COUNTY SUPERINTENDENT VISITS RURAL SCHOOLS

County Superintendent Mrs. Ed Robertson for the past two weeks has been visiting the rural schools of the county. Mrs. Robertson reports that the State Aid requirements are being met by all the rural schools. The schools this year have a much larger attendance than any year heretofore, and the school work is progressing nicely.

Mrs. Robertson also reports the opening of the Center Point and the New Mid schools Monday of this week. Both these schools are in their new buildings with new equipment for every need. The Gaunt school is also open in their new brick building. Owing to the fact that this weeks issue is printed early in the week, it is impossible to give a full account of the opening of these new schools, but a detailed account of the opening services of these schools, and also of the progress of other school work in the county, will appear in next week's Free Press.

Mr. and Mrs. H. J. Hambleton are the proud parents of a 10-pound baby girl, Joyce Nell, who arrived at their home Nov. 12th.

FUNERAL OF JUDGE BALDWIN HELD IN HOUSTON WEDNESDAY

J. L. Baldwin returned this week from Houston, where he attended the funeral services of his brother, Judge J. C. Baldwin, who was buried in Houston Wednesday. On his return Mr. Baldwin came by way of Hillsboro, where the examining trial of June Thompson, charged with the killing of J. C. Baldwin, was held. Thompson was remanded to jail without bail.

Judge Baldwin was a former resident of Haskell county, and served four years as State Senator from this district. Mr. Baldwin was well known in this section, and had many friends who regretted to hear of his untimely end. Below we give a memorial resolution adopted by the Harris County Bar Association, of which Mr. Baldwin was a member, as it appeared in the Houston Post:

Members of the Harris County Bar Association, at a special meeting Wednesday in the Sixty-First District Court, adopted a memorial tribute to Jacob C. Baldwin, prominent lawyer, who was shot and killed near Hillsboro Sunday. The meeting was presided over by John G. Logue, president.

The funeral of Mr. Baldwin was held Wednesday afternoon.

The following report of the resolutions committee was unanimously adopted:

"Our committee appointed to draft a memorial tribute to Jacob C. Baldwin feel assured that when they say the tidings of the untimely taking of our esteemed professional brother came as a painful shock to them, they voice the sentiment of all the brotherhood of the bar of Houston.

"There was no member of the legal brotherhood of this city whom it seemed more unlikely would die by the hands of violence.

"To all who knew him it had been distressingly evident for a long time that he was the victim of seemingly incurable disease—against which he courageously battled, and though pale and worn, kept at his professional post of duty—and had he yielded to the ravages of disease we would have been prepared for the announcement that the fight was ended; but when we received the tidings that a frail, worn and wasted and an amiable, kindly man had died by violence we were deeply impressed and grieved by the pathos of the lamentable tragedy.

"Mr. Baldwin had been a member of the bar of Houston for more than a quarter of a century and before coming to Houston represented the people among whom he lived in the interior, in the state senate.

"He was a quiet, unobtrusive man, who never sought the limelight, but who practiced his profession according to the highest ethical standards, and every lawyer who has been arrayed against him at the bar will bear witness that he was a professional foe worthy of the steel of any adversary. In that ancient and honorable order, the Masonic Fraternity, to which he belonged, the membership of which is held to the most exacting standards of living and conduct, he attained high rank, being past master of Holland Lodge No. 1, and E. C. O. D., and was avouched unto all men as worthy of the confidence and respect which was accorded him.

"We deplore his passing and tender to his family the assurance of our sincere sympathy in this hour of their sorrow.

"We recommend that a copy of this memorial be delivered to his family, and that it be recorded in the minutes of the District Court of Harris County.

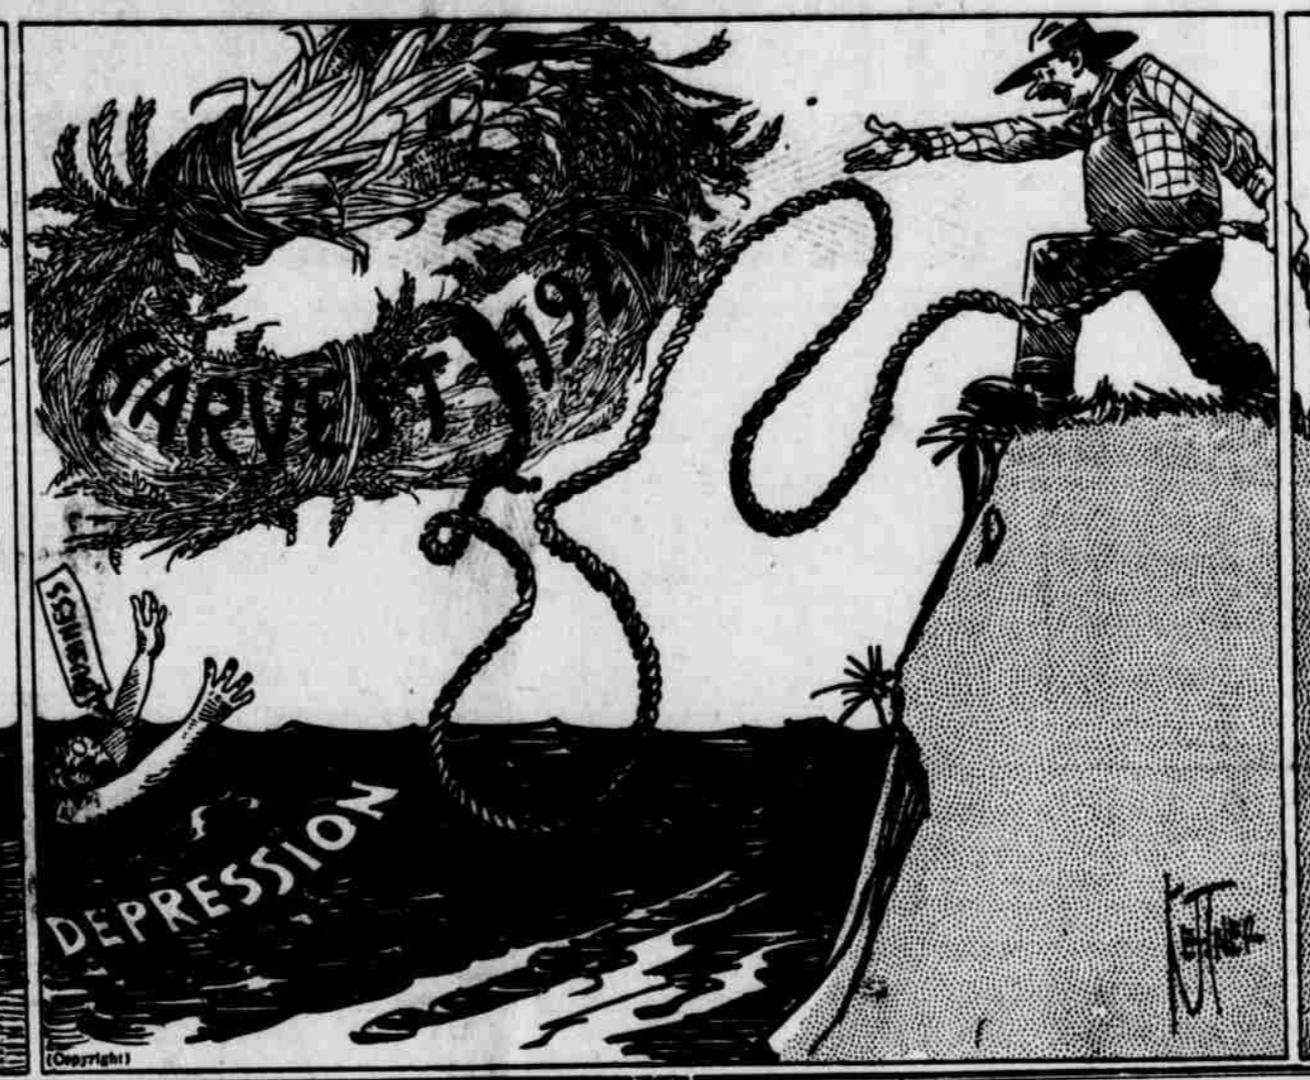

"We further recommend that at some early date the chairman of this memorial committee present the memorial to the various courts of record of Harris County.

"Norman G. Kittrell, Sr., chairman; S. C. Christian, Charles H. Taylor, Jno. Charles Harris, Ned B. Morris, Beaman Strong, committee."

In a campaign to collect overcoats for the jobless ex-servicemen in New York, John Golden, the theatrical producer, offered one of the best seats for his play, "Thank You," to every person bringing a discarded overcoat to the theatre. Several hundred coats were obtained and distributed through the American Legion organization.

Mr. Eddie Denton, who is teaching the school this year, was shopping in the city Saturday.

A Life Saver

HASKELL BOYS MAKING GOOD IN EASTERN UNIVERSITY

We people of Haskell are very glad indeed to know that Roy Stewart and Lowell Robertson, former stars of the Haskell High Eleven are making a great showing at Union University located at Jackson, Tennessee.

Roy Stewart (Froggy) was the mainstay in the back-field of the Union Squad and starred all through the game, so the Memphis Commercial Appeal gives out. Two Memphis papers as well as the Jackson papers have praised the two to the sky. Roy plays left half-back, while Lowell has a tackle's position. Those two boys have made up their minds to become a force in this broad and open world. We all wish them a great success during the school years and the years that follow.

All who intend to send something to these two for a remembrance at Xmas time please send it through Y. P. Kunitz of the high school as he intends to send what is known as a football greeting box.

Mrs. W. W. Fields Improving

Mrs. W. W. Fields who submitted to a surgical operation in Dallas Sanitarium last week, is reported as improving nicely. This will be good news to her many friends.

Mrs. Lomie Ware left Saturday evening for Dallas, where she has accepted a position with Sanger Bros. She has been with R. V. Robertson Co. for several months and her many friends regret her leaving but wish her success in her new position.

MAN WANTED HERE ARRESTED IN CROSBY COUNTY

John Welmes, who was indicted for selling whiskey by the Grand Jury of the November term of District Court, was arrested and placed in jail last Saturday at Spur to await the arrival of Haskell County officers. During the night Welmes made his escape from the Spur jail, only to be apprehended in Crosby County Monday, and placed in jail there. Sheriff Al Cousins left Tuesday for Crosbyton to return Welmes to Haskell for trial.

MAN JAILED CHARGED WITH SELLING WHISKEY

Logan Harris, a young man about twenty-two years of age, was arrested in Rule Monday night, charged with selling whiskey. Harris was brought to Haskell by Deputy Sheriff Henry Townsend and placed in jail here to await the action of the Grand Jury.

Mrs. O. E. Kennedy and Mrs. Oscar Todd, who will teach the Gaunt school the coming term, were in the city Friday securing supplies and making preparations for the opening of their school this week.

T. F. Foster and E. W. Helweg of the Gaunt section were in the city Saturday on business.

O. C. Southard and Miss Obie Lee Price, teachers of the Mitchell school, were in the city Saturday securing supplies for their school.

J. S. Strickland of Center Point was in the city this week, and stated that he was moving this week to a farm two miles west of Haskell.

J. A. Peyton, a prosperous farmer of the Bayes section, was in the city today on business. Mr. Peyton and family are moving this week to Altus, Okla., where they will make their future home.

MARRIAGE LICENSES ISSUED DURING THE WEEK

County Clerk Emory Menefee reports demand for marriage license increasing as the holiday season draws near. The following license have been issued during the week:

Walter Davis and Miss Evalyn Walters; Wilbur Keiso and Miss Beuna Redwine; Oden Tucker and Miss Carrie Cornelius; W. G. Johnston and Miss Serena Austin; Fred Haley and Miss Bernice Goss; M. J. Whitsett and Miss Mabel Spikes.

COUNTY TEACHERS WILL MEET HERE SATURDAY

School teachers of Haskell county will meet at the courthouse in this city Saturday for the purpose of organizing a County Teachers Association. All teachers of the county are urged to be present and take part in the organization. This association will be of benefit to every school in the county, and will prove a great help toward simplifying and broadening the work of the teachers. A large attendance is expected to be present, and plans have been made to perfect the organization and make plans for future work of the association Saturday.

FORM HERFORD BREEDERS AND SALES ASSOCIATION

Seymour, Texas, Nov. 21.—The leading cowmen of Baylor, Knox, Throckmorton and Archer counties, in session here Saturday afternoon in the chamber of commerce quarters, completed the organization of what is styled a Herford Breeders' and Sales Association, the prime object of the association being the promotion of the production and sale of high grade Herford cattle.

Officers elected for the association are as follows: E. A. Stevens, president; H. C. Fancher, vice-president; and J. T. Burns secretary and treasurer. Seventeen representative cowmen in attendance here today were enrolled as charter members of the association.

WINNERS OF A. & M. EGG LAYING CONTEST ANNOUNCED

The Fort Worth National Egg Laying Contest conducted at the A. & M. college of Texas by Professor T. J. Cupway and Mrs. Leuchandman, closed October 30. The highest laying pen for the entire year was one of Barred Plymouth Rocks owned by M. A. Lee of Seadrift, Texas, with a production of 868 eggs. It is of interest in this connection to note that Mr. Lee won the contest last year and the contest three years ago.

The second highest pen were S. C. White Leghorns owned by W. M. Moore of Dayton, Texas, with 846 eggs.

The highest individual was a S. C. White Leghorn owned by J. L. Batta of Decker, Texas, with 222 eggs.

The highest pen for October was Barred Plymouth Rocks of M. A. Lee, with 90 eggs.

FISHING FOR LOST TOOLS IN THE GLENN WELL

Drillers on the Glenn Well in the southeast part of the county have been busy for the past few days fishing for a bailer that was lost in the hole due to a cave-in. Active drilling will be held up awaiting the arrival of the eight-inch casing. This well has reached a depth of 1,600 feet with favorable indications, and with the arrival of the casing work will be pushed rapidly as possible toward completion of this test.

MRS. W. R. CHAPMAN OPERATED ON MONDAY

Mrs. W. R. Chapman of Anson, wife of District Judge Chapman, underwent an operation at the Baptist Sanitarium in Dallas Monday afternoon for appendicitis. Judge Chapman received a message Tuesday stating that Mrs. Chapman stood the operation well and was doing nicely. Their many friends here wish for her a speedy recovery.

Misses Laverne Whitmire and Mary Conner visited relatives and friends in Wichita Falls Sunday and Monday.

Mr. and Mrs. E. E. Holmes of Stamford visited Mr. and Mrs. R. C. Whitmire Sunday.

"ONCE TO EVERY WOMAN" TO BE SEEN HERE

American theatre goers who revelled in the dramatic wealth of the "Heart of Humanity" and capitulated to the irresistible qualities of "The Right to Happiness" are doubtless of the opinion that in these two photodramas Dorothy Phillips and Allen Holubar, star and director, have reached the heights of scenic perfection. But the public is asked to reserve its final verdict until it has had a view of "Once to Every Woman," the newest Universal-Jewel super-production, coming to Dick's Theatre on Wednesday and Thursday.

The popular appeal of "Once to Every Woman" is heightened because it deals with every-day people and treats of a theme that is old as humanity. Mother love is its keynote, and it shows the utter vanities of worldly ambition when not founded on human affection.

Miss Phillips first appears as a school girl, the daughter of a village blacksmith, who, because of her good looks and sweet voice, is the pet of the family. She accepts the sacrifice of her parents and sisters, and when a visitor from New York offers to send her abroad to have her voice trained she leaves home with no regrets.

After many dramatic episodes she finally reaches the goal of her ambition—the creation of the star role in a new grand opera in New York. Her humble home and family are forgotten. Then a tremendous shock causes the loss of her voice. Her new-found friends and admirers leave her. In her mother's great love she finds real happiness at last.

LETTER PURPORTED TO HAVE BEEN WRITTEN BY CHRIST

The following letter is published by request:
 Milan, Tenn., May 28.—J. A. Warner, of this city, has in his possession a wonderful letter, which is probably one of the oldest specimens in existence. It has been in the Warner family 173 years. It is written on a material resembling parchment, and is yellow with the age of over two centuries. The copy and letter are presented as follows:

"Copy of a Letter"
 "Written by our Lord and Savior Jesus Christ, and found 18 miles from Iconium 25 years after our blessed Savior's crucifixion and transmitted from the holy city a converted Jew, and faithfully translated from the original Hebrew copy now in possession of Lady Cubass.

"This letter was found under a stone both round and large, at the foot of the cross 18 miles from Iconium, near a village called Mesopotamia. Upon this stone was written and engraved: 'Blessed be he that shall turn me over.' All that saw it prayed God earnestly and desired that he would make known unto them the meaning of this writing that they might not turn it over in vain. In the meantime a little child about 6 or 7 years of age turned it over to the admiration of all present, and under it was written the command of Jesus Christ in a letter published by the Angel Gabriel 98 years after the death of our blessed Savior and carried by a person belonging to Lady Cubass, and made public in the city of Iconium."

The Letter
 "Glory to God on high, and on earth good will to all men.

Whosoever worketh on the Sabbath Day shall be cursed. I command you to go to church and keep the Lord's day holy without doing any manner of work. You shall not idle or mispend your time in decking yourselves in superfluous and costly apparel and vain dressing, for I have ordained a day to be kept holy that your sins be forgiven; and ye shall not break my commandments, but observe and keep them, written with my own hand. You shall not only go to church yourself, but your man servant and your maid servant, to observe my word and learn my commandments. You shall finish your labor every Saturday at 6 o'clock in the afternoon, for at that time the preparations for the Sabbath begin.

"I advise you to fast five days in the year, beginning with Good Friday, and so continue the four first days following in remembrance of the five bloody wounds received for mankind.

"You shall diligently and peacefully labor in your respective vocations wherein it has pleased Almighty God to place you.

"You shall love one another with brotherly love and cause them that are not baptised to come to church and receive the holy sacrament, and be made members thereof; and in doing so I will give many blessings, and comfort you in great temptation, and surely he that doeth to the contrary shall be cursed and unprofitable. I will also send hardships of heart upon them, but especially upon impudent sinners and hardened unbelievers.

"He that giveth not to the poor shall be unprofitable.

"Remember to keep the Sabbath day, for the seventh day I have kept to myself, and he that hath a copy of this letter and keepeth it without publishing it to others, shall not prosper, and they that publish it to others shall be blessed of me, and if their sins be of numbers as the firmament and believe in this they shall be pardoned, and if they believe not in this writing and keep not my commandments, I will send my plague upon them and their children and their cattle, and whosoever shall have a copy of this letter and keep it in the house, nothing shall do them any damage, neither pestilence, lightning or thunder shall hurt them, and if a woman be with child and in labor, if a copy of this letter be about her, and she firmly puts her trust in me she shall be safely delivered of her birth; you shall hear no more of me, but of the blessed spirit, until the day of judgment.

Jesus Hominum Salvator."

Junior Harmony Club

Some time ago Mrs. Hardy Grissom, Mrs. H. S. Wilson, and Mrs. Reynolds met with the High School girls at the North Ward, and proposed the organization of a Junior Harmony Club, which pleased the girls very much. After the work of the year had been explained the following officers were elected: Thelma Newsom, president; Bernice Mask, vice-president; Frankie Mae Brooks, secretary and treasurer.

A program committee was also appointed with Madalin Hunt as chairman.

This organization is the first of its kind in Haskell, and as an appreciation for what the ladies are doing for us, we girls will endeavor to make the most of our work at the present time, that we may make better club women in the future.

Our first meeting was held on Saturday October 8th, at the public library and a very interesting program was given on Beethoven.

At our last meeting, Saturday, Nov. 12, the following program on Chopin was rendered:

Roll Call—Composition of Chopin.
 Early Life of Chopin—Lillian Smith.
 Special Music—"Fantasia Impromptu"
 "Waltz in D Flat"—Mrs. John Pace.
 Later Life—Reba Anderson.
 Special Music, "Waltz in A Flat"—Mrs. Marvin Post.
 Discussion of His Works and Popularity—Willie Sue Robertson.
 Violin Solo, "A Maiden's Wish"—Mary Ella Pace.
 Choral Practice, Leader—Mrs. Hardy Grissom.

At the close of the program Mrs. Marvin Post asked a number of questions on Chopin which helped everyone to appreciate and understand his music more than ever.

The Junior Harmony Club meets the first Saturday of every month at 4 p.m. As these programs have proven to be very helpful and interesting, we expect to see a large crowd of girls at our meeting next month.

The Ladies Harmony Club have arranged for some of the members to help us with each program, and have also invited us to their meetings.

Hockley County Lands And Town Site

Per Acre \$30.00	We still have about 8,000 acres of land out of 17,712 acres known as the Thomas F. Moody subdivision of Baylor county lands, cut into 177.12 acre-tracts. We also have exclusive agency for county seat town site and 11, 22 and 44 acre tracts	Per Acre \$30.00
------------------	---	------------------

joining the town site, which is owned and located on the C. W. Post Estate lands. This county joins Lubbock county on the west and was organized last February. We have just got a new court house built, also school house. We have also just completed a new school building on south part of this land.

The purchaser assumes \$14.07 per acre due Baylor County, drawing 5 per cent interest and payable thirty-seven years after date, but can be paid at any time after seven years, at purchasers option. When you buy this land we deliver you a warranty deed and abstract.

Balance, \$16.00 per acre, \$3.00 cash, remainder divided into 6 annual payments drawing 6 per cent interest, paying \$2.16 per acre each year and the interest, making very liberal terms.

This makes it possible for a man to handle one or more of these tracts. There has been so much demand for these lands for actual settlement that the owners have consented to let it go that the people may have homes.

State Survey Gives This 98.04 Tillable Land

This makes it possible for a man to hubcock, Texas, and eleven miles from Ropes, Texas, on the Santa Fe lines. It is on the east side of Hockley county, and is considered one of the best tracts of land of this size on the south plains, deep soil of the short grass and cat claw type, fine water from 80 to 120 feet in inexhaustible quantities.

This Land Runs up to Within Four Miles of County Seat

The South Plains country is fast coming into her own. This land is producing more per acre than South or Central Texas where land is selling from \$150.00 to \$200.00 per acre.

We have sixteen families that are living on this land. You can buy a home and move right into a neighborhood where you have neighbors and good schools.

We also have some bargains listed in improved and unimproved land in Lubbock and Crosby and can help you buy a home worth the money.

We loan money on farm land. 10-year Contract with 3-year option.

SWEET CLOVER PROFITABLE CROP IN WEST TEXAS

White flowered Sweet Clover grows wild in all counties between Fort Worth and Texline, which shows its wide adaptation to varying climatic and soil conditions.

Many farmers have been watching these wild growths for the last year or two and a few have been experimenting with it in a small way.

The hardy habits of Sweet Clover have caused farmers to realize the possibilities of getting it established on rough pasture land or in waste places thus converting much unprofitable land into good grazing that will return a profit.

Sweet Clover will probably prove more profitable when used as a pasture crop than when used as a hay crop.

Many good stands of Sweet Clover have resulted from seed being scattered on top of hard ground along road sides.

So, if one contemplates seeding Sweet Clover on cultivated land it should be prepared in such a way as to keep the soil as compact as possible.

Sweet Clover seed are very hard and do not come up quickly unless they are scarified.

Advertisement in the Idaho Falls Register:

to 12 lbs. per acre. Unscarified seed should be sown at the rate of 15 lbs. per acre. These will sell for 1 to 2 cents less per lb.

In nature, Sweet Clover seed mature in the summer, fall to the ground, gradually absorb moisture, freeze and thaw then germinate early the next spring.

One man at Memphis, Texas, has already bought seed for forty acres. He has been experimenting with it for two years.

No doubt Sweet Clover will become a common crop within two or three years or as soon as it has proven its value as a pasture and hay crop.

BIRD RESERVATIONS TO BE
ESTABLISHED IN TEXAS

Since President Roosevelt established the first Bird Reservation in Florida back in 1903 at the request of the Audubon Society, the bird reservation idea has spread over a large portion of the United States and is now invading Texas.

At the recent session of the Texas Legislature a law was enacted authorizing the State Land Board to lease for fifty years to the National Association of Audubon Societies the various famous bird islands situated in Laguna Madre. The marvelous bird-life on these islands hitherto scarcely known to science was brought prominently to public attention in the summer of 1919 by the ornithological work of T. Gilbert Pearson of New York City, president of the Audubon Societies.

Mr. Pearson estimated that the total bird population of these islands during the year falls little short of 100,000. Of the birds resorting here for nesting purposes in the summer Mr. Pearson enumerates Ward's Herons, Snowy Egrets, Louisiana Herons, and Black-crowned Night Herons. Also thousands of Laughing Gulls, one colony of Brown Pelicans and various species of Terns. A peculiar interest to science is a great gathering of Reddish Egrets on Green Island about thirty miles north of Point Isabel. For twenty years this species was supposed to be extinct as a breeding bird in the United States. It was only by the discovery of these colonies on the Texas coast that this species was again recognized as a nesting species within our boundaries.

Here also was discovered a colony of White Pelicans with their eggs and young. Heretofore this great bird has not been known by science as breeding in the waters of the Gulf and the nearest colony known was that in the Salton Sea of California 2000 miles away.

Mr. Pearson left New York for Texas this week for the purpose of arranging to properly guard these islands. Learning that he contemplated a field trip to the State in which he has already done so much bird work, the United States Government commissioned him to locate marshes and ponds constituting important wintering grounds for wild ducks and geese, in order that some of these may be purchased and made into United States Bird Reservations.

"It is important," states the head of the Audubon Societies, "that areas be established all over the country where no killing shall ever be allowed. For the perpetuation of the valuable wild fowl in the United States it is important that a series of these 'Cities of Refuge' should be established all the way from the breeding grounds in Canada to our Mexican border, and already much has been accomplished in this line."

Mr. Pearson for a time will make headquarters at Brownsville as the guest of Judge James B. Wells and Captain H. D. Camp. He has received invitations to visit other parts of the State and plans to spend a number of weeks in Texas investigating the wild life conditions.

AMERICAN LEGION NEWS

One grand assault on the magnificent digestion was expected during the visit to that great Amerique. Tres bien, and one had been in the training for the glorious eatings. But, poor l'Amour de Mike, it is les chevaux of other colors to train for the unexpected company of a wild bob-cat, is it not that it is?

Consequently the undomesticated kitten presented Marshall Foch by Montana members of the American Legion now bays the moon in a cage at the Bronx Zoo, New York, and Le Marschal sleeps of nights.

The untamed tabby, brought 1,500 miles by airplane by Montana Legionnaires and given the Marshall at Kansas City, rapidly changed into white elephant. The Foch party carried it in a strong box from the West and thru several Eastern cities, newspaper men of the special train standing guard. But when the Foch special stopped in New York for an hour enroute to Princeton University and while the allied generalissimo was still abed, the Montana mascot was quietly transferred onto a truck and hurried through the early morning hours to the zoological gardens. The spirit of the Montana Legionnaires and their bobcat was highly appreciated, but "Voila!" as the French said it.

Disinterment of the bodies of American soldiers buried in Brest, France, during the war, has been completed, according to word received by the American Legion. Army authorities have forwarded to the four permanent American cemeteries in France 1,080 bodies, removal of which to the United States was requested by relatives.

When the Y. M. C. A. in Somerville, Mass., burned down, American Legion men rescued 24 lodgers, clothed them and turned the Legion club rooms into the temporary Y. M. C. A. of the city.

Hundreds of letters and telegrams have been received by the War Department from members of the American Legion in all parts of the country in refutation of the charges of Senator Watson of Georgia, as to the hanging without court-marshal and other dire-lectations in the A. E. F.

More than 15,000 members of the American Legion representing every one of the 48 states participated in the ceremonies honoring their unknown comrades of the World War at Washington Armistice Day. National Commander MacNider, in the name of the Legion, placed a huge wreath of flowers on the flag-draped casket.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its strengthening, invigorating effect. 50c.

Does More For Less

THAT the Ford One-ton truck does more for the farmer or the merchant is proved by the great number of them now in daily use—that it does this at less cost is shown by the actual figures—a smaller first cost and a much lower expense for operation and upkeep.

The Ford One-ton Truck has proved a great money saver, as well as a labor saver. It has solved the problems of economic transportation between the farm and the city.

The Ford One-ton truck has all the merits of the Ford car, with added strength for greater capacity. The worm drive of aluminum bronze gives unusual and positive power at a very low cost.

Come in and let us show you how the Ford One-ton Truck will help you and save you money in your work.

IMPORTANT

We are prepared to furnish the Ford Truck equipped either with Standard or Special Gearing. The Standard Gearing gives the truck a maximum of power. The Special Gearing increases the speed of the truck from five to seven miles an hour, converting it into a Fast Delivery Car.

Fadeless Flowers

Flowers made of petals cut from paper tape and coated with colored sealing wax, are among the novelties that add to the cheerfulness of home and Christmas this year. A cluster of them in several different colors, in a vase that is also coated with the wax, makes a very pleasing bouquet for the living room or dining table. The colored wax is a substitute for paint and a small alcohol flame becomes the brush for making the fadeless blossoms.

Just as of old, the world rolls on and on,
The day dies into night—night into dawn—
Dawn into dusk—through centuries untold—
Just as of old.
—James W. Riley.

SUCCULENT SALADS.

Salads using lettuce for the main portion of the salad should not be mixed until just before serving to insure the crispness of the lettuce. Let-t-u-c-e should be washed, drained and wrapped in a thin cloth. Old curtains, good for nothing else, make fine salad cloths. Wrap the lettuce in the cloth and lay in the ice chest, then it will be always ready.

Tomato and Cucumber Salad.—A very simple but attractive salad is one arranged on a long dish or platter. Place the sliced cucumbers in overlapping slices and a few tomatoes also sliced and arranged in the same manner. Let each serve himself taking one or both. Pass the dressing with the salad.

Pear Salad.—Cut peeled and quartered pears into eighths and arrange on lettuce with a little chopped apple and celery. Sprinkle with shredded almonds and serve with a rich mayonnaise dressing.

Pineapple and Cheese Salad.—Place a ring of pineapple on a crisp leaf of curly lettuce and fill the center with a ball of cream cheese softened with cream and sprinkled with paprika. Serve with a mayonnaise or boiled dressing.

When the canned pineapple is used, as is the common custom, the juice thickened slightly and mixed with olive oil and a dash of lemon juice makes a very palatable dressing to serve with the salad.

Cucumber Boats.—Peel long cucumbers and shape in the form of a boat hollowed out. Sprinkle with seasoning and fill with salmon mixed with the chopped portion taken from the centers. Serve on lettuce with any desired salad dressing.

New Beet Salad.—Chop new beets very fine and mix with a dressing colored-pink with the liquor of the beets. Season with chopped onion and the usual seasonings. Serve on head lettuce with a spoonful of the dressing on top of the salad.

This is Mr. Edison's Official Laboratory Model

It is the phonograph which the world uses today for all important musical events.

In a recent Broadway show, it supplied the off-stage music.

When the Prince of Wales visited this country, it played in his hotel suite.

The U. S. Post Office Department used it in its experiments with music for increasing the efficiency of mail clerks.

Dr. W. V. Bingham, Director of the Department of Applied Psychology at Carnegie Institute of Technology, used it in his experiments on the effects of music.

Harvard, Yale, Columbia, and many other universities used it in making tests of music's power to change human moods.

The Official Laboratory Model was chosen for all this work because it sustains the test of comparison with living artists,—and has therefore been accepted as the only phonograph which brings the true beauties and the full benefits of music.

The tests by which the Official Laboratory Model attained this recognition were continent-wide. Premier artists such as Case, Hempel, Muzio, Chalmers, Spalding, have compared their living performances with the RE-CREATIONS of those performances by the New Edison. These comparisons were made in famous auditoriums, such as Carnegie Hall, New York, Symphony Hall, Boston, etc. Thousands of people attended, including leading music critics. Newspapers such as the *New York Times*, *New York Sun*, *Chicago Tribune*, *Cleveland Plain Dealer*, *San Francisco Examiner*, published the facts of the Official Laboratory Model's triumphs. Even Banhoschek, leading conductor of the Metropolitan Opera Company, acknowledged that he could not tell living music from RE-CREATED music.

Hear the Official Laboratory Model,—and you, too, will discover that Mr. Edison has made his phonograph a new and finer kind of instrument.

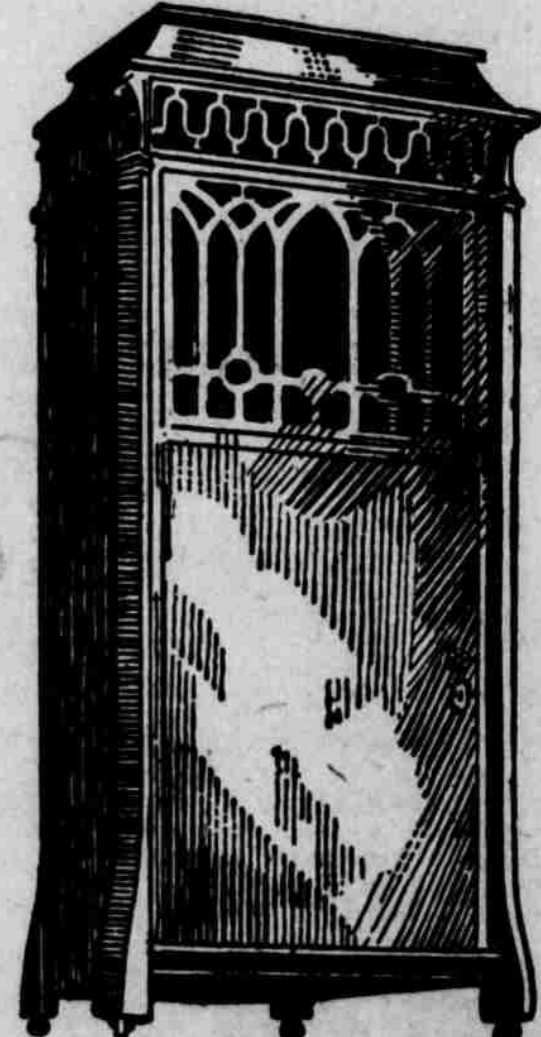

Compare it with other phonographs and talking-machines,—and you will discover that the Official Laboratory Model stands for new standards in home music.

We cordially invite you to come in and hear the famous Official Laboratory Model.

The Test General Wingate Heard

—was made May 25th, 1921 in the 2nd Field Artillery Armory, Brooklyn, N. Y.—before Reville Post No. 127, American Legion, and its friends. The illustration (from a photograph) shows Miss Helen Clark making the comparison which so impressed General Wingate.

General Wingate, who commanded the 2nd Field Artillery in its operations against the Hindenburg Line, said he could not tell Miss Clark's living voice from the Edison RE-CREATION of her voice.

English Fruit Cake

2 cups of butter, 2 cups of light brown sugar, 9 egg yolks, 9 egg whites, four cups of flour, 2 1-2 pounds of raisins, (seeded) 1-2 pound blanched almonds, (finely chopped) 1-2 teaspoons of mace, 2 teaspoons of cinnamon, 1 teaspoon of soda, 3 tablespoons of milk, 2 1-2 pounds of currants (seeded,) 1 pound finely chopped citron. Cream the shortening, add the sugar gradually and beat for five minutes. Beat the egg yolks until light and lemon colored and the whites until stiff and dry.

Add these to the butter and sugar mixture. Then add the milk, chopped fruits and almonds and the well-sifted dry ingredients (flour, mace, cinnamon, etc.)

Place the cake mixture in deep round pans well oiled and floured. Cover the cake pan with several thicknesses of oiled paper and steam the cake for three hours. Then place in a slow oven and bake for 1 1-2 hours. If one does not care to steam the cake it can be baked for four hours in a very slow oven. However, the best results will be obtained by the steaming and baking method.

Uses of a Dictionary

"I want to be procrastinated at the next corner," said the negro passenger to the train-car conductor.
"You want to be what?" demanded the conductor.
"Don't lose your temper. I had to look in the dictionary myself before I found out that 'procrastinate' means 'put off'."

A Christmas gift to the ex-service men of the United States in the form of the passage by Congress of the Fordney-McCumber adjusted compensation bill, is a prediction made at Washington by John Thomas Taylor, vice-chairman of the American Legion's National Legislative Committee.

THE LINCOLN MEMORIAL

THOSE who have visited foreign lands say that no other similar structure compares favorably, in either size, beauty or location, with the great, simple and admirably-situated monument erected by the people of America, in the capital of the nation, as a fitting tribute to the memory of the kindness and the greatness of our Lincoln.

Near the White House and the Washington Monument, and between the Capitol building and the National cemetery, this memorial is destined to become one of the most-visited of all the public buildings of the world.

The building is 202 feet long, 132 feet wide and surrounded by a row of marble columns, several feet in diameter at the base and 44 feet high. In the center of the interior is a colossal statue of Lincoln, in a seated position. Including the base, it is 30 feet high. It weighs 175 tons. It took twenty marble cutters eighteen months to carve this statue.

In each of the side walls are set monumental bronze tablets—one of Lincoln's famous Gettysburg address, the other of his masterful second inaugural address, while between these and the statue is a row of 36 columns, representing the states which existed when Lincoln died; on the walls above are 48 memorial wreaths, supported by eagles, representative of the states of today. At either end is a massive painting—12 feet high and 60 feet long.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a result, there is more or less stomach disturbance. WORMS DESTROY THE TONE given regularly before or after meals will catch the blood, loosen the digestion, and act as a General Blood-purifier to the whole system. Parents will then know of or about the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

You will have plenty of eggs if you feed MARTIN'S EGG FOOD. Your money back in eggs or your money back in cash. Guaranteed by Reid's Drug Store.

For Little Garments

Hangers for wee garments make a lovely gift for young children, especially when they look like dolls. Here two are dressed up to represent a girl and a boy doll and a third is simply covered with ribbon and decorated with ribbon flowers. Little celluloid doll heads, wide and narrow satin ribbon and wire hangers with a little ingenious sewing are all that is needed for the doll hangers.

How Business Men Keep their Spirits Up

"Cancel my order at once," came the telegram to the factory. The owner perpetrated the only new joke in the millennium. His telegram in reply read: "Your order cannot be cancelled at once. You must wait your turn."

Foretold

The cub reporter was grinding out a marriage notice. Finally he brought it and laid it on the city editor's desk: "Mr. and Mrs. Blank announce to-day the marriage of their daughter to take place next Monday."
"Huh," grunted the editor, "you can't say they announced a marriage yet to take place."
Again the cub jabbed away at his typewriter. And when he brought it back this time it read:
"Mr. and Mrs. Blank predicted to-day the marriage of their daughter."

Room or Ruffles?

A woman entered a department store recently and asked: "Where is the lingerie?"
"D'ye mean the rest-room?" queried the salesgirl.—Boston Transcript.

W. D. Anderson and C. B. Tribby of the Tonk Creek section were in the city Friday on business.

Misses Riddle, teachers of the Howard school, were shopping in the city Saturday.

The Printed Message of Christmas Cheer

There is no one item at such small cost that approaches the Christmas card as a remembrance of a friend by a friend.

There is nothing that so cement the good will of a business institution as a thoughtful greeting to its customers, clients, associates and competitors.

Without forgetting the sentimental feature of Christmas giving, the printed greeting comes mighty close to being GOOD BUSINESS for both individual and firm.

Our Motto: PLEASSED CUSTOMERS

The Haskell Marble & Granite Works is now prepared to fill any kind of memorial order desired. This is a branch of the Fort Worth Monumental Works, an old reliable firm. To avoid the high local freight rates, we buy in car lots.

We have a nice selection on our yard here. Persons desiring to purchase a memorial will find it more satisfactory to buy at the yard than from a design. As to quality and workmanship we are unexcelled.

—THE BIG— THANKSGIVING SALE!

—at the house of J. T. Bryant & Co., has proven to be a wonderful success. People from every hamlet, town and rural community, within a radius of fifty miles or more, have paid tribute to this Sale. They all go home well-pleased and well paid for their trouble and expense of coming to Stamford and taking advantage of this Money-Making Sale.

It is the most unusual Sale in the history of the town, for it is a Real Sale on ALL new goods of the first quality.

The magnet that is drawing the crowds for miles and miles is the extreme low prices we have our goods marked for this Thanksgiving Sale.

This Has Proven A Veritable Sensational Sale

and extends throughout West Texas. "Quality and PRICE is the thing" that attracts thrifty buyers everywhere.

Some say that we are selling our goods at or even below "cost"—others say we are going "broke" etc.

WE SAY that we have no apology to make and no excuse to offer. We have permission to hold this sale.

The goods we are selling are paid for and it is nobody's business if we see fit to give our goods away. We are at least 21 years old and are capable of running our own business. The citizens of West Texas have an inherent right to buy their merchandise anywhere on earth that it suits them best and no man or firm has any right to deny them this privilege. We are often asked, "how long will the Sale last?"

We say we do not know and we don't. Many of the big shipments of goods that was bought several weeks ago are just now coming in and our exceptional fine stock is being replenished about as fast as it is being depleted by the Big Sales we are making daily.

You will find the house jammed full of bright new goods of the better sort and all priced to meet the exigencies of the times.

These goods were bought during our second trip to the market in October and were bought far under the current market prices, which enables us to make still lower prices than we named in our big circular. WE ARE SO MARKING THEM just because we can and it is nobody's business.

We quote a few prices to indicate the trend of prices that will prevail during the rest of the Sale. If you hear anyone complaining, just tell them that this age is too fast for moss-backs. THE SAME GOODS AT THE SAME PRICES WILL BE FOUND IN THE ROCHESTER STORE.

We do not have space to go into detail. While you are in the ready-to-wear department, see the wonderful stock of silk underwear. It is priced so reasonable that anyone can afford to wear these beautiful garments. Also the ladies sweaters and butterfly capes—the new thing in this class of goods. All prices far below the prevailing prices over the country.

Stetson Hats

are reduced 10 per cent from our already low prices. This is by far the least cut we have made in the entire house, but this is all we are allowed to cut them, if we expect to buy them direct from John B. Stetson.

Just guessing, we think we have a million neck ties and all in the new styles. They go at 50c to 98c. Come in and buy a dozen.

Ladies' and Childrens Underwear

In ladies and childrens underwear you will find just the kind of a garment you are looking for and marked far below the usual prices. Two piece goods or union suits for every member of the family. They are so cheap you won't "kick."

Our Blanket Department

is one of the big attractions in this sale. Extra, big, heavy finely woven cotton blanket. The \$3.50 kind on sale at \$2.48.

The \$12.50 all wool blankets, sale price \$7.89, and many other grades equally as low in price.

Don't forget we carry a big stock of baby blankets.

Men's Furnishing Goods

A nice dress shirt, the \$1.50 kind for 98c. You can have this with or without the collar.

A fine heavy grey over-shirt, the \$3.00 kind for \$2.19.

BETTER STAPLE COTTON IS SAFE ROAD TO SUCCESS

(By Jas. P. Kimard)
While many of our farmers have expressed their appreciation of the information furnished in my recent articles in the Free Press on the cotton situation and seem to realize the great importance of improving the staple of our cotton, yet I find a few leading farmers here and there over the county, who are not readers of the Free Press, which makes it difficult to reach them. I hope to continue articles in the Free Press (the coming year an occasion requires on matters of public interest, that are of vital importance to our farmers and citizens generally, and wish that even the large subscription list of the Free Press could be further increased, and that we could thus be able to reach all those interested.

A recent article in "Extension Service Farm News," published at the A. & M. College, discloses the fact that there has not been such a great difference made in the prices paid for the "Half and Half" and other short staples of cotton up to the last 60 days, yet as time goes on, the difference is becoming greater and greater.

The premiums for cotton having staple length of 1 1-16 inch and better are improving, and will continue to improve as the season advances, because of the effect of the drought in July and August, which has brought about the premature opening of the bolls over large sections of Texas, causing the short staple varieties 7/8 to 1 inch to run about 3-4 to 7-8 inch, and to be of very poor strength and texture.

While our farmers of the sandy section of the County have met with apparent success this year with "Half and Half," yet in other parts of the State "Half and Half" is making and will continue to make a poorer showing than ever.

It is true that varieties producing a staple length of 1 1-16, 1 1-8, 1 3-16, and 1 1-4 inch have been affected by the drought, yet not to the extent that "Half and Half" and other short varieties have, so far as strength, character, texture, and uniformity are concerned, and that is what spinners demand, and, in view of the fact that there is so much of the "Half and Half" and other short varieties being foisted upon the market, the spinners will continue to demand. Shippers and exporters cannot afford to be so particular this year because the staple is not here in sufficient quantities to supply the needs later on.

The premiums at Memphis and New Orleans are from 1 1-2 to 2 1-2 cents per pound on 1 1-16 staple, from 5 to 7 1-2 cents on 1 1-8 and from 9 to 12 1-2 cents on 1 3-16 staple. Cotton having 1 1-16 and better is going to be very scarce before next planting time; and it will pay our farmers to heed this timely warning, and next year plant seed only of such varieties as will produce the staple of the required length, such as Acala, Mehane, Lone Star, Rouden Cash and other improved varieties of upland cotton, for it is pretty sure that another season will show very little, if any demand and market for "Half and Half" and other short ordinary staple varieties; and those of our farmers who think they have reaped a harvest with "Half and Half" this year will learn to their sorrow that they have reaped the whirlwind another year, if they continue its use.

An effort will be made to secure competent speakers from the Extension Department of the A. & M. College to address the farmers of the different parts of the county upon the importance of planting another year only improved varieties of cotton that will produce 1 1-16 and better staple cotton. The question is shall Haskell county keep up with the procession of progress or shall we be left in the lurch? because other sections of the State are making extensive preparations to meet conditions by planting only the better grades of cotton.

Why not let Haskell county farmers take time by the forelock and fall in with the procession of progress?

DON'T SAY INSURANCE, SAY "MUTUAL AID"

Under the head of "Mutual Aid or Home Protection," we ran an ad in last week's paper for James T. King. Mr. King's plan is unique and promises the cheapest home protection ever offered. He has organized his association with Messrs. G. R. Couch, R. P. Simmons and J. S. Hays as trustees. His membership fee varies as the value of the certificate or policy increases. The membership fee for the first 100 members is \$2.00, the second 100, \$2.50, the third \$3.00, raising \$1.00 on each one hundred until the sixth hundred. If interested write Mr. King, P. O. Box 493, Haskell, Texas, and get in among the first.

Luncheon Club Meets With Mrs. Daugherty

The Thursday Luncheon Club met in the regular meeting Thursday Nov. 17, with Mrs. Daugherty as hostess. The Club members and visitors were greeted by the gracious hostess at eleven-thirty, and ushered into beautifully decorated rooms in pink and yellow chrysanthemums. After making merry until twelve-thirty the guests were seated at a turkey dinner and all the "fixings" that go with it. The afternoon was spent in pleasant conversation with many stitches being taken on Christmas gifts, and it was a late hour before we bid the hostess good-bye, all agreeing that it was again the end of a perfect day.

The following club members were present, with Mrs. Quinn as our guest: Meadames Wilson, Reynolds, Irwin,

Couch, Daugherty, Pierson, Wald Whitaker, Patterson, Arbuckle, Bob Kirkpatrick, Reid.

Presbyterian Services.
