Thirty-five Report For Workouts At Rivercrest High

Thirty-five gridders reported this week as the Rivercrest Rebels opened their first football season. Coach L. D. Cannady expects the number to reach 50 before the start of school in September. Last season the Talco Trojans and Bogata Bulldogs had few men on their teams because of the small enrollments at each school. But with the two schools combined this year, the Rebels compare in number to the other Class AA high schools in the area.

The squad will participate in District 15-AA, which is being rated by its coaches as the strongest it has been in several seasons. Coach Cannady is sending the squad through workouts twice a day: 7:30 a. m. and 1:30 p. m. The practice sessions and the 1965 games will be held at the Talco High School facilities. The new Rivercrest High School facilities, to be located between Talco and Bogata, are now under construction.

New uniforms for the Rivercrest team have been received. Two sets of jerseys have been purchased and one pair of pants. One jersey is white, trimmed in red and blue, and the other is blue, with white and red trim. The pants are grey, with blue and red stripes down the side. The new colors at Rivercrest are blue and grey.

Jimmie Williams, who coached at Bogata, is an assistant at the new Rivercrest school.

Because of the late start of the season, Cannady hopes to line up two opponents for scrimmages prior to the opening game which will be with West Rusk on Sept. 10. It will be two newly consolidated schools clashing when the Rivercrest team opens with West Rusk, a school consolidated this past spring. West Rusk is being favored to capture its district title, despite the fact it will be competing in Class AA for the first time.

Know What To Do In Emergency

Austin. — The waning days of summer vacation activities are attracting more and more Texas parents and their children out into the wonderful outdoors for a last fling at fun in the sun before the reopening of school starts confining them to home.

This is a time of increased exposure to the hazards of accidents and unexpected emergencies which inevitably come with accelerated outdoor activity.

Of the approximately 70,000 people who die each year in Texas, about 18 per cent die as a result of accidents. Doubtless, many are saved by prompt emergency care, but many more could be saved.

It's not at all uncommon to find that many people throw all responsibility on the physician or rescue squad personnel who respond to emergency calls, undertaking none themselves except to telephone for help.

Many times they simply do not know what to do; other times they are too excited to think or act wisely. The urgency of the situation may lead people to give grossly improper care for burns, internal injuries or extensive lacerations and abrasions.

The person telephoning for help should not rely solely upon the physician or ambulance attendant to give him advice; he should find out by asking directly what to do until help arrives.

In most situations the telephone conversation need not be rushed; there is time, for instance, for careful directions in cases of heart attack, burns or head injury. Even though the caller has never had a course in first aid or has forgotten what he has learned, he can still obtain directions that may save a life.

"Hurry cases" of first aid include cessation of breathing, severe bleeding and poisoning. In such cases a delay of even a few minutes could result in death.

Mrs. L. M. Gandy Buried Sunday

Mrs. L. M. Gandy, 73, of Talco, died Friday at 1:10 p. m. in a Mt. Pleasant nursing home. Funeral services were held Sunday at 3:30 p. m. in Calvary Baptist Church of Talco with burial in the Talco Cemetery. Rev. C. H. Paxton was the officiating minister.

WCS MEETING

WCS met in Jolintown Monday evening at the home of Mrs. Guy Walker. The program was presented by Mrs. W. H. Hammond, Mrs. Lewis Cunningham, Mrs. James Gray.

Refreshments of sandwiches, potato chips, olives, cake and coffee were served to Mmes. W. H. Hammond, E. R. Grayson, Lewis Cunningham, W. S. Richardson, Earl Burks, A. C. Waddell, Andy Bowman, Frank Sloan, A. E. Foster, James Gray, Mrs. Morris of Arlington and the hostess.

Mrs. Mildred Clegg of Pilot Point, Mrs. Walter Harris, Linda and Delma Kingston of Lubbock, visited Mr. and Mrs. Ellis Harris, Mr. and Mrs. Elmer Harris, Benjamin Harris, Irvin Crump and other relatives here last week. Mrs. Harris is the former Julia Crump and a former resident of this area.

Rescue squads save extremely few people who have stopped breathing unless someone has given artificial respiration or resuscitation on the spot.

Teaching Texans to react promptly and efficiently in emergencies is one of the prime goals of the "medical self-help" courses conducted around the state by local medical societies, local health departments and civil defense organizations.

The important rule to keep in mind when summoning medical help or an ambulance in event of serious injury or sudden illness is this: ask what first aid measures you should take.

New Teachers For Elem. Grades

Supt. Travis Hale announces employing of two new teachers for Bogata School Elementary grades. They are Miss Donna Ann Rozell and Mrs. Jimmy Sue Simmons.

Daughter of Mr. and Mrs. William Rozell of Bogata, Miss Rozell is a graduate of Bogata High School, Paris Junior College and has completed work for a BA degree at NTSU, Denton. She will instruct the 6th, 7th and 8th grades in social studies.

Mrs. Simmons is the daughter of Mr. and Mrs. James Gandy of Talco. She is a graduate of Talco High School and received a BS degree in Elementary Education at ETSU, Commerce. She will teach fifth grade.

Supt. Hale also announces that a general faculty meeting will be held at 9 a. m., August 26 in Talco at the High School.

question seems likely to end up in federal courts. At stake in the dispute are valuable mineral rights along the river, as well as control of fishing and future barge traffic.

Texas contends the middle of the Sabine should be the boundary between the states. Louisiana claims the line was extended to the west bank of the river by the 1803 Louisiana Purchase.

Negotiators agreed to keep trying — perhaps to study possible extension of a federal boundary running between jetties bordering the channel — and to exchange briefs in future meetings.

Land Commissioner Jerry Sadler presided at the initial conference. High State officials and legislators from both states were present.

ENROLLMENTS TO SOAR — Texas Commission on Higher Education forecasts that college and university enrollments in Texas will zoom from 280,106 to nearly 400,000 by 1971.

Enrollments in the state-supported institutions are due to increase from 168,000 to 240,000. Nearly all Texas schools report they are short on space for their present students. Predicted increases will affect every one of the existing state-supported institutions, Commission believes.

ATTORNEY GENERAL RULES — In recent official opinions, Atty. Gen. Waggoner Carr has held that:

A valid surface lease on land being purchased under the state veterans' land program cannot be given in excess of 10 years.

First assistants and chief deputies in state departments are entitled to reimbursement for actual meals, lodging and incidental expenses while traveling on official business inside or outside the state.

Employees of the State Highway Department who drill or supervise drilling of an occasional water well on land owned by the state do not have to be registered as drillers under new act.

Beef Field Day At Stephens Ranch

The John B. Stephens, Jr. Ranch and the Central Ohio Breeding Association will co-sponsor a Beef Field Day on the Stephens Ranch, Mt. Pleasant, on Sept. 1, 1965.

The Stephens Ranch is located four miles southwest of Mt. Pleasant, off Farm Road 127 (Monticello Road).

Starting at 9:30 a. m., the Field Day program will include a discussion of heat synchronization and its use in the beef herd by Dr. P. N. Perrel with the Eli Lilly Company. Dr. A. M. Sorenson, from Texas A&M University, will speak on "The Conception of a Calf" and the herd management that goes with a successful artificial insemination program. Joe Hutchison, COBA's Beef Division Manager, will also participate in the discussions.

A tour of the Stephens Ranch, including inspection of the cattle resulting from an artificial insemination program, will occupy the afternoon. The tour will provide an opportunity to see the facilities and methods used in handling and breeding the Stephens herd.

Like the Stephens Ranch, many Texas beef producers now recognize the advantages of artificial insemination. This program, combined with the development of heat synchronization drugs, affords many opportunities in the field of beef production.

Mr. and Mrs. Wayne Norman will receive their Masters degrees from East Texas University in August. Mr. and Mrs. Norman will teach in the Irving Public Schools. Mrs. Norman, who is the former Jane Rosson, will receive her degree in Library Science. Mr. Norman's degree is in the field of Education.

H. G. Furgerson Rites Sunday

Charge of murder with malice aforethought was filed at Clarksville Friday against Lewis Bulin, about 60, of Bogata, in the shotgun shooting Thursday night of Henry G. Furgerson, 58, at his home at McCrury.

The man's body, with a gunshot wound through the right temple, was reported found about 5:30 a. m. Friday by a man who went to the house, and who notified officers.

Investigation indicated the man had been shot about 8:30 p. m. as he sat in a chair in his house, the charge from a .12-gauge shotgun being fired at him from outside a rear screened door. Justice of the Peace Henry Hill held the inquest at Bogata, ruling death resulted from the gunshot.

Sheriff J. C. Beville and Deputy Jim Whiteman, called from Clarksville to investigate, arrested Bulin and took him to Clarksville about 11:30 o'clock Friday morning.

The charge was filed with Justice of the Peace Lucian Reed, and Bulin was placed in jail at Clarksville.

Jim D. Lovett, county attorney, said he would attempt to have the case before the grand jury this week.

Funeral services for Furgerson were arranged for 2:30 p. m. Sunday in the Cumberland Presbyterian Church at Bogata, Sister Virgie Temple of Paris officiating. Bogata Funeral Home had charge of burial in Mt. Pleasant Cemetery at Deport.

Pallbearers were Troy Bryson, Pat Lindsey, Roger Hanson, K. O. Shoulders, Joe Ford, Harley Scoggins.

Furgerson, born at Deport, Feb. 25, 1907, was the son of the late P. H. and Gertrude (Bogan) Furgerson. He was a World War II veteran.

Surviving are a step-daughter and daughter, Mrs. Vivian Moss of Petty, and Mrs. Harold Harris of Pecos; four grandchildren; five sisters and brothers: Mrs. Homer Scoggins of Bogata, Mrs. Harold Sikes of Clute, Jim Furgerson of Pittsburg, Tom Furgerson of Gainesville, Fla., and Travis Furgerson of Pasadena.

Rev. Dennis, on the staff of the First Methodist Church of Sulphur Springs, preached at the Methodist Church Sunday. Rev. and Mrs. Carl McGee and daughter will return Friday and Mr. McGee will speak at both services Sunday.

Mr. and Mrs. Ray Kelley and daughter of Plano, visited Mr. and Mrs. Herbert Kelley and Mr. and Mrs. Lank Esterling. They were accompanied home by Ronny and David Kelley.

Alcorn Isn't Worried Over News That Robots Are Signing Officials' Letters

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur is undisturbed over news of a new gadget in Washington, his letter this week indicates.

Dear Editor: According to an inside-rope column I read in a newspaper last night during a repeat television show which I didn't even like the first time, the news has leaked out that many government officials in Washington are using machines to sign their names.

Somebody has perfected a robot that learns how to sign a name exactly like an official signs it, then all the official has to do is dictate a bunch of letters and a secretary hands a fountain pen to the robot and it scratches out the signature. The official can be a thousand miles away while the machine is in his office signing his name to his mail.

This commentator was outraged at the news, claiming it could lead to all sorts of complications, especially if the machine fell into the hands of the wrong person.

Well, I guess it does have its hazards, like raising children, but I have thought about it and have

PJC Registration Set Sept. 8th-9th For Fall Term

Paris Junior College will open its doors for the 52nd year in September. Freshmen orientation is set for Tuesday, Sept. 7 with sophomore registration at 8:30 a. m. on Wednesday, Sept. 8 and Freshmen registration on Thursday, Sept. 9 at 8:30 a. m.

Registration for night classes is set for 7:30 p. m. Sept. 8.

Prospective students for Paris Junior College must complete an application for admission form, request for registration materials and IBM cards at least two weeks before formal registration, September 8.

These forms may be secured, and filled out in the Registrar's Office, Room 111 of the administration building of the college.

Students who do not properly fill out the required registration forms before September 8 will not be able to register at the regular time, but will have to wait for late registration and possibly pay a late registration fee.

Waiting for late registration also will limit students in their choice of classes since some sections will be closed by that time.

Scholastic credits at PJC are accepted in any college or university in the United States. The college is a member in good standing of the Texas Education Agency, the Association of Texas Colleges and the Southern Association of Colleges and Secondary Schools, the highest affiliation possible for a junior college.

Several new courses will be offered in the fall semester for the first time at PJC. The college will also operate the cafeteria this year. Frank Grimes is president of PJC.

Special Election Set For Sept. 7

Texas voters will go to the polls on September 7 in a special election. Only one constitutional amendment will be voted on in this election, however an additional ten amendments will be on the ballot on the November 2 election.

To be voted on Sept. 7 will be the amendment to increase membership of the Texas Senate from 31 to 39 members requiring reapportionment of the Senate on the basis of population and deleting limitation that no single county shall have more than one Senator.

Harold Bonham and Peggy were in Dallas Monday.

concluded its advantages far outweigh its disadvantages, the same as with children, generally speaking.

Take check-writing. I don't have the exact figures, don't guess anybody has, but there must be at least 10 million government checks written every month in this country, with more being added every time Congress gets a quorum, and without some sort of automatic check-writer, the job would finally get so big that it would take a third of the population full time writing checks for the other two-thirds. With machines taking over, this is eliminated and everybody can have a check.

Automation never has worried me. Personally, any time the government wants to send me a check, you won't find me squawking about whether it was hand-signed or machine-signed. All I want to know is, will the bank cash it.

By the way, if anybody thinks I'm going to come into the newspaper office every week and sign my initials to my letter in every subscriber's copy, he's crazy. Me and Washington are living in the machine age.

Yours faithfully, A. A.

Austin. — Federal authorities have brought suit here to abolish the poll tax as a requirement for voting in Texas elections. Suit was filed under the new voting rights act.

If they are successful in getting an early hearing, a special session of the Legislature may be necessary to enact a valid voter registration statute.

Texas' poll tax is the only existing form of registration for state and local election. However, there is a procedure for obtaining "free" poll taxes to vote in federal elections.

Observers feel near chaos would result at the polls next year if a final ruling is handed down in favor of the federal suit, without prior enactment of registration procedures.

Although the U. S. Attorney General maintains the tax is not used to raise revenue for the state, comptroller Robert S. Calvert estimates over \$5,000,000 income for the next biennium from that source. That's \$5,000,000 the state treasury won't get if the poll tax is repealed. Reliable estimates so far see the biennium ending with government in the black by only \$1,300,000 to \$4,200,000 including income from all existing levies.

Atty. Gen. Waggoner Carr has announced he will oppose the federal suit to invalidate the poll tax and to enjoin state and local officials from enforcing its requirements for any general, special or primary elections.

Suit seeks to direct Travis County Tax Collector Fritz Robinson and his employees to compile and certify local voter lists "without regard to payment of the poll tax or any other tax."

BOUNDARY DISPUTE AILED — First meeting of negotiating committees from Texas and Louisiana reached no firm conclusions in their effort to settle a long-standing boundary dispute between the states.

Room was seen for arbitration of the dividing line in the Sabine River ship channel at the Gulf jetties. But the river boundary

question seems likely to end up in federal courts. At stake in the dispute are valuable mineral rights along the river, as well as control of fishing and future barge traffic.

Texas contends the middle of the Sabine should be the boundary between the states. Louisiana claims the line was extended to the west bank of the river by the 1803 Louisiana Purchase. Negotiators agreed to keep trying — perhaps to study possible extension of a federal boundary running between jetties bordering the channel — and to exchange briefs in future meetings. Land Commissioner Jerry Sadler presided at the initial conference. High State officials and legislators from both states were present. Married men who are not fathers are 1-A, but are in the fourth rank of selection. Most draftees come from the third rank. Col. M. S. Schwartz, head of the state office, says the state policy toward college students is "No college students."

A Likely Story Told In Likely

Williams Lake, B. C. — Here's a likely story.

Likely is a logging village about 60 miles northwest of here. James Walker is a scaler at Likely.

Two weeks ago a homing pigeon came to roost on the scaler's trailer after a thunderstorm. At least, it had a band on its leg like a homing pigeon. The trouble is it won't go home.

Walker, who named the bird Rosy, drove to Williams Lake and set the bird free. Two hours later, he arrived back at his trailer. There waiting for him was Rosy. "I suppose," Walker said, "the storm upset her direction finder."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 14 proposing Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State; and certain statutory state officers; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States, and shall have resided in this state at least five years immediately preceding his election."

Section 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all

suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such office, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature."

Section 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 23. The Comptroller of Public Accounts, the Treasurer, the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution, shall each hold office for the term of four years and until his successor is qualified; receive an annual salary in an amount to be fixed by the Legislature; reside at the Capital of the state during his continuance in office, and perform such duties as are or may be required by law. They and the Secretary of State shall not

receive to their own use any fees, costs or perquisites of office. All fees that may be payable by law for any service performed by any officer specified in this Section or in his office, shall be paid, when received, into the State Treasury."

Section 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution." "AGAINST the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

Section 5. Nothing contained in this Resolution shall be construed so as to extend the term of office of any officeholder previously elected to a two-year term.

Section 6. The Governor shall issue the necessary Proclamation for the said election and have the same published as required by the Constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board for Four Hundred Million Dollars (\$400,000,000), providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members herein designated as Board, on the date of expiration hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated in the same manner as general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the same have been exhausted, together with any interest and penalties due, have been received by said Board (although not being herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys are attributable to such bonds but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys.

"The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes here provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division, shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board; such moneys shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violation of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such terms and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and regulations that may be provided by law; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Smith - Foxworthy Vows Exchanged

In an informal double-ring ceremony Thursday evening at 8 o'clock at the home of the bride's parents, Mrs. Betty Smith became the bride of Russell Foxworthy. Rev. H. E. Ramsey of the First Baptist Church officiated.

The bride is the daughter of Mr. and Mrs. Edgar Easterling and the bride-groom the son of Mr. and Mrs. Ralph Foxworthy of Rush, Colo.

The couple exchanged vows standing before the mantle, which was decorated with blue and white flowers with white ribbon streamers and white candles in crystal holders. Miss Addie Gieger lighted the candles.

The bride, given in marriage by her father, wore sheath dress of blue brocade satin with a short jacket of white silk organza. She wore a double strand of pearls. Her accessories were white. She carried a bouquet of white carnations, complemented with tulle and white ribbon tied in love knots.

Mrs. Rex Wood of Tyler, was matron of honor. She wore a beige brocade dress with brown accessories and a corsage of blue nuns and net.

Leonard Frazier of Rush, Colo., served as best man. Miss Nancy Gieger played the traditional wedding music.

A reception in the Easterling home honored the couple immediately following the ceremony. The bride's table was covered with white net over a blue cloth, centered with an arrangement of blue and white roses, white candles in double crystal holders, streamers of ribbon with the names of Russ and Betty in silver complemented the arrangement.

The three-tiered white wedding cake, trimmed in blue and topped with a miniature bride and groom was served with white punch by Nancy Gieger and Addie Gieger.

Attending the reception were: Mr. and Mrs. Ralph Foxworthy, Mr. and Mrs. Leonard Frazier, Lenna, James Neah and Stoney of Rush, Colo., Mr. and Mrs. Dewey Davis, Linda and Teresa of Avery, Mr. and Mrs. Rex Wood of Tyler, Miss Ellen Rose, Cecelia Lynn Hendrix of Greenville, Misses Sherri and Terri Clark of Texas City, Bobby Ray Wilbanks of Mesquite, Mrs. Tra-

His Alibi For Late To Work 'Up A Tree'

Johannesburk, South Africa.—An African storeman at Uganda's Murchison Falls game park in East Africa was late for work.

"Sorry, sir," he told Warden Roger Wheeler who wanted to know why he was late on duty. Then he explained: "I was cycling home last night when I saw a cow elephant with a very young calf in the track ahead. I got off and began to push my bicycle through the bush to go around them, but I pushed it into a rhino.

HAPPY DAY

"Congratulations, old man. I'm sure you'll remember this day as the happiest day of your life."

"But it's tomorrow I'm being married," said the prospective bride-groom.

"Yes, I know that," answered the friend, gently.

"I dropped the bicycle and ran for the nearest tree, but after I'd climbed it I saw two lions below in th grass.

"So I thought it would be better to stay there for the night until the lions went away—and I'm sorry I'm late for work."

He was forgiven.

Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 8 proposing an Amendment to Section 24, Article III and Section 17 of Article IV of the Constitution of the State of Texas, to allow an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives, and increasing the per diem allowance of Members of the Legislature.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 24. Representatives shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. Senators shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. The Lieutenant Governor and the Speaker of the House of Representatives shall receive from the Public Treasury an annual salary in an amount to be fixed by the Legislature. All Members of the Legislature, including the Lieutenant Governor and the Speaker of the House of Representatives, also shall receive from the Public Treasury a per diem of not exceeding Twenty Dollars (\$20) per day for the one hundred and forty (140) days of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days. This Amend-

ment shall be self-enacting and appropriations heretofore made in the General Appropriations Bill for the biennium ending August 31, 1967, for the salaries of the Lieutenant Governor and Speaker of the House of Representatives shall not be invalid because of the anticipatory nature of the legislation.

"In addition to the per diem the Members of each House shall be entitled to mileage in going to and returning from the seat of Government, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no Member to be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of the Regular or Called Session."

Sec. 2. That Section 17 of Article IV of the Constitution of the State of Texas be amended to read as follows:

"Section 17. If, during the vacancy in the office of Governor, the Lieutenant Governor should die, resign, refuse to serve, or be removed from office, or be unable to serve; or if he shall be impeached or absent from the State, the President of the Senate, for the time being, shall, in like manner, administer the Government until he shall be superseded by a Governor or Lieutenant Governor. The Lieutenant Governor shall, while he acts as President of the Senate, receive for his services an annual salary in an amount to be fixed by the Legislature and the same mileage which shall be allowed to the Members of the Senate, and no more; and dur-

ing the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, for the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday following the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session."

"AGAINST the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session."

Sec. 4. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Compliment Bride Elect At Shower

Marjorie Ann Richardson, bride-elect of William Nelson Taylor III, was honored with a bridal shower in the First Methodist Church Fellowship Hall Thursday from 7:30 to 9:30 p. m. The hall was beautifully decorated in the bride's chosen colors: yellow and white. The honoree and her mother were presented a white carnation and lily of the valley corsages. Janie Hood registered the guests at a table covered in white net cloth over yellow. On the table was a floral arrangement with a miniature bride and groom. The guests registered in the bride's book with a white plume pen.

The reception table, covered with a yellow cloth, had a centerpiece of white stock and yellow and white pom poms in a crystal bowl. Tiny glittered parasols were placed in the arrangement. On each side were crystal candle holders with tall yellow tapers. Serving yellow punch, yellow and white cake squares, nuts and yellow and white mints were Connie Holloway and Janie Hood.

The gifts were displayed on a table covered in a yellow cloth with yellow and white rose tree in the center of the table. Out of town guests were Mrs.

The 18-year-old soldier entered the Army in December 1964 and received basic training at Fort Polk, La. He attended Sulphur Bluff High School and was employed by Raley's Tractor Co., Mt. Vernon, before entering the Army.

Face 'Laughing Death' Threat

Port Moresby, N. Guinea. — Sir MacFarlane Burnet, an Australian scientist, estimates more than 4,000 New Guinea women and girls face certain death unless a cure is found soon for the dreaded "laughing death" disease.

Burnet said the disease is called Kuru and is one of the outstanding unsolved problems of medicine. He said it causes victims to lose control of their facial muscles and causes them to appear as if they were constantly laughing.

Burnet, chairman of the Papua-New Guinea Medical Research Advisory Committee, has been closely connected with Kuru research. He said it rarely strikes men but brings death to thousands of women among the peoples of the tribes in the eastern highlands.

Study Develops Stronger Glass

New York. — The growing strength of glass bottles and jars stems from a crack in a walnut shell.

A young scientist several years ago observed that walnuts don't always start to crack at the point where the nutcracker is applied. Sometimes the crack started somewhere else. He had seen approximately the same thing happen to glass bottles and jars — cracks starting at a location remote from the point of impact of a sharp blow.

The scientist, working under sponsorship of the Glass Container Manufacturing Institute, embarked on a series of studies to find out just why bottles do fail. These studies have led to the design of bottles and jars that are a third lighter and yet stronger than their predecessors of just a few years ago.

FAMILIAR FACE

Registration For 1965-66 School Term Talco-Bogata Consolidated School District

All students who plan to attend school in the Talco-Bogata Consolidated School District for the 1965-66 school term and have not made a choice of schools should do so during the period from August 23 through August 31, 1965.

Registration forms may be secured at the office of the Superintendent of Schools from 8:30 A. M. to 4 P. M. daily exclusive of Saturday and Sundays.

The choice of school is granted to the parent or guardian and the pupil. Teachers, principals, and other school personnel are not permitted to advise, recommend or otherwise influence the decision; nor will school personnel either favor or penalize children because of choice made.

A choice must be exercised with respect to each child even if it is desired to have him re-assigned to the school previously attended. No child will be admitted or re-admitted to a school until a choice is made.

DETAILED STATEMENT OF ADMINISTRATIVE PRACTICES TO BE FOLLOWED

1. There shall be no maintenance of separate schools for white and negro children of the Talco-Bogata Consolidated Independent School District with respect to all grades, effective with the school year commencing September, 1965.
2. For the school year beginning in September, 1965, each student in grades one through eight may choose either the formerly white or formerly negro school offering instruction at his grade level.
3. Only one high school, grades 9 through 12, will be maintained in the district. All students in these grade levels may attend without regard to race or color.
4. Effective in September 1965, all activities of each school—both curricular and extra-curricular—will be completely desegregated.
5. The transfer of pupils during the school year may be authorized by the superintendent of schools only in the event the pupil moved to a residence which is nearer the school to which a transfer is sought than to a school in which the pupil is enrolled. This district will pay neither tuition or transportation for any student residing in this district who transfers to a school in any other district.
