directed toward parents of those whose loved ones are in camps. Fake letters have been sent consoling them in the loss of their sons, husbands or friends. Investigation proves the parties alleged to be dead, to be in good health. But the German believes he creates a germ of dissatisfaction. He believes he lessened the willingness of the people to stand behind their government.

Parents, wives, children of the men in camps are warned to pay no attention to the constant rumors that are circulated but which are never printed as authentic in responsible newspapers. Beware of the people that tell of horrible conditions in army camps or elsewhere and can only charge it to "someone told me." When you hear such rumors do not pass them on. Brand them as false and help beat the German at his own game in the United States, just as your loved ones are defeating and beating him down by force of arms in Europe.

WORKER'S CONFERENCE WILL MEET AT SAGERTON NOV. 11

The Workers' Conference of the Haskell county Baptist Association will meet at Sagerton, November 11, 1918. The following program has been prepared by the committee:

Come and let us have another good, all-round, Baptist Conference for all our associational workers.

Committee.

Died

J. R. Miller, who lived two miles southeast of Rule, died at his home last Saturday after a short illness. Mr. Miller had been a resident of this county for many years, and was well known to the people of Rule and surrounding territory. He is survived by a wife and several children.

Mrs. L. L. Best returned to her home at Wichita Falls Wednesday after visiting her father and mother, Mr. and Mrs. S. E. Kinnison of this city.

Mr. and Mrs. Sam Treat of the Whitman community are visiting their daughter, Miss Wanda, who is attending school at Oenaville, Texas.

Mrs. A. P. Kinnison is visiting relatives in Anson this week.

DEDICATION SERVICES TO BE HELD AT METHODIST CHURCH

The dedication of the Methodist church will be held Sunday morning at the 11 o'clock service. The following announcement has been handed to us by the pastor, Rev. Ed R. Wallace: "The dedication sermon for the Methodist church will be preached at the church next Sunday at 11 a. m. by Bishop James Cannon, Jr., of San Antonio. He goes to Vernon in the afternoon.

"The Methodist people have had a hard pull to pay the church debt, but now the debt is settled and we ask the other churches to rejoice with us.

"This closes our four years work in Haskell and I go to Conference with the church out of debt, for which I am thankful—having worked to this end for four years. We have raised over \$18,000.00. All who can are asked to attend the services. I will preach my closing sermon or lecture Sunday night. Farewell. Ed R. Wallace."

Mrs. Evrey Rose of Rule Dead

Mrs. Evrey Rose of Rule died in San Antonio October 20 of Spanish Influenza. Interment was made in the Rule cemetery Sunday, October 22. Mrs. Rose was the wife of Doc Rose, who is in training at Camp Travis. Mrs. Rose was well known to the people of Rule, as she was reared there, and has a host of friends who regret her untimely death.

She is survived by her husband, and father, Tom Dennison, two brothers and two sisters.

Bill Hills, Jr., of Rule, left Tuesday night for Champaign, Ill., where he is stationed at the School of Military Aeronautics of the University of Illinois.

IMPERATIVE DEMAND FOR MUNITION WORKERS

The following article has been handed to us by W. A. Earnest manager of the Western Cotton Oil and Gln Company, from the U. S. Department of Labor for the benefit of our country in raising the desired number of munition workers that is needed.

"We cannot afford to play into the hands of the enemy by slackening our efforts at this particular time.

"Messages are being sent out from Washington by the heads of almost every department, which are indicative that peace is afar off, unlooked for and undesirable under the existing conditions. The consensus of opinion being that 'America has just begun to fight.'"

"Our armies in France are now in the midst of a great offensive. To carry it through to a successful conclusion it is absolutely essential that vital war projects be furnished with men at once. Especially is true as regards to munition plants, where a shortage of common, skilled, and semi-skilled labor exists which will be ruinous if not supplied immediately.

"Our boys need munitions—our plants need men—5200 from this state within the next 30 days—there are more idle men on our streets in this State than would fill this State's quota—more male clerks in our mercantile establishments, private chauffeurs—attendants of barber shops, shoe shining parlors, billiard and pool rooms and other places which can be filled by women, boys or old men unfit for hard labor, than would fill our quota many times over. Something must be done to bring these men to a realization of the needs of their country—public opinion must be aroused and men branded who should and will not respond to the call.

Some of our larger cities in Texas through the Women's Working Reserve have started a movement among the female residents and patriotic male citizens to refuse to be waited on by able-bodied male clerks or floor walkers whose place could be filled by a woman, they taking the stand that if these men refuse to keep the "boys at the front" supplied with munitions and other war necessities they must consider them unpatriotic and make this felt by refusing to be served by them.

Men in non-war industries will have no one to blame but themselves, if they are shamed by the women, for not taking their just share of the responsibilities of the war, accepting the burdens and hardships in the same manner and with the same spirit as did our boys who went into the trenches.

Let us put it squarely up to the non-war workers that a crisis is at hand and they must do their part. The Community Labor Boards will direct all assembled workers to the nearest U. S. Employment Office for immediate placement."

Magazine Club

The Magazine Club met Friday, October 25th, 1918, after having been closed for two meetings on account of the Influenza epidemic.

The Club brings a Lyceum Course here this year as usual and the prices will be the same as heretofore, adults \$2.00 and school children \$1.00. The course will be very entertaining, and the first attraction, which will be especially good, will be presented in November.

The Library will be kept open only two days in the week, Tuesday and Saturday, from four until five p. m., beginning November 1st.

After the business meeting, the combined programs for Oct. 11 and 18, on "Fundamental Causes and Historical Background of the War" were rendered making the afternoon very entertaining, the entire program was as follows:

Leader—Mrs. Fred Sanders.
Music—Miss Vera Neathery.
General Factors—Mrs. B. R. English.

Militarism—Mrs. T. C. Williams.
Failure of the Hague Conferences—Mrs. O. M. Guest.

Foundation and Character of the German Empire—Mrs. J. U. Felds.

W.S.S. DOLLAR MARK YOUR PLEDGE - PAY THE PRESIDENT

REBUKE THE POLITICIANS

A London newspaper recently said that "President Wilson was revealed himself as the architect of the world's future." This is a high compliment, but it is well deserved. President Wilson is today the most commanding figure in the world, and, by common consent, is the leader and the spokesman of the Allies in the world war. The unparalleled success of the Wilson administration, both in peace and in war, is especially gratifying to Democrats, and should cause every patriotic breast in this country, regardless of politics, to swell with pride, but it seems to be most galling and disappointing to Republican politicians of the Penrose type who always put party success above their country's welfare, and who have declared time and again that the Democrats are not competent to handle the government. In order to advance partisan ends they seek to belittle the President and to discredit his administration. Instead of rallying to his support in these troubled and perilous times, they are "playing" for him, and as the fall elections come on apace, they are becoming desperate. They realize that they have no issue, and are hoping and praying that President Wilson will yet make some mistake that will furnish them with political capital. They have been away from the public crib for several years and are getting quite hungry. Buzzardlike, they are ever ready to pounce down upon the President, and snatch from him the glory to which he is entitled, and we mistake the temper of the Democrats of Haskell county if they

do not resent the unjust criticism heaped upon the President by turning out to a man next Tuesday and voting the whole ticket from Senator down to Constable of our local precinct.

BE OF STOUT HEART

Although great victories are being won daily on the west front by the Allied armies, the American people should not forget that Germany is still a powerful nation and not crushed from a military standpoint by any means. The tide of battle is going steadily against her and the militarist party in the German empire is leaving no stone unturned that will contribute to robbing the Allies of a complete and crushing victory and thereby save the necks of the military leaders in the fatherland. We have as much to fear from German peace offensives as we do from their armies in the field—more in fact, just now. Germany has answered President Wilson's note and pretends a complete acquiescence to all the President's terms of peace and makes an effort to hoodwink the American people into believing that radical changes have been made in the German government and that the answer represents the whole German people. The note was sent by wireless and was published all over the world before it reached the President, to whom it should have come first of all. The purpose is to fool the people of the allied nations into believing that there is no further need of bloodshed and that Germany is ready to throw up her hands and cry "kamehad." Thinking that by giving the people a few days to think upon the matter before the President could reply, the imperial government could create dissension among us and that a cry for peace, a premature peace, would go up all over the allied countries and thereby force the President's hand. We mistake the spirit of the American people and those of our allies if they place any faith in the German avowals. This of all times is a time when we must keep steadfast in our determination that nothing but "unconditional surrender" shall be accepted from the Huns. The Fourth Liberty Loan has been oversubscribed and we now are assured of ample money to rush this war to a conclusion that will guarantee that Germany shall not rise again and disturb the peace of a civilized world.

WHAT THE U. S. GOVERNMENT SAYS ABOUT XMAS BUSINESS

It says that Christmas business MUST be spread over 3 months, to avoid the usual December congestion of traffic which is so hurtful to the interest of the nation, that it can not be permitted.

Now, we would suggest that any Christmas presents that you are going to send "Over There" be purchased at once and started on the way, with a sticker on it saying, "Do not Open Until Christmas." You can and must apply to your Red Cross for regulation box and then come here and we can fill it up for you with real necessary and worth while gifts.

What new goods we are offering are well and conservatively bought with the view of making it possible for our boys to have some substantial comforts, such as:

Trench Mirrors, which are highly polished steel, non-breakable, can be carried in any pocket. Price 75c to \$1.
Shaving Kits, \$2.50 up. Some have various assortments, such as Razor, Soap, Tooth Paste, Tooth Brush, Mirror, etc.

Razors, including all makes of safety, are \$1.25 up.

Cigarette Cases, \$1.00 up. Among other things useful and comforting to a soldier might be mentioned:

Photo Albums, Cigarettes, Cigars, Chewing Gum, Nail Files, Shaving Brushes, Tooth Brushes, Shaving Sticks or Cream, Pocket Combs, Whisk Broom, Hair Brushes, Pocketbooks, a Wrist Watch, Lodge Emblem Ring, Pipe, a Testament, Fountain Pens, and Candy.

We will gladly help you pack your box—with the view of utilizing every inch of space.

On account of carrying a big stock, we have many good values left at the old price, which you can get the advantage of and we respectfully suggest that if you want any gifts for home people this year, if you see what you want buy it then and there whether it is in our store or not—it may be gone in 30 minutes and can not be re-bought at any price.

Take up your Thrift Stamp Pledge—
Buy Bonds—Conserve Food and WIN

FARM LOANS
AT 5 1/2 PER CENT INTEREST
... 35 YEARS' TIME ...

The Federal Land Bank of Houston Through the Rule National Farm Loan Association Makes Loans on the Above Terms on Haskell, Knox, and Stonewall County Lands

Compare the following figures, take paper and pencil and figure for yourself, and after careful consideration, if you can get a loan that suits you better than a Federal Land Loan—you take it.

"Bill" borrows \$1,000 from the Federal Land Bank, makes his note for \$1,000, gets \$950.00 cash and Stock Certificate for \$50 worth of stock in the Rule National Farm Loan Association. The Rule National Farm Loan Association is required to invest this stock money in Federal Land Bank Stock, so Bill really has \$50.00 worth of stock in the Federal Land Bank of Houston. Bill's payments are \$65.00 per year; \$32.50 the first day of November and \$32.50 the first day of May. He makes these payments for 35 years and is out of debt, gets his note and the \$50.00 invested in stock; he has received every year in dividends as much as 5 per cent, or more on the \$50.00 invested in stock, which is \$2.50 per year—\$137.50 in the 35 years (stock and interest)—so Bill has paid to the Federal Land Bank \$65.00 per year for 35 years, making \$2,275, and has received from the Federal Land Bank \$137.50, leaving actual cash paid out on his loan \$2,137.50 and his mortgage is paid off; that's easy.

Bill's friend, Tom, says: "I'm just a little bit afraid of this Government Loan Business, as they have too much red tape, and don't really think they ought to be in the loan business, anyway." So Tom borrows \$1,000 at the usual rate of 9 per cent interest, pays his interest \$90 per year for 35 years, which is \$3,150 interest only; he still owes the principal of \$1,000, so he digs up \$1,000 to get his mortgage lifted, making a total of \$4,140 that Tom has paid for his loan—that's not so easy.

Tom's loan cost him \$4,140; Bill's loan cost him \$2,137.50. Bill saved exactly \$2,002.50 on a \$1,000 loan. If you need to borrow \$5,000 you will save enough to buy the best 200 acre farm in Haskell, Stonewall, or Knox counties, or better than buying land, invest this saving in Liberty Bonds and help win the war. Be wise and patriotic. Act on these suggestions and bring them to the attention of neighbors and induce them to take like action

Federal Land Loans close in 20 to 30 days through the Rule National Farm Loan Association of Rule, Texas, member Federal Land Bank of Houston, Texas.

PATRIOTISM IS ECONOMY

With the nation at war, the interest of our country demands that we practice economy. This doesn't mean that we quit buying necessities, but that our best judgment should be used in the buying. If your house or barn needs repairing to protect your family, livestock or farm products it should be done before the extreme bad weather begins. As it is not economy for you to lose what you have through a false sense of saving a few dollars. Let us figure with you and tell you what the job will cost you to have it done.

INFLUENZA WORSE THAN HUN BULLETS

Claiming More Victims Than Battle Fronts Of Europe—Disease Can Be Avoided

According to carefully compiled statistics it is an indisputable fact that the Spanish Influenza Epidemic which is now sweeping all parts of the country is daily claiming far more victims than German bullets on the battle fronts of Europe. Although civil and military authorities have succeeded in checking the disease in some localities, it is growing worse in others and continues to spread at an alarming rate. That the disease can be avoided there is no longer any doubt. According to leading authorities the powers of resistance of the human system can be perfected that it can throw off almost any infection, not even excepting Spanish Influenza, which is one of the most contagious diseases known.

It is persons who are suffering from lowered vitality, who are weak and rundown and who have not the strength to throw it off who are the earliest victims. Persons who have had colds, who are suffering from catarrhal troubles, or inflammation of the mucous membranes are especially susceptible, as the inflamed mucous membrane lining of the nose and throat are an open door to the germs. This condition is almost always accompanied by a weakened condition of the system.

If you are suffering from any of these symptoms, nothing on earth will build you up and strengthen you like Taulac, which contains the most powerful tonic properties known to science.

This statement is easily proven by the fact that Taulac is now having the greatest sale of any system tonic in the history of medicine. In less than four years time over Ten Million Bottles have been sold and the demand is constantly increasing. Thousands are using it daily for the above troubles with the most astonishing and gratifying results.

ing and gratifying results.

Taulac increases your strength and weight and creates a good, healthy appetite for nourishing food. It keeps you physically fit and helps every organ of the body perform its proper function in the natural way.

In connection with the Taulac Treatment be sure and keep the bowels open by taking Taulac Laxative Tablets, samples of which are included in every bottle.

Taulac is sold in Haskell by Reid's Drug Store.

VAUGHN COBB WRITES TO PARENTS FROM FRANCE

Mr. and Mrs. G. H. Cobb, living in the Vontress community, and old time citizens of Haskell county, have received the following letter from their son, Vaughn, who is in active service in France. His many friends will be glad to hear from him:

A. E. F., Sept. 25.

My Dear Mother and Father:

I have received several letters from you all since I have had time to write.

I am feeling fine and believe our chas favored me and is on my side.

I have been "over the top" and came back without getting hit. My division went over the top at a certain hour and place and advanced several miles and captured several towns and villages from the Huns. It was a great experience for all of us. Some of the underground dugouts were fixed up as well as any dwelling house. The most of them had electric lights, and paper on the walls, with couches to sleep on. The Hun officers had been using the best fixed up places. When they saw the Americans coming, the ones who didn't throw up their hands and holler "kamerad", turned and ran like jackrabbits. It was a great sight to see them run when they saw us coming. They had gotten the news that our Division was a bloodthirsty one, and they thought that we would eat them alive. Our Division took several hundred prisoners. The towns that we took had several hundred acres of garden planted by the Boches. They had cabbage, potatoes, onions, carrots, beets, grapes, plums and other fruit, and believe me, we have been living high on that stuff since it is now ours. We got quite a bunch of souvenirs. This is German stationery that I am writing on. A good many fellows have German helmets and guns but the most of it is too heavy to pack.

Papa, I am glad that you wrote me about the election. I was glad to hear that old man Edd Wilfong was elected.

I hope that you all have gotten the rain that you have been needing, and that crops will be better than expected.

Mama, I hope that the revival meeting will be a success. I would have liked to have been there and attended.

I will close and will write again soon I had a letter from sister today.

Affectionately,

Your son
Vaughn Cobb.

A Card of Thanks

We desire to express our heartfelt thanks to all our friends who have in any way tried to comfort us in our great bereavement in the death, in France, of our son and brother, James Albert Lewis. Your words of comfort have indeed made the sorrow easier to bear, and we appreciate it. May our Heavenly Father bless each of you in our prayer.—Mr. and Mrs. J. V. Lewis and family.

To the Public

I have purchased the W. A. Carlisle Blacksmith Shop and have secured a first-class blacksmith and horse-shoer to run the shop. I will appreciate your business and guarantee you first-class work. R. P. GLENN. 41-4tp.

Mr. and Mrs. J. N. McFatter received word Wednesday that their son, Artie had arrived safely over seas.

Mark Whitman spent Sunday with home folks. He returned to his business at Ranger Monday.

Standers, Walkers, "Gets-It" for Corns

World Has Never Known Its Equal

"What will get rid of my corn?" The answer has been made by millions—there's only one corn-remover that you can bank on, that's absolutely certain, that makes any corn

Corn-Pain Is Eased—the Corn is Doomed!

on earth peel right off like a banana skin—and that's magic "Gets-It." Tight shoes and dancing even when you have a corn need not disturb you if you apply a few drops of "Gets-It" on the corn or callus. You want a corn-peeler, not a corn-fooler. You don't have to fool with corns—you peel them right off with your fingers by using "Gets-It." Cutting makes corns grow and bleed. Why use irritating salves or make a handle of your toe with tape or bandages? Why putter and still have the corn? Use "Gets-It"—your corn-pain is over, the corn is a "goneer" sure as the sun rises. "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Card of Thanks

I may never have the opportunity of personally thanking each one who so kindly remembered me during my recent illness, and take this method of expressing my sincere thanks for every interest manifested. My heart goes out especially to Mr. and Mrs. R. J. Paxton, Mrs. W. M. Reid, Dr. Taylor, those of the A. R. C. and Bro. Wal-thall and daughter, who risked their lives in unselfish service, the Christian L. A. S., and all others who kindly remembered me with nourishment, flowers, and various forms of assistance each containing a silent message beyond words. I shall never forget the kind, unselfish hearts of Haskell. My daily prayer is that God transfer the message from my grateful heart to yours, and ever bless and protect you. (Miss) Ruth Payne.

Resembles Old Fashioned Grip

The symptoms of Spanish Influenza are very similar to old fashioned grip—pains throughout the body, extreme dizziness, sleepiness, chills, high fever, headache, disturbed digestion with running at the nose and eyes and excessive spitting, showing an inflammation and congestion of the mucous linings.

Manifested by Catarrhal Conditions

With the first symptoms of Influenza, it is well to consult your physician at once. It is not the disease itself that is to be feared, much as it is the complications which may attend it. To ward off Influenza or as after returning health is better than Dr. Hanna's World Famous Pe-Ru-Na.
