Buzz words. Euphemisms. The current trend towards being verbose instead of to the point is out of hand.

I, for one, am tired of it.

In fact, occasionally I'm down right offended by the situation.

My hackles rose when I came across the words "primary care givers" in reference to a child's parents.

A child doesn't have primary care givers-a child has a mother, or a father. And if neither parent is raising that child then it is being raised by aunts, or uncles, or grandparents or someone else. But, so help me, a child doesn't have "primary care givers" It sounds like numbered machines are raising children.

Baby sitters and day care centers have become "secondary care givers".

It began years ago when we all began to make jokes about being "maintenance supervisors" instead of janitors, but has progressed far beyond that now.

Teachers are no longer teachers. They are "persons in charge of a child's educational process' or "educational authoritarian figures".

Aunts, uncles, grandparents and friends aren't relatives anymore...they have become "extended family".

Toys that stack one within the other are no longer pleasant toys they "help to develop a child's spatial concepts".

Give me, and more importantly, give kids, a break here!

And these lengthy name tags aren't applicable to children only,

by any means. A big buzz word right now is "co-dependency". While I get their point about being unable to feel useful and valuable unless catering to someone else, they take it to the point of selfishness.

There are so many different theories and ideas about being a "whole complete person" or "bringing out the inner you" that one stands in danger of being in worse shape afterwards than before!

We received a letter here at the office last week (no, I'm not making this up) addressed to: The Person In Charge of Financial Interactions.

We haven't figured out which

one of us gets to read it yet. Back during the Victorian era it became the fashion to write letters with flowery, over blown embellishments.

Now it seems that we are heading for a like trend, except instead of being overly emotional we are determined to reduce titles and descriptions to a state of de-humanization.

If we wanted to we could all change our titles here at the office.

I could become "the person in charge of monitoring submitted verbalizations" and Cindy could become "the female responsible for transforming submitted articles into hard copy form".

Doesn't seem as concise as "editor " or "typesetter" does it? Just think of all the titles you can give yourself.

And when the youngsters run in from school this afternoon perhaps they will shout "Hi, primary care giver". Doesn't that sound better than "Hi mom, hi

The Voice of Democracy Scholarship Program, open to 10th, 11th and 12th grade students, offers local, district and national recognition and awards with the top national award being an \$18,000 scholarship. Amos Spencer, Commander and Annie Moore, president urge students interested in participating to contact Rivercrest High School, Don Stockton, 632-4205.

Participating students are encouraged to tape their scripts using professional equipment available at cooperating radio stations. Deadline for entries is November 9.

The winner from Texas will receive a five day all expense paid trip

winners from Europe, the District of Columbia, Pacific areas and the 50 states. They will visit national monuments and meet high government officials. National awards for first through twelfth place total \$60,000.00.

"Participating in the Voice of Democracy Program gives students experience in writing and speaking", said Annie Moore. "It gives them a chance to reflect on our nation and its meaning to them."

Locally, winners will receive: first place, \$100 bond; second place, \$75 bond; and third, \$50 bond. The monies will be sponsored by

the Bogata Memorial Post 8187 and Ladies Auxiliary. The local judging will be at Rivercrest High School on November 13 at 9 a.m. with three

The Talco Junior High pep rally was held Thursday, beginning with the Pledge of Allegiance.

Cheerleaders Wendi Mears, Julie Nolen, Natasha Goolsbee and Karen Williams entertained with a dance routine.

The girls tried to trick Coach Schultz, players Shane Rector and Chris Yount, but the trick failed after

last week's tricks. A casket with a dead Rebel spirit was centered on the gym floor and students were told only the loudest

cheers could revive the Rebel spirit.

Speeches were made by Clint Franks and Carey Gable. After the loudest cheer, the Rebel spirit popped out of the casket to complete the pep

The Spirit Stick was awarded to the pep squad and the first graders.

Thursday was also costume day. Ghosts and Ghouls roamed the halls all day. Classes with the most percent of dressed students received free ice cream on Monday. Winners were the seventh, third and second grades. Best dressed individuals were Amber Cole and Jeremy Loggins.

There will be quilts, crafts, baked goods and Christmas decorations.

### Hunters Should Be Aware Of Insects

With the hunting season getting into full swing, many hunters will be exposed to the elements and poten-

tially dangerous insect bites. Precautions can eliminate most of the dangers. Wasps, spiders, ticks, fire ants and mosquitoes may infest camp houses or campsites. Insecticides are available to safely rid the area of unwanted pests.

Hornet or wasp spray is available in pressurized cans with accuracy up

to 30 or 40 feet. Most mosquito repellents work fairly well. Materials for treating fire ants are readily available. When used according to label directions products are available to control practically any insect pest

hunters might encounter. Rocky Mountain spotted fever and

Lyme disease, both infectious to humans, are carried by ticks. Both diseases can be very serious if untreated or not diagnosed early.

# Country Cooking By Gerrie Bankhead

"Country Cooking" is coming to you this week from the home of Wendall and Jo Alice Davis. Wendall is employed at Blossom City Hall and Jo Alice has been a secretary for Smith & Coffman for the past 3 years in Clarksville. They have a

four-year old son, Wesley. For the past few weeks, Wendall and Jo Alice have been busy entering pinto bean contests all the way from Clarksville to Dallas. They read about the Red River County Fair contest in thepaper and decided to enter. Jo Alice hurried to the grocery store to purchase her beans, and found the shelves almost bare, and she realized the contest was going to be competitive, but set out to win it.

Arriving at the fair, they found there were 19 pots of beans entered, however, they left the fair with a first place win. This win enabled them to enter the Pinto Bean Cook Off at the State Fair in Dallas, and they came home from there with another first place win. This week, Jo Alice is sharing her famous pinto bean recipe with us.

Jo Alice says everyone wants to taste her special beans so she takes them to work with her and she has committed herself to serve them at

the Blossom City Hall in a few days. Wendall and Jo Alice received several gifts from the State Fair win, one of which are two round trip tickets to anywhere that Southwest Airlines flies. They are still trying to decide where to go.

Jo Alice shares some secrets that help her with this recipe.

She mixes two kinds of beans together, pinto and kidney beans,

adding the kidney beans to make the juice redder in color and thicker.

She cooks them fast, not slow. Some people soak their beans and

cook them slow, she doesn't. Her grandfather teases her and says her secret is how she stirs the beans. She stirs their left-handed. Maybe there's something to it.

Another secret is the pepper. She uses peppercorn instead of black pepper, and she grinds her own. She believes this makes a tremendous difference in taste.

Along with pinto beans, you must have some good old-fashioned hot cornbread. Jo Alice is sharing her recipe for this also. The third recipe is her mother-in-law's favorite Beef Mushroom Cheese Casserole.

I received another popcorn ball recipe I want to share. This recipe, called Grandmother's Popcorn Balls, came from Mrs. M.A. Ferguson, Jr. at Scroggins. She gets the paper each week and says she cooks all the recipes. Clyde and I didn't know where Scroggins was, we thought perhaps West Texas, but learned it is in the Lake Cypress area. Thank you for the recipe, and I am glad you are enjoying the article.

In last week's paper we ran a caramel pie recipe which listed 1 heaping tablespoon flour. This should be corrected to 2 heaping tablespoons of flour. Please make this correction on your recipe, so your pie will thicken as it should.

If you have a recipe to share, send a copy to me, also if you have a feature suggestion, call 652-6032 or write Rt. 1, Box 67A, Depot, TX

We would like to offer a very special "thanks" to everyone who helped when our house caught fire on September 1 while we were in Lubbock celebrating my dad, Leslie Temple's, 90th birthday. If it had not been for Jimmie's alertness in spotting the smoke as he drove past our house, it would have been totally destroyed. To all Volunteer Fire Departments

that responded and all the neighbors who helped clean up the mess inside, we are truly grateful. Since we do not know exactlay who all helped, we would be remiss in naming individuals. However, we want each one to know that we are very thankful. It takes a tragedy like this sometimes to make one stop and think just how "close knit" a small community like Cunningham is. Also, neighboring communities are always there to help if at all possible. We feel truly blessed to be a part of this community and of this area.

#### SOMETHING NEW...(903)

It's the new area code for Northeast Texas. Starting Sunday, November 4, 1990, many residential and business users will be served by a new area code (903). The new (903) area code is being added to accommodate the unprecedented growth in the Dallas area and surrounding communities. It's simple, but here are points to keep in mind:

• You may need to reprogram or modify some of your telephone equipment. Reprogram automatic dialing devices, FAX machines and computer modems with the new (903) area code so special features such as speed calling and call forwarding will perform properly.

· Change the area code designation on your checks, stationery, business cards, vehicles, calendars, ads and all other printed materials...notify friends, relatives, customers, suppliers and associates.

· And don't worry if your friends and associates haven't gotten the word yet. Through May 4, 1991, if anyone forgets and uses the (214) area code, we'll continue to automatically process their calls to

 Your phone rates won't change...and your seven-digit phone number will remain the same. So make a note: Starting November 4, many Northeast Texas communities will be getting a new area code...(903).

something an employee shouldn't learn on the job

> On-the-job training is a dangerous and expensive way to teach employees about electrical safety.

Employers can avoid serious accidents by teaching employees before their jobs begin that they should never contact underground or overhead power lines with anything.

This advice is especially important for employees who operate backhoes, winches or other equipment that could come into contact with power lines.

For more information about the potential dangers of power lines, call or visit your local TNP office today.

## Rebels Roughed Up By Tigers, 54-18

The Rebels were roughed up Friday night at home by the Leonard Tigers, 54-18.

Quarterback Ronald Simmons and his offensive lineman surprised the Leonard Tigers when they took the helm. The Rebels marched 86-yards to

score first in the contest with 6:15 to play. However, Rivercrest held their lead for only one play when quarterback Tony Joe White found senior Frank Ball open, hitting his target for 69-yards and a Tiger touchdown. The point after attempt gave the Tigers the lead by one point, 7-6.

The momentum of the contest was changed when the Tigers slapped the ball from quarterback Simmons' hand. They seemed incorrigable as they moved the ball with success, until a clipping penalty stopped the Rebels and Leonard took possession at their 30-yard line.

The youthful Rebels stiffened and held the Tigers when they moved into Rebel territory with 4 & 16. Quarterback White drew back to pass again to Frank Ball, and senior Scott Yancey of Rivercrest broke up the pass and gave Rivercrest a first down with 1:17

left to play in the first quarter.

Rivercrest pressed onward with the passing attack to reach only into Tiger territory, when Ricky Bulen intercepted the pass and sprinted 56-yards for another touchdown with 9:56 to play in the half. The Tigers scored twice more before halftime expired and at the half, the Tigers led 34-6.

Going into the third quarter, the Rebels tried running the ball, only to be stopped. Quarterback Simmons went into the air and found sophomore Tony Sanders, who with a saving tackle thrown by Clint Burns, managed to run into the endzone for a Rebel score. The PAT was no good and the Rebels trailed 41-12.

The Tiger quarterback fumbled the ball and Rebel David Davidson recovered it, only to have to put it away. The Tiger offensive was on the move when freshman Matt Childres picked off a pass and scampered 20-yards into the endzone for the final touchdown for the Rebels with 3:07 to play. The extra point was no good and the Tigers defeated the much-improved Rebels 54-18.

#### Card of Thanks

We, the family of Billie Cheatwood, wish to take this opportunity to show our appreciation to our many relatives and friends for all the acts of kindness shown us during Billie's illness and recent death. The flowers, food, cards, donations, calls and words of comfort have really touched us. To Brother Daniels and Brother Bush, we say a special thank you for all you've done for us these past six months. Our community is blessed to have pastors such as you. To James Wood and staff and to Ralph, Mollie Ann, Gayle and Kristi for the beautiful music.

Every kindness extended us is appreciated far more

than words can say.

## HEALTH & NEWS & NOTES

#### Seafood: Get The Good Without The Problems

An increasing number of health conscious Americans are consuming low fat seafood. However, as with other foods, seafood can cause foodborne illness due to microbial contamination. The U.S. Food and Drug Administration inspects and analyzes seafood to help assure its safety. It also recommends these steps to take when handling and preparing seafood-especially shellfish-to further reduce your risk:

Storage Seafood should always be refrigerated at 35 to 40 degrees Fahrenheit until preparation time. For added freshness and safety, put wrapped fish on ice when storing in the refrigerator. Because many refrigerator freezer compartments don't reach zero, they should be used only for temporary storage. Use separate freezers for long-term

Cooking Almost any fish can be baked, broiled, poached, steamed or fried. Some people prefer to bake fatty fish and poach or steam lean fish. Fish fillets and steaks are excellent charcoal broiled or barbecued:

Allow 6 to 12 minutes cooking time for each inch of thickness. Turn it halfway through the cooking time. Fish is cooked properly when the thickest part becomes opaque and the fish flakes easily when poked with a fork.

Bake at 450 degrees F. Broil about 5 inches from the heat source.

Shrimp can be simmered 3 to 5 minutes depending on the size and quantity or until the shells turn

Clams and mussels may be steamed over boiling water until the shells open (5 to 10 minutes). Oysters should be sauteed, baked or broiled until plump and opaque and the edges curl, about 2 to 3

Follow these simple rules to help assure that the fish and seafood you eat is as healthful as it is deli

### Junior High Football Results

football team traveled to Leonard Thursday, October 25.

The first quarter saw the ball travel back and forth with no score for either team. With 4:30 left in the second quarter, the Leonard Tigers found the goal line and continued with the two-point conversion. The Rebs gained little ground on the next four downs and with 2:30 on the clock, the Tigers again scored only to have the ball called back for clipping.

Clint Franks recovered a fumble caused by a hit delivered by Shane Rector. With :31 left in the half, the Figers intercepted a Rebel pass and regained possession of the ball.

Rebel Rodney Humphrey and Sidney Hines helped in breaking up four downs of Tiger passing and the Rebs regained the ball with :07 left on the clock. With one last shot left in the half, the Rebs tried the old flea flicker to no avail. Half time score was 8-0, Leonard.

The first rattle out of the box in the third quarter saw the Tigers run left, right and score only to again have the ball returned for clipping. Second down gained a holding penalty and with third down and 16-yards. Rebel Rodney Humphrey sacked the Tiger quarterback. The young Rebs took the punt on their 39-yard line and immediately turned the ball over on an interception intended for Rebel Sidney Hines.

Chris Waller turned the game to the Rebel's favor with an interception and 20-yard return before a host of Tigers took him down.

The Tigers countered with an in-

The Talco-Bogata Junior High terception on a pass from quarterback Tee Green, intended for Jay Hancock and made the score and extra points to bring the game to 16-

A 25-yard kick return by Rebel Sidney Hines and another first down earned by Jay Hancock with the help of blocking by Jack Brown sent the Rebels downfield. Quarterback Tee Green found Chris Waller and Kyle Kennedy only to come up short.

The fourth quarter began with the Tigers with the ball driving to the 20yard line and losing it all on a fumble recovered by the Rebs Matt Belcher. Again the Tigers took an interception to score but could not add extra points through the Rebel line.

Score 22-0 Leonard.

With less than 1:00 left on the clock, Rodney Humphrey returned the kick-off to the 35-yard line and with the help of Jay Hancock led the Rebs downfield.

On first down and goal, Humphrey carried the ball over and the pass from Green to Kennedy scored the extra points.

The final score was 22-8.

Outstanding plays were made by matt Belcher, Clint Franks, Shane Rector, Kevin English, Jonny Southern, Brett Castle, Jack Brown, Jay Hancock, Chris Waller, Sidney Hines, Tee Green, Rodney Humphrey and Kyle Kennedy and the rest of the Rebel team.

The boys will play November 1 against Honey Grove at Rivercrest at 6 p.m. Everyone is encouraged to come out and support the young Rebel team.
