## Mistrial Ruled in Shotgun Slaying On Hill Farm

A mistrial was ruled Friday in the 62nd Judicial District Court at Paris in a case styled Rebecca Ann Rannels and other vs. C. M. Hill for damages in the sum of \$66,000, after the jury failed to reach a decision in three and one-half hours of deliberation.

Judge E. L. Myers made the ruling and advised that a new trial may be set if the plaintiff so desires.

Testimony in the case started Monday. Mrs. Rannels claimed that the defendant, C. M. Hill, set a shotgun trap which led to the shooting death of her husband. The defense contended that Rannels, a Negro who had formerly worked for Hill, was shot to death while attempting to steal gasoline from a tractor shed.

The incident took place several months ago at a shed on Hill's farm, southwest of Deport.

Ben Edwards of Clarksville and J. D. McLaughlin of Paris, are attorneys for the plaintiff.

C. C. McKinney of Cooper and C. V. Flanary, Jr. of Paris, are attorneys for the defendant.

The defense attorneys filed motions for a mistrial, and asked the court to instruct a verdict in favor of the defendant.

## Warn Delinquent City Tax Payers

Talco City Commission has a statement in this edition, addressed to delinquent tax payers, informing them that penalty and costs will be removed from delinquent taxes due the city if paid in May or June.

On July 1, 1959, all delinquent taxes due the City of Talco that have not been paid, will be turned over to the Talco City Attorney for collection by law. This will add not only the penalty provided by law, but cost of the law suit.

They urge all who owe taxes to the City to make payment before July 1, 1959, and avoid this additional expense.

**BOB CARRELL, JR.**, Deport  
man, is to receive his Master's  
degree in Journalism at ETSC  
soon. Everyone around this  
newspaper plant is very proud of  
Bob. He got his first whiff of  
printer's ink in this plant when  
he was a high school lad. He is  
one of the most intelligent, con-  
scientious employees we ever  
had, and very appreciative of  
what we tried to teach him dur-  
ing the three years he was here.

**BOY SCOUTS** are looking for-  
ward to a week in their new  
camp home on Glover river, 15  
miles north of Wright City for a  
week this summer. Formal ded-  
ication of the new camping facil-  
ities will be held Sunday, May  
31. Glover river is old stomping  
grounds for this editor. He has  
deer hunted and fished it from  
the old Arkansas crossing south-  
east for 15 miles. He killed his  
first buck on the head waters of  
Shell Rock creek, which empties  
into Glover from the east, not too  
far from the new Boy Scout  
camp.

**MEMBERS** of the Deport  
Roundup Club have just received  
56 bright red shirts with the  
name "Deport" embossed in  
white across the backs. Trimmed  
with white pearl snap buttons,  
they will be worn in rodeo par-  
ades in which the group partici-  
pates. They had expected to  
receive them in time for the  
Wright rodeo at Talco, but they  
were not ready then. Members  
will take great pride in advertis-  
ing their home town. There are  
many good saddle horses in this  
area that some folk don't know  
about, and men who know how  
to ride them.
