

Junior Varsity Owls Travel To Claude Today

Silverton's Junior Varsity Owls open their game schedule today at 6:30 p.m. at Claude.

The team is manned by 18 players, 14 of whom are freshmen. In its two scrimmage outings, the team has shown up well and didn't allow a score to the Springlake-Earth team. Last Saturday night, the boys were burned by a couple of touchdown passes, but other than these did pretty well against Paducah's Dragons.

Thomas Perkins received a sprained ankle in the scrimmage at Springlake-Earth, and Johnny Ortega received a broken collarbone in workout Tuesday afternoon. These injuries will weaken the team, but they are looking good for it to be so early in the season and will be looking for a win today. They will appreciate your presence and support at Claude.

Alternating at quarterback for the Junior Varsity are Kirk Durham, Greg Blair and Chief Davidson. The other players on this team are Glenn Kingery, Mitchell Simpson, Earl Jarrett, James Alan Patton, David Williams, Donald Thomas, Johnny Ortega, Dave Francis, Rodney Bullock, Doug McJimsey, Bryan Burson, Wayne Reed, Kyle Bean, Larry Stephens and Thomas Perkins.

The Junior High Owls will join the Junior Varsity as traveling companions after today's game.

Sisters Injured In Auto Accident

Mrs. Glen (Wilma) Phillips, 44, of Plainview and her sister, Mrs. Wayne (Edna) Roberts, 39, of Hereford continue to receive treatment at Northwest Texas Hospital in Amarillo for injuries they received in an automobile accident about 10:00 a.m. Wednesday, August 27.

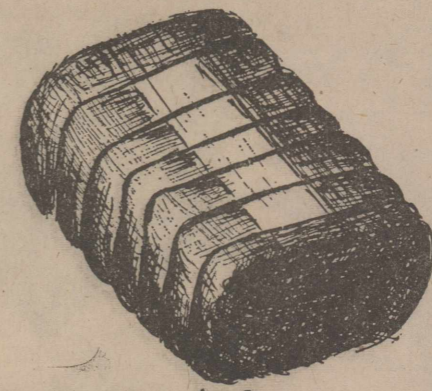

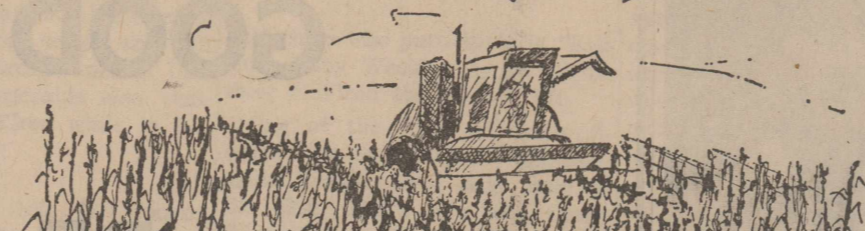

The women were enroute from Silverton, where they had been visiting Mrs. Roberts' son, Trent Brown, to Hereford when the accident occurred seven miles west of Tulia on State Highway 86. Their car and a truck loaded with manure driven by Pat Garrett of Tulia were in collision at an intersection of the highway with a country road. The truck driver was not injured.

Mrs. Phillips, who is employed at The Beauty Room in Plainview, remains in intensive care with a badly broken jaw and possible head injuries. Mrs. Roberts has been removed from intensive care and is in Room 744. Both are sisters of Mrs. L. E. (Mildred) Davis of Silverton. Mrs. Roberts is also the mother of Steve Brown of Turkey.

Among visitors with the ladies at the hospital have been Mr. and Mrs. Maynard Greeson, Sublette, Kansas; Mr. and Mrs. Paul Ray McWilliams, Lubbock; Mrs. Dusty McLeland, Amarillo; Mrs. Minnie Lee Pearce and daughters, Plainview, and Mr. and Mrs. L. E. Davis.

Mr. and Mrs. Norvell Breedlove and sons of Tulia visited at Lake Greenbelt over the weekend with her parents, Mr. and Mrs. Wayland Fitzgerald, and her sister, Mr. and Mrs. Bill Durham, Kirk and Lee Ann.

MDAA Carnival Held Here Tuesday

The Silverton Chapter of Young Homemakers held a MDAA Carnival September 2 at the Pocket Park in downtown Silverton. Among the activities were a cake walk, apple bob, refreshment stand, fortune telling. Several youngsters enjoyed the event.

The members wish to thank Wayne Nance for donating the apples.

BOAT DESTROYED BY FIRE

Firmen answered a call to the R. A. Baird home Tuesday to extinguish a blaze in John Baird's boat.

When the firemen arrived, the fiberglass boat was already gutted by the fire.

Baird was working on the wiring when it shorted, causing the blaze.

CHILD ATTACKED BY DOG

Denny Hill, son of Mr. and Mrs. Ralph Hill, was attacked by a dog at their home in Silverton over the weekend.

The dog was one that had been penned at the City Pound for a reason (it was not to be destroyed, but was being kept there under lock temporarily). Someone had gone to the Pound and sawed off the lock and set the dog free.

Juniors To Have Hamburger Supper

The Junior Class will sponsor a Hamburger Supper September 12 from 5:00 until 7:30 in the Silverton School Cafeteria before the Owls' football game with Valley.

All beef burgers will be served with French fries, tea and homemade pie, all for \$1.75.

Please come and support the Junior class and the Owl football team.

Zane Mayfield is a student at West Texas State University in Canyon.

Pep Squad To Serve Hamburger Supper

Silverton High School Pep Squad will serve a Hamburger Supper from 5:30 until 7:30 p.m. in the Silverton School Cafeteria Friday, September 5 before the Owls play their football game against the Kress Kangaroos.

Tickets are \$2.50 each and are being sold by all members of the Pep Squad.

FFA Has Chapter Meeting August 27

Silverton FFA Chapter met on Wednesday, August 27 and elected Brent Brannon to serve as chapter reporter.

Dues were set at \$5.00 per member, and a fine will be charged for each member out of order during meetings.

There were 50 members and the Chapter Advisor, Bill Rumpy, present.

Silverton's Varsity Owls will host the Kress Kangaroos Friday night at 8:00 p.m. Superintendent O. C. Rampley has asked that fans please bear with the school in not parking inside the football field until protection is provided for the curb around the track. "It is possible that the new curbing could be damaged by cars parking against it," he said, "and we just don't want to risk this." Silverton Young Farmers are planning to assist the Silverton FFA with building a fence.

As a "Salute to the Bicentennial," special patriotic selections will be presented on tape by one of Ted Lamham's public school music classes just prior to the pre-game ceremony at each of the home football games. Friday night's number will be "I Love My Flag, My Country's Flag," by the First Grade.

The Owls have come through their scrimmages in good condition, but saw one of their backs, Brad Ziegler, felled by a shoulder injury in workout Tuesday afternoon.

The Owl offense looked somewhat better against Paducah than it did against Springlake-Earth, but the defense still looks like the mainstay for the team. The defense will be trying to keep the score low while the offense is putting it together, and if they can keep everyone healthy, improvement should be seen in the team each week.

The senior players, Brett Gill, Randy Clay and Ken Sarchet, were elected Tri-Captains by the team last Friday.

HAMBURGER SUPPER
Silverton High's Pep Squad will be serving a Hamburger Supper from 5:30 until 7:30 p.m. Friday in the School Cafeteria before the football game. Tickets are \$2.50 each and are being sold by every member of the Pep Squad.

Mrs. Printz Brown spent last week in Colorado visiting her brother, Mr. and Mrs. A. J. Anderson, at Kemp, her sister, Mrs. Lucille Knighton in LaJunta, and friends in Pueblo.

Mrs. Stan Fogerson is commuting two days a week to classes at Texas Tech University in Lubbock.

The outing was postponed by the weather earlier in the summer.

CowBelles Kick Off Annual Beef For Christmas Promotion

Terra Cotta CowBelles have kicked off their campaign to encourage businessmen and merchants as well as individuals to give beef for Christmas this year.

They suggest Beef Certificates be purchased for employees and customers. Certificates are available at local banks for year-round gift giving.

Beef Certificates were first made available less than a year ago. They have not only proven beneficial to American cattlemen but to the hometown economy as well, according to the CowBelles.

Beef Certificates printed in Tulia have been distributed throughout the state.

Redeemed certificates also tend to circulate local dollars.

Not only do Beef Certificate purchases boost the sale of beef locally but the advertising derived encourages the consumption of beef wherever the news goes.

"Such success would not have been possible without the support and favorable attitude of local citizens, businessmen and local banks," according to the CowBelles. "The CowBelles extend a very special thank you for all your support and are hopeful you will continue the use of these Beef Certificates this coming Christmas season and throughout the coming year."

Other CowBelle groups reported sales as follows: Big Country, \$1,915; Castro County, \$4,790; Golden Spread, \$4,973; Top o' Texas, \$3,280; Terra Cotta, \$6,555.30; Tejas, \$2,360; Oldham County, \$1,160; Hereford, \$5,721; Happy, \$1,202; Circle C, \$2,070; Southwest Texas, \$4,500; Bovina, \$2,400; Caprock, \$2,800; South Texas, \$175; Clay County, \$70, and XIT (Ag Week), \$10.

Dear Charlotte,

The next four letters will be dedicated to all students and a new school year. What better way to begin than with a first grader? Last Wednesday morning brought a new slogan to our family—one that will be used over and over under our roof—sometimes in sincerity—sometimes with tongue in cheek. But perhaps you'd like to use it now that the lazy days of summer have been replaced with schedules, school bells and hurry-hurry days.

Our son, who felt his importance as a high school freshman, came down the stairs the first morning of school scrubbed, combed and polished at the early hour of 7:10; he took one look at his pajama-clad, sleepy six-year-old sister and said, "Now, listen, Betty Ann, you're starting to school, and you might as well know now that Mama has a rule in this house. That rule is that no one is ever late for school. So, HIT IT!"

Then came the slogan, as she swallowed a yawn with her cinnamon toast, "I hittin' it!"

Me, too,

Annual Field Day Slated At Halfway

Producers, agribusinessmen, agricultural experts and others will gather at The Experiment Station at Halfway Thursday, September 11 for the annual field day.

Featured in the afternoon event, says Eddie Holland, Briscoe County Extension Agent, will be a variety of crop research programs. A five-stop tour of research plots will give producers and other guests opportunities to review latest research developments in areas of weed control in corn, water conservation, sunflower produc-

tion, greenbug resistant sorghum hybrids, crop rotation systems and a wide range of variety and insect studies.

Holland says that research at the Experiment Station at Halfway, located 14 miles west of Plainview on Highway 70, is tailored to the particular needs of crop producers on the South Plains, particularly those in corn, sunflower and cotton production.

Professional staff members of the USDA-ARS, National Weather Service, Texas Agricultural Extension Service and the Texas Agricultural Experiment Station will be on hand to review latest research developments.

The event gets underway at 1:00

p.m. A farm machinery display will be set up for preview, Holland adds.

Mr. and Mrs. Guinn Fitzgerald moved their daughter, Nanette, to Abilene last week where she will be attending Hardin-Simmons University. The Fitzgeralds also visited Mrs. G. A. Elrod while in Abilene.

Scott Hutsell left for Canyon this week to attend West Texas State University.

Mr. and Mrs. Chafe Tipton and Mrs. Maude McJimsey visited Sherwood Shores and Greenbelt Lake Monday.

Mothers Asked To "Kiss Your Baby"

Mothers who participate in "Kiss Your Baby Week" may be giving their children the kiss of life.

One of the signs of cystic fibrosis, the most serious lung-damaging disease, is a salty taste of the skin. That's why the Cystic Fibrosis Foundation is asking mothers to "Kiss Your Baby" with very special attention.

If a mother does taste salt on her baby, she should see the doctor and make sure the baby has a test for CF. Early diagnosis and

immediate treatment are vital to the child's life.

Additional signs of cystic fibrosis, and other lung-damaging diseases are: recurrent wheezing; persistent coughing with excessive mucus; pneumonia more than once; excessive appetite but poor weight gain; clubbing (enlargement of fingertips), persistent bulky diarrhea and nasal polyps.

One out of every 1,500 babies has cystic fibrosis and many people don't realize that it is the number one genetic killer of children. For children who are diagnosed early, the outlook is very hopeful. Children with a chronic cough and wheeze sometimes are confused with allergy patients. They should have a sweat chloride test for cystic fibrosis.

McMurtry Receives Scouting Award

Steve McMurtry, Tulia, received the Distinguished Service Award, the highest award of the Order of the Arrow, Boy Scouts of America, at their National Conference in Oxford, Ohio on August 22. The Order of the Arrow is an honorary organization of the Boy Scouts. McMurtry was one of 24 men in the nation to receive the award, one of five from Texas.

BEACHED... and forgotten!

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried?

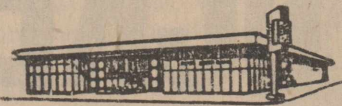

Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And He says that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
