MONDAY HOLDS A BIG "TECH" RALLY

(Special Correspondent)
Thousands of enthusiastic people from all over Knox County, and many in adjoining counties, gathered here Monday morning for the Technological Rally.

Every business house in Munday was closed from 2:30 until five o'clock that morning in order to be able to attend. The Munday Concert Band opened the program in front of the City Hall and the Harmony Orchestra furnished the music just before the meeting was formally opened.

Among the many prominent speakers who addressed the audience, which filled the hall to overflowing, E. L. Covey, representative of the 114th District Texas, was present. Mr. Covey expressed the intent of the legislature in the "Tech" school was created, which was to give the people of Texas the finest colleges to be found anywhere, teaching the technical sciences and professions. He spoke upon the importance of the institution and that it would mean to this part of the state. Mr. Covey promised full support to Munday and Knox County in his fight to get the location of the school here.

There were several other speakers, all were optimistic over the claims of the college. The general opinion that Munday would be doing itself injustice by not offering its advantages and resources.

Seven committees are hard at work securing the desired data, and preparing the brief which will be given to the locating board.

LIVERY CAR AND TRUCK COLLIDE MONDAY MORNING

The Lamm Bros., delivery car and passing truck collided early Monday morning in front of their store, on the east side of the square. Both rear ends of the delivery car were smashed, but no damage was done to the truck, and fortunately no one was injured. We are not able to say which of the drivers was at fault as we did not see the mishap, but it was said to have been purely accidental. Haskell made a wonderful record for its percentage of car accidents and it is to be hoped that we will do our best to maintain this excellent record.

NIGHT TRAIN SERVICE STARTS SUNDAY

We are authorized by Agent Southern Railway to announce that the night trains which were taken off the road some time ago resume service, beginning Sunday morning, April 15th. There will be no change in the schedule and the trains will leave the terminal points at the same hours as when they were in operation before, and the same Pullman cars will also be restored. The Wichita Valley has extended their line to Waurika, Okla., but that end of the line will be under another name until further notice. Below are the arrival of the trains in Haskell:

Southbound:
Train No. 2, 9:27 A. M.
Train No. 8, 9:55 P. M.

Northbound:
Train No. 5, 5:15 A. M.
Train No. 1, 7:10 P. M.

EGG CONTEST HELD LAST SATURDAY

Many visitors attended the Egg Show and Contest which was held in the Lamm building on the east side last Saturday. The entries were not as great in number as it was hoped there would be, but what was lacking in quantity was made up in quality. As has been stated before, the venture was purely for educational purposes and the end was reached in the project when at least a thousand people passed through the exhibit room during the day and gave much attention to the selection that was placed before them. It is not intended to prove that the one that should win first prize in the egg contest has the best flock of chickens. The main point to be stressed was the ability of the owner of the flock to be able to make the best selection of eggs for setting or marketing purposes. Uniformity in size and color is a great factor and one that was brought out in the judging with the explanations fully and forcefully. Again the breeder has better eggs to select from at different times and all that is to be considered. But anyone looking through the exhibit after the judging and carefully noting the different entries could see and learn the best ways to select the eggs you sell to breeders from your flock, or even for the home market, you will find that ugly shaped and dirty eggs will lower your standard of value. M. B. Lebo of the Haskell High School did the judging for us without a fee and all who saw his work and the special care he used knows that he knows his business and was careful to give correct judging. He was assisted by John Wiley Whiteaker and others of the high school pupils. The premiums were awarded to the following:

- Leghorns—
John Pierre Payne, First White Leghorns.
W. W. Ashby, Second Brown Leghorns.
W. W. Ashby, Third Brown Leghorns.
J. F. Partain, Fourth Buff Leghorns.
- Reds—
Mrs. J. M. Everheart, First.
Raymond Lewis, Second.
F. J. Josslet, Third.
P. J. Josslet, Fourth.
Plymouth Rocks—
Mrs. I. S. Grindstaff, First.
Mrs. W. J. Kendrick, Second.
Mrs. W. W. Johnson, Third.
- Wyandottes—
T. J. Watson, First Partridge Wyandottes.
G. D. Payne, Second Silver Laced Wyandottes.
W. Applegate, Third Buff Wyandottes.
J. L. Wright, Fourth White Wyandotte.
- Buff Orpingtons—
E. T. Roberts, First.
John Pierre Payne won First Sweepstakes, Mrs. I. S. Grindstaff Second and Mrs. J. M. Everheart, Third.

The merchants and business men we called on gave us what was needed to pay the premiums to the contestants and showed by their generous contributions that they are wishing the poultry breeders success. Below are given the names of those who contributed to the premium list:

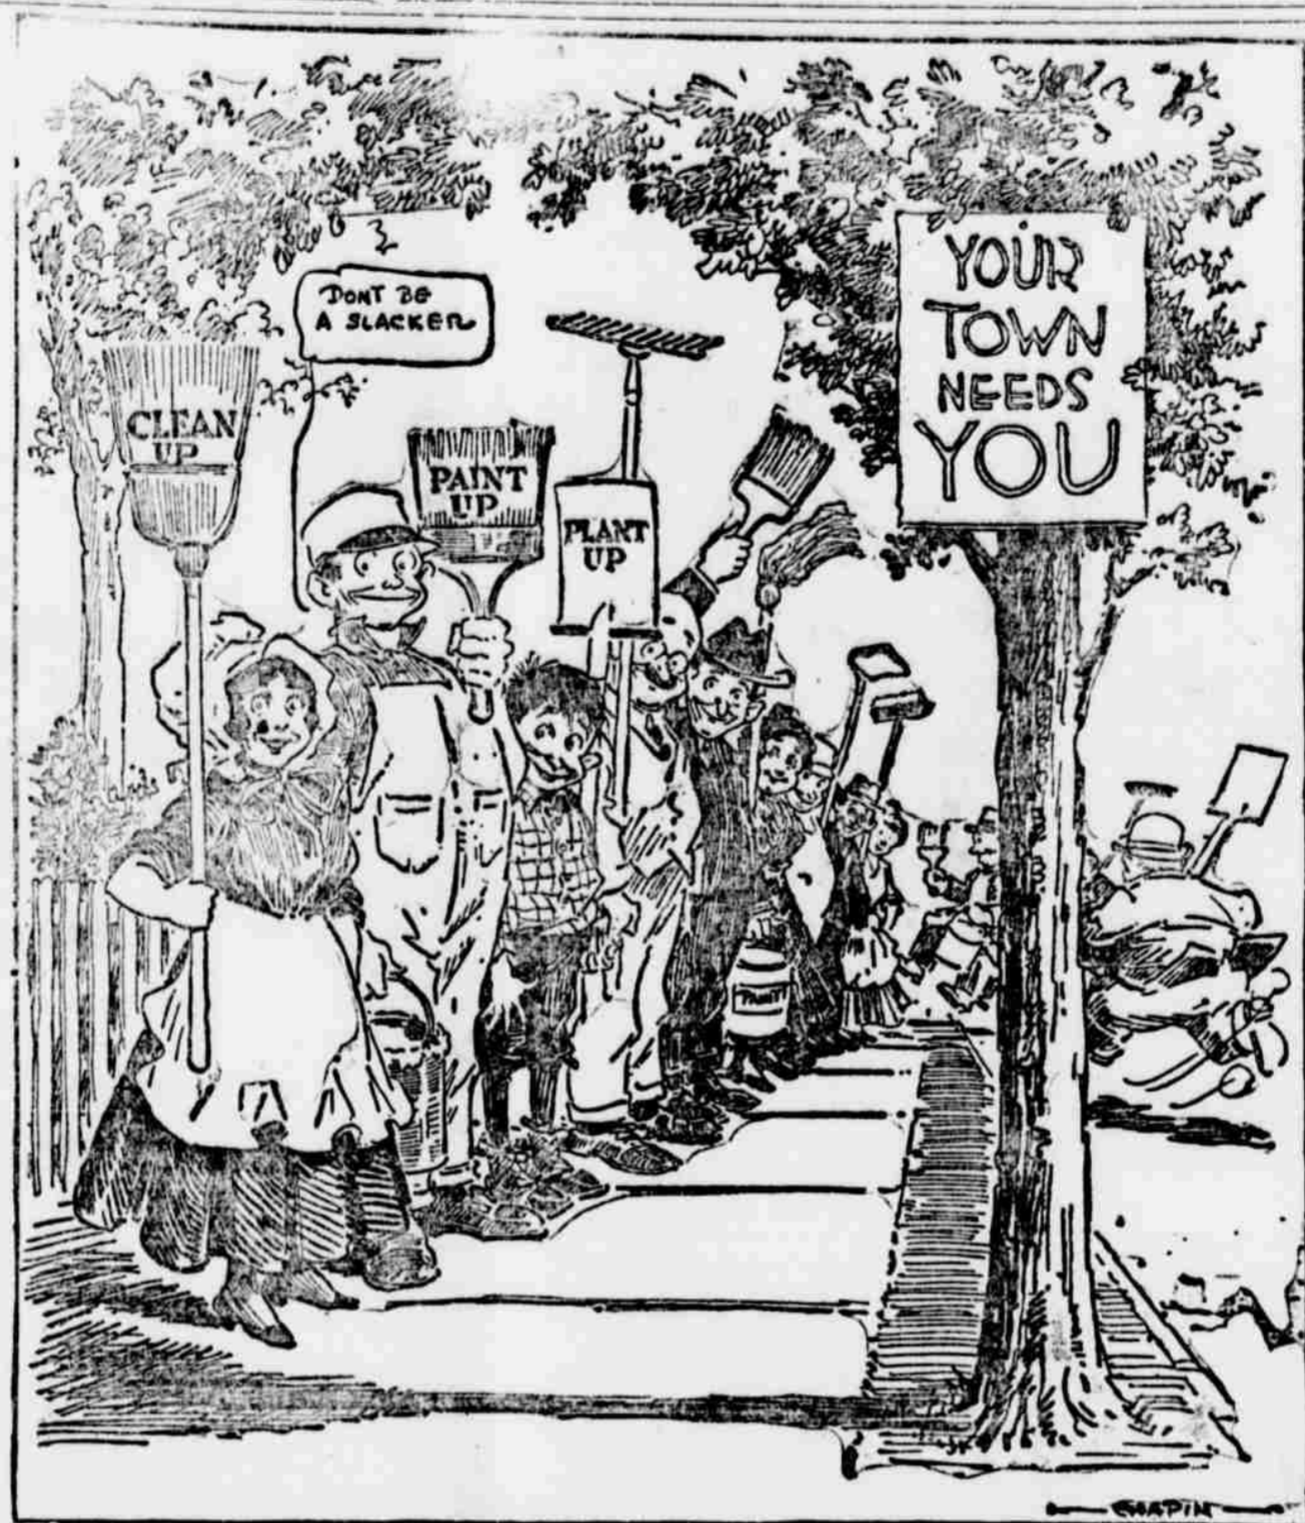

Haskell National Bank, Farmers State Bank, West Texas Utilities Co., Haskell Free Press, Hancock & Co., McNeill & Smith, Heids Drug Store, Fouts & Mitchell, Tonn Garage, Jones Cox & Co., F. G. Alexander & Son, The Novelty Shop, Western Produce Co., Brazelton Lumber Co., Oates Drug Co., Parrish Grocery, Cash Meat Market, J. E. Grisson & Co., J. W. Gholson, Payne Drug Co., Grisson's Store, Spencer Lumber Co., White Cash Store, Mask Grocery, Hathcock Filling Station, W. J. Lather of the Dixie Queen Feed Co., of Dallas, gave 175 pounds of Chick Feed, which was given in three sweepstake prizes. E. F. Lamm also gave the use of his building free of charge for the show.

COPPERAS COVE OFFICER FACES LIQUOR CHARGE HERE

Jim Nickles, a former citizen of Haskell, was brought here Tuesday morning by Sheriff Allen from Copperas Cove and placed in jail charged with bootlegging. He has been away from Haskell since last fall. He was located at Copperas Cove, where he was taking care of his mother, and was recently elected City Marshal of his home town.

REV. GAMBRELL CONDUCTING REVIVAL AT BOSE CHAPEL

Rev. Leon M. Gambrell, pastor of the First Baptist Church of this city is conducting a revival meeting at Bose Chapel, 4 miles east of town. Good attendance is reported and a successful meeting is predicted.

SINGING CONVENTION HELD AT KNOX CITY

One of the most interesting sessions of the Knox County Singing convention was held in the Baptist church in Knox City last Sunday afternoon. The large church was filled with good singers and lovers of the cause from a wide section of country including adjoining counties. All the officers of the convention were present and Mr. M. H. Reeves of Munday president of the convention called the house to order at the appointed hour, 2:30, and a committee on arrangement appointed, and a splendid program was given, which was enjoyed by all. In addition to the usual class and chorus singing many special songs were rendered by different singers which made the excellent program more effective. The singers of Knox county are alive and we predict that wonderful progress will be made in the County musically this year. Money was raised at this gathering to purchase books for the convention. Mr. Joe Smith offered his resignation as secretary of the convention which was accepted and Prof. W. P. Hitchcock Jr. was elected to take his place, which he gladly accepted and entered into his new duties, with much zeal. The next meeting place of the convention will be at Gillispie Church, between Munday and Knox City, the second Sunday afternoon in May. A warm welcome awaits all who will attend.

PREACHING AND CLASS SINGING AT MIDWAY NEXT SUNDAY

O. K. Alexander of the Abilene Christian College will preach at Midway next Sunday afternoon, April 15, after Sunday School. Everyone is cordially invited to come out and hear him, as he is a very interesting preacher. The Rule Singing Class will accompany Elder Alexander and after preaching services will join the Midway class in some good singing. Remember the date, Sunday April 15th, and be on hand to enjoy a whole afternoon of beneficial services.

MAYOR PROCLAIMS CLEAN-UP CAMPAIGN

Mayor R. C. Couch has issued a Clean-Up Proclamation, designating the week of April 23rd to 28th as Clean Up Week in Haskell and appeals to all the local organizations and each citizen in particular to co-operate in the work and help make Haskell a cleaner and healthier place in which to live.

Our town needs this thorough cleaning. It is the sensible thing to do, for the health, safety and happiness of our citizenship. It is everybody's job, and every man, woman and child should prepare to co-operate in this move.

It is the intention of those who have the campaign in charge to make this one of the most thorough campaigns that has ever been staged in Haskell, and in order to do this everybody must help. Don't wait until the campaign starts. Begin now to get your premises in order and you will have less work to do when the campaign begins.

E. L. Adams and family of Spur are visiting Mrs. Adams' parents, Mr. and Mrs. T. W. Fleniken of this city. Mr. Adams was at one time the photographer of this city and will be remembered by many who knew him in that capacity.

BILL SAM'S DICTIONARY

By J. L. MARTIN
Bill Dooley's folks are trying a new kind of syrup. Bill says that they can sweeten up almost anything these days and call it molasses, but that it takes genuine corn meal to make a real hockcake.
MOLASSES: A sort of syrup which would be as useless as a food without bread to go with it as a sock leg would be without a foot. Bill Sam's Dictionary, page 328.

\$27,500 RAISED DURING ROUSING "TECH" RALLY

Twenty-seven thousand and five hundred dollars was raised at the "Tech" meeting which was held at the courthouse Tuesday afternoon, for the purpose of helping pay the difference between the price of the land that will be offered to the locating Board of the Texas Technological College and the price the state is willing to pay for it. The finance committee expects to raise between \$50,000 and \$80,000 to make up the deficiency, during the next few days.

The committee that has the work in charge is leaving nothing undone to further Haskell's chances to secure this big college—we say "big" because it will probably be one of the largest schools in the United States in five years time. The land is being secured and the brief prepared to present our claims to the locating board.

This will be the sixth school of its kind in the United States, and the second one in the South. The other is located in Georgia, and is by far the largest college in the state. For comparison, the University of Georgia has a little over 600 students and the Georgia Technological College has more than 3,000.

Haskell has never had an opportunity before to secure such an institution or an enterprise that will mean so much to the town and this section of the country, and every citizen should cooperate to the fullest extent with the local committee. Competition for this school is going to be very strong as there are more than 50 towns in West Texas that are avowed candidates. The local committee believes that our chances are excellent to secure this coveted prize, but it will take the cooperation of our entire citizenship to do it.

Outside towns are lining up and pulling for Haskell, and we must not lay down on the job. Henrietta has withdrawn from the race and unanimously endorsed Haskell as the logical place for the school. The committee has endorsements from a score of other towns, including Graham, Crowell, Goree, Knox City, Throckmorton, and many others.

Haskell is in the center of the greatest diversified farming districts of Texas. Within a radius of 100 miles of Haskell there was grown in 1910, 500,436 bales of cotton, which is more than one-half that produced in the state west of the 98th meridian and north of the 29th parallel and is one-fifth that produced in the entire state. In 1922 Texas ginned 3,094,512 bales of cotton. This district ginned 749,286

T. ELMORE LUCY COMING TO HASKELL

T. Elmore Lucy, the famous entertainer, will appear at the High School auditorium Thursday evening April 19 under the auspices of the Haskell Concert Band.

Mr. Lucy is probably one of the best entertainers in the country today. His impersonations are said to keep his audience in a roar of laughter, or nearly in tears, depending upon the part he is portraying. The program will last about 90 minutes, and is original and attractive from beginning to end.

Mr. Lucy was in Haskell several years ago and rendered a program at the Methodist Church which will be remembered by a number of Haskell people, and they will be glad to know that he will make us a return visit.

DISTRICT MEETING W. M. U. COMING TO HASKELL

At a meeting of the Sweetwater District Women's Missionary Union, which was held at Snyder last week the Union voted unanimously to come to Haskell next year. The Union is composed of eleven associations, comprising about twenty-one counties in West Texas, and will bring many Baptist women to Haskell during the meeting.

A delegation of Haskell women composed of Mesdames Leon M. Gambrell, M. B. Lebo, B. M. Whiteaker, W. M. Reid, John A. Couch, and R. J. Paxton, together with Rev. I. N. Alvis and Leon M. Gambrell as chauffeurs, motor over to the Snyder meeting. The Haskell County Association had next to the largest representation present, and was awarded the attendance banner.

The meetings were on a high spiritual plane and thoroughly enjoyed, by all present. Snyder entertained the visitors royally during their stay.

DR. SANDEFER WILL SPEAK AT POST SCHOOL FAIR

The Post rural school will give a two days fair at the Post schoolhouse beginning Thursday morning April 19th and extending over Friday. This is the Third annual fair for this community and in every instance it has been very successful. The fair this year will be along the same line, with new attractions added. Dr. J. D. Sandefer, of Abilene, will deliver an address Friday April 20th at 3 p. m. Dr. Sandefer is president of Simmons College and is well known, and his addresses are always interesting and inspiring. This is one feature of the program you should not miss. We know you will be entertained if you will attend this rural school fair.

Mrs. D. J. Dunn, Mrs. J. H. Cooper, and Mr. and Mrs. E. A. Greenwade of Rochester were visitors to our city Thursday.

GOOD RAIN FALLS OVER THIS SECTION

We are again made to rejoice over a good rain which began falling early Wednesday morning and kept up throughout the day. According to the government record kept by Judge P. D. Sanders, one and one-eighth of an inch of rain fell during the downpour. We believe that this rain will relieve the shortage of stock water where the people had their tanks in proper condition to catch the overflow from the fields and pastures. It will also insure a beautiful season to bring up all crops and will be of untold benefit to the small grain which was beginning to need moisture. With warm weather the grazing in the pastures will soon be good and the livestock is reported to be in better condition than ever before at this time, which the stockmen appreciate. We believe this rain has put conditions for the farmers above par and we are looking forward to bumper crops for Haskell county this year.

ODD FELLOWS SERVE DINNER THURSDAY NIGHT

A dinner was served in the Odd Fellows Hall in this city by the members of the Odd Fellows lodge to a large gathering of the order, including many visitors from Eule and Stamford, last Thursday night. Many speeches were made by local and visiting members and a good time was reported by all who attended. It was also stated by some of the members of the order that a Rebecca Lodge would be organized here in the near future. Interest in this excellent fraternal order is growing in this section.

SAGERTON

By Theodore J. Ratliff

The School Trustees election which was held last Saturday was very quiet. Although there was a good crowd in town very little interest was manifested in the election. The community has not been divided, openly at least, this year, and no strife was apparent. Sixty men and women voted, of these W. P. Caudle received forty votes, R. L. Kelley thirty-nine, W. F. Stegemocher thirty-eight, Bennet Hess thirty-five. These gentlemen were elected to succeed J. V. Everheart, J. C. Clark, L. H. Schroeder and H. D. Crabtree. The new board will consist of these four new members and G. A. Lambert, M. L. Laughlin and N. E. Martin, who will hold over.

For trustee at large Bailey Post of Haskell received 25 votes, Dr. J. C. Davis 19, Bennet Hess 1, and W. P. Caudle 1.

The election was conducted by D. M. Gulm, W. P. Caudle and T. J. Ratliff. The High School auditorium is being worked over this week, the seats being repaired and preparation being made to install a front drop curtain for the stage. The expenses of these improvements will be paid out of the proceeds of a home talent play to be given in the near future.

Following the National Clean Up and Paint up slogan, the drug store has had a fresh coat of paint applied to the front woodwork and the inside walls are being kalsomined. The fixtures are also being rearranged.

Rev. Raymond Van Zandt preached to a good crowd at the Methodist church Sunday morning. He announced that Presiding Elder Moore would preach at evening service next Sunday.

Rev. Robert Smith of Simmons College will fill his regular appointment at the Baptist Church next Sunday. There will be a singing at the church at 3 p. m. Several visiting singers are expected and all who are interested are invited to attend.

Most of the farmers are busy planting feed crops just now. There is enough moisture in the soil to start the crop but more will be needed before long to carry it on. Sagerton farmers are nearly all planting improved long staple cotton of some variety or other this year.

Dreams are wonderful things to have and the world needs men with visions but unless the dreamer works to make them come true they are worse than useless. So dream your dreams but hustle to realize them. This is the spirit of the Sagertonite.

MIDWAY

By Misses Lawson and Lain

Rev. Foster preached to a large crowd at this place Sunday afternoon. A large crowd attended the musical entertainment at this place Friday night.

We were glad to have with Mr. and Mrs. Bert Frazier and daughter Grace of Rule to help us with our singing Sunday night. We would be glad to have them come again.

The play, "The Poor Married Man," that was to have been given Friday night, April 13th, has been postponed.

Below is given the honor roll of the Midway school, based upon regular attendance, good conduct, and excellent class work:

Low First—Gladys Miller. Pricer—Delya Mae McCrea, Christine Parr.

O'BRIEN

By Mrs. W. B. West.

Andrew Nail of near Wichita Falls visited his sister, Mrs. W. H. West here Sunday. His mother accompanied him home to spend the summer.

Harris Mull left last Monday for the plains.

Quite a number of O'Brien people attended the Knox County Singing convention at Knox City Sunday afternoon.

There is to be an all day singing at O'Brien on the fifth Sunday of this month, April 29th. Everybody is invited to come and bring a well filled basket. Especially do we invite all the singers of the convention and let's everybody not forget that it is an all day affair. So come, and bring lots of dinner.

Mr. and Mrs. Sterman Lee of Sagerton visited the latter's parents, Mr. and Mrs. Henry Cooner Sunday.

Edd Thomas and family of Goree spent Sunday with their parents, Mr. and Mrs. U. V. Thomas.

Mr. and Mrs. Charley Thomas of near Mitchell took dinner with Berry West and family Sunday.

Mrs. A. A. Bessir was shopping in Knox City Monday.

Mr. and Mrs. Solan Lee are the proud parents of a fine girl which arrived April 5th.

Mr. and Mrs. Charley Hester, Mr. and Mrs. Travis Melton, Ervin King and Paul Melton went fishing Thursday. They reported a good time.

Mrs. Ella Griffin of near Rochester visited Mrs. Hilliard and family Sunday.

Last Sunday was our regular meeting day. We had present at Sunday School, on time, 186. The house was so full for church service that there were not enough seats for all, for which we are very sorry, but we invite you back next Sunday and assure you we will have more seats and try to make it as comfortable as possible.

Bro. McCown will preach at the M. E. Church next Sunday at 11 and 7:30. Everybody is invited to attend.

The health of this community is very good at this writing.

HOWARD

By Miss Ruth Dinsmore

The farmers are very busy planting maize.

The school at this place is progressing nicely.

Miss Gertrude Freeland spent Friday night with Miss Ruth Dinsmore.

Lorene Medford, Pearl Medford and Marvin Medford visited in the Plainview community Wednesday night.

The Purest Drugs

Only the purest drugs are used in filling any prescription left in our care. And prompt, courteous service awaits you at all times.

Our American Midget Marvel Mill

Is the modern scientific mill for superior flour making. It imparts to flour an incomparable flavor, so nut-like, so appetizing, and so delightfully pleasing to the palate to place it beyond the reach of comparison.

The process may be followed from the point where the clean, polished wheat enters the mill through the flour hopper in the lower section.

Mr. and Mrs. Hoyt Perry spent the week-end with Mrs. Perry's parents at McConnell.

Rev. Moore filled his regular appointment at Morris Chapel Sunday.

The Howard girls basket ball team has only had to take one defeat this season, and that was on March 30th, when we played the Rochester High School team. The scores were 16 to 18 in favor of Rochester. It was a clean and hard-fought game.

The singing at the Howard Baptist church was enjoyed by all. Miss Nora Lee Smith of the Rose community is visiting her brother of this community.

Mrs. G. W. Andruss, accompanied by Misses Georgia Brittain and Alene Humphries were visiting Mrs. Jno. A. Couch Saturday night and Sunday. Mrs. Andruss is a sister of Mrs. Couch.

Auto Accessories

If you need anything in the way of auto repairs or accessories we can supply you, for any make of car.

We have a complete line of rims, lugs, springs, horns, spot lights, sun visors, shock absorbers.

A full line of piston rings—any make of car.

Our service is complete and we will appreciate a chance to prove it to you.

An Open Letter

TO THE NEWSPAPERS OF WEST TEXAS:

You know what powerful influence the Associated Advertising Clubs of the World and the National Vigilance Committee exert in the cause of better advertising and better business.

Their banner is "Truth in Advertising", and under that banner, through its affiliation with those bodies, the West Texas Utilities Company marches.

This means, to the newspapers in the communities we serve, that you have an advertiser who is pledged to refrain from imposing upon you unjust, unreasonable and irksome demands.

It means that this Company will furnish you, upon request, technical information which will help you keep your reading pages and your advertising columns free from misstatements.

It means that this Company refrains from and discourages deceptive and coercive methods in securing free advertising, and that we do everything possible to aid you newspaper publishers and editors of West Texas to keep your columns altogether independent.

THE SPRING CLEAN-UP

Some genius conceived the idea that a Clean Up Week or Clean Up Day, if appointed during the spring months, would appeal to the popular psychology at that particular time. It did so, and today such occasions are observed in thousands of communities.

The desire for improvement seems to grip people at this season. If you asked a man to clean up around his place in July, he might evasively postpone the suggestion, but in the spring-time the lure of out doors, emphasized by the bright sunshine and soft breezes and the cheerful songs of the birds, seems to put a new spirit into the heart. The man who at other times is indifferent to appearances, will come forth in his overalls, prepared for heroic deeds with rake, spade and bonfire.

Mayor Couch has decided to take advantage of this impulse by calling for a Clean Up Campaign, designating the week of April 23rd to 28th. The people will be called upon to organize into an army of workers, each family detailed to clean its own premises. They should also be induced to add a touch of beauty to their grounds. Landlords should be reminded that their buildings will rent better if kept well painted and repaired.

An incessant stream of visitors passes through town these days, and Haskell is under constant inspection by visitors. These folks form impressions, not so much from superficial appearances of prosperity like costly buildings, as by the degree of neatness and taste shown in the care and improvement of the homes and their surroundings.

Indications like these reflect the character of the people who live in a town. A city that keeps itself scrubbed and combed, whose homes show a love for beauty by its well kept lawns and pretty flowers, gains a name for self respect and culture. Visitors pass along the word that it is a fine town in which to live.

An underground stream of water is reported found near McAllen on the plains at a depth of about three hundred feet. The drill after passing through several feet of rock dropped into space below and the water with the noise of a rushing stream arose fifty feet in the well in a few moments. There are several plans on foot to explode dynamite or nitro glycerine in the well to dam up the stream and force the water to flow for irrigation purposes.

Just about the time we get settled and satisfied with life, some fellow comes along and puts a new breakfast food on the market.

We wouldn't for the world suggest that married men make a practice of it—but a California jury returned a verdict of justifiable homicide when a man beat his wife with a club.

Coming Events

The Post community will hold their Third Annual Fair at the Post school house Friday, April 20th.

Haskell County Singing Convention is to be held at Wehnert Sunday April 22nd, at the Methodist Church, beginning at 2 p. m.

East Side Haskell County Singing Convention will meet at Rose Chapel east of town the First Sunday afternoon in May, the 6th, at 2 o'clock.

Rochester Trades Day will be held the Third Monday, April 16th. This is a monthly trades day and large crowds of people attend.

Wehnert Trades Day will be held the Third Saturday, April 14th. This trades day was recently inaugurated and will be held every third Saturday in each month.

T. Elmore Lucy will give an entertainment at the High School auditorium Thursday night April 19th, for the benefit of the Haskell Band.

HOME BREW AND WANT ADS

Somebody sent the editor of the Pickett Gazette a few bottles of "home brew." The same day he received for publication a wedding announcement and a notice of an auction sale. Here are the results: "William Smith and Miss Lucy Anderson were disposed of at public auction at my farm one mile east of a beautiful cluster of roses on her breast and two white calves, before a background of farm implements too numerous to mention in the presence of about seventy guests, including two milk cows, six mules and one bobbed. Rev. Jackson tied the nuptial knot with two hundred feet of hay rope and the bridal couple left one good John Deere gang plow for an extended trip with terms to suit purchasers. They will be at home to their many friends with one good baby buggy and a few kitchen utensils after ten months from date of sale to responsible parties and some fifty chickens"—Clipped.

THINK IT OVER.

After God had finished making the rattle snake, the fool and the vampire, He had some awful substance left of which he made a knocker. A knocker is a two-legged animal with a cork-screw soul, a water-soaked brain and a combination backbone of jelly and sin. Where other men have their hearts, he carries a tumor of decayed principles. When the knocker comes down the road, honest men turn their backs, the Angels weep in heaven, and the devil shuts the door of hell to keep him out. Therefore, don't be a knocker. You can't saw wood with a hammer.

THE FIRST BICYCLE

According to the Fayette (Mo.) Advertiser, G. W. Sheldon, of Effmore, has the first bicycle that ever entered the United States. He bought it forty-four years ago in Paris, paying \$195 for it. He exhibited it in New York in 1878 and rode it over two hundred miles to Syracuse, showing it at the annual fair and winning a \$10 prize. He was paid \$10 for each day of the fair to ride the bicycle around the track every morning and evening. The exhibition helped to draw a big crowd.

The mere fact that a dealer offers you something through the columns of this newspaper is in itself evidence that the article is worth buying, for if it would not stand inspection he would not be calling peoples' attention to it. He would be like Barnum—waiting for the sucker to come along.

SCHOOL NEWS

It is self-evident to all of the teachers that many of our pupils are not doing enough studying at home on week nights. There are entirely too many parents that are trying to place all the responsibility of their children's school work on the teachers. It is absolutely impossible for the teachers to carry all of this load. School work is a reciprocal responsibility between the teacher and the home. There must be mutual cooperation between the home and the school. There are certain duties the home must assume if the child is to succeed with his school work. The home must inspire the right attitude in the child toward the school. The child must understand that his parents are backing the schools to the limit. The home should never criticize the schools in the presence of the child. This is very dangerous. The child should never be permitted to indulge in school gossip. The child should be taught to love and respect his schools and his teachers. Fault finding will undermine the best of institutions if indulged in. If the parent thinks there is something wrong in the schools he should immediately go to the right parties, the teacher or superintendent. In the right spirit, and he will find that he is in almost all instances wrong. We do not mean that we teachers never make mistakes. Parents with two or three children make mistakes. A teacher, with 50 or 60 pupils to deal with each day will sometimes make a mistake, but she in almost all cases discovers the mistake and rectifies it.

But we must come back to home study. We are convinced of the fact in the last month or so there has been a let-up in home study from the results we are getting from many of the pupils. There is entirely too much running around at night, going to picture shows on week night. Recently, there has been some social events on school nights. On one occasion this was absolutely necessary because every Friday night had something doing. But ordinarily this is not necessary. In extreme cases, when it is, and that only with the Senior Class, parents should see that their children prepare their lessons in the afternoon after they get home. Next year we plan to arrange so that the Senior Class will not even have to have a social event on school nights. This has only happened once this year and it could not be avoided.

We want to plead with the parents that for the rest of the school year, to see that their children prepare their home lessons regularly every day, to stay away from picture shows and other distracting amusements during school nights, to see that they do some review work each day. These night recreations not only consume the time they should be studying, they also distract and confuse and take their minds from their lessons. They are also too tired and sleepy to do much work or give any attention. School children need plenty of sleep if they are to grow physically and are to study efficiently. We wish we felt physically to make this appeal stronger. We are just up from a sick bed but we felt we could not put this appeal off for another week, for we have only about six weeks more of real school work. We trust, for the sake of their children, parents will give due heed to this appeal.

FATHER OF M. B. WATSON
 DIES AT McKINNEY
 Below we give an extract from an account of the death of the father of M. B. Watson, which appeared in the McKinney Examiner March 20th:
 "On last Saturday, March 24, the spirit of Esq. John William Watson left the frail body in which it had dwelt for 85 years, 5 months and 5 days, for the house not made with hands, eternal in the heavens. He was born in Chesterfield District, South Carolina, Oct. 10, 1837. At the beginning of the war between the states he was in Mississippi. In order to be in the same army with his cousins, he enlisted in the 5th Miss. Reg. He was a member of Company A. He served four years in defense of the Southern principles and received an honorable discharge.
 "In 1869, he and Miss Martha Isabella Birch were married. The fruits of this union were twelve children. Four of these died in infancy. Eight are living and were at his bedside when his spirit took its flight. These are well known and highly respected members of society. The sons are: T. B. Watson of this city and present jailer; C. S. Watson of Anna; J. H. Watson of Dallas, and M. B. Watson of Haskell. The daughters are: Mrs. J. M. Mason, of McKinney; Mrs. W. E. Gilox of Anna, and Misses Mittie and Wilma Watson, also of Anna.
 "If a father is to be judged by the affection of his children and the grief because of his loss, he must have been a loving parent. It is not often we see such devotion to parents in this day.
 "Besides these sons and daughters, he leaves his faithful companion, who has walked by his side for fifty-three years. She will now be lonely for a while, but before many years the Master will call for her to come from this world of sorrow to that land where pain nor death can come. She yet has her loving children and grand-children and other relatives to comfort her. She also has a host of friends that will not fall her in this life. May the Lord bless her until the last call comes.

No Worms in a Healthy Child
 All children troubled with worms have an unhealthy color, which is due to impure blood, and as a rule, there is more of such disturbance. GROVE'S TASTELESS TABLETS given regularly two or three times a day purify the blood, improve the digestion and give strength. These tablets are prepared by a General Practitioner using the latest methods. Name with the doctor or direct to the maker. The child will be benefited in a few days. \$60 per bottle.

BUNKER HILL
 By W. C. McKenzie

Mr. and Mrs. Schroeder, Odell and Baby Ruth left Sunday morning for Albany, where they expect to visit relatives for the next two weeks.

Our school election came off nicely. Mr. Alfred Rinn and W. W. Newton were elected to take the place of J. J. Wofford and Charles Teichelman as trustees.

Mr. and Mrs. Walter Chatwell of south of Stamford visited relatives here Sunday.

The singing and Sunday school was well attended Sunday morning and afternoon.

The Patrieks from near Stamford were visiting at the home of Wm. Kuppling Sunday.

Mr. and Mrs. Wesley Chatwell are the proud parents of a fine baby girl. The little miss applied for admittance into the Chatwell home Saturday and likes her new home fine.

Several of the young folks from here attended the week-end party at Sugerton. All reported a nice time.

HASKELL MAN PROUD GRANDFATHER OF TWINS

Early Monday morning we were on the streets and far across town we saw a man who was coming hurriedly toward us, his strides made us a little nervous and seeing no way of escape we were forced to stand our ground.

He came nearer at a rapid pace and when he came closer and we were able to see thru that broad smile on his face it proved to be our friend and fellow-townsmen D. R. (Bob) Poer. In front of us, he halted and when he could find words, he told us in broken sentences the story, that on Saturday morning April the 7th twin boys were born to Mr. and Mrs. Earnest Lowe of Bouton City. The boys weighed 7 and 8 pounds and Mr. Poer is the grand father of these fine boys. It is just a little too much for him, but we think he will recover.

Proclamation!

Let's put our town in order. Our whole town can and should be made as clean and orderly as the cleanest home.

Ambition in its highest conception is to dream big dreams and make them come true. The splendid ambition to have our City clean and beautiful is soon to become a reality by the cooperation of all the Citizenship.

Therefore, by the authority vested in me as Mayor, and with the hearty approval of many ambitious, progressive, and far-seeing people, we hereby proclaim

The Week of April 23 to 28

as the opening week of a continuous Clean-Up Campaign.

If you are using the sanitary man, without additional cost, he will haul away your back alley trash if properly assembled by you. If you are not using him you should be. The City will haul away any collection where proper for it to do so.

Rake the yards,
Clean the alleys,
Hide the ash piles,
Burn the junk and tree trimmings.

Our town needs this thorough cleaning. It is the sensible thing to do—for the health, safety, thrift, pride and happiness of all the people. It is everybody's job. Every man, woman and child will be expected to help. Let there be no slackers.

R. C. Couch, Mayor

Mr. and Mrs. H. S. Wilson and son Reynolds, returned from Austin and other points south last week, where they visited relatives and friends. Mr. Wilson reports quite a lot of bad roads encountered on the trip.

Sheriff W. B. Bingham of Stonewall county was in the city Monday of this week. Sheriff Bingham stated that district court at Aspermont had adjourned and that a few cases from his county might be tried in Jones county this week.

Mr. and Mrs. F. L. Daugherty, Judge H. R. Jones and W. E. Sherrill returned from Dallas Friday, where they attended the Grand Commandery of the Knight Templars, which was held in that city last week. They report a good time and a great meeting.

Judge D. H. Hamilton, a well known former citizen, was here this week and while in town called to see us. Judge has many friends here who are glad to see him again. He is on his way from Van Horn to Dallas, where he expects to spend the summer. Judge says Mrs. Hamilton is at Dallas, and that is home to him, where she is.

YELLOW FRONT

Ed King, a former Pleasant Valley citizen who has been living on the south plains at Ralls for the past two years, is back visiting relatives and friends. He has spent several days in Haskell giving the boys the glad hand and he looks just a little homesick, although he is very reserved about what he says in regard to returning to his old home, which we think he will do in a few more years. They all come back.

J. T. Finley, proprietor of one of the barber shops on the east side, returned Thursday from a several weeks stay in New Mexico where he owns some real estate and was making some improvements. He was also taking a vacation in order to regain his health after a spell of the "flu." He is much improved and is back on the job at his shop. He says he put down a well and erected a windmill and when he left the water was spouting over the top.

Rev. Luther S. Jenkins, pastor of the First Baptist Church of Weinert passed through the city Monday en

route to his home in Abilene. He reports three fine services during his stay at Weibert and reports a house filled to overflowing Sunday night. Rev. Jenkins is a former Haskell county citizen and in order to keep posted on the news had us send him the Free Press. We have placed his name on the list and we thank Bro. Jenkins for the kind remembrance.

W. M. Harrell of Foster was in the city Monday and says that he began planting cotton seed on his farm that morning. He further stated that most of the feed crops were planted in his section and the farmers were all ready to plant cotton seed and other crops. He said very few farmers had planted their cotton up to this time but he thought a lot of seed would be put in the ground if the weather remains warm and favorable. Plenty of moisture is reported in the ground by Mr. Harrell to bring up all crops planted at this time.

Ed Frensey of Alford and Sam Pedigo of St. Jo motored to Haskell last Wednesday. Miss Judith Taylor, who taught voice here the past winter and Miss Hazel Speer, who taught in Swenson, went home with them. They made the trip Friday. Miss Taylor will be missed in Haskell, as she was always glad to use her beautiful voice on every occasion where it was needed.

Picnic
Mrs. M. B. Lebo chaperoned some of the girls out to Mr. Shook's pasture for a picnic Monday afternoon. They enjoyed baseball and refreshments of cake and cream were served to Misses Kathryn Smith, Lillian Paxton, Kyrene and Leta Simmons, Lois Killingsworth, Myrtle Grantham of Oplin and Emma Gene Smith of Loraine.

Harmony Club Entertains
The Harmony Club entertained the Magazine Club Wednesday afternoon with a "42" party at the library. Mrs. Bernard met the guests at the door and presented them to the receiving line, which was composed of the old and new officers of the club: Mrs. C. L. Lewis, W. H. Whitman, Alfred Pierson, H. S. Wilson, Hill Oates, Misses Eka Cahill, Eunice Huokabee, Mary Clifton, Mrs. J. L. Sleeper and Miss Judith Taylor. After several games of "42" were played and enjoyed, the president, Mrs. Lewis, assisted by Helen Shook, Eka Cahill and Mrs. Hill Oates, served delicious refreshment of orange ice and kisses to the following: Mesdames Jno. Pace, Rike, Conner, A. J. Smith, H. M. Smith, N. T. Smith, Seales, M. H. Post, Oates, Meadors, J. P. Payne, Jno. Oates, Claiborne Payne, Bailey, Walden, Fields, Cummins, Morrison, Montgomery, English, Tyson, Sleeper, Wilson, Pierson, Whitman, Bernard, McDonald, Irvin, Mays, T. A. Pinkerton, Lynn Pace, Misses Tannie Hancock, Mary Clifton, Judith Taylor, Nettie McCollum, Eunice Huokabee, Sula Mae Rathiff, Carrie Sherrill, and Mrs. Morrison of Graham.

Mr. and Mrs. G. T. Seales Entertain
Mr. and Mrs. G. T. Seales entertained the younger crowd with a delightfully planned party Friday evening, honoring Mrs. Seales' niece, Miss Myrtle Grantham and Emma Gene Smith of Loraine. The home was decorated with ferns and lilies. "Progressive 42" was enjoyed and refreshments of sherbert ice and swiss-sandwiches were served to the following: Misses Kyrene Simmons, Lucy Cummins, Grace Whitman, Maybelle Taylor, Ella Stanley and the honor guests, Messrs. Earnest Sanders, Harold Posey, John Rike, John L. McCollum, Morris Smith, Carrol Blacklock, and Eugene English. Splendid Edison music was enjoyed throughout the evening and the young people departed at a late hour declaring this the loveliest party of the season.

Cemetery Association
The Cemetery Association met with Mrs. D. M. Winn at 3 p. m. April 3rd. The services of a very competent sexton have been secured, and the cemetery is being kept in excellent condition. At a previous meeting of representative ladies the two cemetery associations united and henceforth, will be only one association. The Association plans to move the fence, which formerly formed the south boundary of the cemetery, but which since the purchase of the new addition runs through the middle. They plan to use the material in this fence, together with enough new fencing to enclose the new addition. This will put the cemetery all under one fence, and will greatly enhance its beauty. The association must have money with which to meet this expense, and is urging all those who have loved ones sleeping there, or who own lots, to pay their dues. The annual dues on these lots are \$3.00 on one lot, \$2.25 on 3-4 lot, \$1.50 on 1-2 lot, 75c on 1-4 lot, and \$1.50 on vacant lots. These dues can be paid to Mrs. D. M. Winn or Mrs. J. L. Odell, or to Mr. Burrell Cox. The association feels that if you will only visit the cemetery, and see the splendid condition in which it is kept, you will be inspired to do your bit.

A number of people have been employing private individuals to look after their lots. This has created some confusion, and the association urges that all moneys be paid to them, and the work entrusted to the sexton. The association meets the first Tuesday in each month at 3 p. m., with Mrs. D. M. Winn. All who are interested and in any way willing to help with the work, are urged to attend these meetings.

Mrs. John Oates Hostess
Mrs. Oates was hostess to the members of the Thursday Bridge Club in an all day meeting Thursday. Each guest brought a dish and there was a delicious luncheon at the noon hour. When Mrs. Murchison pulled out her chair at the table she was delightfully surprised to see many lovely little gifts for her baby daughter and Mrs. Reid read a beautiful poem about the baby. After the luncheon the following guests enjoyed bridge: Mesdames J. P. and Claiborne Payne, Hill Oates, J. E. Bernard, Courtney Hunt, W. H. Murchison, Buford Long of Wichita Falls and the hostess.

Fraleley-Fraleley.
Stephen D. Fraleley and Mrs. Vivian D. Fraleley of Rule were married in the district courtroom in the courthouse at 10 o'clock Monday morning April 9th, by County Judge R. E. Lee. The contracting parties left immediately for their home in Rule. The latest in ready-made dresses at Novelty Shop on south side.

Birthday Dinner Party
Mrs. J. E. Grisson gave a beautiful party Thursday evening honoring her husband's birthday. The color scheme of white and yellow was carried out. The table centerpiece was of Easter lilies. A five-course dinner was enjoyed and the favors were artificial water flowers. There was a large birthday cake with yellow candles. After dinner a number of games of bridge were played. The following enjoyed the hospitality: Mesdames and Messrs. J. U. Fields, Henry Alexander, Claiborne Payne, Virgil Hudson, Fleming of Fort Smith, Ark., the honoree and hostess.

Magazine Club
The Club met at the library Friday afternoon with the president, Mrs. C. L. Lewis, presiding. Mrs. Lewis was elected delegate and Mrs. J. A. Conch alternate to the First District meeting in Bowie April 26th, 27th and 28th.

Mrs. J. U. Fields as State Chairman of the Division of Citizenship Training directed a most helpful lesson on important questions of the day concerning Texas. Mrs. M. H. Brasher played some patriotic selections.

Elks Dance
The young people enjoyed a dance at the Elks Hall Thursday evening. The following out-of-town people attended: From Stamford, Harry Yates, David Bennet, Charles English, From Rule, Misses Lucille Campbell and Duke, Messrs. Jesse Campbell, Marlin Wilson, Ed Verner and Joe Bullock. From Munday, Dr. and Mrs. Davis, Sam Pedigo of St. Jo, Ed Frensey of Alford, Miss Hazel Speer of Alford.

Parent-Teachers Association
The association will meet Thursday April 19th. Mrs. S. R. Rike will direct the program on "The Need of Financial Training for Our Children." Mrs. Rike is preparing a very interesting program.

Don't miss this entertainment. It's a program you will appreciate. COME.

McCONNELL

By Jessie Roe Bland

Most of the farmers in this section will soon be through planting maize.

The little four year old son of Mr. and Mrs. Lesley Brown is seriously ill with pneumonia.

Mrs. Willburn is real sick at this writing.

Mrs. R. E. Bain has returned from Big Spring, where she has been visiting a daughter.

Claude Bland, Tot Johnson and Elmer Miller were guests in this community Saturday night.

M. J. Jones, M. V. Bland and Will Cody were elected for the Board of Trustees, Saturday, April 7th.

Mr. and Mrs. Will Cody spent Sunday afternoon with Mr. and Mrs. Froe-

man of the Post community.

J. D. Jones spent Saturday night in Stamford with his uncle, Ray Jones and wife.

Mrs. Gibson and son Louie of Rule spent the week-end with her daughter Mrs. Frank Forsythe.

J. F. Guillet visited relatives in Stamford this week-end.

FOSTER

By Vadio West

Some of the farmers have planted corn the past week.

The health of the community is very good.

Mrs. Teale's baby has diphtheria, but is better at this writing.

The singing given at the home of Mr. Nathan Harrell Sunday night was enjoyed by a large crowd.

Several people from this community attended the musical entertainment at Midway Friday night. The music was fine.

We have a new teacher at Foster, Miss Addie Tompkins of Haskell.

We have four more weeks of school, and we hope it to be a success.

Mr. and Mrs. Paul Zahn of Myers visited Mr. and Mrs. Will Harrell Sunday afternoon.

Our new school trustees are Bill Williams and A. S. Bristow.

Mr. and Mrs. Wimberley of Haskell visited Mr. and Mrs. Jim Sloan Friday.

The following attended the District Conference in Knox City last week: Rev. and Mrs. S. L. Culwell, Mesdames and Messrs. B. Cox, H. H. Langford, F. T. Sanders, O. E. Patterson, Will Cass, Mesdames J. M. Gose and Sowell, Otho Cass and Carrie Bess Culwell, Rev. M. D. Hill.

Church and Sunday School

Baptist Church

Leon M. Gambrell, Pastor. The Sunday School of the Baptist church is growing. This is true not only in numbers but in efficiency and spirit. You should attend next Sunday and see for yourself. All departments of the church are building up.

A special invitation is extended to MEN to attend the Men's Bible Class at the Baptist church next Sunday morning at 9:45. The class is fully organized and carries out the Organized Class program. The pastor teaches the class. The men of Haskell and community will find a hearty welcome and receive a blessing by attending next Sunday.

The pastor will be in his pulpit at 11 o'clock. Special music will be rendered. Come.

Methodist Missionary Society

The Society met for a regular business session Monday, with the president presiding, Mrs. P. D. Sanders conducted the devotional. All the officers had splendid reports. Mrs. Andrew Shriver was elected delegate to the conference which meets in Snyder April 24-25-26th.

Next Monday we will begin our Bible Study with Mrs. J. U. Fields as director. The following were in attendance Monday: Mesdames F. T. Sanders, O. E. Patterson, W. A. Kimbrough, Cates, H. M. Smith, I. W. Kirkpatrick, S. L. Culwell, J. U. Fields, F. M. Morton, J. M. Gose, W. M. Mask, Andrew Shriver, A. G. Jones, C. L. Lewis, Wilson, McElroy, Earnest, P. D. Sanders, W. J. Sowell, T. A. Williams, H. H. Langford.

Baptist Laymen's Council

Our meeting last week was very encouraging. There were twenty or more visitors from Rule and Pinkerton and all seemed to enjoy the social and banquet period before the address.

Judge Caldwell of Abilene gave us a very practical address and if the things which he said would be put into practice more we would have a better community.

There were about 80 men present and the ladies and girls deserve much credit for the manner in which the banquet was served.

The music by Miss Castles and the song by Bro. Gambrell were fine and much appreciated by the audience.

Be present and be benefited at our next meeting.

G. C. Gaskins of Jud, who is a former gin man at that place says that the farmers have all planted their feed crops and that the ground has plenty of moisture to bring up the seed. He says the farmers have begun planting cotton seed and if it does not rain quite a number of farmers expect to plant cotton this week. He has sold his gin plant but it will be kept at Jud. There were some talk of discontinuing the service of the gin at Jud, which would be a calamity indeed to the farmers of that section.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton, and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

ANNOUNCEMENT

of Interest to

Millions of Families

"I will build a car for the multitude"

Said Henry Ford in 1903—Read how the fulfillment of that prophecy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car ownership. During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your Ford Car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little. Why not start today. Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a Ford car.

GOOD
CLEAN
MERCHANDISE**

We have realized an ambition that is noteworthy. It is no small matter to have such a gigantic stock of dry goods in Haskell.

The consolidation of our two stores gives us the largest stock of Dry Goods in West Texas and it is with pride that we announce to the public our determination to serve them better. It will be our aim to have in one establishment—under one roof—every item that a first class dry goods store should carry for their customers.

**ABOUT
PRICES**

There is no doubt but that with such a stock as we now have we will be able to sell merchandise cheaper than stores with smaller stocks. Expenses will be lower and volume larger. Our policy of selling only reputable merchandise will continue. Poor merchandise is never cheap, but usually dear at any price. We invite you to trade with us and promise you the best service in Haskell or Haskell territory.

TRIANGLE RANCH RODEO AND PAGEANT OF PROGRESS

(Special Correspondent)
Town Park, Texas, April 4th.—To build an arena or stadium with a seating capacity of nearly ten thousand out upon the bald prairie, to hang up thousands of dollars for the winners of bronco riding, roping, bull-dogging and kindred cowboy sports, to prepare an expensive free barbecue with enough beef to feed thousands in a spot seven miles from the nearest city, requires much expense and nerve upon the part of the spender, but this is what is being done by Tom L. Barnett, owner of the 27,000-acre Triangle ranch in celebration of the Wichita Valley Irrigation project in what is known as the Triangle Ranch Rodeo and Pageant of Progress which will be staged at his ranch seven miles west of this city on the paved Colorado to Gulf Highway April 19th to 22nd.

Cowboys and cowgirls from remote western ranches will vie with the tribal Comanche Indians and the eastern capitalists in making the celebration one that will mean much to this section from an irrigation standpoint in the future.

HASKELL MAN MEMBER OF AMARILLO SCHOOL FACULTY

The Sunday edition of the Amarillo Daily News of April 1st carried the picture of the teachers and school board of the Amarillo schools. Among this group of splendid men and women is to be found the face of one who is well known in Haskell, Prof. C. C. Walden, who is principal of the San Jacinto school of that city, and has been connected with the schools of Amarillo for several years. Mr. Walden is the son of Mr. and Mrs. J. G. Walden of this city and was reared in Haskell and he has taught many schools in Haskell county in which he made an excellent record as a teacher of ability. We are glad to join the many friends of Mr. Walden in wishing him greater success.

BOY IS ACCIDENTALLY SHOT WITH TARGET RIFLE

It is reported that Russell, the 14-year-old son of J. H. Thompson, who lives near old Pinkerton, was accidentally shot with a 22-calibre target rifle while out hunting last Monday afternoon. The bullet struck his collar bone on the left side, producing a very painful wound, but we hope not very serious.

MIKE WATSON SHIPS BIG STEER TO MARKET

M. B. (Mike) Watson shipped the 4-year old Shook steer last week, which weighed in the Fort Worth market 2120 pounds, and he was sold for seven and one-half cents per pound, bringing in the gross figure of \$159.75, which after paying expense of shipping gave a net receipt of \$148.52. This steer was grown by M. S. Shook of this city and was known as the largest steer in this section. He was not a pure bred animal, just a cross breed of our common cattle.

IN LOVING MEMORY OF THE RECKLESS DRIVER

There are a few hints in the following epitaphs that might have some effect on the speeder should he read them seriously.

"Lies slumbering here one William Lake; he heard the bell but had no brake."

"At fifty miles drove Arthur Pidd; he thought he wouldn't skid—but did."

"At ninety miles drove Eddie Shawn, the motor stopped, but Ed kept on."

"Down in the creek sleeps Jerry Bass; the bridge was narrow—he tried to pass."

"Beneath this stone sleeps William Raines; ice on the hill—he had no chains."

"Here lies the body of William Jay; he died maintaining his right-of-way."

"Here rests the remains of Percival Sap; he drove his machine with a girl in his lap."

"That ash pile there is Billy Hatch; he looked in his gas tank with a lighted match."

"And here's what's left of Samuel Small; he paid no attention to the Slow sign at all."

If his goods were not worth advertising he would not spend his money in advertising them, for merchants cannot spend money in that way unless they get dividends on their investment in the way of increased sales.

MUNDAY GIRLS ARE THE WEST TEXAS CHAMPIONS

(Special Correspondent)
The Munday High School basketball team defeated the Quanah High School girls here Saturday by a score of 39 to 8. This game determined West Texas Championship, and approximately 2,500 people were present, the majority cheering for Munday. At no time during the game were our girls in danger of defeat. They took the lead during the first few moments of play, and by fast team work and accurate goal tossing, easily maintained the lead throughout the game. Munday girls have been defeated but once in two years, losing the state championship game to Waco last year. The Quanah sextet was also an undefeated team, and its only loss in three seasons was its defeat by Munday in 1922.

Plans are now being made for the State Championship game, which will be played within the next two weeks with either Canton or Waco; Canton now being East Texas Champions and Waco representing Central Texas.

SPUR MAN RUN OVER AND KILLED BY CAR FRIDAY

Dave Bowen, a well known citizen of the Lost Lake community to the southeast of Spur, was run over by his automobile Friday of last week and killed. He was cranking the car and after starting it in some manner dropped into high gear, knocking Mr. Bowen down and doubling him up underneath. As the car moved his body was rolled into ball shape, lifting one of the rear wheels from the ground and permitting the engine to continue running for some time. Help came from some distance, but when the car was removed Mr. Bowen was dead, practically every bone in his body being broken.

Mr. Bowen came here from Coleman and Callahan counties. He was recently married to Mrs. Hardin, widow of Rev. Hardin, who was drowned a year or two ago in Wilson tank to the east of Spur.—The Texas Spur.

MIDWAY SINGING CLASS MAKING GOOD PROGRESS

(Special Correspondent)
The Midway Singing Class meets every Sunday evening at 8 o'clock at the Midway school house. Large crowds are in attendance and an interesting program is rendered each time. We are just beginning but with a little encouragement and practice we will be able to sing with the best of 'em. All singers or those interested in singing are most cordially invited, and especially song leaders. Come and be with us. We will enjoy having you and we are sure you will enjoy being with us. Every Sunday evening at 8 o'clock.

HASKELL DRUGGIST BUYS PEDIGREE WHITE LEGHORNS

John Pierre Payne of the Payne Drug Company received thirty pedigree White Leghorn baby chicks this week of the pure Tom Abron strain which is the English White Leghorn. They were purchased from two reliable breeders of the far north so when the chicks are grown up they will have a mating of the same strain that are not kin. This is a little expensive deal to buy a quantity of good stock, at a time, but we believe baby chicks are the cheapest way to get in the poultry business. The chicks made the trip and reached here in good shape. You can not raise good birds from poor foundation stock, and Mr. Payne has realized this and has bought one of the best known strains of White Leghorns in the world.

LARGE EGGS ON EXHIBIT AT THE EGG SHOW

Uncle Mike Perry and R. A. Hays of this city were in a class to themselves in the egg contests of last Saturday when they brought several eggs that measured 8 inches long way around and 7 1/4 inches the shortest way. These eggs were laid by Rhode Island Red hens. The eggs Mr. Hays placed on exhibition were three of at least a dozen eggs the hen had laid of similar size, and the one shown by Uncle Mike was an egg with a double yolk. But Mr. Hays says the eggs that were placed on exhibition by him were not double-yolks, but normal in every way except size.

Mr. and Mrs. W. W. Ashby of Wellert were in the city Saturday taking in the Egg Show. Mr. Ashby is one of the pioneer poultry fanciers of Haskell county, having been identified with the Denton County Poultry Association before moving to Haskell county, and has been a great helper in pushing the poultry business to its present advancement and is still in the ring with the sweepstake hen from the Munday Poultry Show of last fall of any breed, which happened to be a Brown Leghorn, the breed he has been improving for the last twenty years.

METHODIST CONFERENCE MEETS AT KNOX CITY

The District Conference of the Stamford District met in Knox City Wednesday, Thursday and Friday of last week with Rev. A. L. Moore, presiding elder in charge. This district now embraces seven counties and the meeting was a splendid success.

Rev. McCown as host and the people of Knox City accorded the visitors a royal welcome. Dinner and supper were served in the basement for the visitors every day. One of the features of the meeting was the "Kinder Band," a real band of little people who furnished splendid music. Thursday afternoon the visitors were shown the city and surrounding country in a lovely drive.

Knox City is a progressive little city having a good school, good church buildings and one of the best sanitariums in this part of the country.

It is a notable fact that Rev. S. L. Culwell had the best all-round report of any preacher in the district.

REVIVAL AT FIRST CHRISTIAN CHURCH STILL IN PROGRESS

The revival at the First Christian Church is still in progress. Much interest has been manifested by the large congregation which have been listening to Rev. L. Swindle preach and A. L. Haly sing and illustrate the theme of his song with a drawing from his own hands while he sings. He is a singer and an artist second to none and his work is very much appreciated by the congregation from time to time. Rev. Swindle is an able minister and his sermons are full of good sound gospel facts both for the sinner and the christian. You are missing something when you fail to attend these services.

DEFINITE STEPS TAKEN IN SEYMOUR IRRIGATION PROJECT

The first definite steps toward the proposed system of irrigation to be established above Seymour on the Brazos River was set in motion yesterday, when Chief Engineer R. A. Thompson and Resident Engineer H. M. Clark, of the Wichita water improvement district, made a preliminary survey of the site which is about 30 miles west of Seymour. The location is just below the Cooper Island at the W. T. McClain place in Knox county. Mr. Thompson reports that a natural spillway is available at this site similar to the one on the big irrigation dam of the Wichita irrigation district and that a dam 55 feet high at this site will provide approximately 200,000 acre feet of storage, which is sufficient with contributory area for 100,000 acres under cultivation.

This survey was made for the convenience of the state board of water engineers, who will view out the location during this month with prospect of making a state and federal survey of the proposed location.

Texas Woman Finds Health

Mrs. W. H. Strawn, of Dallas, Who Tells How to Have Perfect Health.

"There were times when I felt so bad and skinny, I was ashamed to go out and meet my friends," says Mrs. Strawn, popular resident of Dallas. "I weighed only 106 pounds. But now I am taking on weight and new life. Ironized Yeast did it. It is amazing what it has done for me. I now weigh 126 pounds. It means so much to me, because 127 pounds was my weight before I married. My husband says I am now more like the girl he married eight years ago, and my lost strength of six years standing is coming back."

No discovery in the field of medicine has aroused more comment than that of the principle embodied in Ironized Yeast for building firm flesh on thin, anemic people and restoring the strength and vigor of health. Ironized Yeast will calm your tired nerves and nurture your shrunken tissues; you will soon know the joy of a hearty appetite, good digestion, rosy cheeks, plump limbs and buoyant spirits. These are the things Ironized Yeast has given to those seeds of others, and is guaranteed to give to you. Get it today from your druggist. A ten-day treatment costs only a dollar.
