

By Nanalee Nichols

I thought it was going to he one of those weeks that I couldn't come up with a column. Usually, while cooking, or mowing, or taking a picture for the paper, the column for the coming week will just pop into my brain, and by the time I sit down on Monday to write it the column will be virtually complete. Often, I will have more than one idea, and jot down a note so that I can work up two or three columns ahead.

But, this past week nothing "popped"...nothing appeared, nothing occurred.

Monday morning I plunked myself into my chair, booted up my computer and pulled up the "Nichols Worth" file. There were no notes for a column in the margin. There were no notes in my mind either.

I made a few false starts, had a few interruptions, and finally went on to other things, confident that something would come up. Nothing did.

No ideas came to me that evening. Thomas was stung by a red wasp, and other than providing the world with a description of what he looks like with both eyes swollen shut, I was blank!

Tuesday morning, I did the same thing as Monday ... stared at the computer screen.

The phone rang. It was Tim Wood, wanting to know what a person who played the bag pipes was called.

"A piper" I replied. With his uestion answered, Tim went back to his work. But, that question sparked the idea of considering just how many questions we are asked here at the paper Your Community Newspaper....Serving Local Folks, And Local Businesses For 59 Years

TALCO, TITUS COUNTY, TEXAS

Bogata Rodeo Starts Today!!

The traditional downtown Rodeo does get western! The reigning 1993 Parade on Thursday, June 23 (today) at 6:00 p.m. rodeo activities officially begin in Bogata, Texas.

59TH YEAR, No. 17

Following the parade, the first of three action-packed rodeo performances will be held at the Bogata Rodeo Arena beginning at 8:30 p.m.

The rodeo is produced by Bogata's own Wing Rodeo Company, owned and operated by Jerald and Joan Smith. The Wing Rodeo Company assures rodeo-goers that top quality livestock will be on hand each performance to pit their ability against top rodeo competitors from a seven state area.

Added attractions at the rodeo on Thursday night will be a Scoop Race and the Wild Cow Milking Contest. The Wild Cow Milking pits six wild cows and 18 cowboys all in the arena together, at one time, trying to get enough milk to prove to the judge that they were successful. This event

champions in the Wild Cow Milking are the Donnie Smith team from Bogata.

The Scoop Race will find cowboys riding in a corn scoop on the end of a 45' lariat rope, being pulled at breakneck speed by their partner on the fastest horse they can find. This event is a crowd pleaser, for sure.

The championship rodeo, which is co-sanctioned by the Cowboys Regional Rodeo Association, will feature the seven championship events, with \$400.00 per event, total \$2,800.00, being added into the prize money by the Bogata Rodeo Association, hosts of the annual rodeo.

Princess candidates, age 4 to 10 years old, will be vying for buckles, crowns and trophies. The Princess contest is being sponsored by the Bogata Rodeo Association and Guaranty Bank-Bogata. There are five

young ladies in competition for the Rodeo Princess title. They are: Jessica Fenner, Jordan Davenport, Casey Gibson, Sara Alsup and Wendy Stewart. One lucky lady will be crowned on Saturday night, the final performance of the rodeo.

On Saturday, June 25, the Frontier Day activities will be held in downtown Bogata all day long. The day's events will begin at 7:00 a.m. with a pancake breakfast at the Community Center.

Saturday evening will wind down the 1994 activities, with the Rodeo Parade at 6:00 p.m., followed by the final performance of the rodeo at 8:30 p.m.

Everyone is invited to come to Bogata during Frontier Days and Rodeo Week. There is something for everyone, from good food to craft booths and exciting championship rodeo performances.

Frontier Day Will BeginWith Hot Cake & Sausage Breakfast

Thursday, June 23, 1994

Frontier Day is here again!

On Saturday, June 25, a free breakfast will be served at 7:00 a.m. at the Bogata Community Center. Breakfast will consist of hotcakes, butter, sausage, and coffee. Everyone is invited.

All the other activities will begin at 8:15 and will conclude with the \$1,000.00 Duck Race at 12:00 noon. Chili Cook-off judging will complete the activities at 12:30 P.M.

Ricky Roach and his band will play from 11 a.m. until 1 p.m. The antique tractors will be back this year. A team of the Century Grist Mill will be grinding cornmeal.

The Lions Club Chuckwagon will be selling refreshments until it's all over.

25¢

We need Chili Cook off teams. Please come on out Saturday morning at 8:00 and cook up a batch. Since this is new this year, we'll all learn together.

Duck tickets will be available at the front gate of the rodeo Thursday and Friday evenings.

Join the Lions Club plus many local volunteers Saturday for fun and trophies for the winners. Come on out - You'll probably see folks you haven't seen in years.

Mammography Screening Comes to Bogata-Talco

The annual screening has been scheduled for Thursday, June 23, 1994. The Mobile Unit from Mother Frances Hospital in Tyler will come to the Johntown Missionary Baptist Church

The appointments will begin at 9 a.m. and end at 3 p.m., with a scheduled lunch break for the workers.

The Bogata Book Club is the sponsor and all local women are encouraged to take advantage of this opportunity to have their mammogram lo-

The charge is \$55, and you should bring any insurance, medicare, or medicaid information with you to the appointment.

All participants are requested to arrive fifteen minutes prior to the apppointment time to complete the required paperwork.

Trustees met Thursday, June 16 at Rivercrest High School.

the Consensus Agenda.

The 1994-95 campus handbooks were presented to the Board in the format of changes only. The Board voted to adopt the changes as presented and asked for revision on the policy ranking junior high students. The Superintendent, Freddy Wade,

reviewed the TASB Update 45. The Board approved recommendations on

monthly meetings.

The Superintendent then reviewed 1994-95 enrollment figures on elementary campuses. The Board discussed air conditioning on the Bogata campus and decided to replace units when they are not repairable with central air conditioning units.

The Board set July 14, 1994 for its regular July meeting.

office.

I have had queries as to what the letters above Christ's head stand for in crucifixtion pictures.

More than once I have given out instructions on what to do for hair balls in cats, or details of how to bottle raise kittens or puppies.

Queries about houses for rent are common, and frequently I have to go up and down the streets of one of "Our" towns in my mind, trying to help someone find a place to live.

We have answered questions from law enforcement on a wide range of subjects, and questions from publications such as the New York Times.

We routinely tell callers when the parade, homecoming, chili supper or whatever will be.

One of the most common calls get concerns garage sales "whose is it?" people will ask. On occasion they will even inquire as to what will be for sale...a question I can't answer, of course!

Travelers come in asking about cemeteries, old families and where old businesses might be located.

Directions to or from different locations rank high on the list, too.

In other words, we are an information service as well as a paper office....and frequently some of the nicest visits result from these questions.

I'm glad folks feel free to ask us questions..and hope they keep right on asking! Questions are GOOD! I'm glad Tim called too, because I managed to come up with a column after all from his single quick query.

item shoplifted, you must sell an additional \$200 worth of goods simply to cover the loss? This assumes your net profit is 5%--a common margin.

Shoplifting can be especially damaging to the profit margin of small businesses, but no business is safe. Primarily affected are those selling small, concealable items. For some shoplifters, merchandise size is no problem. Many have taken stereos, small appliances and even furniture in full view of store employees.

There are several ways to deter shoplifting. The surveillance mirror has become an indispensable part of the retailing scene. Its low cost makes it especially appropriate as a small business owner's first defense. Properly located throughout the store, the mirrors give visual access to aisles and blind spots. As with most anti-shoplifting devices, the mirrors serve dually as surveillance and deterrence.

A busy or sparsely staffed smaller store may find it appropriate to rely upon mechanical restraining or

Do you realize that for every \$10 alarm devices. For instance, small appliances and electronic instruments are favorite targets because they are easily portable. A common method for safeguarding this merchandise is simply to run a cable through a handle or other appendage, allowing it to remain readily accessible to prospective customers.

Closed circuit television has become a major force in preventing shoplifting by recording and deterring crime. The system can pan over the store floor as well as zoom in on prospective incidents. Correctly used, it can replace security guards who would normally walk the store floor.

Even though it is virtually impossible to recognize all types of shoplifters and even more difficult to curb all incidents, it's important to try. Remember, shoplifters are not only stealing merchandise, they are killing your profit.

My favorite books to read have always been the ones in which the heroes and heroines live in Ireland or England, or one of the romantic places my mind pictures when I think of the British Isles. I've always imagined their food to be dull and bland, but when I interviewed a lady from England a few weeks ago, she assured me that this was not the case. I also don't understand the High Tea. I know that in the late afternoon they stop whatever is happening for tea. They also eat what sounds to me like a large meal at this time. I wonder if they have supper later on or if this is their supper.

I can read about this place I think would be so fascinating, but it will probably be a long time before I ever

Summer Blood Supply In Need Of A Boost

Stewart Regional Blood Center is beginning to experience a decline in blood donations and an increase of blood usage, according to Jennifer Campsey, Director of Donor and Community Services at the blood center.

"A decline in donations is typical during the summer months because people are busy with vacations and summer activities and often forget to donate," said Campsey. "This situation along with an increase of accidents in the summer can cause the blood supply to decrease suddenly." To avoid a shortage, Campsey is

asking healthy East Texans, 17 or older, to do their part by donating blood this summer. "As an extra bonus, some lucky donor will win a trip for four to Walt Disney World in Orlando, Florida," said Campsey. All donors who donate blood at any blood center location before July 25, 1994 will be eligible for the drawing.

Stewart Regional Blood is located at 3715 Lamar Avenue (Chisum Square) in Paris, and is open Monday through Friday, from 9:00 a.m. to 5:30 p.m. The blood center supplies blood to 40 hospitals in 26 East Texas Counties.

Recently, Jim Ann Crow and Patches Raines, of Paris and Wanda Henly and Charlotte Crow, of Bogata, left for Tustin California to visit Jason Reed. Reed is a Marine who was stationed on the Trustin base. While there, they visited the base, The Main Street Mall, and several restaurants. They had plans to visit the beach on Memorial day but were rained out. They all returned to their homes on the first of June. This is the first time they've seen Jason since Christmas, and due to an overseas tour of duty, may be the last time for a year.

Bill Buckman Is 1994 Texas "Top Gun"

Bill and Joyce Buckmnan partici- are classed with all four categories.) pated over Memorial day week-end in the Texas 17th IHMSA State Bigbore Handgun championships in Abilene. International Handgun Metallic Silhouette Association has members internationally who compete with open sighted handguns shooting at steel targets in different shapes. A match usually consists of 40 targets-- 10 chickens at 50 meters (55 yards), 10 pigs at 100 meters, 10 turkeys at 150 meters and 10 rams at 200 meters (219 yards). Targets are fired on at banks of 5 in a time limit of 2 minutes. Target must be knocked off stand in order to score hit. (Ram weighs approximately 55 pounds). The exception to "animal" and distance is often in shoot-off (ties) when ompetitor may be called to shoot at annual match was Bill's 17th and Joyce's 16th. Bill along with friend Mike Stinson of Midlothian has attended all 17 championships.

In this 17th at Abilene, Bill and close friend, Richard Porter, of Sweetwater set at least five Texas state championship match records. Before this state finals there had not been a standing score greater than 30 posted nor a 3 gun aggregate over 110 nor a 4- gun aggregate over 146. (Aggregate total score is based on 10 targets at each distance in categories of always standing then 2 Or 3 of the freestyle positions in revolver, production and /or unlimited according o which aggregate -120 or 160) Bill n third relay of first day posted a record 32 standing international class then later a production international class score of 39 missing the first 150M turkey. (International class is the highest class of shooter and the class in which Richard and Bill both ing abilities were really on the line

STEAKS

Richard Porter closed first day with a revolver international score of 38 and a perfect 40 in unlimited international class. Bill goes to line early second day posting a 36 in revolver fInt. class. Richard then shot a super 31 standing Int. score to have Bill edged 109 to 107 of 120 possible. Bill came back to line in the afternoon to fire a perfect 40 in unlimited international class now having Richard 111 to 109 of 120 but also setting record 147 of 160 4-gun aggregate. Richard, an excellent production international class shooter falls short for a 38 but total ties Bill's 4-gun of 147. A couple of other competitors still had a chance at titles but all fell short of catching Bill or Richard.

The afternoon of the third and chickens at 200 meters. This 17th final day is th day that really brings on the spectators. It's the time for the shoot-offs for trophies where needed. And there was to be many. Richard and Bill were both in a shoot off or two but a committee added to the crowd enjoyment and decided on an aggregate shoot-off for the ties 4-gun aggregate although Bill had won by virtue of ram count (totaled more of farthest target, the rams). This was to be highest title, it needed a shoot off for sure and this was a new rule. Bill felt pretty good for he knew he had won standing state champion due to highest score of 32 and he also was aware that if loosing aggregate shoot off he would take consolation 3- gun champion. (A single competitor could not receive both) Bill also knew Richard Porter to be one of the finest IHMSA competitors in the nation for he had won or placed in many categories at International championships thourgh the years. Bill 's shoot-

and there was an emotional side to it Richard had been one of Bill's dearest friends for 16 years. If it just wasn't for the highest honor of match but it was!

Shoot off begins in revolver category with chickens placed at 200 meters. Bill gets one more than Richard. Bill, a little surprised, they both are called for production, again samechickens at 200 meters. They both struggle but Bill remains one ahead as both add only tartget total. Unlimited, a real crowd pleaser, is next and at this point it will take 4 of 5 score to remain in contention for unlimited champion, a title Bill had taken in 1987 in Midland, but most of all each needed to add to their aggregate total. Bill beats Richard 4/5 to 3/5 which puts him up two in aggregate total and also in true pursuit of unlimited title. Bill is told to remain on line to go against the international classed Mondo Renteria of Sweetwater who was the only other 40 unlimited competitor (of 10) who had gotten 4 or 5 in "first go"F. With Joyce as spotter and timekeeper; Bill nails chicken # 5 as Joyce counts down 5-4-3. Five of five 200 meter chickens versus Mondo's second only 4 of 5. Joyce and Bill were excited for second champion honor of match but the hard part was coming up--chickens at 150 meters shot at standing not freestyle (lying sown). Richard charges hard for title getting one more than Bill but he had fallen short in total. As cease fire command is given Richard is handed consolation 3- gun champion cap and Bill is given the cap designation the top honor of year--Top Gun--4 gun champion.

Bill will compete in International Championship later this summer.

Gary & Joy Ellis, Christian Cowboy Ministry Cowboy Ministry In Music Scheduled At Bogata First Baptist Church

First Baptist Church, in Bogata will present a Christian Country Music Program Sunday morning, June 26 at the 11 a.m. worship service.

The Arena of Life Cowboy Ministry was started in August 1990 by Gary and Joy Ellis, of Checotah, Oklahoma.

They were very active ministering with the Green Country Cowboy Chapter, when they were called into their own ministry.

Gary ministers the Word in truth and simplicity, sharing what God has done in his life, as well as what God is willing to do in others lives. He teaches how Christ desires that personal relationship with each of us and that true freedom comes through Christ Jesus.

Joy has a dynamic ministry through her songs and sharing of personal testimony! Her CD and tapes, "Jesus Loves Cowboys" and "Oklahoma Nights" minister to the leart and the soul.

Everyone is cordially invited to come to the First Baptist Church on Sunday morning and enjoy the special program.
