Christmas trees are everywhere. Symbol of the season, they can be as elaborate or as simple as anyone desires.

The "Tannebaum" is a German tradition which began many years ago. The evergreen, of course, is the symbol for eternal life.

Whether native cedars, purchased firs or artificial, the Christmas tree is usually the one decoration almost everyone has.

Some people use a color scheme, trimming the trees with all red, or blue or green.

Others carry out a theme...Victorian, Country, highly sophisticated Silver or Acrylic, "High Tech", Woodland, the list is endless.

Over the years lighting has proceeded from the large, hot bulbs to the tiny flashing or twinkle lights, to the tiny lights that don't blink, and even back to the large bulbs again, but cooler burning.

Some are trimmed entirely in bows or ribbons, while others may be decked out with paper chains, popcorn strings and cranberries.

But best of all are those trees that are simply a "hodgepodge" of ornaments collected over the years.

For those families the memories are full and happy...the first Christmas ornaments for children, the ornaments purchased or given to a couple the first year they are married, ornaments purchased on trips, or given as gifts.

Many have handmade ornaments made by mother, aunt, grandmother or dear friends.

Decorations hand painted by shaky little hands on rainy, cold afternoons may mix with expensive glittering decorations, and are usually more highly prized.

Flaked paint, faded trim, it doesn't matter with those ornaments that are so special to parents.

But the whole point is, whether fancy or plain, expensive or inexpensive, new every year or traditionally continuing, the Christmas tree, whether seen lighted through a night time window or from close up in a room, is one of the most treasured of the traditions of the season.

Sales Tax Grew 12.3% Over 1987's Pay

State Comptroller Bob Bullock said Friday that this year's sales tax payments to Texas cities grew 12.3% over 1987's payments, continuing a trend that is expected to last for several years.

"We're projecting that local sales tax allocations will steadily rise through 1991. I'm sure the extra income from sales tax revenues will be welcomed by local governments," Bullock said.

Bullock added that, while the future of oil prices remains rocky, the stronger tax base will bolster state and local revenues, keeping them at a steady increase of about 7 to 8 percent a year through 1991.

Checks totaling \$64.1 million were sent Friday to 885 cities that collect local sales tax at either one or one and one-half percent.

The state's six metropolitan transit

authorities and one city transit department received \$30.9 million in rebates, a 14.4 percent increase over last year's December payment and a 10.6 percent increase for this year's total.

Checks totaling \$6.4 million were also mailed to 81 counties that collect the one-half percent county tax, Bullock said.

Locally, Bogata received \$1,153.12 for its payment this pe-

riod, for a 3.45 percent decrease over the payments for 1987 during the same period.

Clarksville received \$19,526.85, a 9.79 percent increase. Detroit received no payment this period, for an 18.83 percent increase over payments to date over last year.

Blossom received \$813.94 this period, for a 30.07 percent increase in payments to date from one year

ago. Deport received no payment for this period, for a 3.53 percent increase in payments to date. Paris received \$130,305.42 for a 5.30 percent increase over last year's payment for the same period.

Talco received \$1,050.70 for a 29.49 percent decrease over payments to date from last year. Mt. Pleasant received \$74,146.85 for a 7.57 percent increase over payments to date one year ago.

Paper Sale Continues

The papers are on sale again...with a bigger chance to win cash prizes, too!

During the entire month of December, The Deport Times, Blossom Times, Talco Times and Bogata News is on sale for \$2.00 off the regular price.

A whole year costs only \$9.00 in Lamar, Red River and Titus Counties, \$11.50 in the state of Texas, but outside those counties, and \$14.00 for out of the state.

Anyone renewing their subscription or a subscription for someone,

will automatically be entered in a drawing for \$50.00, \$30.00, \$20.00 and \$10.00 in cash.

The papers are always a popular Christmas gift that lasts throughout the whole year.

Local news, photos, public information, a television schedule and

feature articles are available in the publications.

If no renewal is desired, but you want to enter the drawing, simply mail the coupon on the ad which appears in this issue of the paper, and mark it, "I do not wish to renew",

and you can be entered in the drawing with no purchase.

The cash prizes will be awarded during the first week in January.

Renewal notices for December are not being sent out, due to the volume (two-thirds of the subscriptions come due in December), so it's a good idea to check on your subscription.

Blossom subscribers, the majority of which are due in the month of January, are urged to subscribe in December to take advantage of the savings.

MICAH NICOLE Upchurch was honored on her first birthday with a party at her great-grandmother's, Susie Bivins. Attending were parents, Jean and Mike Upchurch, grandfather Donald Ray (Pop) Bivins, Pauline Bivins, great-grandmother Susie Bivins, aunts and uncles, Judy and Nathan Mankins, Janice and Tim Gentry, Joyce and Jeffrey Bivins, Nina Holt, cousins, Tye and Camelia Mankins, Anita Fox and Casey Jeffrey. She got many gifts and all enjoyed a horse cake made by Janice and playing volleyball.

JENNIFER VAUGHAN, daughter of Mike and Jayme Vaughan of Duncanville and granddaughter of Jack and Natalie Vaughan of Bogata, will go to Pasadena with the Duncanville High School Band to perform in the 100th annual Rose Parade on January 2. She is a freshman at DHS and plays the clarinet. She is a straight A honor student and studies dances as well as private clarinet lessons. Duncanville has 375 students in the program and each year 11 marching bands from outside California are invited to perform in the parade. Five of these are invited to perform at the Bandfest at Pasadena City College on New Year's Eve Day. The Duncanville band will perform there. They won district and regional competitions this year and placed third in the state competition. They performed before more than 45,000 people at the University of Texas stadium and won its ninth consecutive championship at the parade of Champions at the Cotton Bowl in October and performed during halftime at the Cowboy-Cardinals game at Texas Stadium. The DHS band, Silver Flags and High Hat Drill Team will depart December 29. While in California, the band will see the Queen Mary, Spruce Goose, Disneyland and Universal Studios. On Dec. 31, they will march at the Disneyland New Year's Eve Parade. The band will return January 3.

Tips On "Shaping Up" Your Holiday Parcels

Aerobics instructors regularly remind their students to keep their tummies "tight" and "tucked". The same advice applies to preparing holiday parcels for mailing. All that's necessary is choosing sturdy cartons or boxes, and sealing them smoothly and tightly with the proper tape. Padded mailing bags work well for small items. Don't wrap cartons in bulky brown paper or tie them with string or twine. The paper can tear and the twine can get tangled in our mailing processing equipment. Using paper and string isn't necessary if you're using proper boxes or cartons. If you feel a need to wrap a tie a box, that may be a signal that you don't think the box is sturdy enough to begin with. Get another one instead. Parcels should be sealed with a type of tape designed for sealing packages: pressure sensitive, nylon-reinforced kraft paper or class-fiber-reinforced pressure sensitive. Don't use cellophane or masking tapes because they're not strong enough. Correct addressing is as important for parcels as for letters. If the box has

been used before, be sure first to remove all old labels and addresses. The top of the package should show the name of the person to whom you're sending it, their house number and street and the apartment number, if there is one. The last address line should contain the city, state and ZIP code, and be sure to use the ZIP code. Your own return address and ZIP code should be in the upper left corner. Preparing the inside of a package or box is as important as preparing the outside. The contents should be cushioned carefully with crumpled paper, with foam shell or air-pocket padding that is commercially available. Don't leave any empty space in the box. Before you seal the package, it's also a good idea to enclose a slip of paper showing the name and address of the person to whom you're sending it. Although it doesn't happen very often, parcels can get damaged so the outside address can't be read. Finally, if a package contains irreplaceable items, send it by registered mail.

Roundball Roundup

By Gary House

Tournament action highlighted Rebel and Rebelette basketball for the second consecutive week, as preparation for District play continues. The Varsity teams traveled to Celeste, some games were played at Wolfe City, to participate in the Celeste Tournament, while the Junior Varsity and freshmen boys played host to a sub-varsity tournament.

Varsity Boys
The North Lamar Panthers gained a measure of revenge for an earlier season loss inflicted them by the Rebels as they beat the Rebs in Paris by a score of 70-64. The game was deadlocked after three periods at 44 apiece, but North Lamar's Brian Mabry hit a blistering 18 points in the final stanza to spell the difference. Rebel Bradley Woods led all scorers with 26 points, while senior wing Jackie Jackie Whitney hit 13 points, including a trio of three pointers. The Rebels shot 84% from the charity stripe, making 12 of 14 attempts.

In the Celeste Tournament, the Rebels opened with a win over Anna; the score was 72-57. Woods again set the pace in scoring 31 points, in only three quarters of play. Lanky junior post Jason Pogue added 12 more in the win. The Rebels got a taste of what to expect in district play as they met league rival Wolfe City in the second tourney game. The Rebels lost a heartbreaker, 59-56, as they went ice cold at the foul line in the fourth quarter, hitting on only 5 of 14 attempts. Jimmy Lewis led the Rebels with 16 points, while the "polecat" Jason Pogue, made significant contributions with 15 points. The game for third place against Gunter was a breeze for the Rebels as three players hit 20 or more points. Pogue and Lewis both had 23 points while Woods added 22 more. The Rebels pulled away from their opponents in the third period to build a 70-47 lead, then coasted home. After facing the Mt. Pleasant Tigers Tuesday night, the Rebels will have an open weekend, before meeting tough Hughes Springs there on December 20.

Junior Varsity Boys
The sophomore unit had a record of 3-1 in games played last week. The loss came by North Lamar with

a score of 66-56. But the solid JV squad rebounded for three victories to claim the championship trophy in the tournament held last weekend at Rivercrest.

The team opened with a 92-33 massacre of the Mt. Pleasant ninth grade B unit. Coach Eddie Barker shuffled his players throughout the contest. Shane Beers, who averaged 23 points per game during the tourney, matched his average in this one, while Ronald Simmons pitched in 10, Kevin House hit nine and Jesse Woods added eight.

The second outing of the tourney was a complete reversal of the previous night's showing, as the Rebels struggled to outlast the Como-Pickton junior varsity, 49-38. The game was tied at 20 at halftime, but the cold shooting Rebels shut down the Eagles in the final quarter, allowing them only four points. Beers led with 20 points, House with eight, while Simmons and David Davidson had six each. The championship game against Mt. Pleasant's ninth A squad resulted in an easy 76-47 win by the more experienced Rebels. Beers had 26 points, while Simmons and Woods hit 11 apiece, with Paul Stringer and Jim Purviance adding eight and seven respectively.

The junior varsity team will play in yet another tourney this week in North Hopkins.

Freshman Boys
After a 62-50 loss at North Lamar, in a game in which James Freelan scored 30 points, the rookie Rebels got even in the first game of the JV tournament, as they earned a 65-57 win. In a well-played game, the freshmen overcame a 31-28 halftime deficit to take control 49-44 after three periods. The game was one of streak shooting for the Rebels, as Brad Ingram hit eight of his ten point sin the first quarter, Clint Burns big eight of his 10 points in the third quarter and James Freelan hit eight of his game high 22 points in the fourth period. Eric Curtis was consistent, hitting ten points for the contest.

A cold second quarter spelled defeat for the freshmen to Mt. Pleasant's A ninth graders. Outscored 21-9 in

that period, the Rebels could not make up the slack and fell by a score of 66-57. Freelan hit 19 and Ingram 13, while Chad Kuhl hit ten in the loss.

Varsity Girls
In the initial District 17AA contest, the Rebelettes faced Como-Pickton, and secured a 62-42 win. Amy Gladden was hot with 24 points, while Kristie Stansell utilized her height advantage to score 14. Junior Kristie Brooks hit her season peak in scoring with 11 points.

The Celeste Tourney saw the Rebelettes defeated early, losing to Anna 57-45. The Rebelettes could not contain the quicker Anna squad, led by Hartline with 25 points. In addition, a tough sagging defense in the second half shut down the dual post scoring tandem of Gladden, 21 points and Stansell 12 points, most of which came in the first half.

The Rebelettes lone victory of the tourney came against Bonham's junior varsity squad, in a game which saw the ladies from Rivercrest walk away with a 68-12 win. Four Rebelette players were in double figures: Stansell 17, Gladden 12, Rosie Norman 13 and sophomore Angie Kay, seeing her first varsity action of the year, 10 points.

Celeste won the consolation trophy with a 61-37 victory over the Rebelettes. Norman, Stansell and Gladden each had 12 points in the loss. Rebelettes return to District play Tuesday against league toughy Chisum, then return home December 20 to face Paris.

Freshman Girls
Although they played only one game last week, the freshmen are looking good with a 4-0 mark. The girls beat North Lamar in Paris by a score of 33-23. Tiffany Parish hit 13 points, B.J. Thompson was close behind with 10 and long-range shooter Krista Weatherall had eight more in the win.

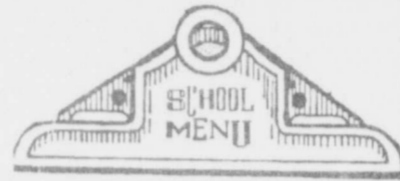

The freshmen Rebelettes will participate in the North Hopkins tournament this week.

Don't forget the Rivercrest Holiday Tournament which begins on December 27. Complete details next week.
