Over the years I've written a number of stories about freedom and patriotism. These columns have been done on Memorial Day, or, as now, on the Fourth of July.

Trying to think about a new way to say things that have been expressed before, I began thinking about the generations of people who are buried both in this country and scattered all over the world.

All across this nation there are cemeteries from the American Revolution onward to the present and most recent conflicts.

They lie at rest in long, orderly rows, marked by simple white crosses in European battlefields. They lie on South Pacific Islands, and on Revolutionary War battlefields at Yorktown.

Gettysburg, Pea Ridge, Shiloh, the dead are buried from the Civil War, brothers against brother, cousins against one another, sometimes in separate graves, sometimes in common ones, re-joined at last in death.

The cemeteries are everywhere, filled with those who died for the abstract concept of freedom, and the very un-abstract life provided by democracy.

And, there are those who did not die during a battle, but perhaps went on to live a full life after the struggle. Others may have spent the remaining portion of their life crippled and maimed. They are called survivors. And they may, or may not be buried with military honors when their time comes.

Yet they are no less heroes than those who died in the conflict... their contribution is no smaller.

One by one they have passed away before time's sickle swaths.

Most did their duty, paid their dues, and went their way with no big fuss. They leave behind the legacy of genetics, the legacy of family, and a gravestone that may or may not be marked with an acknowledgment of service, is what remains.

And what of those who have no marker? Think back at the past two hundred years. How many thousands must be tucked away in lonely, unmarked graves, unknown to any living mortal. Many lie in watery silence, or never received a memorial or burial at all, only that which nature provides.

And everyone who died for freedom was not in the armed services. No, not by any stretch of the imagination.

Across this country there are the graves of thousands who laid their lives, or careers, on the line for what they perceived as right and just. They too, are unsung and unknown for the most part.

But each and every one, service man, servicewoman, quite small-town mayor or noted campaigner, or private citizen, each has been a part of the system that is America. Each is worth a tiny moment of time spent acknowledging their contributions.

And each is worth the remembrance that what they died for or fought for is worth preserving. And it is up to each of us to preserve it.

Yesterday was America's birthday...let's recall those who fought for her right to have one!

## Bogata Rodeo Breaks Entry, Attendance Records

The 1990 Bogata Rodeo broke all records regarding contestant entry numbers and total prize money paid out, according to rodeo officials on Saturday evening, following the final performance.

The three-day competition saw a total of 362 contestants compete in the seven major events, with slack competition being run on Thursday and Friday evenings after the performances.

Total prize money paid out to winning contestants was \$17,442.90, which included the \$2,800.00 in added money, sponsored by the Bogata Rodeo Association, annual sponsor of the rodeo.

Winning the most money in a single event at the rodeo was Travis Harmon of Sulphur Springs, TX who collected \$974.59 for his 8:60 second run in the calf roping. Harmon com-

peted on Friday evening and his lead held through the final performance.

The team roping was the second highest paying event at the rodeo, with the hot handed team of Randy Cox and Randy Robinson, both of Bartlesville, OK, pocketing first place prize money of \$920.44 per man for their Saturday night run of 4:82 seconds. Coming into the performance on Saturday, a 4:85 second time was winning first, turned in by Jeff Lee of Vinita, OK and Brit Bockius of Dewey, OK. The team roping was tough, as a 5:55 second run won a sixth.

The barrel racers were the third highest money winners, with Paula Workman of Weatherford, TX winning that contest with her 16:00 second run. Paula received first place money of \$762.52, while Brenda Palmer of Terrell, TX won second

with a 16:10 second run. Brenda made \$571.89 for her effort. Barrel racing times went from Workman's 16:00 run to a 16:24, only .24 hundredths of a second separating first from sixth place.

Charlie Hurst of Slick, OK opened up the steer wrestling on Thursday evening with a spectacular 3:94 second run, and it withstood all other contestants, giving Hurst the championship and a check for \$709.88.

In the bareback riding event, Clayton Macom of Stigler, OK competed on Thursday evening and marked 81 points to win that event. His win paid him \$304.56.

The saddle bronc riding event was split between Bobby Buffington of Manchester, TX and Mike Fletcher of Quitman, TX, who both scored 76 points. Each man was paid \$302.68.

The bull riding event was won by

a local contestant, 18-year old Coy Allen of Clarksville, TX. Allen, who has previously only competed in high school rodeo competition, came out on top of the pack of 47 bull riders at the Bogata rodeo, and walked away with first place money, \$685.82.

Rodeo officials for the 1990 Bogata rodeo were Jim Hogan of Shawnee, OK and Micky DeLashaw of Durant, OK.

Pickup men were Bogata's Jacky Gray and Randy Franks of Clarksville. Doug Williams of Idabel, OK was the rodeo's announcer.

Rodeo spectators were entertained by the clowning antics of Huck Hano, Greg Carr and Rodney Hayes.

The Bogata rodeo was produced by the Wing Rodeo Company of Bogata, producer of the rodeo for the 23rd year.

Thursday night at the rodeo, Amanda Callahan was crowned the Bogata Rodeo Princess. Winning first runner-up was Tina Smith, daughter of Roger and Bonnie Smith of Bogata. Tina also won the horsemanship contest and received a silver tray from the William Rozell Family of Bogata, presented by Kincaid Park.

Winner of the \$100 savings bond on Thursday evening, in memory of Hub Whiteman, was Tiffany Rozell of Bogata.

The Friday evening performance was dedicated to Ronnie White, long-time member of the Bogata Rodeo Association and supporter of the Bogata rodeo. His father, Bill White, was presented a plaque in memory of Ronnie, by members of the Bogata Rodeo Association prior to the second performance of the rodeo.

## Benefit Tournament Held For Talco VFD

Saturday a benefit coed tournament was held in Jolntown for the Talco Fire Department. Lone Star, Sugar Hill, Mt. Pleasant, Mt. Vernon and Talco players played from 8 a.m. to 9 p.m.

Talco's firemen and rescue men and women ran the concession stand, called bases and played a quick prac-

tice game during a time lapse. Also helping behind the plate were Mayor Mike Sloan, Homer Goolsbee, Eddie Brown and Roger Dickson.

Mt. Pleasant won first place after playing three back to back games. Sugar Hill won second.

Everyone playing and helping with the tournament is appreciated.

July 10 is the regular meeting of the Talco-Bogata CISD Board.

The Vassarette reunion will be July 7 from 10 to 2 p.m. at the Calvary United Methodist Church Fellowship Hall, 3105 Lamar in Paris. Bring a covered dish.

## Girls Softball Report

June 26, the Talco Rookies girls 6-9 year old softball team attended the Mt. Pleasant league closing ceremonies. Three girls won prizes in a drawing. The names drawn from were girls who had sold candy for a league fund raiser. Joanie Plunkett won a batting glove, Samantha Jones won a waist-worn change purse, and Kristen Kuhl won a red dot softball.

There was a mistake in the number of trophies ordered and coaches, parents and worst of all, children, were shocked when the Talco team, along

with several girls off other teams, did not receive trophies. The girls will receive their trophies as soon as they are ready. Sponsor gifts were not ready either but will be awarded as soon as possible to the Talco State Bank as the Talco girls sponsor, with appreciation.

The team will begin All Star play in Mt. Vernon on July 6 at 7 p.m. against the Mt. Pleasant National team. Everyone is invited to come out and support the local children.

## Cypress Basin Hospice Providing

Cypress Basin Hospice, Inc. serves the four-county area of Camp, Franklin, Morris and Titus Counties. While it is true that a large number of patients are cancer patients, all terminal patients are accepted, regardless of the diagnosis. The primary goal is to provide medical, emotional, psychological, and spiritual support to the terminally ill and their families thus allowing the patient to remain at home in familiar surroundings and live as fully as possible for whatever time remains. Patients are accepted regardless of ability to pay. Medicare, Medicaid or private insurance will be billed whenever applicable. Patients entering the Hospice program are through physician referral. It is not the intention of the Hospice for the patient to lose contact with his/her physician. They maintain contact with the physician as requested, whether monthly, bi-weekly, weekly or daily. The nursing staff makes routine visits as many times per week as physician ordered. However, they are available 24 hours a day, 7 days a week as needed.

Cypress Basin Hospice, Inc. is a state licensed health agency with the designation Hospice. As a Home Health Agency Hospice, they are able to offer the following services to patients and their families:

Skilled nurse visits which include, but are not limited to, skilled observation and physical assessment of the patient, insertion and irrigation of catheters, administration of IV's and/or IV medications, administration of injections, wound care/dressings, care of bedsores, collection of blood and urine specimens for laboratory testing, teaching/instructing the patient and family techniques of daily care and expected physical changes along with signs and symptoms of approaching death, etc.

Home Health Aide visits provided by Certified Nurse Aides which include, but are not limited to, personal care of a patient's activities of daily living such as bath, oral and nail care, exercise, transfers to and from bed, etc.

Social Worker visits which include, but are not limited to, assessments of

SUMMER DAYS ARE HERE!

the psychological and/or social factors related to the illness, counseling, assisting the patient and family in obtaining available community resources, etc.

Minister/Clergy visits which include, but are not limited to, provision of spiritual and emotional support to the patient and family throughout this trying time, etc.

Volunteers who attend an intense 30-hour training session and are then available to assist the patient and family in whatever aspect is needed, whether it may be sitting with the patient through the night to allow the primary care giver a much needed night's rest, sitting with the patient

during the day to allow the care giver time out of the home, helping with household duties, running errands, etc.

Bereavement Counseling is offered to the patient's family at death and continuing on for a period of up to one year.

Durable Medical Equipment is a provision offered by Hospice. Hospice maintains an agreement with a durable medical equipment (hospital beds, oxygen, wheelchairs, etc.) company which provides the 24-hour delivery and maintenance of needed equipment, billing direct to Medicare and private insurance, and service to indigent patients at no charge.

Hospice is currently working with the area hospitals to obtain agreements through which patients can be admitted when necessary (yet still remain in the Hospice program) or for "respite care" thus allowing the primary care giver a few days to rest an recuperate.

As you can see, Hospice has much to offer the terminally ill patient and his/her family. Anyone interested in further information on Cypress Basin Hospice may contact the office at 214-577-1510 or 577-1511 or stop by 414 North Van Buren Street in Mt. Pleasant anytime Monday through Friday from 8 a.m. to 5 p.m. At Hospice, they look forward to a long and lasting relationship with the community at large.

### Words of Thanks

I, Mary Ricks, would like to thank the Bogata Fire Department, Sheriff's Department of Red River County, the Bogata Full Gospel Church and anyone that helped in finding Mr. Ned Morgan. Many, many thanks for your quick response. Mr. Ned is a wise man, but the phone calls he was receiving upset him greatly. Thanks be to God, he is safe and well, despite your efforts to upset him. Those of you who were calling him, remember, your day will come. You know the Word says "There is nothing that is covered up, that will not be uncovered." You may throw your rocks, and hide your hands where we cannot see you, but thanks be to Jesus, He can see you. We forgive you, and we'll be praying for all of Bogata. Thank you, thank you.

that work while you rest

Your home can work to save energy while you rest on vacation if you take these steps before you leave.

- Turn off your air conditioner, and pull the blinds and drapes to keep out the sun's heat.
- Use a timer or ask a neighbor to turn on your air the day before you return.
- A timer for your porch light will make your home look occupied without wasting electricity.
- Remember to turn off all appliances.

# Freedom Of Worship

With The Fourth of July Close At Hand This Is A Good Time To Consider One of the Most Precious Freedoms We, As Americans, Possess.

The Freedom Guaranteed Us By Our Constitution, Freedom of Religion, Is One Of Our Most Cherished.

Indeed, the Desire To Worship Without Persecution Was One of The Reasons This Nation Was Founded. This Year, Consider Just How Precious That Freed Really Is.

## "Nichols Worth" Column Captures State-Wide Award

"Nichols Worth" the weekly column featured in the Deport Times, Bogata News, Blossom Times and Talco Times, has been awarded the third place column award in division 7 of Texas Press Association's prestigious annual Newspaper Contest.

The contest awards were given during the Texas Press Association's annual convention held June 22 in San Antonio. It was the one hundred and eleventh convention held by the Press Association that serves almost every newspaper from major dailies to weeklies state-wide.

Judging was done by the Kentucky

Press Association, and Executive Vice-President Lyndell Williams said "it's a distinct honor to win, the Kentucky judges took the assignment very seriously and the competition was keen".

While all four of the papers have won numerous awards in the past through the more local North and East Texas Press Association (which covers about half the state) this is the first time that they have had entries in the much bigger Texas Press Association contest.

The third place columns entered

where commented in in the Texas Press "Winner's Circle" newspaper- "Nanalee Nichols has a talent for humor" judges reported.

The first place winning column went to the Goliad Advance-Guard.

Editor and publisher Nanalee Nichols says that "we're excited by this award. We've always thought we might be just a little out of our league, and haven't entered. Now, we're making notes and planning on entering EVERY division next year!"

The group was from Paris, Mt. Pleasant, Clarksville, Annona, Hugo, OK and Bogata. They stopped in Wichita Falls for lunch and then on to Amarillo where they stayed two nights. They were entertained the first night with dinner at the Big Texas

Steak Ranch.

The next morning started with a Cowboy Breakfast at the Figure 3 Ranch. They were taken from the ranch house down to the canyon in horse drawn wagons to see parts of the canyon and later in the day they returned to the bus to tour Panhandle Plains Museum and more of the canyon.

They were accompanied by a tour guide on the trip and later in the

afternoon they enjoyed a barbecue dinner before attending the musical "Texas" performed under the stars in a natural amphitheatre.

### Johntown Has New Business

Something new has come to Johntown. Beefy's Barbeque has opened its doors to the public.

Family owned and operated, Beefy's offers a variety of meats and side dishes. They also offer a dieter's plate for those who are counting calories.

Owned by B.F., Dale and Rhonda Rhodes, Beefy's is located on Highway 271. Keeping everything in the family, everyone who works there is related, somehow. B.F. does the cooking at the pit. Joyce Rhodes, Susan Howard and Marla Tippitt handle all the inside work of serving and preparing salads, etc. Plans for expansion are already in the making.

Beefy's Barbeque is open six days a week from Tuesday through Sunday, 11 to 8. Private parties are welcomed after 8 p.m. with reservations.

Joyce and Susan explained that all the fat is trimmed from the meat, so you are not going to get something you don't want to eat. They sell the meat by the pound for easy take-out.

A Grand Opening is planned for July 4 weekend. They invite everyone out to enjoy the good barbeque and to register for free lunches to be given away at the Grand Opening.

### A Memorable Weekend

By Charles Wilkinson

Carswell Air Force Base, Ft. Worth, Texas, 20th Bomb Group B52, 8th Air Force had what they called, a dining out on the 22nd and 23rd of June, the theme of which was "Remember". Honoring all Air Force men who had given their lives for our country, with emphasis on the Ploesti Oil Field raid of August 1, 1943.

Since I was a gunner flying on a B24 on that raid, my nephew, Lt. Col. Paul Wilkinson, got an invitation for Jean and myself to attend.

As background on the Ploesti Raid, it was the only mass, low-level mission by heavy bombers in World War II. One hundred seventy-eight B-24's, of which 158 got over the target. Our loss that day was more than 1/3 of these. Five Congressional Medals of Honor were given to men on that one air raid, along with some 1,500 Distinguished Flying Crosses and several other medals. Gen. Leon Johnson, Ret., was one of the Medal of Honor recipients.

At the Carswell festivities, Gen. Johnson, Gen. Ramsey Potts, who flew on the Ploesti Raid also, Gen. Andrew Low, who was shot down over Germany and was a POW, and Gen. Jimmy Stewart (the actor) were invited to attend. All four were present.

Jean and I attended the press conference Friday night and were introduced to the Generals. We got to visit with each one for a few minutes.

Saturday, a flightline ceremony was held at Carswell at which General Low was the main speaker. As you know, the Air Force has decided

to renew the nose-art on our bombers. General Low introduced the first of our present day bomber's nose-art. It was taken from the nose of a World War II B-24, which three of the Generals had a time in. The picture on the nose was a rabbit, the name "Wham Bam".

At the noon luncheon in the Officer's Club, Gen. Potts was the speaker. He spoke on the Ploesti Raid. One of his jokes was that Gen. Johnson had called him after they received their invitations and said that he knew why they wanted Jimmy Stewart, but didn't know why the other three were invited. Gen. Potts' reply was "As I understand it, you are to hold his horse, I am to hand him the reins, and Gen. Low is to help him mount."

Saturday night at the banquet, Jimmy Stewart was the speaker. He spoke for some fifteen minutes and did not stammer a time.

For a small monetary consideration, I will let you touch the hand that shook the hand of Jimmy Stewart.

Col. Paul Wilkinson is the grandson of the late Charlie Wilkinson and the late Jap Chesshires.

Charles Wilkinson and his wife, Jean, grew up in Bogata. He taught school in Bogata from 1952 through 1959 and Jean worked for Dr. Brooks. They are presently living in Anson, where they have made their home for the past 12 years. Before that, they lived in Abilene where he taught school for 25 years. He served in the Air Force from June, 1942 until September, 1945, in the Overseas Middle East Theatre Wars.

JOHN ROSS caught this 7 lb. plus bass in a private pool in Red River County. John is the son of Ronnie and Dianne Ross of Bogata.

### Cheer Camp Set At NTCC

Individual cheerleaders and cheerleaders squads from all over East Texas will converge on the campus of Northeast Texas Community College, July 30 for the 3-day "Summer Spectacular Cheer Camp." "The camp is for cheerleaders in fourth grade through junior varsity," said Charlotte Biggerstaff, Northeast Lifelong Learning Director. "Our instructors, Kim and Mike Barnard, of the Academy of Gymnastics, Cheerleading and Dance, are well-known for their teaching abilities. They are certified instructors with the Dance Educators of American and members of the Gymnastics Association of Texas. They will teach

spirit rallies, jumps, tumbling, six chants, six pyramids, six cheers, six stunts and two cheer dances. We are really excited about the chance to provide this expert, individualized instruction for the cheerleaders of the area."

The camp will meet on the college campus from 8:30 a.m. to 4 p.m., Monday, July 30 through Wednesday, August 1. Cost is \$65 per cheerleader and students should bring sack lunches each day. Registration is on a first-come, first-served basis and registration deadline is Thursday, July 12. For more information or to register, call 214/572-1911.

### Are your attitudes about mental illness still in the dark ages?

Our notions about mental illness have a long, dark history. Age-old fears, resentments and scorn still poison our perceptions. Sadly, these misunderstandings keep us from seeing mental illness for what it really is: a distressing medical disease. A disease that afflicts over 35 million Americans.

But the stigma of mental illness keeps most of those afflicted from seeking help. Which is tragic. Because today there's more hope than ever before. In recent years, medical science has begun to unlock many of the mysteries of mental illness and discovered new drugs and better therapies to treat it.

In fact, today, 2 out of 3 people who get help go on to lead productive lives. For an informative booklet about mental illness, contact the American Mental Health Fund.

Learn to see the sickness.
