WHOLE NO. 159

Mr. Homeseeker, Read And Reflect

Central Western part of the Plains Country. The reservation lands, are Colonizing 245,000 Acres of land, that is the Cream of the plains.

and is situated on the main line of the A. T. & S. F. where the trains pass day and night, from Chicago to San Francisco. The Galveston branch also leaves the city here, assuring the best of market for the products of the country.

Information prior to investigation gets you nothing. The man on the ground is doing, is positive proof can be done.

Five days drive in a Jitney from Haskell to Fairbairn you will find the Hon. James D. Hamlin at the Hotel, Inn, prepared to show you both the improved proof of the land values, and the open prairie which the Company is Colonizing. Others have blaz-

ed the way. You will find a colony of Knox County people who located at Spring, and went through the past drouthy

season. Not mis-information is what you want. The price of land is \$16.00 per acre. You can buy 80 acres for \$3.00 per acre down payment. Nov. 1918 to make the balance payment. Ten years to pay out at 6 per cent interest. You can have grass land up to 320 acres if your purchase is that much.

No one can furnish you the information you want, unless you go to the source. Farewell. What the other fellow believes that you will fail, is not what you want that which is proven, is "Success"

You will find it a diversified farming country, Wheat, Corn, Milo, Millet, Feterita and many other crops, Orchards and Gardens.

99 per cent pure, at a depth of 125 to 175 feet, inexhaustible.

Up to you to have enough to start with; then there is nothing of the West there. You will find good schools, churches, with a happy and contented people.

For other, and full particulars, see; J. L. Bratcher or R. W. Sims. At their office, in the McConnell Bldg. Has-

Johnson Grass Killed!

The Old Enemies of The People Laid To Rest

Johnson Grass, Bermuda Grass, Blue Grass, or Coco Grass, Persimmon, and Bull Nettles Killed, never to return, after just one application of E. W. Vannatta's Johnson Grass Exterminator.

It is something that is needed on every farm, costs but a small sum to rid your farm of the dreaded pests.

I, J. WILLINGHAM, County Clerk of Haskell County, Texas, County of Dallas, do hereby certify that I have personally appeared before me this day, August 15, 1896, personally appeared E. W. Vannatta, who, after being duly sworn by me, has used the E. W. Vannatta Johnson Grass Exterminator; that on June 27, 1896, he purchased a farm from E. W. Vannatta, on July 10th, 1896, he applied the E. W. Vannatta Johnson Grass Exterminator to the Johnson grass, and on August 14, 1896, he personally examined the grass and roots and the grass dead and the roots thoroughly rotted. The grass is totally destroyed where the remedy was applied.

I, J. WILLINGHAM, County Clerk of Haskell County, Texas, do hereby certify that I have personally appeared before me, this 15th day of August, 1896.

L. H. HUGHES, County Clerk.
By H. M. SKELTON, Deputy.

E. W. VANNATTA, Belton, Texas,
Dear Sir: I have made a thorough test of your Johnson Grass Exterminator and I find it will kill more than you claim for it. It kills the black and magnolia timber, which nothing else but fire will kill. Yours truly,
E. B. SMITH, Shepherd, Texas.

MADE IN HASKELL

Now that the Holidays are drawing near it is time to begin to think of presents for relatives and friends. For usefulness, service, and beauty there is nothing that recalls my magazine Racks, Book Racks, or Music Racks. In design they are attractive because the designs are original. I make them to order and on these I can fill orders promptly.

I also make Library Tables, Book Cases, Porch and Lawn furniture, Chest and Shirt waist Boxes, etc., to order,

But where I save you money is in renovating your old furniture so that it will be entirely new. The wood in the old furniture is often better than new wood from the yard because it is better seasoned, It takes a better polish.

In enameling, staining and varnishing I claim to be up to standard and my work proves it. I warrant my upholstering to be equal to any factory made work, provided you have an article that is worth the price.

Central Texas Shipper Brings In First Load

Sketch from life by "Hop" Blackman

Central Texas is the home of many a Fort Worth market hog-shipper, and in the future will be noted among them J. T. Therwhanger, of Weinert.

J. T. states he's a "farmer," and Wednesday he negotiated his very first shipment to this market, when he brought in a load of pork.

"I got \$10.25," he enthused, "and I'm going home fully satisfied, and, although I just came to shop with you-all and try you out, I'll venture the statement it won't be my last trip to the best market in the South. In fact, you can put me down as saying that I'm highly pleased with my initial results, and you can look for me next spring with another car."

Therwhanger is a native Kentuckian, and has been a transplanted Haskellite for the past twenty-six years.

Up his way, he avers, they experienced a pretty good cotton crop but not much of a hay yield and the grain was somewhat short, for the drouth extended for more than two months.

"For the money invested," he concluded, "with the present-day prices, and a high grade of stuff, the hog-raising branch of the livestock game offers the greatest inducements at the present time, and my belief is that the Western country is going to develop into the greatest hog-raising section of grand, old Texas."

If your house is insured in one of our companies, you are fully protected, whether it burns up or burns down. When you lose, we pay. Henry Johnson, agent, Haskell, Texas.

A Distinctive Reason

What is the chief reason for the superiority of Dr. Price's Cream Baking Powder?

There are several good reasons, but there is one which distinguishes Dr. Price's from other baking powders.

This reason, which every woman should know, is that Dr. Price's Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in

Vanclave, Charles Hodge, Pat Hodge, Miss Willie Hodge, Mrs. Dora Williams, A. K. Williams, R. E. Sikes, and Miss Annie Vanclave are defendants, and the cause of action being alleged as follows: That Plaintiff and defendants are heirs and interested in the estate of Wm. Vanclave deceased; that letters of administration by an order of this court, were granted to J. S. Emory at the October term, A. D. 1910, on the estate of the said Wm. Vanclave, deceased, and that said administration is still open and pending in this court; that there has been more than one term of said court after the expiration of twelve months from the original grant of said letters of administration; that the assets of said estate, now in the hands of said administrator are by a large amount, more than sufficient to pay all the debts and expenses of every kind which have been approved or established by judgment, or which may yet be established by judgment, and also the probable expenses of administration; that the residue of estate is subject to partition and distribution, and that plaintiffs and defendants herein are all and the only lawful heirs of said estate.

A \$6.00 Daily and Sunday Newspaper for \$3.65.

A PENNY A DAY

IMPORTANT NOTICE!

With the exception of black ink, all raw materials used in manufacture of a newspaper have advanced in cost during the past twelve months approximately 100 per cent. This means that it will cost your publisher practically double to supply you with a newspaper the coming year.

Under stress of these unusual conditions, The Star-Telegram has been forced to increase its "Bargain Days" rate from \$3.25 to \$3.65. An increase of 40c per year (3 1-3c per month) or 12 per cent. Based on the conservative estimate increase in production cost of 100 per cent, under this price the division of added expense will be as follows:

Increased expense to The Star-Telegram 89%

Increased expense to The Reader 12%

This situation means that after "Bargain Days" the regular rate of \$6.00 per year must be strictly enforced. We have battered the price to the very bottom in order to protect our Annual Subscription Cheap Rate Period, which has been in effect since the establishment of The Star-Telegram.

Do not take chances, save the \$3.65, by ordering before Bargain Days expire. Take advantage of the \$3.65 rate.

The high standard of The Star-Telegram will be maintained as long as there is a Star-Telegram regardless of any war burdens.
