Rebels Capture Third In Tournament

By Nanalee Nichols
Happy New Year...and here's wishing everyone a great 1983.

Since we can't tell what 1983 will bring, we did a little looking back over 1982.

'82 held a lot of surprises for us here at the newspapers. There were several rather unexpected changes, and of course, we closed out the year by buying the papers for ourselves.

Way back in January of 1982 I didn't see a whole lot of excitement. Wheat crops looked bad...and were.

In April there was more excitement than anyone had bargained for, as we chased 'ornadoes that ranged in size from the one that devastated Paris and Blossom to a little one that tore up some dirt in a wheat field.

In all, the camera recorded no less than four separate tornadoes during April and early May, and few folks rested easy when storms came up.

There were tragedies, as always in a year...wrecks and accidents, and the deaths of long-time community figures brought sadness.

The schools graduated classes of fine youngsters. The job market didn't improve, but all of us around here realized that compared to the northern and eastern cities, we had it good.

The summer was unusually wet, but not unusually hot, which made everyone feel better. The fall was fair, and cotton farmers managed to get their crop out without too much rain.

Shortly thereafter it set in to rain, and hasn't quit yet.

Basketball and football proceeded as usual...Christmas was a time of pleasure for most folks, and then the year was past.

Looking back it seems impossible that a whole YEAR went by so fast...and yet broken down certain times dragged into ages. Some days seemed that they would never end...others are forgotten, unaccounted for.

That's life, and time, we suppose, and 1983 will probably have rolled on by so fast that we'll look back on it in just a few short months...wondering where the year went!

Come on friends and relatives who have moved away from Bogata. Let's pull together and give donations for a new ambulance for our elderly people.

I have donated \$50 to the cause.

Tax Help Is Available

"Although there is a new number to dial 1-800-424-1040, the service will be the same as in prior years," said Roger Johnson, Director's Representative for the Internal Revenue Service Longview office in announcing the taxpayer assistance program for the 1983 filing period.

"Taxpayers will be able to get answers to their tax questions, order forms and publications, get information regarding their accounts, and find out about the Volunteer Income Tax Assistance site nearest their home from 8 a.m. to 4:30 p.m. each Monday through Friday."

ELTON WELCH said his resolution for the New Year would be to live a better life that he might help someone else. (Staff Photo)

David Rozell scored a season-high 38 points in pacing the Rivercrest Rebels to a 71-53 victory over Wolfe City in the first round of the Leonard Invitational Basketball Tournament.

The game was closer than the final score indicates as the Wolves and Rebels were tied at 30 at the half. Wolfe City used a pressing defense to rattle the Rebels in the first half, causing them to make several costly turnovers.

Rivercrest played recklessly in the first half against a quicker Wolfe City squad. The Rebels switched to a pressing defense but couldn't force Wolfe City to make many errors.

The Rebels settled down in the second half and played like their 10-5 record indicates they can. Rivercrest adjusted its defense in the second half and broke Wolfe City's press enroute to outscoring the Wolves by a 41-23 margin.

Rivercrest Head Coach Wake Wood went with substitutions in the last five minutes of the game as the Rebels were assured of a victory.

Bradley Moore played a good defensive game and also led the team in assists. Stan Wood was excellent on the floor and also had many assists in the contest, the Rivercrest coach said.

Stan Wood was second leading scorer for the Rebels in ripping the nets for 15 points in the game.

Rivercrest advanced to play Honey Grove in the second round of the tourney. Honey Grove's Warriors thrashed Fannindel 75-50 in the opening round to advance in the winner's bracket.

For the second time this

year the Rivercrest Rebels emerged victorious over the Honey Grove Warriors, the latest being a 53-43 win during the Leonard tournament.

The Rebels advanced in the winners bracket in the tournament to play the winner of the North Lamar-Sam Rayburn game.

Rivercrest started out slow and trailed the Warriors 10-9 at the end of the first period. But the Rebels untracked their fast break and defensive press in the second quarter and rolled to a 32-21 halftime lead.

Honey Grove never let up the pressure and caught Rivercrest flat at the start of the third quarter, firing in 10 points while holding the Rebels to two. But the Rebels were still on top at the end of the quarter, 34-31.

"The game was pretty close," Wake Wood, Rivercrest coach, said. "We have beaten Honey Grove before by 30 points and after we got that 11 point lead, the kids were a little flat. We just didn't have that quickness and enthusiasm to put Honey Grove away. Honey Grove has a real good team and they never let up and we had to fight for the victory."

Rivercrest came roaring back in the final period and put the finishing touches on the Warriors. The Rebels outscored their opponent 18-12 in the quarter and cruised on for the 10-point victory.

David Rozell led all scorers with 22 points in the contest, 19 of them in the first half. Wyatt Bush, who relieved Larry Davis after he got in foul trouble, ripped the nets for 11 points.

Stan Wood played an excellent game in scoring eight points and dealing out eight assists. Bradley Moore

had the hot hand from the free throw line in hitting four of four attempts for the Rebels.

Moore also played a super defensive game in holding Honey Grove's big post man to 15 points, seven below his season average.

"I was real pleased with our effort tonight," Wake Wood said. "We looked real good at times and got our fast break and press working for us."

The Rebels followed the 24 point scoring and improved defensive play of center David Rozell in posting their victory over Sam Rayburn, 54-35. Bradley Moore chipped in 15 for the Johnstown crew.

Rivercrest's combined defensive display offset the effectiveness of McGuire and the Foremans and refused to allow any of them double-digit showings.

The Rebs made it all the way to the semi-finals before

losing a hard fought contest to Prairiland, 57-52.

Prairiland jumped out to a 16-8 first quarter lead as the Patriots got the hot hand early. Prairiland's cagers hit on eight of 11 field goals in staking out a lead Rivercrest could not overcome.

The Patriots, who played for the championship trophy against Cooper, continued their scoring blitz as they outscored Rivercrest 17-15 in the second quarter to widen the margin to 33-23 at the half.

But Rivercrest showed why it had made it so far in the tourney as the Rebels came roaring back in the third quarter to narrow the gap to 39-33. Stan Wood led the offensive charge with 19 points, 17 in the second half, for the Rebels.

Rivercrest pulled to within three points twice in the fourth quarter, but each time

Prairiland scored another goal to widen the lead.

Once again the Patriots missed the free shot but connected on the rebound. Rivercrest could not cut the lead any closer in the game as the Pats went on to win.

Getting in double figures with Wood were Bradley Moore with 16 and David Rozell with 13.

Rivercrest then played for third place against the hosting Leonard team and had no trouble winning the

contest. All Rebels had an opportunity to play in the game with Wood leading the offensive charge with 18 points. Rozell connected with 16 and Moore with 14 in the win.

"We were very happy to win four of five games in the tournament," Wake Wood said. "There were 25 real good teams there and we were happy coming in third. We would have liked to have won it all, but it wasn't meant to be."

Resolutions Varied, Fun

By Nanalee Nichols
New Year's resolutions are one of the most common things this time of year, and are many and varied.

A few people interviewed giggled, turned red, and refused to divulge their character-building vows for 1983, while others simply said that they made them for too many years and weren't bothering to make them this year.

Other folks expressed their desire to be better people...to treat others more kindly, to control their tempers, to think more of the needs of others.

One lady said most emphatically "what's everyone's resolution...to lose weight of course...the hardest one of all!"

Losing weight, exercising more and taking better care of oneself also ranked high on the list.

A few folks took on really big chores, such as quitting smoking, resolutions that have hopes, but which people know will be difficult to keep.

Our resolution here at the newspapers are simple...just try to put out a paper that will please as many folks as possible.

Most everyone admitted to having the New Year's traditional favorite too. Black-eyed peas were on most tables throughout the area.

Some folks swear that there isn't any good luck in black-eyed peas unless they're cooked with hog jowl.

Others say that if a piece of the jowl isn't eaten along with the peas, the luck won't work. Still others say that just black-eyed peas...no matter whether cooked with bacon, salt pork or the traditional jowl are all it takes.

At any rate, here are a few other folks who have made resolutions for 1983, and more power to them!

Burglary, Vandalism Active In R.R. Co.

Activity Report

One Detroit man has been arrested in connection with the vandalism of the Detroit Post Office. The arrest culminated an investigation by local and federal law enforcement officers. The man has been charged with criminal mischief over \$200. The man was arraigned before Justice of the Peace, J.B. Holley, and bond set at \$2,000.00.

Cabins Burglarized
Sheriff Department officers are investigating the burglary of a cabin located

about five miles south of Clarksville on the old Bogata road. The owner of the cabin reported the burglary to officers Christmas day. A television set was reported missing following the offense.

A second cabin burglary was reported to the Sheriff's Department Christmas day. This cabin is located near the Ackworth Community, north of Clarksville. Several sleeping bags and a number of kitchen utensils were reported taken.

Building Burglarized
Officers are investigating a burglary which occurred near the Rosalie Community. The burglary was reported to the Sheriff's Office Christmas eve. Several chain saws and an outboard motor were reported stolen. The items were taken from a storeroom near a home.

Other Activity
Officers are investigating the burglary of a residence south of Bogata on Highway 37. Several items of food were found missing.

Kidnap Investigated
Officers were called to investigate a reported kidnapping in the early morning hours Monday. The incident was reported to the Sheriff's Department at approximately 4 a.m. Monday morning.

According to Sheriff Department officers, the victim, Bobby Gene Peek, 13

to Bogata to investigate a missing person report. The missing man was later found to have been involved in an automobile accident on Highway 271, approximately 2 miles east of Depart. The man had apparently been enroute from Paris to his home in Johnstown when he lost control of his pickup, veering off the highway and crashing into a creek. The impact apparently knocked the man unconscious and he remained in the vehicle overnight. Regaining consciousness the next morning, the man was able to flag down a passing motorist and travel to Bogata to report the accident. The man, R.O. Kyle, was taken to a Mt. Pleasant hospital with undetermined injuries.

The two kidnapers, described only as white males, then fled on foot.

An intensive search of the area by officers was to no avail. The incident is still being investigated by members of the Sheriff's Department.

reported having been awakened by a noise on the porch of his parents home north of Clarksville. The youth went to the porch to investigate the noise and was confronted by two men who demanded the keys to the family car. The youth said the two later forced him to drive, traveling north for a few miles before turning east on the Allen Flats road. The vehicle became stuck on the roadway during heavy rains. The two kidnapers, described only as white males, then fled on foot.

An intensive search of the area by officers was to no avail. The incident is still being investigated by members of the Sheriff's Department.

People and Things . . .

The Bogata LIONS CLUB wishes to thank all the people of the community who gave clothes, food, furniture, kitchen utensils and money for the BILLY HARRIS FAMILY...the people were so generous in their response that the Harris family has a new start, and the Lion's Club has some left over for use with the next family struck with MISFORTUNE... The LIONS CLUB will hold it's meeting TONIGHT (Thursday) at 7 p.m. at the Bogata Cafeteria... The BOGATA CITY COUNCIL will meet on TUESDAY, January 11 at 7 p.m. at City Hall...

WEATHER—Frozen phenomenon—Frozen fog, which settled in a heavy, frost-like cover over trees, bushes and roof tops, covered the area Tuesday morning. The frost was so heavy that it looked like a light snow, and turned the world quite lovely for most of the day. The weather cleared and the sun came out in the afternoon. (Staff Photo)

Weekly Ag Update

By Herb Brevard
On the average, agricultural production costs should remain about the same in 1983 as they were in 1982, says Wayne Taylor, economist-management for the Texas Agricultural Extension Service.

Some fertilizer materials are less expensive now than six months ago. Therefore, the purchase of fertilizer could help reduce the tax burden if the purchases are made before January 1.

Also, now may be a good time to buy machinery if the producer has the money and needs depreciation and investment credit. Some tractor companies, for example, would like to reduce their inventory and offer a finance-lease that will allow the producer to buy the equipment for 10 percent or more of the original purchase price after the last period. Producers should keep in mind that payments have to be made on purchases and if the cash flow will not stand the payments, Taylor says do not make the purchase.

Producers should plan the 1983 operation carefully. Taylor suggests using the calculator and a lot of paper in figuring operating budgets. East Texas producers should try to maintain as much equity in their operation as possible now in order to have the financial strength to take advantage of better times when they come.

A businessman was planning a vacation. "How do you plan to fly?" asked the agent. "Plain or fancy?" "Plane," replied the businessman. "I don't think my fancy would get me off the ground."

BANK CENTS
 By Neil Rozell

A considerable amount of attention has been given over the past several years to the "Prime Rate" of interest banks charge.

There is no law or regulation providing for the "prime rate." When the term is used it refers to the interest rate large banks charge their largest and most reliable customers to borrow funds.

Thus, the "prime rate" actually becomes a yardstick by which other bank lending rates are determined, specifically in the case of commercial loans to businesses.

Each bank, in effect, sets its own "prime rate" for funds it loans to its largest and most reliable customers.

We want you to know more about our business!!!

Kelly Fenton Takes VOD Award

Kelly Fenton, a sophomore student at Mt. Vernon High School, took second place in the District Voice of Democracy Speaking Contest Sunday, Dec. 12, in Sulphur Springs.
 Miss Fenton, daughter of Marilyn Snodgrass, earned the right to participate in the district competition by winning competition on the local level, which was held earlier this month.
 This year's theme for the contest, sponsored by the Veterans of Foreign Wars and their Ladies' Auxiliary, is "Youth-America's Strength."
 Each student writes a three to five minute original speech, which is recorded for judging. The same tape is passed from local judging to district competition, and then to state and national contests as qualifications are met.
 Local VFW posts and auxiliaries provide awards and prizes for winners in the contest. State winners receive a free trip to Washington, D.C. for the final competition on the national level. The top national winner receives \$14,000 in scholarship funds.
 As first place winner of the local contest, Miss Fenton will receive a \$100 scholarship to be awarded upon entrance into college, and a first place trophy. The trophy will be presented during a student assembly in the Mt. Vernon school auditorium Thursday, Jan.

NOTICE OF APPLICATION FOR WASTE DISCHARGE PERMIT AMENDMENT CITY OF BOGATA, P.O.
Box 426, Bogata, Texas 75417 has applied to the Texas Department of Water Resources for an amendment to Permit No. 10065-01 to increase the discharge of treated sewage effluent from a volume not to exceed an average flow of 170,000 gallons per day to 332,000 gallons per day. The applicant proposes to abandon an existing Imhoff tank, add a new facultative lagoon and a stabilization pond and clean and expand existing stabilization ponds.
The plant site is located southeast of the City of Bogata, approximately 3100 feet southwest of U.S. Highway 271 and 5000 feet east of State Highway 37 in Red River County, Texas. The effluent is discharged into an unnamed creek; thence to Little Mustang Creek; thence to the Sulphur River in Segment No. 0303 of the Sulphur River Basin.

LEGAL AUTHORITY: Section 26.028 of the Texas Water Code, as amended, and Chapter 25 of the Rules of the Texas Department of Water Resources.
No public hearing will be held on this application unless an affected person who has received notice of the application has requested a public hearing. Any such request for a public hearing shall be in writing and contain (1) the name, mailing address, and phone number of the person making the request; and (2) a brief description of how the requester, or persons represented by the requester, would be adversely affected by the granting of the application. If the Commission determines that the request sets out an issue which is relevant to the waste discharge permit decision, or that a public hearing would serve the public interest, the Commission shall conduct a public hearing, after the issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 30 days of the date of publication of the notice concerning the application, the permit will be submitted to the Commission for final decision on the application.

Requests for a public hearing and or requests for further information concerning any aspect of the application should be submitted in writing to the Chief Hearings Examiner, Texas Water Commission, P.O. Box 13067, Capitol Station, Austin, Texas 78711. Telephone (512) 475-2678. Issued this 31st day of December, 1982.
Mary Ann Hefner,
Chief Clerk
Texas Water Commission

The grant will sponsor alcohol education to teachers, students, civic groups, or other interested parties. Irresponsible use of alcohol is a growing problem among young people and is known to be the leading cause of automobile deaths among youth. Young people as well as adults need more education about alcohol and alcohol abuse if alcohol problems are to be prevented. The Alcohol Education Project will provide accurate information about drinking to the students, teachers and parents in the eleven county area of Region VIII. The programs can be geared to the particular needs of the audience and can cover any facet of the growing alcohol abuse problem in the country. Although there are no quick and easy answers to the complex issue, education and information are the initial steps toward reaching the youth and adults in the area.
